PREFACE.

THE old Gazetteer of Lucknow, which formed a portion of the Gazetteer of the Province of Oudh, was largely taken from the Settlement Report of Mr. H. H. Butts, and consequently followed the arrangement of that volume—a most valuable compilation, although necessarily out of date. The present work is wholly original in form and almost equally so in matter. The district is the smallest of the United Provinces, but at the same time one of the most important. The task of compilation has been rendered easier by the ready assistance given me by Mr. J. Hope Simpson, I.C.S.; Mr. C. H. Berthoud, I.C.S., who contributed notes on Lucknow City, and Mr. L. M. Jopling, I.C.S.
