FOREWORD

This is one of a series of reports on Economic Controls and Commercial Policies in the Latin American Republics.

Other work in preparation by the Commission relating to trade problems of the American Republics includes a series of reports under each of the following headings: Mining and Manufacturing Industries; Agricultural, Pastoral, and Forest Industries; and Recent Developments in Foreign Trade.

In the preparation of this report the Commission had the services of David Lynch Allyn C. Loosley, and other members of its staff.
