SOCIAL ENGLAND
VOLUME III. OF
SOCIAL ENGLAND
CONTAINS
FROM THE ACCESSION OF HENRY VIII. TO THE DEATH OF ELIZABETH.

"The history of social England is a stupendous undertaking, and Mr. Traill has realised his heavy responsibilities. Few men are better fitted to edit a work so comprehensive and exhaustive, for his knowledge is exceptionally wide and his intellect is singularly lucid. . . . Naturally it was an important question how so complicated a theme was to be treated: Mr. Traill has decided—as we think, wisely, for what may be defined as an encyclopaedic social history. There is methodical classification, with a distribution of the subjects among writers whom we may assume to be specialists."—The Times.

"The utility of such a work is obvious, its interest to all cultivated people enormous, and the scale on which the book is to be written, adequate."—The Speaker.

"Mr. Traill has, so far as we can judge from this first instalment of his SOCIAL ENGLAND, on the whole been fortunate in procuring the services of a competent band of contributors."—Saturday Review.

"SOCIAL ENGLAND is so admirably planned; the experts having charge of several departments are such masters of their subject; it is so excellently produced by Mr. Traill, that for a moment the boundary line between an encyclopaedia and a history seems illusory, and in this case illused."—National Observer.

VOLUME V.
WILL CONTAIN
FROM THE ACCESSION OF GEORGE I. TO THE BATTLE OF WATERLOO.
SOCIAL ENGLAND

A Record of the Progress of the People

In Religion Laws Learning Arts Industry Commerce Science
Literature and Manners from the Earliest Times
to the Present Day
