FOREWORD

This is one of a series of reports on Economic Controls and Commercial Policies in the Latin American Republics.

Other work in preparation by the Commission relating to trade problems of the American Republics includes a series of reports under each of the following headings: Mining and Manufacturing Industries; Agricultural, Pastoral, and Forest Industries; and Recent Developments in Foreign Trade.

In the preparation of this report the Commission had the services of Grace Roper Bohn, David Lynch, Allyn C. Loosley, and other members of its staff.
