NOTE

•All the states in Central India except the small state of Makrai in Bhopal Agency proceeded to full tabulation. The enumeration and tabulation of Makrai State was done by the Census Superintendent for Central Provinces and Berar.

2. For purposes of tabulation the whole area was divided into four parts handled by the Census officers of Indore, Rewa and Bhopal and by a special appointment for Bundelkhand. All these officers worked under the direct control of the Census Commissioner for India. The Indore census officer directed the tabulation of the Malwa Agency, Dewas (Senior and Junior) and Rajgarh states in Bhopal Agency in addition to his own charge. The Bhopal census officer conducted the tabulation of the remaining states in Bhopal Agency. Rewa did its own tabulation. A member of the Central India census office at the enumeration stage was appointed Deputy Superintendent in charge of the operations for the Bundelkhand states.

3. As a measure of economy only the tables prescribed by the Government of India for the limited tabulation *viz.*, Tables I-V, XIII and XIV are printed in this volume. When the Government of India resume tabulation and print the full materials for the Provinces and all-India, a similar volume for Central India will also be printed. Most of the states however are printing all the tables at their own expense.
