PREFATORY NOTE

THIS booklet consists of addresses delivered during November 1929. The first address was given before the Royal Scottish Geographical Society at Edinburgh and Glasgow on 21 and 22 November. The second, third, and fourth were the Rhodes Memorial Lectures delivered in the Sheldonian Theatre at Oxford on the 2, 9, and 16 November. The fifth is a speech made at a meeting of the League of Nations Union in the Guildhall, London, on 14 November to celebrate the tenth anniversary of the League. And the sixth was delivered as the Sidgwick Memorial Lecture in Newnham College, Cambridge, on 30 November.
