REVENUE AND EXPENDITURE.

Note.—All the information for the year 1867 contained in the above and subsequent statements embraces a period of eleven months only, in consequence of the change in the termination of the official year from 30th April to 31st March.

According to the form adopted in the Accounts laid before Parliament for 1864-5, and 1865-6, the Receipts in England are in those years exhibited in reduction of Charges in England; from 1866-7 they have been included in the Gross Revenue.

The Expenditure in England for Stores transmitted to India is for the years 1864-5, and 1865-6, included in the Expenditure in India; from 1866-7 it appears in the Expenditure in England.

The whole of the Guaranteed Interest on Railway Capital is included in the Expenditure in England, though a small portion of it (in 1873-4 £36,375) is paid in India.
