PREFACE TO THE FIRST EDITION.

THIS, the first Volume of Local Rules and Orders, contains Rules and Orders applying exclusively to Bombay* and made under (A) Statutes and (B) General Acts of the Governor General of India in Council.

2. The second Volume will contain similar Rules and Orders made under (C) Bombay Regulations, (D) Local Acts of the Governor General in Council, (E) Acts of the Local Council, and (F) Regulations made under the Statute 33 Vict., Chapter 3.

3. All these Rules and Orders have been for the most part collected from the *Bombay Government Gazette* and the *Sind Official Gazette*, and are arranged in the chronological order of the enactments under the authority of which they were made.

4. The Government of India intend to publish a collection of General Rules and Orders made under Enactments applying to the whole of British India, and will also include therein Rules and Orders applicable to more than one province. Such a collection, when published, will form a Supplement to the General Acts of the Governor General of India in Council published by the Legislative Department of the Government of India.

5. These Volumes of Local Rules and Orders are intended to be Supplements to the Bombay Code published by the same authority, and the Rules and Orders herein contained have the force of law, as made under the authority of some Enactment of the Legislature and therefore deriving such force from that Enactment.

6. The first Volume has been prepared from the following materials :—

- (1) List 6 (a) and 6 (b) of Chapter IV of the Lists of Enactments in force in British India, revised up to the 1st March 1834, by Mr. J. M. Macpherson.

* *i. e.*, the territories under the administration of the Governor of Bombay in Council.

- (2) Lists of corrections in the above Lists made by the Government of Bombay.
- (3) Notifications *in extenso* referred to in the above Lists (1) and (2) and Notifications issued since the lists were published.

7. Several Notifications which ought to have been, but were not, included in the Lists, have been inserted in this Volume, and every attempt has been made to bring out a correct edition of Local Rules and Orders.

8. The following sets of Rules and Orders are excluded from this Volume :—

- (1) Rules and Orders made by the High Court of Bombay under its Letters Patent, and those made by the Bombay High Court and the Judicial Commissioner in Sind under the Codes of Civil and Criminal Procedure, the proper place for these Rules and Orders being compilations issued under the authority of the High Court, and the Judicial Commissioner in Sind respectively.
- (2) Rules and Orders made under Enactments relating to Merchant Shipping, it being the intention of the Government of India in the Legislative Department to compile a separate collection of such Rules and Orders.
- (3) Such of the Rules and Orders as are published separately in Departmental Manuals.
- (4) Rules and Orders under the Registration Act, as they will be collected by the Registration Department in a separate publication.
- (5) Rules under the Cantonment Act, as they will be superseded by the new Code of Cantonment Regulations, which, when passed, will be published separately by the Government of India in book form.
- (6) Such Rules and Orders as are of too little general importance for publication in the collection.

All the Rules and Orders, excluded as above, are noted for ready reference in the List prefixed to the Volume.

9. Rules and Orders of a temporary nature, and Orders conferring powers on officials and others personally by name, or licenses to individual Ministers to celebrate marriages are omitted.

10. In reprinting Notifications in this Volume matter superseded has been omitted, explanatory notes (referring to superseding Notifications) being inserted. In case of minor amendments or corrections, they have been made in the Notifications themselves with explanatory foot-notes. Notifications under repealed Acts kept alive by repealing Enactments are inserted under the latter Acts with appropriate foot-notes.

11. A short alphabetical index is printed at the close of the Volume.

5th December 1896.
