PREFACE.

THIS volume has been compiled from many and various sources, and contains but a very small proportion of the account of Bara Banki given in the old Oudh Gazetteer. The district article covered but thirty-seven pages and consisted of little else than the Settlement Report of Lieutenant-Colonel F. E. A. Chamier, of the Oudh Commission, with a few extracts from other authors. I have availed myself of this work as far as possible, as well as the brief Settlement Report of Mr. C. Hope, I.C.S. I am very largely indebted to Mr. H. J. Boas, I.C.S., who has spared no pains in collecting material for the work, and taken special trouble to correct and bring up to date the historical account of the important families of the district.
