Acknowledgments

Grateful acknowledgment is made of the assistance of the business managers and office assistants of the six health associations whose activities are the subject of this study. Detailed and accurate reports of services, charges, and payments submitted monthly by these offices have provided the main sources of data used. Material assistance was also rendered by Miss Ruth Bunker, Miss Leah Resnick and Miss Doris Carroll in the preparation of the tables and graphs incorporated in the study.

Valuable contributions were also made by Dr. F. D. Mott, Chief Medical Officer of the Farm Security Administration, and members of his staff. Dr. R. C. Williams and Dr. S. D. Collins of the U. S. Public Health Service, who read the manuscript and made helpful suggestions for its improvement.
