DESPATCHES FROM ENGLAND

1686—1692

MADRAS

PRINTED BY THE SUPERINTENDENT, GOVERNMENT PRESS

1929

PREFATORY NOTE

THE following pages present in print the letters received from England during 1686—1692, as contained in the 8th, 9th and 10th volumes of the series "Des-patches from England" and supplemented by transcripts supplied by the courtesy of the India Office, who had also the kindness to fill up the gaps and to read the proofs.

The missing portions in the Charter granted by King James II on the 12th April 1686, appearing on page 1 of the book, were filled in by a reference to the same Charter in the "Charters relating to the East India Company from 1600 to 1761" printed in 1887.

The pages of the original volumes have been mended.

EGMORE,
1st March 1929.
