

MASSACHUSETTS
AGRICULTURAL EXPERIMENT STATION

Bulletin No. 321

July, 1935

Tankage
as a Source of Protein
For Dairy Cows

By **J. G. Archibald**

Dhananjayrao Gadgil Library

GIPE-PUNE-047528

Tankage, especially the better grades, has a common use as poultry and hog feed, but interest in it as a source of protein for dairy cattle is of very recent development. This bulletin is based on investigations of the value of tankage for milk production.
