NOTE

The orthography of proper names follows the system adopted by the Indian Government for the *Imperial Gazetteer of India*. That system, while adhering to the popular spelling of very well-known places, such as Punjab, Poona, Deccan, &c., employs in all other cases the vowels with the following uniform sounds:—

a, as in woman : á, as in father : í, as in kin : ï, as in intrigue :
u, as in cold : ú, as in bull : ú, as in rule.

Opinions of the Press

ON

SIR WILLIAM HUNTER'S 'DALHOUSIE.'

'An interesting and exceedingly readable volume. . . . Sir William Hunter has produced a valuable work about an important epoch in English history in India, and he has given us a pleasing insight into the character of a remarkable Englishman. The "Rulers of India" series, which he has initiated, thus makes a successful beginning in his hands with one who ranks among the greatest of the great names which will be associated with the subject.'—*The Times*.

'To no one is the credit for the improved condition of public intelligence [regarding India] more due than to Sir William Hunter. From the beginning of his career as an Indian Civilian he has devoted a rare literary faculty to the task of enlightening his countrymen on the subject of England's greatest dependency. . . . By inspiring a small army of fellow-labourers with his own spirit, by inducing them to conform to his own method, and shaping a huge agglomeration of facts into a lucid and intelligible system, Sir W. Hunter has brought India and its innumerable interests within the pale of achievable knowledge, and has given definite shape to the truths which its history establishes and the problems which it suggests. . . . Such contributions to literature are apt to be taken as a matter of course, because their highest merit is to conceal the labour, and skill, and knowledge involved in their production; but they raise the whole level of public intelligence, and generate an atmosphere in which the baleful influences of folly, ignorance, prejudice, and presumption dwindle and disappear.'—*Saturday Review*.

'Admirably calculated to impart in a concise and agreeable form a clear general outline of the history of our great Indian Empire.'—*Economist*.

'A skilful and most attractive picture. . . . The author has made good use of public and private documents, and has enjoyed the privilege of being aided by the deceased statesman's family. His little work is, consequently, a valuable contribution to modern history.'—*Academy*.

'The book should command a wide circle of readers, not only for its author's sake and that of its subject, but partly at least on account of the very attractive way in which it has been published at the moderate price of half-a-crown. But it is, of course, by its intrinsic merits alone that a work of this nature should be judged. And those merits are everywhere conspicuous. . . . A writer whose thorough mastery of all Indian subjects has been acquired by years of practical experience and patient research.'—*The Athenæum*.

'Never have we been so much impressed by the great literary abilities of Sir William Hunter as we have been by the perusal of "The Marquess of Dalhousie." . . . The knowledge displayed by the writer of the motives of Lord Dalhousie's action, of the inner working of his mind, is so complete, that Lord Dalhousie himself, were he living, could not state them more clearly. . . . Sir William Hunter's style is so clear, his language so vivid, and yet so simple, conveying the impressions he wishes so perspicuously that they cannot but be understood, that the work must have a place in every library, in every home, we might say indeed every cottage.'—*Evening News*.

'Sir William Hunter has written an admirable little volume on "The Marquess of Dalhousie" for his series of the "Rulers of India." It can be read at a sitting, yet its references—expressed or implied—suggest the study and observation of half a life-time.'—*The Daily News*.

SIR WILLIAM HUNTER'S 'LORD MAYO.'

'Sir William W. Hunter has contributed a brief but admirable biography of the Earl of Mayo to the series entitled "Rulers of India," edited by himself (Oxford, at the Clarendon Press).—*The Times*.

'In telling this story in the monograph before us, Sir William Hunter has combined his well-known literary skill with an earnest sympathy and fulness of knowledge which are worthy of all commendation. . . . The world is indebted to the author for a fit and attractive record of what was eminently a noble life.'—*The Academy*.

'The sketch of The Man is full of interest, drawn as it is with complete sympathy, understanding, and appreciation. But more valuable is the account of his administration. No one can show so well and clearly as Sir William Hunter does what the policy of Lord Mayo contributed to the making of the Indian Empire of to-day.'—*The Scotsman*.

'Sir William Hunter has given us a monograph in which there is a happy combination of the essay and the biography. We are presented with the main features of Lord Mayo's administration unencumbered with tedious details which would interest none but the most official of Anglo-Indians; while in the biography the man is brought before us, not analytically, but in a life-like portrait.'—*Vanity Fair*.

'The story of his life Sir W. W. Hunter tells in well-chosen language—clear, succinct, and manly. Sir W. W. Hunter is in sympathy with his subject, and does full justice to Mayo's strong, genuine nature. Without exaggeration and in a direct, unaffected style, as befits his theme, he brings the man and his work vividly before us.'—*The Glasgow Herald*.

'All the knowledge acquired by personal association, familiarity with administrative details of the Indian Government, and a strong grasp of the vast problems to be dealt with, is utilised in this presentation of Lord Mayo's personality and career. Sir W. Hunter, however, never overloads his pages, and the outlines of the sketch are clear and firm.'—*The Manchester Express*.

'This is another of the "Rulers of India" series, and it will be hard to beat. . . . Sir William Hunter's perception and expression are here at their very best.'—*The Pall Mall Gazette*.

'The latest addition to the "Rulers of India" series yields to none of its predecessors in attractiveness, vigour, and artistic portraiture. . . . The final chapter must either be copied verbally and literally—which the space at our disposal will not permit—or be left to the sorrowful perusal of the reader. The man is not to be envied who can read it with dry eyes.'—*Allen's Indian Mail*.

'The little volume which has just been brought out is a study of Lord Mayo's career by one who knew all about it and was in full sympathy with it. . . . Some of these chapters are full of spirit and fire. The closing passages, the picture of the Viceroy's assassination, cannot fail to make any reader hold his breath. We know what is going to happen, but we are thrilled as if we did not know it, and were still held in suspense. The event itself was so terribly tragic that any ordinary description might seem feeble and laggard. But in this volume we are made to feel as we must have felt if we had been on the spot and seen the murderer "fastened like a tiger" on the back of the Viceroy.'—*Daily News*, Leading Article.

MR. W. S. SETON-KARR'S 'CORNWALLIS.'

'This new volume of the "Rulers of India" series keeps up to the high standard set by the author of "The Marquess of Dalhousie." For dealing with the salient passages in Lord Cornwallis's Indian career no one could have been better qualified than the whilom foreign secretary to Lord Lawrence.'—*The Athenæum*.

'Lord Cornwallis has been very properly included in the list of those "Rulers of India" whose biographies are calculated to illustrate the past growth and present development of the English administration in that country. His name is connected with several great measures, which more, perhaps, than any others have given a special colour to our rule, have influenced the course of subsequent legislation, and have made the Civil Service what it at present is. He completed the administrative fabric of which Warren Hastings, in the midst of unexampled difficulties and vicissitudes, had laid the foundation.'—*The Saturday Review*.

'We hope that the volumes on the "Rulers of India" which are being published by the Clarendon Press are carefully read by a large section of the public. There is a dense wall of ignorance still standing between the average Englishman and the greatest dependency of the Crown; although we can scarcely hope to see it broken down altogether, some of these admirable biographies cannot fail to lower it a little. . . . Mr. Seton-Karr has succeeded in the task, and he has not only presented a large mass of information, but he has brought it together in an attractive form. . . . We strongly recommend the book to all who wish to enlarge the area of their knowledge with reference to India.'—*New York Herald*.

'The "Rulers of India" series. This outcome of the Clarendon Press grows in value as it proceeds. The account of Cornwallis is from the pen of Mr. W. Seton-Karr, who was formerly Foreign Secretary to the Government of India, and whose acquaintance with Eastern affairs has been of obvious service to him in the compilation of this useful manual.'—*The Globe*.

'One might almost say that the history of our great Indian Empire might be read with comparative ease in the excellent "Rulers of India Series," published at the Clarendon Press at Oxford. . . . Of Cornwallis it might be said he transformed the East India Company's servants from merchants to administrators, and determined to place them above jobbery, which he despised.'—*The Independent*.

'We have already expressed our sense of the value and timeliness of the series of Indian historical retrospects now issuing, under the editorship of Sir W. W. Hunter, from the Clarendon Press. It is somewhat less than fair to say of Mr. Seton-Karr's monograph upon Cornwallis that it reaches the high standard of literary workmanship which that series has maintained. . . . His accurate and lucid summary of the necessities which dictated Cornwallis's policy, and the methods by which he initiated and, to a great extent, effected, the transformation of our rule in India from the lines of an Oriental despotism to those with which we are now familiar, is as attractive as it is instructive.'—*The Literary World*.

MRS. THACKERAY RITCHIE'S AND
MR. RICHARDSON EVANS'
'LORD AMHERST.'

'The story of the Burmese War, its causes and its issues, is re-told with excellent clearness and directness.'—*Saturday Review*.

'Perhaps the brightest volume in the valuable series to which it belongs. . . The chapter on "The English in India in Lord Amherst's Governor-Generalship" should be studied by those who wish to understand how the country was governed in 1824.'—*Quarterly Review*.

'Mrs. Ritchie and Mr. Evans are to be congratulated upon having written between them a readable and useful biography and sketch of Indian history at the time, without which the series would have been very deficient.'—*Army and Navy Gazette*.

'There is not a single dull page in this luminous and suggestive sketch of an important transitional period in the wonderful story of the British in Asia.'—*English Mail*.

'There are some charming pictures of social life, and the whole book is good reading, and is a record of patience, skill and daring. The public should read it, that it may be chary of destroying what has been so toilsomely and bravely acquired.'—*National Observer*.

'Pleasantly written and instructive as it is, the book will be read with interest by all who take it up.'—*Scotsman*.

'The authors of his life have done justice to a proconsul who served his country well in difficult times, and have written a page of history in a way that leaves nothing to be desired.'—*World*.

'An animated narrative of a deeply interesting period.'—*Standard*.

'The volume is worthy to join its predecessors in the admirable series of which it forms part.'—*Morning Post*.

'The chief attraction of the volume lies in the delightfully vivid picture it draws of life in India early in the century.'—*Yorkshire Post*.

'The book will be ranked among the best in the series, both on account of the literary skill shown in its composition and by reason of the exceptional interest of the material to which the authors have had access.'—*St. James's Gazette*.

Opinions of the Press

ON

COLONEL MALLESON'S 'DUPLÉIX.'

'In the character of Dupléix there was the element of greatness that contact with India seems to have generated in so many European minds, French as well as English, and a broad capacity for government, which, if suffered to have full play, might have ended in giving the whole of Southern India to France. Even as it was, Colonel Malleison shows how narrowly the prize slipped from French grasp. In 1783 the Treaty of Versailles arrived just in time to save the British power from extinction.'—*Times*.

'One of the best of Sir W. Hunter's interesting and valuable series. Colonel Malleison writes out of the fulness of familiarity, moving with ease over a field which he had long ago surveyed in every nook and corner. To do a small book as well as this on Dupléix has been done, will be recognised by competent judges as no small achievement. When one considers the bulk of the material out of which the little volume has been distilled, one can still better appreciate the labour and dexterity involved in the performance.'—*Academy*.

'A most compact and effective history of the French in India in a little handbook of 180 pages.'—*Nonconformist*.

'Well arranged, lucid and eminently readable, an excellent addition to a most useful series.'—*Record*.

COLONEL MALLESON'S 'AKBAR.'

'Colonel Malleison's interesting monograph on Akbar in the "Rulers of India" (Clarendon Press) should more than satisfy the general reader. Colonel Malleison traces the origin and foundation of the Mughal Empire; and, as an introduction to the history of Muhammadan India, the book leaves nothing to be desired.'—*St. James's Gazette*.

'This volume will, no doubt, be welcomed, even by experts in Indian history, in the light of a new, clear, and terse rendering of an old, but not worn-out theme. It is a worthy and valuable addition to Sir W. Hunter's promising series.'—*Athenæum*.

'Colonel Malleison has broken ground new to the general reader. The story of Akbar is briefly but clearly told, with an account of what he was and what he did, and how he found and how he left India. . . . The native chronicles of the reign are many, and from them it is still possible, as Colonel Malleison has shown, to construct a living portrait of this great and mighty potentate.'—*Scots Observer*.

'The brilliant historian of the Indian Mutiny has been assigned in this volume of the series an important epoch and a strong personality for critical study, and he has admirably fulfilled his task. . . . Alike in dress and style, this volume is a fit companion for its predecessor.'—*Manchester Guardian*.

CAPTAIN TROTTER'S 'WARREN HASTINGS.'

'The publication, recently noticed in this place, of the "Letters, Despatches, and other State Papers preserved in the Foreign Department of the Government of India, 1772-1785," has thrown entirely new light from the most authentic sources on the whole history of Warren Hastings and his government of India. Captain L. J. Trotter's WARREN HASTINGS is accordingly neither inopportune nor devoid of an adequate *raison d'être*. Captain Trotter is well known as a competent and attractive writer on Indian history, and this is not the first time that Warren Hastings has supplied him with a theme.'—*The Times*.

'He has put his best work into this memoir. . . . His work is of distinct literary merit, and is worthy of a theme than which British history presents none nobler. It is a distinct gain to the British race to be enabled, as it now may, to count the great Governor-General among those heroes for whom it need not blush.'—*Scotsman*.

'Captain Trotter has done his work well, and his volume deserves to stand with that on Dalhousie by Sir William Hunter. Higher praise it would be hard to give it.'—*New York Herald*.

'Captain Trotter has done full justice to the fascinating story of the splendid achievements of a great Englishman.'—*Manchester Guardian*.

'A brief but admirable biography of the first Governor-General of India.'—*Newcastle Chronicle*.

'A book which all must peruse who desire to be "up to date" on the subject.'—*The Globe*.

MR. KEENE'S 'MADHAVA RAO SINDHIA.'

'Mr. Keene has the enormous advantage, not enjoyed by every producer of a book, of knowing intimately the topic he has taken up. He has compressed into these 203 pages an immense amount of information, drawn from the best sources, and presented with much neatness and effect.'—*The Globe*.

'Mr. Keene tells the story with knowledge and impartiality, and also with sufficient graphic power to make it thoroughly readable. The recognition of Sindhia in the "Rulers" series is just and graceful, and it cannot fail to give satisfaction to the educated classes of our Indian fellow-subjects.'—*North British Daily Mail*.

'The volume bears incontestable proofs of the expenditure of considerable research by the author, and sustains the reputation he had already acquired by his "Sketch of the History of Hindustan."'
—*Freeman's Journal*.

'Among the eighteen rulers of India included in the scheme of Sir William Hunter only five are natives of India, and of these the great Madhoji Sindhia is, with the exception of Akbar, the most illustrious. Mr. H. G. Keene, a well-known and skilful writer on Indian questions, is fortunate in his subject, for the career of the greatest bearer of the historic name of Sindhia covered the exciting period from the capture of Delhi, the Imperial capital, by the Persian Nadir Shah, to the occupation of the same city by Lord Lake. . . . Mr. Keene gives a lucid description of his subsequent policy, especially towards the English when he was brought face to face with Warren Hastings.'—*The Daily Graphic*.

MAJOR-GENERAL SIR OWEN BURNE'S 'CLYDE AND STRATHNAIRN.'

'In "Clyde and Strathnairn," a contribution to Sir William Hunter's excellent "Rulers of India" series (Oxford, at the Clarendon Press), Sir Owen Burne gives a lucid sketch of the military history of the Indian Mutiny and its suppression by the two great soldiers who give their names to his book. The space is limited for so large a theme, but Sir Owen Burne skilfully adjusts his treatment to his limits, and rarely violates the conditions of proportion imposed upon him. . . . 'Sir Owen Burne does not confine himself exclusively to the military narrative. He gives a brief sketch of the rise and progress of the Mutiny, and devotes a chapter to the Reconstruction which followed its suppression.' . . . '—well written, well proportioned, and eminently worthy of the series to which it belongs.'—*The Times*.

'Sir Owen Burne who, by association, experience, and relations with one of these generals, is well qualified for the task, writes with knowledge, perspicuity, and fairness.'—*Saturday Review*.

'As a brief record of a momentous epoch in India this little book is a remarkable piece of clear, concise, and interesting writing.'—*The Colonies and India*.

'Sir Owen Burne has written this book carefully, brightly, and with excellent judgement, and we in India cannot read such a book without feeling that he has powerfully aided the accomplished editor of the series in a truly patriotic enterprise.'—*Bombay Gazette*.

'The volume on "Clyde and Strathnairn" has just appeared, and proves to be a really valuable addition to the series. Considering its size and the extent of ground it covers it is one of the best books about the Indian Mutiny of which we know.'—*Englishman*.

'Sir Owen Burne, who has written the latest volume for Sir William Hunter's "Rulers of India" series, is better qualified than any living person to narrate, from a military standpoint, the story of the suppression of the Indian Mutiny.'—*Daily Telegraph*.

'Sir Owen Burne's book on "Clyde and Strathnairn" is worthy to rank with the best in the admirable series to which it belongs.'—*Manchester Examiner*.

'The book is admirably written; and there is probably no better sketch, equally brief, of the stirring events with which it deals.'—*Scotsman*.

'Sir Owen Burne, from the part he played in the Indian Mutiny, and from his long connexion with the Government of India, and from the fact that he was military secretary of Lord Strathnairn both in India and in Ireland, is well qualified for the task which he has undertaken.'—*The Athenaeum*.

VISCOUNT HARDINGE'S 'LORD HARDINGE.'

'An exception to the rule that biographies ought not to be entrusted to near relatives. Lord Hardinge, a scholar and an artist, has given us an accurate record of his father's long and distinguished services. There is no filial exaggeration. The author has dealt with some controversial matters with skill, and has managed to combine truth with tact and regard for the feelings of others.'—*The Saturday Review*.

'This interesting life reveals the first Lord Hardinge as a brave, just, able man, the very soul of honour, admired and trusted equally by friends and political opponents. The biographer . . . has produced a most engaging volume, which is enriched by many private and official documents that have not before seen the light.'—*The Anti-Jacobin*.

'Lord Hardinge has accomplished a grateful, no doubt, but, from the abundance of material and delicacy of certain matters, a very difficult task in a workmanlike manner, marked by restraint and lucidity.'—*The Pall Mall Gazette*.

'His son and biographer has done his work with a true appreciation of proportion, and has added substantially to our knowledge of the Sutlej Campaign.'—*Vanity Fair*.

'The present Lord Hardinge is in some respects exceptionally well qualified to tell the tale of the eventful four years of his father's Governor-Generalship.'—*The Times*.

'It contains a full account of everything of importance in Lord Hardinge's military and political career; it is arranged . . . so as to bring into special prominence his government of India; and it gives a lifelike and striking picture of the man.'—*Academy*.

'The style is clear, the treatment dispassionate, and the total result a manual which does credit to the interesting series in which it figures.'—*The Globe*.

'The concise and vivid account which the son has given of his father's career will interest many readers.'—*The Morning Post*.

'Eminently readable for everybody. The history is given succinctly, and the unpublished letters quoted are of real value.'—*The Colonies and India*.

'Compiled from public documents, family papers, and letters, this brief biography gives the reader a clear idea of what Hardinge was, both as a soldier and as an administrator.'—*The Manchester Examiner*.

'An admirable sketch.'—*The New York Herald*.

'The Memoir is well and concisely written, and is accompanied by an excellent likeness after the portrait by Sir Francois Grant.'—*The Queen*.

SIR HENRY CUNNINGHAM'S 'EARL CANNING.'

'Sir Henry Cunningham's rare literary skill and his knowledge of Indian life and affairs are not now displayed for the first time, and he has enjoyed exceptional advantages in dealing with his present subject. Lord Granville, Canning's contemporary at school and colleague in public life and one of his oldest friends, furnished his biographer with notes of his recollections of the early life of his friend. Sir Henry Cunningham has also been allowed access to the Diary of Canning's private secretary, to the Journal of his military secretary, and to an interesting correspondence between the Governor-General and his great lieutenant, Lord Lawrence.'—*The Times*.

'Sir H. S. Cunningham has succeeded in writing the history of a critical period in so fair and dispassionate a manner as to make it almost a matter of astonishment that the motives which he has so clearly grasped should ever have been misinterpreted, and the results which he indicates so grossly misjudged. Nor is the excellence of his work less conspicuous from the literary than from the political and historical point of view.'—*Glasgow Herald*.

'Sir H. S. Cunningham has treated his subject adequately. In vivid language he paints his word-pictures, and with calm judicial analysis he also proves himself an able critic of the actualities, causes, and results of the outbreak, also a temperate, just appreciator of the character and policy of Earl Canning.'—*The Court Journal*.

REV. W. H. HUTTON'S 'MARQUESS WELLESLEY.'

'Mr. Hutton has brought to his task an open mind, a trained historical judgement, and a diligent study of a great body of original material. Hence he is enabled to present a true, authentic, and original portrait of one of the greatest of Anglo-Indian statesmen, doing full justice to his military policy and achievements, and also to his statesmanlike efforts for the organization and consolidation of that Empire which he did so much to sustain.'—*Times*.

'To the admirable candour and discrimination which characterize Mr. Hutton's monograph as an historical study must be added the literary qualities which distinguish it and make it one of the most readable volumes of the series. The style is vigorous and picturesque, and the arrangement of details artistic in its just regard for proportion and perspective. In short, there is no point of view from which the work deserves anything but praise.'—*Glasgow Herald*.

'The Rev. W. H. Hutton has done his work well, and achieves with force and lucidity the task he sets himself: to show how, under Wellesley, the Indian company developed and ultimately became the supreme power in India. To our thinking his estimate of this great statesman is most just.'—*Black and White*.

'Mr. Hutton has told the story of Lord Wellesley's life in an admirable manner, and has provided a most readable book.'—*Manchester Examiner*.

'Mr. Hutton's range of information is wide, his division of subjects appropriate, and his diction scholarly and precise.'—*Saturday Review*.

SIR LEPEL GRIFFIN'S 'RANJIT SINGH.'

'We can thoroughly praise Sir Lepel Griffin's work as an accurate and appreciative account of the beginnings and growth of the Sikh religion and of the temporal power founded upon it by a strong and remorseless chieftain.'—*The Times*.

'Sir Lepel Griffin treats his topic with thorough mastery, and his account of the famous Maharájás and his times is, consequently, one of the most valuable as well as interesting volumes of the series of which it forms a part.'—*The Globe*.

'From first to last it is a model of what such a work should be, and a classic.'—*The St. Stephen's Review*.

'The monograph could not have been entrusted to more capable hands than those of Sir Lepel Griffin, who spent his official life in the Punjab.'—*The Scotsman*.

'At once the shortest and best history of the rise and fall of the Sikh monarchy.'—*The North British Daily Mail*.

'Not only a biography of the Napoleon of the East, but a luminous picture of his country; the chapter on Sikh Theocracy being a notable example of compact thought.'—*The Liverpool Mercury*.

MR. DEMETRIUS BOULGER'S 'LORD WILLIAM BENTINCK.'

'The "Rulers of India" series has received a valuable addition in the biography of the late Lord William Bentinck. The subject of this interesting memoir was a soldier as well as a statesman. He was mainly instrumental in bringing about the adoption of the overland route and in convincing the people of India that a main factor in English policy was a disinterested desire for their welfare. Lord William's despatches and minutes, several of which are textually reproduced in Mr. Boulger's praiseworthy little book, display considerable literary skill and are one and all State papers of signal worth.'—*Daily Telegraph*.

'Mr. Boulger is no novice in dealing with Oriental history and Oriental affairs, and in the career of Lord William Bentinck he has found a theme very much to his taste, which he treats with adequate knowledge and literary skill.'—*The Times*.

'Mr. Boulger writes clearly and well, and his volume finds an accepted place in the very useful and informing series which Sir William Wilson Hunter is editing so ably.'—*Independent*.

MR. J. S. COTTON'S 'MOUNTSTUART ELPHINSTONE.'

'Sir William Hunter, the editor of the series to which this book belongs, was happily inspired when he entrusted the Life of Elphinstone, one of the most scholarly of Indian rulers, to Mr. Cotton, who, himself a scholar of merit and repute, is brought by the nature of his daily avocations into close and constant relations with scholars. . . . We live in an age in which none but specialists can afford to give more time to the memoirs of even the most distinguished Anglo-Indians than will be occupied by reading Mr. Cotton's two hundred pages. He has performed his task with great skill and good sense. This is just the kind of Life of himself which the wise, kindly, high-souled man, who is the subject of it, would read with pleasure in the Elysian Fields.'—Sir M. E. Grant Duff, in *The Academy*.

'To so inspiring a theme few writers are better qualified to do ample justice than the author of "The Decennial Statement of the Moral and Material Progress and Condition of India." Sir T. Colebrooke's larger biography of Elphinstone appeals mainly to Indian specialists, but Mr. Cotton's slighter sketch is admirably adapted to satisfy the growing demand for a knowledge of Indian history and of the personalities of Anglo-Indian statesmen which Sir William Hunter has done so much to create.'—*The Times*.

DR. BRADSHAW'S 'SIR THOMAS MUNRO.'

'A most valuable, compact and interesting memoir for those looking forward to or engaged in the work of Indian administration.'—*Scotsman*.

'It is a careful and sympathetic survey of a life which should always serve as an example to the Indian soldier and civilian.'—*Yorkshire Post*.

'A true and vivid record of Munro's life-work in almost autobiographical form.'—*Glasgow Herald*.

'Of the work before us we have nothing but praise. The story of Munro's career in India is in itself of exceptional interest and importance.'—*Freeman's Journal*.

'The work could not have been better done; it is a monument of pain-taking care, exhaustive research, and nice discrimination.'—*People*.

'This excellent and spirited little monograph catches the salient points of Munro's career, and supplies some most valuable quotations from his writings and papers.'—*Manchester Guardian*.

'It would be impossible to imagine a more attractive and at the same time instructive book about India.'—*Liverpool Courier*.

'It is one of the best volumes of this excellent series.'—*Imperial and Asiatic Quarterly Review*.

'The book throughout is arranged in an admirably clear manner and there is evident on every page a desire for truth, and nothing but the truth.'—*Commerce*.

'A clear and scholarly piece of work.'—*Indian Journal of Education*.

MR. MORSE STEPHENS' 'ALBUQUERQUE.'

'Mr. Stephens' able and instructive monograph . . . We may commend Mr. Morse Stephens' volume, both as an adequate summary of an important period in the history of the relations between Asia and Europe, and as a suggestive treatment of the problem of why Portugal failed and England succeeded in founding an Indian Empire.'—*The Times*.

'Mr. H. Morse Stephens has made a very readable book out of the foundation of the Portuguese power in India. According to the practice of the series to which it belongs it is called a life of Affonso de Albuquerque, but the Governor is only the central and most important figure in a brief history of the Portuguese in the East down to the time when the Dutch and English intruded on their preserves . . . A pleasantly-written and trustworthy book on an interesting man and time.'—*The Saturday Review*.

'Mr. Morse Stephens' *Albuquerque* is a solid piece of work, well put together, and full of interest.'—*The Athenæum*.

'Mr. Morse Stephens' studies in Indian and Portuguese history have thoroughly well qualified him for approaching the subject . . . He has presented the facts of Albuquerque's career, and sketched the events marking the rule of his predecessor Almeida, and of his immediate successors in the Governorship and Viceroyalty of India in a compact, lucid, and deeply interesting form.'—*The Scotsman*.

SIR CHARLES AITCHISON'S 'LORD LAWRENCE.'

'No man knows the policy, principles, and character of John Lawrence better than Sir Charles Aitchison. The salient features and vital principles of his work as a ruler, first in the Punjab, and afterwards as Viceroy, are set forth with remarkable clearness.'—*Scotsman*.

'A most admirable sketch of the great work done by Sir John Lawrence, who not only ruled India, but saved it.'—*Manchester Examiner*.

'Sir Charles Aitchison's narrative is uniformly marked by directness, order, clearness, and grasp; it throws additional light into certain nooks of Indian affairs; and it leaves upon the mind a very vivid and complete impression of Lord Lawrence's vigorous, resourceful, discerning, and valiant personality.'—*Newcastle Daily Chronicle*.

'Sir Charles knows the Punjab thoroughly, and has made this little book all the more interesting by his account of the Punjab under John Lawrence and his subordinates.'—*Yorkshire Post*.

LEWIN BENTHAM BOWRING'S 'HAIDAR ALÍ AND TIPÚ SULTÁN.'

'Mr. Bowring's portraits are just, and his narrative of the continuous military operations of the period full and accurate.'—*Times*.

'The story has been often written, but never better or more concisely than here, where the father and son are depicted vividly and truthfully "in their habit as they lived." There is not a volume of the whole series which is better done than this, or one which shows greater insight.'—*Daily Chronicle*.

'Mr. Bowring has been well chosen to write this memorable history, because he has had the best means of collecting it, having himself formerly been Chief Commissioner of Mysore. The account of the Mysore war is well done, and Mr. Bowring draws a stirring picture of our determined adversary.'—*Army and Navy Gazette*.

'An excellent example of compression and precision. Many volumes might be written about the long war in Mysore, and we cannot but admire the skill with which Mr. Bowring has condensed the history of the struggle. His book is as terse and concise as a book can be.'—*North British Daily Mail*.

'Mr. Bowring's book is one of the freshest and best of a series most valuable to all interested in the concerns of the British Empire in the East.'—*English Mail*.

'The story of the final capture of Seringapatam is told with skill and graphic power by Mr. Bowring, who throughout the whole work shows himself a most accurate and interesting historian.'—*Perthshire Advertiser*.

COLONEL MALLESON'S 'LORD CLIVE.'

'This book gives a spirited and accurate sketch of a very extraordinary personality.'—*Speaker*.

'Colonel Malleison writes a most interesting account of Clive's great work in India—so interesting that, having begun to read it, one is unwilling to lay it aside until the last page has been reached. The character of Clive as a leader of men, and especially as a cool, intrepid, and resourceful general, is ably described; and at the same time the author never fails to indicate the far-reaching political schemes which inspired the valour of Clive and laid the foundation of our Indian Empire.'—*North British Daily Mail*.

'This monograph is admirably written by one thoroughly acquainted and in love with his subject.'—*Glasgow Herald*.

'No one is better suited than Colonel Malleison to write on Clive, and he has performed his task with distinct success. The whole narrative is, like everything Colonel Malleison writes, clear and full of vigour.'—*Yorkshire Post*.

'Colonel Malleison is reliable and fair, and the especial merit of his book is that it always presents a clear view of the whole of the vast theatre in which Clive gradually produces such an extraordinary change of scene.'—*Newcastle Daily Chronicle*.

CAPT. TROTTER'S 'EARL OF AUCKLAND.'

'A vivid account of the causes, conduct, and consequences of "the costly, fruitless, and unrighteous" Afghan War of 1838.'—*St. James's Gazette*.

'To write such a monograph was a thankless task, but it has been accomplished with entire success by Captain L. J. Trotter. He has dealt calmly and clearly with Lord Auckland's policy, domestic and military, with its financial results, and with the general tendency of Lord Auckland's rule.'—*Yorkshire Post*.

'To this distressing story (of the First Afghan War) Captain Trotter devotes the major portion of his pages. He tells it well and forcibly; but is drawn, perhaps unavoidably, into the discussion of many topics of controversy which, to some readers, may seem to be hardly as yet finally decided. . . . It is only fair to add that two chapters are devoted to "Lord Auckland's Domestic Policy," and to his relations with "The Native States of India".'—*The Times*.

'Captain Trotter's *Earl of Auckland* is a most interesting book, and its excellence as a condensed, yet luminous, history of the first Afghan War deserves warm recognition.'—*Scotsman*.

'It points a moral which our Indian Rulers cannot afford to forget so long as they still have Russia and Afghanistan to count with.'—*Glasgow Herald*.

'JAMES THOMASON,' BY SIR RICHARD TEMPLE.

'Sir R. Temple's book possesses a high value as a dutiful and interesting memorial of a man of lofty ideals, whose exploits were none the less memorable because achieved exclusively in the field of peaceful administration.'—*Times*.

'It is the peculiar distinction of this work that it interests a reader less in the official than in the man himself.'—*Scotsman*.

'This is a most interesting book: to those who know India, and knew the man, it is of unparalleled interest, but no one who has the Imperial instinct which has taught the English to rule subject races "for their own welfare" can fail to be struck by the simple greatness of this character.'—*Pall Mall Gazette*.

'Mr. Thomason was a great Indian statesman. He systematized the revenue system of the North-West Provinces, and improved every branch of the administration. He was remarkable, like many great Indians, for the earnestness of his religious faith, and Sir Richard Temple brings this out in an admirable manner.'—*British Weekly*.

'The book is "a portrait drawn by the hand of affection," of one whose life was "a pattern of how a Christian man ought to live." Special prominence is given to the religious aspects of Mr. Thomason's character, and the result is a very readable biographical sketch.'—*Christian*.

MAJOR ROSS OF BLADENSBURG'S 'MARQUESS OF HASTINGS.'

'Major Ross of Bladensburg treats his subject skilfully and attractively, and his biography of Lord Hastings worthily sustains the high reputation of the Series in which it appears.'—*The Times*.

'This monograph is entitled to rank with the best of the Series, the compiler having dealt capably and even brilliantly with his materials.'—*English Mail*.

'Instinct with interest.'—*Glasgow Evening News*.

'As readable as it is instructive.'—*Globe*.

'A truly admirable monograph.'—*Glasgow Herald*.

'Major Ross has done his work admirably, and bids fair to be one of the best writers the Army of our day has given to the country. . . . A most acceptable and entrancing little volume.'—*Daily Chronicle*.

'It is a volume that merits the highest praise. Major Ross of Bladensburg has represented Lord Hastings and his work in India in the right light, faithfully described the country as it was, and in a masterly manner makes one realize how important was the period covered by this volume.'—*Manchester Courier*.

'This excellent monograph ought not to be overlooked by any one who would fully learn the history of British rule in India.'—*Manchester Examiner*.

MR. S. LANE-POOLE'S 'AURANGZIB.'

'There is no period in Eastern history so full of sensation as the reign of Aurangzib. . . . Mr. Lane-Poole tells this story admirably; indeed, it were difficult to imagine it better told.'—*National Observer*.

'Mr. Lane-Poole writes learnedly, lucidly, and vigorously. . . . He draws an extremely vivid picture of Aurangzib, his strange ascetic character, his intrepid courage, his remorseless overthrow of his kinsmen, his brilliant court, and his disastrous policy; and he describes the gradual decline of the Mogul power from Akbar to Aurangzib with genuine historical insight.'—*Times*.

'A well-knit and capable sketch of one of the most remarkable, perhaps the most interesting, of the Mogul Emperors.'—*Saturday Review*.

'As a study of the man himself, Mr. Lane-Poole's work is marked by a vigour and originality of thought which give it a very exceptional value among works on the subject.'—*Glasgow Herald*.

'The most popular and most picturesque account that has yet appeared . . . a picture of much clearness and force.'—*Globe*.

'A notable sketch, at once scholarly and interesting.'—*English Mail*.

'No one is better qualified than Mr. Stanley Lane-Poole to take up the history and to depict the character of the last of the great Mogul monarchs. . . . Aurangzib's career is ever a fascinating study.'—*Home News*.

'The author gives a description of the famous city of Sháh Jahán, its palaces, and the ceremonies and pageants of which they were the scene. . . . Mr. Lane-Poole's well-written monograph presents all the most distinctive features of Aurangzib's character and career.'—*Morning Post*.
