CONTENTS

PARAGRAPH	INTRODUCTION	PAGE
1	Previous Censuses	xxvii
2	Volumes of the Report	xxvii
3	Census Operations—Procedure	xxviii
4	Salient Feature of the 1951 Census	xxxii
5	The nature and scope of the present Census Report	xxxv
6	Some difficulties in conducting the 1951 Census	xxxvi
7	Acknowledgment	xxxvii

CHAPTER I—GENERAL POPULATION

SECTION I—PRELIMINARY REMARKS

1	Scope of the Report	1
2	Changes in Area	2
2A	Changes in the areas of Individual Districts	3
3	Difference in Area Figures of A and E Series Explained	5
4	Difference between Actual Area and Censused Area in Assam	5
5	The Enumerated Population	6
6	Accuracy of the Census	7
6A	Need for a scheme of Sample Verification	8
6B	The Indian Scheme of Sample Verification—its nature and scope	8
6C	Application to Assam, Tripura and Manipur	8
6D	Results revealed by the Sample Verification	9
7	Natural Divisions	14
7A	The All India Scheme of Union Population Zones, Natural Regions, Sub-Regions and Divisions	14
7B	Assam, Tripura and Manipur in the All India Scheme	15
7C	Past Practice regarding Assam	15
7D	Causes of the present two-fold division	15
7E	New and Old Scheme of Natural Divisions in Assam compared	15
7F	Manipur and Tripura	16
8	Climate, Soil and Geology	16
9	Political Divisions	16

PARAGRAPH	PAGE
9A Part A Tribal Areas—Autonomous Districts	17
10 Rural Panchayats in Assam	19
11 Reference to Statistics	20
SECTION II—GENERAL DISTRIBUTION AND DENSITY	
12 Area and Population of Assam compared with other States	21
13 Area and Population of Manipur and Tripura compared with other Part “C” States	22
14 Distribution of Area and Population in the Natural Divisions	22
15 Distribution of Area and Population by districts	23
16 Density of Assam and its Natural Divisions	24
16A Density of Assam	24
16B Density in the Natural Divisions of Assam	25
16C Assam Plains	25
16D Ever increasing density	26
16E The density of Assam compared with that of some other countries	26
16F Density of Manipur and Tripura	26
17 District density	26
18 Distribution of Population by Thana density in Assam	27
19 Distribution of population by Thana density in natural divisions	28
SECTION III—GROWTH	
20 Growth of Population in Assam during the last 50 years	29
20A Growth of Manipur and Tripura	29
21 Assam Growth figures require some adjustment	30
22 Causes of the tremendous growth of Assam’s population during the last 50 years	31
23 Conditions of the decade (1941-51)	32
24 Mean Decennial Growth Rates of Assam and some other States of India compared	38
24A Percentage Rates of Increase of Assam, and Part ‘A’ States of India	39
24B Percentage Rates of Increase of Assam, and some countries of the World	39
24C Manipur	39
24D Tripura	40
25 Growth of population in Natural Divisions of Assam	40
26 Mean Decennial Growth in Natural Divisions	40
27 Break-up of Total Growth by Districts	41
28 Growth of population in districts including their Mean Decennial Growth Rate	41
29 Goalpara	41
30 Kamrup	43
31 Darrang	45
32 Nowgong	46
33 Sibsagar	48
34 Lakhimpur	49
35 Cachar	50
36 United Khasi and Jaintia Hills district	52
37 Naga Hills	54
38 Lushai Hills	55
39 Garo Hills	56
40 United Mikir and North Cachar Hills	57
41 N. E. F. A. Areas	58

SECTION IV—MIGRATION

42	Statistics of movement	59
43	Types of migration	59
44	Migration distinguished in terms of direction	61
45	General character of the population of Assam	61
45A	General character of the population of Manipur and Tripura	62
46	Internal Migration	62
46A	Migration within the district	62
47	Low Mobility of Population	64
48	Some causes of low mobility of Assam's Population	64
49	Migration in Manipur	65
50	Migration in Tripura	65
51	Internal Migration	65
52	Migration from other Parts of the State	66
53	Internal movements between the Natural Divisions	66
54	Immigration—General	66
55	Immigration from adjacent States in India	66
56	Immigration from non-adjacent States	67
57	Tea Garden Labour Immigration	67
58	Tea Garden Labour Immigration-Non-census data	69
59	Foreign Born People	71
60	Muslim Immigrants from East Bengal	71
61	The course of Muslims immigration into Assam	71
61A	Results of Muslim immigration	77
62	The immigration of Hindu refugees from Pakistan	79
63	The Nepali immigrants	79
64	Emigration—General	80
65	Emigration of Muslims to Pakistan	80
66	Balance of migration	81
66A	Net Migration into Assam	82

SECTION V—NATURAL INCREASE : BIRTHS AND DEATHS

67	Reference to Statistics and their accuracy	83
68	The birth rate of Assam Plains Division	84
69	Decennial Birth Rates (1901-1950)	84
70	Birth rate of Assam compared with those of some Indian States and other countries	85
71	Causes of declining birth rate	85
71A	Age Structure of Population	85
71B	Total number of Births	86
71C	Number of married persons	87
71D	The effect of death rates specific on the birth rates	87
71E	Fertility of Women	87
71F	Opposing Factors	88
71G	The effect of other factors on the birth rate	88
72	The Mean Age	89
73	Death Rate of Assam Plains 1921-50	89
74	Decennial Death Rate	90
75	Infant mortality in Assam Plains	90
76	Distribution of deaths in different age groups of Assam Plains	90
77	Causes of the tremendous decline in the death rate	91
78	Control of epidemics and of diseases	91

PARAGRAPH	PAGE
78A Plague	92
78B Small-pox	92
78C Cholera	92
78D Kala-Azar	92
78E Malaria	93
78F Tuberculosis	94
78G Survey of progress of Tuberculosis treatment in Assam	95
79 Causes of High Mortality Rates	95
80 The Natural Increase	97
81 Natural Increase—Annual Rates (1921-50)	98
82 Decennial Rates of Natural Increase	99
83 Census growth and Natural Increase compared	99
84 More about Birth and Death rates (Mean Decennial)	99
84A Mean decennial birth rates (1921-50)	99
84B Mean Decennial Death Rates (1921-50)	100
84C Mean decennial rates of Natural Increase	100
85 Migration-cum-Registration Error	100
86 Growth of population finally explained	101
87 Trend of Natural Increase for 1951-60	101

SECTION VI—LIVELIHOOD PATTERN

88 Eight Livelihood Classes	101
89 Livelihood Pattern of Assam and its Natural Divisions	102
90 Livelihood Pattern of Assam compared with that of Part 'A' States	102
91 Agricultural Classes in Assam	103
91A Livelihood Class I—Owner-Cultivators	103
91B Livelihood Class II—Cultivating tenants	103
91C Livelihood Class III—Agricultural Labourers	104
91D Livelihood Class IV—Non-cultivating Owners of Land and Agricultural Rent-receivers	104
92 Non-Agricultural Classes	104
92A Livelihood Class V—Production other than cultivation	104
92B Livelihood Class VI—Commerce	105
92C Livelihood Class VII—Transport	105
92D Livelihood Class VIII—Other Services and Miscellaneous Sources	105
93 Livelihood Pattern of General Population in Natural Divisions	105
94 Salient Features of the Livelihood Pattern of Assam Districts	106
95 Livelihood Pattern of Manipur	108
96 Livelihood Pattern of Tripura	108
96A Livelihood pattern at the past censuses	108
97 Livelihood pattern of Immigrants	109
98 Livelihood pattern of displaced persons	109

SECTION VII—CONCLUDING REMARKS

99 Density	110
100 Growth of Population	110
101 Factors affecting growth	110

CONTENTS

v

PARAGRAPH	PAGE
102 Future trends for 1951-60	111
103 Need for Family Planning	111
103A Need for controlling immigration	114
104 Need for Economic Development and Progress	114
105 Different Population Theories.. .. .	116
106 Economically desirable population	117

CHAPTER II—RURAL POPULATION

SECTION I—PRELIMINARY REMARKS

107 Utility of rural and urban statistics	118
108 Definition of " Rural " and " Urban " areas	118
109 Villages in ancient India	120
110 Villages to-day	121
111 Reference to Statistics	122

SECTION II—GENERAL DISTRIBUTION OF AND DISTRIBUTION AMONG VILLAGES CLASSIFIED BY SIZE OF RURAL POPULATION

112 General distribution of rural population	123
113 Number of Villages	123
114 Average population per Village	124
115 Four groups of Villages	124
115A Very large Villages	124
115B Large Villages	125
115C Medium Villages	126
115D Small Villages	126
116 Pace of urbanisation	126
117 Rurality of Assam compared with other States of India	126
118 Density of Rural Population	127
119 General Distribution of Rural Population of Manipur	128
120 General Distribution of Rural Population of Tripura	128

SECTION III—GROWTH

121 Growth of Population, Total and Percentage, of Rural Assam during last 50 years	129
122 Increase of Rural Population, Total and Percentage, in the Natural Divisions	130
122A Assam Plains	130
122B Assam Hills	130

SECTION IV—MOVEMENT

123 Immigration into Rural Assam	131
124 Immigration in the Natural Divisions	131

PARAGRAPH		PAGE
SECTION V—NATURAL INCREASE—BIRTHS AND DEATHS		
125	Mean Decennial Birth and Death Rates in Assam Plains Rural	133
126	Natural Increase, Actual and Percentage, in Assam Plains Rural	134
127	Census growth and natural increase in Assam Plains Rural	134
128	Migration-cum-Registration Error	135
SECTION VI—LIVELIHOOD PATTERN		
129	Livelihood Pattern of Urban Assam	135
130	Livelihood Pattern in Natural Divisions	136
131	Salient features of Livelihood Pattern in districts	137
132	Livelihood Pattern of Rural Manipur and Tripura	137
133	Districts with large percentage of people in Livelihood Class V (Production other than cultivation)	138
SECTION VII—CONCLUDING REMARKS		
134	Assam lives in its villages	138
135	Growth of rural population	139
136	Factors affecting growth	139
137	Future trends for 1951-60	140
138	The economic outlook	140
139	Imperative need for rural reconstruction	141
140	Community Development Projects	143
CHAPTER III—URBAN POPULATION		
SECTION I—PRELIMINARY REMARKS		
141	Introductory	145
142	Definition of towns in Assam	145
143	Reference to Statistics	146
SECTION II—GENERAL DISTRIBUTION AND DISTRIBUTION AMONG TOWNS CLASSIFIED BY SIZE OF URBAN POPULATION		
144	General Distribution of Urban Population in Assam and Natural Divisions ..	147
145	General Distribution of Urban Population in Manipur and Tripura ..	148
146	Urban Density	148
146A	Average population per town in Assam	148
147	Six Classes of Towns	149
147A	Class III—20,000 to 50,000	149
147B	Class IV—1,000 to 20,000	149
147C	Class V—5,000 to 10,000	149
147D	Class VI—Under 5,000	149

PARAGRAPH

PAGE

SECTION III—GROWTH

148	Variation in urban population during the last 50 years	150
149	Growth of Urban Population in last 50 years	150
150	Percentage rate of growth of Urban Population	151
150A	Mean Decennial Growth Rate	151
150B	Percentage increase of Urban Population in individual districts	151
151	Growth of towns of different classes	151
152	Growth of individual towns	152
153	Growth of towns and displaced persons	153

SECTION IV—MOVEMENT

154	Immigration into Urban Assam	153
155	Immigration into urban areas of the Natural Divisions	154
156	Migration from rural into urban areas	154

SECTION V—NATURAL INCREASE—BIRTHS AND DEATHS

157	Birth Rate	156
158	Death Rate	156
159	Natural Increase	156
160	Census Growth and Natural Increase in Assam Plains Urban	157
161	Migration-cum-Registration Error	157

SECTION VI—LIVELIHOOD PATTERN

162	Livelihood Pattern of urban areas of Assam and its Natural Division	158
163	Agricultural Classes in Towns	158
164	Non-Agricultural Classes in Towns	158
165	Livelihood pattern of urban Manipur and Tripura	159
166	Salient Features of Livelihood Pattern of Urban Areas in Districts	160
167	Proportion of each Livelihood Class in Towns	161
168	Livelihood Pattern of Urban Assam compared with that of Urban areas of some Part 'A' States	161

SECTION VII—CONCLUDING REMARKS

169	General Distribution—Extremely slow pace of urbanisation	162
170	Growth of Urban Population	162
171	Factors affecting growth	162
172	Future trends for the decade 1951-60	163
173	The economic outlook	163
174	Urgent need of controlled development of towns	164

CHAPTER IV—AGRICULTURAL CLASSES

SECTION I—PRELIMINARY REMARKS

175	Indian Census Economic Classification Scheme 1951	165
176	Importance of definitions of terms used	165
177	Reference to Statistics	165
178	Economic Questionnaire	166

PARAGRAPH	PAGE
178A Question 9—Economic Status	166
178B Part II—Employment	167
178C Question 10—Principal Means of Livelihood	168
178D Question 11—Secondary Means of Livelihood	169
179 Further clarification of Economic Questionnaire	169
180 Accuracy of economic data	171
181 Extent of the accuracy of the Census data	172
182 Rectification of an unconscious departure from All India pattern in Livelihood Classes	174
183 Comparison of economic data collected at different Censuses	175
184 Comparison with 1931 classification	176
 SECTION II—AGRICULTURAL POPULATION RATIOS, SELF-SUPPORTING PERSONS AND DEPENDANTS ; SECONDARY MEANS OF LIVELIHOOD OF AGRICULTURAL CLASSES 	
185 Proportion of Agricultural Classes to General Population	177
186 Dependency amongst Agricultural Classes	177
187 Causes of the larger dependency in Assam Plains	178
188 Dependency in Assam compared with Part ' A ' States of India	179
189 Secondary Means of Livelihood of self-supporting persons and Earning Dependants in individual Agricultural Classes compared	179
190 Secondary Means of Livelihood of Working Agricultural Population	180
190A Secondary Means of Livelihood of all Agricultural Classes	181
190B Secondary Means of Livelihood of self-supporting persons of all Agricultural Classes	181
190C Secondary Means of Livelihood of earning dependants of all Agricultural Classes	181
191 Manipur	182
192 Tripura	182
 SECTION III—RELATIVE PROPORTIONS OF DIFFERENT AGRICULTURAL CLASSES : CORRELATED TO DISTRIBUTION OF LAND IN AGRICULTURAL HOLDINGS OF DIFFERENT SIZES 	
193 Relative Proportions of Different Agricultural Classes in Assam and its Natural Divisions	183
194 Results of the 1951 Census compared with those of sample surveys of Darrang and Sibsagar	183
194A Results of the Sibsagar Survey	184
195 Distribution of agricultural holdings by size	185
196 Sub-division and fragmentation of land	185
 SECTION IV—CULTIVATORS OF LAND WHOLLY OR MAINLY OWNED ; AND THEIR DEPENDANTS 	
197 The role of Livelihood Class I in the economic life of Assam and its Natural Divisions	186
198 Primary Economic Status of persons of Livelihood Class I	186
199 Salient features—District-wise	187

PARAGRAPH		PAGE
200	Definition of Earning Dependants	187
201	Secondary Means of Livelihood of Self-supporting persons of Livelihood Class I	187
202	Secondary Means of Livelihood of Earning Dependants	188
203	Almost complete dependence on Agriculture	189
204	Manipur : its owner cultivators	189
205	Tripura : its owner cultivators	189
SECTION V—CULTIVATORS OF LAND WHOLLY OR MAINLY UNOWNED ; AND THEIR DEPENDANTS		
206	The role of Livelihood Class II in the economic life of Assam	190
207	Increasing Sub-tenancy in Assam as revealed by Sample Surveys.. .. .	190
207A	Darrang Sample Survey	190
207B	Sibsagar Sample Survey	191
208	Primary Economic Status of persons of Livelihood Class II	191
209	Secondary Means of Livelihood of self-supporting persons of Livelihood Class II	192
210	Salient features districtwise	193
211	Secondary Means of Livelihood of Earning Dependants of Livelihood Class II	193
212	Manipur—its cultivators of unowned land and their dependants	194
213	Tripura—its cultivators of unowned land and their dependants	194
SECTION VI—AGRICULTURAL LABOURERS AND THEIR DEPENDANTS		
214	The role of Livelihood Class III, in the economic life of Assam	195
215	Primary Economic Status of persons of Livelihood Class III	195
216	Secondary Means of Livelihood of self-supporting persons of Class III	196
217	Secondary Means of Livelihood of earning dependants of Class III	197
218	Plight of Agricultural Labourers	198
219	Manipur—its agricultural labourers and their dependants	198
220	Tripura—its agricultural labourers and their dependants	199
SECTION VII—NON-CULTIVATING OWNERS OF CULTIVABLE LAND, AGRICULTURAL RENT RECEIVERS AND THEIR DEPENDANTS		
221	Place of Agricultural Class IV in the Economic Life of Assam	199
222	Primary Economic Status of persons of Livelihood Class IV	200
223	Secondary Means of Livelihood of self-supporting persons of Class IV	200
224	Secondary Means of Livelihood of Earning Dependants of Livelihood Class IV	200
225	Manipur—its non-cultivating owners of cultivable land, agricultural rent receivers and their dependants	201
226	Tripura—its non-cultivating owners of cultivable land, agricultural rent receivers and their dependants	201
SECTION VIII—ACTIVE AND SEMI-ACTIVE WORKERS IN CULTIVATION		
227	Active and Semi-Active Workers in Cultivation in Assam	202
228	Percentage of Active and Semi-Active Workers in Cultivation	202
229	Salient Features Districtwise	203

CONTENTS

PARAGRAPH		PAGE
230	Distribution of Active and Semi-Active Workers in different Agricultural Livelihood Classes	204
231	Salient Features Districtwise	204
232	Total number of effective active workers in Agriculture	205

SECTION IX—PROGRESS OF CULTIVATION CORRELATED TO GROWTH OF GENERAL POPULATION

233	Introductory	206
234	Average Net Area sown, 1921-51	206
235	Increase, Total and Percentage in net area sown during last 30 years	206
236	Average net area sown more than once 1921-51	207
237	Average net area irrigated	208
238	Average area irrigated more than once	209
239	Review of agricultural statistics	210
240	Components of cultivated area per capita 1921-51	211
241	Components of cultivated area per capita—salient features districtwise	212
242	Land area per capita and trend of cultivation per capita during three decades	212
243	Cultivated and cultivable area	213
244	Per capita cultivated area—Districtwise	214
245	Grain production capacity per capita (1921-51)	215
246	Three questions set by the Registrar General, India	215

SECTION X—CONCLUDING REMARKS

247	Abnormal dependence on agriculture	217
248	Surplus agricultural population	218
249	Distribution among Livelihood Classes and Dependency	219
250	Progress of Cultivation	219
251	Rehabilitation of Agriculture	220
252	Protective foods	225
253	The need of controlling population growth	227

CHAPTER V—NON-AGRICULTURAL CLASSES

SECTION I—PRELIMINARY REMARKS

254	Non-Agricultural Classes	228
255	Economically Inactive Persons	228
256	Reference to Statistics	228
256A	Comparability of the statistics with those of the previous Censuses	229
257	Reliability of the Data	229

SECTION II—NON-AGRICULTURAL POPULATION RATIOS, SELF-SUPPORTING PERSONS AND DEPENDANTS ; SECONDARY MEANS OF LIVELIHOOD OF NON-AGRICULTURAL CLASSES

258	Non-Agricultural Population Ratios in Assam	230
259	Non-Agricultural Population Ratios in the Natural Divisions	230
260	Primary Economic Status of Non-Agricultural Classes	231

CONTENTS

PARAGRAPH		PAGE
