## P R E F A C E.

---

THIS report has been prepared in accordance with G. O. No.  $\frac{2793}{1-73B-6}$ , dated 13th October 1897.

The district reports have been drawn up on the lines of a list of questions circulated to all districts, but are in many cases unavoidably meagre.

The best reports received are those from Garhwál (Pandit Dharmnand Joshi), Mirzapur (Babu Dip Chand Rathor), Sitapur (Mr. J. C. Smith, C. S.), Naini Tal (Mr. W. B. Cockburn), Gorakhpur (Mr. W. Raw, C. S.) and Aligarh (Pandit Shyam Bihari Misra).

The reports received from Muzaffarnagar, Bahraich, Sultánpur, Almora and Fyzabad have also been of considerable assistance, and I would express my thanks to Mr. MacRobert, of the Cawnpore Woollen Mills, for the information which he has given me.

NAINI TAL, }  
17th *June* 1898. }

ALAN W. PIM, I. C. S.

## TABLE OF CONTENTS.

### CHAPTER I.

#### THE RAW MATERIAL.

Section		Page.
I.—Sources of supply	...	1
