**ADMINISTRATION REPORT OF THE PANCHAYAT  
DEPARTMENT FOR THE YEAR 1973-74**

**INTRODUCTION**

The Panchayats in the State as institutions of Local Self Government in our rural areas have offered new vistas of developmental activities during the year 1973-74. Tremendous achievements have been made in the various fields of activities especially in Agriculture, Family Planning, Social Welfare, Construction of houses under One Lakh Housing Scheme, Registration of Births and Deaths, Land cess, Village communication etc.

In streamlining the administration of the Panchayats and in co-ordinating their activities the department continued to strive hard to give them an effective lead.

Consequently there was remarkable improvement in the finances of the Panchayat, which enabled them to attend to a large number of Social Welfare and Developmental Programmes. Thus the developmental activities of Panchayats in all fields filled the rural area with enthusiasm and courage to take up this hazardous task.

Due to effective follow up work of the department and constant pursuance of the Panchayats the total revenue of Panchayats (excluding grants) came to Rs. 6,20,72,916.56 in the year 1973-74, while for the previous year it was only Rs. 5,91,56,964.93. Thus there was an increase of Rs. 29,15,951.63 in 1973-74.

On behalf of Government the Panchayats have collected Rs. 30,62,927.58 towards surcharge on Profession tax, additional tax on entertainment and surcharge on show tax during the period under review while for the previous year it was only Rs. 27,21,136.09.

Due to increase in revenue the Panchayats in the State had to be regrouped based on their income. Thus as per G.O. MS. 354/73 LA & SWD, dated 24th October 1973, Government have constituted 61 Special Grade Panchayats, 166 1st Grade Panchayats, 597 2nd Grade and 143 3rd Grade Panchayats.

Cent per cent collection was achieved in 311 Panchayats during 1973-74. Twenty-seven (27) Panchayats constructed office buildings of their own during the year under report. Thus at the end of the year altogether 682 out of 967 Panchayats constructed office buildings of their own.

During the reported year the Panchayats spent Rs. 1,49,80,502.30 for public works, while in the previous year Rs. 1,63,64,961.14 has been spent under this item.

For street lighting the Panchayats have spent Rs. 77,73,050.45 during the period under report while in the previous year it was Rs. 64,84,153.67. The total income of Panchayats from ferries for 1973-74 was Rs. 3,73,458.23 while it was only Rs. 3,61,435.81 in the previous year.

The total income from fishing rights from canals, Kappus, etc., during 1973-74 was Rs. 2,42,349.00 while it was only Rs. 15,27,984.10 in 1972-73. The average income of Panchayats is worked out as Rs. 64,192.22 as against Rs. 61,175.77 in 1972-73. The financial position of Panchayats during the year under report was not generally satisfactory.

Registration of Births and Deaths was one among the main items attended to by Panchayats. Due to the concerted efforts and enthusiasm evinced by the departmental and the Panchayat staff the registration percentage in the State has been doubled already and it is progressing fast. Publication of Panchayat Raj Journal and Kerala Panchayat Journal was also attended to by the department.

Notable progress has been achieved in the assessment and levy of land cess. Assessment work was completed in 727 Panchayats. An amount of Rs. 1,80,90,302.85 was assessed and Rs. 4,61,988.91 was collected during the reported year.

Audit clearance work was also noteworthy. There were 7,258 audit reports and 71,500 objections pending clearance at the beginning of the year under report. Out of this 596 audit reports and 10,043 objections were cleared during 1973-74 leaving a balance of 6,662 reports and 61,457 objections at the end of the year 1973-74.

Various departmental conferences at different levels were conducted by the Director of Panchayats. Conferences of Executive Officers and Panchayat Inspectors were conducted in each District. The Director of Panchayats impressed upon the officers the necessity to strive hard to achieve more progress in the field of all activities of the Department and reminded them of the responsibilities they have to shoulder in the march towards progress. The State Level Conference of Assessment Officers was held twice. Difficulties in the implementation of the Land Cess and Assessment Scheme were discussed and problems solved. The District Officers also met on several occasions at State level to discuss and decide the various measures to be taken to tone up the efficiency of the administration.

### 3

The new Panchayat Committee should have normally taken charge in January 1969. But the Panchayat general elections were postponed till 31st December 1974 by Government. The new Committee is expected to take charge on 1st January 1975.

An amount of Rs. 1,33,97,000 has been disbursed to Panchayats by way of grants under various items during the year under report while Rs. 1,34,06,472.30 was given in the previous year.

Under "Q Loans and Advances" an amount of Rs. 14,31,000 was sanctioned to 36 Panchayats for remunerative purposes while Rs. 6,99,300 has been sanctioned to 140 Panchayats for the implementation of One Lakh Housing Scheme and other purposes during the period under report. In addition Rs. 35,56,131 was distributed to Panchayats by the Department from the 25 per cent duty on transfer of property for the successful completion of various developmental schemes undertaken by the panchayats and also to ease their financial difficulties.

The activities of Panchayats have evoked considerable public enthusiasm. For the effective and successful discharge of the various functions of Panchayats there was active public co-operation which is one of the most important pre-requisites of rural development.

As a whole, the performance of Panchayats under the effective guidance of the Department have secured the good will of the rural public and Panchayats became the accepted agency for the implementation of the developmental schemes in Panchayat area. The department contributed much for the proper and efficient functioning of the Panchayats in the State.

(a) *Loan to Panchayats*.—The purpose of this scheme is to give loans to panchayats for the creation of remunerative Community assets like, construction of panchayat office buildings, improvements of public markets, construction of bus stands, construction of public comfort stations and construction of shop buildings, etc.

Due to the implementation of the above scheme the panchayats were in a better position to fulfil urgent needs of the locality by increasing their income without seeking aids from Government.

The plan provision for the above scheme was Rs. 20,00,000 out of which an amount of Rs. 14,31,000 has been given as loans to 36 panchayats. Amounts taken from "Q. Loans and Advances for One Lakh Housing Scheme and other purposes" were Rs. 7,03,600. This has also been distributed as loans to 141 panchayats.

The financial position of most of the panchayats was not sound enough to undertake remunerative schemes meeting the expenditure from their own funds. So without any assistance it was difficult for the panchayats to undertake any programme for the welfare of the inhabitants of the area. The assistance received by them under the plan scheme has helped them to secure really rewarding achievements. Details of loans received by panchayats are given in Appendix XII.

(b) *Publication of panchayat Raj Journal.*—The Journal is published every month regularly evaluation of the usefulness of the Journal has been made this year also and it is found that in the propagation of the idea of democratic decentralisation among the rural folk the Journal has played a prominent part. The Journal also gave incentive to the villagers for the active participation in the developmental activities. Achievements of panchayats have been published in the Journal and this has also proved to be another incentive for increased circulation. An amount of Rs. 44,318.00 has been incurred under the scheme during the year 1973-74. This was only Rs. 40,711.34 in last year. 64,100 copies were printed for circulation during the period under report.

#### 10. Other activities

(1) *Kerala Panchayat Journal.*—The publication of Kerala Panchayat Journal, both in English and Malayalam, by the department continued this year also.

For the purpose of information and guidance of panchayats and the departmental officers, important orders and circular instructions of Government and the department of general nature have been published in the Journal.

The publication continued to be very helpful to panchayats because it contained informations of all the important up to date orders relating to the administration of the department as well as of Panchayats.

(2) *Conferences.*—As usual the Director of panchayats attended various conferences held within the State under the auspices of Government and other bodies. Various departmental conferences were conducted to discuss matters like Panchayat Administration, Registration of birth and death, land cess, panchayat election, etc.

and very important decisions were taken in such conferences. The District Panchayat officers and panchayat Inspectors also conducted periodical meetings at their level to discuss important and urgent matters. These conferences were very useful for the improvements of the administration of Panchayats and of the department as well.

(3) *Director of Panchayats*.—The Director of panchayats continued as a member in the following State level committees:

- (1) State Family Planning Board.
- (2) Rural Advisory Committee—All India Radio.
- (3) Applied Nutrition Programme.
- (4) Cinema Regulation Enquiry Committee.
- (5) Rural Housing Scheme.
- (6) National Small Savings.
- (7) Inter Departmental Committee on Vital Statistics.
- (8) Rural Development Board.

(4) *National Savings*.—The panchayats played an important role in spreading the message of National Small Savings among the rural population. The panchayats also contributed to the development loan floated by the State Government, the details of which are given in Appendix XXIII.

(5) *Contributions made by the panchayats for various purposes*.—The panchayats made remarkable contribution to the various funds raised under the auspices of the Government and other agencies working for the welfare of the people. The funds of educational institutions and cultural organisations of the locality, Bengla Desh Relief Fund, Defence Fund, One Lakh Housing Scheme, hospital building, etc., were some of such funds to which the panchayats made contributions. A sum of Rs. 2,11,297.58 has been contributed during the year under report.

(6) *Panchayats and other Government departments*.—The panchayats bestowed their attention for obtaining co-operation of the public for urgent and successful implementation of various schemes of Government departments, such as Agricultural, Health Services, Animal Husbandry, Education, Social Welfare, Community Development and Bureau of Economics and Statistics. The relationship between the panchayats and the other departments was satisfactory and amicable.

### 11. Conclusion

There are 967 panchayats in the State having different problems of their own. The development of each area is different from the other. The sources of income also varies. The present stage of progress is also not uniform. Therefore constant contact with the rural area is very much a 'must'. Contact of the local officers and the Panchayat President and members periodically will help a long way in understanding the problems of each panchayat, taluk or district. It will also give a better understanding of each other. With a view to achieving this, the Director of panchayats had convened so many conferences of the Executive Officers, panchayat Inspectors, District Panchayat officers and panchayat Presidents of each district periodically and visited many panchayats in all the districts for conducting inspections and enquiries and also for holding discussions with Presidents, members and other local officers and people.

With the result general working of the panchayats and the administration of the department in general has achieved remarkable progress during the period under report.
