PREFACE

This publication is the eleventh in the series of "Education in Universities in India" and gives a statistical survey of the progress made in the field of university education in the country during 1959-60. As in the earlier volumes, the information given in this publication is mainly factual and no attempt has been made to draw any general conclusions.

I take this opportunity to thank university authorities and others who have supplied the information required for the preparation of this publication.

CHAPTER I GENERAL SURVEY

1. *Introduction :*

The year 1959-60 was the year of stress and strain in the field of university education. On the one hand were at work the forces of increasing numbers at the universities and colleges and on the other were operative the efforts directed towards making comparable expansion in the matter of essential facilities like library, laboratory and hostel facilities, scholarships, etc. Efforts at reorganisation of under-graduate courses in humanities, sciences and many professional subjects, the expansion of facilities for research and the improvement of pay scales and service conditions of teachers in certain cases were some of the highlights of the period under review.

2. *Development of Education :*

A sum of Rs. 7.50 crores was placed at the disposal of the University Grants Commission for giving grants to the universities under plan and non-plan schemes as under :

Plan Schemes	Rs. 5.44 crores.
Non-Plan Schemes	Rs. 2.06 crores.

Out of this amount and from the amounts that became available on account of the adjustments of unspent balances of grants of the previous year, the grants paid by the U.G.C. to the universities and colleges, during the year, amounted to Rs. 7.98 crores—Rs. 6.01 crores on plan projects and Rs. 1.97 crores on non-plan project. Of this, the Central Universities received a sum of Rs. 2.94 crores—Rs. 0.97 crores on account of plan projects and Rs. 1.97 crores on non-plan schemes.

During the year, the U.G.C., as usual, appointed a number of Visiting Committees to examine various development proposals of the universities and on their recommendations made grants to the universities for the implementation of approved schemes. The approved schemes in humanities and social sciences were estimated to cost Rs. 90.65 lakhs and those in science and technology Rs. 76.05 lakhs.

Since the improvement of teaching and research in the universities is largely dependent on the improvement of standards in the colleges, the U.G.C. last year extended their jurisdiction to colleges also. During the year, the U.G.C. sanctioned grants to 248 affiliated colleges for such basic requirements as hostels, libraries, laboratories, etc., apart from giving grants to enable them to improve salaries of their teachers. During the year, the Commission decided to consider requests for such development grants from government colleges also on the same basis as from the non-government colleges.

3. *Post-Graduate Education :*

In the field of post-graduate teaching and research, the U.G.C. continued to follow a policy of developing basic subjects in science as well as in humanities. On the science side, the Commission assisted the Universities of Delhi and

Osmania for establishing departments of Astronomy and Astro-Physics; Nagpur and Saugar Universities for introducing courses in Applied Geology; Banaras and Andhra Universities for providing teaching facilities in Geophysics and Annamalai and Kerala Universities for expanding the existing facilities in Marine Biology.

On the humanities side, facilities for the teaching of Archaeology were provided in six universities, namely Allahabad, Baroda, Calcutta, Madras, Patna and Poona. In Museology, it was decided to concentrate facilities for the time being at the Universities of Baroda and Calcutta. Delhi and Banaras Universities were assisted for Buddhist studies. For the development of teaching and research facilities in Music, the Commission gave assistance to the Universities of Annamalai, Baroda, Banaras, Delhi and Visva-Bharati. In respect of specialised work in the field of Linguistics, the Commission accepted the recommendation made by the Blue Print Committee set up by the Linguistic Society of India to the effect that assistance be given only to a selected number of universities region-wise. Altogether, assistance was given to the universities for the establishment and development of 46 post-graduate departments in humanities and social sciences and 18 in science and technology.

4. *Three-Year Degree Course :*

The scheme for the introduction of the three-year degree course, which aims at providing a compact and integrated course of three years' duration for the first degree, made further headway during the year. Two more universities, viz., S.N.D.T. Women's and Vikram introduced it during the year, raising the number of universities having the new pattern to 22. Moreover, 9 other universities agreed, on principle, to implement it later.

The State Universities of Uttar Pradesh and the University of Bombay were allowed to carry out experiments in a different system of reorganisation of the university course. The Government of Uttar Pradesh proposed to introduce the three-year degree course in the State Universities of Agra, Allahabad, Gorakhpur and Lucknow after the existing 12 year school-cum-Intermediate course, while Bombay Universities proposed to introduce a three-year Honours Course after Intermediate, retaining at the same time its existing two-year Pass course after Intermediate. All the universities thus accepted the adoption of the three-year degree course pattern, some with modifications.

In accordance with the recommendations for the three-year degree course Estimates Committee, the Central Ministry of Education released an amount of Rs. 31.50 lakhs to State Governments for giving grants to Government colleges and another sum of Rs. 55.32 lakhs to the U.G.C. for giving grants to non-government colleges. The U.G.C.'s contribution to it was Rs. 84.45 lakhs.

5. *General Education :*

Quite a large number of the universities were considering to introduce 'General Education' as a part of the syllabus of the three-year degree course. The report of the Expert Committee appointed by the Commission to advise on problems related to the introduction of teaching in 'General Education'

was awaited. Under a programme drawn in collaboration with Ford Foundation, grants amounting to Rs. 1.19 lakhs were given to six universities to conduct seminars, undertake preparation of reading material and obtain equipment and books on the subject.

6. *Women's Education :*

The Central Government continued to pay special attention towards women's education at the collegiate level. Grants amounting to Rs. 10 lakhs were sanctioned to various State Governments for the development of women's education in colleges on 50 per cent basis.

7. *Evening Colleges :*

The Central Ministry of Education paid a sum of Rs. 65,000 for the establishment and maintenance of the Post-Graduate Evening College of Delhi University. A further sum of Rs. 28,521 was sanctioned to Delhi University on an 'on-account' basis for disbursement to four other evening colleges in Delhi.

8. *Technical Education :*

On the recommendation of the All-India Council for Technical Education, the Central Ministry of Scientific Research and Cultural Affairs set up a Committee under the Chairmanship of Prof. M.S. Thacker to examine the state of development of post-graduate courses and research in engineering and technology and to recommend the lines on which post-graduate education should be further developed.

The revision of pay scales of teachers in engineering and technological institutions was also finalised. On the recommendations of the All-India Council for Technical Education, the following pay scales were approved by the Central Ministry of Scientific Research and Cultural Affairs :

(a) *College Conducting Post-graduate Courses :*

Senior Professor's scale was to be the same as that of the Additional Chief Engineer in the State P.W.D., or he should be given a special allowance of Rs. 250 per month in addition to the Professor's scale in a college conducting degree courses.

(b) *Colleges Conducting Degree Courses :*

(i) The pay scales of Principal and Professor were to be the same as those of the Chief Engineer and the Superintending Engineer respectively of the State P.W.D.

(ii) Assistant Professor—Rs. 600—40—1000—50'2—1150.

(iii) Lecturer—Rs. 350—350—380—380—30—590—EB—30—770—40—850.

(c) *Polytechnics or Colleges Conducting Diploma Courses :*

(i) Principal—Rs. 800—40—1000—50—1250.

(ii) Lecturer-in-Charge (Head of the Department)—Rs. 600—40—1000.

(iii) Lecturer—Rs. 350—350—380—380—30—590—EB—30—770—40—850.

(iv) Workshop Superintendent—Rs. 350—350—380—380—30—590—
EB—30—770—40—850.

(v) Senior Instructor—Rs. 260—10—300—15—450—25/2—500.

(vi) Junior Instructor—Rs. 160—10—300.

8. A Joint Committee of the All-India Council for Technical Education and the Inter-University Board of India considered the question relating to duration, admission qualifications, etc. for the first degree courses in engineering and technology which came up as a result of the introduction of the new system of Secondary Education. The Committee recommended that the first degree course in engineering and technological studies should be reorganised into a five-year integrated course with higher secondary or its equivalent examination as the minimum qualification. This was accepted by the All-India Council for Technical Education and the Council approved of additional grants to engineering and technical colleges for the conversion of their present four-year degree courses into five-year integrated courses.

10. *Industrial Estates in Universities :*

With a view to give education an industrial bias and to provide students with the means of earning at least a part of the expenses of their studies while learning, the U.G.C., in consultation with the Ministry of Commerce and Industry and the Planning Commission, formulated a scheme to establish, on experimental basis, 10 Industrial Estates in the neighbourhood of universities. Under the scheme, the universities were to provide the site of the estate, the U.G.C. was to give Rs. one lakh for putting up buildings and the Small Scale Industries Division of the Ministry of Commerce and Industry to supply the equipment, raw material and managerial staff for running the estates. To begin with, five universities of Allahabad, Baroda, Jadavpur, Osmania and Rajasthan were selected for this project.

11. *Teachers :*

Apart from the steps taken to improve the scales of pay of teachers and prescribe minimum qualifications for them, steps were also taken to further raise their competence in teaching work. For this purpose, grants were given to universities to organise academic 'get-togethers' for teachers, periodic conferences and seminars on various subjects. Summer schools, seminars and refresher courses were also organised for teachers in Mathematics, Engineering, English and Hindi. To acquaint them with latest developments in research, teachers were given grants to visit centres of research in their subjects.

12. *Pay Scales of Teachers :*

The U.G.C. continued its programme of assistance to universities and colleges for the improvement of pay scales of teachers. Apart from the four Central Universities where the cost of such revision of pay was borne entirely by the Commission, its contribution to State Universities on the basis of 80% of the increased expenditure amounted to Rs. 11.02 lakhs. Grants amounting to Rs. 53.85 lakhs were also sanctioned to affiliated colleges on the basis of 50 per cent of the cost in case of men's colleges and 75 per cent of cost in case of women's colleges.

13. *Library Facilities :*

Continuing its scheme on the subject during the year, the U.G.C. approved the proposals of five more universities for the construction of library buildings or for the extension of their existing libraries at an estimated cost of Rs. 54·30 lakhs. Further, the report of the Library Committee appointed under the Chairmanship of Dr. S.R. Ranganathan and the report of the Seminar on "Work Flow" in libraries were received and adopted by the Commission. These reports were to form the basis for guidance in the construction, development and administration of university libraries.

14. *Hostels and Staff Quarters :*

The expert "Building Sub-Committee", which was set up by the U.G.C. in collaboration with the Committee on Plan Projects of the Planning Commission, recommended norms and standards to be adopted in the construction of hostels in universities and colleges. These recommendations were forwarded to the concerned institutions for guidance.

During the year, proposals from 15 universities for the construction of hostels for students and staff quarters for teachers were approved at a total cost of Rs. 66·96 lakhs, of which the U.G.C.'s share was Rs. 47·12 lakhs. Moreover, a sum of Rs. 11·33 lakhs was advanced by the Central Ministry of Education as loans to nine State Governments for re-lending to 13 affiliated colleges in their areas for the construction of hostels. Also, a sum of Rs. 7·93 lakhs was sanctioned under this scheme as loan to Delhi University and its constituent colleges. The Ministry of Education also gave an amount of Rs. 1·84 lakhs directly to nine colleges.

15. *Scholarships :*

Various schemes of scholarships, stipends and other financial assistance were operative during the year to provide opportunities to meritorious but poor students for higher education. Main schemes are listed below :

- (i) Two hundred scholarships at the cost of Rs. 9·40 lakhs were offered under the Government of India Scheme of Post-Matric Merit Scholarships.
- (ii) A sum of Rs. 2·25 lakhs was provided by the Central Government for 64 scholarships awarded to carry out research in various branches of humanities.
- (iii) One hundred and ten scholarships were offered by the Central Government to students of non-Hindi speaking States for higher education in Hindi. A sum of Rs. three lakhs was provided under this scheme for the year under review.
- (iv) The Government of India scheme of granting post-matriculation scholarships to students belonging to Scheduled Castes, Scheduled Tribes and Other Backward Classes was decentralised and the work of making these awards was entrusted to State Governments. A sum of Rs. 2,22 lakhs available under this scheme for the year under report was distributed amongst States/Union Territories.
- (v) To promote research in various branches of science and technology, 681 scholarships sanctioned earlier under the Research Training

Scholarships Scheme were continued and 119 new scholarships were sanctioned during the year. This raised the total number of scholarships in force under this scheme to 800.

- (vi) Twenty-seven fresh scholars were selected and 23 scholars selected during earlier years continued their work at various research centres for science and technology under the National Research Fellowship Scheme.
- (vii) The U.G.C. offered 80 post-graduate and 50 research scholarships of the value of Rs. 100 and Rs. 200 per month respectively in the various branches of humanities. During the year, a sum of Rs. 1.88 lakhs was paid to the scholars under this scheme.
- (viii) In science, engineering and technology, post-M.Sc. research scholarships of the value of Rs. 200 per month each were awarded by the U.G.C. to 100 students conducting research at the various University centres registered for the Ph.D. degree. A grant of Rs. 1.75 lakhs was paid for these scholarships during the year.
- (ix) The U.G.C. selected 17 students for award of senior research fellowships in science of the value of Rs. 500 per month each and 26 scholars for post-doctoral fellowships of Rs. 300 per month each.
- (x) The Commission also instituted during the year 30 research fellowships of the value of Rs. 400 per month in Engineering and Technological subjects.
- (xi) To render financial assistance to poor and deserving students to meet their tuition or examination fee or to purchase books etc., the U.G.C. helped the universities and colleges to create Students Aid Fund. Under this scheme, an amount of Rs 2.28 lakhs was sanctioned to 14 universities and 116 colleges on 50 per cent basis.

Besides, Indian students continued to receive assistance for studies abroad and foreign students for studies in India under various other Central schemes and programmes like, the Central Overseas Scholarships scheme; the Union Territories Overseas Scholarships scheme; the Foreign Language Scholarships scheme; the Fully Paid Overseas Scholarships scheme; the scheme for overseas Scholarships for Scheduled Castes, Scheduled Tribes and Other Backward Classes; the Agatha Harrison Fellowship; Programme for Exchange of scholars between India and foreign countries.

16. Student Welfare :

A number of welfare schemes were in operation for providing recreational facilities to students. Scheme for 'Campus Work Projects' of the Central Ministry of Education proved to be very popular with the institutions. The object of this scheme was to provide, with the aid of 'Shramdan' by the students and staff, much needed physical and recreational amenities like recreation halls-cum-auditoria, swimming pools, gymnasia, open air theatres, pavillions and small stadia, etc., in universities and colleges. Central grant was paid in instalments depending on the progress of construction work towards which the staff and students were to render skilled and or unskilled labour worth 25 per cent of the total expenditure involved. During the year, the Ministry of Education sanctioned grants totalling to Rs. 19.38 lakhs under this scheme.

The Central Ministry of Education also sanctioned grants to institutions for student tours, youth hostels, youth leadership training camps, etc. 'Youth Welfare' boards and committees were set up in various universities with the assistance of the Central Government to carry out youth welfare programmes.

The Sixth Inter-University Youth Festival was held at Mysore from 7th to 16th December, 1959, in which about 1,300 students from 34 universities participated. A grant of Rs. 3.48 lakhs was sanctioned for the festival. Besides, the Ministry of Education also sanctioned grants amounting to Rs. 28,963 to 9 universities for conducting inter-collegiate youth festivals for the selection of troupe for the all-India function.

The U. G. C. also sanctioned grants to various institutions for schemes like Non-Resident Students' Centres, Student Health Centres, Psychological Counselling Centres and Hobby Workshops.

17. National Service by Students :

The question of introducing national service by students, both as a measure of educational reform and also as a measure to improve the quality of manpower needed for a rapid social and economic reconstruction of the country, had been engaging the attention of government for some time past. A Committee of educationists and administrators was appointed during the year under the chairmanship of Dr. C. D. Deshmukh to work out a suitable scheme. The report of the Committee was received and was under consideration.

18. Special Publications Scheme :

The Commission continued its programme of assistance to Annamalai University for the publication of *Kambha Ramayanam*; to Baroda University for the publication of a critical edition of the *Valmiki Ramayana*; to Kerala University for the publication of a Malayalam Lexion and to Madras University for the publication of an etymological English-Tamil Dictionary. During the year, the following grants were paid to these universities for these projects:

Annamalai	Rs. 10,000
Baroda	Rs. 45,000
Kerala	Rs. 20,000
Madras	Rs. 28,000

19. Foreign Assistance and Exchange of Personnel :

Foreign assistance in the form of library books, laboratory equipment experts and training facilities was continued to be received during the year under various agreements. It is briefly indicated below.

Under India Wheat Loan Educational Exchange Programme, books worth \$ 1,74,882 and equipment worth \$ 1,75,000 were received. Four librarians, six scientists and two Astronomers were awarded grants for study/training in the U.S.A.

Under the project for the assistance of Home Science education and research under Supplement I to Operational Agreement 41 of the Indian U.S. Technical Cooperation Programme, five more American technicians arrived during the year and took up assignments in the institutions selected as 'regional

demonstration centres'. Eight Indian Home Science teachers were selected for advanced training in the U.S.A. Books worth \$ 8,000 and equipment worth \$ 32,000 were ordered from the U.S.A.

Under the Indo-U.S. agreement regarding Educational Exchange Programmes, 12 university professors and research scholars, 19 school teachers and 100 students were sent to the U.S.A. for studies/research/teaching, while 31 American professors and 21 American students came to India for similar purposes.

Main Development

A brief account of major developments in university education in the various universities is given below:

AGRA

- (a) Post-graduate diploma course in Econometrics was introduced.
- (b) Diploma courses in Anaesthesiology and Orthopaedic Surgery were introduced in the Faculty of Medicine.
- (c) It was decided to hold compulsory *viva voce* examination for all students of M.Com.
- (d) Practical work was introduced in Geography at B.A. stage also.

ALIGARH

- (a) One-year Pre-medical course was introduced after Pre-University (Science).
- (b) It was decided to revise syllabuses of Diploma courses in Engineering with a view to have greater emphasis on practical work.
- (c) Candidates for B.A. and B.Com. examinations were permitted the option of answering papers in English, Hindi or Urdu.
- (d) General Education was deleted from the list of compulsory subjects prescribed for the Pre-University examination. It was decided to teach it in the first two years of the three-year degree course.

ANDHRA

The following new courses were started:

- (i) Post-graduate diploma in Co-operation and Rural Studies.
- (ii) Ph.D. degree in the Faculty of Science in between M.Sc. and D.Sc. degrees.
- (iii) Integrated professional courses leading to degrees in Engineering, Technology and Pharmacy.

Besides, M.Sc. by research in Physical and Natural Sciences was replaced, by M.Sc. degree by examination and M.Sc. in Applied Physics, Applied Geology, Geophysics and Meteorology by M.Sc. (Tech.).

ANNAMALAI

The following new courses were instituted:

- (i) Two-year post-graduate degree courses for M.A., M.Sc., M.Com. and M.O.L.
- (ii) Diploma and certificate courses in Linguistics, Telugu, Kannada and Malayalam.

BANARAS

(a) As preliminary to the introduction of the three-year degree courses in Arts and Science, Pre-University courses in these faculties were started.

(b) It was decided to institute the M.B.B.S. course and to establish a College of Medical Sciences. One of the special features of this course was the inclusion of the essentials of Ayurveda in its curriculum.

BARODA

M.Sc. in Physical Chemistry, post-graduate diplomas in Educational Administration, Applied Linguistics and Gynaecology and Obstetrics and Under-graduate diploma in Child Development and Child Psychology were instituted.

BIHAR

The University teaching department of Labour and Social Welfare was started.

BOMBAY

The University teaching department of Applied Psychology was started for post-graduate studies.

CALCUTTA

(a) Post-graduate diploma course in Museology was introduced.

(b) New Courses in D. Dermat and D.M.R.E. were introduced under the Faculty of Medicine and also Dermatology was included in the list of subjects for D. Phil. Medical degree.

DELHI

It was decided to discontinue admissions to the Preparatory (Pre-University) classes after 1961-62 session and to stop holding the Qualifying examination after 1962.

GORAKHPUR

Post-graduate courses in Sociology, Philosophy and Geography and diploma courses in Statistics and Social Work were started.

JABALPUR

It was decided to introduce the three-year degree courses in Arts, Science, Commerce, Home Science and Agriculture with effect from 1960-61. Tutorial system would form an integral part of the scheme.

JADAVPUR

(a) The following new courses were instituted:

- (i) M.Sc. (Chemistry)

- (ii) Master's degree in Civil Engineering
- (iii) Master's degree in Food Technology
- (b) Part-time degree courses in Civil, Electrical and Mechanical Engineering were also started.
- (c) It was decided to start language classes in French, German and Russian outside the working hours for students of all the faculties.

KARNATAK

- (a) The following university teaching departments were started for post-graduate studies:
 - (i) Department of Botany
 - (ii) Department of Sanskrit
 - (iii) Department of Social Anthropology
 - (iv) Department of Zoology
- (b) The study of Radio Physics and Nuclear Physics was added under the department of Physics and the study of In-organic Chemistry and Physical Chemistry under the department of Chemistry.

KERALA

- (a) The university teaching department of Marine Biology, Fisheries and Oceanography was started with M.Sc. courses in Marine Biology and Oceanography.
- (b) The following other new courses were started:
 - (i) Post-graduate degree course in General Medicine, Obstetrics and Gynaecology
 - (ii) Post-graduate degree course in General Surgery
 - (iii) Post-graduate diploma courses in Clinical Pathology and Obstetrics and Gynaecology.
 - (iv) Degree course in Dental Surgery.

LUCKNOW

Post graduate degree course in Public Administration was introduced.

MADRAS

- (a) Post-graduate teaching departments in Economic, Tamil and Zoology were established at Madurai Centre.
- (b) It was decided to start departments in Ancient History and Archaeology and Library Science.
- (c) The department of Chemistry was expanded with the introduction of the teaching of In-organic and Analytical Chemistry.

MARATHWADA

Teaching for the Master's degree in English, Economic, History, Marathi, Sanskrit, Chemistry and Zoology was started.

MYSORE

The following courses were started:

- (i) Two-year Master's degree course in Arts and Science.
- (ii) Integrated degree courses in Agriculture (4-year duration) and Engineering (5-year duration).

NAGPUR

- (a) Regular LL.M. classes were started.
- (b) Ancient Indian History and Culture was introduced as a subject of study at the B.A. stage.
- (c) It was decided to start post-graduate diploma courses in Anaesthesiology and Plastic Surgery.

OSMANIA

- (a) The following new courses were started:
 - (i) Post-graduate degree course in Statistics.
 - (ii) Certificate and diploma courses in Library Science.
 - (iii) Diploma course in Physical Education.
 - (iv) Degree course in Nursing.
 - (v) Post-graduate diploma course in Forensic Medicine.
- (b) Astronomy was introduced as a subject of study for the B.Sc. degree.

PANJAB

- (a) Post-graduate degree course in Geology was introduced.
- (b) It was decided to institute a diploma course in Library Science.
- (c) A paper in 'American Literature' was introduced in M.A. (English).
- (d) Music was included as a subject for M.A. examination.
- (e) It was decided that a student who did not pass the first examination in Engineering within two years of his admission, shall not be allowed to continue his studies in Engineering.

PATNA

As a first step towards the introduction of the three-year degree course, Pre-University classes in Arts and Science were started.

POONA

The three-year degree course in Arts, Science and Commerce was introduced.

RAJASTHAN

The following new courses were instituted:

- (i) M.Sc. (Medicine).
- (ii) M. Engineering.
- (iii) Pre-University (Arts, Science and Commerce).
- (iv) Two-year Junior Diploma Course under the Faculty of Commerce providing secretarial and business training.

ROORKEE

- (a) Architecture was separated from the Department of Civil Engineering to form an independent department.
- (b) A research-cum-training Centre for Rural Housing was established.

S. V. VIDYAPEETH

- (a) Certificate courses in German and French were introduced.
- (b) It was decided that the medium of instruction and examination should be Hindi for all the faculties, except for B.Ed. course for which it should be Gujarati.

SAUGAR

- (a) Post-graduate teaching was started in the two newly started teaching departments of Indo-Iranian Studies and Philology and Linguistics.
- (b) Degree course in Criminology and Forensic Science was started in another teaching department opened during the year.
- (c) Yogic Science was introduced as an optional subject for the B.A. course.
- (d) Faculty of Engineering and Technology was instituted.
- (e) Other new courses instituted during the year included M.Sc. degree course in Agriculture and diploma course in Pharmacy.

S.N.D.T.

- (a) Pre-University classes were started as a first step towards the introduction of the three-year degree course.
- (b) Post-graduate departments in Gujarati and Marathi were established.

SRI VENKATESWARA

- (a) A new faculty in Agriculture was constituted.
- (b) Two-year post-graduate degree courses in Arts and Science by examination were introduced.

UTKAL

- (a) A new University teaching department in History was started.
- (b) Pre-University classes were started as a preliminary to the introduction of the three-year degree course. In this scheme it was decided to give due weightage to the tutorial work and the results of the periodic college examinations.

VIKRAM

Degree course in Physical Education and post-graduate diploma course in Gynaecology and Obstetrics were started.

CHAPTER II
STATISTICAL SURVEY

Institutions

(A) Universities

During the year 1959-60, no new University was established so that the number of universities in the country remained 40 as in 1958-59. The statistics of colleges affiliated to the Indira Kala Sangeet Viswavidyalaya and Varanaseya Sanskrit Viswavidyalaya being not available, their account has not been included in this chapter. However, the available information about these universities has been given in an Appendix at the end of this chapter.

Table I gives the year(s) of foundation and reconstitution of the universities, their territorial jurisdiction and the type. Information about their faculties and the medium of instruction/examination is also given in that table. The distribution of universities according to type, also remained unchanged during the year as given below :

Type	Number of Universities
Teaching and affiliating	26*
Teaching and residential	11
Teaching and Federal	2
Affiliating only	1

(B) Teaching Departments

During the year, the number of university teaching departments increased from 379 to 403. The latter figure excludes the department of Culture and Civilization of Gauhati University which was closed down during the year. The details of the 25 new departments that came up during 1959-60 are given below:—

University	Number of new Teaching Deptts.	Name of New Depa Teachingrtment (s)
Bihar	1	Labour and Social Welfare.
Bombay	1	Applied Psychology.
Gorakhpur	3	Geography, Philosophy and Sociology.
Karnatak	4	Botany, Sanskrit, Social Anthropology and Zoology.
Kerala	1	Marine Biology, Fisheries and Oceanography.
Madras	3	Economics, Tamil and Zoology at Madurai.
Marathwada	2	Economics and Marathi.
Punjab	5	Anthropology, French, Philosophy, Psychology and Sociology.
Roorkee	1	Architecture.
Saugar	3	Criminology & Forensic Science, Indo-Iranian Studies and Philology and Linguistics.
Utkal	1	History.

*Including Indira Kala Sangeet Viswavidyalaya and Varanaseya Sanskrit Viswavidyalaya.

(C) Colleges

The number of colleges maintained by or affiliated to various universities rose by 114 or 8·8 per cent to 1,405. This increase was the outcome of the affiliation or opening of 123 colleges during the year and the disaffiliation or closing down of 9 colleges of last year. These 9 colleges belonged to the Universities of Calcutta (2), Mysore (2), Madras (2), Andhra (1), Gujarat (1) and Saugar (1). The distribution of 123 colleges among 25 universities was as follows: Agra (17), Andhra (1), Bihar (21), Bombay (1), Calcutta (7), Delhi (4), Gauhati (4), Gorakhpur (3), Gujarat (3), Jadavpur (1), Jammu and Kashmir (1), Lucknow (2), Marathwada (3), Mysore (1), Nagpur (2), Osmania (5), Panjab (17), Poona (1), Rajasthan (15), S. V. Vidyapeeth (1), Saugar (2), S.N.D.T. Women's (1), Sri Venkateswara (1), Utkal (5) and Vikram (4). Besides, 2 colleges of Agra University got affiliated to the Gorakhpur University which did not affect the overall position.

Of the 1,405 colleges in 1959-60, 236 were University/constituent colleges and the remaining 1,169 affiliated colleges (Table II). The corresponding number for the previous year was 229 and 1,062 respectively. The break-up of these colleges according to management was : Government colleges 375 (26·7 per cent), University colleges 123 (8·8 per cent), Local Board colleges 3 (0·2 per cent) and Private colleges 904 (64·3 per cent). The management-wise distribution of colleges was almost the same as in the previous year.

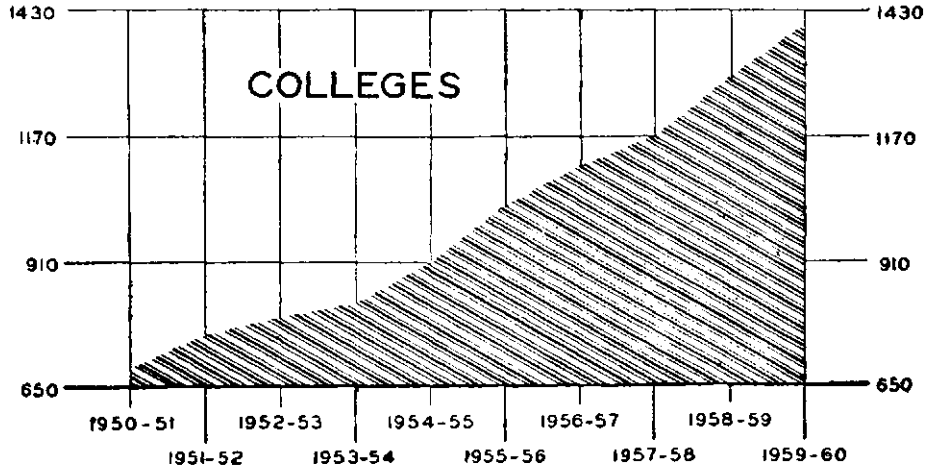

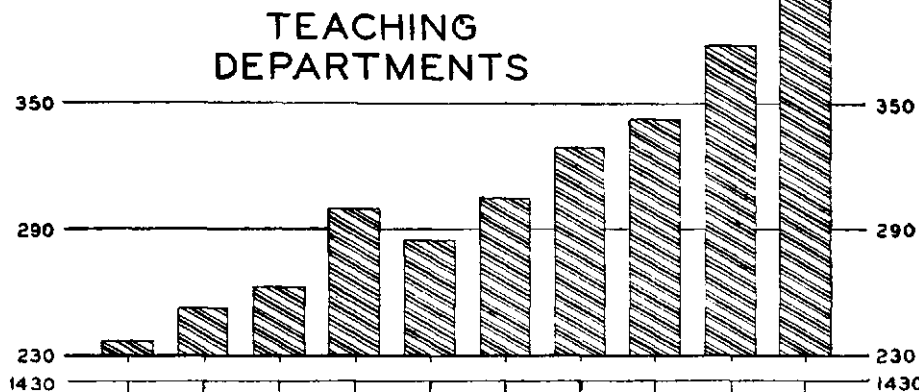

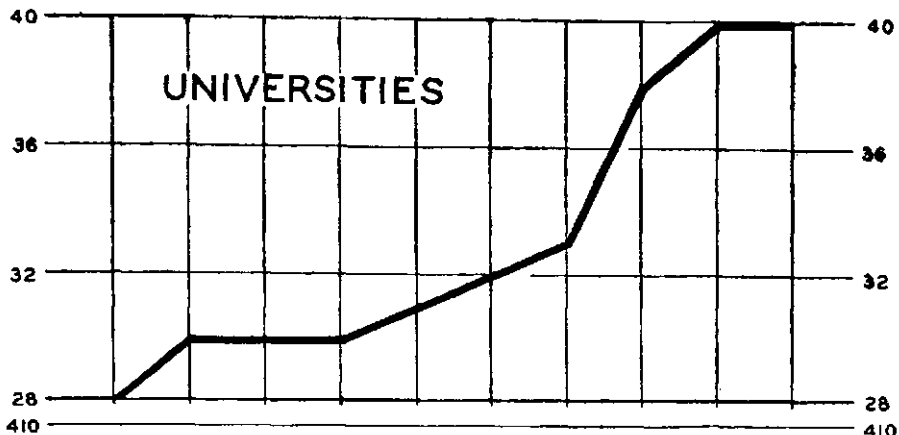

The distribution of colleges by type of education is given in Table III. Of the total number of colleges, 720 provided for general education, which includes the study of Arts, Science, Oriental Learning, Theology, Home Science, Sociology, Music, Dancing, Fine Arts, etc., 381 provided for professional education, and the remaining 304 provided for general as well as professional education. Further classification of colleges for professional education is given below :

Type of college	Number of Colleges	
	1958-59	1959-60
Agriculture	30	33
Commerce	28	28
Education/Teachers Training	109	116
Engineering and Technology	67	70

Physical Education	4	5
Veterinary Science	15	17
Others	1*	1*
<i>Total</i>	357	381

*Silpa Sadhna, Visva Bhart University.

Besides, there were 416 classes for professional education attached to the 304 colleges mentioned above. Their details are : Classes in Agriculture 17, Commerce 228, Education (Teachers' Training) 33, Engineering & Technology 31, Law 25, Medicine 49, Physical Education 3 and Other professional subjects such as Business Management, Journalism, Library Science etc., 30.

PROGRESS OF UNIVERSITY EDUCATION

(D) Boards of Intermediate Education

In addition to the 40 Universities, there functioned the following 4 Boards of Intermediate Education during the year :

- (i) Board of High School and Intermediate Education, Uttar Pradesh, Allahabad ;
- (ii) Board of Secondary Education, Madhya Pradesh, Bhopal ;
- (iii) Board of Secondary Education, Rajasthan, Jaipur ;
- (iv) Central Board of Secondary Education, Ajmer.

These boards functioned as examining bodies for intermediate and school examinations. During the year, 1,016 colleges were affiliated to these Boards for Intermediate examination, of which 123 were also affiliated to the Universities for degree courses. The distribution of latter 123 colleges by type of education is included above alongwith the other colleges affiliated to universities while the classification of the remaining 893 colleges affiliated to boards only is given below :

Type of Colleges	Number of Colleges
General Education	470
Professional Education—	
Agriculture	10
Commerce	12
<i>Total</i>	22
General and Professional Education	401
Grand Total	893

Pupils

The total number of students enrolled in university teaching departments, constituent colleges and colleges affiliated to Universities and Boards of intermediate education rose from 9,28,622 (7,88,749 boys and 1,39,873 girls) in 1958-59 to 9,97,137 (8,42,392 boys and 1,54,745 girls) in 1959-60. This gives an increase of 7.4 per cent, as against an increase of 12.2 per cent during the previous year.

The break-up of enrolment among university teaching departments and colleges of different types is given below :

Type of Institution	1958-59		1959-60	
	Boys	Girls	Boys	Girls
University Teaching Departments	38,076	4,449	42,714	5,386
University Constituent Colleges	1,46,232	35,232	1,49,425	38,482
Colleges/Classes Affiliated to Universities	4,62,123	83,476	5,10,719	94,089
Colleges/Classes Affiliated to Boards	1,42,318	16,716	1,39,534	16,788
<i>Total</i>	7,88,749	1,39,873	8,42,392	1,54,745

The details of enrolment according to Universities and Boards are given in Table IV. Among the Universities, the largest number of students (1,36,817) were enrolled by the colleges of Calcutta University and the least (29) by Kurukshetra University. Other Universities with more than 50 thousand students on rolls were Bihar (77,453), Panjab (66,801) and Madras (50,596). In 10 other Universities, the enrolment varied between 20 thousand and 50 thousand each and in 15 Universities between one thousand and ten thousand each. In so far as Boards were concerned, the intermediate students of U. P. Board alone constituted as many as about 92 per cent of the total number of intermediate students enrolled by all the 4 Boards put together.

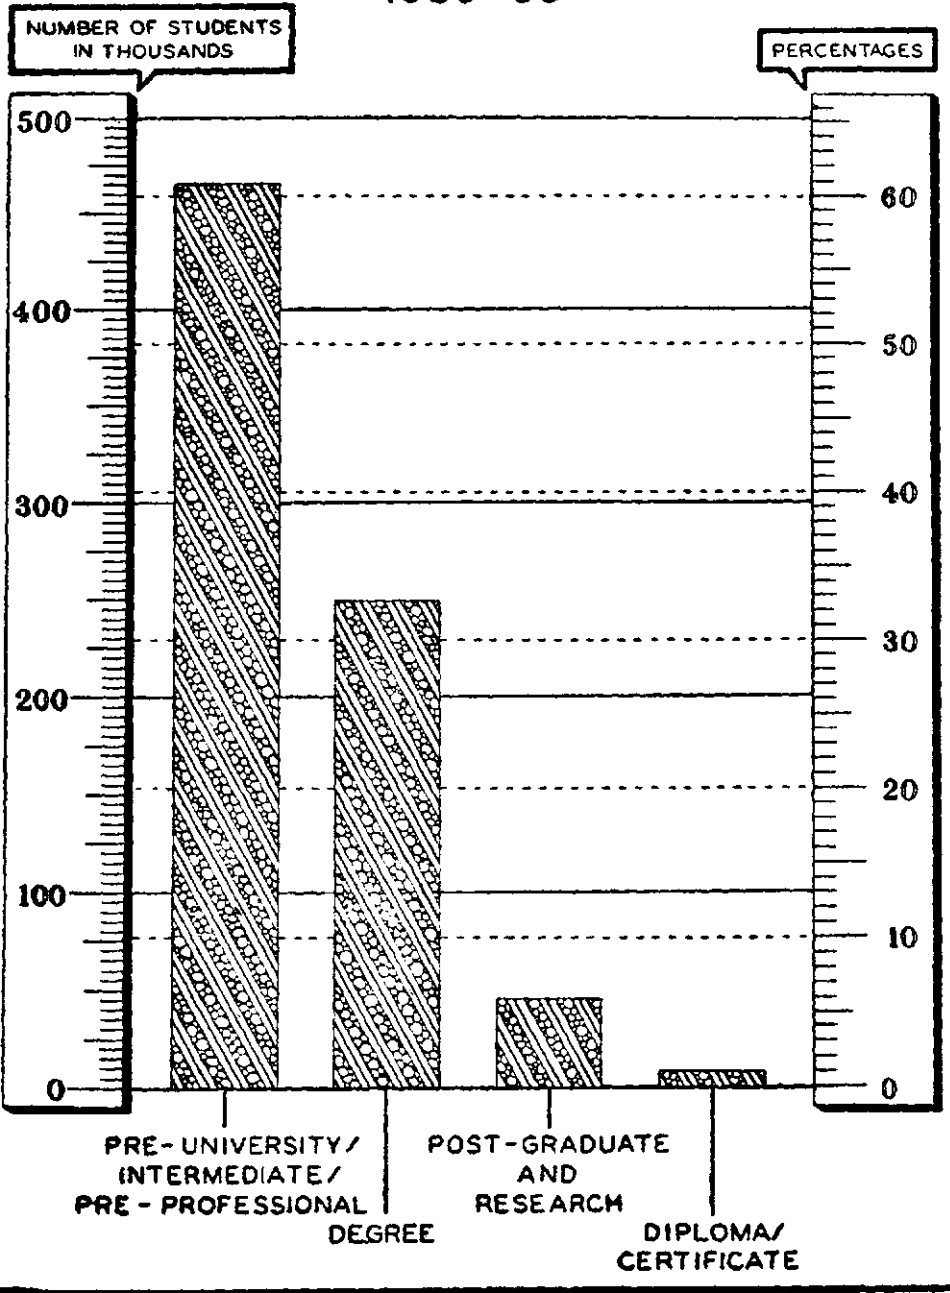

As compared to 1958-59, the enrolment in 1959-60 increased in all the Universities except Aligarh, Allahabad, Banaras, Calcutta, Kerala, Kurukshetra and Visva-Bharati. The decrease by one student in the enrolment of the Kurukshetra University was negligible but in other Universities it was due mainly to the introduction of the three-year degree course in colleges. Numerically, the largest increase in enrolment was reported by the Bihar University (10,396), followed by the Universities of Rajasthan (8,846), Vikram (3,947), Nagur (3,937), Agra (3,930), Mysore (3,526), Saugar (3,497), Andhra (3,238) and Punjab (3,032). Of the remaining universities, the increase was between one thousand and three thousand in 11 universities and less than one thousand in another 11 universities. On percentage basis, Rajasthan University reported the highest increase of 69.6 per cent. It was followed by the Universities of Gorakhpur (37.5 per cent) and Saugar (34.5 per cent). The lowest percentage of increase (1.4) was reported by Poona University.

Of the total enrolment, 7,72,182 students (77.4 per cent) were enrolled for general education courses and the remaining 2,24,955 students (22.6 per cent) for professional and technical education courses. The corresponding percentages for the year 1958-59 were 78.1 and 21.9 respectively. During the year 1959-60, the enrolment for general education increased by 6.4 per cent and that for professional education by 7.3 per cent, as compared to an increase of 11.5 per cent and 11.8 per cent respectively during 1958-59.

The distribution of the total enrolment by stages of education was as follows :

Intermediate (including pre-University/pre-professional) stage	51.7 per cent
Graduate stage	40.8 per cent
Post-graduate and Research stage	5.8 per cent
Diploma and Certificate courses	1.7 per cent

NUMBER OF STUDENTS RECEIVING GENERAL EDUCATION 1959-60

The following table gives further details of enrolment by type and stages of education.

For university-wise details, reference may be made to tables V and VI.

Girl students, numbering 1,54,745 constituted about 15.5 per cent of the total enrolment in the universities and colleges. Of these, 1,40,566 (90.8 per cent) were enrolled for general education courses and the remaining 14,179 (9.2 per cent) for professional education courses. Among professional education courses medicine continued to attract the largest number of girl students (6,528) and teachers' training with 5,703 girl students on rolls was the next favourite.

Foreign Students

Of the total number of 9,97,137 students, 3,363 were foreign nationals. The largest number of these students came from Ceylon (902). African countries (820), Nepal (531), Pakistan (373) and Malaya (273) had also a sizeable number of students here. The university-wise details of foreign students are given in Table VII.

Teachers

The total number of teachers working in universities and their colleges (excluding those working in colleges affiliated to boards of intermediate education) rose from 43,631 (38,621 men and 5,010 women) in 1958-59 to 49,549 (43,581 men and 5,968 women) during the year under review. This gives the rate

of increase of 13·6 per cent (12·8 per cent in case of men teachers and 19·1 per cent in case of women teachers), as compared to an increase of 9·5 per cent (9·0 per cent in respect of men teachers and 12·8 per cent in that of women teachers) during 1958-59. The distribution of teachers by type of institutions is as follows :

Type of Institutions	1958-59		1959-60	
	Total	Women	Total	Women
University Teaching Departments	2,585	136	3,411	173
University/Constituent Colleges	11,719	1,614	12,222	1,753
Affiliated colleges	29,327	3,260	33,916	4,042
<i>Total</i>	43,631	5,010	49,549	5,968

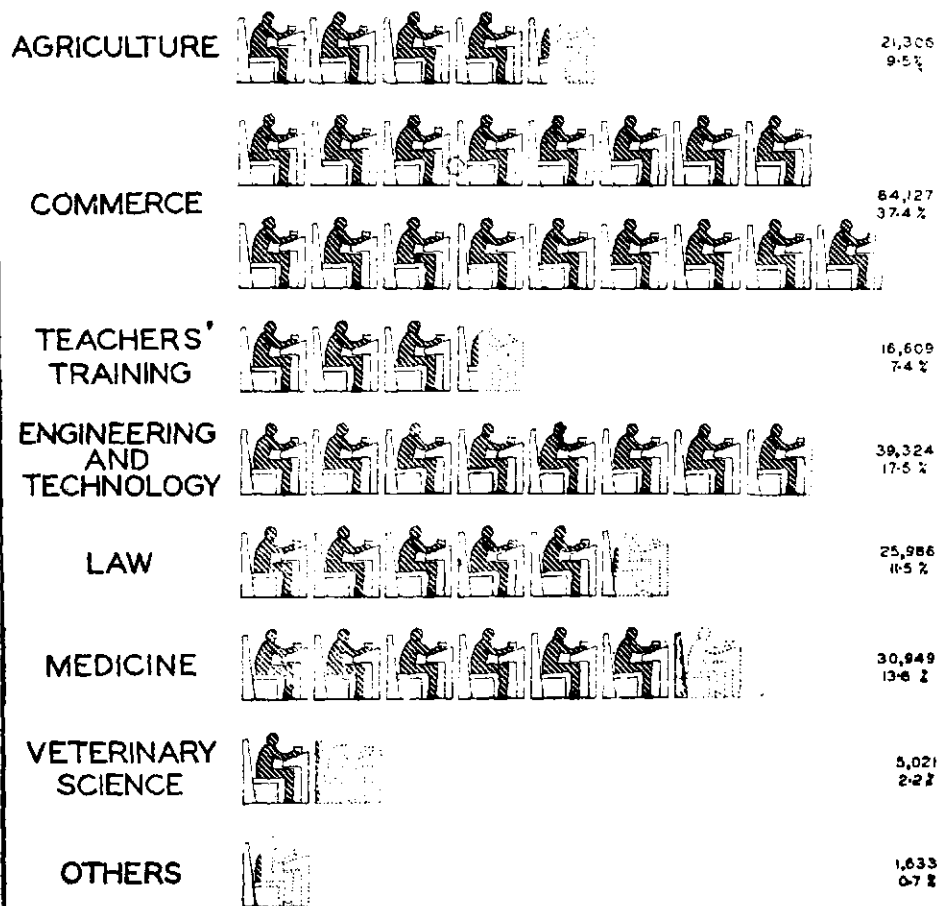

It can be ascertained from the above data that during 1959-60 the number of teachers working in University teaching departments rose by 31·9 per cent, while that in constituent and affiliated colleges by 12·4 per cent. The corresponding percentages for the previous year were 13·8 and 10·9 respectively. The university-wise details of these teachers are given in table VIII.

Of the total number of teachers, 33,832 (68·3 per cent) were teachers for general education and the remaining 15,717 (31·7 per cent) for professional education. Their details are given below :

Type of Education	1958-59		1959-60

As compared to 1958-59, the increase in the number of teachers for general education was of the order of 13·9 per cent, while that for professional education 12·8 per cent. Among professional subjects, the highest increase of teachers was reported, barring "Others", by Veterinary Science (15·3 per cent) followed

NUMBER OF STUDENTS RECEIVING PROFESSIONAL EDUCATION 1959-60

by Agriculture (14·3 per cent), Commerce (14·0 per cent), Teachers' Training (13·4 per cent), Medicine (13·1 per cent) and Engineering and Technology (10·1 per cent) Law reported the lowest increase of 7·3 per cent only.

For university-wise details, reference may be made to Table IX.

The disparity in the pay scales of teachers working in universities and colleges continued to persist. Their scales varied from university to university and within the same university between colleges under different managements. However, there was steady improvement in pay scales of various categories of teachers. Table X gives the scales of pay of lecturers, readers and professors working in University teaching departments and university colleges. As during the previous year, the minimum of the scales given to lecturers was less than Rs. 250 p.m. in the Universities of Andhra, Annamalai, Bihar, Madras, Mysore, Nagpur, Patna, S.N.D.T. Women's and Visva-Bharati. In these universities, the starting pay varied from Rs.150 in the universities of Annamalai, S.N.D.T. Women's and Visva-Bharati to Rs. 225 in Nagpur. As regards readers and professors, the starting pay only in the Universities of Andhra, Annamalai, Madras, Mysore, S.N.D.T. Women's, Sri Venkateswara and Visva-Bharati fell short of Rs. 500 in the case of readers and Rs. 800 in the case of professors as recommended by the U.G.C. Osmania was the only other University where the reader's scale started at less than Rs. 500.

The scales admissible to lecturers in affiliated colleges for general education are given below. Where two scales are given, they represent the maxima and the minima of all the scales obtaining in the various colleges.

UNIVERSITY & COLLEGE TEACHERS

BY SALARY GROUPS 1959-60

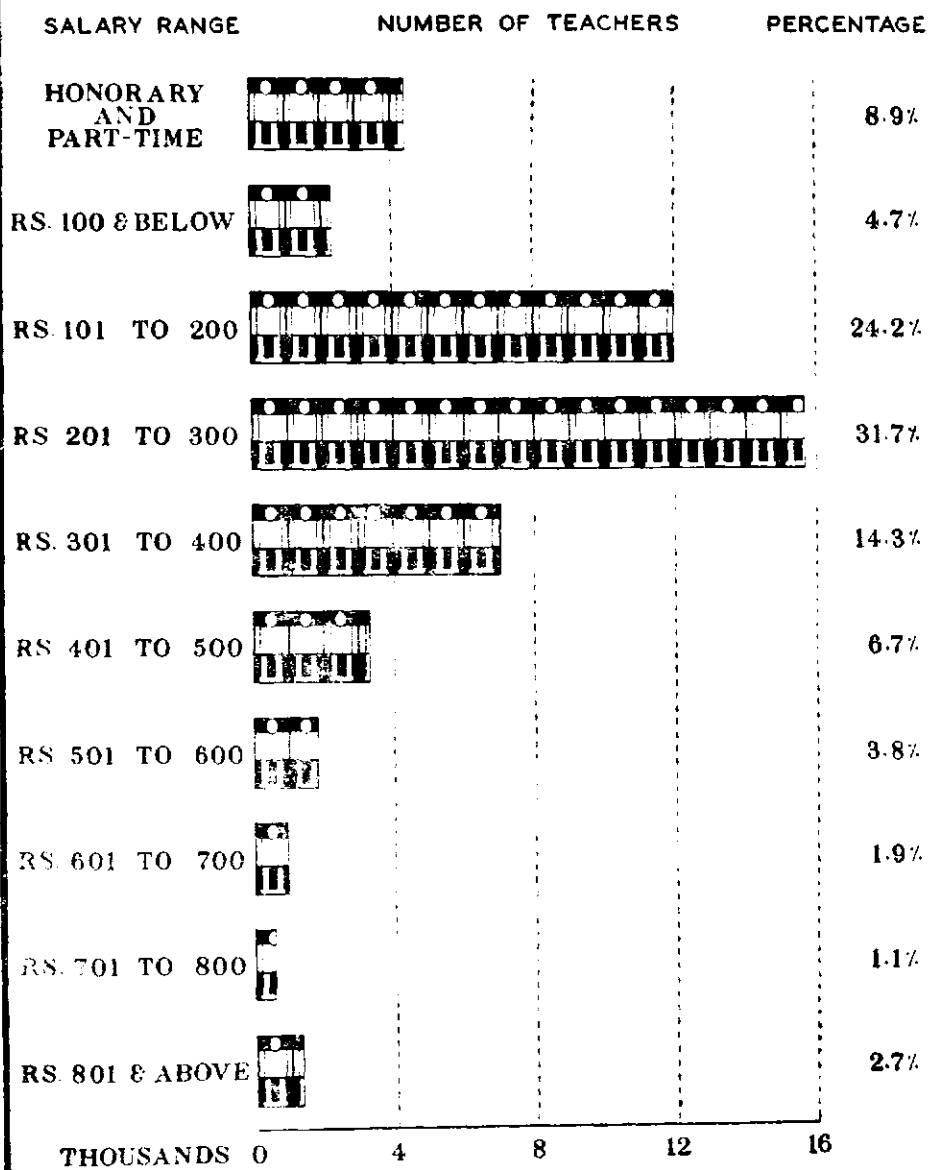

Table X gives the distribution of teachers (except 4, 412 honorary and part-time) according to salaries drawn by them. For the purpose of this table, salary excludes all allowances. The all-India position can be summed up as under:

Salary-Block	Number	Percentage	Cumulative Percentage
Rs.			
100 and below	2,330	5.2	5.2
101—150	4,271	9.5	14.7
151—200	7,718	17.1	31.8
201—250	9,505	21.0	52.8
251—300	6,212	13.8	66.6
301—350	4,349	9.6	76.2
351—400	2,795	6.0	82.2
401—450	1,781	3.9	86.1
451—500	1,541	3.4	89.5
501—550	1,019	2.2	91.7
551—600	844	1.9	93.6
601—650	578	1.3	94.9
651—700	376	0.8	95.7
701—750	271	0.6	96.3
751—800	291	0.7	97.0
801 and above	1,346	3.0	100.0
Total	45,137	100.0	

From the above table it can be calculated that half the number of teachers received a monthly salary up to Rs. 242.9 p.m. and that only 10.4 per cent of the teachers received a salary exceeding Rs. 500 p.m.

Examination Results

During the year 1960, 8,31,651 candidates (6,89,603 boys and 1,42,043 girls) appeared in various post-Matriculation annual and supplementary examinations, of whom 3,71,857 (3,02,534 boys and 69,323 girls) came out successful. This gives a pass percentage of 44.7 (43.9 per cent for boys and 48.8 per cent for girls). Corresponding figures for the previous year (1959) are: number appeared 7,59,954 (6,35,960 boys and 1,23,994 girls), number passed 3,51,272 (2,87,231 boys and 64,041 girls) and pass percentage 46.2 (45.2 per cent for boys and 51.6 per cent for girls). The break-up of passes at various levels is given below:

Girls constituted 17.0 per cent of the candidates who appeared in the various post-Matriculation examinations conducted by Universities and Boards. Pass percentage among girl students was 18.8 during the year as compared to 51.6 in the previous year. Of the 28,581 degrees awarded to girl students, 24,176 were Bachelor's degrees, 4,320 post-graduate degrees and 85 doctorate degrees. The break-up of Bachelor's degrees awarded to girls students was as follows: Arts 15,251; Science 3,104; Home Arts/Home Science 278; Music and Fine Arts 10; Oriental Learning 6; Agriculture 15; Commerce 114; Education or Teachers' Training 4,461; Engineering and Technology 10; Law 174; Library Science 2; Medicine 745 and Veterinary Science 6.

Similar break-up for postgraduate degrees was: Arts 3,615; Science 446; Home Science 3; Music 5; Social Work 30; Agriculture 2; Commerce 9; Education Teachers' Training 135; Law 4; Library Science 1 and Medicine 70.
