The chief contributor to the Ratnagiri Account is Mr. G. W. Vidal, C.S. Mr. Vidal has, besides supplying materials for parts of the sections on Trade, Manufactures, History, Land Administration, Sub-divisions, and Places of Interest, prepared and revised the Description, Production, and Capital Chapters. For Land Administration and Places of Interest much assistance has been received from Mr. A. T. Crawford, C.S.

The bulk of the Sávantvádi Account is from a memoir written for the Bombay Gazetteer by Colonel J. F. Lester the last Political Agent.

As far as possible the names of other contributors are shown in the body of the book.
