

MR. CONTANSEAU'S NEW FRENCH DICTIONARY.

Third Edition, in One thick Volume, post 8vo. price 10s. 6d.

A NEW PRACTICAL DICTIONARY

OF THE

FRENCH AND ENGLISH LANGUAGES:

Compiled from the most recent Authorities, English and French; and containing, amongst other Improvements,

1. *New Words* in general use in each Language, not to be found in other Dictionaries.
2. *Compound Words* not translated literally.
3. *Prepositions* annexed to the French Verbs and Adjectives, showing what case they govern.
4. *Acceptations* of the Words separated by figures, with *directions* as to the choice to be made of the proper Word.
5. *Examples* of the most familiar Idioms and Phrases, &c.

Followed by abridged VOCABULARIES of GEOGRAPHICAL and MYTHOLOGICAL NAMES.

By LÉON CONTANSEAU,

Professor of the French Language in the Royal Indian Military College; Author of a *French Grammar*, of a *French Reading-Book* (*Précis des Lectures Françaises*), and of a *Guide to French Translation*.

"Very portable as to its form, and very complete as to its matter. It includes fully the French and English of the present day, by inserting such as words as *photograph*, *journal*, *stereoscope*, and many more; it includes familiar English compounds, rendering in plain and simple French; it gives French in every sense in which an English word is used. Thus, it conveys twelve senses to the word *table*, all of course to be translated differently. It gives with French words the prepositions or particles which precede them in phrases or adjectives; it translates Idioms; it gives the principal tenses of irregular verbs, and it is so printed as greatly to assist the eye in finding any information sought."

EXAMINER.

"The fruit of seven years' toil, by a teacher occupying a distinguished position, this *Dictionary* has strong claims to favourable consideration. It is a convenient medium between the large and abridged dictionaries of Spiers and Tisserot. The plan is admirable, and the execution worthy of the plan. The prominent features are—the inclusion of the newest words, the correct translation of compound words—which often do not correspond in the two languages, and are, therefore, very liable to be mistranslated—the annexed prepositions required after French verbs and adjectives, the distinct enumeration of the various senses in which a single word is often used, with proper renderings;—the introduction of useful phrases and sayings. The typographical arrangement is remarkably clear,

consistent, and convenient for practical purposes. We must mention, as another excellence, the insertion of the principal senses of irregular verbs, both in French and English."

ATHLETIC.

"This appears upon the first glance to be a model for a portable dictionary. It is in small size, contains rather more than 200 pages (76 more = 276), on good paper, but not too thick, so that the volume is compact in every sense. Although the words are very closely packed—for there is an immense number in a small space—the choice of type is excellently adapted to setting forth the original word, its several relations and explanations, with perfect distinctness; the reference is peculiarly easy—the eye glances over the page without hindrance, and fastens upon the word at once. The volume, however, contains improvements. It contains all the new words introduced into both Languages, such as 'photograph,' 'stereoscope,' 'pochonnette.' A part of the packing is effected by an ingenious use of figures and other signs to indicate the peculiar acceptations of words. Specimens of the most prominent idioms and familiar phrases are thrown in; and irregular verbs are worked out, so as to save trouble and mistake. We have glanced over the dictionary to test some of the more ordinary doubts, especially erroneous spelling, and we find that it stands the test well. The old-fashioned spelling seems to be correct; they do not, for example, find 'bonhomme,' but 'bonhomme,' in the modern fashion." N.P.C. 1870.

MR. CONTANSEAU'S PRACTICAL DICTIONARY IS NOW IN USE IN THE ROYAL INDIAN MILITARY COLLEGE, ADDISCOMBE; THE ROYAL ARTILLERY COLLEGE, WINDSOR; THE ROYAL ENGINEERS COLLEGE, WINDSOR; THE ROYAL NAVAL COLLEGE, GREENWICH; THE ROYAL COLLEGE OF PHYSICIANS, LONDON; CHULIEMHAR COLLEGE, MYPORAHOTTA COLLEGE, AND CHRIST'S HOSPITAL, LONDON.

London. LONGMAN, GREEN, and CO. Paternoster Row.

WORKS FOR SCHOOLS AND YOUNG PERSONS.

HISTORY of the EARLY CHURCH, from the first Preaching of the Gospel to the Council of Nicea. For the use of Young Persons. By the Author of *Amy Herbert*. 18mo. 4s. 6d.

"MISS SEWELL has gifts which especially qualify her for picturesque and rapid description. Her *History of the Early Church* is exactly the sort of book which is stimulating in the right direction. It is a series of pictures, carefully drawn, which on the whole convey a good and fair notion of the inner life of early Christianity. We know of no book which is likely to do more in the way of instructing young persons on this subject."

CHRISTIAN REMEMBRANCE.

ANCIENT HISTORY of EGYPT, ASSYRIA, and PERSIA. For the use of Young Persons. By the Author of *Amy Herbert*. [In preparation.]

THE CHILD'S FIRST HISTORY of ROME, from the Foundation of Rome, B.C. 753, to the Fall of Jerusalem under Titus, A.D. 70. By the Author of *Amy Herbert*. Eighth Edition. Fcp. 8vo. 2s. 6d.

"A CAREFUL abstract, chiefly taken from Dr. Schmitz's history, and well adapted to the capacity of children. We recommend it for schools and families." LITERARY GAZETTE.

"GIVEN the outlines of the principal events and facts of Roman history clearly and concisely, and in language well adapted from its simplicity to the comprehension of children." SUNDAY TIMES.

A FIRST HISTORY of GREECE, from the *Siege of Troy*, B.C. 1184, to the *Destruction of Corinth*, B.C. 146. By the Author of *Amy Herbert*. New Edition, revised. Fcp. 8vo. 3s. 6d.

CONTES FACILES: A Series of amusing Stories in French, intended to give Children an interest in reading when they are beginning to understand the language; and to precede in use *Extraits Choisis* by the same Author. [In preparation.]

EXTRAITS CHOISIS; or, Selections from Modern French Writers. By the Author of *Amy Herbert*. New Edition. Crown 8vo. 5s.

"FRENCH reading-books for beginners are common enough, but there is a lack of modern French works for their perusal after the elementary manuals have been read; and the French of our age is too unlike that which was written by the classical authors of France to let the student be contented with them alone. Miss Sewell has come to his aid with a book of *Extraits Choisis*, consisting of long passages from modern writers, such as Victor Hugo, Dumas, Lamartine, Emile Souvestre, Alphonse Karr, to some of whom a young reader could hardly have been referred for indiscriminate perusal, even if their works had been accessible to him. It will be very useful." GUARDIAN.

SELF-EXAMINATION before CONFIRMATION: With Devotions and Directions for Confirmation-Day 32mo. 1s. 6d.

"A VERY compact and portable little volume, and we doubt not that it will prove useful, especially to the middle and higher classes of young persons, not only before Confirmation, but as a permanent addition to their devotional library." ENGLISH CHURCHMAN.

READINGS for a MONTH PREPARATORY to CONFIRMATION: Compiled from the Works of the Writers of the Early and of the English Church. By the Author of *Amy Herbert*. New Edition. Fcp. 8vo. 4s.
