A

HISTORY OF OUR OWN TIMES.

By JUSTIN MCCARTHY, M.P.

'Mr. McCarthy is temperate, reasonable, and judicious; his History is eminently entertaining, and his power of entertaining his readers never flags. He never seems to be exhausted, and his fourth volume is perhaps the best of the set. To say that this work is as pleasant and attractive to read as a novel is to pay a great compliment to novels. Almost every page has something in it that is good because it is at once unexpected and yet not forced. The book is pervaded with a gentle spirit of subdued fun, and yet it is never frivolous or comic. Mr. McCarthy has not only the art of story-telling, but makes his narrative sparkle with happy hits, and yet these happy hits do not eclipse the more modest bulk of his story. There are so many bad books which must be criticised severely, that it is refreshing to come across a book which may be freely praised.'—*Saturday Review*.

'Of modern historians, Mr. Justin McCarthy is among the most eminent. His rise was sudden. Known in literature as a successful novelist, it was not till the appearance of his first two volumes on the reign of Victoria that he obtained rank as a more serious writer. His History at once took the reading world by storm. The buoyancy of his narrative, his powers of picturesque description, his epigrammatic judgment of character, his lucid arrangement of facts, and the clear, fresh manner in which he dealt with his story and gave his opinions, charmed alike the philosophical student as well as the general reader. . . . The end is as good as the beginning; there is no falling off, and nothing to tempt invidious criticism. . . . Mr. McCarthy's History is now finished, and we have no hesitation in saying that it is one of the ablest works that the latter part of this century has produced. It is written with spirit, yet accuracy is not sacrificed for effect; it is lively without flippancy, and when the occasion calls for sobriety of judgment the author can be judicial without being opinionated, and thoughtful without being dull.'—*Observer*.

'We have read the volumes throughout with unflinching interest, and have received from their pages an amount of pleasure equal to the enjoyment derivable from the perusal of one of Mr. McCarthy's most stirring and telling novels. Mr. McCarthy has written, in a popular and effective style, an important and useful work.'—*Morning Post*.

'Happier than many historians who have marked out for themselves a task of labour and difficulty, Mr. McCarthy has completed his "History of Our Own Times" within the limits originally intended, and certainly without any unreasonable delay. In the two solid volumes, which form the second and concluding portion of the work, he tells the story of our national life during the last twenty-four years. . . . If the duty which he has imposed upon himself has, of necessity, become more delicate as the course of the narrative brings us more and more within the heated atmosphere of contemporary politics, the historian has found his recompense in the higher opportunities afforded him for exhibiting the tact and judgment conspicuous in his former volumes. The wide and genuine popularity of his History is a circumstance perhaps without parallel in the case of works of its class.'—*Daily News*.

CHATTO & WINDUS'S LIST OF BOOKS.

* * For NOVELS, see pp. 19-25.

Beautifully bound in a novel style, small 4to, 16s.

THE LADY OF THE LAKE. By Sir WALTER SCOTT. With numerous fine Illustrations.

"*The Lady of the Lake*" has been chosen as a subject for illustration, not only for its picturesque features, which invite in an unusual degree the sympathetic treatment of the artist, but also for the romantic personal interest which the story inspires, and which gives it a close hold on the affections of all readers. So thorough is the verisimilitude of the poem, and so accurate are its descriptions of scenery, that the events which it describes are accepted as absolute history in the region where the scene is laid; and no true Highlander looks with tolerance on anyone who ventures to doubt their actual occurrence. It has happened, therefore, that the romantic poem in which the genius of Scott has united and harmonised the legends of Loch Katrine and the Trosachs has become the best Handbook to the Scottish Lake-region. It is believed that the present Illustrated Edition will be a welcome souvenir to thousands of travellers who have visited that beautiful region.

In order to secure accuracy as well as freshness of treatment, the Publishers commissioned Mr. A. V. S. ANTHONY, under whose supervision this Edition has been executed, to visit the Scottish Highlands and make sketches on the spot. Nearly every scene of the poem was personally visited and sketched by him, and these sketches have afforded the basis of the landscapes offered in this book. These landscapes, for obvious reasons, depict the Scenery as it is at the present time; while the Costumes, Weapons, and other accessories of the figure-pieces are of the period of the action of the poem, being carefully studied from contemporary pictures and descriptions, or from later authoritative works.

Birthday Flowers: Their Language and Legend

By W. J. GORDON. Illust. in Colours by VIOLA BOUGHTON. [See

This sumptuous and elegant Birthday Book is the first in which our treasures have been laid under really effective contribution. It has been produced at immense cost, and in it we have one of the most accurate and beautiful masters of Chromo-lithography yet issued from the press. Within its sixty-four fully-coloured pages, each lithographed in fourteen printings, we have a noble Series of lovely quets, depicting in all their wealth of grace and beauty the most famous of our and garden jewels; as a different flower is taken for every day in the year, are no fewer than three hundred and sixty-six separate selections. The legends and the sentiments ascribed to each of the chosen blossoms have formed the theme of some fifteen hundred lines of Original Verse, and there is thus given one of the finest "Languages of Flowers" in existence, and the only one which is free from duplication. An unusual amount of thought and labour has been expended on the work, and our publishers congratulate themselves that in a literary and artistic sense the result has been fully commensurate thereto. Such a collection of flowers, so complete and exact, has never before been offered. As a Book of Birthdays and Family Records is unsurpassed. The addition of the scientific names to the minutely accurate descriptions of plants renders its pages invaluable to the botanist and every lover of leaf and bloom. The legends which form the burden of its verse will delight the scholar, the archaeologist and all students of song and folk-lore; while the copious floral songs, complete in any other "language of flowers" yet available, will ren the constant companion and most treasured gift of a much more numerous section of the community—the whole world of Sweethearts of the English-speaking nation

"It is well when we can take up the work of a really qualified investigator, who in the intervals of his more serious professional labours sets himself to impart knowledge in such a simple and elementary form as may attract and instruct, with no danger of misleading the tyro in natural science. Such a work is this little volume, made up of essays and addresses written and delivered by Dr. Andrew Wilson, lecturer and examiner in Science at Edinburgh and Glasgow, at leisure intervals in a busy professional life. . . . Dr. Wilson's pages teem with matter stimulating to a healthy love of science and a reverence for the truths of nature."—SATURDAY REVIEW.
