www.gipe.ac.in
About GIPE: Gokhale Institute of Politics and Economics (GIPE), Pune, is one of the oldest research and teaching institutes in Economics in India. Although primarily a research Institute, in recognition of the eminent and sustained contribution to teaching, training and research in Economics since its inception and its potential to emerge as a centre of excellence in the field of teaching and research in Economics, the University Grants Commission, granted to the Institute the status of a Deemed to be University on May 9, 1993. GIPE offers three master programs in the domain of Economics i.e., M.Sc. in Economics, Financial Economics and Agribusiness Economics.

About TIES: The Indian Econometric Society (TIES) is a registered society under Public Societies Registration Act, formed in 1960. It is one of the oldest and largest body of professional econometricians and quantitative economists with more than 2000 members from all over India and abroad. TIES organises annual conference where experts from all over India and abroad participate and deliberate on various issues.

About the Workshop: The aim of the workshop is to bring together researchers, faculty, econometricians, and doctoral students that are interested in or working on panel data. It aims to provide developments in theoretical and empirical panel data econometrics. The programme will be delivered by reputed econometricians from TIES using relevant software.

Targeted Participants: The workshop is for faculty members, research scholars, and participants from corporate world, who focused on applying latest analytical tools in Panel Econometrics. A maximum of 30 participants will be shortlisted.

Date: 7th - 9th January, 2015

Venue: Seminar Hall, Gokhale Institute of Politics and Economics, Pune

Workshop Fee: INR 1500 (for Faculty/ Research Scholars/Corporates)
