GOVERNMENT OF INDIA PRESS : 1941

## NOTE.

Under Section 67 A(3) of the Ninth Schedule of the Government of India Act 1935, the proposals of the Governor-General in Council for the appropriation of revenue or moneys relating to all heads of expenditure other than those exempted by that section have to be submitted to the vote of the Legislative Assembly in the form of Demands for Grants. Rule 44 of the Indian Legislative Rules lays down that, subject to the discretion of the Finance Member, a separate Demand shall ordinarily be made for each Department of Government and that each Demand shall contain, first, a statement of the total grant proposed, and then a statement of the detailed estimate under each grant divided into items.

2. This volume contains the Demands for Grants of the Central Government other than those relating to Railways. It contains also the estimates relating to the heads of expenditure which in accordance with section 67 A(3) in the Ninth Schedule to the Government of India Act, 1935, are not submitted to the vote of the Legislative Assembly. Non-voted expenditure is shown in italics. The Demands for 1941-42 have been revised and reduced in size as a measure of economy with the concurrence of the Auditor-General and the Public Accounts Committee. Un-necessary details have been omitted but in addition to the details of the actuals and estimates by sub-heads an annexure has been added to each Demand showing by important categories the details of the provision under Pay of Officers and Pay of Establishments. The details of the Demand relating to Posts and Telegraphs and the non-voted appropriations relating to Defence Services and Payments to the Crown Representative are given in separate volumes.

3. A separate Demand is submitted in respect of expenditure controlled by the head of each of the centrally administered areas. Other expenditure relating to such areas is included in the relevant Subject Demands, but is also mentioned after the summary of the Area Demand.

4. Important items of new expenditure in the budget for 1941-42 are mentioned in footnotes to the Demands.
