ADMINISTRATION REPORT OF THE PANCHAYAT DEPARTMENT FOR THE YEAR 1976-77

INTRODUCTION

In Kerala, the panchayats are considered to be the effective units of Rural Development. During the year under report the Panchayats have recorded various achievements in the field of rural reconstruction. Many impressive developments have been made in the Panchayat areas during the period. It may be noted that the attitude of the Panchayat leaders is favourable to democracy but unfavourable to self help. To inculcate the spirit of self help among the rural mass, the local leadership should be aware of the present situation and problems of the State. Wherever such leadership is emerging there we find various development programmes executed with peoples participation. In augmenting the resources, the Panchayats in Kerala have excelled all such institutions in other parts of the country. Out of the 975 Panchayats 867 Panchayats in the State could achieve 100 per cent collection of all rates and taxes coming to 11 crores for the period. This is the highest watermark of their performance in the revenue collection.

Our Panchayats also play the most significant and decisive role in the matter of increasing their income. No other administrative medium or organisation will be effective in this venture. This would not have been possible, had it not been for the effective leadership of the Departmental Officers. It is a great pleasure to note that the income of the Panchayats has considerably increased because of the efficient co-operation of the Panchayats and the employees. This will help the Panchayats a long way in discharging their obligatory functions. There has been notable progress in the various fields of activities especially in Agriculture, Family Planning, Social Welfare, Registration of Birth and Deaths, Construction of Buildings for Rural Dispensaries, Improvement of Village Communication, Housing etc. The activities of the Panchayats have evoked considerable public interest for the effective and successful discharge of the various functions of Panchayats. There was active peoples participation which is one of the most important pre-requisites for rural development.

SEMINARS

In order to get the co-operation of all the departments in the rural development and to effect co-ordination of all departments in the process and also to mop up peoples participation for the developmental works in the rural areas a State level seminar was conducted in

collaboration with the Forum for Administrative Reforms on 11th and 12th of June 1976 at the V. J. T. Hall, Trivandrum. 47 departments participated in the discussions and in the deliberations. The representatives of the Panchayat Presidents, Executive Officers, Panchayat employees, Inspectors and other voluntary organisations such as B.S.S. and council for child welfare, etc., also participated in this Seminar. The Seminar was inaugurated by His Excellency the Governor of Kerala, presided over by the Hon. Chief Minister. The Seminar discussed the various developmental programmes and schemes to be implemented through the Panchayats for the betterment of the rural folk and for the progress and prosperity to be achieved even in the remote villages in Kerala. The Seminar discussed in detail about planning and arrived at that grass root planning is a necessary concomitant. It was also decided at the Seminar that an integrated rural development programme is the only successful scheme, that helps for substantial progress in the villages. There should be co-ordination of the activities at the Panchayat level and the Panchayats should be the agency to implement the schemes at the Village level.

This paved the way for the conduct of District Level Seminars in Trichur, Kozhikode, Idikki and Quilon for the discussion of matters like grass root planning, peoples participation and co-ordination of other development departments and agencies to speed up the implementation of rural programmes. These Seminars have been conducted with the participation of Panchayats and other departments and voluntary organisation such as Co-operative Societies etc. These Seminars provided the opportunity for loud thinking of those problems of rural reconstruction and rural development and grass root planning. So many solutions suggested by those Seminars have been forwarded to Government for consideration and early decision.

In supervising and co-ordinating the various activities of Panchayats the department has played a very vital role.

At the beginning of the year under report there were 975 Panchayats in the State.

Due to the effective follow up work of the department the total revenue of Panchayats (excluding grant) for the report year comes to Rs. 11,18,06,790.62 while the previous year it was Rs. 10,62,28,967.19. Thus there was a remarkable increase of Rs. 55,77,823.43 in 1976-77. The average income of a Panchayat comes to Rs. 1,14,909.34 as against Rs. 1,08,740.70 in the previous year. On behalf of Government the Panchayats have collected Rs. 16,04,158.12 towards surcharge on profession tax, additional entertainment tax, surcharge on show tax during the reported year. While the previous year it was Rs. 22,16,262.30. The short fall of Government revenue under this item was due to the fact that the collection of additional tax on

entertainment and surcharge on show tax was given to the Panchayats with effect from 1st August 1975 consequent on the enactment of the Kerala Local Authorities Entertainment Tax (Amendment) Act, 1975 (Act 19 of 1975) and Kerala Surcharge on Show Tax, 1975.

During the period under report the Panchayats were regrouped and there were 177 special grade, 464 first grade, 312 second grade and 22 third grade Panchayats at the end of the financial year 1976-77.

Cent percent collection was achieved in 867 Panchayats during the report year (more than 89 per cent of the Panchayats) which is a commendable progress with regard to the collection of revenue of Panchayats.

During the period under report an amount of Rs. 70,000 has been disbursed as building grant among 7 Panchayats at the rate of Rs. 10,000 for each Panchayat.

The Panchayats spent a total amount of Rs. 2,71,06,747.06 on public works during the year 1976-77.

The Panchayats had to incur very big amount for street lighting. They had to spend Rs. 1,12,65,831.31 for electric lights and other lights during 1976-77 while the amount spent for the year 1975-76 was only Rs. 88,32,998.78.

The total income of Panchayats derived from ferries was Rs. 6,10,167.38 while it was Rs. 4,11,179.08 in the previous year. The total income from fishing rights from canals sanctioned by Panchayats was Rs. 10,99,357.37 while it was only Rs. 7,06,362.62 during the previous year. The financial position of Panchayats during the year under report has improved satisfactorily when compared with that of the previous year.

Consequent on the implementation of the Registration of Birth and Death Act, 1969 and rules framed thereunder registration of births and deaths has become one of the main functions of this department. The public were made aware of the importance of the registration of births and deaths. 375,525 numbers of births, 3,074 still births and 104,147 numbers of death events were registered during the year 1976-77. The percentage of registration work had increased when compared with the previous year. Due to the active participation of Panchayats in the field of family planning programme the birth rate has substantially come down.

An amount of Rs. 14,47,290.01 has been spent by Panchayats for the implementation of various Mini Industrial Schemes in Panchayats during 1976-77. The Rural Development Board has completed remunerative scheme works costing Rs. 46,33,372.58 such as shopping centre, market stalls, etc. and handed over to the Panchayats during the year under report.

In the field of public health activities the contribution made by Panchayats was great. There were M.C.H. Centres, Midwifery Centres under the direct supervision and control of the Panchayats. 3 Allopathic, 3 Ayurvedic and one Homoeopathic rural dispensaries were newly opened during this year under report. A total amount of Rs. 65,54,384.31 was spent by this department for the construction of building and other expense of rural dispensaries in Panchayats during 1976-77. The contribution made by the Panchayats in the field of education was also worth mentioning.

Many Panchayats took up the responsibility of conducting schools under the direct management of the Panchayats. There were 59 Nursery Schools, 62 Lower Primary Schools, 31 Upper Primary Schools and 15 High Schools under the management of the Panchayats. The Panchayats provided 6,185 radio sets in various parts of the Panchayats area during the period under report.

Two inter-departmental conferences and three State level conferences were held at the headquarters on 15th May 1976, 18th January 1977 and 19th January 1977 respectively. Besides district level and taluk level conference were also conducted by the departmental officers in which various administrative problems were discussed and decisions taken.

As a whole the performance of the Panchayats under the effective guidance of the department has secured the good will of the rural public. The Panchayats acquired the status of an accepted effective agency for the implementation of the development scheme in the rural area.
