THE collection of these trifles, I have reason to believe, will be acceptable to some of my friends. If any others are pleased, so much the better. Former publication is noted with abbreviation which will explain itself to the few readers who look at such references, but I may note that the *Pelican Record* is the magazine of my Oxford college, Corpus Christi, published by Basil Blackwell. Thanks are also due and hereby rendered to the proprietors of the *Hibbert Journal*, the *Cornhill Magazine*, and the *Westminster Gazette*.
