## PREFACE.

IN February 1885, an "Analytical Comparison of Accounts, 1878-79 to 1883-84," was issued which comprised an analysis of the Revenue and Expenditure of the Civil Administration and Debt and Obligations bearing interest. In issuing the present edition of that publication, opportunity has been taken to include the Public Works and Military portions of the Accounts, and to bring the figures up to date. In this compilation, the Revenues and Expenditure of India have been classified and arranged in accordance with the revised classification and the new method of treating Exchange on transactions with England as adopted in the Finance and Revenue Accounts of 1884-85 (New Classification).

2. The General Accounts and Statements on pages 4 to 10 are based on those adopted in the "Accounts of the Government of India (New Classification), 1876-77 to 1883-84," issued by this office in September 1887, and the subsidiary Statements show the analytical details of each major head.

3. The figures now adopted agree with the Finance and Revenue Accounts from 1884-85 to 1886-87 prepared in accordance with the new system, but differ from those of earlier years for the reasons explained above, *viz.* :—the change in classification of items and re-arrangement of heads introduced from time to time, and the revised mode of adjusting "Exchange on transactions with England."

4. These differences principally occur in the heads relating to Public Works Revenue and Expenditure, Interest on Ordinary Debt, Exchange, and Surplus and Deficit; but there are besides, large variations between the figures in the published accounts from 1878-79 to 1880-81 and those in this compilation, under the heads noted below :—

	Published Accounts.	Present Compilation.
REFUNDS. (1878-79 to 1880-81)	Include Refunds on account of Revenue and other heads.	Includes Revenue Refunds only; but those appertaining to other heads have been taken as charges against the several heads of service concerned.
LAND REVENUE. (1878-79)	Include receipts on account of portion of Land Revenue due to Irrigation, Madras.	Receipts on account of portion of Land Revenue due to Irrigation, Madras, have been classed as Irrigation receipts.
ASSIGNMENTS AND COMPENSATIONS AND TERRITORIAL AND POLITICAL PENSIONS. (1878-79 to 1880-81)	Charges relating to these heads are combined under the head "Allowances and Assignments under Treaties and Engagements."	Charges on account of these heads have been separated and shown distinctly under the two major heads.
REGISTRATION. (1878-79)	Receipts and Charges of this head are included under "Land Revenue," "Law and Justice," and "Miscellaneous."	Comprises all the Receipts and Charges belonging to Registration.
MARINE AND SUPERANNUATIONS. (1878-79 to 1880-81)	Include under "Marine" certain marine pensions paid in England.	Marine pensions paid in England have been transferred to Superannuations.

E. GAY,  
*Comptroller General.*

### General Statement of Net Revenue or Expenditure.

---

This statement shows the Net Revenue or Expenditure of each year as entered in the foregoing statements, with which it agrees, except in the treatment of the figures for the following heads, *viz.* :—Refunds, Assignments and Compensations, and Court-fees (Receipts and Charges) under Stamps. “Refunds” and “Assignments and Compensations” in this statement have been broken up and treated as charges to be deducted from the several Revenue heads to which they respectively appertain. The charges for “Transit Duties” and “Goa Convention,” which do not pertain to any particular head of Revenue, have been deducted from receipts obtained as “Tributes.” “Court-fees” appear in the Accounts as Stamp Receipts, but properly speaking they are receipts on account of “Law and Justice,” and are so classed in this statement. There being no accurate means of dividing the charges under “Stamps,” the whole of “Refunds of Stamps” and “Discount on Court-fees,” together with half of the remaining charges under “Stamps,” have been treated as due to “Court-fees” and added to the charges which go against the revenue under “Law and Justice.”
