INTRODUCTION

The rural areas of Kerala State comprises 967 Panchayats of extreme diversities in size, density of population, natural endowments as well as social and economic developments. The Panchayats in the State as institutions of Local Self Government in our rural areas have undertaken many new developmental activities during 1974-75.

VIII. LAND CESS

Land Cess was formerly collected by the Panchayats at a flat rate under the provisions of the Travancore Cochin Panchayats Act 1950 and the Madras Village Panchayat Act 1950. A similar provision was made in the K. P. Act 1960 under section 66 (2) for the levy of land cess at a flat rate of 2 paise for every 5 cents of land or part thereof. But in the light of the ruling issue by the High Court during 1964 in O. P. No 6127/64 the provision had to be changed. Section 66A and 66B was therefore enacted by amendment Act 13 of 1969 to collect land cess at a uniform rate on the capital value of the land. Under the above section of the Act Land Cess had to be levied at a rate of one sixteenth percentum of the capital value of the land.

XVI. PLAN SCHEMES

There were three Plan Schemes implemented by this department namely (a) "Loans to Panchayats" for the creation of remunerative community assets (b) Publication of Panchayat Raj Journal and (c) Training institute of Local Administration.

(a) Loans to Panchayats

The purpose of this scheme is to give loans to Panchayats for the creation of remunerative community assets like construction of Panchayat Office Buildings, improvement of public markets, construction of bus stands, construction of shop buildings etc.

Due to the implementation of the above scheme the Panchayats were in a better position to fulfil urgent needs of the locality by increasing their income without seeking aids from Government.

The Plan provision for the 'loan scheme' was Rs. 5,59,000.00. Out of this Rs. 95,000 has been disbursed as loan to One Lakh Housing Scheme and Rs. 4,64,000 has been disbursed to Panchayats for the creation of remunerative assets.

The financial position of most of the Panchayats was not sound enough to undertake remunerative schemes meeting the expenditure of their own funds. The assistance received by them under the Plan Schemes has helped them to undertake such schemes. The details of loans received by Panchayats are given in Appendix XII.

(b) Publication of Panchayat Raj Journal

The Panchayat Raj Journal is published every month regularly. Evaluation of the usefulness of the Journal has been made this year also and it is found that in the propagation of the idea of democratic decentralisation among the rural folk, the Journal has played a prominent part. The Journal gave information and knowledge to the people of Panchayats in the field of people's participation in the developmental activities. The recorded achievements and success of Panchayats have been published in the Journal and this has also proved to be another incentive for increased circulation. The Director of Panchayats attended various conferences held within the State under the auspices of Government and other bodies. Various departmental conferences were conducted to discuss matters like Panchayat Administration, Registration of Births and Deaths, Evasion of tax, Land Cess etc. and very important decisions were taken in each conference. The District Panchayat Officers and Panchayat Inspectors also conducted periodical meetings at their level to discuss important matters and problems relating to administration. These conferences were very fruitful and have greatly contributed for toning up the administration of Panchayats and of the department.

The Director of Panchayats has attended a conference held at Chandigarh in the capacity of Chief Registrar from 1st to 4th May 1974. The conference was inaugurated by Sri M. M. Chaudhary, Honourable Governor of Punjab. Sri. R. B. Chari, I.A.S. Registrar General, India spoke on the civil registration system in India. Bringing to light the importance and necessity of a good registration system in India, he appealed to the conference to consider difficulties in a most practicable way and to find out easy and early solutions. He expected from all quarters, concerted effort to place the scheme on a firm footing.

Subjects like appointment of Registrars in Cantonment areas, notification of Rules and adoption of forms, enforcement of the Act and difficulties, registration of events relating to foreigners, remuneration to field staff, inspection and supervision, standard of inspection pro forma, organising feed system (notifiers) training of officials, rationalisation of forms for completion, regular printing and supply of registers and forms, measures to ensure timely receipt of periodicals, development of cause of death statistics, introduction of compulsory production of birth certificates for school admission, publicity measures, problems of under registration taking up the registration of marriage also were discussed in the conference.

The Chief Registrar put forward many valuable suggestions and many of them were accepted in the conference.

The Deputy Chief Registrar was given workshop training on the Registration of Birth and Death at R. K. Puram, New Delhi from 23rd to 27th April 1974. This training was very useful and covered various subjects, such as duties and functions of the Registrars and District Officials, Inspection arrangements, field problems, interpretation of rules under Registration of Birth and Death Act, 1969, notifier system, submission of periodical returns, publicity etc.

(c) Contributions made by the Panchayats for various purposes

The Panchayats have made attractive contribution to the various funds raised under the auspices of the Government and other agencies working for the welfare of the people. The funds of educational institutions and cultural organisations of the locality, construction of One Lakh Housing Scheme, hospital buildings, purchasing of kitchen utensil for feeding centres etc. were some of such funds to which the Panchayats made contributions. The various schemes of other departments, such as Agriculture, Animal Husbandry, Health Services, Education, Social Education, Social Welfare, Community Development, Bureau of Economics and Statistics etc. were implemented through the Panchayats with the hearty co-operation of the Panchayats and the rural folk. There was also effective co-ordination between the departments and Panchayats for achieving the objectives.

RURAL DISPENSARIES IN PANCHAYAT AREAS**(a) Allopathy Dispensaries**

At present a total number of 304 rural dispensaries are functioning, out of which 201 dispensaries were sanctioned during 1972-73 under Special Employment Programme and 103 dispensaries during 1973-74 under Half a Million Jobs Programme. No allopathy dispensary was sanctioned during the period under report.

Rent free buildings were provided for all the 304 Government Rural Dispensaries. Sites for 257 dispensaries were approved, out of which 139 were surrendered and buildings were also constructed for 32 dispensaries.

(f) Ayurvedic Dispensaries

Six numbers of Government dispensaries were opened during 1974-75 in 6 Panchayats. Now there are 105 Ayurvedic dispensaries functioning, out of which 100 dispensaries were opened in 1973-74 under Half a Million Jobs Programme and 5 were opened under the Plan Schemes "Opening a new Ayurvedic Hospital and Dispensaries". The expenditure for the dispensaries which opened during the year was met from the departmental funds. Only 98 Panchayats have provided rent free building for the dispensaries already sanctioned and 68 Panchayats have provided land for the construction of building but no Panchayat has completed the construction of building 1974-75.

(g) Homoeopathic Dispensaries

During the period under report no dispensary was opened under Homoeopathy. A total of 47 numbers rural dispensaries

are now functioning in Panchayat area which have been opened in 1973-74 under Special Employment Scheme out of which 21 Panchayats have provided land for dispensaries and one Panchayat has completed the construction of building.

(h) Treasuries

During 1974-75 only two Sub Treasuries were opened in Thamarassery and the other in Perambra Panchayats.

CONCLUSION

There are 967 Panchayats in the State. They have many problems of varying nature. The sources of income in some Panchayats are numerous while for some, it is limited. Building up of their own resources alone can promise a better role for Panchayats in the developmental activities in the State. The scope for assistance from Government is only limited. The Rural Development Board is now playing a very important role, in the creation of remunerative assets yielding very good income for Panchayats, such as construction of market stalls, shopping centres, town halls, bus stands etc. Rural Development Board's endeavour to implement the Rural Water Supply Schemes in Panchayats is really commendable. These assistances have to be fully utilised by Panchayats.

The Director of Panchayats and other departmental officers had convened so many conferences of the Executive Officers, Panchayat Inspectors, District Panchayat Officers and Panchayat Presidents of each district periodically and visited many Panchayats in all the districts for conducting inspections and enquiries and also for holding discussions with Presidents, members and other local officers and people.

On the whole, the Panchayats in the State have recorded visible achievements in augmenting their revenues in implementation of development schemes such as One Lakh Housing Schemes, Rural Dispensaries by securing maximum people's participation. The efficiency in the administration of Panchayats has been toned up to a spiralling weight by the effective supervision and timely guidance of the Department during the period under report.
