PREFACE.

This Gazetteer of the Tanjore district has been prepared on a plan prescribed by Government according to which statistics have been relegated as far as possible to a separate Appendix which is to be decennially revised. Under orders, the Arantangi division, which it is intended to separate from the district, has been excluded from consideration.

The original 'District Manual,' written by Díwán Bahádúr T. Venkasvami Rao, was published in 1883. I desire to express my great obligations to that elaborate and accurate volume, which has been of very great service.

I have gratefully acknowledged help from many quarters. The account of the early history is based almost entirely on information supplied by Rai Bahádúr V. Venkayya, M.A., the Government Epigraphist, whose kindness in reading and correcting my drafts and answering my questions I cannot too warmly acknowledge. The district officials have all given me their ready and cordial assistance, and so have many European and Indian residents of the district. In particular I desire to gratefully acknowledge the help I have received from the Rev. W. H. Blake, Mr. A. L. Morin, Mr. K. S. Srinivasa Pillai, Mr. T. M. Nallasvami Nayudu, Mr. C. T. H. Johnson, I.C.S., Mr. A. Banerji, I.C.S., Lt.-Col. Hakim, I.M.S., Mr. C. N. Subrahmanya Aiyar, Mr. H. S. Duncan, the Rev. A. H. Davey, Mr. B. W. B. T. Flemyng, Mr. F. Cardozo and Mr. F. D. P. Oldfield, I.C.S. All those gentlemen have generously placed at my disposal their personal experience as well as the records of their offices, and have materially assisted me in writing this Gazetteer. I must thank the Collector, Mr. R. F. Grimley, I.C.S., for placing his records at my disposal, and his Personal Assistant, Mr. M. Arumugam Pillai, for the most constant and generous help in every way. I have also to thank Mr. E. Thurston, Mr. H. Moberly, I.C.S., Mr. C. Benson, Mr. A. Krishnasvami Aiyangar and Mr. L. Davidson, I.C.S., for reading the proofs and for many valuable suggestions.
