NATIONAL RESOURCES PLANNING BOARD

PUBLICATIONS¹

GENERAL

NATIONAL PLANNING BOARD REPORT 1933-34. Published August 1, 1934, and issued November 18, 1934. "A Plan for Planning." Final report of the National Planning Board. 25 cents.

NATIONAL RESOURCES BOARD REPORT. Published December 1, 1934, issued December 18, 1934, and submitted to the President in accordance with Executive Order No. 6777, June 30, 1934. A report on national planning and public works in relation to natural resources and including land use, and water and mineral resources, with findings and recommendations. \$3.25 (cloth-bound).

Prices for the separate paper-covered parts are: PART I, REPORT OF THE BOARD, 25 cents; PART II, LAND REPORT, 35 cents; PART III, WATER RESOURCES, \$1 PART IV, MINERAL POLICY (out of print); and PART V, REPORT OF THE BOARD OF SURVEYS AND MAPS, 20 cents.

PROGRESS REPORT WITH STATEMENTS OF COORDINATING COMMITTEES. June 15, 1936. 25 cents.

PROGRESS REPORT—1937. October 1937. 10 cents.

PROGRESS REPORT—1938. December 1938. 15 cents.

PROGRESS REPORT—1939. June 1939. 35 cents.

TECHNOLOGICAL TRENDS AND NATIONAL POLICY. June 1937.

The first major attempt to show the kinds of new inventions which may affect living and working conditions in America in the next 10 to 25 years. \$1.

OUR CITIES—THEIR ROLE IN THE NATIONAL ECONOMY. June 1937. Transmitted to President Roosevelt. Part One: Facts About Urban America; The Process of Urbanization; The Problems of Urban America. Part Two: The Special Studies of the Urbanism Committee. Part Three: General Policy and Recommendations. 70 cents.

URBAN GOVERNMENT. Volume I of the Supplementary Report of the Urbanism Committee. February 1939. 50 cents.

POPULATION STATISTICS. October 1937. This report is comprised of three values: 1, *National data*, 30 cents; 2, *State data*, 25 cents; 3, *Urban data*, 15 cents.

THE PROBLEMS OF A CHANGING POPULATION. May 1938. Transmitted to President Roosevelt. The major problems of our human resources are discussed in the report, which presents significant data in regard to population trends, age groups, migration within the country, health, education, and other similar questions. 75 cents.

RESEARCH—A NATIONAL RESOURCE. Part I: Relation of the Federal Government to Research. December 1938. 50 cents.

CONSUMER INCOMES IN THE UNITED STATES. Their distribution in 1935-36. August 1938. Transmitted to President Roosevelt. This report presents the first authoritative, broad, national picture of the division of income among the American people. 30 cents.

CONSUMER EXPENDITURES IN THE UNITED STATES. March 1939. Sketches in broad outline a picture of the Nation's consumption in 1935-36. 50 cents.

THE STRUCTURE OF THE AMERICAN ECONOMY. Part I: Basic Characteristics. June 1939. Major aspects of the national economy emphasizing the processes employed to produce useful commodities and services. \$1.00.

THE STRUCTURE OF THE AMERICAN ECONOMY. Part II: Toward Full Use of Resources. A discussion of the problems of full employment of resources and manpower, going beyond questions of structure and into the field of operating characteristics. June 1940. 15 cents.

CAPITAL REQUIREMENTS. A study in methods of analysis of the capital equipment requirements of one segment of the national economy, the iron and steel industry. November 1940. 20 cents.

ENERGY RESOURCES AND NATIONAL POLICY. Report of the Energy Resources Committee to the National Resources Committee (H. Doc. 160, 76th Cong., 1st sess.). January 1939. A report on energy resources in the United States, which includes recommendations for their prudent utilization and conservation in relation to each other and to the national economic structure. \$1.00. (Published by Congress.)

RESIDENTIAL BUILDING. Housing Monograph Series, No. 1. April 1939. This report is the first in a series of four and deals with some of the broader background factors which influence the demand for housing and the methods of supplying this demand. 10 cents.

LEGAL PROBLEMS IN THE HOUSING FIELD. Housing Monograph Series, No. 2. May 1939. Part I, Private Housing Legal Problems. Part II, Legal Aspects of Public Housing. 25 cents.

LAND, MATERIALS, AND LABOR COSTS. Housing Monograph Series, No. 3. July 1939. Part I, LOCATION FACTORS IN HOUSING PROGRAMS; PART II, SITE PLANNING; PART III, THE SIGNIFICANCE OF SMALL-HOUSE DESIGN; PART IV, BUILDING MATERIALS AND THE COST OF HOUSING; PART V, LABOR AND THE COST OF HOUSING; and PART VI, BUILDING REGULATIONS AND THE HOUSING PROBLEM. 80 cents.

STATE PLANNING

STATE PLANNING—A REVIEW OF ACTIVITIES AND PROGRESS. June 1935. Shows the growth of State planning and the value and importance of State responsibility for planning endeavor. 75 cents.

STATE PLANNING, PROGRAMS, AND ACCOMPLISHMENTS. December 1, 1936. Out of print.

THE FUTURE OF STATE PLANNING. March 1938. Transmitted to President Roosevelt. A report by a special review group on "what State planning boards might become" and a discussion of the most suitable methods for their advancement. 25 cents.

¹ Unless otherwise stated, copies of the publications of the National Resources Planning Board and its predecessors may be obtained from the Superintendent of Documents, Government Printing Office, Washington, D. C., at the prices quoted.

Publications

STATE CONSERVATION OF RESOURCES. January 1939. Trends in the growth of State conservation of land, water, mineral, and human resources in terms of governmental functions, structures, and techniques of control. 15 cents.

REGIONAL PLANNING

REGIONAL FACTORS IN NATIONAL PLANNING AND DEVELOPMENT. December 1935. Deals with important problems of planning and development which overlap State lines or which involve Federal and State or local interests and jurisdictions. 50 cents.

REGIONAL PLANNING, PART I—PACIFIC NORTHWEST. May 1936. This, the first of a series of reports on regional planning, deals with immediate and urgent problems in the Columbia Basin and particularly with the policies and organization which should be provided for planning, construction, and operation of certain public works in that area, Bonneville and Grand Coulee Dams in particular. 50 cents.

REGIONAL PLANNING, PART II—ST. LOUIS REGION. June 1936. Out of print.

REGIONAL PLANNING, PART III—NEW ENGLAND. July 1936. Out of print.

REGIONAL PLANNING, PART IV—BALTIMORE-WASHINGTON-ANNAPOLIS AREA. November 1937. Published by the Maryland State Planning Commission, Baltimore, Maryland. 40 cents.

REGIONAL PLANNING, PART V—RED RIVER OF THE NORTH. August 1937. Transmitted to President Roosevelt. 25 cents.

REGIONAL PLANNING, PART VI—UPPER RIO GRANDE. February 1938. A report on the Rio Grande Joint Investigation in the Upper Rio Grande Basin in Colorado, New Mexico, and Texas, 1935-37. This report furnishes a sound factual basis for an apportionment of the waters of the Rio Grande above Fort Quitman that would be fair to each of the States concerned. 2 vols., text and maps. \$3.50.

REGIONAL PLANNING, PART VII—ALASKA, ITS RESOURCES AND DEVELOPMENT. December 1937. Prepared by the Alaska Resources Committee in accordance with a congressional resolution and submitted to President Roosevelt. 50 cents.

REGIONAL PLANNING, PART VIII—NORTHERN LAKES STATES. May 1939. Report of the Northern Lakes States regional committee to the National Resources Committee. A report on conditions in the cut-over area of Minnesota, Michigan, and Wisconsin. 25 cents.

FOREST RESOURCES OF THE PACIFIC NORTHWEST. March 1938. Transmitted to President Roosevelt. 25 cents.

PUBLIC WORKS

PUBLIC WORKS PLANNING. December 1, 1936. Transmitted to Congress by President Roosevelt on February 3, 1937. A report recommending a proposed policy for planning, programming, timing, and division of costs of public works, including a report on "Drainage Basin Problems and Programs." 80 cents.

ECONOMICS OF PLANNING PUBLIC WORKS, by John Maurice Clark, professor of economics, Columbia University. 1935. Presents a part of the research work carried on by a staff serving under the National Planning Board to answer the question: How may public works be so handled as to contribute as much as they can to industrial stability? 25 cents.

PUBLIC WORKS IN PROSPERITY AND DEPRESSION, AND THEIR UTILIZATION AS AN AGENCY OF ECONOMIC STABILIZATION, by Arthur D. Gayer. September 23, 1935. This volume is a revised version of the official report made to the National

Planning Board by Dr. Gayer in June 1934. Obtainable only at the National Bureau of Economic Research, 1819 Broadway, New York City. Price, \$3.00.

THE ECONOMIC EFFECTS OF THE FEDERAL PUBLIC WORKS EXPERIENCE, 1933-1938. September 1940. A report summarizing the experience of the Federal Government gained during the last decade in its efforts to use public construction as a partial offset to unemployment, and idle capital, equipment and materials. 25 cents.

LAND PLANNING

SUPPLEMENTARY REPORTS OF THE LAND PLANNING COMMITTEE, 1937. Incorporating the basic data and information collected in preparing part II of the National Resources Board report of December 1934. There are 11 reports printed separately and available at the office of the Superintendent of Documents.

FARM TENANCY. February 1937. A report of the President's Committee on Farm Tenancy, prepared under the auspices of the National Resources Committee. 30 cents.

FUTURE OF THE GREAT PLAINS. December 1936. A report of the Great Plains Drought Committee, with a study of characteristics of the area, and a proposed program of readjustment and development. 40 cents.

WATER PLANNING

DEVELOPMENT OF THE RIVERS OF THE UNITED STATES. (H. Doc. 395, 73d Cong., 2d sess.) 1933. A message from the President of the United States transmitting a preliminary report on a comprehensive plan for the improvement and development of the rivers of the United States. 80 cents.

REPORT OF THE MISSISSIPPI VALLEY COMMITTEE. Dated October 1, 1934, and issued December 23, 1934. A plan for the use and control of water within the Mississippi Drainage Basin. \$1.50.

DRAINAGE BASIN PROBLEMS AND PROGRAMS. December 1, 1936. Represents the first attempt through joint efforts of Federal, State, and local agencies, official and unofficial, to formulate a national water plan. \$1.50.

DRAINAGE BASIN PROBLEMS AND PROGRAMS—1937. February 1938. A revision and extension of the initial report published in December 1936. 65 cents.

DEFICIENCIES IN BASIC HYDROLOGIC DATA. September 1936. A report of the Water Resources Committee which proposes remedies for current deficiencies in hydrologic data essential for sound water conservation. 30 cents.

DEFICIENCIES IN HYDROLOGIC RESEARCH. March 1940. A guide for the use of research workers engaged in hydrologic or related investigations, and a review of major deficiencies in current research practices. 25 cents.

WATER POLLUTION IN THE UNITED STATES. Third Report of the Special Advisory Committee on Water Pollution (H. Doc. 155, 76th Cong., 1st sess.). April 1939. A message from the President of the United States transmitting a report on water pollution in the United States, which outlines the status of pollution, the cost of bringing about a reasonable degree of abatement, and the financial, technical, and administrative aspects of such a program. 25 cents.

LOW DAMS—A MANUAL OF DESIGN FOR SMALL WATER STORAGE PROJECTS. March 1939. Prepared by the subcommittee on small water storage projects of the Water Resources Committee of the National Resources Committee. A manual containing instructions, standards, and procedures intended to serve as a guide to safe practice in the design of small water-storage projects and appurtenant structures. \$1.25.
