SOCIAL ENGLAND

SOCIAL ENGLAND

VOL. I. contains :—*From the Earliest Times to the Accession of Edward I.* Price 15s.

VOL. II. contains :—*From the Accession of Edward I. to the Death of Henry VII.* Price 15s.

VOL. III. contains :—*From the Accession of Henry VIII. to the Death of Elizabeth.* Price 15s.

VOL. IV. contains :—*From the Accession of James I. to the Death of Queen Anne.* Price 17s.

"The history of social England is a stupendous undertaking, and Mr. Traill has realised his heavy responsibilities. Few men are better fitted to edit a work so comprehensive and exhaustive, for his knowledge is exceptionally wide and his intellect is singularly lucid. . . . Naturally it was an important question how so complicated a theme was to be treated: Mr. Traill has decided—as we think, wisely, for what may be defined as an encyclopaedical social history. There is methodical classification, with a distribution of the subjects among writers whom we may assume to be specialists."—*The Times*.

"The utility of such a work is obvious, its interest to all cultivated people enormous, and the scale on which the book is to be written, adequate."—*The Speaker*.

"Mr. Traill has, so far as we can judge from this first instalment of his SOCIAL ENGLAND, on the whole been fortunate in procuring the services of a competent band of contributors."—*Saturday Review*.

"SOCIAL ENGLAND is so admirably planned; the experts having charge of several departments are such masters of their subject; it is so excellently prefaced by Mr. Traill, that for a moment the boundary line between an encyclopaedia and a history seems illusory, and in this case illuded."—*National Observer*.

VOLUME VI.

WILL CONTAIN

FROM THE BATTLE OF WATERLOO TO THE GENERAL ELECTION OF 1885.

CASSELL & COMPANY, LIMITED, London; Paris & Melbourne.

SOCIAL ENGLAND.

A Record of the Progress of the People in Religion, Laws, Learning, Arts, Industry, Commerce, Science, Literature, and Manners from the Earliest Times to the Present Day. By Various Writers. Edited by H. D. TRAILL, D.C.L., sometime Fellow of St. John's College, Oxford.

"The history of social England is a stupendous undertaking, and Mr. Traill has realised his heavy responsibilities. Few men are better fitted to edit a work so comprehensive and exhaustive, for his knowledge is exceptionally wide and his intellect is singularly lucid. . . . Naturally it was an important question how so complicated a theme was to be treated: Mr. Traill has decided—as we think, wisely—for what may be defined as an encyclopædical social history. There is methodical classification, with a distribution of the subjects among writers whom we may assume to be specialists."—*The Times*.

"So far as we have been able to estimate the character of the work, it is intended primarily to be popular—to minister to the wants of those who desire for purposes of general information to acquaint themselves with the broad features of our national expansion. But it will be found equally useful for those students who wish for special and exact knowledge in some of the particular elements of our complex civilisation, in the history of English letters, for example, or Art and Science, or Industry and Commerce. It is a book which can be cordially recommended in both aspects."—*Daily Telegraph*.

"This is the first instalment of a new and, in some respects, an important work of reference, and the publishers are to be congratulated on having secured for the practical working out of their ambitious scheme the editorial services of so able and scholarly a journalist as Mr. Traill. . . . The outlook of the book is broad and philosophical, and the keynote to which its chapters are set is neither absurdly jubilant or needlessly pessimistic."—*Standard*.

Press Opinions of SOCIAL ENGLAND—continued.

"The list of contributors includes the names of many well-known authorities on our history and antiquities, and the articles display wide learning and a scientific spirit of historical criticism."
—*Daily News*.

"The utility of such a work is obvious, its interest to all cultivated people enormous, and the scale on which the book is to be written, adequate. . . . Taking everything together, we cannot feel too grateful to editor, writers, and publishers for making accessible to a wide audience the mass of sound information, conveyed in a pleasant and literary form, which is contained in this interesting volume. It deserves to be widely circulated."
—*The Speaker*.

"Mr. Traill has, so far as we can judge from this first instalment of his *SOCIAL ENGLAND*, on the whole been fortunate in procuring the services of a competent band of contributors; some two or three of the writers in this volume have given him really admirable work, and none of them fall below such a standard as may fairly be required for a book of this sort."
—*Saturday Review*.

"If the remaining volumes are as good as the first volume which has just been published, the whole work will be found to be of great utility and importance."—*World*.

"By the employment of so many different experts in the various subjects which go to make up the history of a nation, the editor has ensured the production of a most exhaustive and accurate history of England, exhaustive without being prolix, and accurate because not dependent altogether on the judgment of one man."—*Graphic*.

"The plan of this interesting and important work is in all respects excellent. In every page it is promising of conspicuous success."—*Scotsman*.

"In Dr. Traill as editor no better scholar or historian could be found. He has all the qualities that are required to make these books perfect in style, brightness, and attraction."—*Irish Times*.

CASELL & COMPANY, LIMITED, *London; Paris and Melbourne.*

A SELECTED LIST
OF
CASSELL & COMPANY'S
PUBLICATIONS.

Illustrated, Fine Art, and other Volumes.

- Abbeys and Churches of England and Wales, The: Descriptive, Historical, Pictorial.** Series II. 21s.
