EXPLANATORY NOTE.

This is the twentieth of the series of the publication "Statements showing progress of the Co-operative Movement in India" (re-styled "Statistical Statements relating to the Co-operative Movement in India" since 1927-28) issued by this Department under instructions from the Government of India in the Department of Education, Health and Lands. The statements have been compiled, with certain modifications, on the lines recommended by the Committee on Co-operation in India held in 1915, and are arranged as shown in the table of contents.

2. Owing to the separation of Burma from India with effect from the 1st April, 1937, statistics relating to that country have been excluded except in the case of abstract statements wherein figures prior to 1932-33 are inclusive of Burma. Particulars relating to Land Mortgage Banks and Societies, which were formerly included in the general statements A, B and C have for the first time been separately shown in the present issue in a new subsidiary Statement B-1.

3. The **Abstract Tables** indicate some of the leading features of progress in the co-operative movement during the year 1937-38. They show the numbers of societies and members and the amount of **working capital**, both for the whole of India and by Provinces and States. The progress since 1906-07 is illustrated graphically in the diagram in the frontispiece.

In addition to the changes described in paragraph 2 above the following points should be borne in mind when comparing the figures in *Abstract Tables II and III* :—

- (i) that in the case of Guaranteeing Unions the number of members represents the number of affiliated societies and not the number of individual members included in such societies ;
- (ii) that with effect from 1917-18 individual members of Central and Provincial Banks, Banking Unions, and Guaranteeing Unions are not included in the total number of members shown in Abstract Tables II(a) and II(b) as it is assumed that these have already figured once as members of an agricultural or non-agricultural primary society ;
- (iii) that the figures for working capital given in Abstract Table III do not include the working capital of Unions and Insurance Societies as these are not furnished in Statements D and E, respectively ;
- (iv) that with effect from the year 1915-16 the loans and deposits of society-members have been transferred in Abstract Table III from the head "Loans and deposits held at the end of the year from members" to the head "Loans and deposits held at the end of the year from societies", and that the latter head no longer includes loans and deposits from Provincial or Central Banks for which a separate head has been provided ; and
- (v) that with effect from the same year (1915-16) the figure given against the head "Loans and deposits held at the end of the year from non-members and other sources", includes all loans and deposits held by Central and Provincial Banks from individuals, Joint Stock Banks, and other sources not included against the preceding headings.

4. The **General Statements** give a detailed record of the main statistics relating to co-operative societies in the several provinces of British India (with the exception of Baluchistan, where the co-operative movement has, as yet, made little progress), and in the Indian States of Mysore, Baroda, Hyderabad, Bhopal, Gwalior, Indore, Kashmir, Travancore and Cochin for the year 1937-38. The sources of the statistics are the statements furnished by provincial Registrars of Co-operative Societies, and by the Indian States concerned. They relate, in the case of Bihar to the year ending 31st December, in the case of Assam to the year ending 31st March, and in the case of Madras, Bombay, Sind, Bengal, Orissa, the United Provinces, the Central Provinces and Berar, Coorg, Ajmer-Merwara, Mysore, Gwalior, Indore and Bhopal to the year ending 30th June. The returns for the Hyderabad State refer to the year ending 6th July, those for the Punjab, Delhi, the North-West Frontier Province and Baroda to the year ending 31st July, those for Travancore to the year ending 14th June, those for Cochin to the year ending 16th August and those for Kashmir to the year ending 15th September.

Owing to the introduction of the new Statement B-I described in paragraph 2 above figures for 1937-38 are not strictly comparable with those of the preceding year.

Statement A exhibits the operations of Central Banks and shows figures separately for Provincial Banks and for Central Banks including District Banks, Banking Unions, and all other societies constituted with the object of lending to individual societies and tapping deposits from a larger area than that of the primary agricultural or non-agricultural society. The figures for Unions other than Banking Unions have been excluded from this statement and are shown in a separate Statement D. The total number of Banks during the year 1937-38 was 609 with a membership and working capital of 197 thousands and Rs. 41.41 lakhs respectively.

Statement B.—The total number of Agricultural Societies during the year was 95,706 with a membership of 3,163 thousands and working capital of Rs. 31.98 lakhs.

Statement B-I.—The total number of Land Mortgage Banks and Societies during 1937-38 was 201 with a membership of 62 thousands and working capital of Rs. 2.59 lakhs.

Statement C.—The total number of Non-Agricultural Societies was 14,076 with a membership of 1,603 thousands and working capital of Rs. 25.53 lakhs.

The following are the net profits resulting from the operations of the above classes of banks and societies during the year under review:—

	Rs.
Provincial and Central Banks	48,84,881
Agricultural Societies	50,55,993
Land Mortgage Banks and Societies	47,908
Non-Agricultural Societies	61,23,520
Total	1,61,12,302

Statement D shows the operations of unions, other than Banking Unions, which either supervise only or both supervise and guarantee. Unions which do banking business are classed as Central Banks and are included in Statement A.

Statement E shows the operations of Cattle Insurance Societies in Bombay and of Non-Agricultural Insurance Societies in Bombay, Bengal, Madras, the United Provinces, Travancore, Indore and Hyderabad.
