## VITA

---

TING Tsz Ko was born in Sen-hui, Kwongtung, China, on September 5, 1896. Brought up under the old Chinese system of education in his early childhood, he then went through the primary and secondary grades under the new system. He received his degree of Bachelor of Arts from the National University of Peking in 1921. From 1921 to 1922, he was instructor in English in the Canton English Institute, Canton, China, and at the same time was a student and assistant instructor in Economics in the Canton Christian College, Lingnan University. He was graduated with highest honors, in 1922 from the Canton Christian College and the degree of Bachelor of Arts was again conferred upon him. He entered Columbia University in 1922 and studied under Professors Seligman, Seager, Moore, Mitchell, Simkhovitch, Giddings, Chaddock and Willis. He received his degree of Master of Arts in 1923. The Labor Problem is his major interest.
