## PREFATORY NOTE

---

This volume contains the letters received at Fort St. George, during the year 1712 and is the thirteenth in the series of records known as "Letters to Fort St. George."

The original manuscript volume is not complete as a few letters at the beginning and at the end are missing. Unfortunately these gaps could not be filled in, as the India Office does not possess copies of the missing letters.

The manuscript volume has been mended and is in a fair state of preservation.

EGMORE,  
28th July 1932.

P. MACQUEEN,  
*Curator, Madras Record Office.*
