PREFACE

This Publication is being brought out in the 50th year of our independence. This publication is in three volumes; Vol. I, Vol. II and Vol. III. The present volume gives detailed information about the number of schools of various categories, State-wise and UT-wise after independence.

After independence State Reorganisations Commissions were set up to determine the territorial jurisdiction of States/UTs while some UTs were upgraded to States. This has resulted in metamorphic changes which need to be taken into account. The period after 1950-51 to 1992-93 has been divided into three sub-periods from (i) 1950-51 to 1958-59, (ii) 1959-60 to 1969-70 and (iii) 1970-71 to 1992-93 in order to have comparability between the States during these periods. It has been a very tardy and laborious work attempted by the staff and officers of Statistics Division and CMIS Unit. I shall be glad to place on records my appreciation especially for officers viz Dr. R.S. Thakur, Joint Director (Plg), S/Shri R.C. Srivastava, Assistant Director, S.S. Malkani, AEO, S.C. Gupta and Subhash Chander, AEO, Krishan Kumar and Om Prakash, Programmers who have made it possible to bring out all Statewise data of those years at one place.
