3rd "
2nd "
1st "
Coal, edible grain, and other low-priced staples to be carried at special rates

Appendix C.

(9)

Working of proposed branch railway.

No agreement has yet been arranged with any existing railway administration under which the projected branch railway is to be worked; but when completed, it is proposed to offer the working to the _____ Railway Company on the following terms:—

(i) _____

(ii) _____

(iii), etc., _____

(10)

Or

It has been provisionally arranged with the _____ Railway Company to work the projected branch railway, when completed, on the following terms:—

(i) _____

(ii) _____

(iii), etc., _____

Enclosure No. 2 to Government of India resolution No. 514 R. C. of 1896.

MEMORANDUM B.

For the guidance of persons or syndicates desirous of having surveys for branch or feeder lines of railway in India carried out at their expense by the Public Works Department.*

1. All applications for the survey of proposed branch or feeder railway routes in any part of British India are to be addressed to the Secretary to the Government of India, Public Works Department.†

2. All such applications shall specify—

- (a) the company, persons, or syndicate by whom the application is preferred ;
- (b) all the termini, together with the names of all the principal towns from, through, into, or near which the survey is intended to be carried, as well as the names of each civil division and district to be traversed by the proposed alignment ;
- (c) the length, so far as known, of the proposed railway ;
- (d) the gauge and the motive power to be employed ;
- (e) the intentions of the applicants as to the construction and working of the railway. If it is intended that the working shall be leased to any existing railway administration, the nature of the contemplated agreement shall be specified.

3. Every such application shall be accompanied by a map to a scale of one mile to one inch, with the line of the proposed survey delineated thereon, so as to show its general course and direction.

4. If the detailed plans and estimates are submitted to Government, these documents are invariably to be prepared in strict accordance with the rules for the preparation of railway projects issued under the authority of the Government of India, of which copies may be obtained on payment from the Superintendent of Government Printing, Calcutta.

5. Upon written application to the Director of Railway Construction permission will also be accorded to inspect at all reasonable hours the detailed plans, sections, and estimates, at the disposal of Government in regard to any particular route already surveyed, provided that they relate to branch or feeder railways the construction of which the Government is prepared to entrust to companies ; and copies of such plans, sections and estimates will be furnished on payment of the cost of copying.

6. But in regard to all such information, statistics, plans, sections, or estimates, which may be furnished, it is to be recognised that the information thus offered to any person interested in the matter is simply the best information of the kind at the disposal of Government, and that Government cannot accept any responsibility whatever in regard to the accuracy of any of the documents.

* These will now be carried out by the Railway Board.

† Such applications should now be addressed to the Railway Board.
