Demurr Read.

Objections to y^e. said Demurr Read.

The said Demurr and Objections thereto coming on this day to be argued before this Court in presence of the Attorneys on both sides. The Court observed that y^e. Demurr complained that the Cross Bill might push the Pff^s. in the Originall Bill to Swear at y^e. Pagoda at Triplicane w^{ch}. the Pff^s. would Avoid trusting to the Proofs of the Debt that shall hereafter be produced in y^e. Course of Proceedings w^{ch}. must Equally determine the Equity of the Bond or cancell it. On the other side the Arguments for support of the cross Bill sett forth, the great Caution Recommended in the Instructions to y^e. Charter not to Admitt or at Least discourage Ideas & Demurrs. Also for that the Originall Bill sues for so large a sum as to Compell the Dff. in the Originall Bill to submitt to a prison for want of speciall & sufficient Pail, there to continue untill the finall Conclusion of that suite w^{ch}. by Voluntary delays Appeals and other Casualties may spin out the confinement many months & years. Whereas the Answer to y^e. Cross Bill being no more than swearing to y^e. truth of the Demand the confinement will then Appear more Reasonable or in Default Release the prisoner.

The Court hereupon Order that the Pff^s. in the Originall Bill do make Answer to y^e. Cross Bill at y^e. Expiration of 21 days from the date hereof, Or that in default thereof they do not hold the Dff. in the Originall Bill in prison for want of speciall & sufficient Bail.
