INTRODUCTION

This publication, which is brought out annually, gives a detailed analysis of Budget Provisions made by various States and Central Ministries for the development of education during 1986-87. As per set pattern, Budget documents for 1986-87 include the Revised Estimates for 1985-86 and Actual Expenditure for 1984-85 for various programmes of education being implemented in the States and at the Centre. The information contained in this Publication has been derived from Demand for Grants of the Central Ministries and the Budget Documents of the States and Union Territories as presented in the State Legislatures.

2. Besides giving all the details in respect of Plan and Non-Plan expenditure budgeted for 1986-87 by the States and the Central Ministries for various sectors of education, it also includes the expenditure incurred on research and training (formal and non-formal) by various departments in the States and Central Ministries such as Department of Art & Culture, Agriculture, Health, Industry, Labour etc. It, however, excludes that portion of budget provision which relates to training facilities provided by the departments for their own employees for improving their professional skills or in service training courses.

3. The total amount of budget provision made for education by Education Departments of various States and the Central Ministry of Education worked out to Rs.8142.83 crores on Revenue Accounts (Rs.7484.22 crores in the State sector and Rs.658.61 crores in the Central Sector) for the year 1986-87. This is more than the Revised Estimates for 1985-86, both in the State and Central sectors. The corresponding figures of Revised Estimates for 1985-86 were reported to be Rs.7533.84 crores (Rs.6949.61 crores in the State Sector and Rs.584.23 crores in the Central sector), as against the Actual Expenditure for 1984-85 of Rs.6353.78 crores (Rs.5908.46 crores in the State sector and Rs.445.31 crores in the Central Sector).

4. The total budget provision made for education for 1986-87 on Revenue Account by the State Education Departments and Department of Education in the Central Ministry of Human Resource Development constituted 11.1% of the total budget provision made in the Revenue Account in the States and at the Centre. The percentage of Plan Expenditure on this account works out to be 7.0%. The corresponding figures for the previous two years were 6.3% and 7.0% respectively.

5. Apart from the revenue account, Education Departments in the States/Union Territories and in the Central Ministry of Human Resource Development also make budget provision for capital works. The Budget Estimates on capital account (including loans) for 1986-87 accounted for Rs.167.74 crores (Rs.167.49 crores in the State sector and Rs.0.25 crores in Central sector). It forms 1.3% of the total budget provision under these heads of the country for 1986-87. If we add, this expenditure on capital account to the revenue budget estimate for education then the total budget estimates for education for 1986-87 in respect of State Education Departments and the Centre, this works out to Rs.8310.57 crores and this constitutes 8.4% of the total Budget Estimates of the country.

6. Since departments, other than the Department of Education in States/Union Territories and Ministries in the Centre, other than the Ministry of Human Resource Development also incur some expenditure on education, it is desirable to add the budget estimates on Education of these departments for education to get the total picture of public expenditure made on education in the country. As compiled in the statements annexed with this publication, the total budget provisions made by these departments in the States and at the Centre work out to Rs.1730.40 crores (Rs.695.34 crores on Plan side and Rs.1035.06 crores on the Non-Plan side). If we add to this the Budget provisions made by the Education Departments then the total provision made for education on Revenue Account work out to be Rs.9873.23 crores and this forms 13.4% of the total budget of the country in 1986-87 (23.8% in the case of State Sector and 3.0% in the case of Central Sector) the percentage of the Plan expenditure on this account works out to be 11.5%.

7. In view of the over all composition of the Budget estimates as distributed among various sub-sectors of education and between Plan & Non-Plan in respect of

While making inter-state comparison it is seen that percentage of budgeted expenditure of Education Departments to the net domestic product varies from the lowest of 2.7% in case of Haryana to 11.4% in case of Sikkim. Gujarat, Madhya Pradesh, Maharashtra, Punjab, Tamil Nadu, Uttar Pradesh, West Bengal and Delhi 3.3% are less than the National average of 3.8% whereas the States/Union Territories which have provided more than the national average are Andhra Pradesh 4.3%, Assam 4.4%, Bihar 3.8%, Himachal Pradesh 6.1%, Jammu & Kashmir 5.3%, Karnataka 4.3%, Kerala 5.9%, Meghalaya 8.7%, Nagaland 7.9%, Orissa 4.2%, Rajasthan 4.4%, Tripura 5.3%, Arunachal Pradesh 8.6%, Goa, Daman & Diu 4.4% and Pondicherry 4.8%.

It may be seen from the Table No.14 that while the percentage of total educational expenditure to total State Budget is 22.3% in Haryana, the percentage of education budget to the State income is only 2.7%.
