REVIEW OF THE STANDING COMMITTEE OF THE ADMINISTRATION REPORT OF THE MUNICIPAL COMMISSIONER FOR GREATER BOMBAY FOR THE YEAR 1961-62.

(City).

The Administration Report, submitted by the Municipal Commissioner, gives in detail the working of the various Municipal Departments for the year 1961-62.

Corporation.

2. Shri V. B. Worlikar, was elected Mayor of Bombay for the year under report and continued to hold that office throughout the year. Dr. W. S. Matkar, L.C.P.S. (Bombay), was the Chairman of the Standing Committee, Shri R. K. Ganatra, was the Chairman of the Improvements Committee and Shri P. H. Vora, M.A., LL.B., was the Chairman of the Education Committee for the year under report and they continued to hold their respective offices throughout the year.

Commissioner.

3. Shri M. G. Pimputkar, I.C.S. held the post of Municipal Commissioner upto 27th February 1962, except for the period from 28th October 1961 to 27th February 1962, when he was on leave. Shri S. M. Y. Sastry, M.A., B.L., Deputy Municipal Commissioner (Impts.) was appointed as Acting Municipal Commissioner *vice* Shri M. G. Pimputkar on leave.

Shri M. G. Pimputkar was transferred to Government from 28th February 1962 and Dr. A. U. Shaikh, M.A., Ph.D., I.A.S., was appointed as Municipal Commissioner from the same date and he continued to hold the post till the end of the year.

Finances.

4. The financial transactions have resulted in a surplus of Rs. 43.43 lacs at the end of the year instead of the anticipated surplus of Rs. 60.77 lacs. This was due to the fact that the actual expenditure increased by Rs. 70.06 lacs over the Budget Estimate while the income increased only by Rs. 52.72 lacs over the budgeted amount.

The Standing Committee is happy to note the results of the year's working as revealed by the actuals, do not call for any reasonable criticism although both the income and expenditure have increased substantially which would be quite in keeping with budgetting of an expanding institution like our great City, considering the past experience when the actuals revealed unaccountably high increase in the estimated income and at the same time substantial decrease over the estimated expenditure. Under-estimating income and overestimating expenditure is not a healthy way of estimating in case of any institution and more so of a Civic Body which has to adjust its budget by taxing the citizens at enhanced rates It is only last year that the actuals of income showed an increase of as much as Rs. 1,88.50 lacs over the budgeted amount, whereas there was decrease in the expenditure by Rs. 12.40 lacs. In this context the results of the year under report are noteworthy and deserve compliments for accuracy in Budgetting.

Variation in Income.

5. In preparing the Budget Estimates for the year under report an Opening Cash Balance of Rs. 1,46.18 lacs was estimated. On the final closing of the accounts for the previous year, the actual Opening Balance for the year under report amounted to Rs. 2,02.00 lacs as against Rs. 71.39 lacs for the previous year. The total income budgeted for was Rs. 14,80.20 lacs while the actual realizations amounted to Rs. 15,32.92 lacs (inclusive of Rs. 5 lacs transferred from the B. E. S. & T. Fund) showing an increase of Rs. 52.72 lacs over the budgeted amount and also an increase of Rs. 1,09.49 lacs over the figures of actual income of the previous year, *viz.* Rs. 14,23.43 lacs, exclusive of transfers from the B.E.S. & T. Fund. On the Expenditure Side the amount budgeted for was Rs.14,19.43 lacs whereas the actuals of expenditure were Rs. 14,89.49 lacs as against the previous year's actuals of Rs. 12,88.26 lacs. The anticipated surplus of Rs. 60.76 lacs decreased to a surplus of Rs. 43.43 lacs as against the deficit of Rs. 28.85 lacs and the surplus of Rs. 1,35.16 lacs in the previous year.

A detailed study of the Income Side reveals an increase of Rs. 1,09.49 lacs over that of the previous year (exclusive of transfers from the B. E. S. & T. Fund). The main increases were under General Tax, Town Duties, Grant-in-aid in respect of fines for offences against Law, Miscellaneous, Water Works, Fire Brigade, Licensing, etc., Contribution from Capital Funds and Receipts from Government on account of U. I. P. Tax. The main decreases were under Street Cleansing and Conservancy, Roads and S. W. Drains, etc., Buildings and Land Acquisition and Transfers from the B. E. S. & T. Fund.

Variation in Expenditure.

6. As against the final sanctioned grants (including renewed and additional grants) which aggregated to Rs. 18,60.52 lacs, the actual expenditure amounted to Rs. 14,89,49 lacs, leaving an unexpended balance of Rs. 3,71.03 lacs. Out of this, grants aggregating to Rs. 2,25.39 lacs are being renewed for expenditure during 1962-63 and the balance of Rs. 1,45.64 lacs was allowed to lapse as savings.

The actual expenditure for the year, *viz.*, Rs. 14,89.49 lakhs, compared with that of the previous year, *viz.*, Rs. 12,88.26 lakhs, showed an increase of Rs. 2,01.23 lakhs.

The main increases on the Expenditure side were under Water Works, Museums, Public Health, Roads, S. W. Drains, Fire Brigade, Markets and Contribution to Budgets 'B''D''E' and 'F' and Fines Fund and Pension Fund. The main decreases were under General Supervision, Medical Relief and Education, Mechanical, Buildings and Land Acquisition, Licensing and Gardens and Open Spaces. Additional grants sanctioned during the year aggregated to Rs. 2,81.66 lacs as against Rs. 1,23.93 lacs during the previous year.

The incidence of taxation per head for the year was Rs. 44.57 as against Rs. 43.93, Rs. 44.97 and Rs. 38.88 for the preceding three years.

Loan Funds.

7. The Opening Balance on 1st April 1961 on account of Loan Funds excluding the Trust Funds was Rs. 2,35.12 lakhs. Loans aggregating to Rs. 2,93.78 lakhs were raised during the year.

The total Loan Funds available for expenditure during the year were Rs. 5,28.89 lakhs. Out of this, an amount of Rs. 61.86 lakhs was reserved for the purchase of Capital Stock. The net amount thus available for expenditure during the year was Rs. 4,67.03 lakhs. The total expenditure incurred during the year was Rs. 2,91.00 lakhs leaving a balance of Rs. 1,75.03 lakhs in he Loan Funds at the close of the year.

The actual expenditure amounted to Rs. 2,93.44 lakhs on Capital Works as against the budgeted figure of Rs. 6,35.79 lakhs, the percentage by which actuals fell short of Budget Estimates being 54 as against 63 for the preceding year.

The amount of the new loan proposed in the Budget for 1961-62 was Rs. 500 lakhs. The same was, however, reduced to Rs. 280 lakhs in the revised estimates. A loan of Rs. 55 lacs only was raised by public subscriptions and that of Rs. 2,25 lacs was raised internally. The total amount actually raised to finance the Capital Expenditure including purchase of Plant and Machinery was Rs. 2,93.78 lakhs.

The Balance of the loan of Rs. 2,20 lakhs out of the loan aggregating to Rs. 500 lakhs sanctioned for 1961-62 was allowed to lapse.

Reduction of Debt during the year amounted to Rs. 66.48 lakhs. The loan liabilities at the close of the year stood at Rs. 47,42.15 lakhs.

Sinking Funds.

8. The value of investments of the Sinking Fund at the close of the year amounted to Rs. 13,66.55 lakhs. The value of securities held in the Sinking Fund Account on the basis of market rates prevailing on 31st March 1962, including Interest and Cash, exceeded the actual amount of the Sinking Fund by Rs. 2.30 lakhs.

Improvements Schemes Account, General Account, Income and Expenditure.

9. The total income for the year amounted to Rs. 1,42.14 lakhs against Rs. 1,32.51 lakhs for the previous year, showing an increase of Rs. 9.63 lakhs over that of previous year. The main increases were in respect of (*i*) Rent and other proceeds of properties Rs. 0.25 lakh, (*ii*) Grant-in-aid from Government for meeting the deficit in the General Account Rs. 0.2 lakh, (*iii*) Miscellaneous receipts, etc., Rs. 0.13 lakh, (*iv*) Contribution from Municipal Corporation Rs. 7.39 lakhs, and (*v*) Interest and profits on investment Rs. 1.82 lakhs.

The total expenditure for the year *viz.*, Rs. 1,34.84 lakhs as against Rs. 1,32.53 lakhs for the previous year, showed an increase of Rs. 2.31 lakhs on that of the previous year. This is made up of increase of Rs. 4.55 lakhs under Debt Charges counter-balanced by a decrease of Rs. 2.24 lakhs under Maintenance of Properties and Streets.

The net surplus thus amounted to Rs. 7.30 lakhs.

Loan Account.

Loan liabilities of the *ex*-Trust at the commencement of the year were Rs. 15,21.31 lakhs against Rs. 15,30.27 lakhs in the previous year. The repayment of loan during the year amounted to Rs. 38.73 lakhs, out of which Rs. 9.27 lakhs were repaid to Government on the basis of equated payments out of Revenue and Rs. 29.46 lakhs to the debenture holders. The outstanding loan liabilities at the close of the year thus stood at Rs. 15,32.57 lakhs. Out of this, amount outstanding on account of Government Loan aggregated to Rs. 7,26.38 lakhs. All the debentures in respect of loans aggregating to Rs. 4,76 lakh originally raised from Government have now been repurchased according to the approved programme for Sinking Fund Investments. The liability to Government on this account is, therefore, only Rs. 2,50.38 lakhs.

Capital Account.

The year began with an Opening Balance of Rs. 55.54 lakhs. In the course of the year, receipts on account of sale proceeds of Lands and Buildings amounted to Rs. 13.10 lakhs. A loan of Rs. 50 lakhs was raised during the year. The total funds thus available were Rs. 1,18.64 lakhs. The total expenditure incurred amounted to Rs. 77.86 lakhs. The surplus in the General Account for the year amounted to Rs. 7.30 lacs and was transferred to the Capital Account. There was thus an unspent balance of Rs. 48.08 lakhs at the close of the year.

The actual Expenditure during the year on schemes amounted to Rs. 77.86 lakhs as against the Revised Estimates of Rs. 2,01.94 lakhs including Rs. 11.42 lakhs on account of the cost of Management and Establishment.

Sinking Fund in Improvement Schemes Account.

The amount of Sinking Fund on 31st March 1962 was Rs. 6,92.02 lakhs including cash of Rs. 214 with the State Bank of India. Valuing the Municipal and Trust debentures at par, the market value of Sinking Fund Investment at the end of the year under review amounted to Rs. 6,93.24 lakhs. This, together with interest accrued upto 31st March 1962, *viz.*, Rs. 2.55 lakhs and cash of Rs. 214 with the State Bank of India, brought the total amount of Sinking Fund to Rs. 6,95.80 lakhs against Rs. 6,02.39 lakhs, the amount to which the Sinking Fund should have accumulated at the close of the year. The excess in the fund thus amounted to Rs. 93.41 lakhs.

The liabilities of the loans in respect of the Improvement Schemes outstanding on 31st March 1962 were Rs. 15,32.58 lakhs. Out of this, Rs. 2,50.39 lakhs were borrowed from Government as aforesaid and the balance of Rs. 12,82.19 lakhs represented loans raised by issue of debentures. Out of this, Rs. 4,76 lakhs originally borrowed from Government have now been re-purchased for Sinking Fund investments and Rs. 8,06.19 lakhs from the public.

The gross Capital Liabilities of the Improvement Schemes stood at Rs. 15,80.16 lakhs at the close of the year under review and the assets at Rs. 33,35.79 lakhs including the book value of lands comprised in Schedules 'W' and 'X', resulting in a Surplus of Rs. 17,55.63 lakhs.

General Account, Slum Clearance—City and Suburbs.

The total income during the year under Slum Clearance, City Section, amounted to Rs. 6.71 lacs against Rs. 3.89 lacs in the previous year showing the net increase of Rs. 2.82 lacs. This is made up of increase of Rs. 2.63 lacs under Rent and Other proceeds of properties and Rs. 0.90 lac under Interest and Profits in investment.

The expenditure on this account during the year amounted to Rs. 9.45 lacs consisting of Rs. 3.15 lacs on Maintenance of Properties and Streets and Rs. 6.30 lacs on Debt Charges, resulting in a deficit of Rs. 2.74 lacs.

The total income during the year under Slum Clearance, Suburban Section, amounted to Rs. 11.69 lacs as against Rs. 8.60 lacs in the previous year showing a net increase of Rs. 3.09 lacs. This is made up of increase of Rs. 0.4 lac under Rent and Other proceeds of properties, Rs. 3.46 lacs under Contribution from Budget 'D' counter-balanced by a decrease of Rs. 0.41 lac under Interest on Profits and Investment.

The expenditure during the year on this account amounted to Rs. 0.34 lac under Debt Charges only leaving net surplus of Rs. 11.35 lacs.

Capital Account, Slum Clearance—City.

The Opening Balance under Capital Account, Slum Clearance, City, on 1st April 1961 was Rs. 10.75 lakhs. With a view to meeting the expenditure on Slum Clearance Schemes in the City a loan of Rs. 50 lacs was raised, whereas an additional sum of Rs. 5.98 lakhs was received from Government as loan and Rs. 0.2 lakhs on account of sale proceeds. An amount of Rs. 6.31 lakhs was received as Grant-in-aid from Government. Thus the total funds, available for expenditure amounted to Rs. 73.07 lakhs, against which the expenditure incurred during the year including discount and other charges on loan, etc., amounted to Rs. 34.84 lakhs. The deficit in the General Account amounting to Rs. 2.74 lakhs was transferred to Capital Account. The unspent balance at the close of the year stood at Rs. 35.48 lakhs.

Capital Account, Slum Clearance-Suburbs

The Opening Balance under Capital Account, Slum Clearance, Suburbs on 1st April 1961 was Rs. 19.33 lakhs. Rs. 9.45 lakhs were received from Government as loan and Rs. 13.59 lakhs were paid by Government as Grant-in-Aid. The total funds available for expenditure thus amounted to Rs. 42.37 lakhs, against which expenditure incurred during the year amounted to Rs. 17.06 lakhs leaving an unspent balance of Rs. 36.66 lakhs including a revenue surplus of Rs. 11.35 lakhs transferred to Capital Account.

The Standing Committee is much pained to find such huge surplus under Slum Clearance Account of the Suburban area, as these areas which are a recent addition, are much backward in development and as such all the available financial resources must be exhausted by concentrated efforts to develop these areas with a view to bringing them on City level early. The Standing Committee hope that the executive will be more vigilant and resourceful to spend all available funds under this accounts in future.

Education Fund.

10. The total income for the year amounted to Rs. 3,15.03 lakhs consisting of Rs. 2,13.03 lakhs being the Contribution from Budgets 'A', 'D' and 'F', Rs. 48.27 lakhs Grant-in-aid from Government and Rs. 53.74 lakhs on account of Education Cess and Miscellaneous Receipts against the Budget Estimates of Rs. 3,02.84 lakhs showing an increase of Rs. 12.19 lakhs on Budget Estimates for the previous year. The increase was mainly due to rise in receipts under Contributions from the Corporation, Miscellaneous Receipts, Credit to Special Municipal Contribution paid to *ex*-employees who subsequently opted for pension, Contribution from Government and Miscellaneous Revenue, counter-balanced by decrease under Education Cess.

The total expenditure for the year amounted to Rs. 2,83.69 lakhs against the Budget Estimates of Rs. 2,98.22 lakhs. The final sanctioned grants including renewed grants and additional grants available for expenditure amounted to Rs. 3,31.16 lakhs. The unexpended balance thus amounted to Rs. 47.47 lakhs at the close of the year out of which an amount of Rs. 17.65 lakhs was renewed for expenditure for 1962-63 and the balance of Rs. 29.82 lakhs was allowed to lapse as savings.

The Opening Balance on account of Loan Funds excluding Trust Funds on 1st April 1961 was Rs. 30.50 lakhs. A new loan of Rs. 80 lakhs was proposed for 1961-62 but actually a loan of Rs. 65 lakhs was raised during the year. The total loan funds thus available amounted to Rs. 95.16 lacs against which expenditure booked on loan funds amounted to Rs. 73.98 lakhs. An advance for purchase of furniture amounted to Rs. 5.63 lakhs out of which Rs. 0.68 lakh were recouped. The closing balance at the end of the year in loan funds amounted to Rs. 16.12 lakhs.

During the year loan fund balance including the loan of Rs. 55 lakhs raised during the year was Rs. 95.15 lakhs. Against this, provision proposed in the Budget was Rs. 1,64.59 lakhs leaving an uncovered balance of Rs. 69.44 lakhs.

The Sinking Funds investment on 31st March 1962 amounted to Rs. 29,19,731 made up of Rs. 29,19,376 in securities and Rs. 355 in cash with State Bank of India. Valuing the Municipal debentures on par, the Market Value of Sinking Fund on 31st March 1962 was Rs. 29,35,552. This together with the interest of Rs. 26,412 and cash with the State Bank of India of Rs. 355 the total amount of Sinking Fund comes to Rs. 29,62,319 and more than covers the amount of Rs. 29,15,308 to which the Sinking Fund should accumulate on 31st March 1962, the excees in the Sinking Fund investment thus being Rs. 47,011.

The percentage of actual expenditure on Loan Works to the Loan Funds available was 78. The Standing Committee note with concern the failure on the part of the Executive to expend the Loan amounts sanctioned by the Corporation within the scheduled limit and hope that more streneous efforts will be put in to augment the Loan Works Programme under Budget 'E' especially as large number of our schools are located in the private premises which are quite unsuitable for imparting instructions and further as the accommodation both in the private and municipal owned school buildings is insufficient to accommodate the increasing number of pupils seeking admission to our schools and as a result whereof quite a large number of our schools are forced to meet in two shifts.

Taxation, Demand, Collection and Outstanding.

11. During the year under report, the rates of taxation remained the same as in the previous year. The Education Cess was continued to be levied at the same rates as in the preceding year. The rates of taxation thus stood as follows :—

General Tax (including Fire Tax) at 19.75 per cent., Water Tax at 4.50 per cent. and Halalkhore Tax at 3.50 per cent., Tax on vehicles and animals was levied at the maximum rates mentioned in Schedule 'G' of the Bombay Municipal Corporation Act. Rates charged for the supply of water by meter measurement ranged from Rs. 1.65 to Rs. 5.50 per 10,000 litres, according to the class of properties.

Education Cess was levied at 1 per cent. in respect of properties having Rateable Value of Rs.75 to Rs. 299 and 1.50 per cent. on properties with Rateable Value of Rs. 300 and above. No Education Cess was levied on properties having rateable value below Rs. 75.

On the Assessment Register at the close of the year, there were 57,385 properties against 56,692;56,363 and 56,091 during the previous three years. 54,106 properties as against 53,18

properties in the previous year, were assessed to General Tax, while 2,153 properties against 2,178 in the previous year were exempted from General Tax, under Section 143 (1) (*a*) of the Bombay Municipal Corporation Act, while the Municipal properties exempted from the General Tax numbered 1,126.

Properties newly erected, demolished and enlarged during the year numbered 1,122,429 and 1,546, respectively, as against 771, 442 and 1,043 in the previous year. At the end of the year single-room tenements, double room tenements and flats in the City numbered 2,83,035, 86,637 and 71,231 against 2,82,858: 85,278 and 70,335 in the previous year.

Rateable value of all properties in the City at the end of the year amounted to Rs. 31,62.89 lakhs as against Rs. 30,60.45 lacs Rs. 28,92.71 lakhs and Rs. 27,77.90 lakhs in the preceding three years. The rateable value *per capita* was Rs. 114.22 as against Rs. 131.58, Rs. 124.37 and Rs. 119.43 in the previous three years. In 31 cases, the rateable value was increased by more than Rs. 2,000 in each case.

In the classification of properties according to user, it is found that out of 57,385 properties with an approximate rateable value of Rs. 31,62.89 lakhs, 39,310 properties only are used for residential purposes with an approximate rateable value of Rs. 19,55.55 lakhs.

From the classification of properties according to rateable values, it is found that as many as 49,284 properties come within the rateable value of Rs. 20,000 leaving only 2,577 properties having rateable value between Rs. 20,001 and Rs. 3,50,001 and above. These figures do not, however, include properties belonging to the Bombay Port Trust and the Railways which are assessed in lump.

The total number of vehicles and animals taxed during the year (including those taxed under the Public Conveyance Act of 1920) was 63,277 as against 55,584 53,685 and 50,736, in the previous three years. Of this total number, the maximum number in any group was 36,208 for motor cars (including 4,823 taxis) and the smallest numbers were 19 for trolleys and 4 for wheeled vehicles drawn by animal.

During the year under report, Wheel Tax for hack-victorias, labour-carts and hand-carts (without pneumatic tyres) leviable, respectively, at Rs. 112, Rs. 40 and Rs. 8 per annum was compounded for the calendar year at Rs. 100, Rs. 35 and Rs. 6, respectively, as they had to pay the tax for the whole year in advance instead of quarterly as in the case of other vehicles.

During the year under review, bills numbering 1,19,778 and 2,06,819 were issued, respectively, for Property and Wheel Tax. The amounts collected against total demand of Rs. 14,77.25 lacs and Rs. 1,32.07 lakhs, were Rs. 11,30.50 lacs and Rs. 52.75 lacs, which worked out to 76.50 and 39.94 per cent. of the respective demands. The total outstanding at the end of the year was Rs. 4,26.42 lakhs. Outstanding involved in disputes regarding water tax and water charges stood at Rs. 10.07 lakhs at the end of the year. The figure of total outstandings is also inclusive of the amount of Rs. 92.04 lakhs involved in complaints against rateable values, which were pending at the close of the year. Out of the total outstanding from private properties, an amount of Rs. 1.23 lakhs was involved in suits filed, Rs.4.47 lakhs were payable by the Court Receiver and Official Assignee, about Rs. 16.43 lakhs were involved in appeals against rateable values and about Rs. 28.17 lakhs were involved in disputes regarding Wheel Tax. The amount was also inclusive of a sum of about Rs. 19.89 lakhs in respect of properties occupied on flatownership basis. The average of recovery to the total demand during the year under report was 73.51 per cent. the percentage of outstanding being 26.49 as against 25.58,29 and 26.58 in the previous three years.

The Standing Committee note with concern the high percentage of outstandings and hope that vigorous efforts will be made and if necessary, the collection machinery remodelled, in order to reduce the outstandings to the minimum possible extent as the Revenue Collection is the mainstay of Municipal finance and hence also of the Civic Administration of this Great City.

The total amount on exemption from General Tax allowed in respect of different properties during the year was Rs. 49.44 lakhs as against Rs. 42.15 lakhs, Rs. 41.42 lakhs and Rs. 35.44 lakhs in the previous three years.

The number of claims received for draw back and refund was 7 and 3,195, respectively, against nil and 3,899; nil and 2,966 and 4 and 3,566, respectively, in the previous three years. Of these 1 claim for Draw back and 2,655 claims for refund were admitted involving an amount of about Rs. 880.26 and Rs. 12.60 lakhs respectively.

During the year 4,655 complaints were received out of which 3722 were disposed of during the year of which 2,460 were against revision of assessment amounting to Rs. 3,13.64 lacs while 1,262 complaints were against original assessment amounting to Rs. 2,33.43 lacs.

60 appeals for rateable values were received in the year of which one was settled, one was dismissed, two decided by the Court and 56 were pending at the close of the year.

No suit was filed against the rate payers for the recovery of taxes but in 65 cases actions under Sections 203 of the Bombay Municipal Corporation Act, were resorted to with a view to effecting early recovery of the bills and an amount of Rs. 1,57,638.99 was recovered. In 1 case, action under Section 207 (1A) of the Act, was also resorted to and in several other cases, this action is in progress.

An amount of Rs. 1,044.38 was collected as Riot Tax in the year under report.

General Remarks.

During the year under report, the matter as regards assessment of the Railway properties (Central and Western) for the quinquennium 1949-54 was finalised. As regards the assessment for the quinquennium 1954-59, necessary particulars were called from them. The assessment of Bombay Port Trust properties for the quinquennium 1944-49 has been finalised. The work regarding finalisation of the assessment for the quinquennium 1949-54 was in progress. As regards the properties enjoying exemption from the levy of General Tax under Article 285 of the Constitution, the Central Government have since agreed to pay from 1st April 1954, the charges for the specific services rendered by the local authorities and have directed the State Government to fix a percentage of such charges payable in lieu of the General Tax. The matter is still under correspondence. Tax amounting to Rs. 4,787.31 representing a charge on 734 race horses from 1st October 1961 to 1st March 1962 was recovered through the Western India Turf Club against Rs. 5,142.42 during the preceding year.

Urban Immoveable Property Tax.

12. The rates of taxation continued to be the same as in the preceding year *i.e.*, 5 per cent. in the case of buildings and lands, the rateable value of which were above Rs. 2,000 in each case, and 2½ per cent. in the case of buildings and lands, the rateable values of which were Rs. 2,000 and below in each case but not less than Rs. 500. Properties having the rateable value of less than Rs. 500 per annum each, continued to be exempted. The arrears of the tax as on 1st April 1961 which were Rs. 54.42 lacs increased to Rs. 59.66 lacs during the year under report on account of increase in rateable values. Out of this amount, a sum of Rs. 37.07 lacs was collected, leaving a balance of Rs. 22.59 lacs at the close of the year. The demand in respect of the tax for the year 1961-62 was Rs. 1,33.34 lacs, collection Rs. 99.75 lacs, while Rs. 33.59 lacs remained outstanding at the close of the year. The total collection of Urban Immoveable Property Tax thus amounted to Rs. 1,36.82 lacs during the year under report.

Theatre Tax.

There were in all 38 Class I and 21 Class II Cinema Theatres and the tax was generally received regularly. Theatre tax was also recovered in respect of the various dramatic performances, dances, variety entertainments, etc. held at various Halls, Theatres and other places in the City wherever admission was on payment of charges.

The rates of theatre tax for the year under report were at Rs. 10 per show for Class I Cinema Theatres, Rs. 7 per show for Class II Cinema Theatres, Rs. 7 per show for Drama Concert, Variety Entertainment or Tamasha, Rs. 10 per day for Circus, Carnival or Fete and Rs. 7 per show for any other entertainment.

Exemption from payment of Theatre Tax was granted to such Cinema shows, performances, etc., as were held in aid of bonafide charities or directed towards advancement of cultural or educational activities and exempted from payment of Entertainment Duty leviable by the Commissioner of Police under the Bombay Entertainments Duty Act, 1923.

The total income derived by way of Theatre Tax during the year under report was Rs. 7,14,581.60 as against Rs. 3,47,324.95 in the previous year.

Town Duties.

13. During the year, the rates of Town Duties continued to be the same as those prevailing in the previous year. Proposals made for revising the Town Duty Schedule and necessary amendments to the Bombay Municipal Corporation Act, were still under the consideration of the Corporation. The gross collections from Town Duties amounted to Rs. 157.98 lacs as against Rs. 1,45.49 lacs and Rs. 1,25.57 lacs in the preceeding two years. There was an increase in the net receipts by Rs. 7.27 lacs from Grains, Sugar, Tea, Tinned provisions, etc., while net receipts from wines, spirits and dates showed a small decrease. The amount refunded during the year under review was Rs. 20.13 lacs as against Rs. 14 84 lacs and Rs. 13.80 lacs in the previous two years. Town Duties gave a net revenue of about Rs. 137.43 lacs as against Rs. 1,30.64 lacs and Rs. 1,12.06 lacs and Rs. 97.10 lacs in the previous three years. The total number of claims for refund was 18,746 as against 14,718 and 15,904 in the preceding two years. The number of claims for refund during the year was more by 4,028 than in the previous years and the amount of refund was more by about Rs. 5.29 lacs.

Fees for stamping sugar bags, tea cases, etc. amounted to Rs. 0.97 lakh as against Rs. 0.79 lakh, in the preceding year.

Town Duties collected at Mulund and Dahisar, etc. in respect of articles coming by roads, by Air or in the Head Office amounted Rs. 49.84 lakhs as against Rs. 38.05 lakhs, Rs. 26.20 lakhs and Rs. 24.23 lakhs in the preceding three years, showing an increase of Rs. 11.79 lakhs over the previous year.

Elections.

14. A Supplementary Election Roll containing 522 names was published on 20th December 1961. Out of 639 applications received for enrolment, 60 were rejected and 57 were found identical with names already on roll.

Out of 5 petitions filed in Small Causes Court in respect of General Elections, challenging the validity, one was allowed to be withdrawn, and in another case the elected candidate Shri S. S. Mirajkar (Ward No. 29 Love Grove) was declared disqualified and the first defeated candidate, Shri K. Y. Pawaskar, was declared elected. The remaining three petitions were dismissed with costs under a petition filed under Provision of Section 18 of the Bombay Municipal Corporation Act, Shri R. K. Bhogle, a Councillor from Ward No. 30 (Lower Parel) was declared disqualified.

Planning Section of Public Works.

15. The Architectural Planning Branch prepared in all 80 Plans, 17 Block Estimates and 51 Detailed Estimates costing Rs. 2,15.69 lacs and Rs. 1,06.10 lacs, respectively which included Plans and Estimates for 8 new school buildings and 4 for additional accommodation in School buildings. This also included the plans and estimates for alterations, additions, etc., to the buildings of different Medical institutions, etc. Detailed plans and estimates for the proposed Fish Section at Elphinstone Market and additions and alterations to Peddar Market and Garamkhada Market, Lalbaug, were prepared. Plans and Estimates amounting to Rs. 14.76 lacs for Raja Baldeodas Birla Kreeda Kendra, Chowpatty and of Rs. 25.67 lacs for laying out Sion Fort Hill as Recreation Centre and Garden were also prepared during the year under report.

Municipal Properties.

16. The total number of properties both Municipal and *ex*-Trust maintained by the Maintenance Branch during the year was the same as in the previous year. *viz.* 3,351, as 85 properties were added during the year under report, and 85 properties were demolished. The work of upkeep and maintenance of buildings was carried out partly by contracts and partly by departmental agency. 370 work orders to the extent of Rs. 9.92 lakhs were issued to the Petty Works Contractors as against 332 work orders and Rs. 6.88 lakhs in the previous year. In addition, repairs to school buildings under Budget 'E' were also carried out at a total expenditure of Rs. 51,045.98 nP. in the year under report.

Construction.

During the year under report, 29 works estimated to cost Rs. 1,55.87 lacs were completed. 25 works estimated to cost Rs. 2,68.81 lacs were in progress. 1,170 tenements (1142 tenements & 28 shops) in Slum Clearance Scheme, 334 for housing Municipal Staff, 243 (224 tenements and 19 Shops) for housing tenants of acquired buildings and 580 for house collapse victims were constructed during the year. Construction of 1,200 tenements in Slum Clearance Scheme, 80 tenements for housing tenants of acquired properties and 2,303 tenements (2,288 tenements and 15 shops) for House collapse victims was under progress.

Private Buildings.

17. During the year 1,743 applications against 1,387 in the previous year were received for the construction of new buildings or additions and alterations to the existing ones. The total number of new buildings constructed by private enterprise during the year was 543 of which 334 were residential and 209 non-residential as against 208 constructed during the preceding year. 71 buildings were constructed by Co-operative Societies and 273 by employers for their employees. Although there has been some improvement in the building construction activity during the year, much requires to be done. If proper encouragement and guidance is given, the Standing Committee is confident that the Co-operative Housing will be of a great help in solving the baffling housing problem.

During the year, sanction of the Standing Committee was obtained in 324 cases for the removal of unauthorized works as against 493 cases in the previous year. With the Industrial progress, there has been in the past few years a constant influx of labour population in the City. The efforts of the Government and the Municipality to provide cheap housing near the City for such population have not been able to keep pace with the ever increasing labour and poor class population in the City. As a result, several insanitary, unauthorized hutments have sprung up in the various parts of the City and Suburbs on road sides footpaths, near open drains, in short, wherever there is an unguarded open land. Such hutments number in thousands and is a great menace to the safety and health of the Citizens and are required

to be removed with stern hand in the interest of the City's well-being. The efforts put in by the Department in that direction are comparatively negligible. The Standing Committee hope that regular cruzade for removal of unauthorized hutments and structures is launched and some method is evolved to provide housing shelter to the hutment dwellers which would suit their pockets such as providing plinth areas, etc.

In the case of dilapidated houses, the issue of notices and launching of prosecutions continued as before. In all 4,462 notices were issued during the year for removal of unsafe buildings against 10,344 in the previous year. Out of these 1,941 were complied with and 2,521 were pending at the end of the year. In deserving cases, where the owners applied delaying tactics or refused to comply with Municipal requisition, authorizations under Section 499 of the Act, were given to tenants to carry out repair works and to recover the reasonable expenses incurred by them from the rents. In 135 cases such authorities were given during the year as against 100 in the previous year and 595 tenants took advantage of it.

In 255 cases, departmental action had to be taken to pull down unsafe portions of buildings in the interest of public safety, as the owners failed to carry out the Municipal requisitions meeting the cost in the first instance from the special provision made for the purpose in the Budget and an expenditure of Rs. 98,030.68 was incurred therefor.

The amount spent on the acquisition of set back during the year under report was Rs. 5,81,796.17 as against Rs. 1,13,963.13 during the previous year.

During the year 131 buildings or portions thereof collapsed as against 115 in the previous year. The total number of persons injured was 54 and those killed was 8. The estimated damage to property was Rs. 2,11,080.

7 Sites were sanctioned by Government for clearance and rehabilitation of hutment dwellers. Out of these census of 5 sites with 2,581 families was completed jointly with Maharashtra Housing Board and Collector of Bombay. Scrutiny to decide the families eligible for alternate accommodation was in progress.

House numbering.—The work of assigning house numbers to the newly constructed properties in B Division was completed during the year. The work of assigning numbers to the newly constructed properties in C Divisions was in progress. In case of about 1,000 properties in B Division House number plates were found missing and had to be refixed. The work in respect of 'G' Ward was taken in hand in January 1962 and 650 plates were fixed by the end of the year.

Slum clearance, Housing and Land Acquisitions.

18. The progress of the various works under the Slum Clearance Schemes during the year was as under :—

Preliminary Survey.—4 slums in the Suburbs and Extended Suburbs admeasuring 25.30 acres, having 1,260 structures containing 1,971 families and a total population of 8,108 were surveyed.

Clearance of Municipal Slums.—By the end of the year 6 slums were cleared and redeveloped. Clearance and re-development of 11 slums in stages was in progress.

Tenements under the Government of India's subsidised Slum clearance Scheme.—Under the Scheme, 3,668 tenements were sanctioned for the Second Five Year Plan period. Out of these, 954 tenements were completed during the year, bringing the total number of tenements completed upto 31st March 1962, to 1,854. 992 tenements were started during the year, and 1,296 tenements were in progress on 31st March 1962.

Financial Assistance from Government under subsidised Slum Clearance Schemes.—The Corporation have received Rs. 13.81 lacs by way of loan and Rs. 17.96 lacs by way of subsidy from the Government during the year under report. The Corporation has thus, so far, received Rs. 55.44 lacs by way of loan and Rs. 42.26 lacs by way of subsidy upto 31st March 1962.

A programme of Slum Clearance of an outlay of Rs. 68.16 lakhs envisaging construction of 1,136 tenements in Greater Bombay was formulated and forwarded to Government for their sanction and Government sanction to this programme was awaited.

Drainage and Sewerage.

19. *Dadar Purification Works.*—The Sewage Purification Works at Dadar functioned satisfactorily throughout the year under report, except for two settlement tanks which had to be emptied for repairs and were put out of Commission for 2/3 months. The total quantity of sewage received at the Plant during the year was 6,189.31 million gallons, *i.e.*, an average of 16.95 million gallons per day

against the total quantity of 5,704, 6,715.20 and 6,409.06 million gallons received at the Works in the previous three years, giving daily averages of 15.63, 18.39 and 17.56 million gallons, respectively. The total quantity of sludge gas generated during the year was 62,170,600 cubic feet, indicating slight increase the sludge gas generated during the preceding year being 5,99,42,800 cubic feet. The daily average production was 1,70,300 cubic feet as against 1,64,467 cubic feet per day last year. The total revenue realised during the year by sale of gas amounted to Rs. 2,05,638 as against Rs. 1,93,868 and Rs. 1,79,850 during the previous two years. The revenue realised by the sale of dry digested sludge manure during the year amounted to Rs. 6,907 as against Rs. 12,224 during the last year.

Love Grove Pumping Stations and Purification Works.

The working of the old and new pumping stations was satisfactory during the year under report. The total sewage pumped out at this station was 43,777 million gallons. The revenue realised by sale of dry digested sludge manure during the year amounted to Rs. 3,865. The sludge gas generated at the plant was, however, burnt out due to high percentage of H_2S.

Dharavi Purification Works.

The Sewage Purification Plant worked normally. The Digestion Plant worked satisfactorily. The revenue realised from the sale of gas supply amounted to Rs. 37,839.75. The revenue realised by sale of manure amounted to Rs. 4,650.75. The gas supply from this plant was satisfactory throughout the year, except during the months from May to August 1961 when the same had to be cut off due to high percentage of H_2S.

Remodelling existing Sewerage System.

The sewerage system of the City depends upon the satisfactory working of Pumping and Compressor Stations. Sewage from the sewerage system of the City was pumped through 12 Pumping stations. All the four compressor stations were in operation throughout the year.

The work of desilting sewers under a special programme continued during the year and 92,874 R.ft. main sewers were cleaned and 3,89,380 C.ft. of silt was removed. Besides 75,595 R.ft. of pipe sewers were also cleaned removing 29,200 C.ft. of silt therefrom.

Transport.

20. During the year, 572 motor vehicles including one bull-dozer and three skid shovels were in commission as against 577 vehicles, one bull-dozer and 2 skid shovels in the preceding year. During the year 41 vehicles were scrapped and 7 new vehicles were purchased. Proposals for purchase of 20 refuse vehicles, two ambulances, 2 Hearses, and 2 Meat Vans were finalised during the year.

The suburban fleet consisted of 317 vehicles and worked directly under the supervision of A. E., Transport.

The majority of the vehicles were garaged at seven different places in the City.

The transport fleet for removal of refuse consisted of 443 vehicles of different types, *viz.*, 22 moving floors, 12 Bantam Carriers, 27 Scammell Horses, 14 Moto-carts, 2 G.M.Cs., 12 Low-loaders, 9 Jeeps, 3 Dodge vehicles, 30 Fergusson Tractors, 190 Scammell tractors, 29 Fergusson trailors, 48 Devidayal trailers, 42 Mahindra and Mahindra trailers and 3 Bull-dozers. As this fleet was not sufficient to cope up with the daily out-put of refuse, extra vehicles from the Maharashtra State Transport Corporation had to be requisitioned for the removal of refuse. The average collection of refuse in the City worked out to 1,800 tons per day.

Repiars and Maintenance of Raods and footpaths.

21. The total mileage of roads in the City limits at the end of the year was 282.088 miles as against 278.268 miles, 278.368 and 278.346 miles, in the preceding three years.

During the year, about 34,527 square yards of road surfaces were renewed with sheet asphalt. The work of maintenance of roads and footpaths was generally satisfactory throughout the year. An amount of Rs. 14.64 lacs was spent on repairs to pot-holes on carriage ways during the year. A total area of 2,61,752 square yards of the different types of the road surfaces was improved during the year. The work of asphlating footpaths was continued during the year and footpaths of 24 roads covering an area of 20,969 square yards were asphalted at a cost of Rs. 56,815.02.

Traffic Islands were provided at important inter-sections. Eleven new Traffic Islands were provided during the year under report and the traffic signals were provided at 5 intersections. Remodelling of 5 Rotaries was undertaken during the year and traffic studies in respect of 5 intersections were completed and quotations were invited for installation of traffic signals thereat.

Approval to plans and estimates for an overbridge for vehicular traffic at Princess Street was sought for. However, this proposal was held over to fit in with the proposed development

of Western Railway Tracks. For similar reasons, construction of foot-bridges across Queen's Road at Charni Road and Marine Lines Stations was held over for the present.

During the year, a sum of Rs. 3,105 was realised on road opening fees from 845 permits issued for execavation of Roads and foot-paths. Amounts of 31,629.92 and Rs. 8,428.39 respectively, were realised for (1) use of roads for stacking materials and putting up scaffoldings in respect of 469 permits and (2) temporary occupation of roads and footpaths, for erecting mandaps, placing chairs, benches, etc. in respect of 354 permits issued therefor.

496 Bus and Trams Shelters were permitted during the year on Roads and footpaths as against 473 in the previous year.

The number of street lamps in the City at the end of the year was 13,377, as against 13,079 12,784 and 12,590 in the previous three years. An expenditure of Rs. 24.93 lacs was incurred for lighting and maintenance of steet lamps as against Rs. 23.72 lacs in the previous year.

Seventeen roads were lighted by HMV lamps under the 'All-in-Hire Scheme' and 17 roads with electric and gas lamps. 14 Roads were provided with new lighting arrangements.

Removal of Town Refuse.

22. As in the past a major portion of the City refuse was transported to Deonar for disposal.

The arrangement of running two refuse trains per day each consisting of an average of 30 Municipal refuse wagons of 950 C.ft. capacity, was continued during the year.

The total number of wagons sent to Deonar during the year under report was 21,206 as against 22,847, and 22,210 during the preceding two years. The total quantity of refuse removed to Deonar was about 2,01.17 lacs C.ft. as against 2,17.04 lacs C.ft. during the preceding year. The total cost of haulage and unloading per 100 C.ft. amounted to Rs. 2.60 approximately as against Rs. 2.61 per 100 C.ft. in the preceding year.

As the number of Municipal wagons was insufficient to transport the huge quantity of City refuse a number of wagons were taken on hire from Western Railway during the year at Rs. 4.50 per wagon per day. The number of such wagon days during the year was 17,840 and the hire charges amounted to Rs. 80,280.

No additional land was reclaimed during the year but the refuse was used to fill up depressions caused by rain and fire.

The cost of maintenance of Mahalaxmi and Chembur Siding was Rs. 23,661.16 and the cost of repairs and maintenance to Municipal Wagons amounted to Rs. 72,430.80.

Town Planning Schemes.

23. *Town Planning Schemes.*—The implementation of Town Planning Scheme, Bombays City No. 1 (Mandvi and Elphinstone Estate) was held in abeyance pending finalisation of measures to indicate alternative accommodation to tenants likely to be affected.

The implementation of Town Planning Schemes, Bombay City No. II and III (Mahim Area) was in progress during the year. The Arbitrator appointed for Town Planning Scheme, Bombay City No. IV (Mahim Area) declared his award on 24th February 1962 and the Government appointed a Board of Appeal whose work will start in due course.

97 Commencement certificates were issued during the year, bringing the total to 1,085. Rs. 6.32 lacs were spent on preliminary works in respect of these Town Planning Schemes, bringing the total expenditure upto the end of the year to Rs. 16.30 lacs.

Development Plan for Greater Bombay.

During the year, tentative Development Plans for certain areas in K, L, M and R Wards in Suburbs were prepared. Similarly survey in respect of Hospitals, Dispensaries, Primary Schools, Markets, Parks and Play-grounds in Greater Bombay were completed. Advisory Committee formed to assist in the preparation of Development Plan had in all 13 meetings during the year.

During the year Development Plan for D Ward was finalised and submitted for approval of the Corporation who have referred the same to a Consultative Committee appointed for the purpose. On receiptof the directions of the Corporation on several issues in connection with the preparation of Development Plan, raised under this proposal the works of finalisation of Development Plans for the remaining Wards would be taken in hand.

A proposal was also submitted in respect of fixation of Floor Space Indices to be fixed for different parts of the City. The proposal is pending consideration before the Improvements Committee of the Corporation. The revision of Development Control Rules was also under consideration before the aforesaid Consultative Committee.

In view of the magnitude of the work as also the repurcussions it will have, and sufferings it will inflict in the present set up of City's population, the Standing Committee feel that this work should be executed expeditiously but at the same time cautiously bringing least sufferings to the citizens who will be affected in the proposed development.

Conservancy

24. Roads, footpaths and house gullies were swept twice daily. Some of the main roads were attended to with increasing frequency as and when found necessary. House gullies were flushed and main roads were washed periodically. The total refuse collected and removed through the Municipal agency was 6,57,000 tons.

Refuse gathered by sweeping the roads, footpaths and house gullies was collected and either carried to the nearest dust bin shed or removed in travelling carts or lorries to the place of disposal at least twice daily. Refuse taken to the Mahalaxmi Refuse Siding was transported to Deonar daily in a special refuse train.

431 big animals and 22,233 small animals were removed to Mahalaxmi Siding during the year realising Rs. 7,805.50.

1,152 persons were prosecuted during the year for committing nuisance by throwing refuse in the streets or public places or fouling roads by urinating, etc.

There were in all 1,518 privies with 280 cesspools and 37 septic tanks in the City. The work of removal of night-soil was attended to regularly by 8 cesspool carts and 6 cess-pool lorries.

Control of Stray Dogs.—21,045 stray dogs were caught and destroyed as against 17,265 in the preceding year. 8,686 dogs were licensed under the Dog Licensing Act, as against 8,638 in the preceding year. The total income by way of dog licensing fees, etc., was Rs. 44,705.50 as against Rs. 44,746.25 in the previous year.

The work of immunizing the milch cattle against Rinder Pest was continued and 27,969 milch cattle were inoculated as against 25,643 in the previous year. 64 cases of Rinder Pest were detected during the year.

In addition to the above, the Conservancy Branch also rendered special conservancy and halalkhore services to various circuses, exhibitions, etc., realising thereby Rs. 1,53,888.66. Besides Rs. 81,685 were paid by Government for services rendered for cleansing Government foreshores.

Special Technical Unit.—With a view to ensure proper execution of Municipal works done by contract or departmentally, one post of Executive Engineer (Vigilance) was sanctioned by the Corporation. The officer working in the said post continues to help the staff by paying surprise visits to various works.

6,073 different kinds of tests were made and 110 out-door calls for tests were attended by the Municipal Material Testing Laboratory during the year.

Mechanical Branch

5,863 jobs were completed at the Municipal Workshops, Foras Road, during the year. The expenditure on Departmental and Private Works amounted to Rs. 6,36,271.35.

Castings, such as iron manholes, gratings, etc. were manufactured at the Municipal Foundry. The total turn over was 1.64 lacs Kg. of a value of Rs. 1.11 lacs.

The Municipal Hot Mix Asphalt Plant at Worli worked for 205 days and remained closed for 160 days on account of rainy season. The labour for the plant was engaged by contract.

The Crushers at Worli and Sewri worked satisfactorily during the year. The total out put was 8,750 brass as against 10,961 brass in the previous year.

Estate and Land Management.

25. The Department continued to look after the work of acquisition of lands and preparation of layouts, etc., as before.

Possession in respect of 27 properties was obtained during the year under report. Acquisition proceedings of 68 other sites both in the City and Suburbs were in progress during the year under report. In about 27 cases, Government had been requested to acquire land for Municipal purposes and notifications were awaited. 38 Municipal plots in Sewri-Wadala Estate, were acquired by Government for staff quarters of the Central Government. There were no changes in layout in *ex*-Trust Estates.

Out of the total area of 2,879 acres acquired by the *ex*-Trust, about 37.3 per cent. remained to be developed and out of the developed area 1.09 per cent. remained to be leased, including an area of 1,64,680 sq. yds. reserved for Municipal purposes. At the end of the year, the area of undeveloped land was the same as in the previous year, *viz.*, 51.97 lacs sq. yds.

During the year, in all 10 plots covering a total area of 42,374 sq. yds. and valued at Rs. 12.30 lacs were leased on long leases. The total number of plots disposed of upto the end of the year was 4,306 with an area of 60,88,677 sq. yds., valued at Rs. 12,79.37 lacs as against 4,296 plots with an area of 60,46,303 sq. yds., valued at Rs. 12,67.05 lacs, respectively, upto the previous year. Commutation of ground rent in respect of plots leased on long term basis is being discouraged as the same is not considered advantageous to the Corporation. The amount received by way of commutation of ground rent and premium during the year was Rs. 12.65 lacs as against Rs. 7.54 lacs in the preceding year.

At the commencement of the year, the Department had in its charge 529 acquired or surrendered buildings against 542 in the preceding year. These contained 5,148 tenancies. At the end of the year there were 491 buildings with 4,906 tenements, the difference being due to demolition of 60 structures and addition of 22 during the year. New residential accommodation made available in the houses erected by lessees during the year comprised of 406 tenements.

The gross demand from 4,906 tenements in the acquired and re-entered buildings amounted to Rs. 10.35 lacs. Deducting therefrom losses on account of vacancies and concessional rents, the net demand for the year was Rs. 9.97 lacs. The net revenue collected amounted to Rs. 10.17 lacs which was 81.32 per cent. of the total recoverable amount including the arrears of Rs. 2.53 lacs for the previous years.

In addition to tenements already constructed during the previous year, construction of tenements at Wadala, Horse Shoe Valley at Ghatkopar, Rawli Camp, Bane Compound, Foras Road and Worli was completed. 80,509 tenements were constructed and 39,070 tenements were demolished, thus showing an excess of 41,439 new tenements over demolished ones.

The gross demand for *ex*-Trust permanent chawls was Rs. 19.17 lacs, while the revenue collected was Rs. 16.72 lacs as against Rs. 17.69 lacs and Rs. 16.67 lacs, respectively, in the previous year. Deducting out-going of Rs.13.35 lacs, the net income was Rs. 4.34 lacs during the year under report. Deducting therefrom Rs. 12.96 lacs, as the Sinking Fund and interest charges for these tenements at the rate of 4.61 per cent. on the capital expenditure incurred prior to 1919-20 and 6.35 per cent. on expenditure incurred in the subsequent years, the Corporation suffered a net loss of about Rs. 8.62 lacs on these tenements during the year under report.

The average population in the chawls during the year was 96,529 as against 87,385, 81,010 and 72,626, in the previous three years, while the corresponding figures for semi-permanent sheds including Labour Camp were 57,709, 52,772 46,060, and 44,041, respectively.

During the year under report, amounts of Rs. 1.78 lacs and Rs. 0.59 lacs were transferred to Rent Equalisation Fund and Amenity Fund created by the Corporation to compensate the loss suffered by them in the maintenance of Municipal tenements.

The gross demand in respect of rooms in S.P. Sheds was Rs. 5.79 lacs. Deducting therefrom the losses due to vacancies and concession in rents, the net demand for the year was Rs. 5.71 lacs. The actual collections amounted to Rs. 5.96 lacs which was 73.29 per cent. of the recoverable amount including arrears.

The Department looked after 17 properties requisitioned for A.R.P. purposes consisting of 425 tenements and 660 tenements constructed for explosion victims at Arthur Road, Fergusson Road and Wadala Road.

With a view to relieving housing shortage in the City, the Corporation permitted construction of an additional floor on buildings on the plots in *ex*-Trust and Shivaji Park Estates. In accordance with this policy, additional floors over 69 buildings were sanctioned to be constructed during the year on payment of extra premium of Rs. 6.57 lacs and extra ground rent of Rs. 32,861. Construction of 41 motor garages on the compulsory open spaces of plots in these Estates was also sanctioned during the year on payment of extra premium amounting to Rs. 76,083 and extra ground rent amounting to Rs. 3,804. During the year, 200 cases of encroachment on compulsory open spaces and change of user were detected and action to remedy the irregularities was taken.

With the object of maintaining sanitation, etc., in the Municipal chawls and buildings, enforcement of Bye-laws framed by the Corporation was continued along with the propaganda

work and the supervision of the inspecting staff, during the year, as a result of which fines amounting to over Rs. 50 were recovered. First Aid sets and sick-room requisites, such as thermometers, hot water bottles, etc., were maintained at 8 Chawl Centres, Matunga Labour Camp, Dharavi and Mankhurd Colonies.

With the amendment of the Bombay Municipal Corporation Act, the Municipal Commissioner was entrusted with Summary power of eviction for non-payment of Municipal dues, etc.. Accordingly the Assistant Municipal Commissioner started the work on 15th January 1962. During the year 1,015 ejectment suits were filed against the tenants for sub-letting rooms as also for recovery of arrears of rent, taxes, etc., as against 1,029,495 and 907 in the previous three years. An expenditure of Rs. 5,649 was incurred during the year in connection with suits previously filed. A sum of Rs. 18,777 was recovered towards Court costs. Some of the suits are still pending in the Court.

At the end of the year, the number of unbuilt plots already in the possession of the lessees was 70. These plots were lying vacant as the lessees thereof could not start construction work on account of scarcity of building materials and their prohibitive prices. The number of plots of which possession could not be handed over to the lessees on account of temporary lettings and occupation thereon was 383.

Water Supply

26. The Tansa and the Vaitarna Lakes, the principal sources of the City's water supbly, overflowed for about 51 and 114 days, respectively. The Tulsi Lake also overflowed for about 60 days. The Vehar Lake overflowed for 14 days during the year under report.

The average daily supbly to Greater Bombay during the year under report was about 915.47 mega litres as against 914.56, 855.90 and 847.67 mega litres in the previous three years. During the year, the quantity of water supplied to Greater Bombay was 3,39,453.03 mega litres against 3,33,817.10, 3,13,266.64 and 3,09,407.80 mega litres in the preceding three years. Quantity of water supplied to the City proper was 2,68,618.14 mega litres. Out of the above quantity, supply to the Thana Municipality was 2,959.40 mega litres as against 2,510.72 mega litres in the previous year. Water supplies to bodies outside the limits of Greater Bombay was 5,040.10 mega litres as against 4,430.03 mega litres in the preceding year. Of the total supply to Greater Bombay, a quantity of 1,73,827.25 mega litres or 64.454 per cent. was for domestic purposes as against 1,76,488.405 mega litres or 65.61 per cent. in the previous year which registered a slight decrease. The average daily supply (for all purposes) per head on the basis of the population of 41.52 lacs of Greater Bombay as per the Census Report of 1961 was 223.98 litres, while that for domestic purposes only worked out to 138.96. Percentage of total supply for domestic and other purposes worked out at 61.99 and 38.01, respectively. The total quantity of water supplied to the City by meter measurement for domestic purposes was 35,724.86 mega litres and that for trade purposes was 52,572.83 mega litres, of which 22,024.51 mega litres were consumed by mills, *i.e.*, 8.29 per cent., and 6,028.36 mega litres were consumed by the Bombay Port Trust *i.e.*, 23.32 per cent. 40,292.70 mega litres of water or 15.100 per cent., were wasted due to leaks and other losses through Municipal mains, etc. The percentage of the use of water was 18.886 for trade purposes, 0.208 for public purposes, such as, fire, road watering, etc., and 64.454 for domestic purposes for the City while the percentage for domestic and non-domestic use for the Suburbs was 53.83 and 31.22, respectively, and for the Extended Suburbs was 41.64 and 46.27, respectively.

There were two major bursts on trunk mains, one at Balcum on 72" East mains at 49 K.m. (Mile 30/3) on 6-5-1961 and the other at Kurla on 24" Vehar Main at the junction of Magan Nathu Road and Agra Road on 15-1-1962. There were 104 major leaks, and 3,200 minor leaks on trunk mains and 160 leaks in the masonry aquaduct line and 2,060 leaks on syphon mains. All the leaks were repaired expeditiously.

Water from the two lakes (*viz.*, Tansa and Vehar) was sterilized by chlorine treatment. Tulsi supply was given alum treatment for coagulation. Amoniation was carried out as in the past on the duct supply at Bhandup.

The total calls received from the Fire Brigade Department were 1,985 as against 1,969, 1,728 and 1,780 in the past three years. They were promptly attended to. The total quantity of water used on fires by the Fire Brigade was about 10.75 mega litres as against 15.10 mega litres in the previous year. In order to enable the staff to attend to fires promptly, three fire vans were permanently maintained throughout 24 hours, one at 'E' Ward, second at 'F/S' Ward Office, and the third one at G/S Ward Office.

11 Gardens in the Outside City Division were maintained during the year. Both Vaitarna and Tansa lakes were very popular with picknickers. Total number of visitors at Vaitarna and Tansa were 20,620 and 15,750, respectively. The Vehar Lake and

Garden and the Powai Park continued to be popular with the public especially on Sundays and Holidays.

The Health Resort Camp at Vaitarna consisting of 3 Class I type and 6 Class II type quarters equipped with furnitures, and kitchen articles was opened to public from April 1961 and there was a good response from the public. The advantage of the Road joining Aarey Colony and National Park which passes along the boundary of Tulsi Lake was taken by the public and a large number of picknickers visited Tulsi Lake. A building for a refreshment stall was constructed at Pawai Park at a cost of Rs. 15,200 during the year.

The number of complaints about short supply, etc., was 8,657 during the year as against 5,369 in the previous year. In addition, 28,788 nos. of complaints on account of temporary shortage of water were received and remedied. 4,681 notices were issued on owners of houses for defects in water fittings on their premises, as against 4,993 notices in the previous year.

Out of these 1,061 prosecutions were launched resulting in 695 convictions and recovery of Rs.4,273 as fines. 526 Notices were issued for improvement of private water supply during the year of which 85 were for premises without Municipal Water Supply, 620 prosecutions were lauched in all in this respect out of which 312 resulted in convictions, 94 were withdrawn and 195 cases were pending disposal at the end of the year. The total amount of fines recovered was Rs. 2,816.50.

14,294 meters of various sizes were maintained during the year as against 13,057 in the previous year. 3,245 Municipal meters and 803 private meters were tested at the Municipal Meter Testing Shop. In addition 1,193 new meters of private parties were tested. Total revenue derived for meter testing during the year was Rs. 4,970.

The total number of water connections in the City was 70,527 as against 67,615 and 65,989 during the preceding two years. During the year 1,963 new connections were made. The figure for the previous year was 13,768 meter of randon sizes were on these connections during the year. The figure for the previous year was 1,529. The revenue derived from the supply of water by meter measurement during the year amounted to Rs. 2,97.96, lacs as against Rs. 2,32,17 lacs during last year for the City only.

During the year 1,572 cases were reported to the Standing Committee for severance of water connections for non-payment of taxes, etc., as against 1,154 in the previous year. Of these, in 160 cases, water connection was cut off but subsequently restored, in 56 cases it was cut off and in the remaining cases, orders were not carried out as the consumers complied with Municipal requisitions.

For preventing contamination in congested localities, the Corporation sanctioned the scheme for renewing all communication pipes by new pipes wrapped in bituminised Hesian cloth impregnated with corrosion resisting solution and for laying additional service mains, where required, in sides of wide roads in 'C' Ward and part of 'D' Ward. The work was started in October 1960 and completed during the year under report. 12,281 Nos. of communications pipes were renewed and 506 Nos. of disused connections were cut off during the year. Due to completion of this work the incidence of sewage cantamination was greatly reduce in these areas.

Wherever it was obvious due to evaluation of samples collected or due to presence of foul smell that contamination of water was obvious, leakages were detected by sounding underground water mains and appurtenances and consumers' pipes and fittings with the help of an electronic underground leakage detector or by use of sounding rods and by inspecting consumers' pipes in house gullies. The defects so detected were rectified by repairing the leakages in pipes, cutting of disused connections, flushing hydrants, etc.

Besides these measures, intensive disinfection of the service and distributory mains was done by means of mobile chlorinators in areas likely to be affected by polution until the source of contamination was detected and the samples of water were found potable.

318.51 meters of 4", 3668.64 meters of 6" and 2,505.76 meters of 9" mains were laid in wide roads during the year in this area.

A similar scheme was sanctioned by the Corporation for 'B' and 'E' Wards on 4th January 1962 and the work in 'B' Ward was started during the year.

In order to remove silt in the water mains and appertenance, Hydrants in the City were flushed every two months on an average. In all 47,361 times such flushing was done during the year.

The programme of progressively metering all domestic water supply in the City was stopped due to restriction on import of water meters and metering programme was restricted to trades and new residential buildings on flat system. 205 new proprties were metered as against 94 in the preceding year.

During the year 913 estimates of compounded water charges for water used for construction purposes were framed resulting in the total revenue of Rs. 5.95 lacs as against 9,28 cases with a revenue of Rs. 5.03 lacs in the previous year. In addition 546 estimates for 'D' and 'F' Budget areas were prepared with a revenue of Rs. 1.86 lacs as against 983 estimates and revenue of Rs. 3.01 lacs in the previous year.

The work of maintenance of five gardens *viz.*, (*i*) Hughes Road Slope Garden, (*ii*) Sir Pherozeshah Mehta Garden (also known as Hanging Gardens), on the top of the Malabar Hill Reservoir, (*iii*) the Ladies' and Children's Gardens at Ridge Road, (*iv*) the Kamala Nehru Park and (*v*) Joseph Baptista Garden on the top of the Bhandarwada Hill Reservoir, was under the control of this Department. The total cost of maintenance of these gardens amounted to Rs. 43,000 during the year under report. The Kamala Nehru Park and Sir Pherozeshah Mehta Gardens were illuminated with multi-coloured lights on all Saturdays, Sundays and Public Holidays except during monsoon. Special illumination arrangements were made on Republic Day on 26th January 1962.

With a view to attend promptly to the complaints regarding water supply from the Municipal tenants, special staff was appointed and 11,747 works of different nature were carried out as against 888 in the previous year.

771.78 kw. (*i.e.*, 497 running miles) of water mains were maintained by the Department during the year under report. 60,294 works pertaining to repairs to communication pipes, cleansing of chokes in consumer's pipes and fittings, etc., were carried out as against 50,352 during the preceding year. The total cost of general works and repairs was Rs. 1.40 lacs. 7,008 repair jobs were carried out during the year. 3 stand-by gangs were maintained to carry out urgent work., 679 sluice valves of various sizes were repaired during the year. During the year 1435.29 meters of water mains were scrapped for improving their discharging capacity.

The work of clearing the pipes and fittings beyond the stop-tap in the Dadar-Matunga district sanctioned by the Corporation in view of the fact that Vehar water supplied to this area contains algae and shells resulting in frequent chokes, was continued and 624 connections aggregating to 35.0 kw. of consumers' pipes were cleaned at a cost of Rs. 7,000 during the year under report. 28 Dirt. boxes were also cleaned every month during the year. On receipts of complaints 6,311 meter strainers were cleaned during the year as against 4,682 in the previous year.

4,95,310 pipes and fittings were tested during the year. Of these 4,16,014 were for private parties, the revenue derived therefrom being Rs. 55,341.

A large number of drinking fountains and cattle troughs were temporarily closed down on account of the frequent thefts of the fittings by the miscreants. The Flora Fountain was regularly played during the after-noon and the fountain was flood-lit during the night.

To save foreign exchange one Loco 8 to 10 tonnes capacity and one trailer were fabricated in the Ghatkopar Workshop at a cost of Rs. 23,000. The Standing Committee congratulates this effort on the part of the Department and desire that necessary encouragement should be given to the staff who carried out the said work and that such efforts should be continued with increased vigour.

During the year, Worli Hill Reservoir with a capacity of 22.72 mega litres was put into commission from 1-10-1961. This improved the water supply conditions in the Worli neighbourhood unit and D. D. Chawls areas which are being fed from this Reservoir.

Various welfare activities were sponsored during the year under report in the City, Out side City and Head works divisions for the benefit of the staff of the Department. Dispensaries at Ghatkopar, Kapurbaodi and Powai continued to give medical assistance to the staff of the Department as in the past. Similarly Dispensaries were also maintained at Vaitarna and Tansa for the benefit of the staff stationed there.

Free milk was supplied as in the past from the gift of milk powder from the Lions Club, to the children of workers with a salary of less than Rs. 100 upto the age of 8 years.

The total expenditure incurred on water works amounted to Rs. 4,05.31 lacs including Rs. 3,23.69 lacs for interest, Sinking Fund charges, etc., for loans raised for water works.

The total revenue derived was Rs. 3,81.86 lacs, the excess of income over expenditure thus being Rs. 23.45 lacs. The total expenditure incurred out of Loan Funds during the year a mounted to Rs. 65.94 lacs.

The Standing Committee view with concern the big gap in the expenditure and income from Water Supply since this is a revenue yielding service and in present difficult financial position the Corporation cannot afford to lose on this account. Ways and means must be found out by the executive to wipe out the huge loss as disclosed with the closing of the Accounts.

Vaitarna-*cum*-Tansa Scheme.

27. The main works in respect of this Scheme were completed between the years 1949 to 1955. During the year under review, the works of improving and asphalting of Tembha-Bel Nala Road and Bel Nala-Tansa Road were in progress.

In September 1961, a leakage was detected to the branch tunnel leading to 120" pipe line. While dewatering operations were in progress a welded joint of the 120" pipe line got cracked. A Committee of experts-Sarvashri Chaphekar, retired Chief Engineer, Maharashtra Government, J. A. Taraporewala, *ex*-Director of Technical Education and N. K. Murty, Chief Engineer, Koyana Project was appointed to investigate and suggest remedies in the matter.

Land Acquisition.—Out of the total area of 3,995 acres, involving 647 holdings of private, Inam and Government lands, awards of compensation amounting to about Rs. 11,58,410.22 in respect of 561 holdings were declared during the year. An area of 30 Gunthas of land temporarily acquired in one case for approach road was proposed for permanent transfer to Municipality, the remaining lands having been released by the Municipality on completion of the respective works.

Out of the total area of 35 acres of private, Government, Railway, Customs, Military and Aerodrome lands comprising 166 holdings acquired for the work of laying the 96" diameter pipe line from Powai to Mahim, awards of compensation amounting to Rs. 12,840.91 in respect of 116 holdings were declared. Further proceedings were in progress.

Master Plan for the Distribution of water supply.

The Master Plan for distribution of water supply in Greater Bombay was sanctioned by the Corporation under their Resolution No. 1530, dated the 14th March 1956. This, however, had to be modified in view of merger of Extended Suburbs, heavy demand of water by new industries, heavy demand of Towns and industries, en route, etc. The original block estimates have been revised and the work is now estimated to cost Rs. 12.83 crores as against Rs. 7.52 crores originally estimated.

The Worli Hill Reservoir, the work of which was completed last year, was put into commission in October 1961. The work of Control Room and of laying outlet mains were carried out by contract and were completed in June 1961. The preliminary works, such as hill-cutting levelling, etc., in respect of other Reservoirs were complete or nearing completion. Steel plates and re-inforcement bars required for the works were purchased in advance. The work of fabricating and supplying steel pipes and specials required for the first stage of Master Plan has been completed. The fabrication of pipes, etc., for second stage was in progress.

Filtration of Water Supply.—The scope of work regarding filtration of water supply was restricted to the laboratory and on small scale field models. During the year under report construction of pilon plant was undertaken.

Works on Pilot (Filtration) units proposed under the estimate of Rs. 18,75,610 and sanctioned under Corporation Resolution No. 605, dated the 11th June 1960, were commenced in 1960 and Pilot units of slow and semi-rapid sand filters were completed and put into commission. Other units for Vehar and Tansa Waters were being provided at Powai, under the same programme.

The work of gauging the flow of Dahisar and Kalu rivers and measuring the rain fall was continued on the lines of last year. Certain preliminary works such as survey for diversion of road, land acquisition and trial bores for investigation of foundations along the proposed dam were undertaken.

Certain works in connection with (*i*) enlarging the 72" dia. Tansa East and West mains to 96" dia. (*ii*) arrangements for diverting Vaitarna and Tansa waters into Vehar Lake at Bhandup, and (*iii*) replacement of a portion of 72" dia. main at Bhandup were also carried out.

Messrs. Structural Engineering Works who were entrusted with work of replacing the existing duct line with 72" R. C. C. pipe line between Tansa and Ghatkopar started manufacturing the pipes during the year under report.

Improvement of the Distribution System under the Master Plan.

In connection with the improvement of the Distribution system of water supply in the City, the work of providing cathodic protection to the portion of 57"> 48" dia. inlet mains to the Bhandarwada Hill Reservoir between Dharavi Anchor Block and Estrella Batteries was in progress.

Fire Brigade.

28. During the year, the total number of Fire Stations were 13 as against 12 in the previous year *viz.*, 11 in the City proper and 2 in the Suburbs. The Vikhroli Fire Station started functioning in its new premises on Bombay-Agra Road from 1st June 1961. The construction work of a Fire Station at Chembur was commenced. A plot of land was acquired on Mahim Causeway for the construction of a Fire Station. A four storeyed building was constructed at Fire Brigade Headquarters to house additional staff, etc.

The Fire Brigade received during the year 2,694 calls as against 2,547, 2,256 and 2,220 calls during the preceding three years. Out of these 1,672 calls were for 1,358 actual fires as against 1,689, 2,256 and 1,324 calls during the preceding three years. 470 calls ware false alarms, of which as many as 162 were due to malicious interference with street fire alarms, as against 410, 394 and 393 in the preceding three years. 525 calls as against 410, 368 and444 in the preceding three years were for special services, such as, house collapses, rescue works, etc.

During the year under report One Motor Emergency Tender-*cum*-Fire Tender and one Hose Laying Lorry-*cum*-Canteen Van were added to the equipments.

The Wireless Scheme was put into operation with three fixed installations at Head Quarters, Andheri Fire Station and Vikhroli Fire Station and 12 mobile sets on Fire Engines and Ambulances. Thus the first phase of Radio Telephony scheme was completed during the year under report.

The City continued to be served by 208 fire alarms posts (including private ones), as against 206 in the preceding three years.

There were 9 serious fires during the year. The estimated total loss to property damaged by fire was about Rs. 0.82 Crores as against Rs. 0.76 Crores, Rs. 1.71 Crores and Rs. 1.29 Crores during the previous three years. The value of the insurance of properties affected by fire was about Rs. 78,29,287 as against Rs. 28,94,966 and Rs. 1.44 Crores in the previous two years and the total value of the property involved was worth Rs. 60 Crores as against Rs. 46.69 Crores, and Rs. 35.43 Crores in the preceding two years.

During the year 104 persons lost their lives due to fires, of which 16 were men, 73 women and 15 children. 90 persons received minor injuries and 11 persons lost their lives in 197 incidents of House Collapses during the year as against 189 in the previous year. In all 57 persons died before arrival of the Brigade.

The approximate quantity of water used in extinguishing fires was 33.93 lacs gallons, of which 27.80 lacs gallons were drawn from Municipal mains, as against 47.32 lacs gallons and 37.65 lacs gallons, respectively, for the preceding year and the rest from the sea, wells, ponds, etc.

During the year under report, extra activities such as taking part in the Ceremonial Parade on Republic Day in Annual Drill competitions, etc. were undertaken. Four batches of trainees from National Fire Service College, Government of India, at Nagpur were entertained for practical training as well as visiting various industrial concerns, docks, etc. Two officers of the Brigade were sent to the National Fire Service College, Nagpur, for training in the Divisional and Assistant Divisional Officers' Courses. A regular programme of six hours a day spread over a period of 3 months was introduced for imparting training to recruit officers and firemen. A technical Advisory Committee was appointed during the year drawing up the sylabii for the training of recruit officers, to consider publication of Bulletins in Marathi on the subjects pertaining to fire-fighting, etc., services which the Firemen are required to attend, etc.

During the year 4,083 premises were inspected as against 4,032 in the preceding year and 658 complaints were investigated as against 687 in the preceding year.

Ambulance Service.

The total number of calls within the limits of Greater Bombay received during the year was 7,726 of which 1,456 were for accidents, 1,959 for maternity cases and 4,311 for hire cases, removing in all 7,398 persons as against the corresponding figures of 7,307 1,603, 1,621, 4,083 and 7,139 in the preceding year. First-Aid was rendered by the Ambulance staff on 262 occasions as against 191 occasions in the previous year.

The total receipts on account of hire cases amounted to Rs. 43,443 including arrears of the previous year, as against Rs. 35,206, Rs. 30,099 and Rs. 26,398 in the preceding three years.

The annual maintenance cost of the Fire Brigade Department including the ambulance service but excluding the charges of Provident Fund, Pension, Dearness Allowance, New Works and Debt Charges, etc., was Rs. 13, 93, 688-93.

Public Gardens.

29. During the year under report, the Department maintained 116 sites for public recreation, consisting of 28 Gardens, 4 Fountains, 5 Band Stands, 7 Traffic Islands, 5 Open Spaces, 62 Recreation grounds, 1 Statue and 4 Box Hedges. Five new gardens were added, *viz.*, at Zaobawadi, Girgaum, 2nd Fanaswadi, Queens Cemetery, Plot Opp. Sion Hospital and Kamathipura 10th Street. During the year, gardens in the (*a*) Kasturba Hospital, (*b*) T.N. M. College Hostel ; (*c*) K.E.M. Hospital; (*d*) G.T.B. Hospital; (*e*) L.T.M.G. Hospital, and (*f*) Dadar T. B. Clinic were placed in charge of this Department. There were 29 Band Programmes, 15 Indian Vocal Music Programmes, 76 Orchestra Programmes and 233 Recorded Music Programmes at different gardens. In addition to this, music broadcast by the All India Radio was relayed every day in the Victoria Gardens between 5 P.M. and 7 P.M.

Victoria Gardens.—During the year, the plots around the new Reptile and Monkey Houses were raised, levelled up, etc. The provision of boating facilities has been introduced from October 1961 and the same is becoming popular. Elephant, Camel and Pony Rides inside the Victoria Gardens which have proved popular among children visiting the gardens were continued during the year as before.

The Open Air Theatre in the Victoria Gardens continued to be popular mostly among the poor and middle class people. The annual yield by way of rent for reservation of the Theatre on 77 occasions came to Rs. 5,862 as against 87 and Rs. 6,202, respectively, during the preceding year.

In view of the various attractions provided at the gardens, the number of visitors thereat was on the increase like last year. The Department also took part in the Vegetable, Fruit and Flower Show and celebrated Wild Life Week during October 1961 in the Victoria Gardens under the advice of the Indian Board for Wild life. 1,308 trees were planted on newly constructed roads and as replenishments, etc.

During the year, the live stock in the Zoo increased by 6.8 per cent. as compared to the decrease of 13.4 per cent. last year.

During the year, 198 wild animals and birds were treated in the Zoo Hospital and 167 specimens of patho-bacteriological interests were examined free of charge at the Bombay Veterinary College.

Special repairs, etc., were carried out during the year under report at the Victoria Gardens and other gardens at a total cost of Rs. 1,95,980.

The total expenditure of the Gardens Department during the year amounted to Rs. 10.30 lacs as against Rs. 9.75 lacs, Rs. 10.23 lacs and Rs. 7.10 lacs during the preceding three years and the income of Rs. 83,257 as against Rs. 80,812, Rs. 72,994 and Rs. 67,777 during the preceding three years. Major items of receipts are (1) Receipts from other Gardens-Rs. 27.854.48 and (2) Sale of flower plants—Rs. 21,975.96. There is a steady progress on the Income side which is encouraging.

Victoria & Albert Museum.

30. The Museum was kept open to the public for 303 days as against 304, 231 and 228 days in the preceding three years. The total number of visitors during the year was 7.40 lacs as against 7.69 lacs, 6.13 lacs and 7.12 lacs of the preceding three years. During the year 15,091 students from Primary Schools visited the Museum as againsg 15,023 during the preceding year. The practice of keeping the Museum open on Wednesdays for ladies and children and parties of students of primary schools only was continued during the year. The Museum remained closed on Mondays and important holidays.

Reference service was rendered to about 225 students, scholars, businessmen, etc.

The amounts realised by the levy of an admission fee of Rs. 5 nP. per visitor above 12 years of age on 204 ticket days was Rs. 18,117.30 as against 176 ticket days and Rs. 15,520.84, respectively, in the previous year.

The total expenditure on the maintenance of the Museum during the year was approximately Rs. 0.46 lac as against Rs. 0.48 lac, Rs. 0.47 lac and Rs. 0.50 lac during the previous three years.

Municipal Free Reading Rooms & Libraries.

31. During the year under report, the number of Libraries maintained was 15 as against 14 in the previous year. Peoples' Free Reading Room and Library at Dadar was taken over under Municipal management from 1st November 1961. 3,032 new books on various subjects and in five different languages were purchased at an aggregate cost of about Rs. 9,998, as against 1,310

1,100 and 1,003 and Rs. 4,000, Rs. 3,209 and Rs. 2,763, respectively, in the preceding three years. The Standing Committee would reiterate their suggestion for locating Municipal Libraries in more commodious and well-ventilated premises wherein a sufficient number of books can be maintained for the benefit of the numerous readers. The Committee further stresses the necessity of increasing the present number of Libraries substantially to meet the growing needs of citizens, especially in the Labour and backward areas.

The total number of visitors to the Reading Rooms and Libraries situated in the City during the year was 3.63 lacs as against 3.17, 3.15 and 2.90 lacs during the preceding three years.

The expenditure in running the Libraries during the year amounted to Rs. 83,281 and the Income to Rs. 2,972.41 as against expenditure of Rs. 80,709, Rs. 72,262 and Rs. 64,732 and Income of Rs. 1,987.06, Rs. 385.14 and Rs. 1,949, respectively, during the preceding three years.

Central Stores

32. Tenders were invited for the purchase of stores during the year in 177 cases as against 93, 191 and 192, in the previous three years and the number of contracts entered into for the various scheduled articles was 288 as against 272, 225 and 220 in the preceding three years. The value of stores and other materials purchased including articles received from other Departments on Return Stores Mema. during the year amounted to Rs. 129.04 lacs as against Rs. 191.69, Rs. 149.53 and Rs. 104.39 lacs, during the previous three years. Of the total purchases made, stock of the value of Rs. 126.10 lacs was of Indian Manufacture and the balance, *viz.*, Rs. 2.94 lacs represented the value of foreign goods. During the year 7 Import Licences were received, the total purchase value of which amounted to about Rs. 65,813. Due to Government restrictions on import, many of the applications for Import Licences for Plant and Machinery were rejected by the Government and the Department had to procure materials of indigenous make only and in some cases to abandon the proposals.

During the year, about 41,606 Metric tons of cement worth about Rs. 59.14 lacs were purchased. Likewise 2,348 Metric tons of materials worth about Rs. 16.27 lakhs, 3,31,545 R. ft. of Galvanized iron pipes worth about Rs. 3.09 lacs, 1,58,006 R.ft. of Cast Iron Pipes worth about Rs. 11.43 lacs, 2,01,434 yards of cloth worth Rs. 2.54 lacs were also purchased. Similarly the Department also purchased 60,050 K.G. of Grain (Gram and Wheat grain) for Head Supervisor and the Superintendent of Gardens worth Rs. 27,600 and 2,483.84 Quintals of wheat and rice for various municipal hospitals and Maternity Homes worth about Rs. 1.27 lacs. Municipal Hospitals and Maternity Homes were suitably grouped for inviting tenders for dietary articles. There were about 24 tenders for dietary articles amounting to Rs. 15.86 lacs approximately.

4,730 orders for the purchase of stores against 6,541, 5,325and 4,885 in the preceding three years were placed with contractors and other dealers. Against these purchase and stock on hand, the consuming departments submitted 21,990 indents and Sales Mema. as against 43,028, 44,059 and 42,444 in the preceding three years. The total turnover of the department, *viz.*, Receipts and Issues of stores during the year was Rs. 2,68.62 lacs as against Rs. 347.21 Rs. 267.29 and Rs. 217.79 lacs in the preceding three years. At the close of the year, the department had on hand stores of the value of Rs. 85.85 lacs as against Rs. 98.63 and Rs. 61.47 lacs, in the preceding two years.

The total amount realised by the sale of unserviceable articles through private offers including mixed scrap amounted to Rs. 2.65 lacs as against Rs. 1.19 lacs and Rs. 45,700 in the preceding two years. Cast iron scrap was retained for issuing to Municipal Contractors for manufacturing castings as per condition of the contract.

With a view to reduce the influx of indents the method of indenting was changed, whereby the indents are spaced out since October 1960, and each consuming department is apprised of its day for drawing the materials from the Central Stores. Similarly with a view to minimise the pressure of work the old practice of restricting the work of inviting tenders during the months of October to January was given up and instead the tenders and contractual years were staggered throughout the year.

With a view to facilitating easy and speedy removal of materials required by the offices situated in the Suburbs and to save considerable amount by way of transport, it was decided to open a Stores Depot at Vikhroli for which a plot has been acquired during the year. Detailed estimates for filling in the plot and construction of a compound wall have already been approved by the Works Committee. Detailed estimates for provision of Office, godown, etc. are under preparation.

Licences.

33. During the year about 26,899 licences and permits were issued as against 40,451, 38,411 and 39,908 in the previous three years. The amount of fees recovered therefrom came to Rs. 11.50 lacs as against Rs. 12.04 lacs, Rs.13.40 lacs, and Rs.11.68 lacs in the preceding three years. At the end of the year, an amount of Rs. 3,69,492 was outstanding as against the outstandings of Rs. 1,25,781, Rs. 1,54,943 and

Rs. 2,52,348 for the previous three years. It is reported that out of these outstandings, an amount of approximately Rs. 2,27,127 has been recovered. The total licence fees will thus be Rs. 14.23 lacs approximately as against Rs. 13.88 lacs and Rs. 14,88 lacs for the previous two years.

The total number of permits issued for exhibiting sky-sings, advertisement etc., was 2,296 realising Rs. 6.50 lacs as revenue. The corresponding figures for the last three years were 2,869, 3,956 and 3,566 permits and the amount of the fees collected came to Rs. 6.20 lacs, Rs. 5.11 lacs, and Rs. 4.73 lacs, respectively. The advertisement fees were revised under, Corporation Resolution No. 2352, dated the 31st March 1960.

The Department instituted 3,956 prosecutions for offences under Sections 328, 328A, 394 and 412-A of the Bombay Municipal Corporation Act, as against 4,476, 3,530 and 2,964 during the previous three years. The total amount of fines inflicted was Rs. 24,676 as against Rs. 33,905, Rs. 24,149 and Rs. 21,930 respectively during the previous three years.

The number of squatters and hawkers licences issued during the year was 45,523 and the earnings therefrom amounted to Rs. 6.94 lacs as against 51,902, 46,347 and 42,977 fetching Rs. 5.74 lacs, Rs. 4.10 lacs and Rs. 4.73 lacs, respectively, during the preceding three years. The outstanding amount of licence fees from squatter licences as on 31st March 1962 was about Rs. 0.26 lac, as against Rs. 0.45 lac, Rs. 0.35 lac and Rs. 0.55 lac in the previous three years.

29,809 Licences were issued during the year for stall-boards and projections and the total realization by way of fees amounted to Rs. 8,56,370.

The Encroachment Removal Section tackled 60,836 hawkers, seizing 1,56,585 items from them. The total collection by way of redemption charges of the goods seized amounted to about Rs. 1.80 lacs and the realization from the auction of unredeemed goods amounted to Rs. 16,189.

Administration of Shops and Establishments Act—City.

34. The total number of establishments under the various categories including Theatres, etc., on 31st March 1962, was 1,10,755 as against 1,08,950, 1,06,050, and 1,04,658, in the previous three years.

During the year under report 1,657 complaints were received in addition to 35 complaints pending from the preceding year, out of which 1,689 were investigated, leaving 3 complaints pending at the close of the year. 482 mass raids, 249 during day and 233 during night, against 481, 432, and 380 in the preceding three years, were carried out upto the end of the year. The total number of visits and revisits paid to different types of establishments was 99,636 of which 77,474 were to shops, 16,000 to commercial establishments, 5,724 to restaurants and eating houses, 350 to residential hotels and 88 to theatres, etc. The corresponding figures of the previous year, were 70,736, 51,626, 1,446, 6,255, 334 and 75, respectively.

At the beginning of the year 1,477 prosecutions were pending while 5,768 new prosecutions were instituted during the year. Of these prosecutions, 5,543 resulted in convictions 11 in acquitals while 1 case was abated, 9 cases were warned and discharged and 179 cases were withdrawn. The number of cases pending at the end of the year was 1,502. The total amount of fines realized was Rs. 1,91,705 as against Rs. 2,49,315, Rs. 1,75,110 and Rs. 1,70,945 in the previous three years.

Total expenditure incurred in administering this Act and the Payment of Wages Act, during the year was Rs. 2,70,965.46 (exclusive of Provident Fund, Leave contributions and supervision charges) against which the grant-in-aid Rs. 2,51,595 was received from Government for the year 1961-62, for meeting the part of the expenditure incurred during the year 1960-61. The corresponding figures in the previous three years were Rs. 2,54,643 and Rs. 1,75,110 ; and Rs. 2,34,459 and Rs. 1,70,945 and Rs. 2,24,904.82 and Rs. 1,59,924.38 respectively.

The total income by way of Registration fees, etc., for the year amounted to Rs. 22,794.95 as against Rs. 18,550.13 and Rs. 14,393.14, in the previous two years.

195 complaints pertaining to the Payment of Wages Act, were received, of which 146, were amicably settled and 14 cases were, on investigation, found to be falling beyond the purview of the Act. In 2 cases investigation was not possible for want of correct addresses of the establishments. It did not become necessary for the department to file any case before the Authority under the Payment of Wages Act. In 4 cases the complainants themselves had filed cases in the Court of Authority under the Payment of Wages Act, whereas in 7 other cases, claims were filed before the Commissioner of Labour. In 22 cases investigations revealed that the same were either fictitious or had no documentary a sufficient evidence to facilitate action. No complaint was pending disposal at the close of the year under report.

With the amendment of the Bombay Shops and Establishments Act, registration certificates are now required to be renewed annually on payment of prescribed fees The Department has also been entrusted with the Administration of the Minimum Wages Act and the Workmens' Compensation Act.

Markets.

35. Total receipts of the department during the year was Rs. 57.96 lacs against Rs. 58.91 lacs in the previous year, showing a decrease of Rs. 0.95 lacs.

The number of Municipal Markets during the year was 23 including the squatters Area at Parel Village, as against 22 Municipal Markets in the previous year, the addition during the year being the construction of a new composite Market at King's Circle, *viz.*, Mahatma Gandhi Market. The total number of regular stalls therein was 3,452. In addition 800 spaces, were provided on daily payment basis. The net receipts amounted to Rs. 26.19 lacs as against Rs. 25.19 lacs in the preceding year, thus showing an increase of Rs. 1.00 lac. Considering the net additonal receipts of Rs. 1.23 lacs from the newly added Mahatma Gandhi Market, there is in fact no increase in the net receipts during the year under report. This is attributed to the stoppage of receipts from Dadar Market due to Court Case and reducton in feeding fees at the Slaughter House.

The average percentage of vacant stalls per quarter was 2.68 as against 3.47, 2.78 and 4.36, respectively, in the preceding three years. The total receipts from stallage charges, squatter fees, scale-shed fees and licence fees, etc., in respect of all Municipal markets amounted to Rs. 37.47 lacs as against Rs. 35.56 lacs Rs. 28.63 lacs and Rs. 26.77 lacs in the preceding three years. During the year under report, works of repairs, improvements, extensions, etc., to several Municipal markets were carried out. The work of collecting scale fees at the Arthur Crawford Market continued to be carried out departmentally and the revenue collected therefrom amounted to Rs. 8.33 lacs as against Rs. 8.19 lacs, Rs. 4.92 lacs and Rs. 4.42 lacs realized in the preceding three years.

The number of private markets during the year was 17 as against 17, 20 and 20 in the previous three years. The number of outside meat shops was 190. The licence fees realized from private markets and outside meat shops were Rs. 1,20,040 and Rs. 19,400, respectively.

Surprise raids to detect and prevent the smuggling of animals and contraband meat and unauthorised slaughter as also insanitation and congestion in markets were carried out during the year. The total quantity of contraband meat seized and destroyed was 65,410 Kgs. as againsg 93,139 Kgs. in the preceding year. In all 1,603 seizures were effected in different parts of the City and 1,569 prosecutions were instituted for illicit slaughter, resulting in conviction of 230 persons and recovery of fine amounting to Rs. 10,890.

During the year, the total quantity of unwholesome articles of food, such as, meat, fish, fruits, vegetables, etc., destroyed was 3,52,769 Kgs. as against 3,62,495 Kgs. in the previous year.

The total number of animals brought to the fair ground at the Bandra Slaughter House during the year was 18.26 lacs as against 19.23 lacs, 18.56 lacs and 17.49 lacs in the previous three years. The total number of animals slaughtered during the year was 12.68 lacs as against 13.27 lacs, 13.09 lacs, and 12.63 lacs during the previous three years. The total quantity of fish brought to the markets was 19,802 metric tons, as against 19,294 metric tons in the previous year.

The approximate weight of dressed carcasses of buffaloes and cattle was 8,451 metric tons against 6,637 tons in the previous year, while that of sheep and goats was 11,988 metric tons as against11,249 tons in the previous year and that of pigs was 309 metric tons as against 312 tons in the previous year.

Major improvements, repairs, etc., were carried out during the year under report at the the Arthur Crawford Market, G.M.C. Market, Plantain Market, Garam Khada Market, Dadar Market, etc.

During the year, the Veterinery Officers carried out inspection of liver and blood consignments imported by certain Pharmaceutical firms from various centres outside Bombay, adding to the Municipal revenue Rs. 35,208 by way of Inspection fees.

The Corporation approved of the scheme for building an up-to-date Slaughter House at Deonar. A working group has been appointed by the State Government to implement the scheme under the Chairmanship of the Municipal Commissioner, with the Superintendent of Markets and Slaughter Houses as Secretary.

Public Health.

36. *Population Census.*—During the year, decennial census operations of 1961 in Greater Bombay, were completed and the population of the City was 27,71,933.

Births and birth rate.—The total number of live births recorded during the year was 74,706 as against 71,044, 74,391 and 67,069 in the previous three years. Of the registered births, 38,198 were males and 36,508 females giving a proportion of 104.6 males to 100 females. The birth rate was 26.8 per 1,000 of the mid year estimated population as against 30.5 in the preceding year. The number of still births was 3,094 or 4.1 per cent. of live births.

Deaths and death rate.—The total number of deaths registered from all causes during the year was 32,506 as against 31,008, 28,527 and 31,372 in previous three years. It was more by 1,101 than the annual average mortality of the preceding 10 years, and by 2,140 more than the mean mortality of the preceding five years. According to the Census population of 1961, the death rate per 1,000 living persons worked out to 11.7 as against 13.3, 12.2 and 13.5 in the last three years. Of the total 32,506 deaths, 18,362 were among males and 14,144 among females. The excess of deaths amongst males may be ascribed to the slight preponderance of males in population. The death rate among females was, however, actually higher than among males, the male death rate being 10.8 and the female death rate 13.3 against 11.9 and 15.8, respectively, in the preceding year. As in the previous years, the diseases of the respiratory system were responsible for the highest death rate of 2.7 per 1,000 of the mid year estimated population. A large proportion of deaths from respiratory diseases occurred among children and infants under 5 years of age. The causes coming next on the list for the year were congenital debility and diseases of early infancy, old age and tuberculosis, giving a death rate of 1.4, 1.0 and 0.8, respectively.

Deaths among infants under one year of age was 8,452 against 7,752, *i.e.* 700 more than the previous year and 141 more than the annual average of the previous decennium. The infant mortality rate for the year was 113.1 per 1 000 of live births as against 109.1, in 1960.

The Standing Committee are constrained to note that for the last several years, diseases of the respiratory system are responsible for the highest death rate every year and that a large proportion of deaths occur among children and infants under five years of age. Likewise the infant mortality rate which was 113.1 per 1,000 is rather on the high side. The Committee consider that the Executive should see what preventive or remedial measures need to be taken to reduce the death rate especially among the Infants.

Maternity and Child Welfare.—During the year under report, the main clinics at the six Municipal maternity homes and 17 maternity and Child Welfare Centres (six main, ten subsidiary clinics and one Maternity unit at Dharavi) were kept functioning throughout the year. Aid was given to the poor mothers delivered at their homes in the form of milk. Milk distribution scheme was continued with the object of giving aid to poor and undernourished women attending Municipal Maternity Homes. The number of deliveries conducted in these Homes was 12,184 as against 13,416, 14,813 and 15,024 in the preceding three years. The average stay of mothers at the Maternity Homes was 5 days. The City had a total of 2,783 maternity beds in the various institutions of which 164 *i.e.* 5.9 per cent. were in the Municipal Institutions. Considering the increasing demand from lower middle class and labour class citizens, the Standing Committee feels that the strength of maternity beds requires to be augmented.

Social services in the shape of ante-natal care at birth, care during infancy and pre-school life were rendered to the public through the six Maternity Homes under the charge of lady Medical Officers with a staff comprising 38 Nurses and 26 Health Visitors. The Health Visitors paid 44,720 visits in various districts against 43,709, 49,808 and 44,534 in the previous three years, while the Medical Officers personally visited 2,209 cases as against 2,665 and 9,031 cases in the previous two years.

With a view to controlling maternal and infant mortality, advice and instructions in spacing births were given confidentially by qualified lady doctors to married women strictly on medical grounds at the 20 Family Planning Clinics. Health Visitors assigned for this work paid domiciliary visits to mothers for carrying on follow-up work and propaganda amongst mothers. The total number of attendance at the clinics was 4,056 as against 10,537, 9,031 and 9,178 in the preceding three years. It is gratifying to note that this scheme is becoming more and more popular among the women, particularly of the low-income group.

The maternal mortality rate recorded during the year remained at 1.6.

Infectious Diseases.—The total number of cases of infectious diseases reported during the year was, 6,935 as against 12,982 in the preceding year. Of these 6,819 (98.3 per cent.) as against 12,872 (99.1) per cent. in the previous year, were from the District Registrar and 116 (1.7 per cent.) against 110 (0.9 per cent.) in the last year were from medical practitioners. There were no cases of Plague. Small-pox caused 2,759 attacks (including 56 originating in other local areas of India) and resulted in 1,192 deaths and Enteric Fever caused 704 attacks

(including 34 originating in other local areas of India) with 107 deaths. Diphtheria caused 1,488 attacks (including 102 originating in other local areas of India) and 91 deaths. Tuberculosis took a toll of 2,303 lives and the death rate of Tuberculosis was 0.8 per 1000.

The Standing Committee is happy to note the considerable decrease in number of cases of different infectious diseases and are confident that provided proper precautionery measures such as inoculations, vaccinations, isolation are taken, the City will in near future minimize the incidence, if not eradicate this evil.

During the year 2,89,044 persons were inoculated against Enteric Fever as against 1,33,909 in the preceding year. Primary Vaccination and re-vaccination against Small-pox done during the year were 66,952 and 13,20,365, respectively, as against 76,832 and 8,29,632, respectively, in the preceding year.

Dispensaries.

37. The number of new cases treated at the 27 dispensaries and one mobile dispensary was 6,03,278 (3,02,721 males and 3,00,557 females) as against 5,86,645 5,22,725 and 4,45,095 in the previous three years. In addition to the above dispensary work, women's and children's clinics were conducted by three part-time lady doctors at 6 Municipal dispensaries for two hours thrice a week. The number of new cases treated at these dispensaries was 4,789 as against 4,718 in the previous year. The total attendance numbered 31,787 as against 51,123 in the previous year. These figures include the visits of lady doctors to patients at their homes.

The Municipal Eye Dispensary and Hospital at Kamathipura was attended by two Honorary Medical Surgeons by turns throughout the year. The Hospital has an accommodation for 6 beds each for males and females with a modest operation theatre and a full time resident Nurse. The total attendance of patients was 95,657 as against 1,04,363, 99,183 and 83,433 in the previous three years. The total number of new cases treated was 14,248 as against 14,907 and 13,590 in the previous two years. The number of indoor patients among the new cases treated and total attendance of indoor patients were 374 and 4,797 respectively.

Leprosy.—The control of Leprosy in the City was exercised as before through the Acworth Leprosy Home, Wadala, with an accommodation of 500 beds. In the absence of a Municipal Institution for the isolation and treatment of cases suffering from this foul disease, the Home has been doing commendable work for over 61 years. In addition to this, the Institution conducts a well-equipped out-patients' clinic, the entire cost of which is borne by the Corporation The Corporation also bears the cost on account of 48 beds for the Voluntary patients and 75 beds for the Bombay resident patients. Besides, the payment of cost of Domiciliary Services and Rs. 10,000 for rendering Sulphose treatment, the Corporation pays one third of the recurring expenditure of Greater Bombay Leprosy Control Scheme activities as also the entire cost of Capital Works.

The average daily attendance of patients was 209.7 and the total number of new cases treated at the clinic was 3,182 as against 2,923, 3,082 and 2,945 in the previous three years.

Six Health Visitors appointed by the Municipality (including 1 for Suburbs) and one Medico-Social Worker and three Non-medical Assistants appointed by the Home do the important work of detecting cases of the disease among the contacts of patients. During the year 2,662 cases were examined at their homes and 1,175 persons were pursuaded to attend the Clinic for further examination. In all 10,246 Domiciliary visits were paid by the Health Visitors during the year, first 1,392 and subsequently 8,854 as againt 1,086 and 4,315, respectivly, in the preceding year. The Medical Assistants in charge of Municipal Free Dispensaries have also been specially trained for detection of early cases of leprosy.

The leprosy control problem in Greater Bombay has now been dealt with under the Greater Bombay Leprosy Control Scheme. Eight clinics were conducted, four in the City and four in the Suburbs, for the diagnosis and treatment of leprosy. The clinic at Choksi Charitable Dispensary at Malad started functioning from 1st October 1961. A staff consisting of 1 Honorary Secretary, 3 Assistant Medical Officers, 7 Health Visitors 5 Ward-Boys and two medico-social workers and an experienced clerk was appointed under the scheme.

Group of T. B. Hospitals.

38. The total number of beds for T. B. patients at the Corporation's disposal was 746, *viz.*, Group of T. B. Hospitals, Sewri, 458, Ramkunwar Daftary T. B. Clinic and Isolation Centre, Dadar, 88, and Sarvodaya Hospital, Ghatkopar, 200 (reserved for the Corporation). All the four clinics were managed by well qualified staff and are equipped with appliances necessary for treatment of T. B. patients. The total number of patients examined and put on waiting list was 5,315 as against 6,332 during the previous year. The total number of patients treated was 3,614 as against 3,821 and 3,398 during the previous two years. Of these 2,579 were discharged as

improved, 41 were non-Tuberculosis cases, 77 were discharged as not improved, 248 left prematurely against advice, 221 (as against 321 of last year) died and 414 remained under treatment at the close of the year. The largest number of admissions was within the age group between 16 to 30 years, as against 20-35 years and 21-25 years in the previous two years. Mortality figures revealed high incidence in the age group of 25-35 years. The ratio of deaths per cent. to the total number of patients treated was 7.07. 579 surgical operations in various stages were performed during the year as against 436, 407 and 592 in the previous three years.

The follow-up of discharged patients and giving them A. P. and P. P. refills were continued as before. The total number of such refills given during the year were 9,079 as against 15,033, 18,757 and 19,941 during the preceding three years. 2,255 P. P. Refills were also given in the Wards to indoor patients.

Two new buildings were under construction in the premises of the Hospital, which when completed, will provide accommodation for 300 additional beds. It is hoped that this project will be completed within the scheduled time in view of the growing demand for admission to our T. B. Hospitals.

The total expenditure incurred during the year on the Group of T. B. Hospitals, Sewri, was Rs. 15.21 lacs as against Rs. 16.10 lacs, Rs. 13.46 lacs and Rs. 12.11 lacs in the previous three years. The average expenditure per patient per day was Rs. 9.57 as against Rs. 10.33, Rs. 8.67 and Rs. 7.66 in the previous three years.

For the 200 beds reserved at the Sarvodaya Hospital, Ghatkopar, the Corporation had to pay Rs. 5 per patient per day. Injections are also supplied free by the Corporation for use of patients admitted to the Sarvodaya Hospital. The expenditure incurred during the year by the Corporation in this connection was Rs. 3,64,571 *plus* Rs. 17,812 for medicines, as against Rs. 3,64,526and Rs. 13,618 for the previous year.

At the R. D. T. B. Hospital and Isolation Centre at Dadar, 350 new cases were admitted during the year. 115 cases were discharged as improved, 107 left prematurely against medical advice, 49 died and 79 remained under treatment at the close of the year.

The Poor Box Collections including fees for medical certificates issued during the year amounted to Rs. 30,326. Donations aggregating to Rs. 1,868 were received during the year. The Standing Committee while thanking the donors sincerely hope that donations of this type would be forthcoming more liberally to supplement Municipal efforts in eradicating this disease. The Committee re-iterate that in the interest of the City's health, it is necessary that steps should be taken for detection of such cases in primary stage and for thorough treatment so that mortality may be reduced.

Venereal Diseases.

39. For combating Venereal Diseases, free medical facilities, both preventive and curative, were continued as in the preceding year. During the year, 19,473 cases were treated at the Clinics as against 20,238, 19,466 and 19,713 in the previous three years. Of these 17,029 were males and 2,444 were females. For prophylaxis, 28,629 persons attended the municipal prophylactic centres as against 26,951, 20,885 and 18,272 in the previous three years, the average daily attendance for treatment and prophylaxis being 887.8.

The Medical Officer in charge of ante-natal and post-natal Clinics sent 993 samples (607 ante-natal and 326 post-natal) of blood for investigation of Syphilis. Out of these 92 gave positive results of Kahn's Tests. The positive cases were treated at the respective Maternity Homes for the convenience of patients.

The contact investigation Centre started last year at the Bellasis Road Clinic by appointing two Medico-Social Workers met with encouraging response.

School Health Work.

40. During the year, out of about 2,47,872 School Children in Municipal Schools 39,221 were examined, as against 65,477 in the previous year and of them 31,584 were found defective. The total number of defects was 73,270. The defects noticed were communicated to the guardians. Arrangements to treat 1,940 new and 12,414 old cases were made in the school clinics at the K. E. M. Hospital. During the year 254 schools and classes were visited by the School medical staff to complete the examination of 39,221 pupils, 21,098 boys and 18,115 girls and 8 special cases. The Medical Officers interviewed 1,306 pupils' parents in schools and explained to them the necessity of their children availing of the required treatment. Minor ailments among the children were treated at the nearest municipal dispensaries. Cases with major ailments were treated at the School Clinic at the K. E. M. Hospital, which has been adequately expanded. 210 children with error of refraction were prescribed and supplied spectacles, free of charge. All the Schools were supplied with emergency outfit. 23 children suffering from Leprosy were disallowed from attending Schools. 259 new and 2,688 repeated cases of Dental defects were treated at the Nair Hospital Dental College. 55 children suffering from scabies, ringworms

and boils were treated in the schools by the School Medical Officers. 183 tonsil operations were performed at the School clinics. Three cases of rat bite and three cases of dog bite were treated at the School Clinic. 249 suspected cases of T. B. were screened and examined at the Municipal T. B. Clinics. 74,708 children of Municipal Schools and 16,223 Children of Private Schools were got re-vaccinated. 240 and 615 health talks on subjects of personal hygiene were given to pupils, respectively, by the Medical Officers and the School Health Nurses, in order to inculcate healthy habits.

Mass miniature radiographic examination of 1,290 children from schools in Sewree area was carried out at the Organized Home Treatment clinic, and 1,233 children were vaccinated with tuberculin test. Health talks were given on personal hygiene to the children in Schools, by Doctors and Nurses and 1,504 domiciliary visits and 759 re-visits to ailing children to guide the parents, were paid by the School Health Nurses.

During the year under review 53,130 certified undernourished children could be catered with 6 oz. of pasteurised toned milk at 352 milk distributing Centres. In addition to this, 14,790 children from standards I to IV whether undernourished or otherwise, from the Schools in predominently poorer localities were given milk from 20th November 1961. The supply of milk was, however, stopped for a certain period, due to poor attendance in Schools, non-availability of milk and vacation to the schools. 1,000 children selected for special Nutrition Survey were also supplied with milk during the period from 2nd January 1960 to 20th March 1961. The pupils of Colaba Group of Schools were given milk powder donated by the Lions Club as they were not covered by the milk scheme.

Annual Sports, Mass Drill displays and Scout Rallies were organised by the Education Department for municipal school children in different parts of Greater Bombay where the school Medical Officers were directed with necessary outfit for rendering medical aid to injured participants.

Kasturba Hospital for Infectious Diseases, Arthur Road.

41. The Hospital has a total accommodation of 314 beds. Wards Nos. 17 and 18 with a bed accommodation of 50 each were closed during the year being found unfit for human habitation. Hence the bed strength in the Hospital was reduced from 414 to 314.. Except Tuberculosis and Leprosy, patients suffering from other infectious diseses are admitted to the Hospital. The total numbe of paitnets admitted during the year was 25,073, as against 32,542, 24,775 and 23,871 in the preceding three years, the daily average of admission being 591 as against 817, 652 and 657 in the preceding three years. Of the total number of patients, 753, 1,632 and 4,634 respectively, suffered from Enteric Fever, Diphtheria and Small-pox. The fatality rate in the total admission was 7.8 per cent. On account of heavy admissions of cases of major infectious diseases, restriction on admissions of cases suffering from less dangerous diseases had to be imposed.

In view of the enormous increase in populatin of this City in recent years, this Hospital. is unable to meet the growing needs of the citizens, as reported by the Commissioner. Considering the importance of isolaton in the preventon of infectous diseases and as a safe-guard against outbreak of epidemics, the Standing Committee feels that urgent steps must be taken to augment the bed strength of this Hospital as also to take immediate steps to establish a separate Hospital for Suburbs, as this Hospital is too far away for the residents of these areas.

The total expenditure of the Hospital during the year was Rs. 20.36 lacs as against Rs. 25.41 lacs, Rs. 20.56 lacs and Rs. 19.25 lacs in the preceding three years.

K. E. M. Hospital.

42. The bed accommodation in the Hospital increased from 704 to 756 during the year under report. The beds were distributed amongst men, women and children patients as 399, 253, and 104, respectively. Inspecite of increase in bed strength, the accommodation was fully occupied throughout the year and there was constant overcrowding in the Wards. The total number of in-patients admitted during the year was 38,197 as against 33,859, 31,052 and 29,599 in the previous three years.The daily average number of inpatients was 941 as against 919 in the preceding year. The average number of days each patient was resident was 8.96 as against 9.9, 10.3 and 9.79 in the last three years. The average cost per in-patient per day was Rs. 9.48, as against Rs. 9.21, Rs. 10.06 and Rs. 9.49 in the previous three years. The average cost per in-patient admission was Rs. 85.35 as against Rs. 93.01 and Rs. 100.10 in the previous two years. Out of 2,576 deaths as many as 564 died within 24 hours of admisson, 525 died after 24 hours but within three days of admission and the rest after three days of admission.

The total number of new out-patients treated was 2,66,879 as against 2,35,249, 2,34,117 and 2,11,380 in the preceding three years. The total number of out-patients attendance including casualty patients during the year came to 8,54,327 as against 8,07,743, 7,97,819 and 7,12,683

in the preceding three years. The highest number of out-patients attendance on any one day was 4,100 as against 3,520, 3,930 and 3,066 in the preceding three years, while the daily average attendance of out-patients was 2,801 as against 2,718 and 2,686 in the preceding two years.

The Poor Box Charity Fund from which relief was rendered to poor patients, continued to give relief and comforts to deserving partients which ordinarily could not be given out of the Municipal Fund. An amount of Rs. 1,37,220.88, as against Rs. 1,00,157.37, Rs. 74,663.75 and Rs. 74,236.01 in the previous three years was spent for affording relief to poor patients for costly drugs, injections, blood transfusions, etc. As against this expenditure, Rs. 12,683.56. were received by way of donations and Rs. 11,247.10 were collected from boxes kept in the Wards and Out-patient Departments.

The Gift Shop started for the convenience of patients and their relatives, the Physiotherapy Centre and School, Occupational Therapy Centre and School, Prophylactic Immunization Centre, Family Health Centre, Leprosy Clinic, Ambulance Division, Neuro-Surgical Department, Neurology Department, Electro Cardiography Department and Electro Encephalography Department and the Co-operative Credit Society carried out their work in their respective spheres satisfactorily. The Medico-Social Service Department was able to render intensive service to the needy patients.

Dr. Jivraj N. Mehta Pharmaceutical Laboratory, attached to the Hospital, manufactured many injectables, *viz.*, 65,963 transfusion bottles 4,285 ampules and about 990 litres of loose sterile solutions and 67.5 Litres of Stain and Miscellaneous Solutions. The market value of the above product was Rs. 1,14,032. The Blood Bank worked satisfactorily and during the year 459 samples of blood were issued to the patients and 4,611 samples of blood were collected including the voluntary donors, at a cost of Rs. 63,068.

A Family Planning Centre, which is aided by Government of India, continued to work satisfactorily during the year. Needy women were supplied with contraceptives free of charge. Sterilization operations were also performed at the centre.

Dr. B. N. Purandare Gynaec and Obstetric Research Centre opened on 15-9-1958, continued to carry out research work concerning Gynaecological and Obstetric problems and disorders of Hormonal origin during the year.

The Convalescent Home with 120 beds worked satisfactorily and was a great help in relieving the congestion in the K.E. M. Hospital, L.T. M.G. Hospital and Nair Hospital. In all 562 new convalescent patients were transferred from the aforesaid Hospitals and other medical institutions.

1,468 Food Handlers working in hotels and restaurants in the City were referred to the hospital for examination of which 914 persons attended. 861 Food-handlers were found fit, 32 unfit, and 21 persons were partly examined as they did not give their stools, etc., for pathological examination.

Total expenditure incurred during the year for the maintenance of the Hospital was Rs. 42.15 lacs as against Rs. 40.58 and Rs. 36.30 lacs in the previous two years.

Lokmanya Tilak Municipal General Hospital and Bai Annapurnabai Deshmukh Hospital for Women.

43. The bed accommodation in the Hospital remained at 370 (310 non-paying and 50 paying and 10 for B. E. S. & T. Employees), 25,566 patients were admitted during the year as against 22,845, 22,926 and 21,561 during the preceding three years. The highest number of in-patients on a single day was 571. The daily average number of in-patients was 495.7 as against 504, 450.7 and 426.3 in the preceding three years. The average number of days each patient was resident was 7.4 as against 7.3, 7.1 and 7.25 in the preceding three years.

The total number of in-patients treated was 26,044 including 478 of the previos year as against 23,288 and 443 respectively in the preceding year. The number of maternity and gynaec cases was 9,269 as against 8,188 in the preceding year.

The total number of operations performed on in-patients was 7,346 as against 7,820, 8,314 and 7,793 in the preceding three years. The average cost per in-patient on diet per day was Rs. 1.10 as against Rs. 1.05, Re. 0.99 and Rs. 1.04 in the preceding three years.

The total number of new out-patients was 1,51,850 with a daily average of 494.6 as against 1,47,839 and 475.3 respectively, in the preceding year and 1,43,776 and 462.30 respectively in the year preceding the last. The total number of out-patients attendance was 5.56 lacs with a daily average of 1,813.1 as against 5.89 lacs and a daily average of 1,896.2, respectively in the preceding year and 5.24 lacs and a daily average of 1,687.4 respectively, in the year preceding the last. The highest number of out-patients attendance on a single day was 2,935 as against 2,750, 2,823 and 2,602 in the pre- ceding three years. The total number of

operations performed on out-patients was 8,195 as against 8,048, 7,862 and 6,770 in the preceding three years. 33,768 accidents and other emergency cases were treated in the Casualty Department as against 28,495, 26,700 and 28,112 in the preceding three years.

The Paying Bed Scheme started from 1st September 1951 is working satisfactorily. The number of patients admitted in the General and Special rooms during the year was 1,377 as against 1,639, 1,704 and 1,812 in the preceding three years. 152 major and 260 minor operations were performed on paying patients as against 237 and 242, 210 and 343 and 272 and 357, respectively, in the preceding three years.

The Pathological and Bacteriological investigations in respect of 73,356 in-patients and 54,963 out-patients were carried out during the year as against 98,534, 40,499 and 44,840 and 60,362, 52,926 and 48, 346, respectively, in the preceding three years. 394 autopsies were also performed during the year as against 329 in the preceding year.

The total number of cases treated by the Physio-theraphy Department during the year under report was 2,507 while 1,521 cases were treated in the Occupational Therapy Department.

The Medico-Social Service Department which was started from 1st August 1956 has been rendering valuable services to the needy patients. The Department supplied injections and medicines to 610 needy patients and rendered help to 375 patients for placement, rehabilitation, etc.

The Hospital has an up-to-date Library with latest publications of various branches in medical science. 32 new books on medical subjects were purchased, bringing the total to 803 books. 81 journals were subscribed of which 6 journals were received as 'donation' during the year under report.

The amount in the Poor Box Fund at the close of the year stood at Rs. 67,632.74 as against Rs. 69,825.69 in the previous year. During the year, a sum of Rs. 36,193.07 was collected from the Charity Boxes and by way of donations, etc., and the expenditure amounted to Rs. 38,886.02. A balance of Rs. 67,632.74 remained in the Poor Box Fund at the close of the year.

Nurses' Training School.—45 students nurses were admitted for training in General nursing course of which 36 were successful in examination, 38 student Nurses were sent for examination in Midwifery and 5 were declared successful.

This Hospital has been attached to the Topiwala National Medical College for clinical instructions to under-graduate students. The Hospital continues to be affiliated to the University of Bombay for post-graduate as well as under-graduate studies and to the College of Physicians and Surgeons of Bombay for post-graduate studies.

The approximate total expenditure during the year under report was Rs. 22.72 lacs as against Rs. 21.55 lacs in the preceding year.

Bai Yamunabai L. Nair Charitable Hospital.

44. The Hospital has an accommodation of 336 beds distributed among men, women and children patients as in the last year. The accommodation was fully occupied throughout the year. Throughout the year, on an average, 107 in-patients were admitted over the scheduled number in the Hospital and on many occasions they had to be accommodated on the floor for want of adequate beds. The total number of in-patients admitted was 22,506 as against 20,184, 19,164 and 17,474 in the previous three years. The daily average number of in-patients was 442.91 as against 422.84 431.07 and 383.92, in the previous three years. On an average, each patient was resident for 7.18 days as against 7.64, 8.21 and 8.59 days in the previous three years. The total number of in-patients treated was 22,910 including the balance of 404 of the previous year of whom 5,741 were cured, 11,733 were relieved, 3,632 left the hospital against medical advice or were otherwise discharged, 1,382 died and 422 remained at the close of the year. The average cost per in-patient per day was Rs. 9.84 against Rs. 9.51, Rs. 8.67 and Rs. 7.97 during the preceding three years.

The total number of out-patients treated was 3,40,532 against 3,37,129, 3,42,501 and 3,02,909, in the preceding three years and the average number of out-patients' attendance per day was 1,116.50 against 1,087.51, 1,101.29 and 980.29, in the preceding three years. The highest out-patients attendance on a single day was 1,694 against 1,624, 1,707 and 1,480, in the preceding three years. The highest number of new cases in the out-patients Departmen on a single day was 661 and of the old cases treated was 1,050 during the year under report The average cost per out-patient per day was Rs. 1.47 against Rs. 1.04, Re. 0.955 and Re. 0.89 during the preceding three years. During the year 6,025 and 5,597 operations were performed respectively on in-patients and out-patients against 6,876 and 6,388, respectively, during the last year.

12,760 in-door patients were dispensed with special prescriptions during the year, working out an average of 35 patients daily. 2,86,492 out-door patients were dispensed with, giving an average of 758 patients daily.

The total amount in the Poor Patients' Fund by way of receipts amounted to Rs. 55,448, Rs. 3,681.90 were by way of donations and Rs. 15,323.82 by way of collections from the boxes kept in wards and out-door department.

During the year, 2,127 blood transfusions were administered and a sum of Rs. 31,170 was paid to the professional blood donors.

As in the previous years, various pharmaceutical firms offered donations for research on their products.

The Patients Welfare Committee which was formed nearly four years ago to devise ways and means for providing facilities to the patients in the Hospital continued its activities during the year and several functions were organized for the benefit of patients. Issue of Books from the Patients' Library, which was started during 1957-58 was continued during the year.

The Family Planning Clinic carried out its usual activities during the year.

During the year, the Hospital received non-fat milk powder, etc through World Church Council and other Charitable Institutions.

The total expenditure incurred on the maintenance of the hospital including liabilities amounted to Rs. 20.53 lacs against Rs. 20.60 lacs, Rs. 17.20 lacs and Rs. 15.99 lacs in the preceding three years.

Dr. Bhajekar Hospital for incurable Diseases.

45. The Hospital was declared open on 2nd September 1956. It has an accommodation of 38 beds. Helpless patients, suffering from diseases that have no reasonable hope of cure and yet need medical and nursing care, are admitted to this Hospital as such patients are not generally admitted to any other Hospital. The Hospital continued to be under the supervision of the Dean, B. Y. L. Nair Charitable Hospital.

During the year 64 patients were admitted and 38 were the balance left over from the last year. The maximum number of in-patients admitted on a single day was 3 and the daily average of admission of in-patients was 0.17 during the year.

The total expenditure during the year under report amounted to Rs. 83,921 and the daily average cost worked out to Rs. 6.50 per patient.

Seth G. S. Medical College.

46. During the year under report, 87 fresh admissions were made. Of the 670 students on the roll, against 739 in the previous year, 248 were lady students and 180 post-graduate and research students, against 251 and 247, respectively, in the previous year. Out of 549 students sent up for various examinations, 348 passed the whole examination against the corresponding figures of 555 and 322 of the previous year.

The number of male students residing in the Male Students' Hostel during the year was 147, while the number of lady students accommodated in the Lady Students' Hostel remained at 41. In order to meet the increasing demand for under-graduate students as also internees, research students, etc. a new Hostel at Naigaum was acquired with an accommodation for 84 students. During the year, 239 students took advantage of this hostel. Income derived from the College and the Hostels by way of tuition fees, hostel rent, etc., was Rs. 1.79 lacs against Rs. 1.61 lacs 1.37 lacs and Rs. 1.48 lacs in the previous three years, while the total expenditure amounted to Rs. 8.10 lacs (including payment of Dearness Allowance of Rs. 1.48 lacs) against Rs. 9.62 lacs, Rs. 7.53 lacs and Rs. 7.15 lacs in the preceding three years. The income derived from and the expenditure incurred on the Hostels were Rs. 20,718 and Rs. 35,789, respectively, as against Rs. 20,160 and Rs. 42,690 in the previous year. The gross and net cost per student worked out at Rs. 1,652.90 and Rs. 1,286.65, respectively, as against Rs. 2,400.97 and Rs. 1,999.2 in the previous year. The amount of fees received from the post graduate students was Rs. 18,825 as against Rs. 20,573 in the previous year.

The different departments of the College and the Hospital had, in addition to their normal teaching and departmental works, conducted various researches under the auspices of the Indian Council of Medical Research, Council of Scientific and Industrial Research, K. E. M. Hospital and Seth G. S. Medical College Staff Research Society and other institutions, etc.

The progress of other activities line Library, Museum, Gymkhana, etc. was satisfactory.

Topiwala National Medical College.

47. The College had 319 under-graduate students on the roll at the close of the year, out of whom 128 were lady students. Besides, there were 83 post-graduate students including 22 lady students. 61 students passed the Final M.B, B.S. Examination and 23 students passed various other examinations held in 1961. The hostel attached to the College provided accommodation for about 200 male students. The total number of students residing in the hostel was 174 including that of N. H. Dental College. Arrangements to accommodate the lady students in the Grant Medical College Hostel were discontinued and 10 seats were made available in G. S. Medical College Hostel during the year under report.

The total expenditure incurred on the maintenance of the College amounted to Rs. 6.15 lakhs as against Rs. 5.60 lakhs, Rs. 5.41 lackhs and Rs. 5.07 lakhs in the preceding three years. The total income by way of tuition fees, hostel rent, etc., received amounted to Rs. 1.45 lakhs against Rs. 1.47 lacs, Rs. 1.36 lacs and Rs. 1.33 lacs in the preceding three years.

Associate appointments which were sanctioned as experimental measure continued during the year under report.

Nair Hospital Dental College.

48. During the year under report, 51 students including 5 ladies passed the B. D. S. and M.D.S. Degree Examinations from the College. The College has 88 Dental Chairs, 52 Electric Dental Units, 4 well-equipped laboratories, 3 Dental X-Ray Units, 3 Micro-Surgical Units, 3 Nitrous Oxide Apparata, 6 Microscopes, 1 Cinema Projector, 1 Epidiascope, 1 fully equipped Operation Theatre and other equipment to give dental treatment on most modern lines and also to facilitate teaching of Dentistry. There were 260 students including 38 lady students on the roll as against 259 and 36, respectively, in the previous year. The College also runs a Dental Clinic where Patients are treated at nominal cost and are supplied with artificial teeth. During the year 91,972 patients (46,176 males, 23,482 females and 22,314 children) were treated as against 87,727, 77,390 and as 64,645 in the preceding three years. The total expenditure incurred was Rs. 4.23 lacs as against Rs. 4.20 lacs, Rs. 3.34 lacs and Rs. 2.60 lacs in the preceding three years and the total realisations by way of fees from students and patients were Rs. 1.80 lacs, against Rs. 1.17 lacs, Rs. 1.16 lacs and Rs. 1.02 lacs during the preceding three years.

The Academic Council looks after the academic affairs and the Advisory Dental Board advises the Dean and the Municipal Commissioner in the policy to be followed in matters of administration. Since June 1954, the College is affiliated to the Bombay University for B.D.S. Degree in Dentistry and the Diploma course has been abolished. A special Department of Speech Therapy has been recently started for treating patients for speech defects. Research work in Dentistry was continued at the College during the year. The College has also organised M.D.S. (Post-graduate) Course in Dentistry from June 1959.

Service was rendered from the Poor Box Fund to poor deserving patients in the shape of supplying sets of artificial teeth and repairs to sets of teeth.

The total amount in Poor Box Fund at the close of the year was Rs. 18,732.82.

Education.

49. At the close of the year, there were 3,49,454 pupils in 624 schools and 117 classes in Greater Bombay, including Extended Suburbs, the number in the City being 2,38,866 pupils in 391 schools and 56 classes ; in the Suburbs 84,904 pupils in 172 schools and 40 classes ; and in the Extended Suburbs 25,684 pupils in 61 schools and 21 classes. The corresponding figures for the previous year were 3,33,066 pupils in 572 schools and 124 classes in Greater Bombay, which was made up of 2,35,180 pupils in 378 schools and 49 classes in the City ; 76,508 pupils in 153 schools and 47 classes in the Suburbs and 21,378 pupils in 47 schools and 28 classes in the Extended Suburbs. Thus during the year, there was a net increase of 16,388 pupils in Municipal Schools. The highest number of pupils on roll was 3,78,450 at the end of August 1961. The average attendance of pupils throughout the year was 3,11,937 as against 2,90,292 in the previous year. The total number of teachers in Greater Bombay at the end of the year was 9,127 of whom 8,803 were ordinary and 324 Special Teachers as against 8,403 teachers of whom 8,097 were ordinary and 306 special teachers in the preceding year. Out of 8,803 ordinary teachers, 8,202 were trained, as against 7,311 out of 8,097 ordinary teachers in the previous year. The percentage of trained teachers was 93.17 as against 90.29 in the preceding year.

The requirements of teachers in Municipal Schools are assessed as per Class-Room formula approved by the Education Committee. The Municipal Schools were grouped into Beats and the Beats into Divisions for purposes of supervision and administrative work.

With a view to avoiding over-crowding in classes, it was laid down that ordinarily a class should not have more than 50 pupils to facilitate proper attention to pupils. Schools with big

class rooms some time had 55-60 pupils. In schools housed in hired residential buildings over-crowding on account of inadequate space was an impediment in the way of efficient instruction. In all, about 605 Municipal Schools and Classes were required to be run in two Sessions for want of sufficient accommodation and 4,114 class-rooms were used twice. A programme of construction of new school buildings, which is being implemented on a larger scale, would improve the situation considerably in a few years.

As in the past, the syllabus of studies was divided month by month for the guidance of teachers and for facilitating gradual completion of studies in time as per Schedule. Teaching aids were supplied to schools and additional teaching aids, such as maps, charts and models were prepared by the teachers themselves. Hindi was continued to be taught in the Upper Primary classes. Parents and gaurdians were kept informed of the progress, conduct and attendance of their wards by forwarding to them the Progress Cards every month. Written Examinations of pupils of Standards I to VII were held in the months of March and April 1962 by a Central Examination Board specially constituted for the purpose. A supplementary Examination was held in June 1962 for the benefit of those pupils who could not appear at the previous Annual Examination due to circumstances beyond their control. Double Promotion Examinations were held as per rules in August 1961.

In all 16,687 pupils appeared for the Primary School Certificate Examination—1962, and out of them 7,583 were declared successful.giving a percentage of 45.

Some of the main factors which hampered *inter alia* the progress of pupils were largeness of certain classes, lack of suitable buildings, inadequate facilities to pupils to study at home and economic conditions of the parents, resulting in irregular attendance and long absence of pupils and shorter Sessions.

The existing curriculum for Standards I to VII revised by Government is being followed in Municipal Schools. The Text Books which were being used during the previous year, were continued to be used during the year under report. Changes in the use of Text Books, wherever effected, were done with the sanction of the Government. As per the decision of the Government, the teachhing of English from Std. V on an optional basis introduced since last year continued during the year under report. Refreshers Classes for the benefit of teachers teaching English were conducted during the year.

The Rahimtoola Currimbhoy Urdu Training Institute for Women continued to function as usual. In all 78 pupils in the First Year and 81 in the Second Year were under training. All the 78 Trainees of the I Year Class were promoted to the II Year Class. Out of 81 Trainees of the II Year Class, 61 (*i.e.*, 75.3 per cent.) were declared successful at the Primary Teachers' Certificate Examination.

Muicipal Urdu Teachers' Training Class started in July 1958, continued to function during the year under report. All the 39 trainees in the class (One year's course) appeared for the P.T.C. Examination and were successful.

The Gujarati Teachers' Training Class started in July 1958 was discontinued from June 1961.

The number of Municipal owned buildings at the beginning of the year was 115, of which 42 were in the City and 46 in the Suburbs and 27 in Extended Suburbs. 11 School buildings were built during the year under report. Thus the number of school buildings at the close of the year was 126, of which 46 were in the City, 50 in the Suburbs and 30 in Extended Suburbs.

262 Schools (including classes) were housed in the Municipal owned school buildings 464 schools (including classes) were housed in rented buildings. 15 schools were housed in rent free buildings. Due to the increase in the number of pupils in Municipal schools from year to year, it has become practically impossible to accommodate the increased number of students existing accommodation. It is also difficult in the present housing conditions to acquire additional accommodation except by way of construction of new school buildings or extending the existings ones. The Department is making a steady and planned progress towards acquisition of private plots and structures, etc., wherever possible. The work of Extension of 14 School buildings is in progress. 7 plots have been acquired for the purpose of construction of school buildings. School buildings at 8 different sites in the City were under construction during the year.

The Corporation continued to impart vocational education. The Director of Technical Education has agreed to grant recognition to the Municipal Printing Class at Foras Road provided arrangements are made in the class for teaching III Year Typography Course. There were 23 Vocational Classes in 11 Vocational Schools. Out of these 10 taught Carpentry, 5 Tailoring, 2 Clay modelling and 1 each printing, clock repairing, sign-board painting, carpet weaving, book-binding and toy-making. Instructions in Weaving and Cardboard Modelling is also given in some classes of the Lower Primary Schools in the Suburbs.

Various extra-curricular activities, such as Educational Film shows, *Sharad Utsav*, School Anniversaries, Class Panchayats, Excursions, etc., were carried on as usual during the year under report. Physical Education was imparted in almost all the schools as per curriculum. Four Mass Drill Displays were held during the year, two in the City and one each in the Suburbs and Extended Suburbs. Sports were held as usual. 81 teachers were imparted training in Physical Training Class, during the year. National Scout and Guide Association conducted their activities during the year under report, and National Scout work and Annual Scout Sports and Rallies were held as usual.

The total number of Aided Schools in Greater Bombay, during the year was 348 out of which 227 were in the City, 77 in the Suburbs and 44 in the Extended Suburbs as against 343 in the previous year. The total number of teachers in Aided Schools was 3,482 (2,965 ordinary and 517 special) imparting education to 1,04,595 pupils as against 3,482 teachers (2,789 ordinary and 535 special) imparting education to 1,00,402 pupils in the previous year. The total number of Recognised Schools not receiving Grant-in-Aid was 122 with 942 teachers imparting education to 23,908 pupils as against 837 teachers imparting education 20,908 pupils in 107 schools, in the previous year.

The total amounts of Grants recommended for payment during the year was Rs. 5,29,846 for the City and Suburban Schools and Rs. 74,772 for Extended Suburban Schools.

A Revised Grant-in-Aid Code, which was finalised by the Education Committee and the Corporation has been forwarded to the State Government for their sanction, which is awaited.

The average cost per pupil in Aided Schools to the Corporation worked out to Rs. 5.81 in the City and Suburbs and Rs. 4.57 in the Extended Suburbs.

The average cost per pupil in the Municipal schools calculated on the basis of the average number of pupils on rolls was Rs. 83.22 in the City and Suburbs and Rs. 55.46 in the Extended Suburbs.

The Standing Committee is happy to note the overall progress of Primary Education in our schools during the year under report. They however, feel, that more concentrated efiorts should be made by the Executive to push through the various proposals for construction of school buildings considering the fact that the living conditions in most of rented buildings accommodating our Municipal schools and classes are not satisfactory and congenial since the said buildings were not primarily constructed for school purposes. Besides there is a constant pressure on school accommodation already available due to continous increase in number of students attending our schools and as a result we have to accommodate as many as 50 to 60 pupils in a class, in regard to which, though the Department is alive to the urgency of the problem much remains to be done. The Standing Committee hope that additional sites for school buildings are secured especially in the City and the programme of constructing new school buildings is completed as per schedule.

Research Unit.

The Research Unit set up in July 1955 for implementing the suggestions contained in Shri R. V. Parulekar's Report on the Bombay City Education System, continued its useful work during the year under report.

Some of the important studies and duties carried out by the Research Unit during the year under report are :

(1) A longitudinal study of the various aspects of the problems arising out of the high incidence of wastage and stagnation in primary schools, the causes of stagnation and wastage, the relation if any between wastage and stagnation, their relation to the age of children, the subjects in which children commonly fail at different levels, relations between age and attainment, and such other allied topics. The study covered the progress of about 6,000 children enrolled in Standard I between 1950 and 1958.

(2) Continuance of Intelligence Testing as an aid to the selection and recruitment of primary teachers.

(3) Preparation and publication of pamphlets on " Teaching Standard I", and "The Teaching of Composition" etc., in Marathi, Gujarati, Hindi and Urdu for distribution to Schools ; and

(4) The study of the effect of short and double sessions on pupils in Marathi and Gujarati Schools.

The other projects such as (*i*) Studies to minimise the extent of failures (*ii*) to assess reading habits and reading interest in children and (*iii*) preparation of graded assignments in Arithmetic for children in Standards II and III were carried out during the year under report as directed by the Research Advisory Committee.

Municipal Printing Press.

50. During the year under report, 213½ tons of bleached and unbleached paper were purchased from the market. The printing work of the various departments of the Corporation was carried out during the year. The work of printing the Budget Estimates, Establishment Schedule, Municipal Chief Auditor's Administration Report, Canteen Coupon Books and the Committee Proceedings was also executed for the B.E.S. & T. Undertaking, at a total cost of Rs. 31,077.15. The total number of printing jobs carried out were 9,805 and number of pages printed were 50,325 as against 9,160 and 59,264 in the preceding year. The total quantity of paper consumed during the year under report was 177½, tons as against 257.25, 215½ and 209 tons int he preceding three years.

The transactions of the Press for the year closed with a surplus of Rs. 7,592 on the total turnover of Rs. 14,60,787 against the surplus of Rs. 2,479 and the turnover of Rs. 11.93 lacs for the preceding year. The labour staff as on 28th February 1962, consisted of 247 workers as against 252, 267 and 228 on the same date in the preceding three years.

Legal Department.

51. During the year under report, the department continued to attend to contested matters and other legal proceedings in the High Court, City Civil Court, Small Causes Court and Police Courts as also to other legal matters. During the year, the department received 13,337 files, against 14,556, 9,827 and 9,273 files in the previous three years, addressed 1,569 letters against 1,884, 2,238 and 1760 letters in the preceding three years, to outside parties or their legal advisers and gave opinions on different departmental matters and advice on 124 documents against 56, 195 and 110 documents in the last three years. The report contains figures of High Court and City Civil Court suits as well as number of documents, such as, conveyances, leases, etc., that were completed.

The income by way of costs recovered amounted to Rs. 10,580 and expenditure to about Rs. 1,31,683 as against Rs. 24,558 and Rs. 1,35,006, respectively, in the preceding year.

Labour Department.

52. During the year, 15 Trade Unions represented Municipal employees with a total membership of about 25,213 against 25,781 24,000 and 19,659 in the preceding three years. The total number of labour staff employed in the main departments was 33,798 (comprising of about 200 categories) against 33,553, 33,408 and 31,230 in the previous three years.

With a view to promote cordial relations between the staff and the Administration, Joint Councils representing labour staff functioned in 20 departments, their scope being wide enough to permit discussions on various matters relating to grievances and conditions of service of the staff. 13 Peshi Committees for enquiring into the mis-conduct of employees were in existence in Hospitals and Maternity Homes. A four-stage grievance procedure has also been introduced in all Departments for redressal of the employees' grievances.

The Labour Department dealt with 2,361 complaints as against 2,117, 1,788 and 1,991 in the previous three years, regarding service conditions, recruitment, promotions, transfers, etc. Of these complaints, 1,550 were redressed, 725 found not genuine cases and 86 were pending at the close of the year.

The recreational, educational, hygienic, cultural and social activities, indoor as well as out-door, organized by the Welfare Branch of the Department for the benefit of Municipal workers and their dependents were continued more vigourously at 25 Labour Welfare Centres and 2 sub-centres. Out of these 18 were run for the benefit of the employees of the Conservancy Branch, 6 for Hospital employees, 2 for Water Works Department employees and 1 for the employees of the Mechanical Engineer's Department. 170 film shows on different subjects such as food values, sanitation, etc., were organized at different Welfare Centres, during the year under report. The average daily attendance of adults and children at the different Welfare Centres was 1,370 and 1,430, respectively, as against 1,350 and 1,360 during the preceding year. The maternity unit attached to the Chembur Welfare Centre continued to do its useful work under a qualified Lady Doctor. 5,470 cases were treated at the Unit during the year under report as against 5,040, 4,740 and 4,845 in the preceding three years.

Under the scheme for granting scholarships to the children of Municipal employees, 637 applications were received out of which 124 eligible applicants for secondary education and 99 for higher education were awarded scholarships at a total cost of Rs. 17,685. 511 applications were received for medical assistance and help aggregating to Rs. 19,998 was given in 494 deserving cases. The Labour Officer also made arrangements to get the applicants admitted, wherever necessary, in different Municipal Hospitals for treatment. The Scouting Organization had 1,454 Rovers, Scouts and Cubs and 349 bulbuls and guides on the Roll during the year.

In addition, the Labour Officer also attended the hearing of day-to-day offence cases of the Conservancy, Fire Brigade and Engineering Departments.

The Municipal Mazdoor Union served a strike notice on 29th December 1960, regarding reorganization, retrenchment, etc., and the Conciliation Proceedings are pending before the Conciliation Officer. Similar dispute was raised by the Bombay Municipal Subordinate Staff Union and the same was admitted into conciliation.

Public Relations Department.

53. This department effected general publicity about the activities and services rendered by different Departments and disseminated knowledge on health, hygiene and civic sense among the citizens through popular media of propaganda, such as posters, leaflets, health exhibitions, film shows, cleansing campaigns, talks, Press-notes, etc. It also assisted the Public Health Department in its drive against communicable diseases. Criticisms and/or suggestions in local newspapers were brought to the notice of authorities concerned.

The Department also participated in various important celebrations, such as, World Health Day, Social Education Week. Ganesh Festival, Sharad Utsava, and National Cleanliness Day, Republic Day Celebrations and observances of Weeks like Family Planning Week, Anti T.B. Week, etc., organised by Government, Semi-Government or Social organisaions. A number of stalls on different aspects of health, hygiene, sanitation, Civic sense, etc., were set up throughout Greater Bombay independently and in co-operation with various social organisaions.

During the year under report, a Civic Guide-*cum*-Diary, 1962, was published in English and Marathi. A revised edition of the booklet containing names, etc. of Councillors and the members of different Committees was also reprinted.

The Department also undertook departmentally production of a new Documentary Film on 'Health and Hygiene' and the work was in progress.

Health, Education and Propaganda.

Health propaganda drive was carried on through the Department of the Public Relations both in the City and the Suburbs through all the popular and modern publicity media. During the year, the section organised important activities, such as, health exhibitions and health education film shows on various health subjects. Arrangements were also made for display of hoardings on civic sense on public conveniences. It also helped the vaccination and inoculation staff of the Health Department by persuading people to accept vaccination and inoculation, etc. Specail visits were arranged to the Public Health Museum of distinguished guests and visitors to the City, etc.

Considering the usefulness of the screen in public propaganda in modern times the Standing Committee feels that greater attention needs to be given to that aspect since the Department has very few films on health education and sanitation.

Administrative Officers (Enquiries).

54. The office of the Test Audit Officer formerly under the Chief Accountant has been designated as Administrative Officer (Enquiries) and placed under the direct control of the Municipal Commissioner. The department deals with departmental Enquiries and Stock Verification.

During the year the Enquiries Section dealt with 4,339 cases. Investigations were carried out into 881 cases of alleged misconduct, misbehaviour, theft of Municipal property, breaches of provisions of Municipal Bye-laws, infringement of licence conditions, etc. In 245 cases, punishments varying from dismissal to mere warnings were meted out. 203 cases were filed as the allegations were found to be false and malicious. In 247 cases, Departments concerned were asked to take necessary actions. In the remaining cases enquiries were in progress.

Test check of consumable stores, stationery, etc. and verification of Plant and Machinery, etc. was done by actual visits during the year to 275 offices, depot, etc and 342 schools in the City, Suburbs and Extended Suburbs.

Periodical checking of balances of Petrol, Diesel Oil, etc. at various pumps was done by the Stock Verification Staff. Number of offices, sub-offices and chowkie were visited for stock-verification, and verification of stores, checking of unserviceable articles, etc., work was carried by this Section during the year.

The distribution of relief from the Mayor's Fund to the families affected by fire, house collapses and other victims of natural calamities was also carried out by the Department.

The Bombay Civic Journal.

55. The Bombay Civic Journal, an accredited organ of the Corporation, completed eight years in March 1962.

The Journal has been publishing regular features as also special articles from prominent citizens and authorities on various topical subjects in pursuance of its policy of promoting

civic progress and enlightenment and the ideal of active, intelligent and creative citizenship. The main features of the material published in the Journal are objective recording of deliberations and activities of the Corporation and its Departments as also of the B.E.S. & T. Undertaking and associated institutions, citizens' view point on subjects of civic interest and on current issues before the Corporation, new plans or projects sponsored by the Corporation, etc.

Besides the Annual Number published in April 1961, Special Numbers on Independence Day and Republic Day were brought out. The September and November 1961, and February and March 1962 issues were devoted to specific topics.

Though during the year under report, efforts were made to enhance the utility and appeal of the journal, the Standing Committee feel that it is necessary that the department should make more vigorous efforts to improve the standard of the journal and make it more popular.

M. G. M. O. Swimming Pool.

56. During the year under report the working and progress of the Mahatma Gandhi Memorial Olympic Swimming Pool at Shivaji Park was satisfactory.

The Swimming Pool was closed during the period from 30th June to 5th July 1961 for cleaning purposes. Facilities to polio crippled children were given free of charge during the year as in the past and in all 7 children took advantage thereof.

The 'IX Anniversary Day' function was held on 27th April 1961 with aquatic competitions for the Pool members. Water Polo League Matches were played with local clubs and the M. G. M. O. Water Polo Team won the championship for the first time in the year 1961-62. The team was awarded Mrs. Avan K. Golwalla Trophy for Water Polo. The Annual Long Distance Open Sea Race was also held. The Pool premises were given for use, free of charge, to the Maharashtra State Aquatic Association and the University of Bombay, for holding their annual aquatic sports. Reservations of the Pool for 296 hours on payment of prescribed fees, was also allowed to school, etc. parties, as usual, which added Rs. 7,365 to the Municipal Treasury. Eight members of the Pool were selected and included in the Bombay Aquatic team for National Championship held at New Delhi in October 1961.

The Standing Committee note with regret about the two drowning tragedies which occurred at the Pool during the year under report and desire that necessary precautions be taken to avoid such tragedies in future.

The collection of fees, etc. at the Pool amounted to Rs. 1,41,065 against Rs. 1,61,557 Rs. 1,24,590, and Rs. 1229,16, for the preceding three years.

Organisation and Methods Department.

57*. The Organization and Methods Division was set up in March 1957. During the year under report it was mainly busy with the introduction of and supervision over office procedures, the principal objectives sought to be achieved being impartial check over every communication, cutting down of delays, assessment of arrears, equitable distribution of work load, etc. The other major duties entrusted to the Division during the year consisted of (1) preparation of a Manual for the Primary Education Department, (2) Standardization of forms used by the different Municipal departments and (3) reorganization of the Record Branches of these Departments. Scheme for imparting Administrative training to Municipal staff, started during the previous year, was postponed during the year under report.

MUNICIPAL CORPORATION OFFICE,
BOMBAY, *4th January 1963.*

S. R. PATKAR,
Chairman, Standing Committee.

* Paragraphs 58 to 83 of the Review of the Standing Committee relate to the Administration Report of the Suburbs and Extended Suburbs.

ADMINISTRATION REPORT OF THE MUNICIPAL COMMISSIONER FOR GREATER BOMBAY FOR THE YEAR 1961-62.

CORPORATION, STANDING COMMITTEE, IMPROVEMENTS COMMITTEE AND THE EDUCATION COMMITTEE.

CORPORATION.

Shri V. B. Worlikar, who was elected Mayor at the Meeting of the Corporation, held on 13th April 1961, held that office throughout the year.

2. One hundred sixty—three meetings of the Corporation including forty five Special and Adjourned Special Meetings but excluding six Civic Receptions held by the Corporation and eighty—seven Meetings of the Committees and six Meetings of the Sub-Committees and twenty-nine meetings of the Consultative Committees other than those of the Standing Committee, the Improvements Committee and the Education Committee were held during the year. One Special Meeting of the Corporation called on a requisition though called was not held during the year. Councillors also attended one Reception for presenting Civic Address to Major Yuri Gagarin, World's First Cosmonaut. They also accorded five Civic Receptions to (1) Officers and Personnel of the Territorial Army Units in Greater Bombay, (2) Indian Contingent with the United Nations Emergency Force in Congo on their return Home, (3) Indian Contingent with the United Nations Emergency Force in Gaza on their return Home, (4) His Excellency, Mr. Leonid Brezhnev, President of the Presidium of the Supreme Soviet of U.S.S.R. and (5) the Indian Cricket Team, winner of the 'Rubber' against M. C. C.

3. There were no changes in the personnel of the Corporation during the year except that Shri K. Y. Pavaskar was declared elected by the Small Causes Court *vice* Shri S. S. Mirajkar, disqualified from being a Councillor from 4th July 1961.

STANDING COMMITTEE.

4. Dr. W. S. Matkar was elected Chairman of the Standing Committee at their Meeting, held on the 22nd April 1961. He held that office throughout the year.

5. There was no change in the personnel of the Standing Committee during the year.

6. Shri P. H. Vora was an *ex*—officio member of the Standing Committee from 28th April 1961 by virtue of his election as the Chairman of the Education Committee.

7. Sixty-two regular meetings including adjourned meetings and eighteen Special Meetings including adjourned Special Meetings were held during the year.

8. There were forty nine attendances of the members of the Standing Committee for audit of Municipal accounts and one hundred and thirty for signing of cheques.

IMPROVEMENTS COMMITTEE.

9. Shri R. K. Ganatra was elected Chairman of the Improvements Committee at their Meeting, held on 25th April 1961 and held that office throughout the year.

10. The only change that took place in the personnel of the Improvements Committee was the appointment of Shri Jivraj B. Shah from 19th June 1961 *vice* Shri Alimohamed U. Memon, resigned from 15th June 1961.

11. Twenty-one regular Meetings including adjourned Meetings were held during the year.

EDUCATION COMMITTEE.

12. Shri P. H. Vora was elected Chairman of the Education Committee at their Meeting, held on the 28th April 1961 and he held that Office throughout the year.

13. The changes that took place in the personnel of the Education Committee were the appointments of Shri A. U. Memon as a Councillor Member from 19th June 1961 *vice* Shri Jivraj B. Shah, resigned from 12th May 1961 and Smt. Ushaben H. Mehta as a Non-Councillor Member from 19th June 1961 *vice* Kumari Anasuya M. Nadkarni, resigned from 29th April 1961.

14. Thirteen regular Meetings including adjourned Meetings and eight Special Meetings including adjourned Special Meetings were held during the year.

CORPORATION AND STANDING COMMITTEE OFFICE.

15. (*a*) Shri P. C. Pandya, M.A., LL.B., M.P.A. (U.S.A.), continued to hold the Office of the Municipal Secretary during the year.

(*b*) No circumstance arose in this Department in which it was necessary to invoke the provisions of the Municipal Servants Act, 1890.

(*c*) There was no award of any adjudication during the year 1961-62 so far as this Department is concerned.

LIST OF THE MEMBERS OF THE CORPORATION WHO HELD OFFICE ON 31st MARCH 1962.

IMPROVEMENT SCHEMES

General Account

(000 *Omitted*)

Estimates and Actuals of Income and Expenditure.

According to the Budget Estiamtes B the Income, Expenditure and Deficit for the year were estimated at Rs. 1,37,88, Rs. 1,43,81 and Rs.5.93 respectively. On the closing of the accounts, the position of the Income was Rs. 1,42,14. Expenditure Rs. 1,34,84 resulting in a Surplus of Rs. 7,30.

Variation in Income.

The actual Income for the year *viz.*, Rs. 1,42,14 shows a net increase of Rs.9,63 over that of the preceding year *viz.*, Rs. 1,32,51. This is made up of Rs. 26 under Rent and other proceeds of properties ;Rs.7,40 under Contribution from Municipal Corporation ; Rs. 2 under Grants-in-Aid from Government ; Rs. 1,82 under interest and profit on investments ; and Rs. 13 under Miscellaneous Receipts.

Details of Expenditure

The Actual expenditure for the year *viz.*, Rs. 1,34,84 shows an increase of Rs.2,31 on that of previous year *viz.*, Rs. 1,32,53. This is due to increase of Rs. 4,55 under Debt Charges counterbalanced by decrease of Rs. 2,24 under Maintenance of Poperties and Streets.

Capital Account.

Expendture on Schemes, Loan Floated during the year.

The expenditure on Capital Works during the year amounted to Rs. 77,86. A loan of Rs. 50,00 was raised during the year. Reduction or Debt during the year amounted to Rs. 38,73. The Liabilities of the Improvement Schemes at the close of the year stood at Rs.15,32,58. The total Sinking Fund required upto 31st March 1962 was Rs. 6,02,39 but actual value was Rs. 6,95,80 as under :—

		Rs.
Public Securities of the market value of	...	6,93,25
Interest accrued on the abvve securities upto 31st March 1962	...	2,55
Total	...	6,95,80

Capital Account Slum Clearance (City).

The opening balance on 1st April 1961 was Rs 10,75. A Loan of Rs. 50,00 was raised for meeting the expenditure on Slum Clearane Schemes in the City. In addition to this a loan of Rs. 5,98 was received from Government and a sum of Rs.6,32 was received as subsidy. The total receipts thus available for expenditure amounted to Rs. 73,07 including Rs. 2 by way of Sale proceeds against which the expenditure incurred during the year including the amount required for meeting the deficit in the General Account amounted to Rs. 37,59 leaving a balance of Rs. 35,48 in the Capital Account—Improvement Schemes Slum Clearance for the City.

Capital Account Slum Clearance (Suburbs)

The Opening Balance on 1st April 1961 was Rs. 19,34. A Loan of Rs. 9,45 was raised from Government. In addition a sum of Rs. 13,59 was received as subsidy from Government. Thus the total funds availble for expenditure amounted to Rs. 42,37 against which the expenditure incurred amounted to Rs. 17,07 leaving an unspent balance of Rs. 36,66 which includes Rs. 11,36 as revenue surplus transferred to Capital Account.

Education Fund.

The Income for the year was Rs. 3,15,04 made up of Rs. 2,13,03 being contribution from Budget 'A', 'D' and 'F' and Rs. 48,27 being Grant-in-Aid from Government for Primary Eduation for Geater Bombay and Rs. 53,74 on account of Education Cess and Miscellaneous receipts. The expenditure was Rs. 2,83,69.

IV.—ASSESSMENT AND COLLECTION.

Taxation, Demand, Collection and Outstandings.

The rates of taxation continued to be the same as in the preceding year, *viz.*, General Tax (including Fire Tax) at 19.75 per cent. Water Tax at 4.50 per cent., Halalkhore Tax at 3.50 per cent. and Education Cess at a graduated scale as under subject to the condition that the Education Cess is leviable on the aggregate rateable value of all buildings and lands owned by one person in the same locality.

Rateable value.		*Rate.*
Re. 1 to Rs. 74	...	*Nil.*
Rs. 75 to Rs. 299	...	1 per cent.
Rs. 300 and above	...	1½ per cent.

The total number of properties on the Assessment Book during the year was 57,385 of which 54,106 properties were assessed to General Tax and 2,153private properties and 1,126 municipal properties were exempted from General Tax. The number of single room tenements, double room tenements and flats was 2,83,035, 86,637 and 71,231 respectively, against 2,82,858, 85,278 and 70,355 in the preceding year.

The rateable value of all properties on the 31st March, 1962 was Rs. 31,62,89,043 against Rs. 30,60,45,289 and Rs. 28,92,71,848 in the previous two years. This gives a rate of Rs. 114.22 per head of population against 110.52 in the preceding year.

The total number of vehcles and animals taxed during the year (including those taxed under the Public Conveyance Act of 1920) was 57,893.

The total number of bills for property taxes and wheel tax issued during the year was 1,19,778 and 2,06,819 respectively. The number of bills for water charges by meter measurement issued by the Hydraulic Engineer was 41,096. The amounts collected against the total demands of Rs. 1,477.25 lacs and Rs. 132.07 lacs for property taxes and wheel tax, respectively, were Rs. 1,130.15 lacs and Rs. 52.75 lacs which work out to 76.50 and 39.94 per cent. of the respective demands. The percentage of total recovery to the total net demand works out to 73.51. The total amount outstanding at the end of the year was Rs. 426.42 lacs, the details of which are shown in the body of the report under the head " Break-up of Outstandings ".

The total amount of exemption from General Tax allowed in respect of different properties during the year was Rs. 49.45 lacs against Rs. 42.15 lacs during the preceding year. The increase was due to assessment of new properties.

Seven claims for drawback were received during the year under reference, out of which one claim involving an amount of Rs. 880.26 was admitted.

As for refund, 3,195 claims were received during the year against 3,899 received in the previous year.Of these, only 2,655 amounting in the aggregate to Rs. 12,60,565.54 were admitted.

Total number of complaints against the rateable values registered during the year was 4,655 out of which 3,722 were disposed of.There were 60 appeals against the rateable values.

TOWN DUTIES

During the year, the rates of Town Duties continued to be the same as for the previous year. Proposals made for revising the Town Duty Schedule and necessary amendments to the Bombay Municipal Corporation Act, were under the consideration of the Corporation. The gross collections from Town Duties amounted to Rs. 157.98 lacs as against Rs 145.49 lacs in the preceding year. There was an increase in the net receipts by Rs. 7.27 lacs from Grains, Sugar, Tea, Tinned provision etc. while net receipts from Wines and Spirits and Dates (dry and wet) showed a small decrease. The amount refunded on exports, etc., during the year under review was Rs. 20.13 lacs as against Rs. 14.84 lacs in the previous year. Town Duties gave a net revenue of about Rs 137.43 lacs against Rs. 130.64 lacs and Rs. 112.06 lacs in the previous two years 1960-61 and 1959-60 respectively. The total number of claims for refund was 18,746 as against 14,718 in the preceding year. The number of claims for refund during the year was more by 4,028 than in the previous year and the amount of refund was more by about Rs. 5.29 lacs.

Fees for stamping sugar bags, tea cases, etc., amounted to Rs. 0.97 lac as against Rs. 0.79 lac in the previous year.

Town Duties collected at Mulund and Dahisar barriers etc., in respect of articles coming by roads and by air, and in the Head Office amounted to Rs. 49.84 lacs as against Rs. 38.05 lacs and Rs. 26.20 lacs in the preceding two years, showing an increase of Rs. 11.79 lacs over the previous year.

ELECTIONS.

In accordance with the provisions of Section 21B of the Bombay Municipal Corporation Act, a supplementary Election Roll containing 522 names was published on 20th December 1961 when the total number of voters on the Municipal Election Roll was 18,64,001. In response to a notice published in the local newspapers inviting applications for enrolment, 213 applications were received, out of which 60 were rejected and 57 were found identical with names already on the roll.

Out of the five petitions filed in the Small Causes Court in respect of the General Elections 1961, in respect of Wards No. 17 (Kamathipura), 18 (Nagpada), 20 (Byculla West), 29 (Love Grove), and Ward No. 37 (Andheri Vile-Parle South) challenging the validity of the Election for one reason or the other, one petition for Ward No. 18 (Nagpada) was allowed to be withdrawn. In the Petition for Ward No. 29 (Love Grove) Shri S. S. Mirajkar the elected candiadate was declared by the Chief Judge, Small Causes Court as disqualified and the first defeated candidate Shri K. Y. Pawaskar was declared elected in his place. The petitions in respect of Wards Nos. 17 (Kamathipura) 20 (Byculla West) and 37 (Andheri Vile-Parle South) were dismissed with costs.

As Shri R. K. Bhogale, a Municipal Councillor for Ward No. 30 (Lower Parel) was considered disqualified as per provisions of Section 17 of the Bombay Municipal Corporation Act, an application under Section 18 of the Act was filed before the Chief Judge Small Causes Court, Bombay as per Corporation Resolution No. 695 of 20-11-1961.

I.—VAITARNA-CUM-TANSA SCHEME.

A brief description of the works carried out under Vaitarna-*cum*-Tansa Scheme is given in Chapter I.

(*i*) **Works at Vaitarna.**—The Standing Committee under their Resolution No. 3224 of 27-12-1960 accorded sanction to a contract being entered into with Messrs. P. C. Banerjee and Co., for constructing a road between Tembha and Bel Nalla and improving the one between Bel Nalla and Tansa, at a total cost of Rs. 12,72,750. The work was in progress.

(*ii*) **120″ dia. pipe line and tunnel at Bel Nalla.**—In September 1961, it was observed that water was coming out on a patch of ground between the branch tunnels and on investigation it was found that the leak originated from the tunnel leading to 120″ dia. pipe line. A Committee headed by Shri Champhekar, Retired Chief Engineer Government of Maharahstra, was appointed to investigate into the matter and suggest the best method of carrying out repairs. The report of the Committee was awaited. Further action based on their report will be taken after necessary sanctions are obtained.

(*iii*) **Land Acquisition.**—During the year, awards to the extent of Rs.11,58,410.22 in respect of 561 holdings, acquired were declared by Government Officers. Correspondence for de-forestation of forest lands and transfer of Government lands was in progress with the Forest and Revenue Departments.

Compensation in respect of 166 holdings, acquired for the work of laying the 96″ dia. pipe line amounting to Rs. 12,840.91 was also declared during the year.

II.—IMPROVING THE DISTRIBUTION SYSTEM IN THE CITY.

Providing Catholic Protection to the portion of 57″>48″ dia. inlet mains to the Bhandarwada Hill Reservoir between Dharavi Anchor Block and factory of Messrs. Estrella Batteries.

During the year two insulated flange rings were provided and chambers for the same were constructed. Further work was held up for want of electric supply from B. E. S. & T. due to shortage of cables.

III.—MASTER PLAN FOR THE DISTRIBUTION OF WATER SUPPLY.

During the year under report the following works were completed :—

(*a*) **Worli Hill Reservoir.**—The reservoir has been put into commission in October 1961. All other works in connection with the reservoir like Control Room, outlet mains, Chlorination House and Compound Wall, etc., have been completed during the year. A tender for residual work was being finalised.

(*b*) **Rawli Hill Reservoir.**—The work of cutting and levelling has been completed during the year and the work of inlet and outlet mains is in progress.

(*c*) **Golanji Hill Reservoir.**—The work of cutting and levelling the hill was nearing completion at the end of the year.

(*d*) **Pali Hill Reservoir.**—Though the plot for the proposed reservoir has been acquired and trial bores were completed, no further work was taken in hand during the year, as no priority was given for this work.

(*e*) **Powai Hill Reservoir.**—The work of inlet and outlet mains has been completed during the year and construction work of main reservoir, which has been taken in hand during the year is likely to be completed in October 1964.

(*f*) **Trombay Hill Reservoir.**—In connection with this reservoir, which is being built on priority basis, two works, *viz.* (1) Hill cutting and levelling and (2) laying inlet-outlet mains were in progress. Trial bores to determine the nature of underground strata below the formation level were also taken during the year.

(*g*) **Ghatkopar Hill Reservoir.**—During the year, the work of cutting the hill to the required formation was taken in hand . Trial bores to determine the nature of the underground strata were also taken.

(*h*) **Veravali Hill Reservoir.**—The work of laying inlet and outlet mains was taken in hand and the work to the extent of about 18 per cent. was copleted by the end of the year.

(*i*) **Bhandup Hill Reservoir.**—The site for the reservoir is still to be finalised and investigations and surveys for finding out alternative site were in progress during the year.

(*j*) **Purchase of steel plates, etc.**—Steel plates and reinforcement bars required for the work were purchased in advance in view of their scarcity. Similarly, Level Recorders, required for all the reservoirs were also purchased.

(*k*) **Fabrication of steel pipes and specials.**—The work of fabricating and supplying steel pipes for the 1st Stage was completed and work on 2nd Stage was in progress.

(*l*) **Modifications of the Master Plan.**—The original Master Plan sanctioned under Corporation Resolution No. 1530 of 14th March 1956 has been revised to Rs. 1,283.22 Lakhs and is awaiting approval of the Works Committee and the Corporation.

(*m*) **Filtration of Water Supply.**—(*i*) The scope of the work was restricted to research in the Laboratory and on small scale field models.

During the year under review, construction of pilot plant was underatken.

(*ii*) The micro-strainer plant which was running in one shift only last year was now run round the clock.

(*iii*) **Other Pilot Filter Plants.**—Pilot units of slow and semi-rapid sand filters were completed and put in commission. Other pilot units for Vehar and Tansa waters were being provided at Powai under the same programme.

(*iv*) **Other Departmental Works.**—The Departmental organization under the Filtration Unit carried out works to the extent of Rs. 45,000 departmentally during the year under review. Works such as construction of staff quarters and cement godown costing about Rs. 70,340 were in hand.

(*n*) **Renovation of Duct between Tansa and Ghatkopar.**—(*i*) Messrs Structural Engineering Works, Ltd., to whom the work of laying 72" dia. R.C.C.pipe line between Tansa and Ghatkopar in replacement of the existing masnory duct was awarded, have started manufacturing pipes since October 1961. It is anticipatd that they will start laying of pipes from October 1962.

(*ii*) During the year departmental works such as construction of Offices, Staff Quarters, etc., were carried out to the extent of Rs. 90,638.

(*o*) **Land Acquisition.**—During the year possession of the sites for (*i*) Golanji Hill, (*ii*) Pali Hill, (*iii*) Veravali Hill (Low Level), (*iv*) Trombay Hill and (*v*) Rawali Hill, was taken over by the Municipality from the Government Land Acquiring Officers.

As regards the sites for Veravali Hill (High Level), private lands were proposed for acquisition and negotiations for the transfer of the required areas of Milk Scheme land were in progress by the end of the year. Acquisition proceedings in connection with the reservoir at Bhandup were in progress.

IV.—STUDIES IN CONNECTION WITH FUTURE AUGMENTATION SCHEMES.

The gauging work at Kalu and Dahisar Rivers was continued on the lines of the previous year.

V.—DAHISAR PROJECT.

The Standing Committee under their Resolution No. 3257, dated the 25th January 1961 accorded sanction for the preliminary works in connection with the water supply to the newly merged areas in the Western Suburbs at a total cost of Rs. 6,77,820. During the year, the following works were taken in hand :—

(*i*) 6" dia. water connection was provided through the masonry of Tulsi Dam.

(*ii*) **Survey for diversion of road.**—Alignment admeasuring 4 miles was completed and detailed cross-sections were taken.

(*iii*) Two sites near National Park, Borivali, known as Khanderao Talpade Hill and another near the dam-site were surveyed for service reservoir and filtration plants.

(*iv*) Detailed levels for contours at 20' distance along 18 lines each admeasuring about 2,000' were taken and contours were being plotted for downstream protection works and intake arrangements.

(*v*) A contour survey for the diversion weir and catch water channel for the proposed site was carried out.

(*vi*) **Land Acquisition.**—An area of about 300 sq. acres was tentatively demarcated at site and negotiations with Government were in progress for the release of this land. Detailed surveys for 2 alternative camp sites were carried out and mapped.

(*vii*) **Taking trial bores for investigations of foundations.**—During the year, 17 bores were drilled along the proposed dam alignment ranging from 30' to 100' deep. The results indicated that the rock was not available at a reasonable depth. A fresh alignment, about 600 ft. upstream was selected and trial bores on the new alignment were in progress. The Geophysical explorations of the dam alignment was also undertaken by electrical resistivity method.

VI.—MISCELLANEOUS WORKS.

(*i*) Enlarging the 72" dia. Tansa West Main to 96" dia. and replacing the 72" dia. Tansa East Main between Kasheli Anchor Block Balcum by a new one.

During the year, the follvwing works were carried out under this item :—

(*a*) The work of cutting and removing the old pipes and laying new ones in their places was completed to the extent of 83.65 per cent.

(*b*) Departmental works were completed to the extent of 61 per cent.

(*ii*) Replacement of 72" dia. East and West Tansa Mains by one 96" dia. new main between Kasheli Anchor Block and Gundavali.

The Corporation under their Resolution No. 1397, dated the 11th January 1960, approved an estimate amounting to Rs. 48,87,000 for this work. Though this work was originally proposed to be taken in hand immediately after the work detailed in (1)(*a*) above is completed, it is now decided to defer this work for the time being in order to maintain the City's water supply to the present level. Instead a new 96" dia. steel pipe for a length of abot 4 Miles between Tarali and Kasheli Anchor Block will be laid, which will carry water from the existing 72" dia. mains. When this is done, the deferred work will be taken in hand.

(*iii*) Arrangements for diverting Vaitarna and Tansa waters into Vehar Lake at Bhandup.

The main work of connecting the 72" dia. East Main was already done and that of connecting 96" dia. main was done during the year, leaving the connection to be made on the West Main, which will be done whenever the trunk main is isolated for some other work in this area.

(*iv*) Replacing a portion of 72" dia. main at Bhandup.

The work of replacing about 1,300 R. ft. of 72" dia. East main which was started last year, has been completed during the year under review.

CITY ENGINEER'S DEPARTMENT (CITY)

I.—PLANNING BRANCH

I.—(A) Planning (Architectural).

The Architectural Planning Branch prepared in all 554 plans 17 Block estimates and 51 detailed estimates costing about Rs. 1,09,74,525.00 and Rs. 2,15,69,855.00 respectively for layouts and buildings for Hospitals, Schools, Markets, etc.

(*i*) *Schools.*—Plans and Estimates for 8 New School Buildings and also for additions and alterations in respect of 4 School Buildings were prepared, total estimated cost being Rs. 1,06,10,908.00.

(*ii*) *Medical Relief.*—Plans and estimates amounting to Rs. 32,36,166.00 were prepared for the construction of buildings for Hospitals, Maternity Homes, etc., and also for extensions of the existing ones.

(*iii*) *Markets.*—Plans and estimates amounting to Rs. 5,88,935 for the proposed Fish Section at Elphinstone Road Market and additions and alterations to Peddar Market and Garamkhada Market Lalbaug were prepared.

(*iv*) *Cemeteries.*—Plans and estimates for additions and alterations to the cemeteries at Sion, Bhoiwada and Shivaji Park of estimates of Rs. 3,91,936.00 were prepared.

(*v*) *Miscellaneous works.*—Plans and estimates for new structures and alterations to several existing Municipal structures and Public Sanitary Conveniences were prepared.

I.—(B) Planning (General).

The Planning Branch for Civil and General works prepared in all 4,537 plans and new estimates costing about Rs. 73,58,289.00.

92 Estimates for works proposed last year were also revised.

(*i*) *Roads.*—Plans and estimates for 6 projects of construction of new roads and widening of existing Roads worth about Rs. 16,29,617 were prepared.

(*ii*) *Storm Water Drains and Sewers.*—Several schemes were prepared for storm water and sewer drains important amongst them are those of outfall at Joglekarwadi, double-barrelled outfall at Timberpond and replacing ovoid sewer by pipe sewer below 'S' Bridge Byculla.

I.—(C) Special Technical Unit.

3. The officer working in the post continued to guide the staff, pay surprise visits to various works under progress and also investigated complaints received.

During the year he was also associated with the programme of removal of unauthorised hutments in the City and arranging for alternate accommodation to persons dishoused as a result of house collapses or puilling down of the dangerous buildings.

I.—(D) Slum Clearance.

4. (*i*) The preliminary survey of 4 additional slum areas in Suburbs and Extended Suburbs was carried out during the year.

(*ii*) The work of clearances and development in respect of 6 Municipal Slums was completed during the year.

(*iii*) Under the Government of India's subsidised Slum Clearance Scheme, 3,668 tenements were sanctioned till 31st March 1962. Out of these, 954 tenements were completed during the year. 992 tenements were started and 1,296 tenements were in progress. Rs. 13,81,500 and Rs. 17,96,000 were received from Government as loan and subsidy respectively in the year.

(*iv*) A further programme of Slum Clearance of an outlay of Rs. 68.16 lakhs proposing 1,136 tenements was submitted to the Government for sanction.

I.—(E) Municipal Material Testing Laboratory.

5. During the year under reference the work at laboratory was considerably increased. 6,073 different kinds of tests were made and 110 outdoor calls for tests were attended. One H. F. vibrating machine to test cement samples was purchased during the year.

II.—Construction Branch.

6. During the year under reference the work in construction Branch was allotted under four Executive Engineers.

(*i*) *Works of Buildings consruction other than Housing.*—During the year 29 works of estimated cost of Rs. 1,55,87,492 were completed and 25 works worth Rs. 2,68,81,359 were in progress.

(*ii*) *Housing.*—This covers construction of tenements for (*a*) Slum dwellers dishoused under Slum Clerance Schemes, (*b*) for House Collapse Victims, (*c*) for Occupants of acquired properties and (*d*) for Municipal staff. 2,260 tenements were completed and 3,568 were in progress, during the year under report.

(*iii*) *Construction of Roads.*—Works on 35 roads at estimated cost of Rs. 1,43,76,972, of concreting 3 junctions costing Rs. 16,66,564.00 were completed under road programme and works on 8 roads and 4 junctions were in progress at the close of the year.

(*iv*) *Drainage construction.*—These works were under the control of E. E. (Planning.) During the year under report 7 works were completed, 21 works were in progress and contracts for 7 more works were awarded.

III.—Maintenance of Buildings and Roads.

7. *Repairs and Maintenance of Municipal Properties.*—The total number of Municipal Buildings and other properties maintained during the year was 3,351. The upkeep and maintenance of Buildings was carried out partly by contract and partly by departmental agency. Repairs under "New Works" and "Special Works" were carried out to various Municipal Hospitals and School Buildings according to the provisions in the Budget.

8. *Roads and footpaths.*—The total length of the roads in the City at the close of the year was 282.088 miles. An amount of Rs. 14,64,720.38 was spent on repairs to potholes on carriageways and 72,61,752 sq. yds., of roads were resurfaced by different modes of resurfacing departmentally during the year under report. The work of constructing footpaths as approved by the Corporation was continued during the year and the footpaths of 24 roads with an area of 20,969 sq. yds., were asphalted at a cost of Rs. 56,851.02.

Other miscellaneous works of road watering, pedestrian guard railings, adding set-back lands to roads, street name boards and maintenance of monuments were carried out.

9. 845 permits were issued for excavation of roads and footpaths. Trenches were reinstated at a total cost of Rs. 2,80,632.74 at the cost of the parties who had taken

the trenches. 469 permits were issued for stacking of building materials, ,erecting scaffoldings on roads and the total receipts in this behalf amounted to Rs. 31,629.92. In addition an amount of Rs. 8,428.39 was realised from 496 permits issued for erecting mandaps, placing chairs, etc., on roads. 258 notices were issued for unauthorised occupation of roads.

10. *Asphalt Plant.*—The Hot Mix Asphalt Plant at Worli was in operation during the year except monsoon period. The Pegson Mixer produced the required chip mixture and cold mix material for filling potholes in City and Suburbs. The materials produced by the Plant during the year were utilised for asphalt sheeting providing seal or chip coats on roads and covering footpaths. The total output at the Plant during the year was 18,442 tons.

11. There are 4 crushers and 1 granulator at Worli and 4 Cruchsers at Sewri. On an average 2 to 3 Crushers at Worli and 2 Crushers at Sewri worked well. The output of metal during the year was 8,750 brass. The value of the stock in hand at the end of the year was Rs. 9,723.40 at Worli and Rs. 25,076.52 at Sewri.

12. *Street Lighting.*—The total No. of lamps in the City at the end of the year was 13,377 as against the previous year's 13,079. Total 19,66,45,680 cubic feet of gas and 38,40,646 Kwts. of electricity was consumed in lighting of streets in the City during the year. The lighting of 17 roads was improved with H. M. V. lamps under the "all in hire" Scheme and of 17 roads by electric and gas lamps. New lighting arrangement was provided on 14 roads during the year.

13. *Traffic.*—The New Tarffic channelising and Refuse Islands were constructed at 11 intersections. Remodelling of 5 Rotaries was also undertaken. Pedestrian crossing lines, centre lines etc., on roads were demarcated as usual and works of providing permanent Centre Divider along Dr. Annie Besant Road was completed. Traffic signals were put into commission at 5 additional intersections of roads and tenders for Traffic Signals at 4 intersections were invited.

14. *Bridges.*—Proposals of Princess Over Bridge for vehicular traffic and foot over bridges across Queens Road at Charni Road and Marine Lines Railway Stations were held over pending finalisation of the Scheme of additional Railway tracks by the Western Railway.

15. *Parking.*—Parking studies to consider the parking demand and requiremen and to provide off-street parking facilities in 2 areas were undertaken. City-wise and Suburb-wise traffic census studies were also made with the surplus Municipal staff. Truck traffic study was made with a view to establishing a Truck Terminal at Dongri.

16. *Improvement of Private Streets in the City.*—Actions for improvement of private streets at eight localities in the City were in progress during the year of which seven continued from previous year and one action was newly started.

(*b*) Recoveries in respect of the costs of improving the private streets, including deposits, interests etc., from the frontagers of the streets for works carried out in the past and proposed to be carried out amounted to Rs. 1,15,348.43 nP. during the year.

(*c*) Out of 63 Municipal references under Section 503 of the Bombay Municipal Corporation Act pending in the Small Causes Court at the end of previous year, 46 references were disposed of and 17 references were still outstanding. Two appeals pending in the Court were decided in favour of the Municipality.

IV.—Maintenance of Sewers and Drains.

17. *Maintenance of Drains and Sewers.*—The work of minor repairs, maintenance and cleansing etc., of drains and sewers was carried out as usual. The total mileage of pipe sewers, ovoid sewers and storm water drains at the close of the year was 238.70, 23.55, 221.84 miles respectively.

18. *Water courses, Catchpits and Street connections.*—All the water courses, 22,123 water entrances and 94,363 street connections were cleaned during the year. 7,88,484 tons of silt was removed therefrom.

19. *Vent shafts and sluices.*—All the vent shafts, numbering 2,771 and 31 sluices on sewers and Storm Water drains were maintained and kept in working order.

20. *Storm Water Drains.*—The main storm water channels were maintained and cleaned. The work of cleansing and removal of silt from house drains and pipe sewers and removal of chokes was carried out.

21. 106 Street connections of buildings were made to Sewers and 18 to Storm Water Drains. Flood abatement operations in the monsoon were carried out for which some special staff was appointed as usual.

22. *Requisitions in respect of Private house drains.*—3,715 Requisitions were issued under the Act for rectifying defects in private house drains in the year. 1,584 prosecutions were launched and Rs. 4,032 were recovered by way of fines.

23. *Special Desilting programme of sewers, etc.*—The work of desilting under this programme was continued during the year. 92,874 running feet of main sewers including ovoid sewers were cleaned and 3,89,380 C.ft. of silt was removed. Besides 75,595 R.ft. of pipe sewers were cleaned removing 29,200 C.ft. of silt from the same and 6 catchpits were also cleaned.

V.—Private Building Construction.

24. *Applications for new construction works.*—1,743 building proposals (both for construction of new Buildings and those for additions and alterations to the existing Buildings) were received during the year under report out of which 732 were for constructing new buildings.

25. *Building Construction.*—The total number of buildings constructed by the private enterprise during the year was 543 as against 208 during the previous year out of which 234 were residential and 209 non-residential. The total number of residential buildings constructed by Co-operative Housing Societies was 71 and those by employers for their employees was 273.

26. *Building Collapses.*—131 Buildings or portions thereof collapsed during the year. 54 persons were injured and 8 persons died.

27. *Actions under provisions of the Act.*—12,666 actions were taken under the Building provisions of the Act and 1868 were pending from previous year. Out of these, 10,086 were complied with. Prosecutions were launched for non-compliance.

The aforesaid actions include 4,462 Notices for repairs or removal of unsafe buildings or parts thereof. In 255 such Notices the work was carried out departmentally and authorities to carry out works were granted to the occupants in respect of 135 buildings.

28. *Removal of unauthorised constructions.*—Standing Committee's sanction for removal of 324 works was obtained during the year.

29. *Complaints from the Public.*—13,740 complaints were received from the public, 12,881 complaints were looked into and disposed of at the close of the year.

30. *Regular lines of streets and Acquisition of setbacks.*—An anount of Rs. 5,81,796.17 was spent on acquisition of setbacks. Regular Lines were prescribed on 3 roads and on 1 road it was revised.

31. *House Numbering.*—The work of assigning number plates to newly constructed buildings and to existing buildings where number plates were missing was carried out by the Survey Branch in addition to the normal work and zone-wise lists of Public Roads was also prepared.

VI.—Mechanical Branch.

32. 5,863 jobs were completed in the Municipal Workshop at Foras Road during the year. Expenditure on departmental and private works amounted to Rs. 6,36,271.31 nP.

33. *Municipal Foundry.*—Castings such as cast iron manholes, gratings, Inspection chambers, number plates etc., were manufactured and supplied to various departments. The total turn over was 1,64,720.9 Kgs., value at sanctioned rates to Rs. 1,11,163.74.

34. *Design Section.*—Plans and estimates for 480 Mechanical works amounting to Rs. 11,67,600 were prepared. The number of outdoor jobs executed was 764 at a cost of Rs. 2,17,990.

35. *Electrical Section.*—This Section looked after all the installations in the City except those under the Hydraulic Engineer and *Ex*-Trust chawls. The tender section executed works amounting to Rs. 6,69,060 and prepared 38 estimates amounting to Rs. 6,59,855 . Similarly 99 estimates were prepared by Planning Section amounting to Rs. 18,48,100. Works of electrification of Municipal Houses in City and Suburbs worth Rs. 3,05,400 were carried out and 56 such estimates were prepared. 745 jobs costing Rs. 2,26,568 were executed departmentally.

36. (1) *Love Grove Pumping Station.*—The pumping station worked very well and facilitated the main sewer cleansing programme. The total quantity of sewage pumped out was 43,777 million gallons. The quantity of silt removed was 83,340 C.ft, and the screenings 13,400 C.ft.

(2) *Love Grove Sewage Purification Works.*—The primary settlement tank and all the four Digestion Tanks worked satisfactorily. The sludge gas generated was burnt and the sale of dried sludge fetched Rs. 3,865.00

(3) *Dadar Sewage Purification Plant.*—About 6,189.31 million gallons of sewage was received for treatment *i.e.*, an average of 16.95 million gallons per day out of which 1.5 million gallons of sewage per day received complete treatment. The digestion tanks produced sludge gas and digested sludge manure as bye product. The total revenue realised by the sale of sludge gas and dried sludge amounted to Rs. 2,05,638 and Rs. 6,907 respectively.

37. *Laboratory.*—Expriments on removal of Hydrogen Sulphide from sludge gas continued during the year. 80 per cent. of Hydrogen Sulphide was removed from the gas. The laboratory also analysed samples from Love Grove and Dharavi Plants. Samples to ascertain the infiltration of sea water into sewers were also collected and analysed.

38. *Dharavi Purification Plant.*—The plant comprising different units worked satisfactorily during the year The total revenue realised by the sale of Gas including meter rent during the year was Rs. 37,839.75 and that from the sale of sludge as mannure 238.50 Brass, was Rs. 4,650.75. New extension works at the plant were in progress during the year.

39. *Pumping and Compressor Stations and Ejectors.*—The 12 Pumping Stations including the one at Jackeria Bunder Road put in commission in the year, worked well. 4 Compressor Stations were also in operation throughout the year. The working of the 17 Ejectors in the City was normal.

The sewage treated and untreated and storm water from the City continued to be discharged into sea, at 3 places *i.e.*, (1) Love Grove outfall, (2) Cleaveland Bunder Storm Water Channels and (3) Dharavi Sion Creek.

VII.—Transport Branch.

40. This branch looked after the maintenance and upkeep of all municipal vehicles except those that are in charge of Chief Officer Fire Brigade, Hydraulic Engineer *Ex*-Engineer (Vaitarna-*cum*-Tansa and Master Plan). The majority of these vehicles were employed for conservancy services, road maintenance and construction work.

41. During the year 572 vehicles including 1 Bull-dozer and 3 skid shovels were in commission. 41 vehicles were scraped and sold during the year. During the year 7 new vehicles were purchased. The vehicles were garaged at seven different places.

42. The total mileage covered by transport vehicles was 1,88,000 miles and different departments were billed at sanctioned rates.

VIII.—Factory Section.

43. This branch granted 545 new permits and renewed 547 permits for establishment of factories. In all 393 prosecutions were launched against the unauthorised running of factories and the fine collected was Rs. 8,184.00. In all 239 complaints were received from the public against the nuisance from fctories etc.,and necessary actions were taken in respect of all of them.

IX.—Conservancy.

44. *Collection and Removal of Refuse.*—Roads, footpaths and house gullies were swept and washed as usual. The total refuse collected and removed through the municipal agency was about 6,57,000 tons (inclusive of house, trade and market refuse). In all 265 actions under Section 368 of Bombay Municipal Corporation Act for provision of dust bins were taken till July 1961. This work was transferred to Executive Health Officer from 1st August 1961.

45. *Transport.*—22 Moving floors, 12 Bantam Carriers, 27 scammell Horses, 14 Moto-carts, 2 G. M. Cs., 12 Low-loaders, 9 Jeeps, 3 Dodge vehicles, 30 Fergusson tractors, 190 Scamell tractors 29 Fergusson trailors, 48 Devidayal Trailers, 42 Mahindra & Mahindra trailers and 3 Bulldozers out of which 312 vehicles were roadworthy during the year under report.

46. *Collection, Removal and Disposal of night-soil.*—Night soil from privies and vacant places was removed regularly. Public sanitary conveniences at different places were also attended.

47. *Dog Licensing and control over stray dogs.*—During the year 8,686 licenses were issued and 21,045 stray dogs were destroyed. Total revenue of Rs. 44,705.50 was collected from the licences.

48. *Removal and Disposal of Dead animals.*—431 big and 22,233 small dead animals were removed to Mahalaxmi Sidings from which Rs. 7,805.50 were realised.

49. *Infectious Diseases Ambulance Service and service for removal of Dead bodies.*—During the year 6 ambulances were maintained. 6,666 bodies were removed on payment. 16,187 patients were taken to the infectious diseases hospital.

51. *Veterinary Services.*—These services were rendered at Hospitals both to Municipal and other animals. Private Stables were visited and also animals brought into the City were immunized.

52. *Conservancy and Special Halalkhore Serivces.*—These services were rendered to circuses, exhibitions, fairs etc., and charges amounting to Rs. 1,53,888.66 were collected. Rs. 81,685.00 were also received from Government for cleansing Government Foreshores.

53. *Sweepers' Chawls.*—Co-operative Credit Societies for Labour, etc. The Labour Chawls were inspected and maintained. 12 Co-operative Credit Societies worked satisfactorily for the benefit of the labour employees. The share capital subscribed is Rs. 23,45,513.76.

54. *Removal and Disposal of Town Refuse at Deonar.*—The major portion of the City Refuse was transported for disposal at Deonar Reclamation Ground by running two trains daily each consisting an average of 30 wagons having 950 C.ft. capacity. During the year 2,01,17,220 C.ft. of refuse was transported to Deonar in 21,206 wagons. The cost of haulage from Mahalaxmi to Deonar was Rs. 1,94,539.01 nP. and the cost of unloading was Rs. 3,27,557.00 nP. which works to Rs. 2.60 nP. per 100 C.ft. As the Municipal wagons were insufficient, wagons were taken on hire form the Western Railway at Rs. 4.50 nP. per wagon per day. The total hire charges amounted to Rs. 80,280.00 during the year. The total income dervied from various sundries amounted to Rs. 67,232.00 nP.

X.—Development Plan Section.

55. The surveys in respect of Hospitals, Dispensaries, Primary Schools, Markets, Parks and Playgrounds in Greater Bombay were completed. During the year under review, Tenements Surveys were carried out in regard to sites tentatively reserved in the City in the Development Plan with a view to determine the adequacy or otherwise of the provisions made under the Plan.

Tentative development plans for R (West), P (West), K (North) wards in the Suburbs and Extended Suburbs were prepared.

The tentative development plans of portions in Suburbs and Extended Suburbs were displayed for public inspection with a view to inviting suggestions and objections from general public.

The two advisory committes continued to function in the year.

XI.—Town Planning Schemes.

56. The implementation of the Town Planning Scheme Bombay City No. I (Mandvi and Elphinstone Estate) which has been sanctioned by Government on 4th September 1957 was held in abeyance pending provision of alternate housing accommodation to tenants likely to be affected.

Implementation of Town Planning Scheme Bombay City No. II (Mahim Area) which has come into force from 1st December 1959 was in progress.

Town Planning Scheme Bombay City No. III came into force from 1st March 1961 and the works of construction of some roads and laying of S. W. Drains were in progress.

Town Planning Scheme Bombay City No. IV.—The Arbitrator appointed for the work had declared his award on 24th February 1962.

57. The total expenditure incurred in connection with the preliminary works of T. P. Scheme, Bombay City No. I was Rs. 21,29,568.55 and on Scheme Nos. II, III and IV during the year under report was Rs. 6,32,916.37 and the expenditure from the commencement of the schemes to the end of the year was Rs. 16,30,014.49 nP.

VIII—IMPROVEMENT TRUST AND MUNICIPAL PROPERTIES.

1.—Acquisition of Land.

Acquisition proceedings were in progress and possession of the following properties was obtained :—

(1) C. S. No. 3299, 3300, 3443 and 3444, 2517 to 2519 of Bhuleshwar Division.

(2) Plot No. 307C of Dadar Matunga Estate for a market.

(3) C. S. Nos. 780 and 781 of Mandvi Division for a School.

(4) C. S. No. 1634 of Girgaum Division at Kennedy Bridge for Road widening.

(5) C. S. No. 138A and 138B/74 of Parel Sewri Division for extension of K. E. M. Hospital and housing of essential staff.

(6) Proposed exchange of Municipal land with Government land at Katrak Road leased to Acworth Leper Home.

(7) C. S. No. 1125 of Mahim Division for Housing.

(8) C. S. No. 370 of Mazgaon Division for a Market.

(9) Land at Napean Sea Road for a sewage Pumping station.

(10) C. S. No. 158 and 159 of Byculla Division at Kamathipura 8th Lane for Extension of Market.

(11) Land at Eksar (Pahadi) Goregaon East, S. Nos. 129 (1), 130, 131 to 136, Cama's land for Industrial Estate.

(12) Land at S. Nos. 19 to 22 South of Mahatma Gandhi Road, Goregaon for Housing at Village Pahadi, Bhatt's land.

(13) Land at Gazdhar Park Scheme (Kandivli) for Market bearing Plot No. 21 and 22 (Harckchand Amulakh).

(14) Land at Dahisar for School and Park (Madgaonkar's land).

(15) Plot at Liberty Garden Housing Society at Malad (West) (Maladwalla's land).

(16) Land at Ghodbunder Road, Borivali West Bearing Plot No. 6A, T. P.S. No. 1, Borivli (Madgaonkar's land).

(17) Land at S. No. 345A owned by Shri P. G. Patil for construction of Ram Ratan Road at Mulund.

(18) Land at Anik (Chembur) Narielwalla's land for Housing.

(19) Plot at Jogeshwari Co-operative Housing Society (East) for school and garden.

(20) Land in S. No. 363 of Mulund at Gavan Pada Village for Public Sanitary Conveniences (Two Sites).

(21) Land at Nahur Village, Mulund, for Public Sanitary Conveniences.

(22) Land in Nanepada Village, Mulund, for Public Sanitary Conveniences.

(23) Land of Maharashtra Housing Board at Kalina for Dispensary.

(24) Land at Trombay S. No. 139A for Public Sanitary Conveniences.

(25) Land near C. S. T. Bridge for Public Sanitary Conveniences.

(26) Land at Patil wadi, Kurla for Public Sanitary Conveniences.

(27) Land at Kandivali near Dahanukar wadi for Public Sanitary conveniences.

Acquisition proceedings in the following cases were in progress :—

(1) C. S. Nos. 1/1884,2 to 6/1884, 1887, 1 to 8/1887 of Byculla Division for extension of B. Y. L. Nair Charitable Hospital and T. N. M. College.

(2) C. S. Nos. 118 (part), 1/118 (part), 2 to 4/118 of Parel Sewri Division for School and Housing.

(3) Properties on the fringe of Mumbadevi Tank C. S. Nos. 1538, 1637, 1/1637, 1636, 1640 (part), 1595 of Bhuleshwar Division.

(4) C. S. Nos. 733 and 2/733 of Mahim Division for Municipal purposes.

(5) C. S. No. 1975 of Bhuleshwar Division for a Parking lot.

(6) Property bearing C. S. No. 8 (part) 1/13 of Dadar Naigaum Division for Housing, School, Ward offices, etc.

(7) C. S. No. 514 of Colaba Division for a Market.

(8) C. S. No. 1312 of Mandvi Division at Memonwada Road for school.

(9) C. S. No. 1309 of Mandvi Division at Memonwada Road for a School.

(10) C. S. No. 1285 (part) of Fort Division for a School.

(11) C. S. No. 124 (part) of Parel Sewri Division for an Industrial Estate.

(12) C. S. No. 1/318 of Bhuleshwar Division at Wellington street for a dispensary

(13) C. S. No. 3349 to 3351 of Bhuleshwar Divison for a School.

(14) C. S. Nos. 1A/1762 and 1/1762 of Byculla Division for a garden.

(15) C. S. Nos. 1143 and 1144 of Mandvi Division for a School.

(16) C. S. Nos. 2/175 (part) and 175 (part) of Lower Parel Division for a garden.

(17) C. S. No. 332 of Parel Sewri Division for extension of Market.

(18) C. S. Nos. 1325 (part) and 1/1326 of Lower Parel Division at Bhavani Shankar Road for Housing.

(19) Acquisition of C. S. No. 12 of Mahim Division Opposite Worli Hindu Cemetary No. 74 for an Industrial Estate.

(20) C. S. Nos. 1638, 1/1637, 1636, 1635, 1640 (part), 1594 and 1595 of Bhuleshwar Division for a school, garden, etc.

(21) C. S. No. 1311 of Mandvi Division for a School.

(22) C. S. No. 1309 of Lower Parel Division at Bhavani Shankar Road for Housing.

(23) C. S. Nos. 11/1, 1090 to 1094 of Mandvi Division at Zakeria Masjid Street and Dontad Street for School.

(24) C. S. No. 1977 of Bhuleshwar Division for a garden at Naviwadi.

(25) C. S. No. 1/1298, 1299, and 1300 at Shaikh Budan Kamruddin Street and C. S. No. 1269 to 1272 at Temkar Street all of Byculla Division.

(26) C. S. No. 506 (part) of Dadar Naigaum Division for Housing.

(27) C.S. No. 1031 of Lower Parel Division at Dr. Annie Besant Road for an Industrial Estate.

(28) C.S. No. 756 (part) of Mazgaon Division at Ghorapdeo Road and Chinchpokli Cross Lane.

(29) C.S. No. 79 of Parel Sewri Division near Old Kumbhar Chawl for Children's Garden.

(30) C.S. No. 302 of Bhuleshwar Division at Wellington Street for a Municipal Dispensary.

(31) C.S. No. 108(part), 2/108 (part) of Parel Sewri Division for a School.

(32) C.S. No. 2017 (part) of Byculla Division at Clerk Road for access to properties required for housing and known as Rasul Jiwa Compound.

(33) C.S. No. 882(part) of LowerParel Division at Elphinstone Road for Municipal School and Play ground.

(34) C.S. No. 426 of Parel Sewri Division at Parel Tank Road known as Marwari Wadi for School, Play ground, Road and Housing.

(35) C.S. No. 4316 to 4318 and 4321 of Bhuleshwar Division at 2nd Cooper Street for a school.

(36) C.S. No. 331 of Parel Sewri Division at Parel Village for extension of Market.

(37) Site at Parel Village Road in C.S. Nos. 251, 252, 253 of Parel Sewri Division for a School.

(38) Site at Samuel Street in C.S. No. 999 to 1001,1003, 1006 (part), 1010 of Mandvi Division for a school.

(39) Land at Akurli (East) Kandivli for School.

(40) Land at Goregaon (East) for School, Samant, Bhatt and Desai's Plot (Donated land).

(41) Land at Kandivli (Poisar) for Housing, Powell's land S. No. 164A and 164C.

(42) Land at Chinchavali, Malad, East for Housing Fardoomji Irani's Land.

(43) Land at Dahisar bearing S. No. 271, 272, 273 and 281 (part) for Market and School.

(44) Land at Poisar, Kandivali (Sindh-Hindu Co-operative Housing Society) bearing S. No. 44 and 45 of Poisar and 126, 128 and 129 of Village Kandivali.

(47) Plot for Garden at Gazdhar Street, Santacruz (East).

(48) Plot at the junction of Andheri Kurla Road and Teligalli at Andheri East.

(49) Thanawalla's property at Mankhurd.

(50) Plot in Township Colony, Chembur (Lease under Execution).

(51) Land at S. No. 419-Sion Trombay Road, Chembur.

(52) Access land belonging to Shri Narielwalla and admeasuring 4872 Sq. Yds.

(53) Public Sanitary Conveniences Sites at Govanpada S. No. 90 and 93 of Village Mahul.

(54) A part of Land at Borla Govandi for Municipal Housing (Shri Laxman Pandu Patil's Land).

(55) Land at Malad for Harijan Quarters and Night Soil Depot.

(56) Plot of land at Poisar, Kandivli for Fire Brigade Station.

(57) Land at Borivli bearing Plot No. 17 part of T.P.S. No. 1 (Wagle's plot).

(58) Land at Kandivli for Cremation Ground.

(59) Plot of land bearing Nos. 1119, 1120, 1121 and 1122 at Mulund (East) for Municipal Office Building.

(60) Plots for Fire Brigade Station at Mulund along Bombay Agra Road (Plot Nos. 1142 and 1143).

(61) Land at Ghatkopar (West) along Bombay Agra Road for Public Park.

(62) Land in S. No. 47 at Marol.

(63) Land in S. No. 19/1, 20/1, 21A/1 and 40/2, Extension at Andheri Market.

(64) Land Extension of Dawood Bag Road and School at Andheri.

(65) Land at Vile Parle (West) for Municipal Market.

(66) Land at Deonar, Govandi and Chembur for Public Sanitary Conveniences.

(67) Additional land for Fire Brigade Station at Chembur.

(68) Land in S. No. 279-280, Takia Ward, Kurla for Municipal School.

In about 27 cases, Government have been requested to acquire land under Land Acquisition Act for various Municipal purposes and notifications are awaited.

Acquisition of Municipal Land by Government of Maharashtra :—
38 Plots of Sewri Wadala Estate for staff quarters of the Central Government.

CHANGES IN THE EX-TRUST AND MUNICIPAL ESTATES

There were no changes in Layout in *Ex*-Trust Estates.

The area of the permanently leased land increased during the year from 58.56 lacs square yards to 58.98 lacs square yards and the rent in respect thereof increased from Rs. 44.18 lacs to Rs. 44.79 lacs. The area of the developed land which remained to be leased was 0.67 lacs square yards.

The area of undeveloped land remained the same as in the previous year, *viz.*, 51.97 lacs square yards.

Out of the total of 2,879 acres (acquired by the *ex*-trust) about 37.3 per cent. remained to be developed and out of developed area 1.09 per cent. remained to be leased which included an area of 1,64,680 square yards reserved for Municipal purposes.

SLUM CLEARANCE

The following number of tenements were constructed in the localities mentioned below :—

No. of Tenements	Locality.
42	Foras Road.
288	Rawli Camp.
208	Bane Compound
112	Water Street.
396	Vikhroli.

DIS-HOUSING AND RE-HOUSING

New residential accommodation made available by the lessees of the *ex*-Trust Estate during the year was 406 tenements. The total number of tenements provided upto date in all the Trust Estates including those erected by the Development Department and the several Mill Co.'s exceeded the total number of tenements demolished by 41,439

Housing of Squatters.—About 2285 and 1889 squatters' families resided in the colonies at Mankhurd and Jogeshwari respectively. The recoveries of rent continued to be far from satisfactory owing to unemployment among the squatters. A welfare Centre at Jogeshwari Colony was being conducted.

Sanitation of Both the colonies was well looked after and the areas kept free from Malaria, etc., by spraying insecticides.

LONG LEASES.

The number of plots let out during the year was 10 admeasuring an area of 42,374 square yards and valued at Rs. 12,30,935. The total number of plots disposed of upto 31st March 1962 was 4306 admeasuring 60,88,677 square yards and valued at Rs. 12,79,36,862.

SHORT LEASES.

One temporary lease was granted during the year. The number of vacant land tenancies on both the Municipal and *Ex*-Trust Estates was 4788 exclusive of the tenancies in the squatters' colonies at Mankhurd and Jogeshwari at the close of the year. The demand for vacant land tenancies in *Ex*-Trust Estates was Rs. 8,55,133 and the recovery was Rs. 7,69,864. Arrears amounting to Rs. 35,502, were still due from Military authorities and correspondence for the same was in progress. As regards the areas in Scheme 58 and52 Worli, requisitioned by the Collector of Bombay, he has fixed the rates of compensation payable in respect of 22 plots.

MANAGEMENT OF PROPERTY AND COLLECTION OF REVENUE

A.—Trust Section

Ex-Trust Permanent Chawls-The gross demand for the year was Rs. 19,17,296. The net demand excluding the amount of vacancies and concession granted to public bodies and associations was Rs. 18,94,677. The revenue actually collected came to Rs. 17,69,380 which was equivalent to 70.25 per cent. of the total amount recoverable including the arrears.

S. P. Sheds.—The gross demand for the year in respect of rooms in S. P. Sheds was Rs. 5,79,946 and the net demand after making allowances for vacancies and concessions was Rs. 5,71,582. The actual collection came to Rs. 5,96,067 which was equivalent to 73.29 per cent. of the total recoverable amounts including the arrears.

The percentage of outgoings in respect of chawls and S. P. Sheds worked out to 75.66 and 67.98 respectively of the annual demand. The collection of rent in chawls amounted to Rs. 17,69,380 Deducting therefrom the expenses on account of outgoings amounting to Rs. 13,35,301 the net income came to Rs. 4,34,079. The Capital expenditure incurred on these chawls including the value of land amounted to Rs. 264.14 lacs. The Corporation are required to pay annually the interest and sinking fund charges aggregating to Rs. 12.96 lacs at the rate of 4.61 per cent. on the capital expenditure incurred prior to 1919-20 and 6.35 per cent. on the expenditure incurred thereafter. The net income after deducting outgoings was insufficient to meet this expenditure and thus there was a loss of Rs. 8,62,336 under the permanent chawls for the year under review.

Bye laws for maintaining sanitation etc., in Municipal chawls and buildings were enforced and fines aggregating to Rs. 50 were imposed and collected from the tenants for the breaches of these rules.

First Aid Sets and Sick Room Requisites such as theremometers, Ice-bags, etc., were maintained at 8 Chawl Centres, Matunga Labour Camp, Dharavi and Mankhurd Colony for squatters.

The prizes of Rs. 50 and Rs. 20 for maintaining best sanitation of the chawls were awarded to the best Chawl Superintendent and the Mukadam during the year. In order to encourage the sweepers to co-operate in the maintenance of sanitation, 10 prizes of Rs. 10 each of the best sweeper in each different groups of chawl centres were also awarded.

383 plots agreed to be leased could not be handed over on account of temporary lettings and occupations thereon. Action was in progress to remove the same. The number of plots handed over but not built upon was 70.

During the year 41 Lessees were granted permission for the construction of motor garages in the compulsory open spaces and additional floors were sanctioned in 69 cases, 200 cases of encroachments were detcted.

112 Tenements were consructed at Worli from 'A' Budget Funds, for Municipal General Staff.

664 Tenements at Vikhroli and 528 at Wadala were also constructed for General public.

WATER WORKS

I.—HEAD WORKS AT LAKES AND TRUNK WATER MAINS.

Sources of Water Supply and Statistics of Quantity.

(1) The City of Greater Bombay including Suburbs and Extended Suburbs derives its water supply by gravity from four artificial lakes, *viz.*, Tansa, Vaitarna, Vehar and Tulsi. The total quantity of water supplied to Greater Bombay during the year was, 3,39,453.03 mega litres (74,769.38 million gallon). The quantity of water supplied to the City proper was 2,68,618.14 mega litres (59,360.53 million gallon) of which 53,895.59 mega litres (12,148.20 million gallons (20.21 per cent.) was for trade industries and other non-domestic purposes, and 1,73,817.25 mega litres (38,215.00 million gallon) (64.45 per cent.) was for domestic purposes. The quantity of water supplied to Suburbs was 59,591.32 mega litres (13,125.83 million gallons) out of which 32,076.57 mega litres (7,065.32 million gallons) (53.83 per cent.) was for domestic requirements and 18,599.63

mega litres (4,096.83 million gallon) (31.22 per cent.) was for trade industries, etc. The quantity of water supplied to Extended Suburbs was 11,147.45 mega litres (2,455.37 million gallon) out of wchich 4,641.19 mega litres (1,022.28 million gallons) (41.64 per cent.) was for domestic requirements and 5,157.78 mega litres (1,136.07 million gallon) (46.27 per cent.) was for trade industires, etc.

II.—MAINTENANCE BRANCH, HEAD WORKS DIVISION.

General.

(2) The jurisdiction of this division includes (*a*) Vaitarna and Tansa Lakes and Head Works, (*b*) Trunk Mains upto Pachhapur (which is about 10 miles from Tansa) and (*c*) Duct Line upto Nevada Chowkey (about seven and half miles from Tansa).

Maintenance of Vaitarna Lake and Head Works.

(3) 15 numbers of Hydraulic Gates were maintained during the year. The Spillway gates functioned satisfactorily. The maximum intensity of flood handles was 63,101 cusecs (on 9-10-1961). The under Sluices were operated for an aggregate period of 80 hours to allow the silt to be crraied away. The tunnel gates were operated for transfer of water from Vaitarna to Tansa Lake.

A Power House having 3 Nos. of 100 K.W. capacity diesel driven generators and 440 volts overhead transmission lines about 4.82 km. (3 miles) in length were maintained.

Chlorinated water supply of about 136.37 Ml. (30 million gallons) was given to the Municipal Colony and Health Resort Quarters.

In all 72 structures at Vaitarna were maintained and 16.89 Km. (10.5 miles) of asphalated Khardi-Vaitarna Road and 12.87 Km. (8 miles) of Kutcha Road from Tembha to Belnalla were maintained during the year.

The work of re-surfacing and construction of the approach road at Vaitarna and the Vaitarna-Belnalla-Tansa Road was commenced during the year.

Maintenance of Tansa Lake and Head Works.

(4) 38 Nos. of automatic shutters and 11 Nos. penstocks in outlet well were maintained. The lake was full and overflowed on 13-7-1961 when the total rainfall recorded was 124.29 cms. (48.91 inches).

A 10 K.W. 110 Volts D.C. Generator Set was maintained for lighting the bungalows at Tansa. The set was run for 4 hours a day. During the overflow period, the spillway was lighted by a 10 K.W. D.C. Generating Set.

41 permanent structures and the 12.87 Km. (8 miles) Tansa-Atgaon Road were maintained.

Both Vaitarna and Tansa Lakes continued to be popular with picnickers.

III.—MAINTENANCE BRANCH, OUTSIDE CITY DIVISION.

General.

(5) The jurisidiction of this Division includes (*a*) Trunk Mains from Pachhapur to Dharavi and Sion, (*b*) Duct Line from Nevada Chowkey to Ghatkopar Syphon Head, and (*c*) the Lakes and Head Works at Vehar, Tulsi and Powai.

Maintenance of Trunk Mains and Duct Line.

(6) During the year, 2 major bursts, 104 major leaks and 3,200 minor leaks in trunk mains, 160 leaks in duct line and 2,060 leaks in syphon mains were repaired.

Maintenance of Plant Equipment and Motor Trollies.

(7) 2 trollies, 2 locos and a Power House having 3 Nos. 24 K.W., 40 H.P., Generators were maintained.

Public Gardens and Parks attached to Vehar, Tulsi and Powai Lakes.

(8) Eleven gardens in the Outside City Division were maintained during the year. Vehar Lake garden and Powai Park continued to be popular with the public.

Disinfection of Water Supply.

(9) The Tansa Supply was disinfected by chlorine treatment at Bhandup and Powai. The dose of chlorine varied from about 0.8 to 1.6 milli-grams per litre. Excepting duct supply which was chlorinated and ammouniated at Bhandup, ammoniation was not done.

Vehar Supply was sterilized at Chlorination Plant at Powai. The dose of chlorine varied from 1.4 to 2.0 milligram/litre.

Tulsi supply, prior to filtration was given alum treatment for coagulation and all the seven rapid sand filter beds were in continuous use. After filteration the water was disinfected by chlorine treatment. Chlorine dose varied from 1.1 to 2.0 milligram/litre.

Fabrication of Loco.

(10) To save Foreign Exchange, a 10 Tonnes capacity Loco and a trailor were fabricated in Ghatkopar Workshop, at an approximate cost of Rs. 23, 000.

IV.—MAINTENANCE BRANCH, INSIDE CITY DIVISION.

General.

(11) This Branch is concerned with the maintenance of water works inside the City comprising of repairs and maintenance of water mains and fittings, structures, plant and machinery, cleaning of consumers' pipes and fittings, making new connections on Municipal mains upto 2" size, operation and maintenance of Chlorination Plants at Malabar Hill Reservoir and Bhandarwada Hill Reservoir and maintenance of five gardens and a workshop at DeLisle Road.

Maintenance of water mains and hydrants.

(12) A total length of 771.78 Km. (479 miles) of water mains was maintained during the year. There were 96 bursts, all of which were promptly attended to. During the course of the year, 60,294 works as compared with 50,352 during 1960-61 were carried out pertaining to repairs, cleansing, etc., of communication pipes and fittings. 7,008 repair jobs on fire hydrants in the City were carried out. 679 sluice valves ranging from 6" to 48" size were repaired during the year.

Water connections.

(13) The total number of water connections to different premises in the City was 70,527. The nett increase in the number of connections during the year was 1,623.

Cleaning of consumers' pipes and fittings in Dadar-Matunga Area.

(14) Algae and Shells being present in Vehar water which is supplied to Dadar-Matunga area, the consumers' pipes in this area required cleaning. During the year, 624 connections of different sizes were cleaned at a total cost of Rs. 7,000.00. Also 28 dirt boxes of sizes from 4" to 12" were cleaned every month during the year.

Repairs to Meters.

(15) During the year, 2,049 meters were repaired, 2,365 were replaced, 824 meters were removed and refixed and 1,303 new meters were fixed. 3,245 Municipal meters and 803 private meters were tested. The revenue derived from testing of private meters was about Rs. 4,970.

Maintenance of Chlorination Plants inside the City.

(16) Rechlorination was done by injecting extra dose of chlorine into the trunk mains at Futka Tank, Malabar Hill Reservoir, Bhandarwada Hill Reservoir and the Worli Hill Reservoir. In addition to this, certain mains in the City, the water of which did not show good results on analysis, were rechlorinated by means of two mobile chlorination sets of 4 lbs. capacity each. Besides chlorination, Ammonium Sulphate was also added in the Reservoirs at Malabar Hill and Bhandarwada Hill.

Repairs to Buildings.

(17) 32 Water Works Buildings comprising of workshops, control rooms, pumping stations, chlorination plants, residential quarters for staff and tenements for Low Income Groups were maintained.

Testing of water Fittings

(18) The Water Works workshop at DeLisle Road tested 4,95,310 Nos. of pipes and fittings, out of which 4,16,014 were for private parties and remaining for Municipal works. The revenue dervied from testing of pipes, fittings, etc., for private parties amounted to Rs. 55,341.

Maintenance of Gardens

(19) Five gardens were maintained during the year at a total cost of Rs. 43,000. The Kamala Nehru Park and Sir Pherozshah Mehta Gardens were illuminated with multi-coloured lights on all Saturdays, Sundays and Public Holidays except during monsoon. Special illumination arrangements were made on Republic Day on 26th January 1962.

V.—DISTRIBUTION BRANCH.

General

(20) This Branch deals with the distribution of water within the City limits and is divided in three sections, *viz.*, South (A, C and D Wards), North (F and G Wards) and the Central (B and E Wards). Each of these sections deals with the work of distribution and regulation of supply, investigation of complaints, wastage in Municipal and private mains, rewashering of leaky taps, issuing of notices for defective fittings, unauthorised works, etc., metering of water supply, etc.

Distribution of supply

(21) For the purpose of distribution of water supply, City is divided into four main divisions, (*a*) Area getting supply from Malabar Hill Reservoir, (*b*) Area getting supply from Bhandarwada Hill Reservoir, (*c*) Area getting supply from Worli Hill Reservoir, and (*d*) Area getting direct supply. The Worli Hill Reservoir having a capacity of 2,272 Ml. (5 million gallon) was put in commission on 6th October 1961. The supply from Thakurdwar Outlet, which was put out of commission since 24th November 1959 to facilitate sewer construction work, was restored from 25th February 1962. The newly laid Nesbit Road Outlet was commissioned on 27th March 1962.

Average daily quantity of water.

(22) The average quanatity of water per day brought to the City, Suburbs and Extended Suburbs was as follows :—

		In Mega Litres.	In Million gallons.
City	...	735.94	162.10
Western Suburbs	...	77.00	16.09
Eastern Suburbs	...	86.51	19.05
Extended Suburbs (West)	...	26.32	5.77
Extended Suburbs (East)	...	4.21	0.90
Total for Greater Bombay	...	929.98	203.91

Short Supply Complaints.

(23) During the year, 8,657 complaints were received on account of shortage of water supply due to defects either in Municipal or private distribution system. In addition to the above, 28,788 Nos. of complaints on account of temporary shortage of supply due to chokes and leakages in consumer's pipes and fittings, and wastage on premises were received and were remedied.

Notices and Prosecutions.

(24) Municipal Commissioner's notices under Section 274(1) and (3) of the Bombay Municipal Corporation Act were issued in 526 cases and under Section 271(2) in 85 cases in respect of premises which were without Municipal Water Supply. The number of prosecutions launched during the year was 620. Number of convictions was 312. The total amount of fines recovered was Rs. 2,816.50. Besides above, 4,681 notices under Section 278(2) of the Bombay Municipal Corporation Act were served on the owners for defects in water fittings.

Disconnecting Water Supply.

(25) The number of cases reported to the Standing Committee for severing water connections for non-payment of taxes and using unmetered supply was 1,572.

Fire Attendance.

(26) Total number of calls received from the Fire Brigade Department was 1,985 and they were promptly attended to.

Revenue from metred connections.

(27) The total revenue dervied from water supplied by meter measurement was Rs. 2,97,96,337 for the City only.

Metering Programme.

(28) During the year under review, 205 new properties were metered.

Quality Control of Water Supply.

General.

(29) This Branch deals with (*a*) Quality Control of Water Supply, (*b*) Regular detection of leakage and prevention of waste, (*c*) Regular house to house inspection and rewahering of leaky taps and (*d*) Guaging of water mains all over Greater Bombay to determine the flow of water.

Sampling.

(30) Samples were collected all over Greater Bombay, and from the lakes by a Mobile Squad of trained staff. For Bacteriological analysis, 3,746 Nos. routine samples and 5,663 special samples were collected. For Chemical analysis, 360 routine samples and 144 special samples were collected. 93.08 per cent. of the routine samples for Bacteriological analysis were found to be free from Coliform Bacteria.

Evaluation of samples and removal of sources of contamination.

(31) When bacteriological analysis indicated pollution of water supply in a particular locality, immediate re-chlorination was done in that area by employing Mobile Chlorination Plants. The sources of contamination were then detected by using an electronic leak detector and also by intensive soundings of underground mains and inspection of all exposed pipes and fittings in the areas. The defects thus detected were then rectified by adopting one or more of the following measures :—

(*a*) Hydrants in the locality were flushed.

(*b*) Breaks in communication or consumer pipes were repaired, corroded portions were renewed and pipes in the vicinity of the drains were diverted and re-aligned.

(*c*) Leaky Hydrants and Sluice Valves were repaired and underground Hydrants in the vicinity of drains were converted into Stand Post Hydrants.

(*d*) Disused connections were cut off on the water mains.

(*e*) Consumers' pipes in the gullies were raised so as to bring them well above the level of sullage water in gullies.

(*f*) Leaks in water mains were repaired.

Special measures in congested localities.

(32) The work of replacement of all communication pipes by new pipes wrapped in bituminised hessian cloth, and laying duplicate water mains in wide roads in C and D (part) Wards, which was started in the preceding year, was completed during this year.

Similar work in B and E Wards was commenced.

During the year under review, 12,281 Nos. of communication pipes were renewed and 506 Nos. of disused connections were cut off at the ferrule, and a total length of 6,43 Km. (4 miles) duplicate mains of sizes 4" to 9" were laid.

VI.—CONSTRUCTION AND REMODELLING BRANCHES.

Merger of both the branches.

(33) As most of the works under the Scheme of Remodelling the Distribution System in the City were completed, the Remodelling Branch was merged with the Construction Branch with effect from 1st June 1961.

Categories of works done.

(34) During the year, the following works were carried out by this branch at a total cost of about Rs. 28,00,000 :—

(*a*) A total length of 17 Km. (10.56 miles) of water mains ranging in size from 3" to 48" were laid.

(*b*) The external masonry walls of the Compartment No. II of the Bhandarwada Hill Reservoir were strengthened by cement grouting.

(*c*) A total length of 1.2 Km. (0.745 miles) of the 57" Tansa mains in Gokhale Road were protected by patch-plating and reinforced guniting.

(*d*) 51 Nos. underground hydrants were converted into Stand Post hydrants

(*e*) With the help of the Plate Rolling Machine, 300 metres (984.25 ft.) of Steel Pipes and 10 Tonnes of Steel Specials were fabricated.

(*f*) Miscellaneous works such as (*i*) temporarily diverting and supporting water mains and fittings, (*ii*) making cross connections, (*iii*) providing sluice valves, (*iv*) making new connections of sizes 3" and above, (*v*) repairing major leaks and bursts in the City and (*vi*) cleaning of the Malabar Hill Reservoir and the Worli Hill Reservoir were carried out.

VII.—SURVEY AND DESIGN BRANCH.

General.

(35) This Branch is entrusted with the work of maintaining record of water mains and fittings, designing new mains, structures and preparing plans and estimates of the same, maintaining statistics of lake levels, storages, discharges, rainfall, bacteriological and chemical analysis, etc., maintaining records of lands in charge of this Department, preparing estimates for compounded extra charges for water used for construction purposes, verifying tenders, contracts and measurements of contract works, and attending to miscellaneous administrative matters of a tenchinical nature.

Preparation of Plans and Estimates.

(36) This Branch prepared 156 plans and 118 estimates amounting to Rs. 1,70,45,890 for pipes laying and other works.

Compounded water charges for water used for construction purposes

(37) A total of 1,459 estimates of compounded water charges for water used for construction purposes in Greater Bombay were framed resulting in a total revenue estimated to yield Rs. 7,81,588.

VIII.—GENERAL.

Welfare Activities.

(38) Well-equipped Welfare Centre-*cum*-Sports Clubs were maintained at DeLisle Road Yard, Ghatkopar Yard and Vaitarna Camp. Ganpati and Satyanarayan Puja Celebrations were organised by the staff in various branches from voluntary private donations. Lower Primary Schools were run by the Local District Boards at Vaitarna and Tansa in School Buildings provided by the Corporation.

Medical Aid.

(39) During the year, 5 dispensaries in different centres in the Outside City and the Head Works Divisions were maintained.

Milk Distribution, Scheme,

(40) During the year under review, the Lions Club of Bombay continued to give free powder milk obtained from CARE and the Lions International Organisation, which was distributed free of charge to the children of the Low Income workers of this department upto the age of 8 years.

Establishment.

(41) During the year, there were 220 number of Superior staff and the cost thereof amounted to Rs. 7,79,255 and the Labour staff during the year numbered about 1,963 costing about Rs. 19,67,897. The number of temporary Superior staff was 28 and that of the Labour staff 937. The total establishment cost of the same was Rs. 5,23,030.

Costs.

(42) (*a*) *Revenue.*—The total expenditure incurred on Water Works amounted to Rs. 4,05,31,692. The total Revenue derived from Water Works was Rs. 3,81,85,731 the deficet being Rs. 23,45,961.

(*b*) *Loan Works.*—The total expenditure incurred during the year out of the Loan Funds was Rs. 65,94,692.

BOMBAY FIRE BRIGADE.

(1) **Fire Stations.**—A new Fire Station at Vikhroli, the first of its kind on Bombay-Agra Road, started functioning from 1st June 1961. There are now 13 Fire Stations in Greater Bombay.

(2) **Fire Appliances and Equipments.**—The following is the fleet of vehicles and equipments attached to the Fire Brigade :—

(*i*) Motor Turn Table Ladders—3 Nos. Two of 125 ft. extension and one of 100 ft. extension fitted with pumps.

(*ii*) Motor Pumps with Escapes and Extension Ladders with First-aid fire fighting equipments—21 Nos.

(*iii*) Fire Tenders—4 Nos.

(*iv*) Trailer Pumps, medium and light—9 Nos.

(*v*) Air Crash Tender—1 No.

(*vi*) Motor Emergency Tenders—2 Nos.

(*vii*) Hose Laying Lorry-*cum*-Canteen Van—1 No.

(*viii*) Control Post Van—1 No.

(*ix*) Ladders—64 Nos.

(*x*) Breathing Apparatus Sets—43 Nos.

(*xi*) Gas Masks of different types—38 Nos.

(*xii*) Hose Rubber-lined—61,350 ft.

Following additions were made during the year:—

(*a*) Motor Emergency Tender-*cum*-Fire Tender—1 No.

(*b*) Hose Laying Lorry-*cum*-Cantteen Van—1 No.

(3) **Calls.**—The number of calls received was 2,694 out of which 1,672 were received for 1,358 actual fires, as against the previous year when the number of calls was 2,547 out of which 1,689 calls were received for 1,370 actual fires.

(4) **Damage to Properties.**—The estimated damage to properties was Rs. 0.82 Crores as against Rs. 0.75 Crores in the previous year. The properties involved under the cover of insurance were worth Rs. 78,29,287 as aginst Rs. 28,94,966 in the previous year.

(5) **Special Services.**—Special services were rendered by the Brigade on 525 occasions, out of which 197 were for House Collapses, 132 for rescue and 196 for other services, such as accidents, etc., as against the total number of 420 calls during the previous year.

(6) **Communications:**

(*a*) *Telephones*: Emergency lines—6 Nos. (of No. 101) Direct extensions—19 Nos. connecting the Control Room with Fire Stations and Essential Services.

(*b*) *Fire Alarms*: The total number of Fire Alarms including private ones was 208. 40 per cent. of the total calls approximately were received through the street Fire Alarms system in the City.

(*c*) *Radio Telephony*: The Wireless Scheme was put into operation with 3 fixed installations—At Head Quarters, Andheri Fire Station and Vikhroli Fire Station, and 12 mobile sets on fire-engines and ambulances. Training was given to Officers and men in Radio Telephony.

(7) **Serious Fires and House Collapses.**—There were nine serious fires in Greater Bombay during the year involving total loss of Rs. 72 lakhs and two major house collapses resulting in injruies to 29 persons out of which 3 lost their lives.

(8) **Republic-Day Parade:** The Brigade personnel participated in the Republic Day—Inter Services Ceremonial Parade along with Army, Navy, Air-Force, etc., at Flora Fountain on 26-1-1962.

(9) **Fire Drill Competition.**—The annual Fire Drill Competitions in (*i*) Fire Escapes and Hydrant Drill, and (*ii*) Extension Ladder and Hydrant Drill Competitions were held on 27th February 1962, when the Mayor, Shri V. B. Worlikar, presented the trophies and prizes.

(10) **Training.**—Trainees from National Fire Service College were sent to this Brigade for practical training and visits to various industrial concerns.

A Technical Committee was formed and a regular syllabii were drawn up for training recruits (Officers and Firemen), Motor Drivers and Tindals. A regular training of recruit-Officers and firemen was introduced according to syllabii. For the first time bulletins in technical subjects were issued in regional language (*i.e.*, Marathi) for the benefit of lower ranks. Officers and men were also trained in use of Radio Telephony.

(11) **Fire Prevention.**—The Fire Prevention Officers inspected 4,741 cases during the year referred to by various departments and also the complaint involving fire risk.

(12) **Ambulance Service.**—Ambulance Service attended 7,398 calls for accidents, maternity cases and for hire calls, as against 7,139 calls in the previous year. The First-aid in accidental cases was rendered by the ambulance staff on 262 occasions. The Wireless Sets on 3 ambulances were useful in diverting ambulances on return journey to other calls thus rendering quicker service to the public.

PUBLIC GARDENS.

During the year under report, the department maintained 116 sites consisting of 28 gardens, 62 recreation grounds, 4 fountains, 7 traffic islands, 5 open spaces, 5 band-stands, 4 box hedges and 1 statue.

It planted and maintained trees on the newly constructed roads. It also added 5 new gardens, one at Zaobawadi, Girgaon, the others at Second Phanaswadi, Queens Cemetery (still under development), plot opposite Sion Hospital near plot No. 215 and Kamathipura 10th Street during the year 1961-62.

There were 29 band, 15 Indian Vocal Music, 76 Orchestra and 233 recorded music programmes relayed at different Municipal gardens.

The Open Air Theatre proved to be popular mostly among the poor and middle class people. It was reserved on 77 occasions and the annual yield thereby was Rs. 5,862.00.

The expenditure of the Garden department during the year under reference was Rs. 10,29,890.00 as against Rs. 9,75,648.00 during the preceding year 1960-61 and the income was 83,256.97 as against Rs. 80,812.00 during the last year.

VICTORIA AND ALBERT MUSEUM.

The Museum remained open for 303 days as against 304 during previous year. It was closed on Mondays and important holidays. 7.4 lakhs visitors visited the museum as against 7.7 lacs duriug the previous year. 15,091 Students from Primary Schools visited the Museum during the year as against 15,023 during the preceding year. Total collections from admission fees and miscellaneous receipts were Rs. 18,117.40 nP. and Rs. 96.00 respectivcly. 5 books purchased for Rs. 101.30 nP. and 3 were presented, and the same were added to Reference Library. Reference service was rendered to scholars, businessmen etc. Expenditure for the maintenance of the Museum was approximately Rs. 46,000.00.

MUNICIPAL FREE READING ROOMS AND LIBRARIES.

3,032 books costing Rs. 9,998.29 were purchased during the year under report for 15 Municipal Free Reading Rooms and Libraries in the City.

About 3,63,393 visitors took the advantage of the 15 libraries in the City.

The income from the 15 libraries in the City during the year under report was Rs. 2,972.41 as against Rs. 1,987.06 during the previous year.

The expenditure over the 15 libraries in the City during the year under report was Rs. 83,281 as against Rs. 80,709 during the previous year.

CENTRAL STORES.

Tenders were invited for the purchase of Stores in 177 cases during the year under report as against 93 cases in the preceding year. During the year about 41.606 Metric tons of Cement worth about Rs. 59.14 lakhs; 3,31.505 R.ft. of G.I. Pipes worth about Rs. 3.09 lakhs; 1,58,006 R.ft. of Cast Iron Pipes worth about Rs. 11.43 lakhs; 2,348 Metric tons of Iron Materials worth about Rs. 127 lakhs and 2,01,434 yards of Cloth worth about Rs. 2.54 lakhs were purchased. 60,050 K. G. of Grain (Gram, and wheat bran) for Head Supervisor and the Superintendent of Gardens worth Rs. 27,600.00 were purchased.2,483.84 Quintals of Wheat, Rice for various Municipal Hospitals and Maternity Homes worth about Rs. 1.27 lakhs were also purchased.

Under Plant and Machinery Section, started from January 1956, 53 tenders plus 22 Schedules by Public advertisements and 61 Sealed quotations were invited which involved 395 items costing Rs. 60 lakhs approximately during the year under report. Wooden and Steel Furniture required by the various Hospitals and Maternity Homes and the Departments were standardised and Direct Debit schedules were framed during the year under report as before.

There were about 24 tenders for Dietary articles amounting to Rs. 15.86 lakhs approximately. Municipal Hospitals and Maternity Homes were suitably grouped and

tenders were invited groupwise and localitywise. This section also looks after Stationery Articles and Firewood for Cemeteries.

The total purchase effected during the year including the articles received on Return Stores Mema from Municipal Departments amounted to Rs. 129.04 lakhs as against 191.69 lakhs in the preceding year. The balance of stock in hand as on 31st March 1962 was worth Rs. 85.85 lakhs at the Central Stores as against Rs. 96.39 lakhs including Sub-Depot at Foras Road, in the preceding year.

The total number of orders placed with contractors and other Dealers was 4,730 as against 6,541 in the preceding year. The number of indents including Sales Mema received from the Departments at the Central Stores was 21,990 as against 43,028 including of Sub-Depot at Foras Road, in the preceding year. Most of the articles purchased during the year were of India Manufacture and the value thereof amounted to Rs. 126.10 lakhs. The value of Foreign Goods purchased amounted to Rs. 2.94 lakhs during the year. During the year 7 Import Licences aggregately valued at Rs. 65,813.00 were received.

The total turnover of the Department *viz.*, receipts and issues of Stores came to Rs. 268.62 lakhs as against Rs. 347.21 lakhs in the preceding year.

The stock of stores was verified but no case of any appreciable difference in stock was noticed.

The usual practice of inviting annual tenders for various schedules during the months from October to January every year was changed and the tenders were staggered instead throughout the year in order to lessen the burden of labour which was restricted for a period of 4 months only as a result of contract period having been made to run from March to February, April to March and May to April and so on.

With a view to facilitating easy and speedy removal of materials required by the offices situated in the Suburbs and to save considerable amount by way of transport which is being incurred at present in transport of materials from the Central Stores to the Suburbs, it has been now finally decided to open one Sub-Depot at Vikhroli on the Central Railways to serve Eastern Suburbs. The plot at Vikhroli is already in Municipal possession and detailed estimates for filling the plot and construction of compound wall has been approved by the Works Committee. The detailed estimate for provision of office, Godown building, etc., are under way.

LICENCE DEPARTMENT.

The number of permits and licences issued during the year was about 26,899 as against 40,451 during the previous year. These permits and licences realised about Rs. 11,506,31 as fees as against Rs. 12.04 lacs of the previous year. The outsatnding amount of licence fees amount to about Rs. 3,69,492 as against Rs. 1,25,781.00 during the previous year. Out of this outstanding amount, approximately 2,72,127 have been recovered and kept in deposit which are being adjusted in accounts. Thus the total licence fees will approximately amount to Rs. 14,22,757 as against Rs. 13,87,878 for the last year.

Hawker and Squatter Licences.

The total number of hawker and squatter licences issued during the year was 45,523 against 51,902 issued during the previous year. The fees realised were about Rs. 6,94,475 as against Rs. 5.74 lacs for the previous year.

Sky-signs and Advertisements.

The total number of permits issued for exhibiting sky-signs and other advertisements was 2,296 which realised Rs. 6,49,891 as revenue, while the corresponding figures for the previous year were about Rs. 2,896 and Rs. 6.20 lacs respectively. The ground rent recovered for advertisement sites was about Rs. 31,160. An amount of Rs. 4,055 received for ground rent is lying in deposit and the same is being adjusted.

During the year, the Licence Department instituted 3 956 prosecutions for the offences under Sections 394, 412-A, 328 and 328-A of the Bo-nay Municipal Corporation Act as against 4,476 prosecutions in the previous year. The total amount of fines inflicted was Rs. 24,676 as against Rs. 33,905 in the previous year.

Stall Boards and Projections.

Number of licences issued during the year was about 20,800. These licences realised about Rs. 8,56,370.13 as fees. The outstanding amount of fees amount to about Rs. 50,000.

SHOPS AND ESTABLISHMENTS.

Registration.—The total number of establishments in the City as on 31st March 1962 stood at 1,10,755 as against 1,08,950 on 31st March 1961 and the Registration fees, etc., amounted to Rs. 22,794.95 as against Rs. 18,550.13 for the preceding year.

Inspections and Prosecutions.—During the year under report, 99,636 visits were paid to the various establishments and 1,657 complaints were received, in addition to 35 complaints which were pending during the previous year. Investigations in respect of 1,689 complaints were made and with a view to enforcing the provisions of the Shops and Establishments Act more effectively, 482 mass raids were held. Of the 1,477 prosecutions pending at the close of the previous year and 5,768 launched during the year under report, 5,743 resulted in convictions, etc., and fines totalling Rs. 1,91,705.

Grant-in-Aid.—Grant-in-Aid of Rs. 2,51,595 was received from Government for the year 1961-62 for meeting part of expenditure incurred during the year 1960-61, while Rs. 18,550.13 were realised by way of registration, etc., fees during the same year (1960-61). The actual expenditure incurred on the administration of the Shops and Establishments Act and the Payment of Wages Act, during the year 1961-62 was Rs. 2,70,965.46 (exclusive of Provident Fund, leave contributions and supervision charges).

Paymet of Wages Act, 1936.—During the year under report, 195 complaints in respect of the Payment of Wages Act were received, of which 146 disputes between employers and employees were brought to an amicable settlement. It did not become necessary for the department to file any cases before the Authority under the Payment of Wages Act. In 4 cases out of the complaints received in this department, the complainants themselves had filed their petitions before the Authority under the Payment of Wages Act. In 7 cases, the complainants have filed their claims before the Commissioner of Labour. In 22 cases, investigations revealed that they were either fictitious or had no sufficient evidence documentary or otherwise, to facilitate action. 16 complaints were found to be either falling outside the purview of the act or information furnished by the complainants incomplete.

MARKETS AND SLAUGHTER HOUSES.

Receipts.—The total income from the Markets and Slaughter Houses was Rs. 57.96 lacs as against Rs. 58.91 lacs in the preceding year.

Municipal Markets.—The number of Municipal Markets in the year was 23 including the squatter area at Parel Village. The total receipts from the stallage charges, squatters fees scale shed fees and licence fees, etc., amounted to Rs. 37.47 lacs as against Rs. 35.56 lacs in the preceding year while the net receipts amounted to Rs. 26.19 lacs as against Rs. 25.19 lacs in the preceding year.

The average percentage of vacant stalls per quarter was 2.68 as against 3.47, 2.47 and 4.36 respectively in the preceding three years.

Private Markets and Outside Meat Shops.—The number of private markets during the year was 17 while the number of outside meat shops was 190. One more licence is granted for one outside shop for sale of fish. The licence fees realised therefrom were Rs. 1,20,040 and Rs. 19,400 respectively.

Unwholesome food and contraband meat destroyed.—The total quantity of unwholesome food such as meat, fish, fruits, vegetables, etc., and the contraband meat seized and destroyed was 3,52,769 kilograms as against 3,62,495 kilograms in the preceding year. In all 1,603 seizures were effected for illicit slaughter and prosecutions instituted resulting in conviction of 230 persons. The recovery of fines amounted to Rs. 10,890. The amount realised by selling the seized animals and skins etc., by auction was Rs. 3,829. The amount realised by way of penalty for importing animals into the city without permits was Rs. 1,165.

The slaughter, removal and other fees realised at the Bandra Slaughter House together with the slaughter fees etc., at the DeLisle Road Sheep Market and the Pig Slaughter House amounted to about Rs. 21 lacs.

MUNICIPAL PRINTING PRESS.

During the period under report, 81½ tons of paper were purchased from the Government and 132 tons from the market to meet the requirements of the various departments. The total number of printing jobs executed by the Press were 9,805 and the number of pages printed were 50,325 as against 9,160 and 59,264 pages in the preceding year, those for the B. E. S. & T. Undertaking accounting for 9 and 1,857 pages and 13 and 2,212 respectively.

The total quantity of paper consumed during the year under report was 177½ tons as against 215½ and 257¼ tons in the preceding two years.

The transactions of the Press for the year closed with a surplus of *Rs. 7592 on the total turnover of Rs. 14.60 lakhs against the surplus of Rs. 2,479 and turnover of Rs. 11.93 lakhs and Rs. 13.86 lakhs for the previous two years.

The Labour Staff as on 28th February 1962 consisted of 247 workers as against 252 and 267 on the same dates in the last two years.

K. E. M. HOSPITAL AND G. S. MEDICAL COLLEGE.

In order to provide more facilities to the patients two additional floors over the kitchen, one additional floor over the blood-bank and one additional floor over the Ward Nos. 17 and 18 were constructed to accommodate operation theatre, paying ward etc. Although the hospital has a capacity to accommodate 784 scheduled beds, the scheduled bed strength was increased from 704 in the last year to 756 beds only during the year under report. Owing to the dearth of trained nurses, all the wards could not be occupied. Separate wards for Plastic Surgery and Mental diseases have, however, been opened.

The total number of inpatients admitted during the year 1961 was 38,197 as against 33,859 in the previous year. The average number of patients in the hospital was 941 per day as against 919 in the year 1960. Contrary to the above, the average stay of the patient in the hospital was 8.96 days as against 9.90 days in the previous year. This clearly shows the improvement in the treatment given to the patients.

2,66,879 new patients attended the hospital during the year 1961 as against 2,35,249 in the previous year. The total number of out-patient attendance was 8,54,327 bringing the average daily attendance to 2,801 (inclusive of new cases, old cases and casualty cases) against the average daily attendance of 2,718 and 2,686 during previous two consecutive years.

A special clinic *viz.*, "Gastro-Intestinal Clinic" was opened at the Out-patients' Department for the benefit of the patients.

The number of operations performed on in-patients and on O. P. D. patients has also increased considerably.

There has been constant over-crowding in the hospital which was particularly marked in Children wards, Orthopaedic wards, Medical and Surgical wards for female patients.

The number of admissions in Physiotherapy School was increased from 15 to 20 students to meet the growing demand for Physiotherapists in the country. There was alround increase in the out-put of the work of Physiotherapy Centre and Occupationa Therapy Centre.

Number of trained nurses left the institution for better prospects due to which shortage of trained nurses was always felt. 43 student nurses passed the Junior Examination, 38 student nurses passed Senior Examination and 39 student nurses passed the Midwifery Examination.

562 patients were admitted in the Convalescent Home during the year 1961 as against 506 patients in the year 1960. The Physiotherapy Department and the Occupational Therapy Department were transferred from the hospital building to a portion in the Convalescent Home. Due to the vicinity of these two departments to the convalescent wards, it has been possible to treat more number of convalescent patients for their rehabilitation.

* The figure indicates working surplus. The work is charged on the basis of actual cost. The Press does not work with a view to making a profit.

The Central Clinical Laboratory rendered valuable services by carrying out 65,700 Laboratory investigations. The number of blood samples supplied for transfusion was 4,591. More number of voluntary blood donors came forward for donating their blood than what was anticipated.

The School Clinic worked satisfactorily. 2,350 new children and 15,339 old cases were treated during the year.

The Poor Box Charity Fund has made a satisfactory progress in giving helping hand to the sick and needy persons at the nick of time. Costly injections, patent medicines, blood transfusions, artificial limbs, spectacles were supplied at part cost and free of charges in some cases to the indoor patients.

Due to the increase in the departments, number of out-patients and indoor patients, the municipal budget provision was found short of the requirements and the grants had to be supplemented inspite of stringent economy observed.

SETH G. S. MEDICAL COLLEGE.

During the year under report 87 fresh students were admitted to the first year class. The total number of students on roll is 670 against 739 in the previous year.

Number of male students residing in the Hostel during the year was 386 while the number of lady students accommodated in the Lady Students' Hostel was 41. Income derived from the College and the Hostels by way of tuition fees, hostel rent etc., was Rs. 1,79,465.20 against Rs. 1,61,109.74 and Rs. 1,37,555.00, Rs. 1,48,698.00 in the previous three years while the total expenditure amounted to Rs. 8,09,926. (including payment of Dearness Allowance of Rs. 1,48,105) against Rs. 7,15,319, Rs. 5,13,094 and Rs. 9,62,792 in the preceeding three years. The income derived from and the expenditure incurred on the Hostels were Rs. 20,718 and Rs. 35,789 respectively, against Rs. 20,160 and Rs. 42,690 in the previous year. The gross and net cost per student worked out at Rs. 1652.90 and Rs. 1286.65 respectively, as against Rs. 2,400.97 and Rs. 1,999.20 in the previous year. The amount of fees received from the post-graduate students was Rs. 18,825 as against Rs. 20,573 in the previous year.

The different departments of the College and the Hospital, in addition to their normal teaching and departmental work, conducted various researches under the auspices of the Indian Council of Medical Research, Council of Scientific and Industrial Research, the K. E. M. Hospital and G.S. Medical College staff Research Society and through the help of some Pharmaceutical firms like Unichem Laboratories, Ciba Pharma Ltd., Dumex Private Ltd., Lederle Laboratories (India) Private Ltd.

Three members of the Hon. and Professorial staff who went on study tour abroad, visited various important Medical Institutions and have thus acquired further valuable knowledge in the latest development in the treatment of patients.

BAI YAMUNABAI L. NAIR CHARITABLE HOSPITAL.

1. The number of beds available for men, women and children during the year was 336. The total number of in-patients admitted during the year was 22,506 as against 20184 and 19,164 in the two previous years. Out of the total number of 22,910 in-patients (22,506 admitted during the year under report and 404 previous year's balance) 5,741 were cured, 11,733 were relieved, 3,632 either left the hospital against medical advice or were otherwise discharged and 1,382 died leaving a balance of 422 patients at the end of the year.

The maximum number of in-patients on any single day was 503 and the daily average worked out to 442.91. The average number of days each patient was resident was 7.18 against 7.64 in the previous year. The average cost per patient was Rs. 9.84 agaist Rs. 9.51 and Rs. 8.67 during the previous two years.

2. The total number of out-patients' attendance excluding casualty patients during the year was 3,10,102 against 3,10,482 of the previous year which gave a daily average of 1,116.50 against 1,087.51 of the previous year. The highest number of out-patient attendance on any one day was 1,694 as against 1,624 in the previous year.

3. The total number of operations performed on in-patients and out patienst during the year was 6,025 and 5,597 respectively as against 6,876 and 6,388 in the previous year.

4. The Out patient sections of the Department of Cardiology, Gastro-enterology, Preventive and Social Medicine and the Cardiovascular Research Centre, continued to work during the year under report.

5. The Poor Patients' Fund continued to provide deserving patients with such needy relief as could not ordinarily be given out of the Municipal Funds. The total amount of collection was Rs. 55,448 out of which the amount spent was Rs. 41,606 while contributions during the year by way of collections from out-patients and ward boxes amounted to Rs. 15,323.82

6. The Dr. Bhajekar Municipal Hospital at Khetwadi remained under the administrative supervision of the Dean, B. Y. L. Nair Charitable Hospital.

TOPIWALA NATIONAL MEDICAL COLLEGE

The College had 319 undergraduate students on the roll at the end of the year out of which 128 were women students. Besides there were 83 post-graduate students including 22 women students. 61 students passed at the final M.B.B.S, examination held during the year 1961 and 23 students at the various other examinations.

The total number of students residing in the hostel was 174 including N. H. Dental College students. Arrangements to accommodate the women students in the Grant Medical College Hostel were discontinued and 10 seats were made available in the G. S. Medical College Hostel during the year. The total expenditure incurred for the hostel was Rs. 25,168 while the income was Rs. 29,000.

THE NAIR HOSPITAL DENTAL COLLEGE

The College has 88 Dental Chairs, 52 Electric Dental Units, 4 well equipped Laboratories, 3 Dental X-Ray Units, 3 Micro-Surgical Units, 3 Nitrous Oxide Apparata, 6 Microscopes, 1 Cinema Projector, 1 Epidiascope, 1 fully equipped Operation Theatre and other equipment to give treatment on modern lines and also provide facilities for teaching Dentistry. There were 260 Students including 38 lady students on the Roll. 51 students including 5 Lady students appeared and passed the B.D.S. and M.D.S. Degree Examinations of the Bombay University. The admission standard for the students is Inter-Science (B-Group) Examination of the Bombay University or an examination equivalent to it and the course extends for over four years. The College also runs a Dental Clinic which treats patients at a Nominal Cost and supplies artificial teeth. The College has also started M.D.S. (Post-Graduate) Courses in Dentistry since June 1959 as per Government Scheme approved by the Corporation.

A Special department called Speech Therapy has also been started recently for treating the patients for all speech defects.

During the year 91,972 patients were treated as against 87,727 in the preceding year. The total expenditure incurred was Rs. 4,23,017.00 as against Rs. 4,21,798.00 in the previous year and the total revenue by way of fees from students and patients was Rs. 1,79,599.00 against Rs. 1,17,197.00 during the previous year.

The College has an Academic Council to look after the academic affairs. There is also an Advisory Dental Board which advises the Dean and the Municipal Commissioner in the policy to be followed by the College and in matters of Administration referred to them by the Dean or the Municipal Commissioner.

LOKMANYA TILAK MUNICIPAL GENERAL HOSPITAL.

The Scheduled bed accommodation of this Hospital was 370 beds. The beds were distributed as—310 for Non-Paying Patients, 50 for Paying Patients and 10 for the B. E. S. T. employees. 25,566 patients were admitted during the year as against 22,845, 22,926 and 21,561 during the preceding three years. The highest number of in-patients on a single day was 571. The daily average number of in-patients was 495.7 as against 460.5, 450.7 and 426.3 during the preceding three years, which indicates that more and more people are inclined to take treatment at the Institution. The average number of days each patient was a resident was 7.4 as against 7.3, 7.1 and 7.25 during the preceding three years.

The total number of in-patients treated was 26,044 including 478 of the previous year. Out of those 26,044 in-patients, 16,775 were treated for Medical, Surgical, Aural, Skin and Venereal Diseases, Dental, Ophthalmic, Paediatric and Psychiatic complaints and 9,269 for Maternity and Gynaec complaints.

The total number of operations performed on in-patients was 7,346 as against 7,820, 8,314 and 7,793 during the preceding three years. The average cost per in-patient on diet per day was Rs. 1.10 as against Rs. 1.05, Re. 0.99 and Rs. 1.04 during the preceding three years.

The total number of new out-patients was 1,51,850 with a daily average 494.6 as against 1,47,839/475.3, 1,43,776/462.30, 1,34,030/445.2, respectively during the preceding three years. The total number of out-patients attendance was 5.56 lacs with a daily average of 1,813.1 as against 5.89 lacs 1,896.8, 5.25 lacs 1,687.4, and 5.79 lacs 1,925, respectively during the last three years. The highest number of out-patient attendance on a single day was 2,935 as against 2,750, 2,823 and 2,602 during the preceding three years.

The total number of operations performed on out-patients was 8,195 as against 8,048, 7,862 and 6,770 in the preceding three years. 33,768 accident and other emergency cases were treated in the Casualty Department as against 28,495, 27,600 and 28,112 in the preceding three years.

The Paying Bed Scheme started from 1st September 1951 was working satisfactorily. The number of patients admitted in the General and Special Rooms during the year was 1,377 as against 1,639, 1,704 and 1,812 in the previous three years. 152 Major and 260 Minor Operations were performed on paying patients as against 237, 242 and 210 and 272, 343 and 357 respectively during the preceding three years.

1,29,479 investigations were carried out in the Department of Pathology and Bacteriology. Out of which 54,963 were carried out on out-patients and 73,356 were carried out on in-patients and 1,160 were carried out for K. B. Bhabha Hospital Bandra. 394 autopsis were performed during the year.

The Hospital has a Library with latest publications of various branches in medical sciences. 32 new books on medical subjects were added to the Library during the year under report, bringing the total number of books to 803.

The Poor Box Fund at the close of the year amounted to Rs. 67,632.74 as against Rs. 69,825.69 during the last year. A sum of Rs. 36,193.07 was collected from the charity boxes and by way of donations, sales of drugs, etc., and the expenditure under Poor Box amounted to Rs. 38,886.02. A balance of Rs. 67,632.74 remained in the Poor Box Fund at the close of the year.

Nurses Training School.— 45 Student Nurses were admitted for training in General Nursing course and 38 students were admitted for Midwifery Course. 38 students were sent up for examination in General Nursing and 38 nurses in Midwifery Examination and 36 and 5 were declared successful.

The Hospital continued to be attached to the T. N. M. College for clinical instructions to under graduate students. The Hospital is affiliated to the University of Bombay for post-graduate as well as undergraduate studies.

The hospital is also affiliated to the College of Physicians and Surgeons of Bombay for post-graduate studies. Post graduate students are admitted for hospital practice on payment of Rs. 25.00 per head per mensem.

The staff of Department of Anaesthesia working in collaboration with the department of Surgery, E. N. T. Midwifery and Gynaecology, Psychiatry, etc., gave anesthesia in 11,078 cases during the year under report.

GROUP OF T. B. HOSPITALS SEWRI.

The total number of beds at Group of T. B. Hospitals, Sewri was 458 (262 for males and 196 for females). The total number of patients in the various stages of pulmonary tuberculosis treated during the year was 3,614. Out of these 2,579 were discharged as improved, 77 as not improved, 41 as non tuberculosis cases, 248 left against medical advice, 221 died and 414 remained under treatment at the close of the year. Mortality figure revealed high incidence in the age group of 25-35 years. Ratio of deaths per cent. to total treated was 7.07. 579 operations in various stages were performed during the year.

Discharged patients who required A. P. and P. P. Refills were permitted to continue subsequent refills either at any one of the Municipal T. B. Clinics or at A. P. and P. P. Refills centre at G. T. B. Hospital according to the convenience of the patients. 9079 refills were given in the out-patient centre and 2,255 P. P. refills in the wards to the indoor patients.

Total expenditure incurred during the year on Group of T. B. Hospitals, Sewri, was Rs. 15.21 lacs. The average expenditure per patient per day was Rs. 9.57. Expenditure on diet per patient per day was Rs. 2.08.

For 200 beds reserved at Sarvodaya Hospital, Ghatkopar the Corporation had paid Rs. 5 per patient per day to the Managing Trustees of the Sarvodaya Hospital. 3,000 injections per month were supplied by the Corporation for the use of the patients at the Sarvodaya Hospital.

At the Isolation Centre, Dadar, 350 cases were admitted and treated during the year. Out of which 115 cases were discharged, as improved, 107 left against medical advice, 49 died and 79 remained under the treatment at the close of the year.

All the four clinics were managed by qualified staff and were equipped with X-Ray and Laboratory facilities for treatment of T. B. patients.

Poor Box Collection including fees for medical certificate was Rs. 30,326 which was spent for the benefit of the poor and needy patients and meeting other expenses. A donation of Rs. 1,868 was received during the year.

EDUCATION DEPARTMENT

Education.

At the close of the year, there were 3,49,454 pupils in 624 schools and 117 classes in Greater Bombay, the number in the City being 2,38,866 in 391 schools and 56 classes, in the Suburbs 84,904 in 172 schools and 40 classes and in the Extended Suburbs 25,684 in 61 schools and 21 classes. The corresponding figures for the previous year was 3,33,066 pupils in 572 schools and 124 classes which was made up of 2,35,180 pupils in 378 schools and 49 classes in the City, 76,508 pupils in 153 schools and 47 classes in the Suburbs and 21,378 pupils in 41 schools and 28 classes in the Extended Suburbs. It will thus be seen that there was a net increase of 16,388 pupils in Greater Bombay during the year. The highest number of pupils on roll was 3,78,375 at the end of August 1961. The number came down to 3,49,454 at the end March 1962. The average attendance of pupils throughout the year was 3,11,937 as against 2,90,929 in the previous year. The total number of teachers in the Municipal Schools at the end of the year was 9,127 out of whom 8,803 were ordinary teachers and 324 were Sepcial Teachers as against 8,403 teachers out of whom, 8097 were ordinary and 306 special teachers in the preceding year. Out of 8,803 ordinary teachers, 8,202 were trained as against 7,311 out of 8,097 in the previous year. Thus the percentage of trained teachers was 93.17 as against 90.29 in the preceding year.

The requirements of teachers are assessed as per class-room formula, as adopted by the Education Committee.

The Supervision of Municipal Schools continued to be attended to by the Education Officer, the Superintendents and the Supervising Officers of the Department by paying Educational and Surprise visits to schools.

The new set up of school administration started last year, with the formation of Divisions and Beats in different localities in Greater Bombay, worked well, during the year, under report.

During the year the Syllabus of Studies was divided month by month for the guidance of teachers and for facilitating gradual completion of studies in time as per Schedule. Teaching Aids on different subjects were supplied to the schools in order to make teaching more interesting.

Since this year, a system of taking quarterly tests of pupils of all standards was introduced, instead of a practice hitherto followed of taking monthly tests for Upper Primary Classes and weekly tests for Lower Primary Classes.

In all 16,687 pupils from Municipal Schools appeared for the Primary School Certificate Examination, 1962 and 7,583 of them were declared successful.

As per the decision of the State Government the teaching of English in Upper Primary Standards was introduced in our schools since last year. Refresher Courses for the benefit of the teachers teaching English language have been started during the year under report.

Some of the main factors which hampered, *inter alia*, the progress of pupils were largeness of certain classes, lack of suitable buildings, inadequate facilities to pupils to study at home, economic conditions of the parents and holding the schools with shorter sessions for want of accommodation and paucity of funds.

Schools with big class-rooms sometimes had 60 to 65 pupils in a class rendering it unwieldy and unmanageable for the teachers. The standard of education thus suffers and especially it is so in the case of schools run in hired residential premises. The evils of Double Sessions, etc., raised the question of adequate accommodation for schools and it is hoped that an exhaustive programme of new building construction which has now been taken up would improve the situation to a large extent in a few years.

The number of Municipal-owned school buildings at the end of the year was 126 (46 were in the City, 50 in the Suburbs and 30 in the Extended Suburban area) in which 262 schools were housed. 464 Schools were housed in rented buildings and 15 Schools were held in rent-free buildings.

The unsatisfactory condition of rented buildings continued to be a great handicap especially for want of proper and timely repairs on the part of the reluctant landlords. Though the Department is alive to the urgency of the problem, much still is required to be done in this direction and it is hoped that better results would be shown in this matter in the next few years.

Besides, imparting education in the three R's the Corporation also imparts Vocational Education. There were 23 Vocational Classes in 11 Vocational Schools which prepare pupils for Primary School Certificate Examination with the subject of Craft as one of the ocmpulsory subjects. Carpentry and Tailoring are also taught in the schools. Other subjects taught are Sewing, Embroidery, Tailoring, Printing, Book-binding, Repairing of Clocks, Sign-Board Painting and Carpet Weaving.

The R. C. Urdu Training Institute for Women and the Municipal Urdu Training Class continued to function as usual.

The Municipal Gujarati Teachers' Training Class, started from July 1958, was discontinued from June 1961.

At the close of the year, there were 348 Aided Schools in Greater Bombay (227 in the City, 77 in the Suburbs and 44 in the Extended Suburbs) as against 343 in the previous year. The number of teachers in Aided Schools was 3,482 (2,965 ordinary and 517 special) imparting education to 1,04,595 pupils as against 3,482 teachers (2,789 ordinary and 535 special) imparting education to 1,00,402 pupils in the previous year.

The number of Recognised Schools not recieving Grant-in-Aid was 122 with 942 teachers imparting education to 23,908 pupils as against 837 teachers imparting education to 20,908 pupils in 107 schools, in the previous year.

The total amounts of Grants recommended for payment to Aided Schools was Rs. 5,29,846 for the City and Suburban Schools and Rs. 74,772 for Extended Suburban Schools.

The average cost per pupil calculated on the average number of pupils on roll in the Aided Schools worked out to Rs. 5.81 in the City and Suburbs and Rs. 5.57 in the Extended Suburbs.

A revised Grant-in-Aid Code, which was finalised by the Education Committee and the Corporation will be put into force after obtaining sanction of the State Government, which is awaited.

Physical Education was imparted in almost all schools on the lines of the curriculum laid down by Government with suitable modifications. The number of pupils taking Physical Education in Greater Bombay was 3,45,009 out of total number of pupils of 3,49,454. Four Mass Drill Displays were held—two in City and one each in the

Suburbs and Extended Suburbs. Annual Sports were also held as usual. To train the teachers in the Physical Education, Physical Training Class was held at Gilder Tank and 81 teachers took the benefit of it.

On request being made by the State Government to give an item of Mass Drill Demonstration on the day of Children's Day (14th November) a Demonstration was organised at Parel wherein about 2,000 Municipal school children took part.

The Municipal Boy Scout and Girl Guide Association continued their activities vigorously as before. The usual activities such as week-end camps, social work, etc., were carried out during the year. The National Scout Week and the Annual Scout Sports and Rally were also held as usual. Patrol Leaders' Training Camps for Scouts and Guides were organised during the year under report.

Information regarding the work done by the Research Unit is given in the report of the Research Officer, printed separately.

During the year, the Central Library for teachers contained 21,091 books and a good number of teachers took advantage of the same. The daily average attendance in the Library was satisfactory.

The School Health Service under the Executive Health Officer was continued as before for the benefit of the children of Municipal Primary Schools, a detailed report of which is given in the report of the Health Department, printed separately.

Various extra-curricular activities such as Sharad Utsav, School Anniversaries, Excursions, were carried on as usual during the year under report.

The average yearly cost per pupil in Municipal Schools calculated on the number of pupils on Roll was Rs. 83.22 in City and Suburbs and Rs. 55,46 in the Extended Suburbs.

THE RESEARCH UNIT (EDUCATION)

The Research Officer carried out the following studies during the year 1961-62 :

(1) A longitudinal study of wastage and stagnation spread over 8 years was continued with special reference to :—

(*a*) Incidence of failures in different school subjects.

(*b*) Relation between failure and dropping out of school.

(*c*) Relation between failure and attendance.

(2) The programme of Intelligence Testing in the selection and recruitment of Primary Teachers was continued during the year. A comparative study was undertaken to find the relationship between the performance of teachers in the tests and their over-all teaching work as rated by the officers of theResearch Unit and the Supervisory Officers and Head Teachers.

(3) A comparative study of the achievement of children studying in Municipal schools in sessions of different durations was undertaken. A random sampling of about 2,600 children studying in 63 divisions in 20 Marathi and Gujarati schools was selected for study. The study concentrated on three areas of learning, *viz.*, (1) Reading and Comprehension, (2) Writing, and (3) Arithmetic.

Investigation is over. Analysis of various factors like duration of teaching time, Teacher-pupil ratio, part of the day when schools meet, has laid to several far reaching conclusions.

The pamphlets on 'Teaching Standard I' and the 'Teaching of Composition in Hindi, Urdu, Marathi and Gujarati have been prepare d for publication and distribution to schools.

The Research Advisory Committee has approved that the following projects which are under study, should be continued for the year 1962-63 :—

(*i*) Longitudinal study of wastage and stagnation.

(*ii*) Experiments in teaching in selected experimental schools.

(*iii*) Progressive introduction of activity methods in teaching Standard I and Standard II.

(*iv*) Study designed to raise the standard of achievement at different levels.

The investigation is based on the critical study of examinations by reassessment of answer papers.

(4) Besides the above, the following new projects have also been recommended for study :—

(*a*) study designed to minimize the extent of failures in Stds. I, II and III by evolving more effective methods of teaching and by starting parallel classes for childrer who fail.

(*b*) An experiment to study the reading habits and interests of children.

(c) Preparation of graded assignments in Arithmetic for children in Stds. II and III.

PUBLIC HEALTH DEPARTMENT;

Area and Population.—The vital statistical rates in this report are based on the 1961 mid-year estimated population figure *viz.*, 27,87,000. The population as per 1961 Census was 27,71,933. The area of the city is 26,189 square miles (16,751.42 acres) with the population density of 165 per acre.

VITAL STATISTICS

Birth and Death Registration.—74,706 live-births and 32,506 deaths were registered during the year. The rates of births and deaths per 1000 of the mid-year estimated population were 26.8 and 11.7 respectively and they were 26.9 and 11.7 per 1000 of the census population. Still-births totalled 3,094 *i.e.*, 4.14 per cent. of the live births.

Infant Mortality numbered 8,452 which was 700 more than that in the preceding year. The infantile death rate (per 1,000 live births registered) was 113.1. Excluding the deaths of out-born infants, the infant mortality rate was 103.9. Diseases of the respiratory system, infantile debility and premature births caused 6,430 or 75.0 per cent. of the infantile deaths.

Maternal and Child Welfare Service was rendered through the six Municipal Maternity Homes in the city with their 6 main and 10 subsidiary clinics. Each subsidiary clinic worked two days every week and six main clinics worked thrice every week. The maternity and child welfare unit at Dharavi was conducted by 2 Resident Health Visitors under the supervision of the medical officer, Cadell Road Maternity Home.

The heavy demand on the bed accommodation caused, as before, some overcrowding of maternity cases during the peak season.

The 24 health visitors of this Service paid 44,760 domiciliary visits in their respective districts and conducted 12 confinements at homes during the year, while the medical officers personally visited 2,209 cases.

The number of confinements that took place in the 6 Municipal Maternity Homes having a total of 164 beds was 12,184 *i.e.*, 15.0 per cent. of the total confinements in the city during the year.

The city has a total of 2,783 maternity beds in the various institutions, of which 164 *i.e.*, 5.9 per cent. are in the Municipal institutions.

B. C. G. Vaccination was given to 7,359 new-born babies at the 6 Maternity homes.

The Maternal Mortality rate was 1.6 as against 1.5 in the preceding year.

Birth spacing on medical grounds.—The total attendance at the 20 Family planning clinics was 4,056. 2,804 women were given advice and were supplied appliances free of charge.

Infectious Diseases.

The incidence of Smallpox showed an increase from November 1960 and continued to rise till April 1961. Subsequently the degree of incidence was lessened and between September and December 1961 no case of smallpox was reported.

A total of 6,935 of Infectious diseases cases were reported as against 12,982 in the preceding year.

Plague and Cholera were absent. Smallpox caused 2,759 attacks (including 56 cases originating in other local areas of India) and 1,192 deaths, and Enteric Fever caused 704 attacks (including 34 cases originating in other local areas of India) and 107 deaths, while Diphtheria caused 1,488 attacks (including 102 cases originating in other local areas of India) and 91 deaths.

Immunization.—During the year 27,216 persons were inoculated against Cholera and 2,89,044 against enteric fever. Primary Vaccinations and re-vaccinations done against smallpox were 66,952 and 13,20,365 respectively, as against 76,832 and 5,15,622 respectively in the preceding year.

Isolation.—The total number of patients admitted in the Kasturba Hospital for infectious diseases, Arthur Road was 25,073. The daily average bed-occupancy was 591.

Leprosy.—The control of leprosy in the city is exercised through the Acworth Leprosy Home, Wadala. This includes an outpatient clinic, the cost of conducting which is chiefly borne by this Municipality. The Home has accommodation for 500 in-patients.

The average daily attendance of patients at the out-patient clinic was 209.7 and the number of new patients treated during the year was 3,182.

Contact Examination.—2,662 contacts were examined at their homes and 1,175 were persuaded to attend the clinic where they were further examined. 58 of the contacts were discovered to have leprosy lesions and 6,976 who interrupted treatment at the clinic were persuaded to resume treatment. In all, 10,246 domiciliary visits (first 1392 and subsequent 8854) were paid by the health visitors during the year. Case detection was also done at the Municipal free dispensaries. The Eight centres, 5 opened on 1st November 1955, 2 on 1st May 1958 and one on 1st October 1961, under the Greater Bombay Leprosy Control Scheme, including four in the Suburbs, continued to function as diagnostic and treatment centres.

Malaria was registered as the cause of 1 death as against 1 in the preceding year and the number of persons 'treated for Malaria' at the municipal dispensaries was *nil* as against 5 in the preceding year.

Tuberculosis took a toll of 2,303 lives and the death rate of T. B. was 0.8 per 1000 of population.

Venereal Diseases.—A total of 19,473 venereal cases were treated (males 17,029 and females 2,444). During the year, 28,629 persons attended the two prophylaxis centres. The average daily attendance for treatment and prophylaxis at the clinic was 887.8.

Medical Relief.—The number of new cases treated at the 27 dispensaries and one mobile dispensary unit was 6,03,278 as against 5,86,645 in the preceding year. The total attendance numbered 23,79,160 as against 24,32,230 in the preceding year. Dispensaries for women and children were conducted by three part-time lady doctors at 6 general dispensaries, each thrice a week. The number of new cases treated at these dispensaries was 4,789 as against 4,718 in the preceding year. The total attendance of patients was 31,787.

The Bai Lingubai Eye Dispensary was conducted at Kamathipura along with the Bhoomaya Poshety Asharol Free Ophthalmic Hospital. The hospital has an accommodation of 12 beds, 6 for males and 6 for females, and also a modest yet well equipped operation theatre. The total number of new cases treated during the year was 14,248 including 374 in-patients. The total attendance of patients was 95,657.

Health Education and Propaganda.—This was carried out by the Public Relations Officer, through all modern publicity media. The details are mentioned in that officer's report.

School Health Work.—In all, 39,221 children, (21,098 boys and 18,115 girls and 8 special cases) were medically examined. Of these 31,584 were found to have one or more ailments. Of the total defects found, 25.30 per cent. were 'general debility' 24.71 per cent. 'dental defects', 19.51 per cent. 'Enlarged lymphatic glands', 14.50 per cent. 'throat troubles', 3.87 per cent. 'skin diseases', 0.89 per cent. 'eye troubles' and a small per cent. 'defective vision', 'defect in nose', etc.

The total number of cases of school children treated at the School Clinic at the K. E. M. Hospital was 14,354 out of which 1,940 were new cases and 12,414 repeated cases.

All the Municipal schools were supplied with the sets of emergency outfit. 210 pupils with errors of refraction were supplied with appropriate pairs of spectacles free of charge. 23 children suffering from leprosy were disallowed from attending schools. 555 children suffering from other skin diseases such as scabies, ring-worm, etc. were treated in schools.

Talks on different health subjects were given by the school medical officers and school health nurses.

A daily free milk feed of 6 ounces of pasteurized toned milk along with snacks was given to 53,120 weak and undernourished children on every school working day for about 6 months during the year. The scheme could not be put into operation for the remaining period on account of either vacations or non-supply of milk. Powder milk donated by the Lions Club of Bombay was given to the pupils from the Colaba Group of Schools who were not covered under the Milk Scheme.

Food Sanitation.—The number of inspections made during the year by the inspectorial staff of the health department at the premises of milch cattle stables, dairies and milk shops, eating houses, aerated water works and other premises where food is prepared and/or sold was 1986, 10762, 56570, 1030 and 11612 respectively. 2,947 persons importing milk in the city were checked, of whom 210 were found to have no licence and 283 were found carrying milk in cans without covers. Besides, 260 were found with grass rings in their milk vessels, and statutory action was taken against all of them.

Prosecutions were instituted in 68 cases of hawkers found selling milk in streets without licence. The total number of persons prosecuted for conducting milk shops without licence and those for breaches of the milkshop licence conditions was 1,256 as against 300 in the previous year. The mobile food-raid squad continued to take samples of milk and food-stuffs by surprise. Prosecutions were launched in respect of 2,476 samples of milk and food stuffs, found adulterated, out of the total of 3,353 samples taken by the squad during the year. The Mobile Squad carried out 4,109 inspections of dairies, milk-shops, eating houses, etc., destroyed 4,142 lbs. of exposed and unwholesome food and instituted prosecutions in 167 cases for exposing food.

Municipal Laboratory.—28,349 samples were examined during the year as against 29,640 in the preceding year. Of these, 16,884 were examined chemically, 6,458 clinically and 15,007 bacteriologically. The samples examined chemically included 9,147 of milk and curd, 120 of ghee, 1,463 of butter and 3,408 of other articles of food. Out of the samples examined under the Prevention of Food Adulteration Act, 1954, 5,829 samples of milk and curd, 883 of ghee and butter, 115 of oils, 94 of prepared tea and 1,121 of other food articles were found non genuine resulting in prosecutions and conviction of the offenders.

LEGAL DEPARTMENT

During the year under report the Department continued to attend to contested matters and other proceedings in the High Court, City Civil Court, Small Causes Court and Police Courts. During the year, the Department received 13,337 files, addressed 1569 letters to outside parties or their legal advisers and gave advice on 124 documents. Corresponding figures for the preceding year were 14556 files, 1884 letters and 56 documents. The report contains figures of High Court Suits as well as number of documents such as conveyances, etc., that were completed.

The income by way of costs recovered amounted to about Rs. 10,580 and the expenditure to about Rs. 1,31,083.00.

LABOUR DEPARTMENT

The Labour Department looked into the grievances of the staff comprising of about 200 categories pertaining to recruitment, retrenchment, transfers, increments, P. F. Claims etc. Out of 2361 total grievances 1550 were redressed, 725 were found not genuine cases, and 86 were pending at the end of the year. During the year the Municipality had to deal with 15 recognised Unions. With a view to promote cordial relations between the staff and the Administration, Joint Councils representing labour staff, functioned in 20 departments. The scope of the work of these councils was wide enough to allow discussions on various matters pertaining to the grievances of the staff and the conditions of service. 13 Peshi Committees to enquire into the misconduct of employees were in existence in Hospitals and Maternity Homes. A four stage grievance procedure had also been introduced in all departments to redress the grievances of the employees. The Grievance Committee consisted of the representatives of the labour and the management. Rs. 18,500.00 were awarded to the Municipal employees under the scheme for granting scholarships to the children of Municipal employees. An amount of Rs. 20,000 was given to employees as aid under the Scheme of Medical Assistance. There were 27 Welfare Centres. The recreational, educational and other cultural activities organized by the Welfare Branch of the Department for the benefit of employees and their dependents were continued more vigorously in the year under report. The Maternity Unit attached to the Chembur Welfare Centre continued to do useful work under a qualified Lady Doctor and Medical treatment, wherever necessary, was given.

Labour Relations : The Municipal Mazdoor Union, Bombay Municipal Subordinate Staff Union, Executive Staff Union, Health visitors Association, Engineers Union etc., referred diff rent disputes regarding terms and service conditions etc. to the Conciliation Officer. Other recognised Unions have also put some demands which are under consideration and discussions. Relations with Labour were peaceful.

PUBLIC RELATIONS DEPARTMENT.

Public Relations Department disseminated knowledge on health, hygiene and cleaner living among the citizens through popular media of propoganda such as posters, leaflets, health exhibitions, film shows, cleansing campaigns, talks, etc., in performance of normal duties. For effecting publicity it released from time to time, press notes about new amenities and activities of various departments of the Corporation and helped the Public Health Department, in its drives against communicable diseases and exposed food. It also participated in various celebrations such as World Health Day, Social Education Week, Republic Day Celebrations and in observance of weeks like Family Planning Week, Anti-T.B. Week, etc., organised by Government, Semi-Government and Social bodies. In addition, advantage was taken of carrying out educative health and hygiene propoganda during annual fairs held in the City and Suburbs.

M. G. M. O. SWIMMING POOL.

Junior and Senior Championships in Aquatics conducted by the Maharashtra State Aquatic Association, Inter Collegiate Championship, Central Railway Annual Championship, etc., were held at the Pool during 1961-62.

IX Anniversary Day of the Swimming Pool was observed on 27-4-1961 with aquatic competitions open for the members of the Pool only. M. G. M. O. Water Polo League Matches were played and the M. G. M. O. Water Polo Team won the championship for the first time in the year 1961-62. The team was awarded Mrs. Avan K. Golwalla Trophy for water polo. Annual Long Distance Sea Race was held during the 2nd half of the year 1961-62 for the members of the Pool only.

In all 7 polio crippled children including 3 old cases availed of the facilities of free swimming. Four Educational institutions, *viz.*, (1) The Christ Church High School, (2) Scottish Orphanage High School, (3) St. Mary's High School, (4) Sarla Sarjan High School reserved the Pool for their students at special concessional rate of Rs. 100 per month for 2 hours a week.

Private reservation of the Pool was for 296 hours which contributed to the revenue to the extent of Rs. 7,365.

The Pool was reserved for the Maharashtra State Aquatic Association and the University of Bombay for their competitions, free of charge.

8 Members of the Pool were included in the Bombay Aquatic Team for the National Championship held at New Delhi in October 1961.

The Pool was closed for swimming from 30-6-1961 to 5-7-1961 for cleaning the Pool.

The collection of fees, etc., was Rs. 1,41,065 as against Rs. 1,61,557 during the preceding year, which included Rs. 34,376 by adjustment of old accounts prior to 1955.

ADMINISTRATIVE OFFICER (Enquiries)

Investigations were carried out in 881 cases of various nature such as alleged demand and acceptance of illegal gratification, theft of Municipal property, Misconduct, Misbehaviour Acts of commission and omission on the part of Municipal staff, breaches of provisions of Municipal by-laws, infringement of licence conditions etc. In 245 cases punishments varying from dismissal to mere warnings were meted out to erring employees, 247 cases were sent to various Municipal departments for taking necessary action in the matter, 203 cases were filed as the allegations made in the complaints were found to be false and malicious. In the rest of the cases, the inquiries are in progress.

Total No. of cases in which different punishments were given is 245 cases.

Serial No.	Nature of Punishment.		No. of cases.
1	Dismissal	...	9
2	Removal from Service	...	21
3	Termination of Service	...	1
4	Resignation accepted	...	1
5	Debarring from promotions	...	1
6	Withholding of increments	...	79
7	Fines imposed	...	38
8	Warnings	...	82
9	Recoveries made for loss of Municipal properties	...	13
		Total ...	245

Test check of dead stock, consumable stores, verification of plant and machinery etc., in charge of different Municipal Departments was done during the year by actual visits to 275 offices, sub-offices, depots, chowkies etc., and 342 schools in the City, Suburbs and Extended Suburbs.

Miscellaneous proposals such as purchase of furniture and equipment fixing or revising securities of certain posts, supply of clothing and uniform to staff, writing off unserviceable articles, verification of recoveries of Municipal dues from P.F. Claims, scrutiny of audit note replies, scruitiny of telephone proposals etc., were attended to in 1077 cases. 636 surprise visits were paid to various offices, sub-offices, Departmental and Contract Works etc., for checking the attendance of staff and checking stock of cement. 291 sales of Municipal property, sales of rights, sales of unserviceable record, waste-paper etc., were also attended.

ORGANIZATION AND METHODS DIVISION

The O. & M. Divison was mainly busy with the introduction & supervision of office procedure and was also entrusted with the work of preparation of a Manual of the Education Department, standardisation of Forms and reorganization of Record Branches.

THE BOMBAY CIVIC JOURNAL.

The Bombay Civic Journal completed 8 years in March 1962. Besides the Annual Number published in April 1961, special numbers such as Independence Day Number and Republic Day Number were brought out in August 1961 and January 1962 respectively. In addition to this the September and November 1961, February and March 1962 issues were devoted to specific topics. Efforts are being made to enhance the appeal and utility of the Journal to the general public without departing from the chief objective of the Journal, which is the promotion of civic enlightenment.

Industrial Relations.

There were no occasions on which the provisions of the Bombay Municipal Servant's Act, 1890 had to be brought into effect.

A strike notice was served by the Municipal Mazdoor Union on 29th December 1960 regarding reorganization, retrenchment, reversion, etc., in different municipal departments and Conciliation Proceedings were started before Shri B. L.Shelke,Conciliation Officer and are pending before him. Similar dispute was raised by the Municipal Subordinate Staff Union and the same was admitted into conciliation.

A. U. SHAIKH,
Municipal Commissioner
for Greater Bombay

FINANCIAL

No. F.D.T./2261/of 14-9-62

Report from the Chief Accountant on the accounts of the General Municipal Administration, the Improvement Schemes and the Education Fund for the year 1961-62.

GENERAL MUNICIPAL ADMINISTRATION

2. The following statement summaries the transactions for the year pertaining to Revenue and the actuals for the preceding year:—

	1961-62			Actuals for 1960-61.
	Budget Estimates.	Revised Estimates.	Actuals.	
	Rs.	Rs.	Rs.	Rs.
Opening Balance ...	1,46,18,000	2,02,00,836	2,02,00,836	71,39,792
Income ...	14,80,19,922	15,28,76,782	15,32,92,261	14,23,42,848

Line Suspense Account	...	88,705	88,017	— 688
Capital Stores	...	3,47,48,743	3,56,48,911	+9,00,168
Capital Stores (Foras Road Depot)	...	26,459	49,206	+22,747

5. The loan liabilities at the beginning and at the en d of the year were as under:—

Outstanding bebt on 1st April 1961.	Loans raised during the year.	Repayment during the year.	Oustanding debt on 31st March 1962
Rs.	Rs.	Rs.	Rs.
45,14,86,062	2,93,77,501	66,48,434	47,42,15,129

The details of the loans raised are as stated below:—

(1) Rs.	55,00,000	Being the loan of Rs. 55,00,000 issued at a discount of 75 nP. with currency of 12 years at 4 1/4 percent. interest raised by public subscription out of Rs. 330 lakhs loan sanctioned under Corporation Resolution No. 303 dated the 10th October 1961 and G. R. No. LON 3261/2153-C-IX dated the 7th October 1961. The provision of Sinking Fund is sanctioned on 12 years basis at 3½ per cent.
(2) Rs.	2,25,00,000	Being the loan isued at par at 4¼ per cent. interest with a currency of 25 years raised internally as sanctioned under C. R. No. 303 of 10-10-1961 and G. R.No. LON 3261-2153-C-IX of 7-10-1961.
(3) Rs.	13,77,501	Being advances from special funds for purchase of Plant and Machinery repayable by annual equated instalment in five years at 4¼ per cent. interest per annum.
	2,93,77,501	

The repayments during the year were as under:—

(1) Rs.	51,47,840	Repaid to Government on the basis of payment from Revenue in respect of Advances taken from them.
(2) Rs.	22,000	Repaid to Debenture holders out of Sinking Fund Investment.
(3) Rs.	14,78,594	Repaid to different Special Funds out of Revenue on the basis of equated payments.
Rs.	66,48,434	

The position of the Sinking Fund is shown below:—

Amount of Fund on 1st April 1961	Interest etc. received.	Sinking Fund Instalments.	Total.	Withdrawn for payment of loans.	Amount of Funds on 31st March 1962
Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
11,06,24,257	41,22,312	2,19,30,012	13,66,76,581	22,000	13,66,54,581

The value of securities held in the Sinking Fund Account on the basis of market rates prevailing on 31st March 1962 including accrued interest and Cash exceeded the actuarial amount of the Sinking Fund by Rs. 2,30,380 which is held in the Sinking Fund Account.

6. A detailed comparison between the Budget and Revised Estimates and the actuals will be found in Appendix No. 3. The estimated income for the year was Rs. 14,80,19,122 and Revised Estimates was Rs. 15,28,76,782. The actuals amounted to Rs. 15,32,92,261 resulting in an increase of Rs. 52,72,339 on the Budget Estimates and I crease of Rs. 4,15,479 on the Revised Estimate. The details of increase and decrease are given in Statement 'A'.

7. The position as regards income from General Tax, Water and Halalkhore Tax will be seen from the statement below :—

	1961-62	1960-61	Increase.
	Rs.	Rs.	Rs.
(1) General Tax at 19 3/4 per cent. (including Fire Tax) Total Collection booked ...	5,55,68,702	5,53,69,239	...

Net demand on account of Property Taxes inclusive of refunds	10,96,52,291	10,23,95,241	72,57,050

*As supplied by A. and C.

TOWN DUTIES

8. The various articles on which duty was levied at the time of import under the provisions of Section 192(1) of the Bombay Municipal Corporation Act, the amount levied and refunds allowed thereon under Section 195 on their export are shown in Appendix 17.

The gross collections for the year were estimated at Rs. 1,15,11,960 the refunds and commission charges at Rs. 15,97,310 and the net revenue at Rs. 99,14,650. The revenue collected and paid into the Municipal Treasury in the year amounted to Rs. 1,57,43,232 and after deducting the amount of Rs. 23,04,504 (on account of refunds Rs. 20,54,941 and on account of fees for collection of Rs. 2,49,563 credited to the separate Revenue Head) the net receipts amounted to Rs. 1,34,38,728 showing an increase of Rs. 11,15,988 as compared wih the actuals of the previous year.

SALE PROCEEDS OF LAND

9. There was no balance to the credit of the Land Sales Reserve Fund.

The sale proceeds of surplus land during the year amounted to Rs. 7,34,576. This amount being less than Rs. 10 lakhs transfer to the Fund was not made. At the end of the year no surplus land remained available for sale.

REVENUE EXPENDITURE

10. The final sanctioned grants amounted in the aggregate to Rs. 18,60,52,328 as follows :—

	Rs.
Budget Grants ...	14,19,43,141
Unexpended Grants for previous years renewed for expenditure ...	1,59,43,456
Additional Grants ...	2,81,65,731
Final sanctioned grants ...	18,60,52,328

The transfers from one Budget Head to another without affecting the total Budget provision for the year amounted to Rs. 10,05,966.

11. Against the final grants for the year aggregating to Rs. 18,60,52,328 as stated above the actuals amounted to Rs. 14,89,49,164 leaving an unexpended balance of Rs. 3,71,03,164 at the close of the year. Of this a sum of Rs. 2,25,39,413 is being renewed for expenditure during 1962-63 against Rs. 1,60,60,718 in 1961-62 and the balance of Rs. 1,45,63,751 is being alowed to lapse as detailed in Appendix No. 4.

12. The percentage of establishment proper and of labour to the total expenditure for 1961-62 and the previous year are as given below :—

	Percentage to total expenditure during	
	1961-62	1960-61
(1) Establishment proper and Dearness Allowances ...	11.36	13.77
(2) Labour and Dearness Allowances ...	15.98	19.02

13. The amount of new loan proposed in the Budget for 1961-62 was Rs. 500 lakhs. The amount was however reduced to Rs. 280 lakhs in the revised estimates.

The loan of Rs. 55 lakhs only was raised by public subscription. A loan of Rs. 2,25,00,000 was raised internally during the year. The total amount actually raised to finance the Capital Expenditure including purchase of Plant and Machinery was Rs. 2,93,77,501 as detailed in paragraph 5 above.

Balance of the loan of Rs. 2,20,00,000 out of the loan aggregating to Rs. 500 lakhs sanctioned for 1961-62 was allowed to lapse.

LOAN WORK EXPENDITURE

14. The opening balance on 1st April 1961 on account of Loan Funds excluding the Trust Fund was Rs. 2,35,11,959. Loans aggregating to Rs. 2,93,77,501 were raised during the year. The total loan funds available for expenditure during the year were Rs. 5,28,89,460 out of this an amount of Rs. 61,86,489 has been reserved for purchase of capital stock. Thus the net amount available for expenditure was Rs. 4,67,02,971. The total expenditure incurred during the year amounted to Rs. 2,91,99,617 leaving a balance of Rs. 1,75,03,354 in the loan Fund at the close of the year as shown in Appendix No. 9.

15. The following statement compares the expenditue on capital works with the Budget and Revised estimates during the last five years.

Year.	Loans and Trust Fund			Percentage of actuals to Budget Estimates.	Percentage of to Revised Estimates.
	Budget Estimates.	Revised Estimates.	Actuals		
	Rs.	Rs.	Rs.		
1957-58 ...	4,97,20,106	7,56,46,268	2,58,29,745	52	34
1958-59 ...	5,58,22,501	6,50,02,805	2,08,93,500	37	32
1959-60 ...	5,39,58,705	7,57,75,879	2,28,08,696	42	30
1960-61 ...	7,19,14,791	9,87,21,526	2,67,51,951	37	27
1961-62 ...	6,35,78,945	7,35,98,292	2,93,43,717	46	40

The above figures do not include the amount on account of subvention, and advances for puchase of Capital Stores, Stocks, etc., purhases.

The total loan funds available for expenditure during the year amounted to Rs. 5,28,89,460 against which provisions proposed in the Budget and the Revised Estimates were Rs. 6,34,53,945 and Rs. 7,16,40,197 leaving uncovered balances of Rs. 1,05,64,485 and Rs. 1,87,50,737 respectively. The percentage of actual expenditure to the funds available works out to 55.

16. The following table gives the classification of all the Loan Works under distinctive groups for the purpose of apprising the distinctive character and value to the city in relation to the outlay the allocation of outstanding debt as on as on 31st March 1962 and the debt charges involved during 1961-62.

	Amount of Loan outstanding on 31st March 1961	Debt Charges for 1961-62				Total Debt Charges.
		Debt Interest	Interest accrued but not paid.	Sinking Fund and repayment.	Bank Com. Misc. Loan charges and discount and other charges	
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
General Service ...	17,77,90,665	59,03 742	3,55,976	66,41,565	1,95,920	1,30,97,203
Self-supporting Services						
Water Works ...	29,14,73,540	1,15,97,969	1,65,194	2,04,46,057	1,60,648	3,23,69,868
Fire Brigade ...	18,06,492	83,652	7,673	2,08,942	Cr. 102	3,00,165
Markets and Slaughter Houses ...	31,44,432	1,56,521	23,066	1,37,764	Cr. 102	3,17,249
Total ...	29,64,24,464	1,18,38,142	1,95,933	2,07,92,763	1,60,444	3,39,87,282
Grand Total ...	47,42,15,129	1,77,41,884	5,51,909	2,74,34,328	3,56,364	4,60,84,485

SINKING FUND

17. From Appendix No. 10 it will be seen that the book value of investment of the Sinking Funds amounted to Rs. 13,66,54,581 made up of Rs. 13,66,54,544 being the book value of securities and Rs. 37 in cash with the State Bank of India. Valuing the Municipal and Improvement Trust Debentures at par the market value of the Sinking Fund Investments held on 31st March 1962 comes to Rs. 13,25,91,317 as shown in Appendix No. 16A. This together with the amount of interest accrued upto 31st March 1962 *viz.* Rs. 7,96,181 and cash with the State Bank of India Rs. 37 brings the total amount of Sinking Fund to Rs. 13,33,87,535 and more than covers the amount *viz.* Rs. 13,31,57,155 to which the Sinking Fund should have accumulated upto 31st March 1962. The excess in the Sinking Fund investment account was thus Rs. 2,30,380.

INVESTMENTS AND INVESTED BALANCES

18. The details of investments made during the year are as follows:—

	Amount	Average No. of days.
	Rs.	
(1) Current Account Deposits ...	1,39,97,000	40.79
(2) Fixed Deposits ...	32,36,00,000	115.00
(3) Call Deposits ...	3,43,00,000	55.00

The interest earned during the year amounted to Rs. 34,37,813 and the details are as follows:—	Rs.
(1) On Current Account Deposits ...	2,147
(2) On Fixed Deposits ...	19,16,931
(3) On Call Deposits ...	1,65,720
(4) On Investments in Public Securities, etc. ...	13,53,015
Total ...	34,37,813

The rates of interest on Surplus monies in Deposits were as under:—

	Average rate during 1961-62 per cent.	Average rate during 1960-61 per cent.	Maximum rate during 1961-62 per cent.	Maximum rate during 1960-61 per cent.
	Rs.	Rs.	Rs.	Rs.
Current Account ...	0.13	0.13	...	...
Call Deposits ...	3.19	3.24	3,37	3,63
Fixed Deposits ...	3,83	3.88	4.12	4.00

The average rate of interest on all deposits was 3.74 per cent. as against 3.71 per cent. in the preceding year.

RESERVE STOCK

19. The opening Balance and the receipt of General Stores during the year as per books maintained in this office were Rs. 43,52,468 and Rs. 23,61,183 respectively and the issues amounted to Rs. 27,42,427. The closing balnce of General Stores was therefore Rs. 39,71,224 *i.e.* more Rs. 3,81,244 than the opening Balance.

The balances of General Stores in charge of the Controller of Stores are compared below for the last five years:—

	Rs.
Balance at the close of 1957-58 ...	28,05,358
Balance at the close of 1958-59 ...	33,55,511
Balance at the close of 1959-60 ...	43,54,801
Balance at the close of 1960-61 ...	43,52,468
Balance at the close of 1961-62 ...	39,71,224

The outstanding balance on 31st March 1962 according to Controller of Stores is Rs. 9,33,848. The difference of Rs. 30,37,376 is due to adjustments in rspect of stores, etc., issued by the Controller of Stores to the departments not having been returned by them to this office in time for being adjusted in the accounts of 1961-62. The opening balance and the receipts of General Stores of Foras Road Depot during the year as per this office books were Rs. 3,59,863 and Rs. 1,10,628 respectively and issues amounted to Rs. 1,37,155. The closing balance of General Stores Foras Road Depot was Rs. 3,33,336.

CAPITAL STORES

The opening balnce of Rs. 3,47,48,743 together with the receipts of Capital Stores during the year aggregates to Rs. 4,51,32,007. As against this the issues during the year aggregates to Rs. 94,83,096 thus resulting in increase of Rs. 9,00,168 in the closing balance of Capital Stores *viz.*, Rs. 3,56,48,911 compared with opening balance. The opening balance and the receipts of Capital Stores, Foras Road Depot were Rs. 26,459 and Rs. 47,979 respectively and the issues amounted to Rs. 25,232, thus resulting in an increase of Rs. 22,747 in the closing balance of Capital Stores Foras Road Depot, *viz.*, Rs. 49,206 compared with the opening balance

STREET IMRPOVEMENTS

20. The provision made in the Revised Loan Works Buget for meeting claims on account of acquisition of set-backs was Rs. 40,00,000 the expenditure being Rs. 5,35,508. This leaves a balance of Rs. 34,64,492. After deducting all ascertained time-barred claims the undischarged commitments upto 31st March 1962 in regard to set-backs already acquired and sanctioned to be acquired amount to Rs. 10,37,526 against which we have a provision of Rs. 10,00,000 in budget for 1962-63. In addition to this further liabilities may be expected on account of further acquisition of set-backs that will be sanctioned during 1962-63.

LEVELLING, METALLING, ETC., PRIVATE STREETS

21. The expenditure on the improvement of private streets is financed in the first instance from Plant and Machinery Depreciation Fund pending recovery from the house owners.

The following statement shows the figures of advances sanctioned, expenditure incurred and recoveries made during the last five years—

Year.	Expenditure			Total.	Recoveries inclusive of interes and supervision charges.
	Actual expenditure on work.	Supervision charges.	Interest, etc., advances		
	Rs.	Rs.	Rs.	Rs.	Rs.
1957-58 ...	941	...	20,322	21,263	23,143
1958-59 ...	93,920	...	20,440	1,14,360	25,931
1959-60 ...	25,569	...	25,134	50,703	8,285
1960-61 ...	2,853	...	27,397	30,250	6,893
1961-62 ...	...	...	28,595	28,595	6,805

Balance of Supervision charges outstanding as on 31st March 1962 is Rs. 36,673

The amount outstanding on 1st April 1957 was Rs. 4 21 337. Adding Rs. 2,45,171 on account of expenditure incurred during the year 1957-58 to 1961-62 and deducting Rs. 71,057 recovered during the same period the amount outstanding at the close of the year 1961-62 came to Rs. 5 95 450 (*vide* Appendix No. 6).

IMPROVEMENT SCHEME.

General Account.

INCOME.

22. The total income for the year amounted to Rs. 1,42,14,298 against Rs. 1,32,51,119 for the previous year showing a net increase of Rs. 9,63,179 *viz.* increase of (1) Rs. 25,703 under rent and other proceeds of properties; (2) Rs. 7,39,746 under contribution from Municipal Corporation; (3) Rs. 2,166 under Grant-in-aid (4) Rs. 1,82,380 under interest and profits on investment and (5) Rs. 13,184 under miscellaneous receipts.

A detailed comparison between Budget Estimates and actuals will be found in Appendix No. 23.

EXPENDITURE

23. The total expenditure for the year aggregated to Rs. 1,34,84,072 against Rs. 1,32,53,285 for the previous year showing an increase of Rs. 2,30,787. This is made up of increase of Rs. 4,55,231 under Debt Charges counterbalanced by a decrease of Rs. 2,24,444 under Maintenance of properties and streets. The expenditure of Rs. 1,34,84,072 comprises expenditure of Rs. 53,48,032 under Maintenance of properties and streets inclusive of cost of Management and Establishment and Rs. 81,36,040 under Debt Charges. Appendix No. 24 gives a comparison between final grants and actuals for the year.

24. The Net Surplus for the year amounts to Rs. 7,30,226 as shown in Appendix No. 22.

25. The loan liabilities at the beginning of the year stood at Rs. 15,21,31,051. A loan of Rs. 50,00,000 was raised during the year. The repayment of loan during the year amounted to Rs. 38,73,281 out of which Rs. 9,27,281 repaid to Government on the basis of equated payments out of Revenue in respect of Advances taken from them and Rs. 29,46,000 to the debenture holders. The outstanding loan liabilities at the close of the year thus stood at Rs. 15,32,57,770.

Out of this the amount outstanding on account of Government loans shown in Appendix No. 29 as aggregating to Rs. 7,26,38,770 requires some explanation. All the debentures in respect of loans aggregating to Rs. 4,75,00,000 originally raised from Government have now been repurchased according to the approved programme for Sinking Fund Investments. The liability to Government on this Account is, therefore, only Rs. 2,50,38,770.

CAPITAL ACCOUNT

26. The opening balance on 1st April 1961 was Rs. 55,53,927. During the year under report receipts on account of sale proceeds of lands and buildings amounted to Rs. 13,10,084. A loan on Rs. 50,00,000 was raised during the year. The total funds available were thus Rs. 1,18,64,011. The total expenditure incurred amounted to Rs. 77,85,784 The surplu in the General Account for the year which amounted to Rs. 7,30,226 was transferred to the Capital Account. The unspect balance at the close of the year stood at Rs. 48,08,453.

EXPENDITURE ON SCHEMES

27. The actual expenditure incurred during the year on Schemes amounted to Rs. 77,85,784 as against the Revised Estimates of Rs. 2,01,94,435 including Rs. 11,42,000 on account of cost of Management and Establishment.

SINKING FUND

28. The position of the Sinking Fund is as shown below :—

Amount of Fund on 1st April 1961.	Interest, etc. realisation.	Sinking Fund instalment.	Withdrawn for payment.	Amount of fund on31st March 1962.
Rs.	Rs.	Rs.	Rs.	Rs.
6,82,56,332	29,55,234	9,37,401	29,46,000	6,92,02,967

From Appendix No. 28 it will be seen that in the books of accounts, the Sinking Fund as on 31st March 1962 amounts to Rs. 6,92,02,967 of which Rs. 6,92,02,753 represent the book value of the securities and Rs. 214 in cash with the State Bank of India. Valuing the Bombay Improvement Trust and Municipal Debentures at par the market value of the Sinking Fund investments held on 31st March 1962 comes to Rs. 6,93,24,617 as shown in Appendix No. 30. This together with the amount of interest accrued upto 31st March 1962 *viz.* Rs. 2,55,462 and cash with the State Bank of India *viz.* Rs. 214 brings the total amount of Sinking Fund to Rs. 6,95,80,293 against Rs. 6,02,38,858 the amount to which the Sinking Fund should have accumulated upto 31st March 1962. The excess in the Sinking Fund investment account is thus Rs. 93,41,435.

The total amount of loans raised for Improvement Schemes and outstanding on 31st March 1962 comes to Rs. 15,32,57,770; out of this Rs. 2,50,38,770 are borrowed from Government the repayment of which is arranged on the basis of half yearly equated payments. The balance of Rs. 12,82,19,000 represents loans raised by issue of debentures. Out of this Rs. 4,76,00,000 originally borrowed from Government have now been repurchased or Sinking Fund Investments and Rs. 8,06,19,000 from the public.

29. The gross capital liabilities of the Improvement Scheme stood at Rs. 15,80,16,260 at the close of the year and the assets at Rs. 33,35,79,384 including the book value of lands comprised in Schedule 'W' and 'X' resulting in a surplus of Rs. 17,55,63,124 the details whereof are shown in Appendix No. 25.

IMPROVEMENT SCHEMES ACCOUN

SLUM CLEARANCE ACCOUNT

General Account (City and Suburs)

CITY SECTION.

INCOME

30. The total income for the year amounted to Rs. 6,70,719 against Rs. 3,89,046 for the previous year showing a net increase of Rs. 2,81,673. This is made up of increase of (*i*) Rs. 2,62,696 under Rent and other proceeds of properties (*ii*) Rs. 19,277 under interest and profits on investment counterbalanced by a decrease of Rs. 300 under miscellaneous receipts.

EXPENDITURE

31. The expenditure for the year amounted to Rs. 9,45,577. This is made up of Rs. 3,15,202 under maintenance of properties and streets and Rs. 6,30,375 under Debt Charges resulting in a deficit of Rs. 2,74,858 at the close of the year as shown in Appendix No. 22A, which was transferred to Capital Account.

SUBURBAN SECTION

INCOME

The total income for the year amounted to Rs. 11,68,929 against Rs. 8,60,034 for the previous year showing a net increase of Rs. 3,08,895 *i.e.* increase of (*i*) Rs. 4,486 under Rent and other proceeds of properties (*ii*) Rs. 3,46,222 under contribution from Budget D counterbalanced by a decrease of Rs. 41,813 under interest and profits on investment.

EXPENDITURE

The expenditure for the year amounted to Rs 33,570 incurred under Debt Charges only. The net surplus of Rs. 11,35,359 was transferred to Capital Account balance sheet as shown in Appendix No. 22B.

SLUM CLEARANCE—CITY

CAPITAL ACCOUNT

31A. (*i*) The opening balance on 1st April 1961 was Rs. 10,74,905. During the year under report a loan of Rs. 50,00,000 was raised for meeting the expenditure. The amount of Rs. 5,98,500 was received from Government as loan and Rs. 2,134 on account of sale proceeds. An amount of Rs. 6,31,800 as grant-in-aid was received from Government. Thus the total funds available for expenditure were Rs. 73,07,339. The total expenditure amounted to Rs. 34,84,177. The deficit in the General Account amounting to Rs. 2,74,858 was transferred to Capital Account. The unspent balance at the close of the year stood at Rs. 35,48,304.

SINKING FUND

(*ii*) The position of the Sinking Fund is as shown below :—

Amount of fund on 1st April 1961.	Interest, etc., realisation.	Sinking fund Instalment.	Withdrawn for payment.	Amount of fund on 31st March 1962.
Rs.	Rs.	Rs.	Rs.	Rs.
3,78,370	12,742	1,61,406	...	5,52,518

From Appendix No. 23A, it will be seen that in the books of accounts the Sinking Funds as on 31st March 1962 amounts to Rs. 5,52,518 of which Rs. 5,52,450 represent the book value of the securities and Rs. 68 in cash with the State Bank of India. Valuing the Bombay Improvement Trust and Municipal Debentures at par the market value of the Sinking Fund Investment held on 31st March 1962 comes to Rs. 5,52,700 as shown in Appendix No. 30A. This together with the amount of interest accrued upto 31st March 1962 *viz.* Rs. 1,262 and cash with the State Bank of India *viz.* Rs. 68 brings the total amount of Sinking Fund to Rs. 5,54,030 against Rs. 5,49,191 the amount to which the Sinking Fund should have accumulated upto 31st March 1962, . The excess in Sinking Fund Investment account is thus Rs. 4,839.

SLUM CLEARANCE—SUBURBS.

CAPITAL ACCOUNT.

(*iii*) The Opening Balance on 1st April 1961 was Rs. 19,33,528.

In addition to this an amount of Rs. 9,45,000 was received a loan from Government. An amount of Rs. 13,53,600 as grant-in-aid was received from Government. Thus the total funds available for expenditure were Rs. 42,37,128. The total expenditure amounted to Rs. 17,06,680 leaving an unspent balance of Rs. 36,65,803 which includes Rs. 11,35,359 as revenue surplus tranferred to Capital Account.

EDUCATION FUND.

32. (*i*) The following statement summarises the transactions for the year pertaning to Revenue and the Actuals for the preceeding year :—

	1961-62			Actuals for 1960-61.
	Budget Estimates.	Revised Estimates.	Actuals.	
	Rs.	Rs.	Rs.	Rs.
Opening Balance	51,000	12,11,000	12,11,184	11,74,001
Income	3,02,83,655	3,16,89,369	3,15,03,578	2,55,05,665
Expenditure	2,98,22,475	3,11,78,479	2,83,69,009	2,44,46,582
	4,61,180	5,10,890	31,34,569	10,59,083
Balance	5,12,180	17,21,890	43,45,753	22,33,084
Reservation for Advances, etc. shown below	...	+ 2,85,000	+ 3,64,077	— 10,21,900
	5,12,180	20,06,890	47,09,830	12,11,184

(*ii*) Details of reseravtion of Advances, etc. are—

	Rs.	Rs.
Increase in—		
Renewed Grants		43,834
Deduct—		
Decrease in—		
Miscellaneous Advances	3,90,529	
Advances for Plant and Machinery	17,382	
		4,07,911
Net Decrease		3,64,077

(*iii*) The net unhypothecated Surplus Cash Balance on 31st March 1962 was as under :—

Liability.			Assets.		
		Rs.			Rs.
Advance for Plant and Machinery	...	17,377	Surplus Revenue Fund as per Appendix No. 31	...	57,38,274
Miscellaneous Advance	...	10,11,067			
Minimum required by Law	...	20,000			
Surplus Cash Balance	...	46,89,830			
Total	...	57,38,274	Total	...	57,38,274

(*iv*) The Loan Liabilities at the beginning and at the end of the year were as under :—

Outstanding debt on 1st April 1961.	Loans raised during the year.	Repayment during the year.	Outstanding debt on 31st March 1962.
Rs.	Rs.	Rs.	Rs.
2,08,50,000	65,00,000	...	2,73,50,000

(*v*) The position of Sinking Fund is shown below:—

Amount of Fund on 1st April 1961.	Interest, etc., realised.	Sinking Fund Instalments.	Total.	Withdrawn for payment of loans.	Amount of Fund on 31st March 1962.
Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
20,75,418	95,076	7,49,237	29,19,731	...	29,19,731

The value of Securities held in Sinking Fund Account on the basis of market rates prevailing on 31st March 1962 including accrued interest and cash exceeded the actuarial amount of the Sinking Fund by Rs. 47,011 which is held in the Sinking Fund Account.

INCOME.

(*vi*) A detailed comparison between the Budget and Revised Estimates of Income and the Actuals will be found in Appendix No. 32. The estimated income for the year was Rs. 3,02,83,655 and the Revised Estimate was Rs. 3,16,89,369. The actuals amounted to Rs. 3,15,03,578 resulting in an increase of Rs. 12,19,923 on the Budget Estimates and a decrease of Rs. 1,85,791 on the Revised Estimates.

(*vii*) The net increase of Rs. 12,19,923 is made up of Rs. 11,55,875 under Contribution from the Municipal Corporation under Section 126C(c) of the B. M.C. Act; Rs. 2,06,033 under Miscellaneous Receipts inclusive of Extra-ordinary receipts of Rs. 1,71,780 being Special Municipal Contribution paid to Ex. employees who subsequently opted for Pension credited to this head; Rs. 1,34,342 under Miscellaneous Revenue; and Rs. 16,660 under Contribution from Government; counterbalanced by a decrease of Rs. 2,92,987 under Education Cess. The rate of Education Cess was continued at 1½ per cent. of rateable value on buildings and lands the rateable value of each of which is not less than Rs. 300 per annum and 1 per cent. of the reateable value on buildings and lands, the rateable value of each of which is less than Rs. 300 per annum but less than Rs. 75 per annum.

The position regarding income from this Cess is as shown below :—

EDUCATION CESS

		1961-62.	1960-61.	Increase.

Net demand on account of Education Cess inclusive of Refunds	...	64,77,804	61,31,082	3,46,722

(* Figures as supplied by A. & C.).

EXPENDITURE.

(*viii*) The final sanctioned Grants amounted in the aggregate to Rs. 3,31,16,419 as follows :—

	Rs.
Budget Grants	2,98,22,475
Unexpended Grants for previous years renewed for expenditure	15,42,904
Additional Grants	17,51,040
Final Sanctioned Grants ...	3,31,16,419

The transfers from one Budget to another without affecting the total Budget Provision of the year amounted to Rs. 1,50,892.

(*ix*) Against the final grant of the year aggregating to Rs. 3,31,16,419 as stated above, the actuals amounted to Rs. 2,83,69,009 leaving an unexpended balance of Rs. 47,47,410 at the close of the year. Of this, a sum of Rs. 17,65,201 is being renewed for expenditure during 1962-63 against Rs. 15,42,904 in 1961-62 and the balance *viz.* Rs. 29,82,209 is being allowed to lapse as savings as detailed in Appendix No. 33.

(*x*) The savings of Rs. 29.82 lakhs are made up of Rs. 18.90 lakhs under Primary Schools; Rs. 5.18 lakhs under Pension and Provident Fund ; Rs. 3.47 lakhs under Debt Charges; and the balance of Rs. 2.27 lakhs under other Heads.

(*xi*) The percentage of Establishment cost inclusive of expenditure on Dearness Allowance and Provident Fund, Pension, etc., Charges to the total expenditure for 1961-62 as compared with the previous year's percentage are given below :—

	Percentage to the total expenditure during.	
	1961-62.	1960-61.
(1) Establishment	76.07	76.58
(2) Labour	7.79	7.85

LOAN FUNDS.

(*xii*) The Opening Balance on 1st April 1961 on account of Loan Funds excluding the Trust Funds was Rs. 30,14,727. The amount of New Loan proposed in the Budget for 1961-62 was Rs. 80 lakhs. A loan of Rs. 65 lakhs was raised during the year. The total Loan Funds available for expenditure during the year thus amounted to Rs. 95,14,727. The expenditure incurred on Loan Works during the year amounted to Rs 73,97,844. The expenditure on account of Adavance for purchase of furniture for new school buildings during the year was Rs. 5,63,254 and the amount recouped was Rs. 58,112. The closing balance at the end of the year was Rs. 16,11,741.

(*xiii*) The following statement contrasts the expenditure on Capital Works with the Budget and the Revised Estimates during the last five years :—

Year.	Loan and Trust Funds			Percentage of Actuals to Budget Estimates.	Percentage of Actuals to Revised Estimates.
	Budget Estimates.	Revised Estimates.	Actuals.		
	Rs.	Rs.	Rs.		
1957-58 ...	67,28,084	76,50,669	32,39,017	48	42
1958-59 ...	70,47,361	82,42,249	28,17,633	40	34
1959-60 ...	85,21,775	94,94,307	37,18,635	44	39
1960-61 ...	1,47,99,036	1,32,48,924	54,97,591	37	41
1961-62 ...	1,65,09,349	1,26,45,808	73,97,844	45	59

The above figures do not include the amount on account of discount and other charges on the New Loans and purchase of furniture for new School Buildings.

During the year under report, Loan Funds balance including loan of Rs. 65.00 lakhs raised during thes year was Rs. 95.15 lakhs against which provisions proposed in the Budget and Revised Budget were Rs. 164.59 lakhs and Rs. 126.35 lakhs respectively leaving unconvered balances of Rs. 69.44 lakhs and Rs. 31.20 lakhs respectively. The percentage of acfual expenditue to the funds available works out to 78.

(*xiv*) From Appendix No. 38, it will be seen that the Book Value of investments of Sinking Fund as of 31st March 1962 amounted to Rs. 29,19,731 made up of Rs. 29,19,376 in Securities and Rs. 355 in cash with the State Bank of India. Valuing the Municipal Debentures at par, the market value of the Sinking Fund Investment held on 31st March 1962 comes to Rs. 29,35,552 as shown in Appendix No. 41. This together with the amounts of Interest accrued upto 31st March 1962 *viz.* Rs. 26,412 and Cash with the State Bank of India of Rs. 355 brings, the total amount of Sinking Fund to Rs. 29,62,319 and more than covers the amount *viz.* Rs. 29,15,308 to which the Sinking Fund should have accumulted upto 31st March 1962. The excess in the Sinking Fund Investment account was thus Rs. 47,011.

(xv) The details of Investments during the year are as follows :—

	Amount.	Average number of days.
	Rs.	
(1) Fixed Deposits	2,44,00,000	85.34
(2) Call Deposits	24,00,000	90.41
Total ...	2,68,00,000	85.79

The interest earned during the year amounted to Rs. 2,60,136 and the details are as follows :—

	Rs.
(1) On Fixed Deposits	2,14,364
(2) On Call Deposits	20,881
(3) On Investments in Public Securities	24,891
Total ...	2,60,136

The average rate of interest on Call Deposits was 3.23 per cent. as against 3.39 per cent. in the preceding year. The rate realised on Call Deposits ranged from 3 per cent. to 3.3/8 per cent. The average rate of interst on Fixed Deposit was 3.57 per cent. as against 3.54 per cent. in the preceding year. The rate realised in Fixed Deposits ranged from 3½ per cent. to 4½ per cent. The average rate of interest on all Deposits was 3.54 per cent. as against 3.51 per cent. in the preceding year.

ASSESSMENT AND COLLECTION

ADMINISTRATION REPORT FOR THE YEAR 1961-62.

Shri N. S. Shirodkar, B.A. (Hons.) was in charge of the department from 1st April 1961 to 30th November 1961 and from 28th February 1962 to 25th March 1962. Shri A. S. Tipnis was in charge of the department from 1st December 1961 to 27th February 1962 and from 26th March 1962 to 31st March 1962 as Assessor and Collector (in charge).

Rates of Taxation.—The rates of taxation on lands and buildings continued to be the same as in the preceding year *viz.*, General Tax (including Fire Tax) at 19.75 per cent. Water Tax at 4.50 per cent., Halalkhore Tax at 3.50 per cent., Education Cess at a graduated scale as under:—

Rateable Value.		Rate.	
Re. 1 to Rs. 74	...	*Nil.*	The Education Cess is leviable on the aggregate rateable value of all buildings and lands owned by one person in the same locality.
Rs. 75 to Rs. 299	...	1 per cent.	
Rs. 300 and above	...	1.50 per cent.	

The tax on vehicles and animals was levied at the maximum rates prescribed in Schedule G of the Bombay Municipal Corporation Act. The rates charged for the supply of water by meter measurement ranged between Rs. 1.65 and Rs. 5.50 per 10,000 litres according to the class of properties.

Properties.—The total number of properties on the 31st March 1962 was 57,385 as shown in Appendix "A". Out of these properties, 54,106 were assessed to General Tax and 2,153 were exempted from it under Section 143(1)(*a*) of the Bombay Municipal Corporation Act. Vacant lands owned by Government are not assessed till they are beneficially occupied while Railway lands are assessed in lump. The number of Municipal properties exemped from General Tax under the provisions of the Bombay Municipal Corporation Act, during the year was 1,126.

The number of properties accounted for as newly erected, demolished and enlarged during the year was 1,122, 429 and 1,546 respectively, the corresponding figures for the preceding year being 771, 442 and 1,043. The number of single room tenements, double room tenements and flats in the City on the 31st March 1962 was 2,83,035, 86,637 and 71,231 respectively.

Rateable Value.—The rateable value of all properties in the City on the 31st March 1962 was Rs. 31,62,89,043 as against Rs. 30,60,45,289 on the 31st March 1961. It worked out to Rs. 114.22 nP. per head of population of 27,69,133 as per the Census of 1961 of the City proper against Rs. 110.52 nP. in the preceding year. In 31 cases the rateable value was increased by more than Rs. 2,000 in each case.

Vehicles and Animals.—Particulars of vehicles and animals taxed during the year (exclusive of those taxes under the Public Conveyance Act) and those taxed under the Public Conveyance Act are given in Appendices 'E' and 'F' respectively.

Under Section 185 of the Bombay Municipal Corporation Act, wheel tax in respect of hack-victorias, labour carts (without pneumatic tyres) and hand-carts (without pnuematic tyres) ordinarily leviable at Rs. 112, Rs. 40 and Rs. 8 per annum, respectively, was compounded for the year 1961-62 at Rs. 100, Rs. 35 and Rs. 6 respectively *vide* Standing Committee Resolution No. 3614, dated the 1st February 1961, for the reason that the owners of these vehicles were required to pay the tax for the whole year in advance (Section 198 of the Bombay Municipal Corporation Act) instead of quarterly as in the case of other vehicles.

The tax collected on hand carts and bullock carts for the year 1961-62 amounted to Rs. 85,115 as against Rs. 65,610 in the preceding year.

Bills.—The total number of bills in respect of property taxes and wheel tax issued during the year was 1,19,778 and 2,06,819 respectively, of which 6,117 and 19,134 respectively were for previous years and 1,13,661 and 1,87,685 respectively for the year 1961-62. The total number of bills for water charges by meter measurement issued during the year by the Hydraulic Engineer was 41,096, of which 1,180 were for previous years and 39,116 for the year 1961-62.

Total demand, collection and outstanding of all taxes for previous years and for the year 1961-62.

(Amounts of 50 Naye paise and above are taken as full rupee and those below 50 Naye Paise are omitted).

* The particulars are inclusive of figures for the budgets D & F.

The percentage of recovery to the total net demand during the year was 73.51 or 86.23 against the effective demand.

Note.—Out of the total net demand of Rs. 16,09,32,830 a sum of Rs. 2,37,58,976 was not effective demand on account of complaints and appeals against rateable values and other valid disputes. The effective demand, therefore, was Rs. 13,71,73,854 and the percentage of recovery as against this effective demand was 86.23. The percentage of outstanding to the effective demand will, therefore, be 13.77.

Total net Demand, Collection and Outstanding compared with those for the previous two years.

Grand Total	4,26,42,428.82	
Less—amount received but kept in deposit	11,12,205.00	
	4,15,30,223.82	

1. (*a*) Out of the amount shown as outstanding under this head Rs. 4,48,829 are for Special Halalkhor Tax, Rs. 9,86,874 are for water charges and Rs. 1,19,390 are for property taxes. The amount of Special Halalkhor Tax is under dispute and the matter is under correspondence. As for the other two items, the Government Departments did not pay before 31st March 1962 for want of provision. A sum of Rs. 7,65,940 has since been recovered.

(*b*) The Deputy Custodian of Evacuee Property pays as and when funds permit.

2 and 3. A bulk of this demand was issued in the month of March 1962 and hence could not be recovered before 31st March 1962 as there was very little time for verification at the disposal of the Railways. Bills aggregating Rs. 43,150 and Rs. 52,142 have since been paid. The remaining amount is under dispute.

4. (*a*) The amount relates to water charges and the payment has been disputed. The matter is under correspondence.

(*b*) The payment was not made before 31st March 1962.

5. Payments are made as and when funds are available.

6. (*a*) The amount awaits adjustment.

(*b*) Out of the amount shown under this head, a sum of Rs. 8,83,300 pertains to water charges for the year 1958-59 due from Budget 'F'. It has not been paid for want of funds.

7. (*a*) The Municipal Solicitors have been requested to take further action and the matter is under correspondence.

(*b*) Most of the properties have been attached and the papers have been forwarded to the Municipal Solicitors for taking further action regarding auction sale of the properties.

8. The matter is pending before the Court.

9 and 10. Payments can be demanded only after the disposal of appeals or complaints, as the case may be.

11. There are legal difficulties involved in effecting recovery from the flat-owners and the question of amending the Bombay Municipal Corporation Act suitably is under consideration.

13. (*a*) and (*b*) The matter is under correspondence.

14. Amended bills amounting to Rs. 65,50,773.30 were issued in the month of March 1962, due to revision of the rateable values of properties on account of improvements, additions and alterations and completion of new constructions effected late in the year.

15. (*a*) The Mills have gone in appeal and the matter is pending before the Court. They have paid on account on the basis of the old rateable value.

(*b*) The amount awaits adjustment.

It will be seen from the above that out of the total outstandings of Rs. 426.42 lacs, a sum of Rs. 322.61 lacs was beyond the control of the Department for effecting recovery before 31st March 1962.

(*Note.*—From April to July 1962, the amount recovered out of the outstandings noted above is about Rs. 1,00,00,000).

Miscellaneous Receipts.—Miscellaneous receipts realised from notices of demand, distress warrants, battaki fees, inspection fees and other items amounted to Rs. 1,11,473.22 against Rs. 1,18,766.90 in the preceding year.

Meter Hire.—Receipts from meter hire amounted to Rs. 2,43,680.84 against Rs. 3,12,366.17 in the previous year.

Exemptions.—The amount of full exemption allowed in respect of General Tax on properties entitled to such exemption under Section 143(*a*)(1*b*) of the B. M. C. Act and under Article 285 of the Constitution of India and the amount of partial exemption under Section 144(3) of the Bombay Municipal Corporation Act and Section 36 of the Bombay Port Trust Act, 1879, aggregated Rs. 49,44,969.10 on the 1st April 1961, against Rs. 42,15,641.06 during the preceding year. The increase was due to enhancement of rateable values. Exemption from payment of General Tax in 25 cases was discontinued as the circumstances in which it was allowed had changed and there was no justification for continuing it.

Drawback and Refund.—The statments in Appendix 'G' show the particulars of drawback and refund claims dealt with during the year and the preceding two years.

Complaints and Appeals against rateablve values.—4,655 complaints were received out of which 2,460 complaints under Section 167 of the Act against the rateable values amounting to Rs. 3,13,64,666 and 1,262 complaints under Section 162 against the values amounting to Rs. 2,33,43,468 were disposed of during the currency of the year. The assessments were on investigation of complaints reduced to Rs. 2,83,75,667 and Rs. 2,30,09,473 respectively, and the reduction amounting to Rs. 29,88,999 and Rs. 3,33,995 gives a per centage of 9.53 and 1.43 respectively.

There were 60 appeals against the ratea le values of which 1 was settled out of Court, one was dismissed, 2 were decided by the Court and 56 were pending.

Suits.—No suit was filed against the ratepayer for the recovery of the taxes during the year under report but in 65 cases action under Section 203 of the B. M. C. Act was resorted to with a view to effecting early recovery and an amount of Rs. 1,57,638.99 was recovered during the year. In 1 case, action under Section 207(1A) was also resorted to and in several other cases this action is in progress.

Riot Tax.—Total amount of riot taxes collected during the year was Rs. 1,044.38.

The Urban Immoveable Property Tax.—The rates of taxation continued to be the same as in the preceding year, *i.e.*, 5 per cent. in the case of buildings and lands, the rateable values of which were above Rs. 2,000 in each case and 2½ per cent. in the case of buildings and lands, the rateable values of which were, Rs. 2,000 and below, but not less than Rs. 500. Properties having values of less than Rs. 500 per annum continued to be exempted. The arrears of the tax as on 1st April 1961 were Rs. 54,42,422.86 which were increased to Rs. 59,66,408.16 on account of increase in rateable values. Out of this amount, a sum of Rs. 37,07,118.11 was collected leaving a balance of Rs. 22,59,290.05 at the close of the year. The demand in respect of the tax for the year 1961-62 was Rs. 1,33,33,899.91, collection Rs. 99,75,005.76, while Rs. 33,58,894.15 remained outstanding at the close of the year. The total collection of Urban Immoveable Property Tax thus amounted to Rs. 1,36,82,123.87 during the year under report.

Theatre Tax.—The rates of theatre tax for the year 1961-62 were as under :—

Type of Entertainment.	Rate of Tax.	Rate of tax, if payment for a whole month is made within the first five days of the month.
(1)	(2)	(3)
(1) Class I Cinema Theatre	... Rs. 10 per show	... Rs. 9.40 per show.
(2) Class II Cinema Theatre	... Rs. 7 per show	... Rs. 6.60 per show.
(3) Drama, Concert, Variety Entertainment or Tamasha	Rs. 7 per show	... Rs. 6.60 per show.
(4) Circus, Carnival or Fete	... Rs. 10 per day	... Rs. 9.40 per day.
(5) Any other entertainment	... Rs. 7 per show or if there are no separate shows, Rs. 7 per day.	Rs. 6.60 per show or if there are no separate shows, Rs. 6.60 per day

There were in all 38 Class I and 21 Class II Cinema Theatres and the tax was generally received regularly. Theatre tax was also recovered in respect of the various dramatic performances, dances, variety entertainments, etc., held at various Halls, Theatres and other places in the City wherever admission was on payment of charges.

Exemption from payment of Theatre Tax was granted to such cinema shows, performances, etc., as were held in aid of bonafide charities or directed towards advancement of cultural or educational activities and exempted from payment of Entertainments Duty leviable under the Bombay Entertainments Duty Act, 1923, by the Commissioner of Police.

The total income derived by way of Theatre Tax during the year under report was Rs. 7,14,581.60 as against Rs. 3,47,324.95 in the preceding year (1-10-60 to 31-3-61).

GENERAL REMARKS.

The assessment of the Railway properties (Central and Western) for the quinquennium 1949-54 has now been finalized and payment of the supplementary claim for the sum in lieu of the General Tax for the said quinquennium has been made by the Railway Authorities. As regards the assessment for the quinquennium 1954-59, necessary particulars have been called for from the Railway Authorities.

The assessment of B. P. T. properties for the quinquennium 1944-49 has been finalized. The work regarding the finalisation of the assessment for the quinquennium 1949-54 is in progress.

Shri Pestonji P. Kapadia, F.R.I.B.A. (Lond.), B.A., B.E. (Civil), M.I.Struct.E. (Lond.), M.I.E. (India), J.P. has been appointed to fix the rateable value of the buildings and lands in Greater Bombay vesting in the State Government and the Central Government for the quinquennium 1959-64. The work is in progress.

With regard to the Central Government properties eligible to exemption from the levy of General Tax, under Article 285 of the Constitution of India, The Central Government have agreed to pay with effect from the 1st April 1954, charges for specific services rendered by the local authorities and as directed by the Central Government, the State Government have been requested to fix the percentage of such charges payable in lieu of the General Tax. The matter is still under correspondence.

Consequent upon the reorganisation of this Department the collection work of wheel tax bills in respect of City, Suburbs and Extended Suburbs was centralised at the Head Office during the year under report. The wheel tax bills pertaining to Suburban and Extended Suburban Wards were, therefore, brought to Head Office on 1st April 1961 for effecting recovery. The total net demand during the year under report was Rs. 1,32,07,400.79 against which Rs. 52,75,220.86 were collected and credited to Budget 'A'. Out of this total collection a lump sum of Rs. 4,00,000 was transferred to Budget 'D' and a sum of Rs. 50,000 was transferred to Budget 'F' in lieu of the collection made against the wheel tax bills in respect of Suburban and Extended Suburban Wards. The figure of outstanding as on 31st March 1962 as shown in the statement named 'Particulars of outstanding' is inclusive of bills for the Suburbs and the Extended Suburbs.

Tax amounting to Rs. 4,787.31 representing a charge on 734 race horses from 1st October 1961 to 1st March 1962 was recovered through the Western India Turf Club as against Rs. 5,14.42 during the preceding year.

Both the indoor and outdoor staff extended their full co-operation without which the undersigned would not have been able to show the results reported above.

N. S. SHIRODKAR,

Assessor and Collector.

APPENDIX "A"

Classification of properties according to user.

ELECTION AND TOWN DUTY DEPARTMENT.

1. Shri V. G. Sabnis continued to be in charge of the Department during the year except for the leave period from 2-5-1961 to 29-7-1961 when Shri G. L. Pendse, the Chief Supervising Inspector of the Department looked after the duties of the Election and Town Duty Officer, in addition to his own.

2. The rates of Town Duty continued to be the same as those in the previous year. Proposals made for revising the existing Town Duty schedule with appropriate rates of town duty and necessary amendments to the Bombay Municipal Corporation Act with a view to raising the revenue from Town Duty were still under the consideration of the Corporation.

3. The gross collections of Town Duty, refunds in accordance with the provisions of Section 195 of the Bombay Municipal Corporation Act, and the net receipts are shown in Appendix 'A'. For the sake of comparison the gross collections and refunds during the year under report and those in the previous year are given below :—

		1960-61.	1961-62.
		Rs.	Rs.
Gross collections	...	1,45,49,013	1,57,98,671
Refunds	...	15,33,096	20,54,941
Net Revenue	...	1,30,15,917	137,43,730

4. The net revenue showed an increase of about Rs. 7.27 lacs mainly from Grains, Sugar, Tinned Provisions Tea and commodities not accounted for.

5. The total number of claims for refund of Town Duty on exports under Section 195 of the Bombay Municipal Corporation Act received during the year under report was 18,746 and the amount passed for refund was Rs. 20,13,346 as against 14,718 claims and Rs. 14,84,988 respectively passed during the preceding year.

6. During the year under report, 2,58,269 packages of Sugar and Gur, 2,57,893 cases of tea, 4,06,398 cases of Edibles, 9,640 Tins of Ghee and Vegetable Product, 4,874 cases Wines and Spirits, 34,345, bales of paper and 274 crates of Plywood and 19 packages of Iron and Steel were stamped with Municipal Marks as against 509 packages of Sugar and Gur, 2,73,545 cases of Tea 4,69,663 cases of Edibles, 17,799 tins of Ghee and Vegetable product, 5,808 cases wines and spirits 22,103 bales of paper and 850 crates of Plywood respectively stamped in the preceding year. The total number of packages stamped was 9,71,712 as against 7,90,277 in the preceding year.

7. The fees from stamping sugar bags, etc., amounted to Rs. 97,171 as against Rs. 79,014 in the preceding year.

8. The fees recovered from refund under Section 195 of the Bombay Municipal Corporation Act amounted to Rs. 2,40,970 as against Rs. 1,70,339 in the preceding year.

9. The Town Duty collected by this Department on goods imported into Greater Bombay by Road at Mulund and Dahisar Chowkies, by Air and in Head Office amounted to Rs. 49,84,973 as aginst Rs. 38,05,562 in the preceding year.

Election Section.

10. In accordance with the provisions of Section 21B of the Bombay Municipal Corporation Act, a supplementary Election Roll containing 522 names was published on 20th December 1961 when the total number of voters on the Municipal Election Roll was 18,64,001. In response to a notice published in the Local Newspapers inviting applications for enrolment, 213 applications were received. Similarly since the Publication of the Municipal Election Roll in 1960, 426 complaints about non-enrolment were received. They were registered from time to time and treated as claims for inquiry and enrolment. Thus out of 639 claims 60 were rejected and 57 were found indentical with the names already on the roll.

11. Out of the five petitions filed in the Small Causes Court in respect of the General Elections 1961 in respect of Ward No. 17 (Kamathipura), Ward No. 18 (Nagpada), Ward No. 20 Byculla (West) Ward No. 29 (Love Grove) and Ward No. 37 (Andheri Vile Parle South) challenging the validity of the Election for one reason or the other, only petition for Ward No. 18 (Nagpada) was allowed to be withdrawn. In the Petition for Ward No. 29 (Love Grove) Shri S. S. Mirajkar was declared by the Chief Judge as disqualified and the first defeated candidate Shri K. Y. Pawaskar was declared elected. The Petitions in respect of Wards Nos. 17 (Kamathipura) 20 (Byculla West) and 37 (Andheri Vile Parle South) were dismissed with costs.

As Shri R. K. Bhogle a Councillor for Ward No. 30 (Lower Parel) was considered disqualified for being a councillor as per provisions of Section 17 of the Bombay Municipal Corporation Act an application under Section 18 of the Act was filed before the Chief Judge, Small Causes Court, Bombay as per Corporation Resolution No. 695 of 20-11-1961.

V. G. SABNIS,

Election and Town Duty Officer.

V. G. SABNIS.
Election and Town Duty Officer.

Vaitarna-Cum-Tansa Scheme And Master Plan For The Distribution Of Water Supply To Greater Bombay.

This Department continued to be under the Hydraulic Engineer, Shri R. V. Abreu, B.Sc., B.E. (Civil) M.I.E. (India). Shri D. R. Bhise, B.E. (Civil), A.M.I.E. (India), who was Executive Engineer (Vaitarna-*cum*-Tansa Scheme and Master Plan Works) in the previous year continued to be Executive Engineer (Vaitarna-*cum*-Tansa Scheme and Master Plan Works) upto 31-5-1961. Shri L. G. Dhayagude, B.E. Civil), A.M.I.E. (India), looked after the duties of Executive Engineer in addition to his own from 1-6-1961 to 19-11-1961. He was appointed as EtxecutiveEngineer (Vaitarna-*cum*-Tansa Scheme and Master Plan Works) from 20-11-1961. The activities of this Department are grouped under the following heads :—

(*i*) Vaitarna-*cum*-Tansa Scheme.

(*ii*) The Master Plan for the distribution of water supply to Greater Bombay.

(*iii*) Dahisar Project.

(*iv*) Miscellaneous Works.

(*v*) Studies in connection with the future schemes of augmentation of the water supply.

PART I.—VAITARNA-*CUM*-TANSA SCHEME.

The main works in respect of the Vaitarna-*cum*-Tansa Scheme were completed between the years 1949 to 1955. During the year under review, the following residual works were done :—

(*i*) *Improving and Asphalting of Rords between Vaitarna and Tansa.*

The Standing Committee under their Resolution No. 3224 of 27-12-1960 accorded sanction to a contract being entered into with Messrs. P. C. Banerjee & Co. for the work of improving and aspalting of Tembha Bel Nala Road and Bel Nala Tansa Road at a total cost of Rs. 12,72,750. The work is in progress and will be completed in the year 1963-64.

(*ii*) *Works in connection with the 120" dia. pipe lines and tunnel at Bel Nalla.*

From the Bifurcation Chamber where the Vaitarna tunnels end, two branch tunnels take off-one leading to and connecting to 120" dia. pipeline and the second leading to the open channel which discharges into the Tansa Lake. Sometime in September 1961, it was observed that water was coming out on a patch of ground between these branch tunnels. On investigation it was found that the leak originated from the tunnel leading to 120" dia. pipeline where for a length of about 300 ft. the concrete lining had developed a crack. During the dewatering operations necessitated for inspection of the Tunnel etc. a portions of the 120" dia pipeline (about 250 Rft.) near tunnel face No. 9 got lifted resulting in the cracking of the welded joint next to it. In order to investigate into the causes leading to this mishap and suggesting remedies a Committee consisting of Sarvashri Champhekar, Retired Chief Engineer, Government of Maharashtra J. A. Taraporewalla, Ex-Director, of Technical Education and N. K. Murti, Chief Engineer, Koyna Hydro Electric Project was appointed. The Committee visited the site and carried out detailed investigation but their report is yet awaited. The repairs will be carried out after the report is received and necessary sanction obtained thereafter.

(*iii*) *Land Acquisition.*

Out of the total area of 3,995 Acres involving 647 holdings of private, Inam and Government (Revenue and Forest) lands acquired for major works of the Scheme, awards of compensation amounting to Rs. 11,58,410.22 in respect of 561 holdings were declared by the Government Acquiring Officers. Correspondence for the deforestation of forest lands and transfer of Government lands was in progress with the Forest and Revenue Department during the year.

An area of 30 Gunthas of Government land temporarily acquired for approach roads at Khardi was proposed for permanent transfer to the Municipality, The remaining lands have been released by the Municipality, on completion of the respective works.

Out of the area of 35 Acres of Private, Government, Railway, Customs, Military and Aerodrome lands, comprising 166 holdings acquired for the work of laying 96" dia. pipeline from Powai to Mahim, awards of compensation amounting to Rs. 12,840.91 in respect of 116 holdings were declared by the Acquiring Officers. Further proceedings were in progress during the year.

PART II.—IMPROVING THE DISTRIBUTION SYSTEM IN THE CITY.

The Corporation under their Resolution No. 1858, dated the 18th March 1955, accorded approval to the work of laying the inlet mains to the existing service reservoirs at Malbar Hill and Bhandarwada Hill, being carried out at a cost of Rs. 2,86,24,300. This estimate was subsequenty revised to Rs. 3,00,35,400 *vice* Corporation Resolution No. 1476, dated the 21st January 1957, due to the modifications in the size of the inlet mains suggested in the Master Plan for the distribution of water supply.

The progress of works carried out during the year under review was as follows :—

(*a*) Providing Cathodic Protection to the portion of 57"> 48" dia. inlet main to the Bhandarwada Hill Reservoir, between Dharavi Anchor Block and Factory of Messrs. Estrella Batteries.

The Corporation under their Resolution No. 552, dated the 21st September 1958 accorded sanction to the above work at a total cost of Rs. 1,71,226.00. This work is being carried out by contract. Two insulated flange rings were provided and chambers for the same were constructed during the year. Further work of putting the installation into commission was held up for want of electricity which could not be supplied by the B. E. S. & T. Undertaking on account of the shortage of cables, the supply of which is expected shortly.

PART III.—THE MASTER PLAN FOR THE DISTRIBUTION OF WATER SUPPLY.

The Corporation under their Resolution No. 1530 of 14th March 1956, accorded sanction to the Master Plan for the distribution of water supply to Greater Bombay, at an estimated cost of Rs. 7.52 crores. Works contemplated under this plan come under the following categories :—

(*i*) Preliminary works.

(*ii*) Laying of inlets and outlets to and from the reservoirs and other subsidiary pipelines.

(*iii*) Construction of service reservoirs with approach roads, staff quarters and incidental works.

(*iv*) Filtration Plants and studies.

(*v*) Renovation of the Tansa Masonry Duct, and

(*vi*) Land Acquisition for different works.

The progress of the works under Master Plan was as follows :—

(*a*) Worli Hill Reservoir.

(*i*) *The Reservoir.*—The work of construction of reservoir of 5 million gallons capacity which was completed during 1960-61 was put into commission in the month of October 1961.

(*ii*) *Control Room.*—The construction works of the Control Room which were carried out by contract were completed on 10-6-1961. The Departmental Works of pipelaying, fixing of Sluice Valves, etc., were also completed on 13-6-1961 and the control room was put into commission along with the Reservoir.

(*iii*) *Outlet mains.*—The work of laying outlet mains which was carried out by contract was completed on 13-6-1961 except for a short length of about 100 R.ft. near Worli Naka which could not be laid due to traffic problems. This work is being taken up in the ensuing year.

(*iv*) *Chlorination House and Staff Quarters.*—These works were carried out by contract by Messrs. Vikram Construction Co. at a total cost of Rs. 2,04,351.79 and were completed on 6-2-1962.

(*v*) *Compound wall and Fencing Work.*—These works were carried out by contract at a total cost of Rs. 44,771. The work was completed on 23-2-1962.

(*b*) Raoli Hill Reservoir.

(*i*) *Hill cutting and levelling works.*—The work of cutting and levelling, which was executed by contract was completed on 20-7-1961.

(*ii*) *Inlet and Outlet mains.*—The work of laying inlet and outlet mains is being carried out by contract at a total cost of Rs. 11,79,399.00. About 50 per cent. of the total works were carried out upto the end of the year.

(*c*) Gollanji Hill Reservoir.

The work of cutting and levelling the hill for the proposed reservoir was executed by contract at a total cost of Rs. 2,05,444.05 and was nearing completion at the end of the year.

(*d*) Pali Hill Reservoir.

The plot for the proposed reservoir was acquired and the work of taking trial borings sanctioned under Standing Committee Resolution No. 128 of 22nd April 1960 was completed during the year. No further work was done during the year under review as no priority was given for this work. This will be taken up as and when necessity arises.

(*e*) Powai Hill Reservoir.

(*i*) *Inlet and Outlet Mains.*—The work which was started in the month of November 1960 by the contractors was completed during the year at a total cost of Rs. 1,88,600.

(*ii*) *Reservoir.*—The work of constructing a Service Reservoir on the top of the Powai Hill has been sanctioned by the Corporation, *vide* Resolution No. 1142, of 4-1-1962 at the total cost of Rs. 22,74,453. Construction work has been taken in hand and is expected to be completed by October 1964.

(*f*) Trombay Hill Reservoir.

The reservoir is to be built on priority basis as a Fertilizer Factory is being set up at Trombay by the Government of India. Separate tenders were, therefore, invited for the works of (*i*) cutting down the hill to the required formation and (*ii*) laying inlet and outlet mains for this reservoir.

(*i*) *Hill Cutting and Levelling Works.*—The work of cutting the hill to the required formation level of the reservoir was sanctioned under Standing Committee Resolution No. 241 of 3-5-1961 and was started in August 1961. The same is expected to be completed by August 1962.

(*ii*) *Inlet and Outlet Mains.*—The work of laying inlet and outlet mains to the reservoir was also approved by the Standing Committee under Resolution No. 31 of 12-4-1961. The work was started in November 1961 and is expected to be completed by June 1963.

Trial bores were taken to determine the nature of the underground strata below the formation level of the reservoir.

(*g*) Ghatkopar Hill Reservoir.

The work of cutting the hill to the required formation level was approved by Standing Committee under Resolution No. 1092 of 23-8-1961 and the work was taken up during the year.

Tenders for a short length of 36" dia. outlet main in Bombay Agra Road were invited in order not to disturb the Bombay Agra Road after it is widened. The work of laying mains was sanctioned under Standing Committee Resolution No. 1882 of 15-11-1961. The same was started in January 1962 and is expected to be completed by December 1962.

Trial bores were taken to determine the nature of underground strata below the formation level of the reservoir.

(*h*) *Veravali Hill Reservoir.*

The work of laying inlet and outlet mains to Veravali (Low Level) Reservoir was sanctioned *vide* Standing Committee Resolution No. 1858 of 15-11-1961 at a cost of Rs. 14,44,248. About 18 per cent. of the total work has been done during the year and is expected to be completed by March 1963.

(*i*) Bhandup Hill Reservoir.

The site for the reservoir was not finalised as difficulties were experienced in acquiring the plot previously selected for the purpose. Investigations and surveys for finding out alternative suitable sites were in progress during the year.

(*j*) Purchase of steel plates, reinforcement bars, and other important materials.

Steel plates and reinforcement bars required for the works were purchased in advance in view of their scarcity, so that the works once taken in hand should not suffer.

Level Recorders required for all the reservoirs were purchased and an order for the supply of orifice meters required immediately for measuring discharges passing through inlet mains to the various service reservoirs has been placed.

(*k*) Fabrication of Steel Pipes and Specials.

The work of fabricating and supplying steel pipes and specials required for the First Stage of the Master Plan has been completed. Fabrication of pipes and specials for the second stage has been sanctioned under Standing Committee Resolutiont No. 4026 of 6-3-1962. The same was in progress during the year.

(l) Modifications of the Master Plan.

The Master Plan for the distribution of water supply to Greater Bombay as sanctioned under Corporation Resolution No. 1530, dated the 14th March 1956 had to be modified in view of the important developments such as (*i*) merger of Extended Suburbs with City from 1st February 1957, (*ii*) heavy demand of water by new industries in Eastern Suburbs, (*iii*) heavy demand by towns and industires en-route and (*iv*) availability of water supply from Tulsi Lake as a consequence of merger of Extended Suburbs with Greater Bombay The original block estimates have been revised and the revised Master Plan is now estimated to cost Rs. 1,283.22 lakhs. The revised Master Plan is before the Corporation for their consideration.

(*m*) Filtration of water supply.

(*i*) *General.*—All round progress was registered in the various studies undertaken at the Research Station set up at Powai for evolving cheap and efficient treatment plants for waters from the various existing sources of supply. During the year 1959, construction and working of large scale pilot plants were undertaken.

A complete analysis was made of the possible modes of treatment for each of the sources keeping in view the various alternative sites which could be developed for the purpose.

During the period under review Shri N. V. Modak, who was the Director of the Central Public Health Engineering Research Institute, Nagpur, was closely associated with the investigations, and thus full advantage was taken of the findings of the other units in the country working on similar problems.

(*ii*) *Pilot micro-Strainer Plant.*—A Micro-Strainer having a capacity of treating one million gallons of water per day and purchased during the year 1959, was installed in a structure especially constructed for the purpose at the Powai Research Station. The Plant was put into commission on 27th August 1960. It was run during the day shift only in the initial stages for want of electrical power, the negotiations with the Thana Electric Supply Co. for supplying power not having yet materialized. From January 1961, onwards the difficulty was overcome by installing a supplementary generator of our own. Now it is running round the clock.

The efficiency of the micro-strainer is gauged daily by (*a*) the removal of planktons from the waters put on the micro-strainer and (*b*) the improvement in the ' Filtrability Index ' of the same water.

All the works in connection with the purchase and installation of the micro-strainer unit, its operation, observation of performance, etc., were done from the provision of Rs. 1,94,000 sanctioned under the Corporation Resolution No. 79, dated the 19th April 1960.

(*iii*) *Other Pilot Filter Plants.*—Works on pilot units proposed under the estimate of Rs. 18,75,610 and sanctioned under Corporation Resolution No. 605, dated the 11th June 1960 were commenced during the year 1960. The work of construction of staff quarters for the operational staff was completed during the period under review. Pilot units of slow and semi-rapid sand filters have been constructed and are under observation. These slow and semi-rapid sand filter units are meant for treatment of waters conveyed by the Duct Line after its proposed renovation. One of the alterantive treatment sites is a large plot already in our possession,

along the alignment of the Duct near the village of Vandra at mile 6.1/2 from the Tansa Head Works. If the site previously contemplated for rapid sand filtration of Duct Line waters at Ghatkopar falls short of our requirements as is now likely to be because of the 50 per cent. increase in carrying capacity of the Duct after renovation, the site at Vandra may have to be utilized even though it is somewhat out of the way. The hydraulics of the Duct favours a slow sand plant at the Vandra site on account of the low loss of head in such plants. The capital cost of such a plant may, however, be larger than that of a rapid sand plant. It is mainly this and similar other aspects that are to be studied at the Pilot Units under construction.

Other Pilot units for Vehar and Tansa waters are being provided at Powai under the same programme. The units for Vaitarna water will be installed at Vaitarna proper as the site is more advantageous, from points of view of hydraulics, control, quality of raw waters, etc. Owing to the higher turbidities of the Vaitarna waters during the monsoon and frequent presence of iron in large concentrations at a point of draw off it may be necessary to treat these waters separately instead of at the combined treatment plant in tne Vehar Catchment. The possibility of providing a new intake tower at Vaitarna Head Works to get over some of the drawbacks of the present intake arrangements is being studied and if arrangements could be made to draw surface waters economically then the main filters for Vaitarna waters could also be located at Bhandup, *i.e.*, into Vehar Catchment. This aspect is under study.

The estimate of these Pilot Filtration works includes the cost of installation of the various units and of their operation over a period of 2 to 3 years so that the various major plants can be designed thereafter.

The research programme also covers the detailed limiological study of the raw waters of the impounded reservoirs over all the seasons of the year.

(*iv*) *Other Departmental Works.*—The Departmental organization carrying out works in connection with the filtration project also executed the following works :—

(*a*) Construction of the road bridge taking off from Saki Road to Powai Yard ... Rs. 35,000

(*b*) Dismantling the portion of the existing weir at Powai to increase the water-way and prevent flooding of the area ... „ 10,000

Besides this, the work of the construction of staff quarters (Rs. 50,000) and construction of cement godown (Rs. 20,340) were taken in hand.

(*n*) *Renovation of Duct between Tansa and Ghatkopar.*

(*i*) The contract work of laying of 72" dia. R.C.C. pipeline between Tansa and Ghatkopar for renovating the existing masonry duct was sanctioned under Corporation Resolution No. 984, dated the 24th October 1960 at a total cost of Rs. 1,17,17,703. The work of making the pipes has been started during the year under review, and that of laying them in site will be taken up from October 1962.

(*ii*) From the provisions available for the work of construction of offices, staff quarters, etc., the work on construction of quarters for Sub-Engineers and menial staff was underaken at a total cost of Rs. 1,25,000. Amount expended by the end of the year was Rs. 90,637.79 against the total estimated provision of Rs. 1,25,000.

(*o*) Land Acquisition.

The possession of the sites for the construction of the proposed service reservoirs at (*i*) Golalanji Hill (*ii*) Pali Hill, (*iii*) Veravali Hill (Low Level), (*iv*) Trombay Hill and (*v*) Rawl Hill was taken over by the Municipality from Government Land Acquiring Officers. Further proceedings regarding payment of compensation, etc., were in progress in concurrence with the Government Authorities. The site required for the construction of the reservoir at Veravali Hill (High Level) was proposed for acquisition. Negotiations were also in progress with the Director, Milk Scheme, Bombay for the transfer of the required areas of Milk Scheme land to the Municipality in this connection.

As regards the sites required for service reservoir at Veravali Hill (High Level) the private lands were proposed for acquisition and negotiations for the transfer of the required areas of Milk Scheme land were in progress with the Director, Milk Scheme, Bombay. The sites required for laying inlet and outlet mains from Veravali Hill Reservoir and from Powai Low Level Reservoir have been proposed for acquisition and preliminary enquiries in these cases were in progress in the office of the Land Acquisition Officers.

As regards the sites required for the service reservoir at Bhandup with inlets and outlets, proceedings for acquisition were in progress.

PART IV.—STUDIES IN CONNECTION WITH FUTURE AUGMENTATION SCHEMES.

The work of gauging the flow of Kalu rivers and measuring rainfall was carried out on the same lines as was done in the previous years. Further investigations were made and correspondence was carried on in connection with the major augmentation scheme which may have to be implemented at a future date.

PART V.—DAHISAR PROJECT.

I.—Introduction.

The Standing Committee under their Resolution No. 3257, dated the 25th January 1961 accorded their sanction for the preliminary works in connection with the water supply to the newly merged areas in the Western Suburbs at a total estimated cost of Rs. 6,77,820.

The work, however, was started in the month of April 1961 when the 6" water connection (syphon) was provied through the Masonry of Tulsi Dam.

The staff was appointed late in the month of May 1961 and in order to take advantage of fair weather survey work was started for providing an alternative road for the portion that is likely to be submerged. Other surve s such as detailed contours at the Dam site, etc., were also taken up side by side.

II.—During the year under review following surveys were carried out :—

(*a*) *Survey for the diversion of road.*—In all four alternate alignments about 6 miles 1 furlongs in length were investigated and an alignment admeasuring about 4 miles 1 furlong in length was finally selected. Detailed cross-sections along the same were taken at every 100' turning points and wherever required.

(*b*) *Fixing the site for service reservoir and filration plant.*—Two sites near National Park entrance at Borivli knwon as Khanderao Talpade Hill and another near the Dam site were surveyed for detailed contours of the ground, the area admeasuring about 35½ acres.

(*c*) *Detailed contour for downstream protection works and intake arrangement, etc.*—Detailed levels for contours at 20' distance along 18 lines each measuring about 2,000' were taken and contours are now being plotted.

(*d*) *Survey for the diversion weir and catch water channel for tapping the neighbouring catchment.*—A contour survey for the proposed site of weir was carried out and alignment for the proposed catch water channel measuring about 2 miles 6 furlongs has been fixed.

(*e*) *Land Acquisition.*—An area admeasuring bout 300 acres was tentatively demarcated at site and negotiations with Government were in progress for the release of this land which falls in the National Park of the Government of Maharashtra.

(*f*) *Survey for camp sites, etc.*—Detailed surveys of 2 alernative camp sites were carried out and mapped.

III.—Taking trial bores for investigation of foundations.

About 17 bore holes were drilled along the proposed dam alignment ranging from 30' to 100' deep. The results indicated that rock was not available at reasonable depth at the flanks of this alignment and fresh alignment about 600' unstream had to be selected and explorations by taking trial bores along the new alignment were in progress.

The Geophysical explorations of the dam alignments was undertaken by electrical resistivity method. Assistant Geologist to Government of India visited the site and examined the rock specimen recovered from bore holes.

IV.—Gauging and rainfall records.

During monsoon i.e. from 1-6-1961 to 31-10-1961 hourly records of rainfall at the damsite at Tulsi and National Park were maintained. Similarly river flows for every hour were recorded for determing the probable run off and the floods during the same period.

V.—Water Supply for the work.

Water supply from Tulsi Lake was arranged at the Dam site by laying 2"> 1½" dia. pipeline about 16,000 ft. in length.

VI.—Expenditure.

An amount of Rs. 1,58,320 was incurred on the staff both superior and inferior , for purchase of consumable stores, stationery articles, drawing materials, survey instruments, providing office and housings accommodation, water supply, lighting arrangement and providing transport facilities, issue of season tickets and for exploration of foundation by taking trial bores, etc.

PART VI.—MISCELLANEOUS WORKS.

(i) Enlarging the 72" dia. Tansa West main to 96" dia. and replacing the 72" dia. Tansa East Main between Kasheli Anchor Block and Balcum by a new one.

The Corporation under their Resolution No. 1183, dated the 9th December 1957 have accorded sanction to the aforesaid work at an estimated cost of Rs. 75,90,000.

The works carried out during the year under review are as follows :—

(*a*) The work of cutting the old pipes, and fabricating and laying new ones in their places was being executed by the contract through Mesrs. Structural Engineering Works Limited at a cost of Rs. 21,17,907. About 83.65 per cent. of the work was completed during the year, lengths of new 72" dia. and 96' dia. mains laid being 4,897 r.ft. and 5,821 r.ft. respectively, which included the trestles erected in the Kasheli creek.

(*b*) Of the Departmental works, falling under the scheme and costing Rs. 6,09,595 about 61 per cent. of the work was completed in the period under review.

The above works are expected to be completed by the end of September 1962.

The aforesaid works form the first part of the scheme of ' Replacing and enlarging the existing 72" dia. Tansa Mains in the Kasheli Creek '. The second part of the scheme comprising the work of ' Replacing the 72" dia. East and West Tansa Mains by one 96" dia. new main between Kasheli Anchor Block and Gundavali ' has been sanctioned by the Corporation under Resolution No. 1397, dated the 11th January 1960 at a total cost of Rs. 48,87,000. This work was to be taken up in hand after completion of the work under 1st part. However,to maintain the City's water supply to the present level, the same has been deferred for the present.A new 96' dia. steel pipeline for a length of about 3.75 miles between Tarali and Kasheli Anchor Block will be laid to divert the water from the existing 72" dia. Tansa mains between Tarali and Kasheli to enable to carry out the deferred work of replacement of 72" dia. East and West Main by a new 96" one between Gundavli and Kasheli Anchor Block, This work has been approved by the Corporation under their Resolution No. 2125 of 19th March 1962, at a total cost of Rs. 1,00,33,900 and the same will be taken up immediately after the

completion of present Enlargement works between Balcum ond Kasheli Anchor Block. Tnis work of laying a new 96" dia. steel main bet ween Tarali and kasheli at the later stage, will form a part of the proposed 96" dia. pipeline to be laid between Tansa and Bombay under the ' Upper Vaitarna Scheme.'

(iii) Arrangement of diverting the Vaitarna and Tansa waters into Vehar Lake at Bhandup.

The above work comprised of provision of 36" dia. branch connection on 96" dia. Vaitarna main and 18" dia. branch connection on each of 72" East and West Tansa Mains with the standing wave flumes for measuring the flow of water to be discharged into Vehar Lake. The pipelaying work and testing recorders were already completed through the contractors Messrs. Structural Engineering Works Limited. The connection on 72" dia. East Main was already done and that connection on 96" main was done during the year. leaving the connection to be made on West Main which will be done whenever the trunk main is isolated for some other works in this area.

(iv) Replacing a portion of 72" dia. Main at Bhandup.

A length of about 1,300 R.ft. of 72" dia. East Main which was in a damaged condition was replaced utilizing serviceable pipes from those removed from Kasheli Bridge as a result of the Enlargement work which was in progress. The work was taken in hand on 1st February and was completed in May 1961.

R. V. ABREU,

Hydraulic Engineer.

CITY ENGINEER'S DEPARTMENT

Shri S. V. Desai B. E. (Civil), M.I.E., A.M.I.C.E., D.I.C. held the post of City Engineer during the year except for the period from 16th October 1961 to 15th November 1961 when he was on leave. During this period Shri D. S. Thakur B.E. (Civil), A.M.I. (Struct.) E. acted as City Engineer.

There was no occasion during the year under report to invoke the provisions of the Bombay Municipal Servants' Act 1890.

The Distribution of technical staff of the department is shown in the table in Appendix A-1.*

I—PLANNING.

(2) This work consists of preparation of Plans and Estimates of all new major engineering projects as well as of minor works of repairs replacements or improvements of existing works and is divided into two Sections one section deals with proposals in connection with the building works, layouts of Slum Clearance Schemes and the areas to be developed etc., and is in charge of the Architect (Planning). The second section deals with proposals in respct of Road, drains, sewers, bridges and other miscellaneous engineering projects preparing annual schedules of rates and is in charge of the Executive Engineer (Planning). In addition to the work of the Planning Branch, Executive Engineer (Planning) is in charge of the construction of drains and sewers (both departmental and by contracts) in city area, Kurla Deonar Railway and disposal of refuse at Deonar, improvment of Private Streets and the work of desilting of sewers. He has also to attend to matters pertaining to M.R.P.H. Committee, the factory section and general correspondence and establishment matters of the City Engineer's Department.

I—(A)—PLANNING (ARCHITECTURAL)

(3) The work consists of preparation of sketch plans and Block Estimates, detailed plans and etailed Estimates of all new Engineering projects involving Development layouts, plans for lands under acquisition and Slum Clearance, School Buildings, Hospitals, Markets, Dispensary Maternity Homes, Libraries, Gardens, Offices and Wel-fare works and is in charge of Municipal Architect.

(4) This section prepared plans and estimates in connection with different building works as detailed below:—

(*a*) Summary of work done during the year 1961-62.

(*i*)	Contract Plans	80
(*ii*)	Cloth tracings	127
(*iii*)	Paper tracings	357
(*iv*)	Blue print copies	4,000
(*v*)	Block estimates	17
(*vi*)	Total amount of Block Estimates. (Appendix A2).*	Rs. 1,09,74,525.00.
(*vii*)	Detailed Estimates	51
(*viii*)	Total amount of Detailed Estimate	Rs. 2,15,69,855.00
(*ix*)	Draft Tenders	38

(*b*) Details of plans and estimates prepared are as follows:—

(*i*) New School Buildings and Additions and Alterations to Existing School Buildings.

	Locality.	Estimated cost.
		Rs.
1	Additions and alterations to Imamwada Urdu Girls School ...	33,087.00
2	Proposed conversion of Existing W.P. sheds into a temporary school in the B.D.D. Chawls at Worli ...	77,429.00
3	School Building at Chandan Wadi in place of existing school building ...	7,77,268.00
4	Additional 2 floors over Worli Neighbourhood School in Bombay Housing Board Colony ...	4,98,047.00
5	School Building at Mumbadevi Tank ...	19,90,276.00
6	School Building at Khetwadi Back Road ...	8,70,204.00
7	School Building at C.S. No. 326, Tardeo, in Gilder Lane ...	17,45,886.00
8	School Building at Shinde Wadi, C.S. No. 61 (Part)—(Revised Plans) ...	9,76,727.00
9	School Building at Antop Hill in Housing Colony of Bombay Port Trust ...	5,50,458.00
10	Revised estimate for Additional floor over Souter Street School Building ...	1,67,877.00
11	School Building on C.S. No. 89 and 90 Part, Lower Parel Division. (Revised Plans) ...	23,34,733.00
12	School Buildingt at Tadwadi, Mazgaon.—(Rovised Plans) ...	5,88,826.00
		1,06,10,908.00

* The Appendix is printed in the Departmental copy.

(*ii*) Hospitals, Maternity Homes, Medical Relief etc.

	Locality.	Estimated cost.
		Rs.
1	Additions and alterations to Improvement Trust Building for E.N.T. Hospital...	4,98,413.00
2	Additional floor over Cadell Road Maternity Home—(Revised Plans) ...	2,14,211.00
3	Conversion of Ground floor of convalescent Home Parel into Orthopaedic Hospital.	1,39,080.00
4	Alterations to Orthopaedic Operation Block at K. E. M. Hospital Parel for installing Artificial Kidney Unit ...	1,00,462.00
5	Nurses Home at L.T.M.G. Hospital, Sion ...	18,53,207.00
6	Construction of additional floor on and alterations to R.M.O.'s Quarters at K.E.M. Hospital, Parel ...	3,28,987.00
7	Additional floor over C.O.'s quarters at K. E. M. Hospital, Parel ...	53,281.00
8	Special repairs to slabs of Kitchen Stores passages etc., at K. E. M. Hospital, Parel. (Revised) ...	27,066.00
9	Special repairs to slabs of conference room and Ward Nos. 3, 4, 5 and 6 at K. E. M. Hospital, Parel. (Revised estimate) ...	21,459.00
		32,36,166.00

(*iii*) Markets.

	Locality.	Estimated cost.
		Rs.
1	Construction of a Fish Section in Elphinstone Road Market ...	5,09,933.00
2	Additions and alterations to Pedar Market—Fish Section ...	48,349.00
3	Renewal of C.I. Sheet Roofing over Garamkhada Market, Lalbaug ...	30,653.00
		5,88,935.00

(*iv*) Cemeteries.

	Locality.	Estimated cost.
		Rs.
1	Firewood shed at Sion Hindu Cemetery No. 86 ...	42,039.00
2	Raising height of existing compound wall, constructing new compound wall at Sion Hindu Cemetery No. 86 ...	26,190.00
3	Remodelling of Bhoiwada Hindu Cemetery No. 46 (Revised estimate) ...	2,16,503.00
4	Amenities to be provided at Shivaji Park Hindu Cemetery No. 45 ...	1,07,204.00
		3,91,936.00

(*v*) Miscellaneous Works.

	Locality.	Estimted cost.
		Rs.
1	Rent Collectors office at Haines Road Housing Scheme 32 ...	16,023.00
2	Extension of second floor to Sanitary Institute Building at Princess Street ...	36,387.00
3	Pedestal for Dr. Ambedkar Statue at Band Stand, Mayo Road ...	13,678.00
4	Rest and Lunch rooms and sanitary Block at Dadar D. P. Works ...	35,381.00
5	Raja Baldeodas Birla Kreeda Kendra at Chowpatti. (Revised) ...	14,76,357.00
6	Wireless Control room at Fire Brigade Quarters, Byculla ...	70,220.00
7	Conversion of existing Phalton Road Dormitory into a school on Ground floor and students Hospital on upper floors ...	48,398.00
8	Erection of sheds at Agripada Annesley Road, G North, Garages for E. E. Transport ...	33,452.00
9	14 Seated Acqua Privy for Dabholkar Adda ...	24,141.00
10	10 Seated Acqua Privy for Dabholkar Adda ...	19,311.00
11	6 Seated Acqua Privy for Dabholkar Adda ...	14,278.00
12	Laying out Sion Fort Hill as Recreation Centre and Garden ...	25,67,693.00
	Total ...	43,55,319.00

(*vi*) Public Sanitary Conveniences.

	Locality.	Estimated cost.
		Rs.
1	Nariman Road, Inside Worli Cemetery ...	14,308.00
2	Globe Mill Passage, Daruwala Chawl ...	10,310.00
3	Sardar V. P. Road and Elphinstone Bridge Cross Lane Junction ...	8,734.50
4	Worli Naka ...	4,651.00
5	Dhobighat Mahalaxmi ...	58,162.00
6	Vijaynagar Dadar ...	7,996.00
	Total ...	1,04,163.50

I—(B) PLANNING (GENERAL)

Roads, Sewers, Storm Water Drains

The abstract of work done during the year is as follows :—

(*i*) Paper Tracings	...	213 Nos.
(*ii*) Cloth tracings	...	19 ,,
(*iii*) Contract drawings	...	60 ,,
(*iv*) Blue print copies	...	4,537 ,,
(*v*) New estimates	Rs.	73,58,289.00
(*vi*) Revised estimates	...	92 Nos.

(6) Details of major plans and estimates prepared :—

	Estimated cost Rs.
(*a*) *Roads*:	
(1) Road No. 18 between Katrak Road and 33A ...	1,34,086
(2) Widening Pedder Road between Kemps Corner and Cadbury Fry ...	4,39,299
(3) Widening Bhulabhai Desai Road between Gowalia Tank Road and Pedder Road	4,31,592
(4) Concreting roads and pathways, Hindu Cemetery off Haines Road ...	1,20,073
(5) Construction of half the width of drainage channel road between Haines Road and Fergusson Road ...	2,96,351
(6) Road No. 26B between road No. 13 and Road No. 19 ...	2,08,516
(*b*) *Storm Water Drains*:	
(1) 8'-0 ×5'-0" S. W. drain outfall at Joglekarwadi ...	1,51,499
(2) Double barrel outfall at Timber pond in two portions ...	14,95,517
(3) 12"—15" dia. s. w. drain at Sheriff Dewjee Street ...	85,397
(*c*) *Sewers*:	
(1) 27" pipe sewer at Reay Road Second Cross Lane ...	1,31,481
(2) Replacing 2'-6"×3'-9" ovoid sewer by 45" pipe sewer below 'S' bridge Byculla	2,44,985
(*d*) *Miscellaneous*:	
(1) Approach roads to Koliwada overbridge ...	2,96,651
(2) Concreting open spaces at Municipal workshop ...	91,420
(3) Retaining wall to open plot opposite V. B. D. Udyan, Dadar ...	43,496

Appendix A-3 shows the details of works costing Rs. 10,000 and above for which plan and estimates were prepared during the year.

I—(C) SPECIAL TECHNICAL UNIT

(7) The post of Executive Engineer (Vigilance) was continued throughout the year under review.

The officer working in the post continued to guide the staff, pay surprise visits to various works under progress, investigate complaints received and co-ordinate the work of various Branches and Sections of the Engineering Department.

During the year he was also associated with the programme of removal of unauthorised hutments in the City and arranging for alternate accommodation to dishoused persons as a result of natural house collapses or pulling down of the dangerous buildings.

I—(D) SLUM CLEARANCE.

(8) This Branch is mainly concerned with preliminary surveys of slum areas, declaration of slum arears as "Clearance Areas", making of "Clearance Orders" and "Compulsory Acquisition Orders" under the provisions of the Bombay Municipal Corporation Act, acquisition of slum properties for clearance, rehabilitation of the slum dwellers, demolition of the old buildings in the clearance areas, formulation of slum clearance schemes to be executed with Government Aid securing financial assistance from Government and other works pertaining to slum clearance.

(9) The progress of various works under the Slum Clearance Schemes during the year was as under :

(*a*) *Prelminry surveys*—4 additional slum areas in the suburbs and extended suburbs admeasuring 25.30 acres having 1260 structures containing 1971 families with a total population of 8,108 were surveyed. The total number of slum areas in the suburbs and extended suburbs thus surveyed so far is 39 slums admeasuring 552.13 acres having 9537 structures, containing 28,657 families with a total population of 1,24,829.

(*b*) *Cleerance of Privates lums.*—(*i*) In the clearance areas K-1 and G-1 of Kamathipura four more buildings were evacuated and demolished during the year, a total of fifty buildings having been demolished till the end of the year. One remaining building in K-1 Area will be demolished after the bakery housed therein is shifted by its owner to the alternative accommodation.

Construction of 40 tenements on the vacant site in K-1 area was started. Plans and estimates for one more building comprising of 26 tenements were approved by the Corporation and those for a building of 22 tenements were submitted to the Works Committee and Corporation for approval during the year under report. The work of laying out a garden in clearance area G-1 has been also completed in the year.

(*ii*) In Clearance areas B-1 and M-1 of Kamathipura, possession of the properties in these areas was handed over to the Corportion by the Special Land Acquisition Officer, Bombay in April 1961. Out of 13 buildings and 8 sheds, 3 buildings have been evacuated and demolished during the year.

---

* The Appendix is printed in the Departmental Copy.

(*iii*) In the case of the Clearance Area at Match Factory Lane, Kurla, during the year the State Government has issued necessary notification directing the Special Land Acquisition Officer Bombay City and Suburban District to take steps for handing over the possession of the properties in the Clearance Area to the Corporation and to complete other proceedings.

(*iv*) In respect of Clearance area at Arthur Road (Hirvi Chawls property), the possession of the properties was expected to be received from the Special Land Acquisition Officer soon after the end of the year.

(*v*) In respect of the Clearance Area at Dhobi Chawls, Colaba, the suits filed by some tenants of Dhobi chawls against the Municipal Corporation were dismissed by the City Civil Court. The tenants had further gone in appeal to the High Court against the decision of the City Civil Court.

(*c*) *Clearance of Municipal Slums.*—By the end of the year 6 slums were cleared and redeveloped. Clearance and re-development of 11 slums in stages was in progress.

(*d*) Tenements under the Government of India's Subsidised Slum Clearance Scheme. Under the Scheme, 3668 tenements were sanctioned till 31st March 1962. Out of these, 954 tenements were completed during the year, bringing the total number of tenements completed upto 31st March 1962 to 1854. 992 tenements were started during the year and 1296 tenements were in progress on 31st March 1962.

(*e*) *Financial Assistance from Government under Subsidised Slums Clearance Scheme.*—

Loan and Subsidy received from Government during the year.		Total loan and subsidy received from Government upto 31st March 1962.	
Loan	Subsidy	Loan	Subsidy
Rs. 13,81,500	Rs. 17,96,000	Rs. 55,44,500	Rs. 42,26,000

(*f*) *Slum clearance programme submitted to Government for Sanction.*—A programme of slum clearance of an outlay of Rs. 68.16 lakhs based on the maximum ceiling cost of Rs. 6,000 per tenement envisaging construction of 1136 tenements in Greater Bombay was forwarded to Government for sanction and Government sanction to this programme was awaited.

(*g*) *Municipal sites to be cleared of hutments under Government of Maharashtra Hutment Dwellers Scheme.*

(10) 7 sites were sanctioned by Government for clearance and rehabilitation of hutment dwellers during the year. Out of these, census forms of 2581 families on 5 sites were completed jointly with the Maharashtra Housing Board and the Collector of Bombay and scrutiny thereof for deciding eligiblity of these families for alternative accommodation under the Scheme was in progress by the Maharashtra Housing Board.

I—(E) MUNICIPAL MATERIAL TESTING LABORATORY

(11) This laboratory was started in October 1960 in the premises of Love Grove Pumping Station During the year under reference the work at laboratory considerably increased and there was good response from outside parties also. The work carried out by the laboratory is shown in Appendix A-4.*

(12) One H. F. Vibrating machine to test cement samples was purchased during the year.

II—CONSTRUCTION

(13) Construction Branch is entrusted with the Planning estimating and executing works of roads, drains sewers, pumping stations, buildings for hospitals, schools, maternity homes, gardens, industrial estate buildings etc. and housing (tenements) of which cost is met from Loan Budgets "A", "B" and "E" (City) Section. Till last year these works were being looked after by two executive Engineers viz. (1) Executive Engineer (Construction) and (2) Executive Engineer (Housing). Due to larger allotments in these Budgets for financing the various projects, the working of this Branch was divided among 4 Executive Engineers as stated below :—

(A) Construction of Buildings other than Housing.

(14) 1—*Executive Engineer (Construction).*—This officer was in charge of construction of all types of Municipal buildings (except residential tenements) like schools, hospitals, maternity homes, dispensaries, gardens, industrial estate, buildings financed from Loan Works Budgets A and E (City Section) and those financed from Trust Funds (Donations) given by private parties.

During the year under report 29 works estimated to cost Rs. 1,55,87 492 were completed and 25 works estimated to cost Rs. 2,63,81,359 were in progress at the end of the year. Appendix B-1* shows the details of works and the total expenditure booked against each work during the year. Appendix B-2* shows the work for which contracts were given but were not started and Appendix B-3,* the works for which contracts were terminated or proposed to be terminated.

(B) HOUSING

(15) 2—*Executive Engineer (Housing).*—This officer is in charge of planning, estimating and executing of housing (tenements) financed from Loan Works Budgets "A" and "B" including housing under Slum Clearance Scheme.

The Municipal housing programme consists of construction of tenements for housing (1) Slum dwellers under Government subsidised Slum Clearance Scheme, (2) House collapse victims, (3) occupants of acquired properties and (4) Municipal staff. During the year under report major housing activities in the city and suburbs were limited to Slum Clearance projects to be completed during the 2nd Five Year Plan period including housing Schemes for Sweepers and major cheap type housing development schemes in Suburbs for housing persons of different income groups and house collapse victims.

* The Appendix is printed in the Departmental Copy.

During the year 300 tenements at Horse shoe valley Ghatkopar were constructed with the use of pre-fabricated steel tubular structures for housing house collapse victims. Similarly an experimental block of 8 tenements at Vikhroli had been constructed for the same reason as above to give a trial to its cheap mode of construction and its performance will be watched so as to find out if this mode of construction could be adopted on a large scale.

2260 tenements were completed and 3568 were in progress during the year under report respectively as per details shown in Appendix B-4 and B-5.

(C) CONSTRUCTION OF ROADS

(16) 3—*Executive Engineer (Roads).*—This post was created in the last year to implement the road works programme undertaken on a large scale during the year under report, of an estimated cost of Rs. 1,43,76,972 & Rs. 35,55,01 1. The concreting of junctions of important roads was also undertaken during the year under report at an estimated cost of Rs. 16,66,564. Appendix B-6* shows the road re-surfaced with concrete and 3" asphaltic concrete together with the junctions of important roads concreted during the year and Appendix B—7* shows such works still in progress at the end of the year. Expenditure incurred during the year on Re-surfacing roads in concrete amounted to Rs. 53,03,049 and that on resurfacing in Asphaltic concrete amounted to Rs. 30,51,895. The Executive Engineer (Roads) is also entrusted with other roads works financed from Loan Works Budgets "A" and "B". Appendix B-8* shows the new road works completed during the year.

D—Construction of drains, sewers and Purification Works.

(17) 4—*Executive Engineer (Planning).*—This officer was so far in charge of planning and estimating streets for roads, drains sewers and pumping stations etc. improvement of private street and general and establishment matters of the City Engineer's Department. He was also entrusted during the year under report, with the work of supervision of drainage, sewerage and pumping station works in City area. Appendix B-9* shows the works of drains and sewers completed, the works under progress, the works for which contracts were awarded but were not started and the works for which the contracts were terminated during the year under Budget "A" and Appendix B-10* shows the details about similar works under Budget "B". In addition to the above, the Executive Engineer (Planning) was also in charge of de-silting programme of main sewer works and the haulage of city refuse to Deonar, details regarding which are shown under IV-Maintenance of Drains and Sewers and IX—Conservancy.

Pumping Stations & Purification Works.

(18) (*a*) *Love Grove Purification Works.*—The work of the construction of a gas holder and gas control room included in the scheme is in progress and is nearing completion. Tenders for the H2S removal plant were kept pending as the question of utilization of slude gas from Love Grove was not finalised.

(*b*) *Improving the sewerage system and providing a Sewage Treatment Plant at Colaba.*—The work on the Sewage Treatment Plant was completed. The work on two sewers was nearing completion.

(*c*) *Dadar Purification Works.*—The contractors to whom the contract for the work of Digestion Tank, Gas Holder etc. was awarded had backed out and their earnest money was forfeited. Fresh tenders were therefore being reinvited.

(*d*) *Dharavi Purification Works.*—Work on the Digestion Tank, Gas Holder etc., was in progress. Works on the installation of higher capacity pumps, construction of a detritus tank, erection of coarse and fine screens and allied works were also in progress.

III.—MAINTENANCE OF BUILDINGS AND ROADS.

(19) The work entailed comprises of (*i*) repairs and maintenance work in respect of Municipal and *Ex*-Trust properties including acquired properties, (*ii*) roads, footpaths, renewal of road surface and surfacing of footpaths, restatement of trenches and other contingent works and (*iii*) works such as road washing, providing and maintaining street name boards, upkeep of public monuments, preventing or permitting occupation of roads and footpaths, temporarily regularising unauthorised occupation and similar other administrative works.

A.—Municipal and EX-Trust Properties.

(20) The total number of buildings and other properties in the City was 3,351 as against 3,351 in the previous years also. 85 properties were added during the year and 85 were demolished.

(21) The work of maintenance is classified under three major heads. (1) Normal repairs, (2) Special Repirs, and (3) New Works. Normal repairs include works of monsoon repairs such as fixing bamboo mats dammering, tile-turning, white-washing, colour-washing etc. The works that are likely to increase the life of the building or structure fall under the category of "Special Repairs". The works of additions and alterations to the buildings and structures and also those of providing additional amenities fall under the category of "New Works". Appendices C-1 and C-2* show the works carried out under "Special Repairs" and Appendices C3* and C/4* show the works under "New Works" respectively. Works mentioned in Appendices C/1* and C-3* were carried out departmentally while those mentioned in Appendices C-2 and C-4 were carried out by Petty Works Contractors.

(22) For the purpose of giving contract works, the City was divded into 3 Zones comprising of (1) A-1 to D-1 Divisions including Sanitary Institute at Princess Street, (2) D-2 to F-2 Divisions and (3) F-3 to G-4 Divisions including Leprosy Home Matunga and the Contractors were (1) M/s. Mohanlal & Co., (2) Shri Rupchand Kesarjee Madhani and (3) Shri S. V. Jivani for the period from 1st August 1961 to 31st Jluy 1962 respectively. The rates quoted by them were 11 per cent. above for 1st Zone 16 per cent. above for the second zone and 18 per cent. above for the 3rd zone. The contracts for the three zones will be continued from March 1962 to July 1962 with the same rates as mentioned above.

Repairs to school buildings under Budget 'E' were also carried out and the total expenditure incurred on this item amounted to Rs. 51,045.98 nP. The details as regards Budget provision, the expenditure booked under different heads in revenue Budget 'A' and 'B' are shown in Appendix C-5*.

370 Work Orders amounting to Rs. 9,92,839.95 were issued to the Petty Works Contractors for all the Divisions.

* The Appendix is printed in the Departmental Copy.

B.—Roads and Footpaths.

(23) The total length of the roads in the City at the close of the year was 282.088 miles. The classification of Roads and Footpaths showing the mileage and areas to be maintained and the expenditure incurred in maintaining different types of roads and footpaths is given in Appendix 'C'-6.*

(24) An amount of Rs. 14,64,720.38 was spent on repairs to pot-holes on carriageways during the year under report.

(25) 2,61,752 square yards of different types of road surfaces were improved departmentally during the year, as detailed below :—

Mode of Improvement.		Area in sq. yds.
(1) Sheet Asphalt	...	34,527
(2) Chipcoat on Asphalt Roads	...	1,30,557
(3) Semi-Grouting	...	77,366
(4) Surface dressing	...	19,302
(5) Asphalt Concrete	...	...

As usual Rs. 2,06,970 were paid to the Bombay Port Trust for cleaning and repairing Port Trust Wharves and Roads.

The work of constructing footpaths as approved by the Corporation was continued during the year and footpaths of 24 roads covering an area of 20,969 square yards were asphlalted at a cost of Rs. 56,815.02 as per details in Appendix C-7.*

C.—Miscellaneous works in connection with roads and footpaths.

(26) (*a*) *Road Waterings.*—Water-bound roads and katcha footpaths comprising of total area of 26,784 sq. yds., were watered at suitable intervalas during the dry season and expenditure incurred thereon amounted to Rs. 13,545.59.

(*b*) *Street Name Boards.*—Total expenditure incurred on repairing and maintaining the existing one amounted to Rs. 13,690.70.

(*c*) *Maintenance of Pubilc Monuments.*—All the statues were periodically cleaned and maintained at the total cost of Rs. 2,294.01.

(*d*) *Pedestrian guard railings.*—894.33 ft. of guard railing were maintained during the year.

(*e*) *Widening of roads consequent upon the acquisition of set backs.*—The cost of adding to roads the set back lands acquired in different parts of the City inclusive of cost of incidental works, such as shifting tram poles, electric cables, gas or electric lamps water entrances, etc., amounted to Rs. 85,194.34. The total area thus added to the roads was 3,420.12 sq. yds.

(*f*) *Benches.*—224 benches on roads and footpaths were maintained.

D.—Road Rollers.

(27) During the year there were 30 road rollers on the register, out of which none was petrol driven 30 diesel driven and 5 steam driven, *vide* Appendix C-8.*

E.—Permits.

(28) (*a*) *Opening of roads and footpaths.*—During the year 845 permits were issued for excavation in roads and footpaths. The cost of reinstatement of disturbed surface was charged to the respective permit holders. The trenches were repaired at a total cost of Rs. 2,80,632.74 which was borne by the parties concerned. The total amount of road openings fees recovered was Rs. 3,105.00.

(*b*) *Occupation of roads and footpaths.*—Action under Section 322(*b*) of the Bombay Municipal Corporation Act was taken to prevent the unauthorised occupation of roads and footpaths by dumping building materials 258 notices were issued, for contravening the provisions of the Act. Fees were recovered for the use of roads for stacking materials and putting up scoffoldings. The total amount collected under this head was Rs. 31,629.92 from 469 permits. In addition 354 permits were also issued for occupation of roads, for erecting mandaps, placing chairs, benches, etc., and the amount realised therefrom was Rs. 8,428.39. Permission for 496 bus and tram shelters on roads and footpaths as against 473 in the previous year was continued.

F.—Tramways.

(29) The total length of the double Tram Tracks in the City was 15.63 miles and that of single tram tracks was 1.27 miles, at the close of the year. These figures include 4.54 miles of single and double tram tracks from which tram services have been withdrawn but the rails were not removed from the roads.

Restoration of trenches.—During the year 3,87,315.67 R.ft. trenches were reinstated at a total cost of Rs. 15,94,876.35 as per details given in Appendix C-9.*

* The Appendix is printed in the Departmental Copy.

G.—Asphalt Plant and Crushers.

(30) The Municipal Hot Mix Asphalt Plant at Worli was in operation throughout the year except during monsoon from 2nd July 1961 to 22nd October 1961. The Pegson mixer was worked for turning out asphalt chip mixture and cold mix material required to fill in pot-holes in the City and Suburbs. The labour for running the asphlat plant was engaged by contract.

(31) The total area 2,67,135 sq. yds. (excluding of Pot Holes area of 20,854 sq. yds.) of roads and footpaths was repaired and renewed during the year as against 3,53,072 sq. yds. repaired and renewed during the previous year (Appendix C-10).*

Different roads admeasuring 6,500 sq. yds. were repaired with 3" sheet asphalt (*vide* Appendix C-11).*

Capital Roads admeasuring 1,30,557 sq. yds. were repaired by seal or chip coat (Appendix C—12).* In addition to this, seal coating was done on miscellaneous raods measuring about 1,320 sq. yds. (*vide* Appendix C-13).*

During the year under report, the road renewal work with 3" Asphalt admeasuring 341.27 sq. yds. was carried out departmtnetally (*vide* Appendix C-14).*

Footpaths covering an area of 20,969 sq. yds. wereasphlated with 1/2" to 3/4" seal coat (*vide* Appendix C-10).*

Hot Mix Asphalt Plant.

(32) Hot Mix Plant worked for 205 days and remained closed for 160 days on account of rainy season Sundays, Holidays and breakdowns of the Plant.

The rates adopted for booking theexpenditure for different modesofconstruction were the same as per previous year. The total expenditure for renewing the road surfaces, the cost of which was chargiable to different Budget Heads amounted to Rs. 3,70,140.84 as shown in Appendix C-14 mentioned above.

An area of 72,797 sq. yds. was repaired by providing 3/4" asphalt premix carpet on grouted roads at a cost of Rs. 1,80,576.80 (Appendix C-15).*

1,385 tests, as per the details shown in Appendix C-16* were carried out at the asphalt plant laboratory on different asphalt mixtures.

The total number of boxes and tonnage turned out by the main plant and the pegson plant were 58,984 boxes, *i.e.*, 15,799 tons and 9,868 boxes *i.e.*, 2,643 tons respectievly (*vide* Appendixes C-17 and C-18).*

Crushers at Worli and Sewri.

(33) There are four crushers and one granulator at Worli and four Crushers at Sewri. On an average 2 to 3 crushers at Worli and 2 Crushers at Sewri worked.

The total out put of crushers during the year was 8,750 brass as against 10,961 brass during the previous year. The work of cutting the rubble stones at both the crushers was carriedout by departmental labour. The rubble at Worli and Sewri Crushers was obtained through contract. In addition to this, setts excavated from the roads were received and crushed in large quantity at Worli and Sewri. The total out put at these crushers and the rates (including haulage charges) charged for the supply of metal of differett sizes are given in the Appendix C-19.* The value of the stock on hand at the end of the year was Rs. 9,723.40 at Worli Crushers (*vide* Appendix C-20)* and Rs. 25,076.52 at Sewai Crushers (*vide* Appendix C-21).*

H.—Public Street Lighting.

(34) The total number of lamps (gas and electric) at the end of the year was 13,377 as against the previous year's 13,079. The details of the different types of lamps are shown below:—

(a) Gas Lamps with C. P. varying from 70 to 600.

Hexagonal.	Bombay.	Littleton.	Rochester.	Suggs.	Traffic Directional.	Total.
553	13	6888	132	139	107	7832

(b) Electric Lamps with C. P. varying from 25 to 1335.

Tungsten Filament Lamps	Mercury Vapour Lamps.	Flourescent Lamps.	Total.
2637	2851	57	5545

Grand total of Gas and Electric Lamps=13,377.

Besides these lamps 15 Policeman's spot lights and 12 lamps at Railway foot-overbridges at Chowpatty, Byculla and Dadar were maintained by the Department.

* The Appendix is printed in the Departmental Copy.

(35) The following statement shows the total Candle power of the lamps, energy consumed and the expenditure incurred on account of maintenance, etc., during the year:—

Kind of Lighting.	Candle Power.	total consumption during the year.	Expenditure for lighting.
			Rs. nP.
Gas ...	16,97,180	19,66,45,680 C. ft.	13,34,980 24
Electric ...	17,97,109	38,40,645 K. Watts.	11,58,218 16

An additional expenditure of Rs. 1,53,634.45 was incurred on the following Item :—

	Rs. nP.
(1) Erection of new lamps ...	2,977 91
(2) Repairs and Maintenance ...	89,240 09
(3) Works of improvement in street lighting ...	61,416 45
Total Rs. ...	1,53,634 45

The usual Rs. 30,118.00 were paid to the Bombay Port Trust on account of lighting charges and roads in their charge by adjustment against the amount due from them in respect of General tax for the year under report.

(36) The work of lighting and maintaining the street lamps was done through Messrs. The Bombay Gas Co. Ltd., for gas lights and the Bombay Electric Supply & Transport Undertaking for electric lights The statues of the late Sir Pherozshah Mehta at Bori Bunder and the late Vithalbhai Patel and Lolkmanya Tilak at Chowpatty were floodlit with electric lights throughout the year.

The lighting of 17 roads was improved with H.M.V. Lamps under the "All-in-Hire" Scheme (*vide* Appendix C-22)* and of 17 roads by electric and gas lamps (*vide* Appendix C-23*). New lighting arrangewas provided on 14 roads during the year (*vide* Appendix C-24).*

I.—TRAFFIC.

(37) New Traffic Channelising and Refuge Islands have been constructed during the year under report at the following intersections :—

(1) Cadell Road junction New Prabhadevi Road.
(2) Victoria Road junction Mesant Road.
(3) Walkeshwar Road junction Ridge Road (Teen Batti).
(4) King Edward Road junction Parel Government Gate Road.
(5) Napean Sea Road junction Narayan Dabholkar Road.
(6) Refuge Island along Mahatma Gandhi Road between Oriental Building ed Central Telegraph Office.
(7) Girgaum Road junction Charni Road.
(8) Charni Road junction Vithalbhai Patel Road.
(9) Lady Jehangir Road junction Sir Balchandra Road.
(10) Sardar Vallabbhai Patel Road junction Hughes Road.
(11) Babulnath Road junction Chowpaty Road.

(38) Remodelling of the following Rotaries was undertaken :—

(1) Khodadad Circle.
(2) Kotwal Garden (junction of Tilak Road and N. C. Kelkar Road).
(3) Tardeo Circle (junction of Tardeo Road, Bellasis Road and Falkland Road).
(4) Dhobi Talao.
(5) Shivaji Park Junction (Intersection of Gokhale Road (North), N. C. Kelkar Road, Lady Jamshedji Road and Keluskar Road, etc.).

(39) As usual pedestrian crossing lines, centre lines, and lanes of road and parking stalls were demarcated in some of the main throughfares in front of schools, etc. Permanent Centre Divider along Dr. Annie Besant Road was completed. It is proposed to provide permanent Centre Divider along Mahatma Gandhi Road between Flora Fountain and Dhobi Talao.

Traffic Signals.

(40) (*a*) Traffic signals have been put into commission at the following intersections:—

(1) Parel Chawl Road.
(2) Suparibaug Road junction Currey Road.
(3) Ibrahim Rahimtulla Road junction Babulla Tank Road (J. J. Hospital).
(4) Ibrahim Rahimtulla Road junction Sardar Vallabhbhai Patel Road (Bhendi Bazar).
(5) Hughes Road junction Harvey Road.

(*b*) Since the installation of Traffic Signals at Kemp's Corner, some modifications to the phases were considered necessary to eliminate certain conflicting movements with special pedestrian phase. This was being carried out.

*The Appendix is printed in the Departmental Copy.

(c) Traffic studies in respect of the following intersections have been completed and quotations for the supply and installation of Traffic signals thereat were invited :—

(1) Falkland Road junction Lamington Road.
(2) Lamington Road junction Grant Road.
(3) Girgaum Road junction Princess Street.
(4) Princess Street junction Kalbadevi Road.

(d) Pedestrian Signals:—

(1) Tilak Bridge East Approach Pedestrian Crossing: Proposal finalised. Quotaions were received.
(2) Parel Chawl Road at Chinchpokli Municipal School—Traffic counts taken.
(3) Cadell Road—New Prabhadevi Road was being finalised.

Bridges.

(41) Princess Street overbridge for vehicular traffic :—

Proposal sanctioned but was held over to fit in with the proposed development of Western Railway Tracks.

Footbridges across Queen's Road connecting Charni Road and Marine Line Railway Stations were to be constructed through private agency, but this work also was held over to fit in with proposed development of Western Railway Tracks.

Parkings.

(42) Parking studies to consider the parking demand and requirements and to provide off-street parking facilities were undertaken in the following areas :—

(1) Kalbadevi Road.
(2) Fort area (Bori Bunder to Pherozeshah Mehta Road).

As truck traffic in Dongri area was assuming an alarming magnitude studies were undertaken to establish a Truck Terminal.

City-wise and Suburb-wise traffic census study was made with the help of surplus Municipal staff to establish traffic movements.

Security Measures.

(43) The work of construction of compound walls to enclose the Municipal installations at the following places had been completed :—

(1) Sion Pumping Station.
(2) Wadala Pumping Station.

J.—Improvement of Private Streets.

(44) The private street section is in charge of Assistant Engineer (Design and Private Streets) under Executive Engineer (Planning). The work consists of improving private streets by providing sewerage, storm water drains, lighting and constructing them in concrete in accordance with the procedure laid down under Section 305 of the Bombay Municipal Corporation Act and then declaring the same as public streets. Government passages are also taken over and similarly improved.

(45) Actions for improvement of private streets at eight localities in the city were in progress during the year, of which seven continued from previous year and one action was newly started in the year under report. Details are given in Appendix C-25*.

No Government passages were taken over for improvement and maintenance, during the year.

(46) Improvement of passages in private holdings.—During the year under report some of the plot-owners of the Rungta House property at Napean Sea Road had agreed to the improvement of the passage within the property at their cost. However as all frontagers were not agreeable further steps could not be taken. In the meantime Shri Rungta the owner of the passage deposited with the Municipality Rs. 1,03,164 the estimated cost of improvement. The work would now be taken in hand in the ensueing year.

Two more passages in private holdings, *viz.*, (1) the passage near Marble Fountain, between Premises Nos. 55-57, Bhulabhai Desai Road, C.S. Nos. 761 and 767 Malbar Hill Division and (2) the passage off Sleater Road near Ganesh Prasad were taken over as public streets under the provisions of Section 291(*b*) of the Bombay Municipal Corporation Act as per Corporation Resolution No. 153 dated the 12th May 1959 and Corporation Resolution No. 1706 dated the 15th February 1960.

(47) Recoveries in respect of the costs of improving the private streets, including deposits, interests etc. from the frontagers of the streets for works carried out in the past and proposed to be carried out amounted to Rs. 1,15,348.43 nP. during the year as against Rs. 72,359.15 nP. in the previous year. The amount includes Rs. 1,03,164 paid as deposit by the owner of the passage in the Rungta House holding off Napean Sea Road.

No occasion arose to take any action under Section 494 of the Bombay Municipal Corporation Act for declaring the expenses incurred by the Corporation as improvement expenses.

(48) Out of 63 Municipal references under Section 503 of the Bombay Municipal Corporation Act pending in the Small Causes Court at the end of previous year, 46 References were disposed of during the year under report as per details shown in Appendix C-26* and 17 references were still outstanding. There was no new reference filed in Court during the year.

Appeals by parties in two cases pending before the Full Bench of the Small Causes Court in the previous year were decided in favour of the Corporation during the year under report.

---

* The Appendix is printed in the Departmental Copy.

(49) Action for improvement of the private street off Tokersey Jivraj Road was kept in abeyance pending laying of Municipal Sewer in Jakeria Bunder Road to which the sewerage of the private street is to be connected.

(50) Intimations regarding two streets having become public streets was given to Public Utility concerns (Appendix C-27).*

IV.—MAINTENANCE OF DRAINS AND SEWERS.

(51) The work consists of (1) Cleansing and maintenance of all underground sewers and storm water drains and open channels (2) making street connections of the drainage systems of properties to sewers and water drains.

(52) (1) Cleansing and Maintenance :—

(*a*) *Cleansing of Sewers and Drains.*—Appendix D-1 gives the details of the sewers and storm water drains cleansed and the quantity of silt removed therefrom.

(*b*) *Water courses, catchpits, water entrances and street connections.*—Appendix D-2* shows the details of cleansing and silt removal done during the year.

(*c*) *Biological Installation at Banganga.*—The instolation was maintained and necessary repairs were carried out at a cost of Rs. 438.17.

(*d*) *Vent shafts and sluices.*—2,771 vent shafts on pipe sewers were maintained and kept in working order. 31 sluices on sewers and storm water drains were maintained and operated.

(*e*) *Open Storm Water Channels.*—Appendix D-3* gives the details of cleansing and maintenance of open channels.

(53) *Common House drains in Private properties.*—The work of systematic cleansing of common house drains and pipe sewers in private properties during the year is given in the table below;—

		Length cleaned in miles.	Silt removed in tons.
(1) House drains	...	1164.09	5981.71
(2) Pipe sewers	...	49.34	1802.67

Appendix D-4* gives the details of the house drains in common house gullies cleaned under a systematic programme during the year.

The mobile gangs with flexible rod equipment removed in all 491 chokes in pipe sewers.

(54) *Repairs to manhole and gratings of water entrances etc.*—The table below shows the details of this work during the year :—

		Total No.	Total Cost.
			Rs.
(1) Repairs to maholes	...	28	4,819.68
(2) Replacement of gratings	...	1291	32,593.11
(3) Removal of Ventshafts	...	*Nil.*	*Nil.*

(55) *Street Connections.*—During the year under report 106 street connections of buildings were made to sewers and 18 to storm water drains.

(56) *Floo Abatement.*—The special staff appointed during the monsoon to attend to flood abatement operations in low lying areas in the whole city worked during day and night at the following hours :—

Day time	...	7-30 A.M. to 11-30 A.M. 1-30 P.M. to 5-30 P.M.
Night	...	3-30 P.M. to 11-30 P.M. 11-30 P.M. to 7-30 A.M.

(57) *Requisitions in respect of house drains.*—3,715 requisitions under various Sections of the Act were issued against house owners during the year under report for rectifying drainage defects. Appendix D-5* gives the number of requisitions complied with and the number outstanding at the end of the year. Appendix D-6* gives the details of prosecutions launched for non-compliance with the requisitions.

(58) *Subvention Scheme.*—No privies on basket system were converted into water closets under the Scheme during the year.

* The Appendix is printed in the Departmental Copy.

(59) *Desilting of Sewers.*—The programme of systematic desilting of main sewers was continued during the year under report from 1st April 1961 to 15th June 1961 and again from 23rd October 1961 to 31st March 1962. A total length of 92,874 feet of main sewers cleaned by dragging scrappers through them and 3,89,380 C.ft. of silt was removed therefrom. 28 separate gangs were working for the above stated cleaning work,each gang consisting of a mukadam and 16 labourers.

Besides the systematic cleaning programme of main sewers, a number of pipe sewers were also cleaned for which 12 gangs were employed. The total length of pipe sewers thus cleaned was 75,595 R.ft. and the total silt removed was 29,200 C.ft.

The details of main sewers and pipe sewers cleaned are shown in Appendices D-7* and D-8* respectively.

Besides the cleansing of sewers following catchpits were cleaned :—

(1) At Vithalbhai Patel Road.
(2) At 1st Marine Street junction Queen's Road.
(3) At Dr. Cawasji Hormusji Street junction Queen's Road.
(4) At Queen's Road junction Princess Street.
(5) At Nana Shankar Wadi.
(6) At Thakurdwar Road

(60) *General Comments.*—90 inches of rain fall was recorded at Babula Tank Office. The total amount of water required for Drainage and Sewerage Works and Public Sanitary Conveniences during the year was 2,75,130 gallons of which 1,14,130 gallons were required for drainage works and 1,61,000 gallons for Sewerage Works.

V.—PRIVATE BUILDING CONSTRUCTION.

(61) *Building Proposals.*—1,743 building proposals were received during the year as against 1,387 in the previous year. Out of 1,743 proposals 732 were under section 337 of the Bombay Municipal Corporation Act for erection of new buildings and 1,011 were under Section 342 of the Act for additions and alterations to existing buildings. The corresponding figures of the proposals under Section 337 and 342 of the Act for the previous year were 575 and 812 respectively. During the year no proposal for building construction was received from Government.

Appendix E-1 shows the comparative quinquennial figures of proposals received for the years 1957-58 to 1961-62.

(62) *Building construction.*—In respect of the building works under progress 678 Building Completion Certificates were received for the completed works during the year as against 597 in the previous year and they were disposed of after inspection of the works.

(63) *New Buildings.*—The total number of new buildings constructed by private enterprise during the year was 543 as against 208 during the previous year. Out of these 334 were residential and 209 non-residential. The total number of residential buildings constructed by Co-operative Housing Societies was 71 and those by the employers for their employees was 273.

(64) *Building Collapses.*—131 buildings or proptions thereof collapsed during the year as against 115 during the previous year. 54 persons were injured and 8 persons were killed as a result of these collapses. The estimated damage of properties was Rs. 2,11,080. Appendix E-2* gives the quinquennial figures of house collapses.

(65) *Actions under relevant sections of Municipal Act.*—12,666 notices were issued during the year under different Sections of the Bombay Municipal Corporation Act and 5,236 notices were pending compliance from the previous year. Out of these notices, 10,086 notices were complied with during the year and 7,816 were still pending compliance at the close of the year. Appendix E-3* gives the details of the notices. Appendix E-4* gives the details of the prosecutions instituted against house owners for non-compliance of notices and other offences committed under the different Sections of the Act.

(66) *Repairs of removal of unsafe buildings.*—During the year 4,462 notices under Section 354 of the Act were issued against house owners out of which 1,941 were complied with and 2,521 were pending at the close of the year. Prosecutions were launched under this Section of the Act. The details are emobied in the Appendices E-3 and E-4 referred to above.

During he year 255 unsafe buildings or portions were remoed departmentally under Section 489 of the Bombay Municipal Corporation Act as against 77 removed in the previous year. The table below gives the comparative figures for the two years:

		1960-61	1961-62
(*i*) No. of Departmental actions	...	77	275
(*ii*) Expenditure incurred	... Rs.	30,024.14	98,030.68
(*iii*) Irrecoverable expenditure	... Rs.	5,558.00	4,894.35

Authorities to carry out repairs were granted to tenants under Section 499 of the Act in respect of 135 buildings as against 100 during the previous year and 595 tenants as against 569 during the previous year took advanatage of the same.

(67) *Removal of unauthorised works.*—Sanction of the Standing Committee under Section 351(2) of the Act for removal of unauthorised works was obtained in 324 cases as against 493 during the previous year

* The Appendix is printed in the Departental Copy.

(68) *Complaints from the Public.*—13,740 complaints were received from the public during the year as against 6,668 during the previous year. Out of these, 12,881 complaints were looked into and disposed of at the close of the year.

(69) *Acquisition of setbacks.*—Rs. 5,81,796.17 were spent on the acquisit on setbacks as against Rs. 1,13,963.13 during the previous year. 3420.12 sq. yds. of land were added to road in the year. Appendix E-5* gives the details for the period of 5 years from 1957-58 to 1961-62.

(70) *Regular Lines of Streets and layout of New Roads.*—Regular lines were newly prescribed under Section 297(1)(*a*) of the Act on 3 roads and Regular line on 1 road was revised under Section 297(1)(*b*) of the Act. Appendix E-6* gives the list of these roads. No new road line under Section 291 (1) of the Act was sanctioned during the year.

Technical Unit.

(71) During the year the Technical Officer continued to scrutinise the structural designs (both R.C.C. and Steel) received in respect of the erection of new buildings and for the additions and alterations to the existing buildings in the City limits. He also inspected the work of these buildings periodically. He also inspected other buildings in Bombay referred to him by other Departments and offered his remarks as regards their structural stability or soundness.

House Numbering.

(72) The work of assigning number plates to the newly constructed properties and also surveying the properties where the plates were found missing or defaced in B Division was completed during the year. About 1,000 properties were found where plates were required to be fixed. The work of assigning numbers to the newly constructed properties as well as properties where plates were missing in C Division was also taken in hand in the year under report. Plan showing the newly proposed missing and those existing number plates of the properties in A/I and A/II Divisions was still under preparation during the year.

The work of issuing notices on the owners of the properties in G Ward was going on and about 1,200 notices have been served on the owners. The work of fixing the number plates to the properties in this Ward was taken in hand since January 1962 and 650 plates had been fixed by end of the year and further work was in progress.

The list of the Public Roads (Zone-wise) in alphabetical order was completed.

VI.—MECHANICL BRANCH.

(73) This Branch looks after:—

(1) The Municipal Workshops and Foundry at Foras Road.
(2) The work in connection with new electrical installations and repairs to the existing ones in the City.
(3) Manufacture of furniture and other wooden articles.
(4) Manufacture of Ferrous and Non-Ferrous castings.
(5) Purchase of Plant, Machinery and equipments other than those dealt with by the Controller of Stores.
(6) Drawing specifications for plants machinery furniture etc., required by different departments
(7) Maintenance and repairs of:—
  (*a*) Lifts and electric installations in Municipal Buildings.
  (*b*) The Refrigerator at the Arthur Crawford Market.
  (*c*) Road Rollers.
  (*d*) Mechanical and electrical installations and machinery.
(8) The Pumping Stations, the Compressor Stations, Purification Works and flood gates.

(74) *Municipal Workshops.*—5863 jobs were completed during the year including those which were partly finished at the end of the previous year. The total number of new jobs received during the year was 6118. The total expenditure on departmental and private works amounted to Rs. 6,36,271.31 as against Rs. 7,39,624.00 in the previous year. The expenditure on the upkeep and overhead charges amounted to Rs. 1,19,949.46 which worked out to 18.85 per cent. incurred on labour and stores as against 22.99 per cent. for the previous year.

(75) *Municipal Foundry.*—The rates of different types of castings were sanctioned by the Municipal Commissioner for the year 1961-62 depending upon the cost of materials and labour cost, as the Foundry is working on suspense account basis. Many intricate and special types of castings for the use of Pumping and Purification Plants, Asphalt Department etc., were manufactured in the foundry during this year. Most of the castings required by various departments including cast iron manholes, were also manufactured in the Foundry. The quality and soundness of products were also quite upto the mark. The rates compared very favourably with those in local Market. Details of the total out-put during the year together with the sanctioned rates are given in Appendix No. F-1.*

(76) *Refrigeration Plant at Arhur Carwfrod Market.*—The report of the quantity of goods dealt with and the amount received by way of fees at the Cold Storage will be seen in the Chapter relating to Markets and Slaughter House.

(77) *Design Zection.*—The section carried out the work of preparing estimates for the Mechanical Branch, preparing drawings and specifications for machinery, furniture and other mechnical equipment for various departments. In addition, it executed all the out-door Mechanical jobs. In connection with the Municipal General Elections that was held on 26te March 1961 the Mechanical Branch exercised general supervision over the construction of all the Mandaps in the City, Suburbs and Extended Suburbs. The Design Section submitted 480 estimates amounting to Rs. 11,67,600. 764 jobs were caraiedout at a total cost of Rs. 2,17,990. 130 drawings were prepared and 16 tenders, including sealed quotations were invited.

* Appendix is printed in the Departmental Copy.

(78) *Electrical Section.*—This Section continued to look after all the Municipal electrical installations in the City except those under H. E. and *Ex*-Trust Chawls. The following works were carried out by the Branch during the yer under report.

(*a*) The illumination of Municipal Head Office, Victoria Gardens and Main Suburban Office at Bandra, through contractors on Republic Day.

The illumination of the Municipal Head Office Old Building was ranked third by the Citizens Republic Day Illumination Committee and was ranked second best by the Electrical Contractors' Association.

(*b*) The electric installations including water pump sets, lifts, air conditioners and water coolers of both the Head Offices, were maintained.

(*c*) The Plant and Electric Crematorium at Chandanwadi was maintained. The lighting, wiring and wiring of furnace doors was renewe .

(*d*) *M. G. O. Swimming Pool.*—The complete filtration plant and Swimming pool lights, etc., were maintained. The pool was closed for annual repairs during the period 31-6-1961 to 7-7-1961.

Tender Section.—This section has executed works amounting to Rs. 6,69,060 and also prepared 38 estimates for the electrification of Municipal structures amounting to Rs. 6,59,855.

Planning Section.—This section prepared 99 estimates amounting to Rs. 18,48,100.

Housing Section.—The work of electrification executed by the Housing Section both of City and Suburbs amounted to Rs. 3,05,400. The Section also prepared 56 estimates amounting to Rs. 8,62,081.

Departmental jobs.—745 departmental jobs amounting to Rs. 2,26,568 were attended to, and 157 estimates were prepared amounting to Rs. 3,07,293.

SEWAGE PURIFICATION PLANTS.

(79) *Love Grove Pumping Station.*—(1) The two new stork pumps together with the two old horizontal pumps in the new pump house and the two vertical pumps in the old pump house worked satisfactorily during the year and facilitated the completion of the main sewer cleaning programme which was underataken during this year also on a large scale.

(*ii*) *Sewage.*—During the year, the entire pumping station pumped 43,777 M.G. Sewage, out of which pumping station No. 1 pumped out 10,145 M.G. Sewage and pumping Station No. 2 pumped out 33,632 M.G. Sewage.

(*iii*) *Screenings.*—13,400 C.ft. screenings were removed by screens located at the upstream sides of these pumping stations, out of which 7,280 C.ft. screenings were removed at pumping station No. 1 and 6,120 C.ft. screenings were removed at pumping Station No. 2.

(*iv*) *Silt.*—83,340 C.ft. silt was removed from low level grit chamber on the upstream of pumping Station No. 1. Silt and screenings removed were disposed of by dumping them in low lying areas.

(80) *Love Grove Sewage Purification Works.*—(*i*) Out of 33,631 M.G. Sewage pumped out from pumping stations No. 2,3,859 M.G. Sewage received primary treatment.

(*ii*) The two Detritors removed 1,05,570 C.ft. silt, which was used for filling low lying areas.

(*iii*) *Primary Settlement Tanks.*—During the year, both the primary settlement Tanks worked satisfactorily. The machinery of primary settlement Tank No. 1 was completely overhauled during the year.

(*iv*) *Digestion Tanks.*—During the year, the R.C.C. domes of Digestion Tanks Nos. 1 and 2 were gunnited and rendered gas tight. All the four digestion Tanks worked satisfactorily and converted 20.66 M.G. Raw Sewage sludge into an innoccuous mass, which could be dried on open sludge drying beds without creating any smell and fly nuisance. The thick digested sludge dried on the sludge drying beds yielded 277.8 brass manure. The revenue relised by sale amounted to Rs. 3,865. The sludge gas generated contained 300-400 grains per C.ft. H_2S. The entire sludge gas was burnt in waste gas burners.

(81) *Dadar Purification Plant.*—The total amount of sewage received for treatment at the plant during the year was 6,189.31 M.G. *i.e.*, an aveage of 16.95 million gallons per day. Out of the 16.95 M.G. sewaae flow per day received for treatment, 1.5 M.G. sewage per day received complete treatment and the remaining 15.45 M.G. sewage per day received only primary treatment. Steps are being taken to increase the capacity of the plant to 19 M.G.D. which is at present 14 M.G. per day sewage flow.

(82) *Sewage Pumping Station, Dadar.*—During the current year this pumping station pumped 2,847.67 M.G. as against 2,772.65 M.G. during previous year. Appendix F-2* gives the working of entire Purification Plant in tabulated form.

Enclosed Draft Filter No. 1.—The filter having 1.5 M.G.D. capacity worked satisfactorily during the year and turned out effluent practically conforming to the standards laid down by the Royal Commission.

(83) *Repairs to Primary Settlement Tank.*—(1) During the current yer, one 110'-0 dia meter, Primary Settlement Tank had to be emptied for the removal of the choke in the sludge line. Simultaneously, the entire steel structure was cleaned and paintaed. The work was carried out from 22-11-1961 to 8-2-1962.

(2) 80'-0" diameter continuous flow settlement tank had been emptied on 7-2-1962 for repairs to corroded steel parts and for replacement of electrical pick-up gear and rails. The tank will be put into commission by the end of October 1962.

* Appendix is printed in the Departmental Copy.

(84) *Sludge Digestion Tanks : 2 Nos.*—The two digestion tanks each of 1,60,000 C.ft. capacity, functioned satisfactorily during the current year. The tanks digested, each day 100,000 gallons of thick raw sludge and converted it into an innoccuous mass which could then be dried on open sludge drying beds without causing any smell and fly nuisance. The digestion tanks produced sludge gas and digested sludge mannure as by-product.

(85) (*a*) (*i*) *Sludge Gas Generation.*—The two digestion tanks generated 62,170,600 Cu. ft. sludge gas. The daily average gas generation was 1,70,300 Cu. ft. as against average of 1,64,467 Cu. ft. gas generated during 1950-61. The sludge gas generated per million gallons of sewage treated amounted to 10,050 C.ft. The highest and the lowest gas generation per day during the yer was 2,19,500 C.ft. and 64,400 C.ft. respectively as against 2,20,100 C.ft. and 66,200 C.ft. recorded during 1960-61.

(*ii*) *Sludge Gas Utilisation.*—Appendix F-3* gives the statement of gas generation and utilisation as gaseous fuel for domestic and industrial purposes. The revenue realised by sale of gas during the current year amounted to Rs. 2,05,638 as against Rs. 1,93,868 realised during 1960-61, showing an increase of Rs. 11,770.

(*b*) *Digested Sludge Manure.*—During the current year, the total revenue realised by the sale of digested sludge manure amounted to Rs. 6,907.

(86) *Laboratory.*—The problem of removal of H2S from sludge gas or prevention of evolution of H2S during digestion process still remains unresolved. During the current year, laboratory experiments were carried out for washing out H2S from gas by settled sewage. It was possible to remove 80 per cent. H2S from gas by this process. A pilot plant was being erected at Dharavi Plant for further study.

Suppression of evolution of H2S during digestion is also being studied in the laboratory utilising imported as well as indigeneous chemicals. The preliminary work carried out was encouraging.

During the current year, the laboratory also analysed various samples from Dadar, Dharavi and L. G. Plant.

During the year, samples were collected and examined from sewers in the central and southern portions of the City to investigate infiltration of sea water into the sewers. Further study is required to pin down the infiltration points.

Appendix F-4* gives summarised general data for the last five years working of the plant.

(87) **Dharavi Purification Plant :**

(*a*) *Screening Unit.*—This unit worked quite satisfactorily without any major repairs thorughout the year.

(*b*) *Sewage Pumps.*—During the year under consideration all the three 5 M.G.D. pumps worked satisfactorily.

(*c*) *Detritus Tank and Elevator.*—The compressor of the Unit was overhauled during the year when some parts were replaced.

(*d*) *Primary Settlement Tank.*—This unit has given good service throughout the year without any breakdown after completion of the railing work and replacing the air lift pjumps.

(*e*) *Filters and Recirculating Pump House.*—Both the filters were overhauled during the year.

(*f*) *Final Settlement Tank.*—The tank worked well. Since the 1st week of February the overhauling work of the tank was taken up.

(*g*) *Gas Supply.*—The Gas Supply from Dharavi Purification Plant throughout the year in general was satisfactory except from May 1961 to August 1961 when the same was required to be cut off due to high percentage of H2S in Gas. The total revenue realied by the sale of gas including meter rent during the year 1961-62 was Rs. 37,839.75 The manure sold this year was 238.50 brass and the revenue was Rs. 4,650.75.

(88) *Pumping Stations.*—The sewage from the City was lifted through 12 pumping stations as given below :—

(1) Dadar, (2) Dharavi, (3) Globe Mill Passage, (4) Matunga, (5) Mahim, (6) Jacob Circle, (7) Tulsi Pipe Line Road, (8) Sion, (9) Wadala, (10) Tank Bunder, (11) Warden Road, and (12) Zakaria Bunder. Out of these 1 to 7 are major ones while the last five are minor ones. The pumping station at Zakaria Bunder was put into commission during the course of this year. Statements showing the working hours of each pump, the total of the sewage pumped and the electrical energy consumed are given in Appendix F-5.*

(89) *Compressor Stations.*—All the four compressor stations given below were in operation throughout the year:—

(1) Victoria Gardens, (2) Carrol Road, (3) Warden Road and (4) Colaba.

(90) *Ejectors.*—The following 9 ejectors functioned in the Northern part of Bombay (1) Warden Road, (2) Nepean Sea Road, (3) Setalwad Road, (4) Harvey Road, (5) Carrol Road, (6) Wylie Road, (7) Chihchpokli, (8) Church Street, and (9) Princess Dock. Out of these the first four were supplied with compressed air from Warden Road Compressor Station, the fifth from the Carrol Road Compressor Station and 6 to 9 from the Victoria Garden Compressor Station.

In the southern part of the City there are 8 ejectors. Compressed air to these ejectors is supplied from the Colaba Air Compressor Station.

(91) *General.*—(*a*) The following new works were in progress at Dharavi Purification Plant during the year:—

(*i*) Construction of New Digestion Tank and Gas Holder, etc.

(*ii*) Construction of Detritus Unit, Screens and installation of 3 Nos. of additional 10 M.G.D. pumps.

(*iii*) Roads in the compound.

(*b*) *Flood Gates at Love Grove Pumping Station and Cleaveland Bunder.*—The renewal of the Coffer dam in the third bay of the open drain channel at Love Grove Pumping Station was completed by the end of May 1961.

---

* The Appendix is printed in the Departmental Copy.

VII.—TRANSPORT BRANCH.

(92) This Branch is in charge of Executive Engineer (Transport) and is responsible for supplying Municipal vehicles to various departments and for their repairs, maintenance and upkeep except those vehicles under the control of the C. F. B., the H. E. and the Executive Engineer (V. C. T. and M. P.), who have their own arrangements for repairs and maintenance of the vehicles under their charge. Battery recharging and servicing of all the vehicles under the charge of this Branch is carried at the 2 main Workshops at Foras Road for the City and Santacruz for the Suburban and Extended Suburbs.

(93) This Branch supplied vehicles to various departments for rendering the following services expeditiously:—

(*i*) To the Head Supervisor for collection and disposal of town refuse and cesspool water. The refuse transport service is augmented by the hire of trucks from the M. S. R. T. Corporation with whom there is a yearly contract.

(*ii*) To the Superintendent of Markets for transporting meat to the City Markets from Bandra Slaughter House and also for removal of offal from the Bandra Slaughter House and City Markets.

(*iii*) To the Assessor and Collector for collection of cash and removal of destrained vehicles to Municipal godowns.

(*iv*) To Licence Department for removal of encroachment on roads an footpaths and also for removal of unauthorised projections and weather frames.

(*v*) To Asphalt Plant for transporting asphalts and road materials for repairs and maintenance of roads in Greater Bombay.

(*vi*) To E. E. Zones (North, Central and South) for ward work and also for removal of silt.

(*vii*) Supplies ambulances free of charge for taking patients suffering from infectious diseases to Arthur Road Hospital and Hearses to the general public on hire at sanctioned rates and to the poor free for taking dead bodies to their homes or cemeteries.

(*viii*) To the Chief Accountant for the collection of cash and for disbursement of pay.

(*ix*) To the Municipal Secretary for deliveries of Agenda, Proceedings, etc.

(*x*) To the Mayor, M. C., E. O. and the Chairman of the Statutory Committees for inspection.

(*xi*) To the various Commitees for inspection purposes.

City Fleet.

(94) There were 572 vehicles including one Bulldozer and 3 skid Shovels during the year under report (Appendix G-1)* as against 577 vehicles including the Buldozer and Skid Shovels of last year. The following 41 vehicles were scrapped and sold during the year:—

(1) Scammell Mechanical Horses	...	6 Nos.
(2) Fergusson Tractors	...	5 ,,
(3) Old Leylands (Tr. Drg. Refuse)	...	8 ,,
(4) Leyland, Meat Van	...	1 ,,
(5) G. M. C. Refuse	...	4 ,,
(6) Transport trucks	...	2 ,,
(7) Old Moto-cart Trailer	...	15 ,,
		41 Nos.

This disposal of the vehicles however did not reduce the total strength of the vehicles to that extent as 30 Fergusson Tractors and Trailers which were hitherto registered as one unit have been separated for regitration as per R.T.O.'s directions and 4 vehicles were transferred to City from the Suburbs and 2 new vehicles for were added to the fleet by way of replacement.

During the year 7 new vehicles were purchased as per details given in Appendix G-2* and a proposal purchase of 20 refuse vehicles, two ambulances, 2 Hearses, 2 Meat Vans was finalised.

Suburban and Extended Surbuban Fleet.

(95) The Suburbs and Extended Suburbs fleet consisted of 317 vehicles directly under the supervision of Assistant Engineer Transport (Suburbs), a detailed report for which appears in the separate Administration Report for Suburbs and Extended Suburbs.

Garaging Arrangements of the Vehicles in the City.

(96) There are 7 Garaging places in the City as follows:—

(1) Annesley Road Garage, D/Ward	
(2) E/East Stable, Agripada Garage	Refuse vehicles Garages.
(3) A/Ward Stables, Palton Road Garage	
(4) G/North Mahim Garage, Sorab Mill Lane	... Refuse vehicles Garage and Cesspools.
(5) Ambulance Garage, Arthur Road	... Ambulance, Hearses, Station Wagons, Staff cars, Delivery vans, etc.
(6) Municipal Workshop, Foras Road	... Meat Vans, Offals, Workshop trucks, etc.
(7) Worli Garage, Worli	... Transport vehicles.

Appendix G-3* gives the list of vehicles under the control of other departments.

* Appendix is printed in the Departmental Copy.

Transport Garage, Worli.

(97) There were 36 vehicles at this Garage which worked for hauling road materials from Asphalt Plant and Crushers to various places in Greater Bombay. These vehicles were also used for carrying debris and earth and other miscellaneous articles for other departments. During monsoon these lorries were diverted to H. S. for refuse removal work. The total mileages done during the year by the Transport vehicles was 1,88,000 miles, the bills for which were charged to the respective departments at the sanctioned rates.

Appendix G-4* shows the haulage rates in force.

(98) In order to have better control on the utilisation of the vehicles, M. C. passed orders to bring all the vehicles under different services under one unit for the sake of repairs and maintenance and charge them to the department using the vehicles on a fixed daily rate basis. Accordingly, steps were taken to enlarge the Suspense Account—Mechanical Transport and funds were provided for the repairs and maintenance of all the vehicles and the proposal for fixing the daily rates was put up for M. C.'s sanction.

VIII.—FACTORY SECTION.

(99) Permits for the establishment of factories within the old city limits are prepared by this Section under Section 390 of the Bombay Municipal Corporation Act. During the year under report 545 new permits were prepared, 547 temporary permits were renewed and issued through the Licence Department. 393 prosecutions were launched against the owners of the factories for running the same without permits under Section 390 and the amount of Rs. 8,184.00 had been recovered as fine.

(100) In all 239 complaints were received from the Public against nuisance from factories. They were investigated and necessary actions taken under intimations to the complainants. This Section also advised the Divisional Engineers on various proposals regarding constructions, additions and alterations of factory buildings and also the Superintendent of Licences in proposals for licensable trades and storages in the City Area.

IX.—CONSERVANCY.

Refuse Collection, Removal and Disposal.

(101) Roads, footpaths and house gullies were swept twice daily. The house gullies were periodically flushed. Roads were brushed, scraped and washed. Refuse collected was removed in travelling lorries to the place of disposal at least twice daily. Refuse taken to the Mahalaxmi Refuse Sidings was transported to Deonar daily by special Refuse trains. Dry refuse at times was sent to Dharavi Dumping Ground for filling in Low Lying land. Total collection of the refuse during the year was about 6,57,000 tons out of which 5,28,793 tons was household refuse, 98,498 tons was trade refuse and the remaining was collection from the Markets.

Provision of Dust Bins.

(102) In all 265 actions under Section 368 of the Bombay Municipal Corporation Act were taken during the period ending July 1961 for provisions of Dust bins of which 42 actions remained pending. This section was being operated by the Health Department from August 1961 onwards.

Transport.

(103) The Transport refuse fleet consisted of 190 S. T., 27 Scamell Horses, 30 Fergusson Tractors 22 Moving floors, 12 Bantam Carriers, 14 Moto Carts, 2 G. M. Cs., 12 Low-Loaders, 9 Jeeps, 3 Dodge vehicles, 29 Fergusson Trailers, 48 Devidayal Trailers, 42 Mahindra & Mahindra Trailers, and 3 Bulldozers, of which 312 vehicles were Road worthy during the year under report. As this fleet was not sufficient to cope up with the output of refuse, extra vehicles from the Maharashtra State Road transport Corporation had to be requisitioned for the removal of refuse.

(104) The Municipal Motor Vehicles worked in two shifts from 6-30 A.M. to 2-00 P.M. to 10-00 PM.. On an average 1,800 tons of refuse was daily collected and removed. Scammell Trailers replaced many dustbin sheds which were an eye-sore and even objectionable in many parts of the City.

Collection, memoval and Disposal of Night Soil.

(105) Basket Privies, Cesspools and septic tanks were attended to by the Halalkhore staff. In the City there are only 1,518 Privy seats, 280 Cesspools and 37 septic tanks. Steps are being taken to join all possible Cesspools to the drain so as to bring the number of cesspools to the minimum. Night soil from the privies and vacant places was removed regularly. 8 Cesspools carts and 6 Cesspool lorries were employed to cope up with the work of basket privies and cesspools. Public Sanitary conveniences provided at different suitable places and Public latrines, urinals and bathing places were also attended to.

Dog Licensing, Destruction and Immunization work.

(106) With a view of minimising the number of stray dogs and reducing the incidents of Hydrophobia and Rabies, the work of licensing dogs, destroying and immunization of dogs was carried out. During the year 8,686 licenses were issued and 21,045 stray dogs were destroyed. Total revenue of Rs. 44,705.50 nP. was collected on account of dog licensing work.

Anti-Rabic treatment was available at the Haffkine Institute, K. E. M. Hospital and other Government Hospitals.

Removal and Disposal of Dead Animals.

(107) Dead animals from the City were removed to Deonar, 431 big animals and 22,233 small animals were removed to the Mahalaxmi Sidings from which Rs. 7,805.50 were realised.

* Appendix is printed in the Departmental Copy

Infectious Diseases Ambulance Service and Service for the removal of Dead Bodies.

(108) Six Ambulances were maintained for removing local patients suffering from infectious diseases to Arthur Road Hospital free of charge. Three Hearses and one Dead Body van were available for removal of dead bodies to cemeteries or Homes on payment of Scheduled charges, exceptions being made in few deserving cases and Christian Paupers. During the year 6,666 bodies were removed on payment and the Ambulances were used to removed 16,187 patients to the Infectious Diseases Hospital. These services were extended beyond Bombay limits on payment of Scheduled charges.

Eradication of Nuisances.

(109) Actions were taken to eradicate nuisance caused by throwing of refuse in the streets, gullies and public places, fouling of the public roads by urinating and defecating and by chokes in gully traps. 1,152 persons were prosecuted under Section 372(e) of the Municpal Act and 1,258 were fined for violating the Provision of Section No. 115 of the Police Act.

Veterinary Service.

(110) The Veterinary Section of this Branch was in charge of all the Municipal Bullock Stables. Two Hospitals—one for Municipal Bullocks at Kamathipura and the other for infectious diseases of animals at Mahalaxmi Sidings. Animals from private owners were also admitted in these Hospitals on payment of fixed fees.

(111) Private Stables were visited for detecting infection of Rinderpest. Milch Cattle arriving in the City were immunized against Rinderpest. The total number of animals immunized was 27,969 (27,088-Andheri Railway tation and Bandra Yard and 881 in btables in the City and Suburbs). 64 cases of Rinder pest were detected during the year.

Conservancy and Special Halalkhore Service.

(112) These services were rendered to Circusses, Exhibitions, Amusement Parks, Big Concerns Industrial Establishments, etc., on payment of scheduled charges and an amount of Rs. 1,53,888.66 was collected on this account. Besides this, a sum of Rs. 81,685 was received from the Government for the services rendered for cleansing Government Foreshores.

Sweepers' Chawls.

(113) The Labour Chawls in charge of Conservancy Branch were regularly inspected and prompt action taken for rectifying sanitary as also structural defects noticed.

Co-operative Credit Societies for the Labour Staff.

(114) There are in all 12 Co-operative Credit Societies with an aggregate membership of 5,120 members for the benefit of the Labour employees of this Branch. The share capital subscribed is Rs. 23,45,513.76 The working of the Co-operative Credit Societies is satisfactory.

(115) *Removal and Disposal of Town Refuse at Deonar.*—As Deonar Reclamation site is spacious enough to last for more than 60 years for refuse disposal operations, major portion of city refuse was sent there for disposal. The refuse was brought from Mahalaxmi siding to Deonar site by running two trains daily each consisting an average of 30 wagons having 950 C.ft. capacity.

The details of refuse wagons brought to Deonar for disposal are as follows:—

Particulars.	The year 1961-62.	The year 1960-61.
(1) No. of refuse wagons received at Deonar	21,206 Nos.	22,847 Nos.
(2) Quantity of refuse at 950 C.ft. per wagon	2,01,17,220 C.ft.	21,70,4,650 C.ft.
(3) Cost of haulage from Mahalaxmi siding to Deonar by rail...	Rs. 1,94,539.01	Rs. 2,00,786.58
(4) Cost of unloading the refuse	Rs. 3,27,551.00	Rs. 3 64,863.04.
(5) Cost per 100 C.ft.	Rs 2.60.	Rs. 2.61.

(116) The position of rolling stock of Municipal wagons was as under:—

Description.	No. of wagons.
Refuse wagons in running condition ...	61
Silt wagons in running condition ...	2
Brake vans in running condition ...	4
Sick wagons ...	31
Total ...	98

As the number of these wagons was insufficient to deal with the huge quantity of city refuse, wagons were taken on hire from the Western Railway at Rs. 4.50 nP. per wagon per day. The number of wagon-days during the year was 17,840 and the total hire charges amounted to Rs. 80,280.00.

(117) The cost of maintenance of sidings at Mahalaxmi and Chembur was Rs. 23,661.16. The cost of repairs and maintenance of Municipal wagons amounted to Rs. 72,430.80.

(118) The length of the main line and loop sidings at Deonar was 6,700 running feet. The length of the temporary sidings varied from time to time.

(119) No additional land was reclaimed during the year. Only depressions caused due to rain and fire in the reclaimed land were filled in. The total income derived from various sundries, *e.g.* sale of rights of fishing, cultivation, etc, amounted to Rs. 67,232.00.

(120) There were 4 incidents of fire at Katchra sidings at Deonar during the year. There were also 6 incidents of derailment of wagons. The total damage caused to the sleepers, chairs, etc., on account of these incidents amounted to Rs. 1,527.00.

The unloading contractors tried mechanical means for unloading refuse wagons which was found successful.

The amenities to staff, *e.g.* Primary Education, Maternity Ward, Welfare Centre, etc., provided in the Municipal Labour Camp at Chembur were continued as before.

X.—DEVELOPMENT PLAN BRANCH.

(121) At the close of the year under review, the surveys in respect of Hospitals, Dispensaries, Primary Schools, Markets Parks and Play Grounds in Greater Bombay were completed. Draft reports on (1) Markets (2) Schools were prepared. Reports on Hospitals and Dispensaries, Parks and Gardens were in hand.

During the year under review, tenements Surveys wer e carried out in regard to sites tentatively reserved in the City in the Development Plan. With a view to assess the extent and nature of encumbrances that would be involved in clearing all sites.

The work of computing the existing users as per surveys carried out was done with a view to determine the adequacy or otherwise of the provisions as tentatively made under the Development Plan.

Development Plans.

(122) Tentative Development Plans for the following wards were prepared:—

(*a*) R (West), P (West) and K (North)—Ward Nos. 38 (Part), 42 and 43 (Part), Kandivli, Malad, Goregaon, Jogeshwari between Poisar Nalla and oshivra Powai proposed road, west of the Western Railway upto Manori Creek.

(*b*) K (North), P (West) and R (West)—Ward Nos. 39, 42 and 43. Madh, Marve, Gorai and Manori Islands.

(123) The tentative Development Plans for the following areas were displayed for public Inspections:

(1) L (South), N (South), M (North—Ward No. 39 (Part), 40 (Part), 41 (Part) Kurla upto Junction of Mahul Ghatkopar Road and Bombay Agra Road including portion of Chembur to the West of the Eastern Express Highway.

(2) K (North)—Ward No. 38 (Part), Andheri (West), Vile Parle, Juhu from Juhu Road to South of Oshivra Powai Road West of the Western Railway upto the sea.

(3) R (South) and P (East) Ward No. 42 and 43 (Part)—Kandivli, Malad, Goregaon, Jogeshwari upto Oshivra Powai Road and East of the Western Railway Lines.

(4) M Ward No. 40—Chembur, Ghatla, Borla, Govndi, Mankhurd, Trombay, Mahul.

(5) L (North), N (South)—Wards Nos. 41 and 39 Vikhroli, Ghatkopar, Kurla Powai area between Bombay Agra Road and the Vehar Kurla Road South of Ohsivra Powai Road.

(6) K (North and South), L (North)—Wards Nos. 37, 38, 39—Andheri (East), Vile Parle (East) to East of Western Railway Lines and West of Vihar Saki Kurla Road.

(7) R (West), P (West) and K (North)—Wards Nos. 38 (Part), 42 and 43 (Part)—Kandivli, Malnd Goregaon, Jogeshwari between Poisar Nalla and Oshivra Powai Road, West of the Westera Railway upto Manori Creek.

(8) K (North), P (West), R (West) Wards Nos. 39, 42 and 43—Madh, Marve, Gorai and Manor Islands.

The suggestions and objections received from the public were being scrutinised and would be taken into account at the time of finalisation of Development Plans to be submitted to Corporation.

Advisory Committees.

(124) Two Advisory Committees formed, continued to render their valuable assistance in the preparation of the Development Plan. Advisory Committee presided over by the Municipal Commissioner held two meetings and the Advisory Committee presided over by the City Engineer held 11 meetings during the year.

Development Control Rules.

(125) The revision of the Development Control Rules was under consideration.

(126) During the year under report, the 'D' Ward Development Plan had been finalised and submitted to the Corporation, together with a detailed report on the principles and standards adopted while proposing reservations for civic amenities and in zoning.

(127) A report was also submitted in regard to the considerations in which different floor space indices came to be fixed for different parts of the City. The Corporation under their Resolution No. 834, dated the 11th December 1961 had appointed a Special Committee to consider the plan. On receipt of the directions of the Corporation on the several issues raised in connection with the Development Plan, the work of finalisation of the Development Plans for the remaining wards would be taken in hand.

XI.—TOWN PLANNING SCHEMES.

Town Planning Scheme for the Bombay City No. I (Mandvi and Elphinstone Estate).

(128) Government sanctioned the final scheme under their Resolution No. T.P.B./19054/M of 4-9-1957 (L.S.G. and P.H.D.). The Government have expressed their inability to amend the relevant Act, so as to protect the tenancy rights of the tenants likely to be affected (Government letter No. TPA/1059/13551-M of 15-5-1961). The work of enforcement of the Scheme has been held in abeyance, pending finalisation of measures to indicate alteranative accommodation to the tenants likely to be affected.

(129) Contributions amounting to Rs. 5,70,371.61 were collected from the plot owners during the year under reference and total expenditure booked for the Scheme work is Rs. 21,29,568.55.

Town Planning Scheme Bombay City No. II (Mahim Area).

(130) This Scheme has come into force from 1-12-1959 and the work of its implementation was in progress. The work of construction of some of the roads, Storm water drains and sewers was taken in hand but the progress is held up due to the structures falling within the propsed roads.

Town Planning Scheme Bombay City No. III (Mahim Area).

(131) The Scheme has come into force from 1-3-1961 and the work of its implementation is in progress. The construction of 1/2 the width of Tulsi Pipe Line Road from Lady Hardinge Road to Mori Road and the work of providing storm water drains in Mogul Lane was in progress.

Town Planning Scheme Bombay City No. IV (Mahim Area).

(132) The Arbitrator appointed by the State Government had declared his Award on 24-2-1962 and Government has appointed Shri J. R. Vimadalal, City Civil Jugde as a President, Board of Appeal. The work of Board of Appeal will be started in due course.

(133) *General.*—The total number of commencement certificates issued during the year 1961-62 is 97 and the total number of commencement certificates issued upto 31-3-1962 is 1,055. The total expenditure incurred in connection with the preliminary works of Town Planning Schemes Bombay City No. II, III and IV(Mahim Area) from the commencement upto the end of the year under report comes to Rs. 16,30,014.49 The expenditure incurred during the year under report works out to Rs. 6,32,916.37.

EXECUTIVE ENGINEER ESTATES & LAND MANAGEMENT DEPARTMENT.

Shri S. M. Postwala, B.E., A.M.Inst.C.E. (Lond.), A.M.I.E. (India), was in charge of this Department during the year under report.

I.—ACQUISITION OF LANDS.

(A) Improvement Trust Section.

1. Scheme 52, Worli Village. There was no progress in respect of these cases during the year under report.

(B) MUNICIPAL SECTION.

(Within City Limits).

Cases of acquisition of lands in which progress was made (Figures in brackets at the end of an item indicate the estimated liability).

1. *Landsoccupied by Milch Cattle Stables in the City of Bombay for Public Municipal purposes.*—In respect of some cases, parties had gone in reference to High Court under Section 18 of the Land Acquisition Act. All the cases excepting 3 were disposed off by the High Court.

2. *Acquisition of lands for extension of B. Y. L. Nair Hospital and T. N. M. Collegem*—In respect of .S. Nos. 1/1884, 2 to 6/1884, 1887, 1 to 8/1887 of Byculla Division, the acquisition proceedings were under progress before the Special Land Acquisition Officer.

3. *C.S. Nos. 118 (part), 1/118 (part, 2 to 4118 of Parel Sewri Division for School and Housing.*—Enquiries under Section 5A were copleted and Notification under Section 6 was being awaited. (Rs. 2,94 308)

4. *About 45 properties in the City where buildings have collapsed are under acquisition for various municipal purposes.*—Hearing of objections under Section 5A of the Land Acquisition Act was completed in most of the cases and Notification under Section 6 was being awaited. In respect of C.S. Nos. 3299, 3300, 3443 and 3444 2517 to 2519 of Bhuleshwar Division-awards were declared by the Special Land Acquisition Officer for Rs. 1,15,916.10 nP. which was paid to him and possession taken over. In some cases acquisition proceedings were in progress.

5. *Property known as Mumbadevi Tank for Recreation Ground and other Municipal purposes.*—Acquisition proceedings before the Land Acqisition Officer were completed and award was declared. The tenants however, had brought an injunction against the Special Land Acquisition Officer in High Court. The Injunction, was dissolved by the High Court and fresh award of the Special Land Acquisition Officer was being awaited.

6. *Properties on the fringe of Mumbadevi Tank C.S. Nos. 1538, 1637, 1/1637, 1636, 1640 (part), 1595 of Bhuleshwar Division.*—Notification under Section 4 was issued and inquiries under Section 5 A were completed Final Notification under Section 6 was being awaited. (Rs. 14,67,294).

7. *Plot No. 307C of Dadar Matunga Estate for a Market.*—The Special Land Acquisiion Officer declared his award for Rs. 86,831.25 nP. which was paid to him and possession taken over.

8. *C.S. Nos. 1/134 and 1A/134 of Colaba Division for Maternity Home.*—The site was notified under Section 4 of the Land Acquisition Act and during the enquiries under Section 5A before the Deputy Collector two Co-operative Housing requested that the land should be given to them. Corpraotion agreed to that and withdrew from acquisition major portion of the land and decided to acquire the adjoining land. Government was taking necessary action to notify the modified proposal.

9. *Land at Todbunder Colaba for Sewage Purification Works.*—The Deed of Transfer was completed and negotiations regarding rent to be charged were also completed.

10. *C.S. Nos. 780 and 781 of Mandvi Division for a School.* The Special Land Acqusition Officer declared his award for Rs. 1,40 424.32 nP. which was paid to him and possession taken over.

11. *C.S. Nos. 733 and 2/733 of Mahim Division for Munic pal Purposes.*—Notification under Section 4 was issued and enquiries under Section 5A were in progress before the Deputy Collector of Bombay. (Rs. 63,245)

12. *C.S. No. 1975 of Bhuleshwar Division for a Parking lot.*—Enquiry under Section 5A was completed and final notification under Section 6 was issued. Proceedings were in progress before the Special Land Acquisition Officer. (Rs. 1,66,570).

13. *Property bearing C.S. No. 8 (part) 1/13 of Daadr Naigaum Division for Housing, School Ward Offices etc.*—Secretary Mill Owners Association wanted the site to be released for a stadium for Textile workers and had offered in the alternative a site in the vicinity. Negotiations were in progress.

14. *C.S. No. 514 of Colaba Division for a Market.*—Objections under Section 5A were heard by the Deputy Collector and notification under Section 6 was issued. Proceedings were in progress before the Special Land Acquisition Officer. (Rs. 88,700).

15. *C.S. No. 374 of Mazagaon Division at Love Lane for School.*—Hearing of jobections under Section 5A were completed but Government decided to drop this acquisition.

16. *C.S. No. 1312 of Mandvi Division at Memonwada Road for School.*—Objections under Section 5A were completed. Notification under Section 6 was being awaited. (Rs. 18,798).

17. *C.S. No. 1634 of Girgaum Division at Kennedy Bridge for Road widening.*—After hearing claims of various parties the Special Land Acquisit on Officer declared his award for Rs. 83,720 which was paid to him and possession taken over.

18. *C.S. Nos. 138A and 138B of Parel Sewri Division for extension of K. E. M. Hospital and housing of essential staff.*—Amount of Rs. 2,81,804 was paid to the claimants as per the award of Land Acquisition Officer and possession of the Property taken over.

19. *C.S. No. 1108 of Girgaum Division at Khetwadi Back Road for School.*—During the enquiries under Section 5A of the Land Acquisition Act some of the tenants suggested an alternative site and the Deputy Collector approved the same. The modified proposal was put up to the Corporation and their approval was being awaited.

20. *C.S. No. 1309 of Mandvi Division at Memonwada Road for a School.*—Objections under Section 5A were completed, and final notification under Section 6 was being awaited. (Rs. 26,987).

21. *C.S. No. 1285 (part) of Fort Division for a school.*—Persons interested in the property had suggested to release the property from acqisition but Corporation disapproved the proposal and award of the Special Land Acquisition Officer was being awaited. (Rs. 1,67,630).

22. *Proposed exchange of Municipal land with Government land at Katrak Road leaseed to Acworth Leper Home.*—Possession of the land to be exchanged was taken over and handed over. Government was preparing the Deed of Exchange.

23. *C.S. No. 1125 of Mahim Division for Housing.*—Dispute over area was settled, Deed of Conveyance executed and possession of the property taken over.

24. *Land with in Housing Board's Colony at Parel Tank Road for a School.*—The lease was under pre paration by the Solicitors to the Maharashtra Housing Board.

25. *C.S. No. 1359 of Fort Division for a School.*—The Special Land Acquisition Officer declared his award for Rs. 2,13,659.05 which was paid to him and possession taken over.

26. *C.S. No. 124 (part) of Parel Sewri Division for an Industrial Estate.*—Enquiries under Section 5A were completed and Notification under Section 6 was issued. Proceedings before the Land Acquisition Office has started. (Rs. 2,15,127)

27. *C.S. No. 1/318 of Bhulewhsar Division at Wellngton Street-for a dispensary.*—Notification under Section 6 was issued and proceedings before the land Acquisition Officer were in progress. (Rs. 50,030).

28 *C.S. No. 370 of Mazagaon Division for a Market.*—Notification under Section 6 was issued and after hearing of claims the Special Land Acquisition Officer declared his award for Rs. 3,35,152 which was paid to him and possession taken over.

29. *Exchange of land at Katrak Road, Wadala with a Central Excise Department.*—Alternative Accom modation to the tenants in the land to be handed over to the Central Excise Department was given and the exchange of land completed.

30. *Land at Napean Sea Road for a sewage pumping station.*—Notification under Section 6 was issued and after hearing of the claim Special Land Acquisition Officer declared his award for Rs. 64 767 which was paid to him and possession taken over.

31. *C.S. No. 173A/74 of Parel Sewri Division for Extension of K. E. M. Hospital.*—Deed of Conveyance was nearing completion. (Rs. 1,33,558).

32. *C.S. No. 158 and 159 of Bycula Division at Kamathipura 8th Lane for Extension of Market.*—The Special Land Acquisition Officer declared his award for Rs. 17,094.58 nP. which was paid to him and possession taken over.

33. *C.S. Nos. 3349 to 3351 of Bhuleshwar Division for a School.*—Notification under Section 6 was issued and proceedings before the Land Acquisition Officer were nearing completion. (Rs. 44,110).

1. Acquisition of land for extension of Kelewadi Bridge so as to meet Queen's Road. (*i*) C.S. Nos. 34 of Girgaum Division, the party had gone in reference to High Court under Section 18 of the Land Acquisition Act, However, the reference did not come up on board till the end of the year.

2. Scheme 76, Lohar Chawl Gully Improvements Scheme Cases Nos. L.A.Q. 113/1 to 113/36, C.S. Nos. 927, 928, 930 to 933, 940 to 942, 1117, 1124, 1126, 1127, 1129, 1130, 1137, 1138, 1139 to 1143, 1146, 1147, 1149, 1150, 1123 (part), 929 (part), 943 (part), 937, 1135 (part), 1125 (part), 1144 (part), 1548 (part) and 1156 (psrt) of Mahim Division.—In some cases, possession is not yet enforced by the Land Acquisition Officer. There was no progress during the year under review.

VII.—DISHOUSING AND REHOUSING.

It will be seen from the Appendix No. 14 that the number of tenements provided upto date in the *ex*-Trust estates including those erected by the Development Department and several mills exceeds the number of tenements demolished as shown below :—

(*a*)	Tenements provided in Trust Chawls including 3 rooms and 2 rooms tenements and cottages at Matunga. ...	11,444
(*b*)	Tenements constructed under Municipal Housing Scheme ...	325
(*c*)	Tenements provided in chawls erected by the Spring Mills, Century Mills, Kohinoor Mills, and the David Mills and in chawls erected by the Development Directorate on the *ex*-Trust estates and in the various Police accommodation Schemes. ...	18,870
(*d*)	Tenements constructed by the Housing Board in *ex*-Trust land ...	1,216
(*e*)	Tenements provided in Semi-permanent sheds erected by the *ex*-Trust ...	4,972
(*f*)	Tenements provided in the lessees buildings	43,682
	Total ...	80,509
	Less.—Tenements demolished ...	39,070
	Excess of new tenements over demolished ones ...	41,439

VIII.—NEW HOUSING SCHEMES.

(1) In addition to the tenements already constructed and mentioned in the previous year's report, the following new tenements were completed during the year under report :—

(*i*) 664 Tenements at Vikhroli.
(*ii* 144 Tenements at Wadala.
(*iii*) 160 Tenements at Wadala.
(*iv*) 224 Tenements at Wadala.
(*v*) 55 Tenements at Foras Road.
(*vi*) 288 Tenements at Rawli Camp.
(*vii*) 208 Tenements at Bane Compound.
(*viii*) 112 Tenements at Water Street.
(*ix*) 396 Tenements at Vikhroli.
(*x*) 112 Tenements at Worli.

(2) New residential accommodation made available in the houses erected by lessees during the year comprised of 406 tenements.

(3) The management of 660 Semi-permanent rooms constructed by the citizens'emrgency relief Committee on the Municipal and *Ex*-Trust land for the housing of explosion victims continued to be vested in the Municipality. The demolition value of the structures amounting to Rs. 4,43,809 payable to the City Emergency Relief Committee was paid on 30th March 1962 and formal possession of the Tenements taken over by the Corporation.

(4) *Housing for Squatters.*—The number of Squatter families residing at Mankhurd and Jogeshwari Colonies was 2,285 and 1,889 respectively as against 2322 and 1,895 in the previous year. The site at Mankhurd Colony is being required by the Government of India for Atomic Energy Commission. Steps are, therefore, being taken to provide new colony for squatters at Govandi. Rebate of 50 nP. allowed for payment before 15th of every month has been continued. Inspite of this recoveries at both the colonies continued to be far from satisfactory owing to acute unemployment among the squatters. Legal action was started in selected cases where the squatters appeared to be of some means.

The recoveries of rent at both the colonies were Rs. 15,632 and Rs. 51,103 against the demand including arrears of Rs. 7,15,183 and Rs. 2,83,123 respectively.

The recoveries of rents of the Dormitory at Palton Road effected amounted to Rs. 55,070 during the year.

IX.—DISPOSAL OF LANDS.

(1) Long Leases.

The number of plots let during the year was 10. The total area of the land thus disposed of admeasures 42,374 square yards valued at Rs. 12,30,935. The total number of plots disposed of upto the end of 1961t62 was 4,306 with an area of 60,88 677 square yards and valued at Rs. 12,79,36,862 yielding an annual rent of Rs. 44,50,023. In respect of plots for which premium or commutation amounts had not been received, the rate at which ground rent was commuted was 22 years' purchase of plots let before 23rd November 1920 and

18 years ' purchase thereafter upto May 1948 From May 1948 the ground rent for the plots was charged at 5 per cent. per annum (instead of 6 per cent. per annum charged since 1920) on the vale of land and the amount of commutation was fixed at 21 times the annual ground rent (*vide* Corporation Resolution No. 157 dated the 6th May 1948).

Where the period of commutation expired the lessees were allowed to commute at the rate of 28 times the annual ground rent reserved (*vide* Corporation Resolution No. 1031, dated the 11th February 1943) but commutation now is being discouraged.

The progress in the disposal of Trust lands on permanent basis during the year is shown in Appendix No. 2.

The details of leases in each estate are shown in Appendix No. 3.

The area of the land disposed of during the year under report shows an increase over the figures for the last year.

The amount received by way of commutation of ground rent and premium, etc., during the year was Rs. 12,65,166.

The amount received by way of commutation of ground rent and premium since the amalgamation of the Improvements Trust with the Municipality are shown in Appendix No. 11.

A comparative statement showing the number of permanent tenancies with the demand and collection as on 31st March of the past four years is given in Appendix No. 4.

The percentage of 21.92 of arrears could be attributed mostly to the usual tendency on the part of the new Building Tenants to withhold payment of ground rent to the extent of the cash security deposited by them with a view to getting the same adjusted towards ground rent. The main items of arrears can be classified as under:—

	Rs.
(1) Ground rents withheld by lessees to the extent of their security deposits ...	1,49,835.00
(2) Ground rents in respect of plots occupied by Government of Maharashtra and Defence Department	2,88,084.00
(3) Ground rent in respect of properties vested in the Deputy Custodian of Evacuee Properties	59,629.00
(4) Ground rent in respect of plots against which disputes have been raised and their cases are under consideration	70,148.00
(5) Ground rent due from Western and Central Railways	8,606.00
(6) Ground rent in respect of Agakhan properties under legal action	25,780.00
(7) Ground rent due from Municipal departments	11,952.00
Total ...	6,14,034.00

If these items are excluded, the arrears amount to Rs. 4.76 lscs which is equal to 9.55 per cent. of the amount for collection.

(2) Short Leases.

One lease was granted during the year as per details shown in Appendix No. 5.

The number of vacant land tenancies of both ex-Trust and Municipal estates was 4,788 at the close of the year. The demand for vacant lnd tenancies in ex-Trust estate for the year under report was Rs. 8,55,133 and the recovery was Rs. 7,69,864 inclusive of arrears.

The Collector of Bombay requisitioned large areas of land vacated by the Defence Department in Scheme 6, Sion, Scheme 52 and 58, Worli for the Housing Commissioner and the Commissioner of Police. The rent charged for the land for these occupations came to Rs. 7,68,807 for the period ending 31st March 1962 at the same rate at which the Defence Department was paying. The Collector of Bombay has fixed compensation in respect of 22 plots in Scheme 52 and 58, Worli. Compensation will be claimed when Agreements are completed as required by the Collector of Bombay.

X.—MANAGEMENT OF PROPERTY AND COLLECTION OF REVENUE.

A.—TRUST SECTION.

(*a*) *Chawls permanent.*—The gross demand of 11,626 rooms including shops, godowns, lopos, etc., in the chawls for the year was Rs. 19,17,296 as on 31st March 1962 against Rs. 16,72,055 at the end of the previous year. The increase is due to the construction of new tenements at Wadala.

The net demand for the year for all the chawls was Rs. 8,94,677 on account of the concessions allowed in rent to public bodies, Societies, Police Commissioner, etc., and some Harijan Tenants at Mazagaon chawls. The concessional rent includes the rents of rooms let out to the peons of the different departments in lieu of house rent allowance and rent free quarters allowed to 193 sweepers of this Department. The revenue actually collected came to Rs. 17,69,380 which was equivalent to 70.25 per cent. of the total outstanding including the previous arrears of Rs. 6,24,170.

The collections on account of rents from the permanent chawls during the year amounted to Rs. 17,69,380 Deducting there from the charge on account of outgoings amounting to Rs. 13,35,301 net income comes to Rs. 4,34,079.

The Capital expenditure incurred on the Chawls including the value of the land is Rs. 264.14 lacs. The Corporation have to pay interest and sinking fund charges at the rate of 4.61 per cent. per annum on the capital expenditure prior to 1919-20 and 6.35 per cent. per annum on the expenditure incurred in subsequent years and 4.24 per cent. in respect of those constructed after 1950. This amounts to Rs. 12.96 lacs per annum (*vide* Appendix 13). After deducting the amount of net income from the amount of interest and sinking fund charges the accounts for the chawls show a loss of about Rs. 8,62,336.

In order to look after the work of the sanitation of the chawls, 182 members of the conservancy staff were appointed and this work was being supervised by the Mukadams and Chawl Superintendents in charge of each group of chawls.

Sanitary propaganda was carried on by means of instructions and posters on clean, and healthy living as was done in the previous years.

Schemes of awarding prizes for the maintenance of best sanitation in chawls sanctioned by the Corporation under their Resolution No. 533, dated the 9th August 1951 was continued during the year.

Bye-laws for maintaining sanitation, etc., at municipal chawls and buildings were en forced and fines aggregating to Rs. 50 were imposed and colleceted from the tenants for breaches of these rules. First Aid Sets and sick room requisites were maintained at 8 Chawls-Centres, Matunga Labour Camp, Dharavi and Mankhurd Colony.

(*b*) *Semi-permanent Sheds.*—The gross demand in respect of 4,972 rooms in the Semi-permanent shed including the permanent ground floor rooms and sheds known as Labour Camps for the year, was Rs. 5,79,946 The net demand after excluding the amount of Rs. 347 for vacancies and Rs. 8,017 for conscessional rent which was set off against the house rent allowance was Rs. 5,71,582 the revenue actually collected came to Rs. 5,96,067 which was equivalent to 73.29 per cent. of the total recoverable rent including arrears of Rs. 2,41 758 for the previous year. At the close of the year the number of S. P. Sheds increased to 5,632 as the Corporation purchased from the C. E. R. Committee 660 rooms by paying the demolition value.

General remarks In chawls and Semi-permanent sheds.—The average population in these chawls during the year 1961-62 was 96,529 against 87,385 in 1960-61 and 81,010 in 1959-60, respectively while the correspond ing figure for semi-permanent sheds including the Labour Camp were 57,709 , 50,772 and 46,060 respectively.

Railway passes were issued at Municipal costs to such of the members of the inferior staff as were provided with rent-free quarters beyond one mile from their place of work. Pursuant to the Standing Committee Resolution No. 80, dated the 15th April 1946, 193 scavengers out of 436 belonging to the Department were allowed rent-free occupations and the remaining members were in receipt of house rent allowance.

The percentage of outgoings in respect of the chawls and semi-permanent sheds are shown in Appendix No. 6 on the basis of annual rental of Rs. 18,94,677 for chawls and Rs. 5,71,582 for semi-permanent sheds total outgoings being 75.66 per cent. and 67.98 per cent. respectively.

Amounts transferred to Rent-Equalisation Fund and Amenity Fund were Rs. 1,78,174 and Rs. 59.391 respectively. The difference between the standard rents worked out on 5 per cent. of cost of land and 8½ per cent. of cost of construction of post war residential tenements and the subsidised rents actually charged are to be met from the Rent Equalisation Fund.

Revenue collected from tenements constructed for slum clearance was Rs. 6,01,967 against the demand of Rs. 7,40,027 inclusive of arrears. The tenements constructed under Slum Clearance (City and Suburbs are shown in Appendix No. 15.)

(*c*) *Acquired Premises.*—At the commencement of the year there were 529 acquired or surrendered buildings in charge of this department containing 5,148 tenancies. At the close of the year there were 4,906 tenements in 491 Buildings (the difference being due to demolition of 60 and addition of 22 structures during the year).

The gross demand of 4,906 tenements in the acquired and re-entered buildings was Rs. 10,35,482 After excluding the amount of Rs. 35,212 for vacancies and Rs. 2,765 for concessions in rent the net demand for the year was Rs. 9,97,505.

The revenue actually collected amounted to Rs. 10,17,322 which was equal to 81.32 per cent. of the total recoverable amount including arrears of Rs. 2,53,542 for the previous year.

Rawli Hill Camp.—21 tenements out of 867 were demolished during the year under report. The gross demand of 846 the remaining tenements in old military hutments at Sion Koliwada Rawli Camp was Rs. 68,839 and after excluding the amount of Rs. 724 for vacancies the net demand was, Rs. 68,115 The recovery inclusive of arrears effected amounted to Rs. 78,950.

Summary of Revenue.—The total collection of revenue from permanent leases, short leases and monthly tenancies can be seen from Appendix No. 7.

Requisitioned Buildings.—The management and collection of rents in respect of 17 properties having 425 tenancies requisitioned from private landlords for A.R.P. purposes were continued to be looked after by this department. The demand in respect of these tenancies for the year was Rs. 69,156 and the recovery was. Rs. 72,124 which was equal to 70.62 per cent. of the total recoverable amount including arrears of Rs. 32,968

One room in Calcuttawalla Building was released to the owner during the year under report. As regards other requisitioned buildings efforts were being made to hand over the posession to the owners by providing alternate accommodation to the occupants.

Tenements constructed for the explosion victims.—660 tenements constructed at Arthur Road, Fergusson Road and at Wadala Road for explosion victims were being continued to be managed by this department. The rents collected were being credited to a separate head of account and expenditure incurred for the collection and maintenance including the payment of assessment , etc., was being met from the same account. The demand in respect of these properties for the year was Rs. 85,827. A sum of Rs. 85,780 was recovered out of the total dues including the arrears and current demand aggregating to Rs. 1 01,630.

During the year under review the demand and recovery of taxes aggregated to Rs. 1,09,571 and Rs. 68.892 respectively. The arrears due for collection at the close of the year stood at Rs. 6,19,986

B.—MUNICIPAL SECTION.

Temporary Leases.

Details of the total collection of revenue in respect of Municipal properties under Budget ' A ' are shown in Appendix No. 8.

Tenements constructed under Budget ' A ' for Municipal General Staff are shown in Appendix No. 10.

XI.—LEGAL.

The Bombay Municipal Corporation Act has been amended and the Municipal Commissioner has been invested with Summary Powers of Eviction of Municipal Tenants and unauthorised occupiers of Municipal premises for non-payment of Municipal dues, breaches of tenancy agreements and where the premises are required for municipal purposes. Accordingly Assistant Municipal Commissioner who has been delegated with the requisite powers in this behalf, has commenced the work from 15-1-1962.

1,015 eviction proposals were submitted by this department. Out of 341 cases taken on Board, 203 cases have been decided.

In view of the above no new ejectment suits were filed against the tenants for sub-letting the rooms as also for arrears of rent, taxes, etc., during the year, in the Small Causes Court.

One Claim suit was filed during the year under report.

An expenditure of Rs. 5,649 was incurred during the year in connection with suits previously filed. A sum of Rs. 18,777 was recovered towards Court Costs. Some of the suits are still proceeding in the Court.

No new suit was filed in the High Court or City Civil Court during the year under report.

GENERAL.

1. *Construction of additional floors on buildings on leasehold plots and motor garages, retention of temporary structures, etc., in the compulsory open spaces of leasehold Plots.*—Dring the year under review, permissions were granted as detailed in the Appendix No. 9 for different purposes stated therein.

2. *Checking encroachments, etc., on compulsory open spaces.*—In about 200 cases the lessees of plots in trust Estates were found to have made encroachments on compulsory open spaces and had allowed change of user in their properties. In all such case, actions to remedy such iregularities were in progress and in few cases where they were considered to be technical in nature they were got regularised by recovery of extra premium or ground rent.

3. *Plots unbuilt upon.*—At the end of the year about 70 plots the posession of which, was already given to the parties were lying vacant as they could not start construction work on account of scarcity of building materials and their prohibitive prices. There were also about 383 plots admeasuring 6,24,867 square yards agreed to be leased but possession of which could not be handed over to the Building Tenants either on account of temporary lettings standing thereon or due to want of proper access for drainage arrangements. The annual ground rent of them would amount to Rs. 9,11,603.

4. The Corporation by their Resolution No. 49 of 20th April 1961 have accorded sanction to use any factory plot for any type of factory permissible under Municipal Bye-laws.

5. The Corporation by their Resolution No. 620, dated the 20th October 1961 have given a general sanction to the user of the additional floors for offices at the rate of Rs. 3 per sq. ft. for northern Bombay and at the rate of Rs. 6 per sq. ft. for Southern Bombay and also for Khodadad Circle, King Circle and Sion Circle.

6. A proposal to reorganize the department to make it more effective and effcient is under consideration.

S. M. POSTWALA,

Executive Engineer
(Estates and Land Management)

APPENDIX No. 16.

Statement of suits filled in High Court and City Civil Court.

Serial No.	Suit No.	Name of Parties.	Situation of Property.	Remarks.
1	H.C Suit No. 2784 of 1948.	M.C. *Vs.* Abdulla A. Bhornia.	Horse Stables at Bapty Road ...	A Decree was passed for possession rent and compensation. Vacant possession has been taken Money decree is to be executed.
2	H.C. Summary Suit No. 90 of 1955.	M.C. *Vs.* A. S. Maherbax & Another.	Three plots of land bearing Nos. 13, 14 and 15, Scheme 37 of the Sydenham Road Estate.	A Decree was passed ordering the defendants to deliver vacant possession of the property and to pay the Decreted amount. As they failed steps in execution were taken and it was proposed to take over property along with the tenants. But however the defendants on their requets were granted time to liquidate the arrears of rent and taxes by instalments. As they failed to pay the instalments regularly, action for recovery of possession is being taken.
3	H.C. Summary Suit No. 91 of 1955.	M.C. *Vs.* Nabi Abdulla Sheth.	Piece of land admeasuring 580 sq. yds. in Plots No. 9 at Palton Road.	Steps to recover the decretal amount are in progress.

CITY CIVIL COURT SUITS FILED FOR RECOVERY OF POSSESSION & OR ARREARS OF RENT, TAXES ETC., SUITS WHEREIN PROGRESS WAS MADE DURING THE YEAR.

Serial No.	Suit No.	Name of Parties.	Situation of Property.	Remarks
1	C.C.C. Suit No. 1232 of 1952.	M.C. *Vs.* Shantabai Mahadeo Koli and Another (heirs of the deceased Pascal Victor).	Case No. 1145, Scheme 6, Sion Matunga Estate.	The Court had passed orders on the obstructionist notice and time to vacate was granted upto 31-5-61. At the request of the defendant the execution proceedings are deferred.
2	C.C.C. Suit No. 1623 of 1952.	M.C. *Vs.* P. T. Kripalani.	Piece of land admeasuring about 135 sq. yds. Worli, Scheme No. 52.	A decree was passed against the defendant ordering him to pay the decretal amount. The decretal amount has been adjusted from the deposits paid by the guarantor.
3	C.C.C. Suit No. 2720 of 1952.	M.C. *Vs.* Noor Mahomed Piraji.	Property situate at Chunam Kiln Lane consisting of three floors in case No. 90, Scheme No. 37.	A consent decree was passed against the defendant whereby the defendant was given time upto 31-10-57 to vacate the premises and ordered to pay the decretal amount. The defendant is paying the montnly compensation regularly. Execution proceedings have been taken in the matter.
4	C.C.C. Suit No. 580 of 1955.	M.C. *Vs.* V. D' Gadre ...	Piece of land in the garden area admeasuring 270 sq. yds., Scheme 57, Sewri Wadala Estate.	A consent decree was passed on 27-4-54 whereby the defendant had been given time to vacate on orbefore 30-4-59 andto pay the decretal amount. The defendant has handedover possession of the property and paid all the dues.
5	C.C.C. Suit No. 582 of 1955.	M.C. *Vs.* Bhadrassen Lala Bhagatram.	Two piece of land admeasuring 160 & 70 sq. yds. Scheme 60, Naigaum Estate.	A decree was passed against the defendant whereby he was ordered to deliver up vacant and peaceful possession of the property to the Corporation and to pay the decretal amount. As the structure was vacant and as the whereabouts of the defendant were not known, possession of the same was taken and the Municipal dues written ofi with the snction of the Standing Committee.

APPENDIX No. 16—(Contd.)

Serial No.	Suit No.	Name of Parteies.	Situation of Property.
1	C.C.C. Suit No. 106 of 1949.	M.C. *Vs.* Alimahomed A. Charolia ...	Bullock and buffalo stables at Bapty Road.

14	C.C.C. Summary Suit No. 1810 of 1953.	M.C. *Vs.* Fatmabibi wd/o. A.G. Kalan & Others.	Two plots admeasuring 10 sq. yds. and 114 sq. yds. respectively in Plot No. 29, Scheme No. 37 of Sydenham Road Estate.
15	C.C.C. Suit No. 1981 of 1953.	M.C. *Vs.* R. M. Kripalani ...	Portion of land admeauring 84 sq. yds. in site No. 3 in Row No. 8B on the Play ground at Sion, Scheme 6 Sion Matunga Estate.
16	C.C.C. Suit No. 2436 of 1953.	M.C. *Vs.* S. M. Abbas ...	Piece of and admeasuring 1,200 sq. yds. in Case No. 775 Scheme 57 of Sewri Cross Road.
17	C.C.C. Suit No. 239 of 1954.	M.C. *Vs.* M. S. Patel ...	Piece of land admeasuring 288 sq. yds. being Plot No. T. in Scheme No. 37 situate at the junction of Mahomedalli Road and Chunam Kiln Street.
18	C.C.C. Suit No. 490 of 1954.	M.C. *Vs.* S. R. Lalwani ...	Piece of land admeasuring 1,385 sq. yds. at Arthur Road, Opp. Shanti Nagar.
19	C.C.C. Suit No. 495 of 1954.	M.C. *Vs.* Lilavatibai Wd/o. Gulabchand Amichand & Others.	Two pieces of set back land admeasuring 20 sq. yds. and 4 sq. yds. respectively in front of premises a 192, Sheikh Memon Street.
20	C.C.C. Suit No. 768 of 1954.	M.C. *Vs.* Abdul Azia & Another ...	Piece of land admeasuring about 100 sq. yds. being Plot No. 52 of East Agripada North Estate.
21	C.C.C. Suit No. 2041 of 1954.	M.C. *Vs.* Rita Wd. of L.J. Fernandes.	Piece of land admeasuring 75 sq. yds. in Case No. 961A Scheme 57, Sewri Wadala Estate.
22	C.C.C. Suit No. 2061 of 1954.	M.C. *Vs.* B. B. Sarang ...	Piece of land admasuring 133 sq. yds. in Case No. 84, Scheme 60, Naigaum Estate.
23	C.C.C. Suit No. 2062 of 1954.	M.C. *Vs.* D, A. Khariwalla ...	Piece of land admeasuring about 125 sq. yds. in Case No. 908 Scheme No. 57, Sewree Wadala Estate.
24	C.C.C. Suit No. 2063 of 1954.	M.C. *Vs.* B. D. Koli ...	Piece of land admeasuring 444.4 sq. yds. in C.S. No. 1/1505 of Mahim Division to the East of Mahim Causeway.
25	C.C.C. Suit No. 2326 of 1954.	M.C. *Vs.* D. G. Belani ...	Piece of land admeasuring 1,496 sq. yds. and Plot No. 53 of the Mahim Estates situate at Lady Jamshedji Road.
26	C.C.C. Suit No. 2328 of 1954.	M.C. *Vs.* Jamnabai w/o L. R. Motwani & Others.	Piece of land admeasuring 2,810 sq. yds. in Scheme No. 52, Worli.
27	C.C.C. Suit No. 2378 of 1954.	M.C. *Vs.* Noorbibi W/o Gulam Nabi Gulam Hussein & Others.	Piece of land admeasuring 22 sq. yds. in Plot No. N, Case No. 285 Plot No. 80, Scheme No. 37, Mahomedali Road.
28	C.C.C. Suit No. 2481 of 1954.	M.C. *Vs.* Sherbanoo W/o of Jaffer Devji.	Piece of land admeasuring 644 sq. yds. in Case No. 9F, Scheme 60
29	C.C.C. Suit No. 360 of 1955.	M.C. *Vs.* Adamji Jiwaji ...	Two pieces of land admeasuring 177 sq. yds. and 62 sq. yds. Plot No. 172 (Part), Scheme No. 60, Naigaum Estate.
30	C.C.C. Suit No. 834 of 1955.	M.C. *Vs.* M. P. Barretto & Others.	Piece of land admeasuring 206.11 sq. yds. in Case No. 885, Scheme 57, Wadala Village.

APPENDIX No. 16—(Contd.)

Serial No.	Suit No.	Name of Parties.	Situation of Property.
31	C.C.C. Suit No. 848 of 1955.	M.C. *Vs.* J. A. Fonseca & Others. ...	Piece of land admeasuring 90 sq. yds. in Case No. 337, Scheme 57, at Sewri Wadala Estate, Bombay.
32	C.C.C. Suit No. 955 of 1955.	M.C. *Vs.* V. L. Vaity ...	Piece of land admeasuring 255.5 sq. yds. bearing C.S. No. 1/1505 of Mahim Division.
33	C.C.C. Suit No. 1109 of 1955.	M.C. *Vs.* Kazi Ahmed Gafoor ...	Two pieces of land admeasuring 702 and 74 sq. yds. on Plot No. 1A, Mahalaxmi Flats at Fergusson Road.
34	C.C.C. Suit No. 3008 of 1955.	M.C. *Vs.* Mohanlal Jatashankar ...	Piece of land admeasuring 879 sq. yds. Plot No. 5, Scheme No. 60, Naigaum Estate.
35	C.C.C. Summary Suit No. 3009 of 1955.	M.C. *Vs.* Ligaria Serrao ...	Two pieces of land admeasuring 100 sq. yds. each behind the Church at Cleve Land Road, Scheme 52.
36	C.C.C. Summary Suit No. 3069 of 1955.	M.C. *Vs.* Brij Kumar Baboolalji ...	Piece of land admeasuring 755 sq. yds. in the 40' passage between Plot Nos. 148 and 147-149 in Scheme No. 60, Naigaum Estate.
37	C.C.C. Suit No. 3154 of 1955.	M.C. *Vs.* Messrs. Shivlal & Co. ...	Piece of land admeasuring 2,425 sq yds. on Plot No. 89 and 90 (part) in Scheme No. 60, Naigaum Estate.
38	C.C.C. Suit No. 448 of 1956.	M.C. *Vs.* M. V. Rajan ...	Piece of land admeasuring 15'×20' in Block No. C-9, Site No. 117, Jogeshwari Squatters' Colony at Jogeshwari.
39	C.C.C. Suit No. 778 of 1956.	M.C. *Vs.* Ghanshamdas Khemchand.	Piece of land admeasuring 50 sq. yds. on Site No. 42, on Drainage filled in Channel land of Fergusson Road
40	C.C.C. Summary Suit No. 779 of 1956.	M.C. *Vs.* M. U. S. Haji Badloo Rangari.	Piece of land admeasuring 900"sq. yds. in Scheme No. 32 at Southern Street, East Agripada Estate.
41	C.C.C. Suit No. 1420 of 1956.	M.C. *Vs.* Harnam Singh Dhanjal ...	Piece of land admeasuring 400 q. yds. On Plot No. 126, Scheme No. 60, Naigaum Estate.
42	C.C.C. Suit No. 1421 of 1956.	M.C. *Vs.* Chandumal Totaldas ...	Piece of land admasruing 420 sq. yds. in Case No. 92, Scheme 60, Naigaum Estate.
43	C.C.C. Suit No. 1947 of 1956.	M.C. *Vs.* Dadabhoy T. Patel ...	Piece of land admeasuring 223 sq. yds. being Plot No. 77 (old Plot No. K), Scheme No. 38, Sydenham Road, Estate.
44	C.C.C. Suit No. 1948 of 1956.	M.C. *Vs.* Tehmuras D. Patel ...	Piece o land admeasuring 145 sq. yds being Plot No. 78 (old Plot No. D), Scheme 37, Sydenham Road Estate.
45	C.C.C. Summary Suit No. 2373 of 1956.	M.C. *Vs.* Jehangir Jamshedji ...	Piece of land admeasuring 60 sq. yds. Case No. 547-A, Scheme No. 52, Worli Estate.
46	C.C.C. Summary Suit No. 2685 of 1956.	M.C. *Vs.* J. B. Irani ...	Three pieces of land admeasuring 333,100 and 27 sq. yds. Scheme No. 57, Sewri Wadala Estate.
47	C.C.C. Suit No. 4763 of 1958.	M.C. *Vs.* L. C. Shukla ...	Property bearing Case No. 47, known as Pathan Chawls at Haines Road, Scheme No. 32.
48	C.C.C. Suit No. 1063 of 1958.	M.C. *Vs.* P. D. Singh & Co. ...	Piece of land admeasuring 1,003 sq. yds. on Plot Nos. 121, Scheme 60, Naigaum Estate.
49	C.C.C. Suit No. 1457 of 1959.	M.C. *Vs.* A. P. Shetye ...	Vacant Land at Plot No. 243, Scheme No. 60.
50	C.C.C. Suit No. 1461 of 1959.	M.C. *Vs.* M. A. Kharote ...	Vacant Land in Case No. 1076, Schme No. 52, Worlj.
51	C.C.C. Suit No. 1463 of 1959.	M.C. *Vs.* B. V. Godbole ...	Vacant Land at Arthur Road.
52	C.C.C. Suit No. 1467 of 1959.	M.C. *Vs.* M. B. Ghuge ...	Vacant Lnd at Arthur Road.
53	C.C.C. Suit No. 1994 of 1959.	M.C. *Vs.* Fakirmahomed & Another.	Vacant Land at Byculla Station Rood.
54	C.C.C. Suit No. 2421 of 1959.	M.C. *Vs.* Messrs. Gulam Hussein Sadruddin & Co.	Vacant Land at Naigaum Scheme 60.
55	C.C.C. Suit No. 3249 of 1959.	M.C. *Vs.* G. L. Pawar ...	Vacant Land at Worli.
56	C.C.C. Suit No. 3277 of 1959.	M.C. *Vs.* Smt. S. I. Dalvi ...	Vacant Land at Byculla Station Road.
57	C.C.C. Suit No. 4 of 1960.	M.C. *Vs.* T. D. Patel ...	Plot No. M./2 Sydenham Road Estate.
58	C.C.C. Suit No. 5of 1960.	M.C. *Vs.* T. D. Patel ...	Plot No. M/4, Sydenham Road Estate.
59	C.C.C. Suit No. 6 of 1960	M.C. *Vs.* Babubhai Narottamdas ...	Vacant Land at Tardeo Nana Chowk.

CITY CIVIL COURT SUITS AGAINST THE CORPORATION FOR DECLARATION OR INJUNCTION, ETC., WHICH WERE PENDING.

Serial No.	Suit No.	Name of Parties.	Situation of property.	Remarks.
1	C.C.C. Suit No. 2909 of 1959.	Messrs. U. K. Paper Mart *Vs.* R. C. Zaveri & Another.	Arch at Mahalaxmi Overbridge ...	Suit pending.
2	C.C.C. No. 3281 of 1959.	K. A. S. Iyer *Vs.* R. C. Zaveri & Another.	Vacant land at Mahalaxmi Overrbidge.	Do.
3	C.C.C. S it No. 1510 of 1960.	P. Meghji & Others *Vs.* Municipal Corporti vn.	Plot No. 58, Gamdevi Estate ...	Do.
4	C.C.C. Suit No 545 of 1962.	Shri Gopal Krishna Co-operative Housing Society Ltd. *Vs.* Municipal Corporation.	Sion Matunga Estate (East), Plot Nos. 359 to 363.	Do.

WATER WORKS

Shri R. V. Abreu, B.Sc., B. E. (Civil), M. I. E. (India) held the post of Hydraulic Engineer during the year under report.

The Administration Report of the Water Works Department is classified in three mian Sections as under—

Section 'A'.—Pertaining to Budget 'A' City (A to G Wards) and Head Works and trunk mains outside the City limits.

Section 'B'.—Pertaining to Budget 'D' Suburbs—(H. K, L, M, and N Wards).

Section 'C'.—Pertaining to Budget 'F'—Extended Suburbs—(P, R and T Wards).

SECTION 'A'

This report is arranged under the following heads :—

I.—Head Works at lakes and trunk water mains.

II.—Maintenance Branch, Head Works Division.

III.—Maintenance Branch, outside City Division.

IV.—Maintenance Branch, Inside City Division.

V.—Distribution Branch.

VI.—Construction and Remodelling Branch.

VII.—Survey and Design Branch.

VIII.—General.

I.—HEAD WORKS AT LAKES AND TRUNK WATER MAINS

Sources of Water Supply.

(1) The Tansa, Vaitarna, Vehar and Tulsi Lakes recorded a rainfall of 342.44 cms. (134.72 ins.), 355.62 cms. (140.01 ins.), 277.29 cms. (109.17 ins.) and 375.18 cms. (147.71 ins.) respectively. Appendices I and I.-A give information regarding the catchment areas of lakes, full supply levels, rainfalls, overflows contents of lakes, evaporation, etc. Appendices II-A B, C, D and E show graphical grecord of yearly rainfall in the lake areas and the City.

Trunk Mains for conveyance of water.

(2) The location of the lekes and alignment of the trunk mains is shown in Appendix III.

Contents.

(3) The levels of Tansa, Vaitarna, Vehar and Tulsi on the 1st October 1961 were 420.78 T. H. D., 535.27 T. H. D. 264.18 and 456.05 T.H. D. respectively, and the corresponding contents above the lowest outlets of the lakes were 1,77,688 mega litres (39,087 million gallosn), 1,80,293 Ml. (39,660 Mg.), 40,909 Ml. (8,999 Mg.) and 10,201 Ml. (2. 244 Mg.).

The Tansa Lake overflowed for about 51 days and the approximate quantity of water discharged over the the waste weir was about 2,06,213.00 Ml. (45,361.86 Mg.).

The Vaitarna Lake overflowed for about 114 days and the approximate quantity of water discharged over the waste weir was about 12,88,852.31 Ml. (2,83,516.00 Mg.).

The Vehar Lake overflowed for 14 days and the approximate quantity of water discharged over the waste weir was about 2,345.71 Ml. (516.00 Mg.).

The Tulsi Lake overflowed for about 60 days and the approximate quanity of water discharged over the waste weir was about 13,456.03 Ml. (2960.00 Mg.).

Supply Statistics.

(4) An average supply of 915.47 Ml. (201.40 Mg.) per day was given to Greater Bombay during the year. Appendix IV-A, IV—B gives the avergae supply per day during the last 61 years and per capita supply. Appendices IV and V give statistics of supply, and quantity of water used for different purposes respectively.

II.—MAINTENANCE BRANCH HEAD WORKS DIVISION

General.

(5) The jurisdiction of this Division includes :—

(*a*) Vaitarna and Tansa Lakes and Head Works.

(*b*) Trunk Mains upto Pachhapur (about 16 km., *i.e.* 10 miles, from Tansa).

(*c*) Duct Line upto Newada Chowky (about 12 km., *i.e.* 7 1/2 miles, from Tansa).

Maintenance of Vaitarna Lake and Head Works :—

(6) The following are the broad outlines of Maintenance Works at Vaitarna :—

Hydraulic Gates.

(*a*) 15 Nos. of Hydraulic gates as per Appendix VI were maintained during the year.

The Spillway gates functioned satisfactorily. The maximum intensity of flood handled was 63101 cusecs (on 9th October 1961). The lake reached F. S. L. 535.00 T. H. D. on 10th July 1961 when the rainfall recorded at Vaitarna was only 120.82 cms. (47.57 inches).

To scour out the silt, the undersluices were opened for an agregate period of about 80 hours as under :—

OPENED			CLOSED			Sluices remained open for	
Lake Level in feet.	Date.	Time.	Lake Level in feet	Date.	Time.	hrs.	min.
446.25	25-6-1961.	2.40 P.M.	440.10	26-6-1961	11.30 A.M.	20	50
445.00	2-7-1961	5.45 P.M.	466.50	3-7-1961	10.30 A.M.	16	45
474.50	3-7-1961	5.00 P.M.	466.70	5-7-1961	11.30 A.M.	42	30
					Total	80	05

Diesel Power House.

(*b*) The Power House consisting of 3 Nos. or 100 K.W. capacity Diesel Generators, and 440 Volts overhead Transmission lines, of about 4.82 Km. (3 miles) in length, were maintained at Vaitarna to ensure independent and reliable power supply for the operation of the gates, etc. and lighting.

The Power House worked in three shifts. *i.e.* 24 hours, during the monsoon and for 3 months during which the appurtenances of the dam and the intake towar were serviced and in two shifts, *i.e.* 16 hours during the rest of the dry season. A total of 2,57,872 units of electric power were generated during the year.

Plant and Machinery.

(*c*) Plant and Machinery detailed in Appendix VII were maintained during the year and for this purpose a small workshop was also maintained.

Water Supply.

(*d*) A supply of about 136.37 Ml. (30 mg.) of chlorinated water was given to the Municipal Colony and Health Resort Quarters during the year.

Buildings and Roads at Vaitarna.

(*e*) 72 structures at Vaitarna detailed in Appendix VIII, 16.89 Km. (10.5 miles) of asphalted Khardi-Vaitarna Road. and 12.87 Km (8 miles) of kutcha road from Tembha to Belnala were maintained during the year.

The portion of 3.19 metres (10 1/2 feet) horse-shoe tunnel between Belnala Pick-up Weir and Vaitarna about 6.43 km. (4 miles), was inspected by lowering a special tunnel inspection vehicle at the Weir end. The tunnel was found to be in good condition.

The work of construction and resurfacing of the (*i*) approach roads at Vaitarna and (*ii*) the road between Tansa and Vaitarna *via* Belnala was taken in hand by contract. To avoid steep gradient, two major diversions have been proposed. The work is in progress.

Health Resorts.

(*f*) The Health Resort Camp at Vaitarna consisting of three Class I type and six of Class II type quarters, equipped with furniture, crockery and kitchen articles was opened to public from April 1961, and there was good response from the public.

Maintenance of Tansa Lake and Head Works :

(7) The following are the broad details of the maintenance works at Tansa and the rest of the Division :

Automatic Shutters.

(*a*) 38 Nos. of automatic shutters on the spillway and 11 Nos. penstocks in outlet well were maintained. The lake was full and overflowed on 13-7-1961, when the rainfall recorded at Tansa was 124.23 cms. (48.91 inches).

Trunk Mains, Duct, Trolley Track and Embankments.

(*b*) The rollers under 96" main and the expansion joints on all the three trunk mains were maintained and functioned satisfactorily. Details of trunk mains, embankments, culverts, tunnels etc. maintained in the Head Works Division are given in Appendix IX.

Lighting Set.

(*c*) A 10 K.W. 110 Volts D. C. Generating Set was maintained for lighting the bungalow at Tansa. The set was run for four hours a day. The supply during the rest of the day was maintained through the storage batteries. During the overflow period, the spillway was lighted by a 10 K. W. D. C. Generating Set.

Buildings and Roads at Tansa.

(*d*) The buildings detailed in Appendix VII and 12.87 km. (8 miles) of asphalted Tansa-Atgaon Road were maintained.

Prevention of trespassers and Stray Cattle in the Catchment area.

(*e*) The Lake area was patrolled to prevent pollution of water by cattle, etc., about 4 heads of cattle were impounded and about 25 were driven away.

Visitors.

(8) Both Vaitarna and Tansa lakes continued to be popular with picnickers. Total No. of visitors at Vaitarna and Tansa during the year were about 20,620 and 15,750, respectively.

III.—MAINTENANCE BRANCH, OUTSIDE CITY DIVISION.

General.

(9) The jurisdiction of this division includes (*a*) Trunk mains from Pachhapur, about 16 km. (10 miles) from Tansa to Dharavi and Sion (about 77.24 km. (48 miles) from Tansa). (*b*) Duct Line from Nevada Chowky (about 12 km. (7.5 miles) from Tansa) to Ghatkopar Syphon Head and (*c*) the Lakes and Head Works at Vehar, Tulsi and Powai.

The Branch is entrusted with the work of repairs and mainteance of Trunk Mains, Embankments, Cuttings, Culverts, Bridges, Trolley Tracks, Head Works at Lakes, disinfection of water supply, maintenance and repairs to vehicles, trolleys and other machinery, and maintenance of buildins.

Maintenance of trunk mains, Embankments and Duct Line.

(10) The statistics of trunk mains, embankments, culverts, tunnels, etc. maintained during the year are given in Appendix IX.

(11) There were two major bursts on trunk mains, one at Balcum on 72" East main at 49 km. (Mile 30/3) on 6-5-1961 and the other at Kurla on 24" Vehar Main at the junction of Magan Nathu Road and Agra Road on 15-1-1962.

Both the bursts were due to the deteriorated condition of the mains and works of repairing them were taken in hand expeditiously.

The 72" East main was repaired by welding a 183 cms. X 91 cms. (6' × 3') steel patch over the breached portion and the main was put into commission within 24 hours.

The burst on the 24" C. I. Vehar main had occured at a depth of 3.65 metres (12') under the road and the damaged pipe was passing from under a culvert. A portion of approximately 36.57 metres (120 rft.) in length was, therefore, first isolated by blank-flanging the two ends, and the supply was restored by feeding the separated section from the other end. This work was done within 36 hours. Later a steel pipe section 38 metres (125') long was laid along a convenient diverted alignment and dierct supply was restored by connecting the blank-flanged ends. This part of the work was done in 15 days.

Total cost of repairing these bursts was about Rs. 8,000 and Rs. 2,000 respectively.

(12) 104 Nos. major and 3,200 Nos. minor leaks on the trunk mains, 160 Nos. leaks in the masonry duct duct and 2,060 Nos. leaks in Syphon mains were repaired during the year.

(13) About 14,455 sq. metres (1,55,600 sq. ft.) surface of steel mains of various sizes was painted during the year.

About 455 sq. metres (4,900 sq. ft.) of stone pitching and Cu. metres (40,000 Cft.), of earth filling was done for maintenance of trolley track and embankment.

The 48" and 50" dia. mains of Syphon No. 6 were re-graded at an approximate cost of Rs. 5,000.

Maintenance of Plant, Equipment and Motor Trollies.

(14) Five heavy and seven light trollies and two locos were maintained during the year at an approximate cost of Rs. 39,000. The total distance covered by them was 1,21,365.55 km. (75,412 Miles).

(15) Motor Vehicles and Equipments such as compressors, welding plants, concrete mixers, lighting set, outboard and inboard engines for boats were maintained, details of which ware given in Appendix X.

Diesel Power House.

(16) A Power House having three numbers of 24 K.W., 40 H. P. diesel driven generator sets was maintained at Powai to supply power to the Central Chlorination House. This Plant generated a total of 1,66,678 units.

Repairs and Maintenance of Structures.

(17) The structures detailed in Appendix XI and also the bridges and culverts for trunk mains and trolley track were maintained during the year at a total cost of about Rs. 16,950.

Refreshment Stall in Powai Park.

(18) A building for a refreshment stall in the Powai Park was constructed departmentally at a cost of about Rs. 15,200.

Prevention of Trespassers and stray cattle in the Catchment area.

(19) In order to maintain purity of water received from the Catchment area of the lakes, the vigilance against trespassers and stray cattle was continued. 45 heads of cattle were impounded and 500 driven out from the Catchment areas.

(20) The strip of Municipal Pipe Line land from City to Tansa was closed for use by unauthorised persons for one full day in December 1961. The closure was done in Sections.

Public Gardens and Parks attacehd to Vehar, Tulsi and Powai lakes.

(21) Eleven gardens in Outside City division were maintained during the year. The Vehar Lake and Garden and the Powai Park continued to be popular with the public, especially on Sundays and Holidays. Advantage of the road joining Aarey Colony and National Park at Borivli which passes along the boundary of Tulsi Lake was taken by the Public and a large number of picnickers visited Tulsi Lake.

Disinfection of Water Supply.

(22) The Tansa Supply was disinfected by chlorine treatment at Bhandup and Powai. The dose of chlorine varied from about 0.8 to 1.6 milligrams/litre. Excepting duct supply, which chlorinated and ammoniated at Bhandup, ammoniation was not done during the year.

Vehar supply was disinfected at the Central Chlorination Plant at Powai. The dose varied from 1.4 to 2.00 milligrams/litre.

Tulsi supply was given alum treatment for coagulation and all seven rapid sand filter beds were kept in continuous use. After filtration, the water was disinfected by chlorine treatment. Chlorine dose varied from 1.1 to 2.00 milligrams/litre. The dose of alum varied from 5.29 to 20 milligrams/litre.

Fabrication of Loco.

(23) To save Foreign Exchange, one loco, 8 to 10 Tonnes capacity and one trailer were fabricated in Ghatkopar Workshop for the use of Duct Renovation Division of Master Plan Works. The work was finished in eight months at a cost of about Rs. 23,000 .To facilitate maintenace, the parts utilized were such as can be made in any good workshop or freely available in market.

Repairs to Expansion Joints on 96" Vaitarna Mains.

(24) About 51 Nos. of Expansion Joints in Kasheli division and 2 Nos. of Jamboli division were in need of urgent repairs. Many of these were leaking heavily. The two joints in Jamboli division were repaired in April while those in Kasheli division were attended to after the monsoon, the work being taken up in four sections from 18th November 1961 to 6th January 1962.

Maximum No. of joints repaired at a time were 19 Nos. requiring about 350 workmen, the main was out of commission for about 28 hours on each occasion. Total cost of these repairs was about Rs. 21,000; average per joint being Rs. 410.

IV.—MAINTENANCE BRANCH (INSIDE CITY DIVISION)

General.

(25) This Branch is concerned with the maintenance of Water Works inside the City comprising of repairs and maintenance of Water mains, hydrants, fountains, cattle troughs, water works buildings and structures, plants and machinery, cleaning of consumer's pipe and fittings, making new connections on Municipal mains upto 2" size, operation and maintenance of chlorination plants at City Service Reservoirs, portable chlorination plants for re-chlorinating distributing mains, maintenance of five gardens, *viz.* (1) Hughes Road slope Gardens, (2) Sir Pherozshah Mehta Gardens (also known as Hanging Gardens) on the top of Mahalabar Hill Reservoir, (3) The Joseph Baptista Gardens on the top of the Bhandarwada Hill Reservoir, (4) Ladies and Children's Gardens at Ridge Road and (5) Kamala Nehru Park, and maintenance of the Water works Workshops at Delisel Road, Chinchpokli.

Maintenance of water mains and hydrants.

(26) A total length of 771.78 km. (497 mls.) of water mains was maintained during the year. There were 96 bursts on the mains as per details given in Appendix XII all of which were promptly attended to. During the course of the year, 60294 works as compared with 50352 during 1960-61 were carried out pertaining to repairs to communication pipes cleaning of chokes in service pipes, cleaning of meter strainer, giving new connections, metering of existing connections, removing and refixing of meters, etc. The total cost of general works and repairs was about Rs. 1,40,000. This cost is exclusive of the cost of staff on permanent establishment working on these works. To give speedy relief to the consumers in the event of chokes of pipes and meters, breaking of service pipes connections, etc. Three stand-bygangs (*viz.* one gang from 1 P.M. to 9.00 P.M. and two gangs from 4.00 P.M. to 12.00 Midnight) were maintained to carry out emergent works. 7008 repair jobs of fire hydrants in the City were carried out. 679 sluice valves ranging from 6" to 48" size were repaired during the year.

Number of Water connections and Trenches.

(27) The total number of water connections to different premises in the City was 70527, *i.e.* a net increase of 1623 over the last year's figures. The number of new connection made during the year was 1963 against 1529 during the preceding year. Out of 1963 connections, 1842 were granted at parties' cost and 121 from Municipal funds. 10,220 trenches of varying lengths and depths were excavated for making connection and for general repairs and maintenance works all over the City. Authorities for restoration of trenches taken in roads were sent promptly to the Zonal Officers so as to enable them to take up the work early.

Cleaning of consumers pipes and fittings, and removing chokes in communication pipes in Dadar-Matunga area.

(28) The Dadar-Matunga area received supply from the Vehar Lake, As this water has a high percentage of algae and shells, which cause frequent chokes in communication and consumer's pipes. The work of cleaning communication and consumer's pipes and fittings was done departmentally by a specially appointed staff. 624 connections having a total length of about 35.0 km of consumers pipes of different sizes were cleaned at a cost of about Rs. 7000 (*Vide* Appendices XIII A and B) Also, 28 dirt boxes of sizes ranging from 4" to 12" were cleaned every month during the year.

Cleaning of Meter Strainers.

(29) On receipt of complaints, 6311 meter strainers were cleaned during the year as against 4682 during the preceding year.

Pumps.

(30) 9 Nos. of pumping sets of total of 1060 H.P. were maintained for supplying water to elevated areas within the City limits, at a cost of about Rs. 93,000. In addition to these 5 Nos. of pumping sets were maintained for playing fountains and for watering the Reservoir Gardens.

Stand-by pumps on hire.

(31) 8 Nos. of portable domestic pumping sets were given on hire for short periods to tide over the break-down period of pumping unit in private buildings, at a nominal charge of Rs. 2 per day, exclusive of transport and fixng charges.

Maintenance of Chlorination Plants inside the City.

(32) For keeping the required standard of residual chlorine in mains inside the City, rechlorination was done by injecting an extra dose of chlorine into the trunk mains at Futka Tank, Malabar Hill Reservoir and Bhandarwada Hill Reservoir. As the permnent chlorine plant of Worli Hill Reservoir was not ready, the inlet was chlorinated by means of a portable chlorination plant. In addition to this, the newly laidwater mains and certain mains in the City, the water of which did not show good results on analysis, were re-chlorinated by means of two portable chlorination sets of 4 lbs. capacity each. Besides Chlorination, ammoniation by using Ammonium Sulphate was also done at Malbar Hill and Bhandarwada Hill Reservoirs. The total consumption of chlorine and Ammonium Sulphate in the City was about 1,49,178.82 kg. (3,28,950 lbs.) and 46.704.15 Kg. (102986 Lbs) respectively, during the year.

Repairs to Buildings.

(33) 32 water works buildings, comprising of workshops, control rooms, pumping stations, chlorination plants, residential quarters for staff and tenements for low income groups, were maintained during the year at a cost of Rs. 30,000.

Transport.

(34) 13 petrol driven motor vehicles, 2 diesel motor lorries and 45 material handcarts, were maintained for transport of men and material. Total distance covered by the petrol driven vehicles was 164892.8 km. (1,02,460 Mls.) against 12,5374.8 km. (77,904.17 Mls). The 2 diesel motor lorries covered 12802.2 km. (7954.78 Mls). against 24,168.0 km. (15,017.27 Mls.) last year. In addition to the above vehicles, 30 mobile plants such as a crane, air compressors, concrete

mixers, tractors, dewatering pumps.lighting sets, etc. were maintained during the year. For emergency fire service, three motor vans were utilized, one at 'E' Ward Office, another at 'F' South' Ward Office and the third at 'G/South' Ward Office. One more van was used for the work of collecting samples of water by the Municipal Analyst throughout Grater Bombay limit.

Testing of water fittings

(35) The work of testing galvanised pipes, cast iron pipes galvanised iron fittings, such as couplings, bends, tees, elbows, etc., brass and gun metal fittings such as ferrules, stop-taps,bib-taps, waste-not taps, ball-cocks, pillar taps, flush valves, underground and stand-post hydrants, cast-iron and porcelain water closet cisterns, canvas hose pipes, etc., was carried out during the year at the Water Works Workshop, DeLisle Road, Chinchpokli, In some cases, testing was done at site. The total number of such pipes and fittings tested was 495310 (out of which 416014 were for private parties and the remaining for Municipal works) as against the previous year's total of 750537. The revenue derived from testing of pieps, fittings, etc. for private parties amounted to about Rs. 55,341 as against Rs. 53,000 in the previous year.

Meters.

(36) During the year, the total number of meters maintained was 14,294 Nos. (*Vide* Appendix XIV) 1,240 Nos. of new meters of ½' size were received during the year against the order placed during the yer 1960-61. 3245 Nos. Municipal meters and 803 Nos. Private meters of different sizes were tested at Municipal Meter Testing Shop. In addition to this 1,193 Nos. new meters of private parties were tested, of which 993 Nos. which passed the test were sealed and the remaining were rejected. The revenue derived from testing of meters during the year was about Rs. 4,970.

During the year,2,049 Nos. Municipal meters were repaired in Municipal MeterRepairs shop at DeLisle Road. 2,365 Nos. of meters were replaced on connections, 824 Nos. meters were removed and refixed after being repaired, tested and sealed, 1,303 Nos. New meters were fixed on new and exiting connections.

Maintenance of Drinking Fountains and Cattle Troughs in the City.

(37) Some of the drinking fountains and cattle troughs had to be temporarily closed down and kept in disuse on account of frequesnt thefts of fittings by miscreants. Flora Fountain was regularly played during the afternoon and the fountain was flood lit during the night.

Maintenance of Gardens.

(38) All the five gardens mentioned in paragraph(25) were maintained durings the year at a total cost of about Rs. 43,000. The Kamala Nehru Park and Sir Pheorzeshah Mehta Gardens were illuminated with multi-coloured lights on all Saturdays, Sundays, and Public Holidays except during monsoon, Special illumination arrangements were made on Republic Day on 26-1-1962.

Scraping of mains.

(39) During the year about 1,435.29 metres (4709.11 Rft.) of water mains of various sizes were scraped with the help of the pipe scraping machine for impoving their discharging capacity

Improving Water Supply of Municipal Buildings.

(40) For attending promptly to the complaints regarding water supply from the tenants of Municipal Chawls and buildings in charge of the Executive Engineer (Estate and Land Management), special staff consisting of one Sub-Engineer, three Fitters and nine Labourers was appointed and during the year 1,1747 jobs of different types were carried out in Municipal buildings.

New Works.

(41) During the year, 24 new works as detailed in Appendix XV were carried out by this Branch.

V.—DISTRIBUTION BRANCH.

General.

(42) This Branch deals with the distribution of water supply within City limits and is divided in three Sections, *viz.* South (A, C and D Wards), North (F and G Wards) and the Central (B and E Ward). Each of these Section deals with the work of distribution and regulation of supply, short supply complaints, Court actions for enforcement of provisions of the Municipal Act relating to public and private water supply, investigation of wastage in Municipal and private mains and fittings, re-washering of leaky taps, issuing of notices for defective fittings and metering of water supply and all matters pertaining thereto.

There is a Central Control Station established at Babula Tank Road under the Assistant Engineer, Distribution (Control) mainly for control and regulation of supply and also to deal with emergencies such as fires, bursts, etc. This Assistant Engineer is also in charge of the Central Section. The Babula Tank Control Station maintains a record of half hourly levels in Reservoirs and pressures at all repesentative stations on the trunk mains right from the sources, and hourly dischages from major trunk mains feeding the distribution system. This station also records and forwards to the Wards concerned complaints received on telephone from the public. The station is manned for 24 hours and is responsible for control operations within City limits and on all the trunk mains including connections feeding the Suburbs and the Extended Suburbs.

Distribution of Supply.

(43) For the purpose of distribution of supply, the City is divided into four main divisions, *viz.* (*a*) Area getting supply from Malabar Hill Reservoir, (*b*) Area getting supply from Bhandarwada Hill Reservoir, (*c*) Area served by Worli Hill Reservoir and (*d*) Area served by direct supply. The details of areas served by the three Reservoirs and the direct supply area are shown in Appendix XVI.

The Thakurdwar Outlet which was put out of commission on 24th November 1959 to facilitate sewer construction work in Queens's Road was put back into comission on 25-2-1962 and as a result, pressures in the Girgaum and Charni Road area showed improvement.

The newly laid 48" Nesbit Road Outlet was commissioned on 27-3-1962 which marked a step in the ultimate zoning of the Malbar Hill Reservoir district.

The works of conversion of the 36" Inlet to Bhandarwada Hill Reservoir into an outlet was in progress during the year.

Worli Hill Reservoir.

(44) A notable feature in the distribution of the City's Wate r Supply was the commissioning of the Worli Hill Reservoir on 6-10-1961. This reservoir has a capacity of 22.72 Megalitres. (5 million gallons) In the Master Plan for the distribution of water supply, the duty assigned to this reservoir is 10 million gallons per day to feed an area bounded by Old Prabhadevi Road on the North, Hornby Vellard on the South,the Sea Face on the West and on the East a line running North South, through a point mid-way on the Globe Mill Passage.

With the commissioning of this reservoir, there was an improvement in supply in the Worli neighbourhood unit and the B. D. D. Chawls areas.

Hours of Supply.

(45) The hours of supply to the different localities in the City are shown in Appendix XVII. Towards the end of the year, due to the increased consumption, it was observed that the Reservoir levels were falling rapidly and it became necessary to curtail the evening supply by about 15 minutes, *i.e.* from 2 1/2 hours to 2 1/4 hours.

Average daily quantity of water.

(46) The average quantity of water per day brought to the City and Suburbs and Extended Suburbs was as follows :—

		In Mega Litres.	In Million Gallons.
City	...	735.94	162.10
Western Suburbs	...	77.00	16.09
Eastern Suburbs	...	86.51	19.05
Extended Suburbs (West)	...	26.32	5.77
Extended Suburbs (East)	...	4.21	0.90
Total for Greater Bombay	...	929.98	203.91

Short Supply Complaints.

(47) During the year, 8,657 Nos. of complaints were received as against 5,369 during the last year. On investigation these were found to be due to either fall in pressures in the Distribution System or to defects in the cnsumer's service pipes. A comparative statement of short supply complaints received during the last 15 years is given in Appendix XVIII. In addition to the above, 28,788 Nos. of complaints on account of temporary shortage of supply due to chokes and leakages in consumer's pipes and fittings and wastage on premises were received and were remedied.

Notices and Prosecutions.

(48) Municipal Commissioner's notices for improvement of private suply under Section 274(1) of the Bombay Municipal Corporation Act, were issued in 526 cases and under Section 271(2) in 85 cases in respect of premises which were without Municipal water supply. The number of prosecutions launched during th year was 620. The number of convictions was 312. 94 cases were withdrawn after compliance with the notices and 195 cases were pending disposal at the end of the year. The total amount of fines recovered was Rs. 2,816.50. Besides the above, 4,681 notices under Section 278(2) of the Bombay Municipal Corporation Act. were served on the owners for defects in water fittings, excluding those in respect of unauthorised works infringing the provisions of Section 287-A and B of the Municipal Act and non-compliance of Water Bye Laws. Arising out of these, 1,061 prosecutions were launched. The number of convictions was 695 and the amount of fines recoverd was Rs. 4,273.

Court work continued to be conducted by the Ward Sub-Engineers Reluctance on the part of the landlords to comply with our requisitions gave rise to our actions being frequently challenged on purely legal grounds and it became increasingly difficult for the Sub-Engineers to deal with the situation and in many cases assistance of the Solicitor to the Corporation was sought to conduct contested cases.

Disconnecting Water Supply.

(49) The number of cases reported to the Standing Committee for severing water connections for non-payment of taxes and using unmetered water supply was ,1572 as against 1,154 in the previous year. In 160 cases, the supply was closed but subsequently restored. In 56 cases, the water connections were cutoff. In the remaining cases the execution of Disconnection Orders were not carried out as the consumers complied with the Municipal requirements.

Fire Attendance.

(50) The total number of calls received by the Distribution Branch from the Fire Brigade department was 1985 as against 1,969 received during the previous year. Out of these, 500 calls were false, 156 calls were on account of collapse of houses and 21 calls were on account of serious fires. As per the estimate of the Fire Brigade department, the total quantity of water actually used to put out the fires was about 10.75 ml. (2.38 M.g.). However, because of the fires a far greater quantity of water was consumed for domestic and other purposes, as high pressue supply had to be given fo the duration of the fire emergencies in the localities in which they occurred. In order to enable the staff to attend fires rpomptly, three vans, one at 'E' Ward, another at 'F/South' Ward Office and the third at the 'G/South' Ward Office were maintained.

Revenue from metered connections.

(51) The total revenue derived from water supplied by meter measurement was Rs. 2,97,96,337 for the City only as against Rs. 2,32,17 ,686 during the previous year. The metering programme was continued during the year. The total number of restaurants metered was 2.045 against 103 during the previous year.

Meter.

(52) 13,768 meters of sizes varying from 1/2" to 12" were on the connections during the year. The number of meters exchanged was 3,442. 3,818 meters were fixed on new connections and 1,314 meters were removed from the existing connections.

Progressive Metering Programme.

(53) During the year under review, 205 new poperties were metered. Programme of progressively metering all domestic supply in the City was stopped due to the shortage of meters caused by the restriction of their import. Metering programme was, therefore, restricted to trades and new residential buildings on flat system.

Quality Control of Water Supply and Waste Prevention Work.

(54) This Section deals with the following :—

General-

(*a*) Quality Control of Water Supply for purposes of maintaining a desirable standard of purity ;

(*b*) Regular detection and prevention of leakage in water mains and its appurtaenances and service pipes;

(*c*) Regular house to house inspection and rewashering of leaky taps. (This is for the present restricted to City only).

(*d*) Gauging of water mains all over Greater Bombay by Pito-meter to determine the flow of water.

Sampling.

(55) I n the twelve wards (A, B, C, D,E, F, G, H, K, L., M and N) of the City and Suburbs, there were per Ward two sets of six sampling points, each numbered 1 to 6. These sampling points were on service mains and were so selected as to represent the Quality of Water Supply at the consumer's and in the entire Distribution System of Greater Bombay.

Samples were collected by a Mobile Squad of trained personnel of the Municipal Anallyst's Department every day except on Sundays, from each Ward. As many areas in the City were in receipt of intermittent supply. sampling was done during evening supply hours between 4 P,M. and 11 P.M.

Samples for Bacteriological examination were collected each day from one set of like-numbered sampling points in each Ward and while collecting the samples, the resideual chlorine was determined with the help of chloroscops equipped with special glass for night reading. The sampling points were rotated each day to cover the entire Ward in one week. The next week, the procedure was repeated with the other set of sampling points. Thus each sampling point was repeated once a fortnight and 72 samples were collected each week. In all 3,746 routine samples were collected.

In addition to the above, special samples were collected in area where contamination was suspected on account of incidence of enteric fever in those areas, and also from localities where complaints of odor and turbidity in water supply were received. Special samples were also collected from areas where renewal of all communication pipes was done in order to assess the extent of improvement in the Quality of water. The total number of such special samples collected during the year was 5663.

For routine chemical analysis, 15 samples were taken once a fortnight. These comprised three samples of raw water from the lakes collected by the Assistant Engineers in charge of Lakes and 12 samples of treated water in Greater Bombay (one from each of the 12 Wards) collected by the Municipal Analyst's staff. The total number of routine samples collected for chemical analysis during the year was 360. In addition, 144 special samples were collected by this Department for chemical analysis.

Evaluation of samples and detecion and removal of sources of contamination.

(56) Wherever evaluation of samples collected indicated contamination or where contamination was obvious due to the presence of foul smell in the water, detection of leakage (possible source of contamination) was done by sounding of underground water mains and appurtenances and communication and consumer pipes and fittings, with the help of an electronic underground leakage detector., by the use of sounding rods an d also by inspection of exposed consumer pipes, specially in house gullies. Defects thus detected were rectified by taking one or more of the following measures;

(*a*) Hydrants in the locality were flushed.

(*b*) Breaks in communication or consumer pipes were repaired, corroded portions were renewed and pipes in the vicinity of the drains were diverted and re-aigned.

(*c*) Leaky Hydrants and Sluice Valves were repaired and underground Hydrants in the vicinity of drains were converted into Stand Post Hydrants.

(*d*) Disused connections were cut off on the water mains.

(*e*) Consumer's pipes in the gullies were raised so as to bring them well above the level of sullage water in gullies.

(*f*) Leaks in water mains were repaired.

Besides the measures taken as stated above, intensive disinfection of the service and distributory mains in areas likely to be affected by polution, was done by means of mobile chlorinators until the source of contamination was detected and removed and subsequent samples were found potable.

Routine Hydrant flushing.

(57) In order to remove the accumulated silt in the water mains and appurtenances, Hydrants in the seven Wards of the City were flushed once every two months on an average. The to tal number of times the Hydrants were so flushed during the year was 47,361.

Special measures in congested localities.

(58) The work of replacement of all the communication pipes by new pipes wrapped in bituminised hessian cloth and laying duplicate water mains in wide roads in 'C' Ward and a part of 'D' Ward sanctioned by the Corporation under their Resolution No. 1439 of 20-12-1960, which was started in the preceeding year (October 1960), was completed during the year under report. Due to completion of this work, incidence of sewage contamination in this area was considerably reduced.

A similar scheme for 'B' and 'E' Wards was sanctioned by the Corporation under their Resolution No. 1170 of 4-1-1962 and work in 'B' Ward was commenced.

During the year under review, 12,281 Nos. of communication pipes were renewed and 586 Nos. of disused connections were cut off on the water mains. Total lengths of 318.51 metres (1,045 Rft.) of 4" mains, 3668.64 metres (11,905 Rft.) of 6" mains and 2505.76 metres (8,221 Rft.) of 9" mains were laid during the year in the wide roads of the the above area.

Standard of Bacteriological Quality.

(59) Out of 3,746 routine samples taken during the year, 93.08 per cent. of the samples were free from Coliform Bacteria. Thus Purity of Bombay's Water Supply conformed to the International Standard for drinking water prescribed by the World Health Organisation.

Detection and Prevention of Wastage.

(60) Detection of wastage was done by using an electronic leak detector and by sounding underground water mains and appurtenances and communication pipes during the early morning supply hours, and by inspection of consumer's pipes and fittings above ground. About 580.97 km. (361 miles) of mains from 3" to 57" diameter were sounded. As many as 1,357 Nos. underground and 1,489 Nos. above ground defects were detected and rectified.

Re-washering.

(61) The re-washering work done is shown in Appendix XIX. The work of house to house inspection of leaky taps and fitting throughout the City was continued.

Pitometer Gauging.

(62) 470 Pitometer observations were taken during the year to gauge the quantity of water conveyed by the trunk and distributory mains mainly to find out the monthly break-up of the total supply in the different supply zones of Greater Bombay.

Works in connection with the resurfacing programe of Major Roads.

(63) This Section was also entrusted with the work of renewal of communication pipes by wrapped pipes, etc. in roads taken up for resurfacing with a view to reduce the opening of these roads, after resurfacing for purposes of repairs to underground utilities of this Department to a minimum. Special staff was appointed for this work and during the year under report, 230 Nos. of communication pipes were renewed in different roads, 53 Nos. of disused connections were cut off on the water mains, 60 Nos. of new Masonry Chambers were contructed over appurtenances and 22 Nos. of redundant appurtenances in the carriage way of these roads were removed. Total lengths of 48.76 metres (160 Rft.) of 3" hydrant mains and 38.10 metres (125 Rft.) of 6" service mains were also laid during the year under report.

VI.—CONSTRUCTION AND REMODELLING BRANCHES.

Merger of both branches

(64) The Remodelling Branch which was specially created in the year 1955 to carry out the works of Remodelling the Distribution System in the City at an approximate cost of Rs. 87,27,075 was merged with the construction branch with effect from 1-6-1961, as most of the work envisaged under the Scheme were completed. The combined branch comprising of the staff of both the branches, handled all the works in connection with laying of mains and other miscellaneous works within the old city limits.

Categories of Works done.

(65) The activities of the Construction Branch can be divided into 3 major heads as shown below :—

(*i*) *Scheduled works (to the extent of funds available in Loan Works 'A' Budget)* :

(*a*) Laying mains for suplementing and expanding the Distribution net-work in the City.

(*b*) Replacing and enlarging the corroded service mains.

Detailed works done under this head are shown in Appendix XX.

(*ii*) *Unscheduled works* :

(*a*) Laying, supporting and diverting of water mains, sluice valves, etc. to facilitate works of sister Departments.

(*b*) Making cross-connections, laying service mains, etc., in the properties in charge of other departments.

(*c*) Making cross-connections, providing sluice valves, etc. ,for improvement of Distribution System.

(*d*) Repairing major leaks on trunk mains in the City.

(*e*) Making new connections of sizes 3" and above.

Details of works done under this head are shown in Appendix XXI.

(*iii*) *Special Works* :

(*a*) Laying water mains in connection with the Quality Control Works.

(*b*) Conversion of underground hydrants into stand-post hydrants to prevent the possibility of contamination of water.

(*c*) Laving duplicate mains wherever necessary in roads taken up for resurfacing by City Engineer's Department.

Details of works under (*a*), (*b*), (*c*) above are given in the Appendix XXII.

(*d*) Cleaning of the service reservoirs at Worli and Malabar Hill.

(*e*) Gunlting of about 1.2 km. length of 57" Tansa mains in Gokhale Road at an approximate cost of Rs 2,66,000.

(*f*) Strengthening of external walls of compartment II of the Bhandarwada Hill Reservoir.

To strengthen the old masonry work of the reservoir which was built in the year 1884, a total length of 3000 meters of holes was drilled in the external masonry walls of Compartment No. II, and cement grout was injected in the same. About 174 tons of cement was injected. The approximate cost of the work was Rs. 1,77, 000.

(*g*) Fabrication of steel pipes and specials.

When cast-iron specials were unsuitable or unavailable, steel specials as required were fabricated departmentally by using the plate-rolling machine and welding as necessary. 300 meters of steel pipes and 10 tons of steel specials were fabricated during the year.

The overall cost of works handled by this branch was approximately Rs. 28,00,000. Most of the works were carried out departmentally, making full use of the existing heavy machinery.

General. The total strength of subordinate staff at the peak of the working season was 850 including daily-wage labour staff.

VII.—SURVEY AND DESIGN BRANCH.

(66) This branch is entrusted with the work of maintaining records of water mains and fittings, designing new water mains and other structures, and preparing plans and estimates for the same, maintaining statistics of lake levels, storages, discharges, rainfall, chemical and bacteriological analysis, etc., maintaining records of lands in charge of this department, preparing estimates for compounded extra charges for water used for construction purpose, vrifying tenders, contract and measurements of contract works, and attending to miscellaneous administrative matters of technical nature.

General.

(67) Several proposals for laying water mains for improvement and expansion of the distribution system were formulated during the year and plans and estimates as detailed below were prepared :—

Preparation of Plans and Estimates.

Budget.	Plans.	Estimates.	Estimtted cost.
			Rs.
A	104	72	67,64,427
D	28	27	62,75,917
F	24	19	40,05,546
Total ...	156	118	1,70,45,890

(68) 913 Estimates of compounded water charges for water used for construction purposes in the City were framed as against 928 in the preceeding year resulting in a total revenue estimated to yeild Rs. 5,95,243 as against Rs. 5,03,883 in the preceeding year. In addition 546 estimates for the D and F Budget areas, as against 983 in the preceeding year were framed resulting in a revenue estimated to yield Rs. 1,86,345 as against Rs. 3,01,037 in the preceeding year.

Compounded Water Charges for water used for construction purposes.

(69) Statements and reports of (*a*) Lake level, (*b*) Storage of water, (*c*) Discharge through trunk mains, (*d*) Rainfall in different districts, (*e*) Bacteriological and chemical analysis of water, (*f*) Short supply complaints, (*g*) Defects found on mains and service pipes, (*h*) Chlorine and Amonia dosages and (*i*) Venturi meter charts were maintained.

Maintenance of Statistical Data.

Quarterly, Monthly and Weekly (during monsoon only) statements in respect of item Nos. (*a*), (*b*), (*c*) and (*d*) were submitted to the Standing Committee.

VIII.—GENERAL.

(70) The following Welfare Activities were sponsored in the City, Outside City and the Head Works Divisions during the year :—

Welfare Activities

(*a*) A Sports Club equipped with several Indoor Games like Carrom, Draughts, Table Tennis, etc., and with open playground for Outdoor Games like Volley Ball, Badmington, Cricket, Hututu, etc., was run at Vaitarna.

(*b*) A Welfare Centre-*cum*-Sports Club similarly equipped was run at Ghatkopar. This Centre also maintained a Sewing Machine.

(*c*) A Welfare Centre equipped with a radio, several Indoor Games like Carrom, Chess, Table Tennis, etc. and Musical Instruments like harmonium, tabla, etc., was run at Maintenance Yard DeLisle Road Facilities for playing Outdoor Games like Volley Ball, Hututu, Badmington, were provided in the compound of Municipal Primary School opposite the Yard. One Sewing Machine was also maintained at this Centre and ladies of the Municipal employees took advantage of the same. Free film shows were arranged at the Centre showing films on health, sanitation and prohibition. The average daily attendance at the Centre was about 50 to 60 persons.

(*d*) The Ganpati Festival was organised and celebrated at Vaitarna Camp, Ghatkopar Yard and DeLisle Road Maintenance Yard by the staff of respective Divisions, meeting the cost from private voluntary contributions by the staff. The Outside City division also organised and celebrated the "Satyanarayan Puja" in a similar manner.

(*e*) Lower Primary Schools were run by the Local District Boards at Vaitarna and Tansa in School buildings provided by the Corporation.

(*f*) The Radio Set installed at Tansa for the entertain ment of the staff was maintained.

(71) During the year under report, Dispensaries at Ghatkopar, Powai and Kapurbawdi were maintained in the Ouside City Division with the help of one Medical Officer and three Compounders. In the Head Works Division, dispensaries were maintained at Tansa and Vaitarna with the help of one Medical Assistant. The same Medical Assistant also looked after the dispensary of the Vaitarna-*cum*-Tansa Scheme and Master Plan Branch at Agra Road.

Medical Aid.

The attendance at the abovementioned five dispensaries were as under :—

Serial No.	Dispensary.	New Patients.	Old Patients.
1	Ghatkopar	1,926	9,700
2	Powai	1,406	5,583
3	Kapurbawadi	959	4,200
4	Tansa	1,340	2,135
5	Vaitarna	2,110	5,989

Out of the above 5 dispensaries, the Powai dispensary was financed by Vaitarna-*cum*-Tansa Scheme Branch and part cost for the dispensary at Tansa was also borne by the same Branch upto the end of November 1961. The rest of the expenditure on the Dispensaries was borne by this Department.

The Medical Officer of the Outside City division paid 39 visits and attended Powai Dispensary thrice a week.

The Medical Assistant of the Head Works Division visited patients along the Trolley Line upto Agra Road twice a week.

Malaria, Anaemia, Round Worms, Bronchitis, Dysentery, Diarrhoea, Skin Diseases and accidental injuries were generally prevelent among the employees attending the dispensaries. During the epidemic of Small Pox, all the Municipal employees in the Outside City and the Head Works division were vaccinated. The staff quarters were sprayed with D. D. T. once a month and at Vaitarna, this D. D. T. service was also rendered to the Plot holdrs in the shopping area every alternate month. Breeding places of mosquitoes were treated with pastrine mixture and D. D. T. solution,. These antimalaria measures were very helpful in keeping down incidence of Malaria during the year.

Milk Distribution Scheme.

(72) During the year under report, the Lions Club of Bombay continued to give free Milk Powder obtained from the CARE and Lions International Organisation. Liquid milk prepared from the powdered milk was supplied free of charge to the children upto an age group of 8 years, of those workers of the Water Works Department whose salary did not exceed Rs. 100 per month. Distribution of milk was done at the following Centres:—

(*i*) Water Works Chawls at Malabar Hill Reservoir.
(*ii*) Water Works Chawls at Bhandarwada Hill Reservoir.
(*iii*) Water Works Chawls at Babula Tank Control Station.
(*vi*) Water Works Chawls at Souter Street.
(*v*) Water Works Chawls at Maintenance Yard, DeLisle Road.

The Centre at Bhandarwada Hill Reservoir was closed with effect from August 1961 on account of a great reduction in the number of children due to curtailment of the staff. Throughout the year, milk was supplied at all other centres, except for short periods of stoppages due to unavoidable circumstances. The staff attending to preparation of liquid milk and distribution of the same was paid an honorarium of Rs. 10 per month by the Lions Club of Bombay.

Establishment.

(73) The details of the superior staff of the Water Works Department are shown in Appendix XXIII. The total No. of scheduled superior staff during the year was 220 under 'A' Budget, and the establishment cost thereto amounted to Rs. 7,79,255. The labour staff during the year numbered about 1963 and its establishment cost was Rs. 19,67,897. The temporary staff, both superior and inferior was 28 and 947 respectively with a total establishment cost of Rs. 5,23,030. There was no occasion to bring into effect the provisions of the Bombay Municipa l Servants Act, 1890 and no award of adjudication was declared during the year.

Joint Councils.

(74) During the year under report, a Joint Council for the Executive staff consisting of 2 Officers of the department with the Hydraulic Engineer as the Chairman and 3 members of the staff representing Municipal Executive Staff Union, with the Honorary General Secretary of Union continued in office but no meeting was held.

The Joint Labour Council, consisting of 5 Officers of the department with Hydraulic Engineer as the Chairman, 5 members of the staff consisting of labour representatives and Labour Officer as the Ex-Officio Member continued to function during the year under report as a new Council could not be formed due to lack of information regarding percentage of representation of the two Unions. During the year only one meeting was held.

Cost.

(75) (*a*) Revenue—The total expenditure incurred on Water Works amounted to Rs. 4,05,31,692 which include Rs. 3,23,69,868 as interest, sinking funds, charges, etc. for loans raised for Water Works, Rs. 12,45 209 for proportionate charges for a General Superintendence and Revenue Collection and Rs. 3,78,4 3 for Provident Fund and Pension Charges, the total revenue derived from Water Works was Rs, 3,81,85,731 the deficit being Rs. 23,45,961.

(*b*) Loan Fund—The total expenditure incurred during the year out of Loan Funds fund was Rs. 65,94,692.

APPENDIX I

(*Vide* Para No. 1)

Statistics of the Lakes for 1961-62.

Serial No.	Particulars.	Tansa.	Vehar.	Tulsi.	Powai.	Vaitarna.
1	Distance from Bombay (Town Hall) in Kilometres (miles) by road ...	106 (66)	29 (18)	35 (22)	27 (17)	119 (74)
2	Water spread at full supply level in square Kilometres (square miles) ...	19.24 (7.38)	7.16 (2.81)	1.29 (0.52)	2.33 (0.86)	8.48 (3.30)
3	Total catchment area in square Kilometres (square miles)	135.96 (52.50)	18.84 (7.32)	6.75 (2.61)	6.73 (2.58)	450.54 (174.00)
4	Total rain fall in centimetres (inches)	342.44 (134.72)	277.29 (109.17)	375.18 (147.71)	281.50 (110.83)	355.62 (140.01)
5	Average rain fall of the preceeding 5 years	305.30 (120.20)	313.56 (123.45)	366.24 (144.19)	337.54 (132.89)	352.06 (138.61)
6	Number of wet days	103	114	116	105	122
7	Fluctuation in rainfall as compared with preceding 5 years ...	+37.14 (14.52)	−36.27 (14.28)	+8.94 (3.52)	−56.04 (22.06)	+3.56 (1.40)
8	(*a*) Number of days in which rainfall was moderate between 3 cms. (1") and 5 cms. (2")	18	14	18	15	19
	(*b*) Number of days in which rainfall was rather heavy between 5 cms. (2") and 10 cms. (3")	8	9	7	8	17
	(*c*) Number of days in which rainfall was heavy exceeding 10 cms. (3") ...	14	8	14	8	10
9	Maximum rainfall in centimetres (inches)	16.05 (6.32)	13.99 (5.51)	26.28 (10.35)	14.90 (5.87)	17.24 (6.79)
10	Date of maximum rainfall	6-7-61	19-8-61	4-7-61	4-7-61	3-7-61
11	The lake commenced to overflow when the rainfall amounted to cms. (inches) ...	124.15 (48.88)	245.51 (96.66)	176.19 (69.37)	110.64 (43.56)	119.73 (47.14)
12	Date on which the lake started overflowing	13-7-61	3-9-61	24-7-61	18-7-61	10-7-61
13	Date on which the lake stopped overflowed	13-9-61	16-9-61	13-10-61	13-10-61	1-11-61
14	Number of days the lake overflowed	51	14	60	66	114
15	Quantity of water that overflowed over the waste-weir in mega litres (million gallons)	2,06,213 (45,361.86)	2,345.71 (516.00)	13,456.03 (2,960.00)	19,720.36 (4,338.00)	12,88 852.39 (2,83,516)
16	Quantity of water overflowed equivalent to number of days of supply to Greater Bombay	225	2	15	21	1,408
17	Full supply level of the lake in Town Hall Datum in metres (feet)	128.62 (422)	80.64 (264.70)	139.14 (456.60)	59.43 (195.00)	163.06 (535.00)
18	Total Contents of the lake at full supply level in mega litres (million gallons)...	1,84,838 (40,660)	41,464 (9,121)	10,428 (2,294)	5,455 (1,200)	1,80,293 (39,660)
19	Highest level reached during the year in T.H.D. in meters (feet)	128 62 (422)	80.77 (264.98)	139.59 (457.92)	59.58 (195.68)	163.24 (535.70)
20	Date on which the highest level was reached	19-7-61	11-9-61	27-7-61	27-7-61	18-7-61
21	Levels of the lowest outlets in metres (feet)	114.30 (375.00)	70.25 (230.50)	121.22 (397.75)	... ...	127.04 (416.88)
22	Contents of the lake at the level of lowest outlet in mega litres (million gallons) ...	...	...	...	...	24,957 (5,490)
23	Drawable contents above the lowest outlet in mega litres (million gallons) when the lakes are full	97,120 (21,364)	1,673 (368)	2,437 (536)	427 (94)	12,279 (2,701)
24	Lowest level reached during the year in T.H.D. in metres (feet)	123.44 (405.02)	70.94 (232.62)	131.17 (430.28)	54.66 (179.30)	131.90 (432.53)
25	Date on which the lowest level was reached	24-6-61	22-6-61	22-6-61	20-6-61	19-6-61
26	Contents of the lake at the lowest level reached in maga litres (million gallons) ..	97,120 (21,364)	1,673 (368)	2,437 (536)	427 (94)	12,2791 (2,709)
27	Lake level in Metres (feet) on 1st October 1961	128.23 (420.78)	80.46 (264.18)	138.98 (456.05)	59.25 (194.75)	163.13 (535.27)
28	Drawable contents of the lakes in mega litres (million gallons) on 1st October 1961	1,77,688 (39,037)	40,909 (8,909)	10 201 (2,244)	5,346 (1,176)	1,80,293 (39,660)
29	Quantity of water required to fill up the lakes, to full supply level from the lowest level reached, in mega litres (million gallons)	87,718 (19,321.14)	39,791 (8,764.53)	7,991 (1,760.13)	5,028 (1,107.48)	1,68,014 (37,000)
30	Percentage run off into the lake from the catchment as per rainfall registered at the lake	88.80	67.01	73.40	...	77.30
31	Quantity of water brought into the City and Suburbs Including Extended Suburbs during the year in mega litres (million gallons)	2,93,354 (64,531)	34,616 (7,615)	5,722 (1,259)	...	...
32	Average quantity of water brought into the City and Suburbs Including Extended Suburbs per day in mega litres (million gallons)	803.67 (177.01)	94.82 (20.88)	15.63 (3.44)	...	...
33	Total loss of water due to evaporation, leakage and absorption in mega litres (million gallons) during the dry-period of 7 months	32,446 (71.37)	5,194 (1,134)	2,322 (533)	... ...	13,180 (2,899)
34	Average loss of water per day due to evaporation and other losses during the dry months in mega litres (million gallons)	153.07 (33.66)	24.50 (5.39)	10.95 (2.51)	... ...	62.13 (13.67)
35	Total loss of water due to evaporation only in mega litres (million gallons) for 7 dry months of the year.	16,169 95 (3,556.94)	3,975.40 (874.59)	836.41 (184.12)	... ...	6,055.17 (1,331.94)
36	Average loss of water per day due to evaporation only in mega litres (million gallons) for the 7 dry months of the year.	76.27 (16.77)	18.75 (4.12)	3.94 (0.86)	... ...	28.56 (6.28)

(Vide PARA No. 4)

Supply Statistics (1961-62.)

(1) Quantity of water supplied to the Greater Bombay during the year in Mega Litres.	3,39,453.03	(74,549.12 m.g.)
(2) Quantity of water supplied to the City proper during the year in Mega Litres ...	2,68,618.14	(59,166.99 m.g.)
(3) Quantity of water supplied to the Greater Bombay during the previous year in Mega Litres.	3,33,817.10	(73,527.99 m.g.)
(4) Increase over the previous year's supply in Greater Bombay in Mega Litres ...	329.59	(72.50 m.g.)
(5) Quantity of water supplied to Thana Municipality, Nowpada and Kopri Colony in Mega Litres not included in Item No. 1 above	2,959.40	(651.85 m.g.)
(6) Total quantity of water supplied to all concerns outside the limits of Greater Bombay in Mega Litres including Item No. 5 above	5,040.10	(1,110.15 m.g.)
(7) Average dialy supply during the year to City proper in Mega Litres	735.94	(161.90 m.g.
(8) Average daily supply during the year to Greater Bombay in Mega Litres ...	915.47	(201.40 m.g.)
(9) Average dialy supply during the previous year to Greater Bombay in Mega Litres.	914.56	(201.20 m.g.)
(10) Increase over previous year's average daily supply to Greater Bombay in Mega Liters	0.91	(0.20 m.g.)
(11) Population of the City as per Census Report of 1961	27,71,933	
(12) Population of the Suburbs as per Census Report of 1961	10,36,585	
(13) Population of the Extended Suburbs as per Census Report of 1961	3,43,538	
(14) Population of Greater Bombay as per Census Report of 1961	41,52,056	
(15) The maximum supply per day during the year on 15th December 1961 in Mega Litres	961.92	(215.10 m.g.)
(16) The minimum total supply per day during the year on 4th December 1961 in Mega Litres	677.80	(149.10. m.g.)
(17) Total quantity of water conveyed by the two 72" and 96" mains during the year in Mega Litres	2,93,899.94	(64.735.66 m.g.)
(18) Total quantity of water transferred from Duct to Vehar in Mega Litres... ...	2,601.32	(572.99 m.g.)
(19) Total quantity of water transferred from Vaitarna to Tansa in Mega Litres ...	1,14,834.58	(25,260.79 m.g.)
(20) Average quantity of water conveyed daily by the two 72" and 96" mains in Mega Litres	805.20	(177.15 m.g.)
(21) Total quantity of water conveyed by the Duct during the year in Mega Litres ...	35,288.46	(7,772.78 m.g.)
(22) Average quantity of water conveyed daily by the Duct in Mega Litres	96.68	(21.25 m.g.)
(23) Total quantity of water conveyed by the 48" Vehar main during the year from Vehar Lake in Mega Litres	34,615.66	(7,624.59 m.g.)
(24) Average quantity of water conveyed by the 48" Vehar main from Vehar Lake in Mega Litres	94.83	(20.85 m.g.)
(25) Total quality of water conveyed by the 24" Tulsi main during the year in Mega Litres	5,722.45	(1,260.47 m.g.)
(26) Average quantity of water conveyed dialy by the 24" Tulsi main during the year in Mega Litres	15.67	(3.45 m.g.)
(27) Quantity of water supplied for domestic purposes during the year to the City in Mega Litres	1,73,817.56	(38,283.70 m.g.)
(28) Quantity of water supplied for domestic purposes during the year to the Suburbs in Mega Litres	32,076.57	(7,065.32 m.g.)
(29) Quantity of water supplied for domestic purposes during the year to the Extended Suburbs in Mega Litres	4,641.19	(1,022.28 m.g.)
(30) Quanitity of water supplied for domestic purposes during the year to Greater Bombay in Mega Litres	2,10,525.76	(46,371.29 m.g.)
(31) Average quantity of water supplied for domestic purposes per head per day to the the City in Litres	171.72	(37.80 gallons)
(32) Average quantity of water supplied for domestic purposes per head per day to the Suburbs in Litres	84.89	(18.60 gallons)
(33) Average quantity of water supplied for domestic purposes per head per day to the - the Extended Suburbs in Litres	37.08	(8.20 gallons)
(34) Average quantity of water supplied for domestic purposes per head per day to Greater Bombay in Litres	138.96	(30.55 gallons)
(35) Average daily supply for all purposes per head per day to the City in Litres ...	265.47	(58.40 gallons)
(36) Average dialy supply for all purposes per head per day to the Suburbs in Litres ...	157.24	(34.60 gallons)
(37) Average daily supply for all purposes per head per day to the Extended Suburbs in Litres	90.23	(19.85 gallons
(38) Average daily suppay for all purposes per head per day to the Greater Bombay in Litres	223.98	(49.25 gallons)
(39) Percentage of water supplied for domestic purposes to total supply in Greater Bombay...	61.99	
(40) Percentage of water supplied for other purposes to total supply in Greater Bombay	38.01	

APPENDDIX V (*Vide* Para No. 4)

Statement showing the quantity of Municipal water used for different purposes during the year 1961-62 :—

Serial No.	Particulrs.	Quantity in Mega Litres.	Quantity in Million Gallons.	Percentage.	Remarks.
1	Milch Cattle Stables ...	71.90	15.85	0.026	Metered.
2	Other Stables ...	80.47	17.68	0.290	,,
3	Textile Mills ...	22,024.51	4,850.00	8.291	,,
4	Dyeing Printing and Bleaching Mills ...	2,671.42	586.55	0.950	,,
5	Gymkhanas Playgrounds, etc. ...	419.20	91.35	0.156	,,
6	Race Course ...	143.12	31.55	0.053	,,
7	Industries @ Rs. 2.70 ...	2,532.94	557.21	1.552	,,
8	Industries @ Rs. 3.30 ...	4,198.10	924.63	0.940	,,
9	Industries @ Rs. 3.80 ...	597.07	132.00	0.222	,,
10	Laundries and Dhobighats ...	1,072.57	235.85	0.360	,,
11	Lodging and Boarding Houses ...	505.92	111.20	0.188	,,
12	Hotels ...	718.69	158.26	0.287	,,
13	Restaurants ...	2,666.47	857.52	0.952	,,
14	Flour Mills ...	83.97	18.51	0.031	,,
15	Private Hospitals ...	240.32	52.93	0.089	,,
16	Railways ...	5,355.38	1:180.00	2.070	,,
17	Bombay Port Trust (Departmental) ...	6,028.36	1,328.50	2.332	,,
18	Bombay Port Trust (Non-Departmental)	1,577.54	343.85	0.638	,,
19	Private Markets ...	240.32	52.93	0.099	,,
20	Bakeries ...	97.28	21.42	0.046	,,
21	B. E. S. & T. Undertaking Properties	443.23	97.58	0.175	,,
22	Municipal Dhobighats ...	494.80	108.80	0.190	,,
23	Cultivating Lands ...	5.12	1.12	0.005	,,
24	Construction Works (Metered) ...	306.13	67.35	0.120	
25	Construction Works (Unmetered) ...	1,322.76	297.56	0.422	Unmetered.
	Total supply for non Domestic Purposes	53,895.59	12,148.20	20.218	
26	Fire Purposes ...	10.75	2.38	0.004	Unmetered.
27	Municipal Construction Works ...	55.19	12.15	0.020	,,
28	Road Watering and Cleaning and Flushing Gullies ...	546.66	120.30	0.204	,,
	Total supply for Public Purposes ...	54,508.19	12,283.03	20.446	
29	Domestic Supply to City—				
	(*a*) Metered including residential quarters of Mills, Govt. Properties, B. E. S. & T., B, P. T. ,etc. ...	35,626.97	38,215.00	64.454	Per capita consumption for domestic purposes is 171.79 litres. (37.83 gallons) per head per day.
	(*b*) Metered supply to City Bungalows with gardens ...	97.89			
	(*c*) Unmetered ...	1,38,092.39			
30	Leakage (Estimated) ...	40,292.70	8,862.50	15.100	
	Total quantity of water supplied to the City ...	2,68,618.14	59,360.53	100.000	
	Suburbs : Percentage				
	(*a*) Domestic (32,076.57 Ml. : 7,065.32 m.g.) 53.83	50,676.20	11,162.15	85.05	Per capita consumption for domestic Purposes is 84,89 Litres (18.60 Gallons) per head per day.
	(*b*) Non-Domestic (18,599.63 Ml. : 4,096.83 Mg.) 31.22				
	(*c*) Unaccountable loss such as leakages, bursts, dewatering of mains during Construction and repairs work, unauthorised use of fire-hydrants and fire-fighting ...	8,915.12	1,963.68	14.95	
	Total quantity of water supplied to Suburbs ...	59,591.32	13,125.83	100.00	
	Extended Suburbs :				
	(*a*) Domestic (4,641.19 Ml. : 1,022.28 m.g. : 41.64 percent.) ...	9,798.97	2,158.35	87.91	Per capita consumption for domestic purposes is 37.08 Litres (8.20 gallons) per head per day.
	(*b*) Non-deomestic (5,157.78 Ml. : 1,136.07 m.g. : 46.27 per cent.) ...				
	(*c*) Unaccountable loss such as leakages, bursts, dewatering of mains during construction and repairs works, unauthorised use of fire-hydrants and fire-fighting ...	1,348.48	297.02	12.09	
	Total quantity of water supplied to Extended Suburbs ...	11,147.45	2,455.37	100.00	
	Grant Total ...	3,39,453.03	74,769.38	...	

Note :—The total quantity of water supplied to the City, Suburbs and Extended Suburbs, *i.e.* Greater Bombay was 3,39,453.03 Megalitres (74,769.38 Million Gallons).

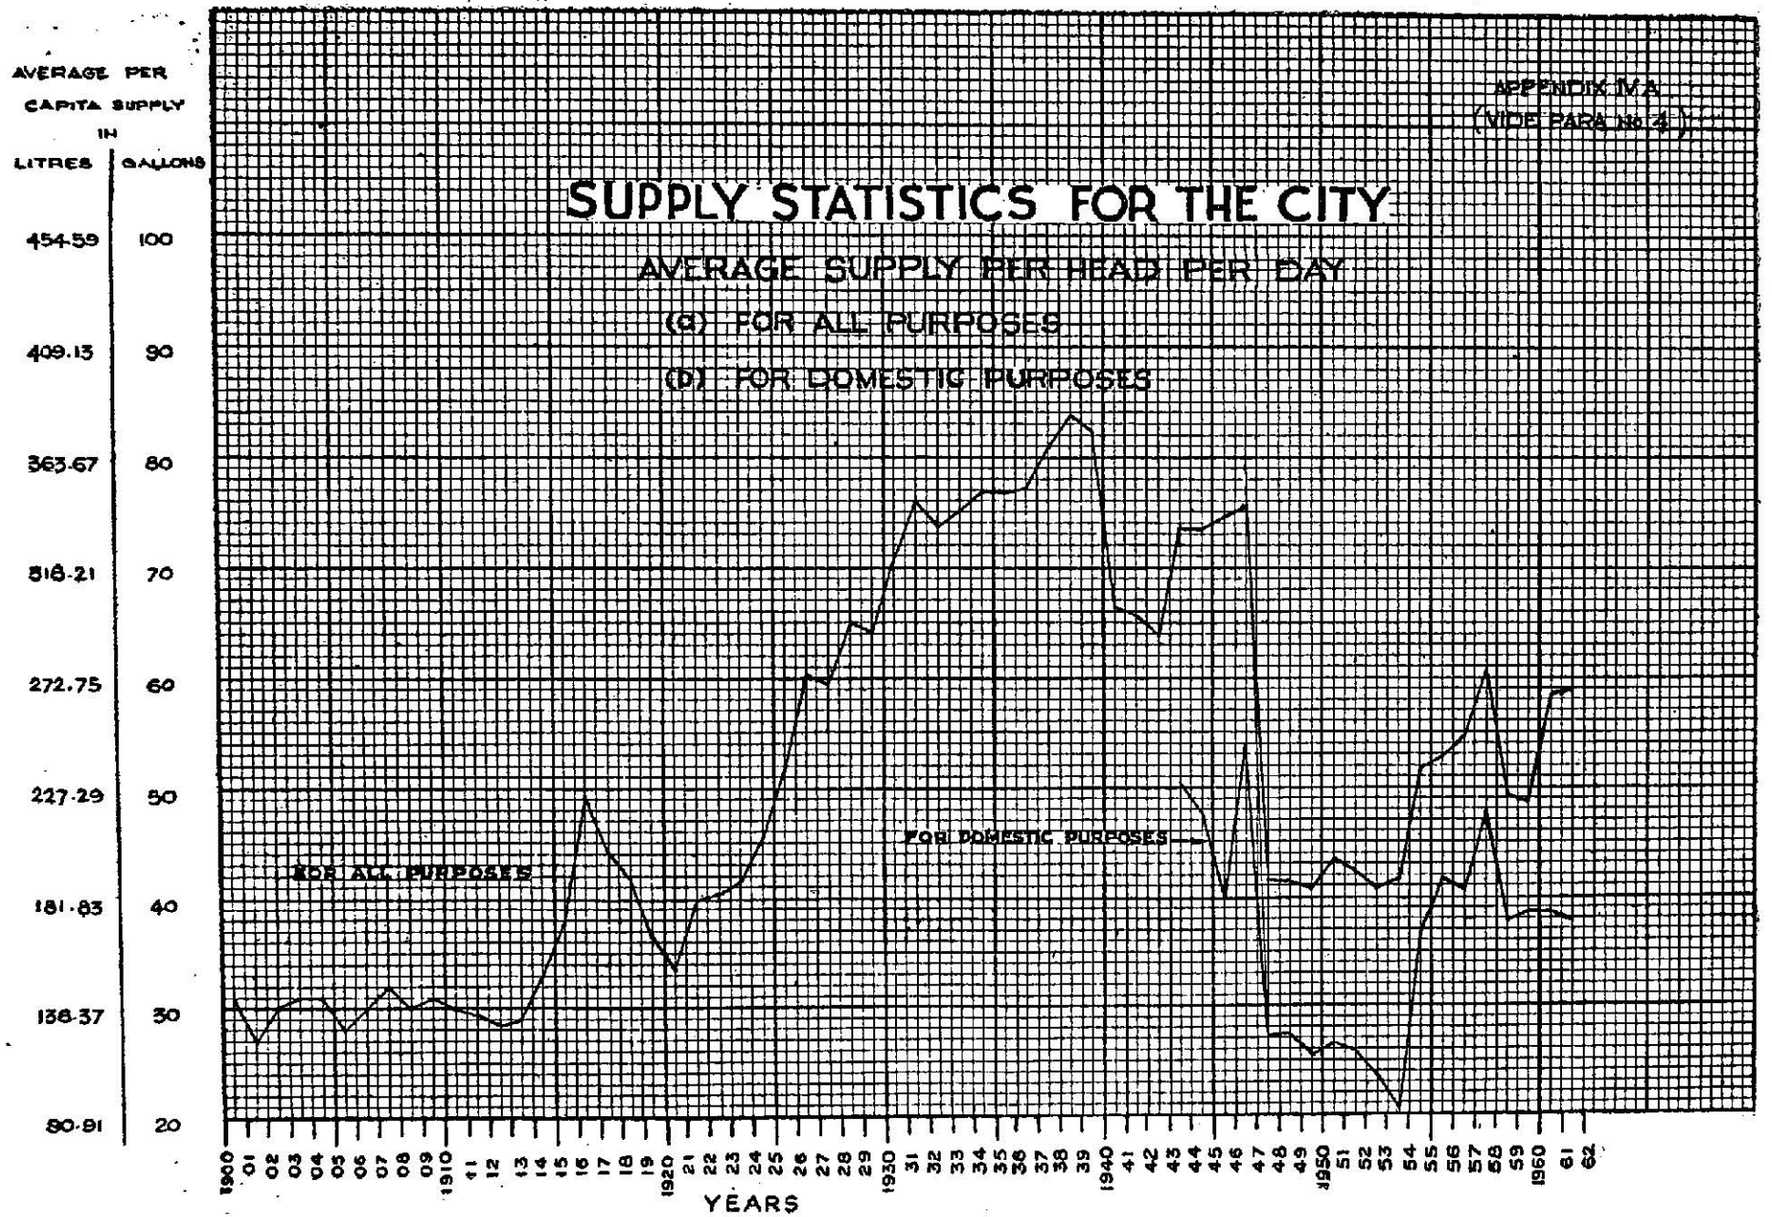
APPENDIX IV A
(VIDE PARA No. 4)

SUPPLY STATISTICS FOR THE CITY

AVERAGE SUPPLY PER HEAD PER DAY

(a) FOR ALL PURPOSES

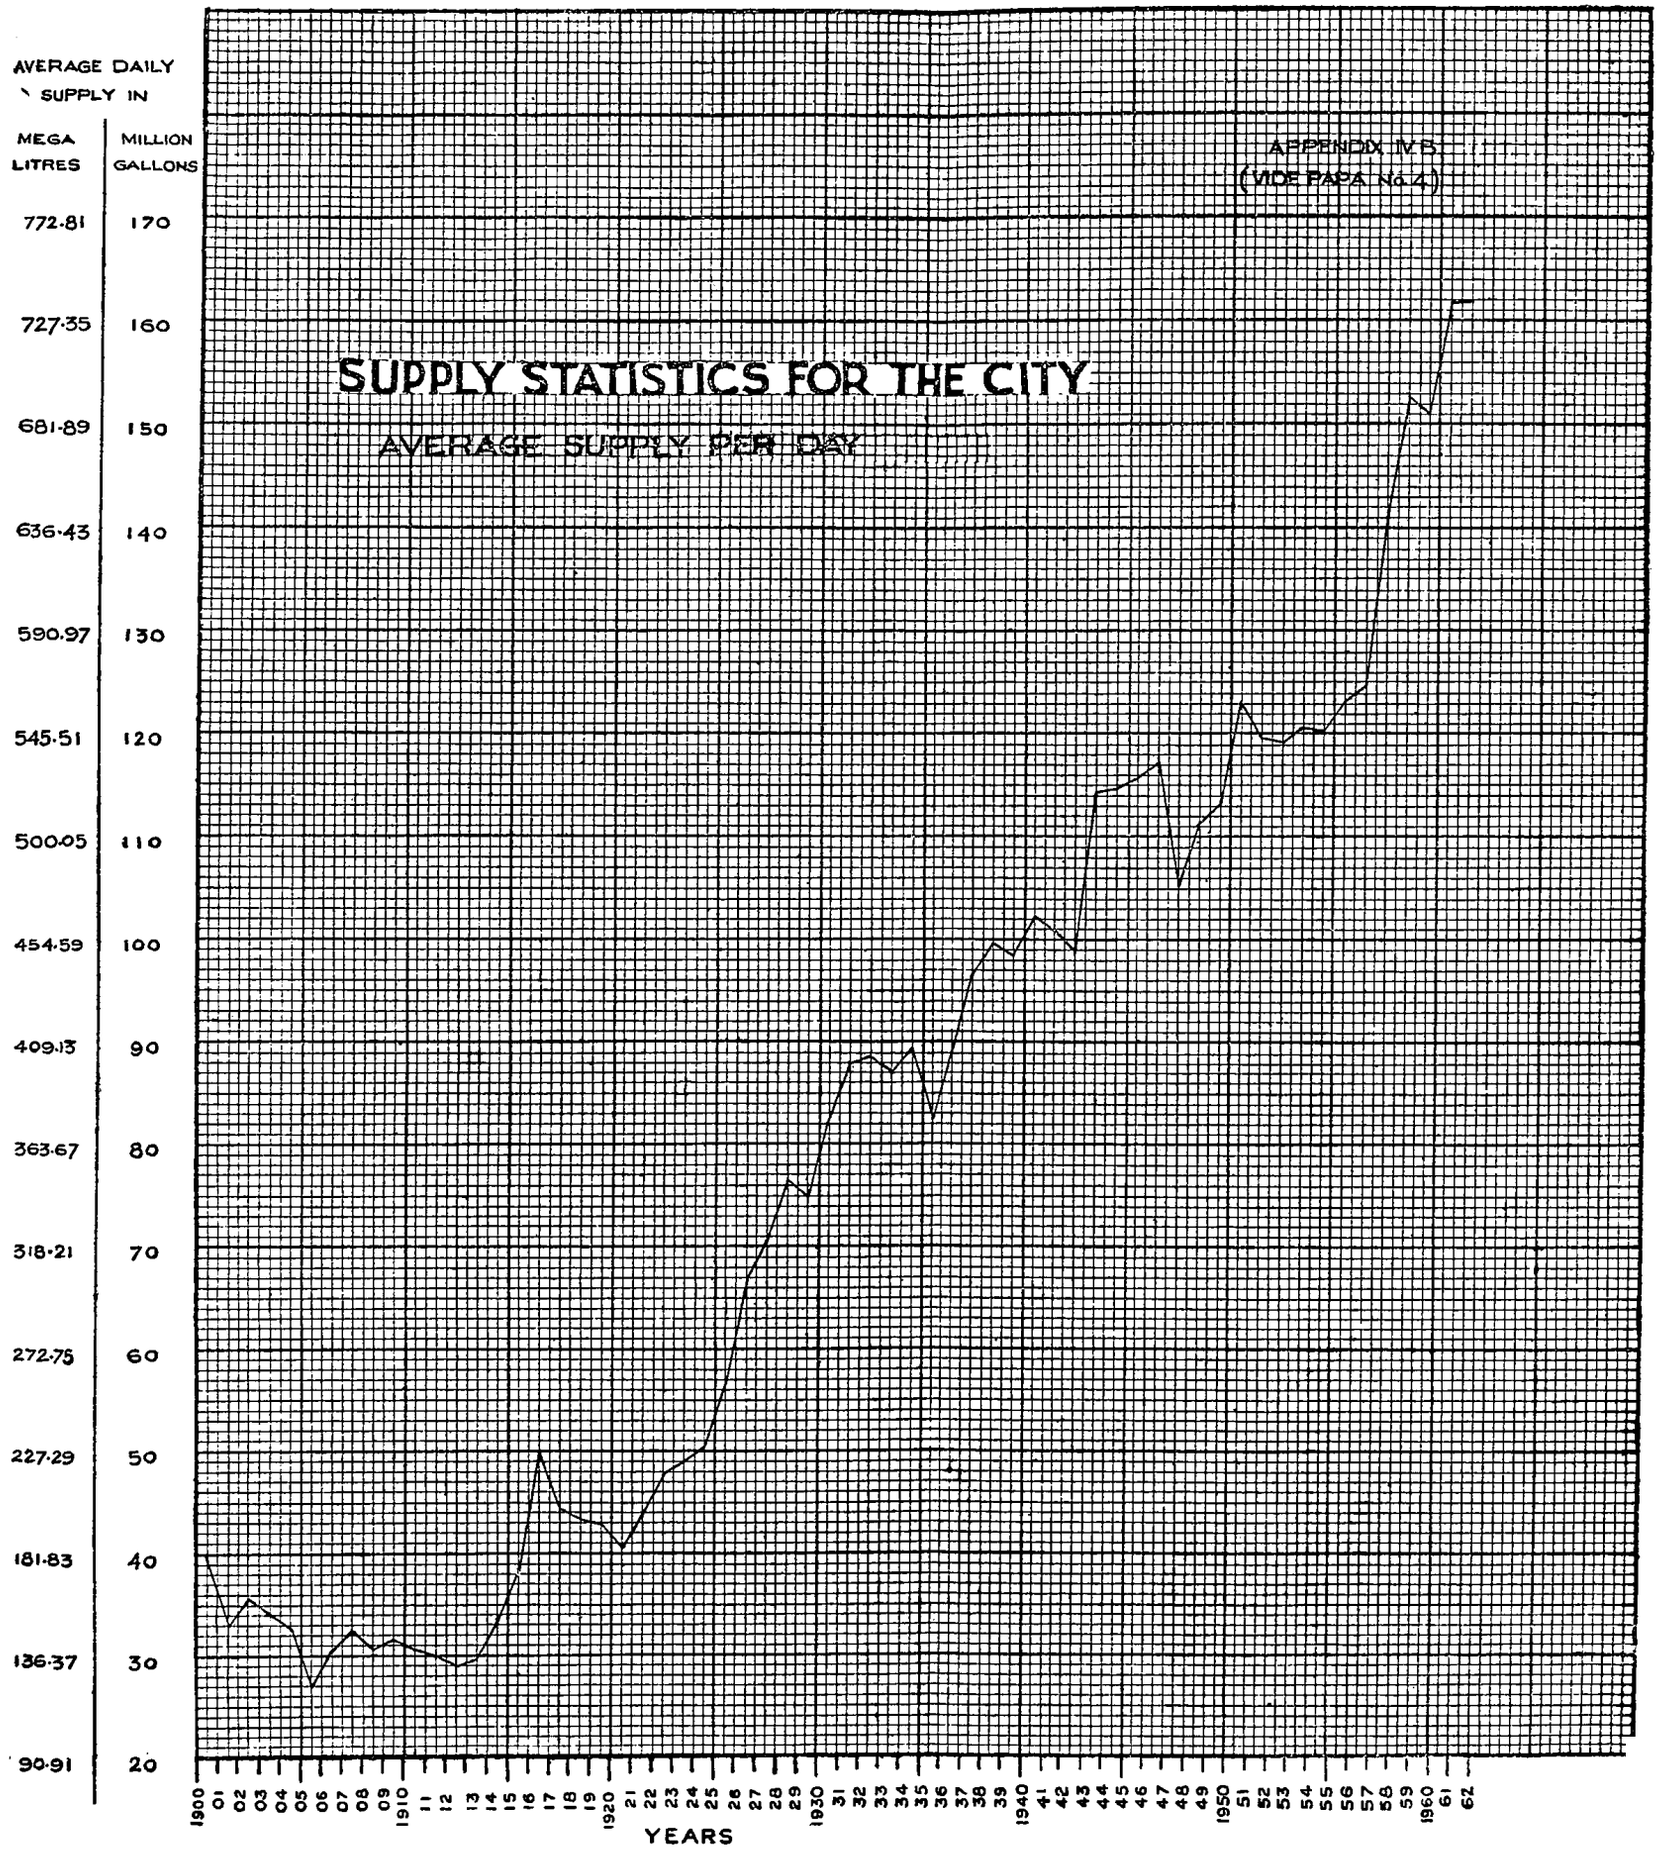
(b) FOR DOMESTIC PURPOSES



APPENDIX IV B
(VIDE PARA No. 4)

SUPPLY STATISTICS FOR THE CITY

AVERAGE SUPPLY PER DAY



APPENDIX VI (*Vide* Para. No. 6a)

Details of the Hydraulic Gates in the Head Works Division :—

Place.	Where fitted.	Nos.	Type.	Size.	Max. head of operation.
Vaitarna ..	Spillway ..	4	Tainter gates (electrically operated).	40′×26′	26.5 ft.
Do. ..	Do. ..	4	Tainter gates (Bouyancy operated).	Do.	25.40 ft.
Do. ..	Under Sluices ..	2	Stoney gates (main).	15′-6″× 6′-6″	167′-0″
Do. ..	Do. ..	1	Circulating rollers type.	19′-6″× 6′-6″	Balance load operation.
Do. ..	Intake Tower ..	1	Stoney gate.	13′-0″× 6′-6″	Do.
Do. ..	Do. ..	1	Circulating rollers type.	16′-6″× 6′-5½″	Balance load operation.
Belnalla ..	Bifurcation chamber...	2	Do. ..	13′-1½″× 7′-6″	Do.
Tansa.	Automatic Shutters (with concrete counterweights) spillway.	38	Automatic shutters.	50′×4′	4 ft.

APPENDIX VII (*Vide* Para No. 6c)

Details of the Plants, Machinery and Tools in the Head Works Division :—

Serial No.	Category.	Vaitarna Nos.	Tansa Nos.
1	Petrol Truck ..	1	..
2	Jeep ..	1	..
3	Tunnel Inspection Vehicle ..	1	..
4	Garage Compressor ..	1	..
5	Portable Welding Transformer ..	1	..
6	Out Board Petrol Engines ..	2	1
7	Inboard Diesel Engine ..	..	1
8	Chlorination and Filteration Plant ..	1	..
9	Motor Cycle ..	1	..
10	Electrically driven pumping units ..	5	..
11	Diesel driven pumping unit ..	..	1
12	Work-shop ..	1	1
13	Power House ..	1	1
14	110 Volts D. C. Diesel Generating Set ..	..	1 Transferred
15	G. M. C. Diesel Generating set ..	..	1 to Asstt. En-
16	G. M. C. Road Roller (Diesel) ..	1	.. gineer Duct
17	Control Tower ..	1	... Renovation.

APPENDIX VIII (*Vide* Para No. 6e& 7(*d.*)

APPENDIX XIIIA (*vide Para. No.* 28)

Details of consumers' Pipes Cleaned in F Ward during the year 1961-62 :—

Size of Connections.	No. of Connections cleaned.	Length of pipes cleaned in metres
½″ (13 mm.)	149	11,421
¾″ (20 mm.)	301	15,009
1″ (25 mm.)	115	6,001
1¼″ (32 mm.)	48	1,896
1½″ (38 mm.)	9	430
2″ (50 mm.)	2	232
Total ...	624	34,989 (1,14,763.92Ft)

APPENDIX XIII-B (*vide para. No.* 28)

Deatails of Communicating Pipes cleaned in F Ward during the year 1961-62 :—

Size of Connections.	No. of Connections.		
	Full of Shells Mossa nd Incurstation.	Connections found broken	Total
1/2″ (13 mm.)	741	32	773
3/4″ (20 mm.)	1,507	51	1,558
1″ (25 mm.)	799	14	813
1¼ (32 mm.)	245	3	248
1″ (38 mm.)	132	3	135
2″ (50 mm.)	15	2	17
Total ...	3,439	105	3,544

APPENDIX XIV (*vide para. No.* 36)

Particulars of Municipal meters in the City 1961-62 :—

Size of meters.	Nos.
1/2″ (13 mm.)	6,238
¾″ (20 mm.)	2,624
1″ (25 mm.)	1,855
1½″ (38 mm.)	1,472
2″ (50 mm.)	1,302
3″ (76 mm.)	364
4″ (102 mm.)	302
6″ (153 mm.)	74
8″ (203 mm.)	59
12″ (305 mm.)	4
Total :	14,294

APPENDIX XV. (*Vide* PARA 41).

New Works.

(1) 72" Venturi Meter on 72" Vaitarna Inlet at Mahim was installed.

(2) 30" Electrically operated Sluice Valve in place of 32" Double Gate hand operated Sluice Valve on the 32 Nesbit Road Outlet from Compartment No. I at Bhandarwada Hill Reservoir was installed.

(3) 32" Electrically operated Sluice Valve was installed in place of 32" Double Gate' hand operated Sluice Valve on 32" Nesbit Road Outlet from Compartment No. II at Bhandarwada Hill Reservoir.

(4) 60 H.P. Motor Driven Pump was installed at Parel Pump House.

(5) Electrically operated Level Recorders were installed on Compartment No. I and III at Bhandarwada Hill Reservoir.

(6) 5 Nos. Decon Meter removed from water mains in 'C' Ward.

(7) 6" main shifted at Bapu Khote Street.

(8) Providing Shed at Parel Pump House.

(9) Providing storage tank at Victoria Cross Lane Maternity Hospital.

(10) Providing temporary sheds on stand pipes in Parel Village : 3 Nos.

(11) Providing new cabin at Dagadi Building, Bhoiwada for Electric Pump.

(12) Providing W.C. and Bathroom at Hughes Road.

(13) Covering the Open Channel drain at Malabar Hill Reservoir slopes.

(14) Providing cabin for Wireless Station at Malabar Hill Reservoir.

(15) Providing cabin for Electrical materials at Bhandarwada Hill Resrvoir.

(16) Providing six new W.C.s at Maintenance Yard, DeLisle Road.

(17) Renovating W.C. at G/South Labour Chawl, DeLisle Road.

(18) Renovating W.C. at Babula Tank.

(19) Providing storage tank at Municipal School with downtake and direct tap at Shetye Market, Govindj Kini Road.

(20) Providing tanks at Kesarwadi (in progress).

(21) Providing separate taps in each room in Municipal Chawls at Love Lane.

(22) Providing separate tap in each room at Nagpada Municipal Chawls.

(23) Demolition of Fountain near China Mills , Tokersi Jivraji Road.

(24) Demolition of Fountain at Lady Jamshedji Road, near Shirin Mansion.

APPENDIX XVII.—(*Vide Para No. 45*).

Hours of Supply in different localities

(All timings indicated in Indian Standard Time).

Serial No.	Locality.	Wards.	Hours of Supply.
1	Fort and Colaba Areas	A	4-00 A.M. to 6-45 A.M. 8-00 P.M. to 10-00 P.M
	Partial Supply		6-30 P.M. to 8-00 P.M.
2	Dongri	B(part)	4-00 A.M. to 7-30 A.M. 7-00 P.M. to 10-00 P.M.
3	Areas served by the Malabar Hill (except Colaba, Fort), B, C Wards and Bhandarwada Hill Reservoir except Dongri, Mazgaon and Nesbit Road	B, C and part D and E Wards.	4-30 A.M. to 7-30 A.M. 7-30 P.M. to 9-45 P.M.
4	Siri Road and part of Walkeshwar Road	D (part)	5-00 A.M. to 10-00 A.M. 6-00 P.M. to 10-00 P.M.
5	Gibbs Road' Ridge Road, Napean Road. (Partial Supply) ...	Do.	5-00 P.M. to 7-30 P.M. 10-00 P.M. to 7-30 A.M.
6	Walkeshwar Road, Banganga Road, Mount Pleasant Road,... Winter Road, Harkness Road.	Do.	7-30 A.M. to 7-30 P.M. 11-00 P.M. to 7-30 A.M.
7	Gowalia Tank, Raghavji Road and Forjett Hill Road.	Do.	4-30 A.M. to 10-30 A.M. 6-30 P.M. to 2-30 A.M.
8	Warden Road and Peddar Road.	Do.	6-30 P.M. to 7-30 A.M.
9	Napean Sea Road ... ... (Partial Supply)	Do.	7-00 P.M. to 7-30 A.M. 7-30 A.M. to 11-00 A.M.
10	Mazagaon Area (Pump Supply)	E	4-30 A.M. to 7-30 A.M. 2-00 P.M. to 6-30 P.M.
11	Nesbit Road (Tadwadi and Mazagaon Road).	E	4-00 A.M. to 7-30 A.M. 6-00 P.M. to 9-45 P.M.
12	F/South Ward Elevated Area Golanji Hill Road (Pump Supply) ...	F/South	4-30 A.M. to 8-00 A.M. 5-00 P.M. to 6-00 P.M.

17	26	Laying 18" water main at Reay Road from Kala Chowky to Carnac Road ...	...	...	...	...	...	2170	...	Work completed.

APPENDIX XXI.

(Vide Para No. 65 (*ii*)

Statement of unscheduled works carried out during 1961-62.

(1) Diverting 4" main in Sewri Cross Road for construction of Road No. 37A, Sewri Wadala Scheme 57 (Length 45 metres).

(2) Diverting 4" main in Sewri Cross Road for construction of Municipal Tenements in Sewri Wadala Scheme 57 (Length : 25 metres).

(3) Diverting 9" Bombay Port Trust main in Flank Road (East) to facilitate the work of laying Rawli Outlets—V. C. T. and M. P. (Length : 10 metres).

(4) Diverting 6" water main in Bhawani Shankar Cross Lane (Length : 90 metres).

(5) Diverting 5" water main at Wodehouse Road at Colaba to facilitate road construction.

(6) Diverting 24" main in Tulsi Pipe Road between Khed Gully and Dadar Purification Works (Length: 166 metres).

(7) Diverting 24" main in Tulsi Pipe Road between Khed Gully and Elphinstone Road (Length : 240 metres.)

(8) Laying 6" water mains in Argyle Road for improving the water supply of Mandvi Elphinstone area for City Engineer.

(9) Laying 4" water main for construction of 288 Municipal Tenements at Plot No. 15, Sion Matunga East (Length : 335 metres).

(10) Laying 3" main at the construction of 112 Tenements at Worli (Length : 130 metres).

(11) Making 9" × 3" connection at Colaba Road for Executive Engineer Drainage (City Engineer's Department).

(12) Making a 6" × 3" connection for Mahatma Gandhi Swimming Pool for City Engineer's Department.

(13) Connecting Worli Hill Reservoir Outlets to the existing distributory systems on behalf of V. C. T. Scheme.

(14) Fixing 6" middle Sluice Valve at Worli Koliwada for improving water supply to Worli area.

(15) Making a 16" × 6" connection opp : J. J. School of Arts for improvement of water supply at Palton Road Area.

(16) Laying a 4" water main in Fitwalla Lane.

(17) Making 4 Nos. of 18" × 6" Cross Connection at Foreshore Road to Improve water supply at Colaba area.

(18) Removing 6" middle Sluice Valve in Love Lane near Lederle's Press.

(19) Replacement of 48" Electrically operated Sluice Valve at Malabar Hill Reservoir.

(20) Providing 30" Sluice Valve on 30" Backbay Outlet at Netaji Subhash Road.

(21) Making Cross Connections, etc. for Zoning of supply in 'C' and 'D' Ward :

- (*a*) 30" Thakurdwar and 24" Girgaum Road.
- (*b*) 6" Mughbhat and 24" Thakurdwar Road.
- (*c*) 6" Matarpakhadi and 24" Thakurdawar Road.
- (*d*) 12" Fanswadi and 30" Thakurdwar Road.
- (*e*) 30" Thakurdwar and 24" Charni Road.
- (*f*) Enlarging 30" connection to 6" connection between 6" Thakurdwar and 24" Girgaum main.
- (*g*) Making Cross connection between 11" Girgaum and 21" Girgaum.
- (*h*) Providing middle Sluice Valve on 24" main in Girgaum Road.

(22) Repairing major leaks on Trunk mains and other distributory mains :—

- (*a*) Repairs to leak on 57" main at two places in Lady Jamshedji Road near Bhandar Gully.
- (*b*) Repairs to 18" burst at Tardeo junction.
- (*c*) Repairs to leak on 36" main in Grant Road (Nana Chowk).
- (*d*) Repairs to leak on 57" main in Sleater Road.
- (*e*) Repairs to leak on 57" main in Clerk Road Stores Yard of Construction Branch.
- (*f*) Repairs to 12" burst in Sewri in Bombay Port Trust area.
- (*g*) Repairs to leak on 48" main in Reay Road near Reay Road Station.
- (*h*) Repairs to 24" leak in T. P. Road between Fergusson Road and Carrol Road.

(23) Making a 7" × 3" connection to II Type quarters at Elphinstone Road, Parel for Central Railway.

(24) Making a 9" × 3" connection at Jakeria Bunder Road, Opp. Cotton Green for Executive Enginer, Bombay. Port Trust.

(25) Making a 12" × 6" connection for Messrs Jubilee Mills at Tokersi Jivraj Road.

(26) Making 32" × 3" connection at Nesbit Road for Central Railway.

(27) Making a 30" × 6" connection at Foreshore Road and Wodehouse Road for Khushru Baug, Colaba.

(28) Making a 22" × 4" connection to Devakaran Nanjee Wadi, Girgaum.

(29) Making 14" × 9" connection for Central Railway Hospital at Byculla.

(30) Making 12" × 9" connection for Crown Textile Mills at Prabhadevi.

(31) Making a 9" × 3" connection at 205, Dadar Road for Messrs. Parel Co-operative Housing Society.

(32) Making a 6" × 3" connection to R. P. T. B. Hospital, Sewri.

(33) Making a 24" × 6" connection to Messrs. Bombay Union Dyeing Mill at Government Gate Road, Parel

(34) Making a 24" × 4" connection to Police Quarters at Naigaum for State of Maharashtra.

(35) Making a 6" × 3" connection at Lakhamsee Napoo Road for General Manager, Central Railway.

(36) Making a 12"×3" connection to Podar Hospital for Executive Engineer, Public Works Department.

(37) Enlarging of Bombay Port Trust mains in Muzawarpakhadi Road.

(38) Making a 12" × 6" connection to Wittet Road on behalf of Bombay Port Trust.

(39) Shifting of 4" metered connection at Ballard Pier for Alexandra Dock on behalf of Bombay Port Trust.

(40) Making a 48"×4" connection at Victoria Garden Road for Messrs Great Eastern Spinning and Weaving Co. Ltd.,

(41) Laying 4" water main with hydrants at B. E. S. T. Staff Quarters at Government Gate Road.

(42) Making a 6" × 3" connection at Haji Bunder for Central Railway.

(43) Lowering and/or diverting 5" water main at Wodehouse Bridge, Colaba, for Executive Engineer, Presidency Division, Bombay 1.

(44) Making a 18" × 9" connection at Mallet Bunder Road junction Frere Road for Bombay Port Trust.

(45) Making 21" × 3" connection at Ramkrishna Bhuvan, Goregaonkar Lane.

(46) Making 12" × 4" connection at Tardeo for Messrs. Roche Products.

(47) Making a 12" × 3" connection at Sewree Reclamation for Bombay Port Trust.

(48) Making 32" × 3" connection at Staff Quarters, Parel, for Executive Engineer, Central Railway.

(49) Making 6" × 3" connection for Mahalaxmi Housing Society, Mahim.

(50) Making 6" × 3" connection at Lederle's Press, Love Lane.

(51) Making a 24" × 6" connection for Mahatma Gandhi Memorial Hospital, Government Gate Road, Parel.

(52) Making a 12" × 4" connection for Messrs. Bradbury Mills at Ripon Road.

(53) Making a 3" connection to Messrs. Garment Cleaners at Dr. Annid Besant Road, Worli.

(54) Making 6" × 3" connection for Navyug Buildings at Forjett Hill Road.

(55) Making a 12" × 4" connection at DeLisle Road at Subhash Nagar Estate.

(56) Making 12" × 3" connection to Messrs Krishna Steel Industries at Antop Hill Road, Wadala.

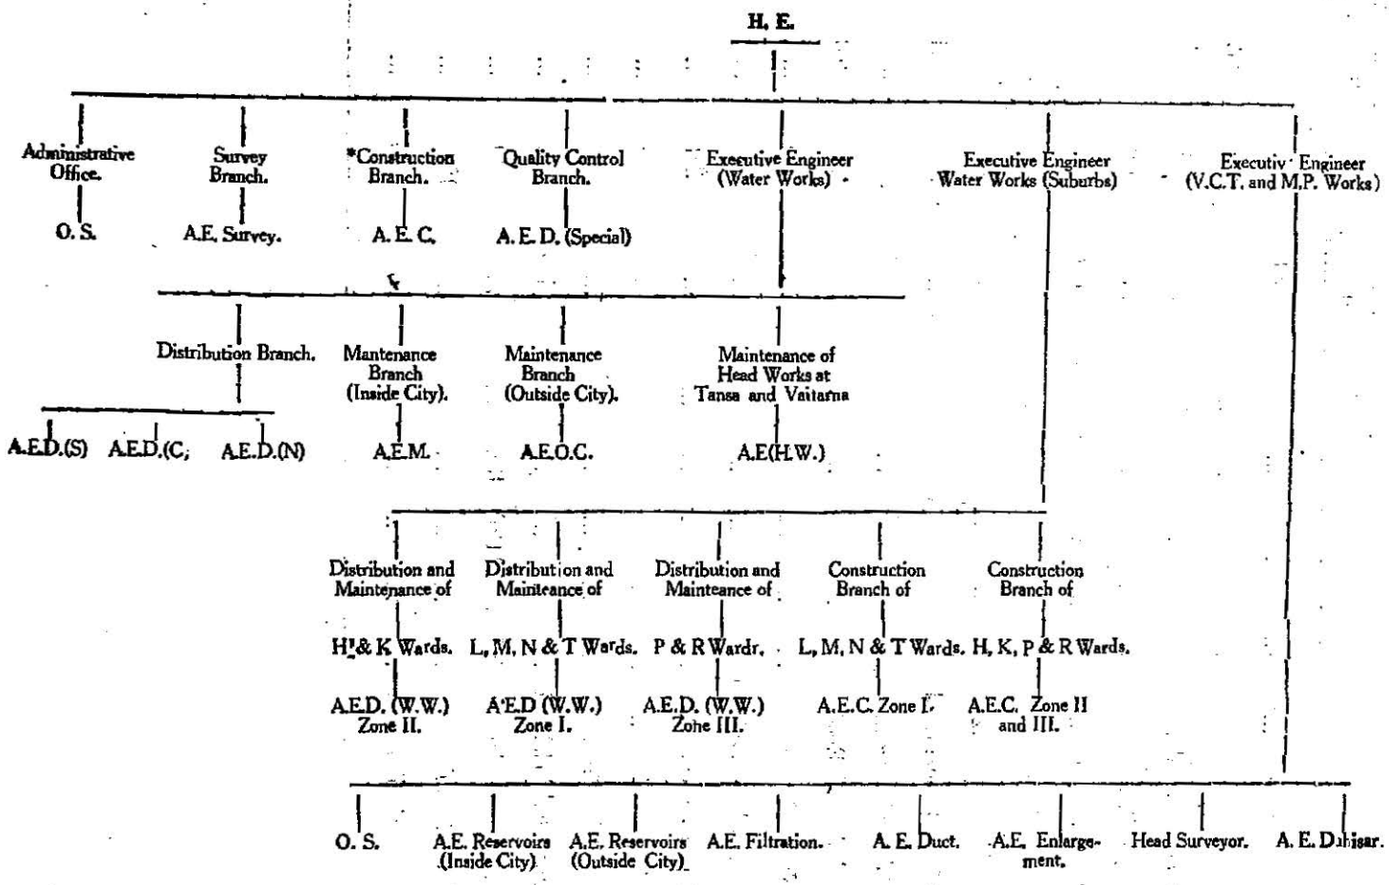
APPENDIX XXIII—(*Vide Para No. 73*)



* The Remodelling Branch was merged with the Construnction Branch with effect from 1-6-1961 (*vide* Para No. 64).

BOMBAY FIRE BRIGADE.

Shri S. G. Vengsarkar took over the charge as Hon. Chief Officer, Fire Brigade, on 1st September 1961 from Shri M. Shah, Ag. Chief Officer till 31st August 1961.

Fire Stations.—The number of Fire Stations was 11 in the City and 1 in the Suburbs at Andheri. A new Fire Station was opened on 1st June 1961 on Bombay-Agra Road, Vikhroli, by the Mayor, Shri V. B. Worlikar, which brought the total number of Fire Stations to 13.

Construction of another Fire Station on Sion-Trombay Road, Chembur, was commenced. A plot was acquired on Mahim Causeway, for the construction of Mahim Fire Station which is to replace the existing Fire Station at Shivaji Park housed in rented residential premises.

To house additional staff, a four-floored building was constructed at Fire Brigade Headquarters, Byculla. This will accommodate one Officer, three Sub-Officers and 34 other ranks. The other ranks are provided with two-room self-contained blocks. A recreation hall, dormitory and canteen room have also been provided.

Fire Appliances and Ebuipments.—The Brigade maintained the following fire-appliances and equipments :—

(*i*) (*a*) Metz-Motor Turn Table Ladder 100 ft. Extension with Pump—1 No.

(*b*) Motor Turn Table Ladders 125 ft. Extension with Pumps—2 Nos.

(*ii*) (*a*) Motor Pumps with Escape Ladders 50'—60' Extension—14 Nos.

(*b*) Motor Pumps with Extension Ladders 35 ft. Extension—7 Nos. (two of which are tanker type)

(*iii*) Fire Tenders with Extension Ladders—35 ft. Extension—4 Nos.

(*iv*) (*a*) Medium type trailer pumps—7 Nos.

(*b*) Light Trailer pumps—2 Nos.

(*v*) Air Crash Tender with Special Gears—1 No.

(*vi*) Motor Emergency Tenders with spdecial gears—3 Nos.

(*vii*) Motor Emergency Tender-*cum*-Fire Tender—1 No.

(*viii*) Hose Laying Lorry-*cum*-Canteen Van (equipped with 6,000 ft. hose)—1 No.

(*ix*) Control Post Van—1 No.

(*x*) Ladders of various types such as Escapes, Exetnsions, Hook, First-floor, etc. (inclusive of those on Fire Appliances)—64 Nos.

(*xi*) Sets of Brething Apparatus of various types—43 Nos.

(*xii*) Gas Masks of various types—38 Nos.

(*xiii*) Fire Hose delivery rubber-lined—61,350 ft.

Out of the above appliances and equipments, the following were purchased during the year :—

(1) Motor Emergency-*cum*-Fire Tender—1 No.

(2) Hose Laying Lorry-*cum*-Canteen Van—1 No.

(3) 'Drager' type self-contained breathing apparatus set—1 No.

(4) Proto Mark IV self-contained breathing apparatus sets—2 Nos.

(5) Salvus self-contained brething apparatus—2 Nos.

The distribution of appliances, equipments and staff can be seen from Appendix V.

Fire Calls.—The Brigade responded to a total number of 2,694 Calls, out of which 1,672 were for 1,358 actual fires, as against 1,370 actual fires in the previous year. The number of actual fires during the laat ten years, can be seen from Appendix III.

Out of the total number of 2,694 calls received during the year, 2,409 were for City, where the facility of street Fire Alarms exist and 285 were from Suburbs and Extended Suburbs where the facility of street Fire Alarm is yet to be extended. Out of the total number of 2,409 calls in the City, 959 were received through street Fire Alarms *i.e.*, nearly 40 per cent. of the total calls. the remaining calls were received through telephone messages and by strangers at Fire Stations.

False Calls.—The number of false calls recorded was 470, out of which 162 were due to malicious interference with the street Fire Alarms by members of the public. 51 calls were given with good intention and 257 calls were due to defects in Fire Alarm system 4 persons were handed over to Police for giving malicious calls.

Outside-City-limit Calls.—The Brigade attended the following three calls, outside the limits of Greater Bombay :—

(1) Messrs. Amar Dye Chemical Ltd., Shahad Railway Station, Kalyan.

(2) Messrs. Lion Pencils Private Ltd., Andrew Nagar, Dahisar (East).

(3) Messrs. Century Rayon, Kalyan.

Communications.—(*a*) *Telephones*: During the year, the number of emergency telephone lines (101) continued to be six in number and direct extensions connecting the control Room with Fire Stations and essential services such as Water Department, Police, B. E. S. & T. Undertaking, Port Trust, Salvage Corps.

(*b*) *Fire Alarms*: The total number of Fire Alarms including private ones was 208 as against 206 in the previous year.

(*c*) *Wireless Communication System*: The Wireless Scheme of the Bombay Fire Brigade was put into operation during the year with wireless sets already purchased and 200 ft. Control Aerial Tower erected previously, the scheme made a good headway as soon as necessary wireless staff was deputed by Police Wireless Department.

The work of installation of wireless sets (Radio Telephony Sets) together with setting up of workshop for wireless section began in August 1961.

One Fixed Station: Radio Telephony set was installed at Byculla Fire Brigade Headequarters and two Radio Telephony Sets were installed at Andheri and Vikhroli Fire Stations for relaying transmissions while at work in western or eastern Suburbs.

Mobile Radio Telephony Sets were installed on 9 leading fire-engines of important Fire Stations and on 3 ambulances to ensure quicker service.

Radio Telephony Set was installed on Control Post Van for quicker transmission of messages between the fire ground and Control Room.

The training of Officers and staff in the use of Radio Telephony Sets and mode of transmission on Radio Telephony System was simultaneously carried out.

The designing of Control Room, suitable for use during normal work and during emergencies for fire and ambulance services was completed.

Thus, the first phase of Radio Telephony Scheme was completed during the year.

Serious Fires.—There were nine serious fires during the year, the particulars of which can be seen from Appendix II. A resume of some of the serious and notable fires is given below,—

(1) *Fire at Messrs. T. Maneklal Co., Saki Naka*: A serious fire broke out in a sulphur godown at about 7-57 A.M. on 11-9-1961 in the premises of T. Maneklal & Co. at Saki Naka, Kurla-Andheri Road. Due to strong breeze, the fire spread rapidly involving the whole godown containing cloth, rubber goods and machinery.

Firemen had to don breathing apparata and open up the roof of the godown to gain entry on account of the sulphur dioxide fumes due to which 29 workers of the factory became unconscious.

The fire was brought under control with 11 jets from 10 Motor Pumps within an hour and a half.

The cause of the fire could not be ascertained.

(2) *Fire at Dhanraj Mill*: A most disastrous fire occurred on 15th November 1961 at Dhanraj Mill (Private) Ltd. on Sun Mill Road.

It was after three and half hours of streneous efforts on the part of firemen that fire was brought under control and prevented from srpeading which might have caused untold damage. Twenty-three pumps were pressed into operation. The estimated damage amounts to Rs. 50,02,050. The cause of the fire is unknown.

(3) *Fire at Jai-Bharat Co-operative Housing Society*: Fire at Jai-Bharat Co-operative Housing Society at Road No. 5, Khar, on 27th November 1961 at 11- O'clock in the night was a peculiar one.

A petroleum gas cylinder in the kitchen room was leaking. This gas being heavier than air got accumulated in the kitchen and drifted along the floor level in the attached bed and drawing rooms. Two children were sleeping in the bed-room.

The owner of the flat who had gone out with his wife entered his flat through the kitchen room with lighted cigarette. Instantaneously threre was a flash in the kitchen room. The fire travelled suddenly on account of the gas in the bed and drawing rooms. The sleeping children were engulfed in flames. Clothes and house-hold articles were on fire.

Parents rushed to rescue the children with two other inmates of the building. All six were severely burned. Three died later

Liquified petroleum gases "Burshane" and "Kossan" are now-a-days used for cooking and also in factories and laboratories for heating. This gas is particuarly dangerous when accidenal leakages take place in the cylinders, as it accumulates at ground level, drifts where it finds access. It then gets suddenly ignited in contact with any naked light. Number of such fires have occurred in the City causing few casualties.

(4) *Fire at the New Great Eastern Mill*: The fire to the New Great Eastern Mill, Dr. Babasaheb Ambedkar Road, which occurred at about 11-10 A.M. on 2nd January 1962 on the ground floor also thraetened to engulf the whole of the two-floored building used as Card-frame, Slubbing, Inter-frame and Drawing-frame Departments of the textile mill on account of the oil soaked wooden ceiling and cotton fluff scattered all over the Department and adhering to the ceiling.

The fire was, however, tackled by firemen by entering the smoke logged departments with gas masks and breathing apparata to reach the seat of the fire which was brought under contorl within 2 hours.

The cause of the rapid spread of fire in the initial stages was due to the mill's sprinkers not having actuated in the initial stages and the poor supply of water in the mill's hydrants.

Three of the Fire Brigade personnel and two mill's employees sustained slight injuries whilst working at the fire.

The cause of the fire was due to "defective electric circuit."

(5) *Fires at Doctor Street and Janjikar Street*: The following two fires were note worthy in that the timely action of the Brigade personnel averted major conflagrations.

The first occurred at about 2-45 A.M. on 28-1-1962 at Doctor Street.

The fire started due to a defective electric circuit in a confectionery stall-shop on ground floor of an old timber-framed four-floored bui ding, the upper floors of which were used as dwellings.

The second was at Janjikar Street and occurred at about 5-19 A.M. on 1-2-1962.

The fire was to plastic sheets and rolls, card-bord boxes, etc., on the first floor of a five-floored building used as shops and dwellings.

This was also tackled by the efficatious use of the tanker type fire engine.

(6) *Fire at the New India Oil Mills*: A serious fire broke out on 14-2-1962 in the New India Oil Mills at Fosberry Road, Sewri, having a solvent extractor plant. The fire originated in a big stack of copra inside the mill. It spread with lightening rapidity on account of the oily surfaces and travelled towards the solvent plant. Fire engines arriving at the scene found no water in the mains and had to be diverted distant away to available source of water supply and work in series. Efforts were concentrated in saving the solvent plant. As the water jets were got to work, the work of creating fire-breaks by removing the unaffected bags of oil-seeds and oil-cakes was simultaneously undertaken. The efforts of the firemen saved the solvent extraction plant.

In all fifteen fire-engines were pressed into operations and twelve jets were employed. The approximate damage due to this fire is Rs. 9,00,000.

The supposed cause of the fire is taken to be 'Spontaneous combustion' in copra bags.

(7) *Fire at B. P. T. Railway track*: There was another serious fire on 9-3-1962 to a railway tank wagon containing 5,000 gallons petrol on Bombay Port Trust Railway track near Stanvac Installation, Sewri. The tank wagon after being loaded in Stanvac Installation was taken out with eight other similar wagons. The bottom sluice valve of the tank was defective and the petrol dripped along the railway tracks as it was taken out. These tank wagons were brought out of the installation and halted at a place for other wagons to be connected. The tank wagon with defective sluice valve caught fire. Railway sleepers on the track to the extent of one furlong were on fire. The fire further damaged the valve and increased the flow of petrol which burned furiously. The radiated heat made approach difficult. Thick palls of smoke went up high in the air. Petrol installation tanks of oil companies close by were in danger.

The firemen approached the burning tank wagon, water being sprayed on them by other firemen. Water was constantly sprayed on the other tank wagons and storage sheds in the vicinity to keep them cool. Bombay Port Trust engine was called and one after another the wagons were detached and removed away. Foam lines were got to work on the burning wagon. The intensity of heat was so great that the water sprayed on adjoining sheds instantly got converted into steam. The Fire Brigade personnel while fighting the fire constructed bunds to arrest the flow of petrol and spread of fire.

The fire was brought under control within one and half hour. Ten fire engines with nine jets and two foam lines were used in the operations.

As per findings of the Inspector of Explosives, the supposed cause of the fire is due to the a lighter cigarette or match thrown carelessly by some one in the area. The estimated damage due to this is Rs. 20,000.

House Collapses.—The Fire Brigade attended 197 calls to fallen buildings during the year as against 189 in the previous year. 11 persons lost their lives and 90 persons were injured in these incicents. Two major incidents are given below:—

(1) *House Collapse at Worli Dairy Farm.*—The first was the collapse of the flooring of the Worli Dairy project at about 2-56 P.M. on 10-4-1961. This building was under construction and the flooring of the first floor gave way wnilst the cement filling was in progress due to the centering props not having been fixed properly.

26 persons who were working above the floor escaped with minor injuries but one woman and a girl who were working below were crushed to death. Their bodies had to be extricated from below the debris by cutting away the steel rods by means of bolt-cutters and making use of the oxy-acetylene metal cutting plant.

(2) *House collapse at Bazargate Street.*—The other house collapse call was at 266, Bazargate Street at 7-44 A.M. on 2-7-1961 when the southern portion of a seven-floored building collapsed burying two persons under the debris.

In this case great care had to be taken as most of the remaining portin of the building was over hanging precariously and likely to collapse at the slightest vibrations created.

Two aged persons, a man and a woman, were removed from below the debris and sent to hospital. The former survived whereas the latter succumbed to her injuries soon after being admitted in hospital.

Other Services.—During the year, Fire Brigade attended 196 calls for Other Services such as leakage of poisonous gas, dangerous fumes, spillage of acids, falling of trees, vehicle accidents on roads etc. 11 persons lost their lives in these accidents and 120 persons were injured.

Rescue Service.—There were 132 calls for rescue under different circumstances *viz.*, persons fallen in wells, sea, lakes, ponds, persons trapped in lift cages and at high places etc. These calls include rescue of birds and animals. Two notable incidents are mentioned below:—

(1) *Accident at Kurla Railway Station.*—A rescue service call was received at 11-10 P.M. on 19-4-1961 to Kurla Railway Station.

A goods train proceeding South to North had derailed due to its having been diverted on to the 'dead end' line instead of the through line. As a result of this, the engine and two wagons were lying on their sides. The Driver and Cleaner had been thrown out of the engine and the fireman and another person were trapped between the coal tender and the engine.

As a result of the accident, a steam pipe of the engine had burst and steam was leaking profusely on to the portion where the two persons had been trapped—both were dead.

The bodies were extricated by removing the coal and cutting away some portions of the engine with the oxy-acetylene metal cutting plant.

(2) **Rescue Service call at Garment Cleaning Wokrs.**—On 1-10-1961, a call was received for rescuse of three persons who were clinging on the top of a broken chimney at a height of about 75 ft. from the ground level. The upper portion that was being fitted to the chimney went out of control due to snapping of one of the guy lines. The top sector crashed down and the workers above managed to cling on the edge of the chimney above.

There was no access whatsoever for the ladders to reach the men. Ultimately the 'bullies' erected for hauling up of the chimney were used as an improvised ladder by tying up the planks crosswise to serve as steps. From this improvised ladder, and with the help of a long bamboo, a strong rope attached with a hook was passed on to the men. By fixing up the hook on the edge of the chimney, the men slided down one after another and were rescued.

Burning Casualties.—During the year, 104 persons lost their lives due to fires, 44 of whom died due to stove accidents. In 37 cases, the cause was 'doubtful'. Out of these casualties, 16 were men, 73 women and 15 children. 235 persons received minor injuries. The details can be seen in Appendix IV.

Fire Loss.—The total loss due to fire was approximately Rs. 82,24,968. The details of the fire losses of the last ten years are in Appendix III. The insured property affected by fire was approximately Rs. 74,24,284. The total property involved approximately Rs. 60,00,00,000.

Water Supply.—Water supply from mains was satisfactory except on a few occasions. The approximate quantity of water used for extinguishing fires was 33,92,603 gallons, out of which 27,79,933 gallons were drawn from Municipal mains and rest from sea,, wells, ponds, etc.

Hydrants.—The inspection of hydrants was regularly carried out, and the defects noticed were promptly communicated to the Water Department and got rectified.

Fire Prevention.—The two Deputy Chief Officers assisted by five Station Officers carried out Fire Prevention Works *i.e.* inspection of hazardous storages, factories, and attended to complaints regarding fire risk. 4,083 premises were ispected and 6,58 complaints were investigated.

Training Programme for Recruit Officers and Firemen.—A regular programme of six hours a day spread over a period of three months for imparting training to recruit officers and firemen was introduced. In addition to the practical training, the officers were given lectures and demonstrations. The class of the off cers was conducted by five Station Officers and that of firemen by one Station Of icer and a senior Tindal. One Dy. Chief Officer and one Second Officer supervised the training programmes. Due to the intensive training given to the new officers and men the results have been very encouraging.

Technical Advisory Committee.—Another new feature introduced during the year was the appointment of a Technical Advisory Committee. To this Committee was assigned the task of drawing up the sylabii for the training of recruit officers, recruit firemen, tindal's and Motor driver's classes. This Committee was also entrusted with the work of issuing Bulletins in Marathi on the subjects pertaining to fire-fighting and 'other services' that the firemen are required to attend.

Trainees from Outside.—Four batches of trainees from National Fire Service College, Nagpur, for undergoing courses *viz.* Special Course for Police Officers, Special Course for personnel from Industrial Establishments, Station Officer's Course and Sub-Officer's Course were attached to this Brigade for practical training and visiting various industrial concerns, docks, air -ports, refineries, etc. Two Station Off.cers of this Brigade w ere sent to the National Fire Service College, Nagpur, for training in " Divisional and Assistant Divisional Officer's Course."

Extra Carricular Activities.—(1) *Republic Day 1962.*—As in the preceeding year, the Fire Brigade personnel participated in the Ceremonial Parage route march along with defence and other forces on the Republic Day.

(2) *Annual Drill Competitions.*—The annual drill competitions were held in (*i*) Fire Escape and Hydrant Drill and (*ii*) Extension Ladder and Hydrant Drill on 27th February 1962 at Fire Brigade Headquarters, Byculla, and prizes distributed to the winning teams at the hands of the Mayor, Shri V. B. Worlikar who presided on the occasion. A panel of judges consisting of officers from different Fire Services in the City was formed to assess the individual performances of the participants in the competitions with a view to awarding the best performance trophy. This trophy was won by Station Officer, Shri L. S. D. Meherwanji for the second year in succession.

Ambulances Service.—The Ambulance Service attended 7,726 calls within the limit of Greater Bombay. Out of these 1,456 were for accidents, 1,959 for maternity and 4,311 for hire cases; removing in all 7,398 persons. First-aid was rendered on 262 occasions.

The total receipts during the year on account of hire cases amounted to Rs. 43,443 including arrears of the previous year as against Rs. 35,206 of the last year.

Three of the Ambulances were fitted with mobile Radio Telephony Sets which ensured quicker and more efficient service to the public as ambulances could be diverted from one call to another.

Industrial Award.—There was no industrial award during the year under report.

Brigade Establishment.—The cost on account of maintenance of Fire Brigade Department including Ambulance Service but excluding Supervision Charges of Provident Fund, Pension and Proporation of General Supervision and Revenue, and debt charges, etc. was Rs. 13,93,668-93.

APPENDIX—II.

Brief Details of Serious Fires during the year 1961-62.

Date.	Time.	Place.	Business.	Extingushed by	Damage	Estimated Damage
						Rs.
22-4-1961	6-54 P.M.	38, Babula Tank Rd., Off Noor Baug.	Blacksmithy, making cast barrels, stone grinding, manufacturing hack-saw frames and several trades in 20 galas.	Firemen with ten Motor Pumps (14 jets).	House-hold articles, discarded second-hand tyres, wooden barrels, grinding stone, tin buckets, plywood, coir, rexin, some old drums, G. I. sheet buckets, segrees, brass utensils and surgical implements crude drugs in gunny bags, electric motors, grinding machinery, cotton waste, wooden handles for screw-driver, hacksaw frames tyre rubber tubes, etc., etc., damaged by fire, heat, smok and water in a ground-floored C. I. sheet structure about 150'×75' (used as factories, godowns, dwellings etc.) Wooden supports, partitions, electric installation, etc., of a structure also severely damaged by fire, heat, smoke and water.	63,300
16-5-1961	5-48 A.M.	Shed No. 11, Alexandra Docks.	Government grain in docks	Firemen with eight Motor Pumps (16 jets).	About 500 tons of wheat and 100 tons of rice loose in bags, 200 bags of chilean nitrate, severely and about 2,000 tons of wheat and 300 tons of rice in bags slighty damaged by fire, heat smoke and water in a dock shed about 350.'x100'. Portion of walls, electric installations, ceiling of ground floor also severely damaged by fire and exposion.	3,52,000
21-5-1961	8-55 P.M.	Premier Automobiles Co. Private Ltd., Agra Road, Kurla.	Manufacturing and Assembling of motor Cars.	Employees with two engine lines and firemen with five Motor Pumps (8 jets).	About 50×2 I. G. Cans containng Dunlop Adhesive (579) destroyed by fire and large quantity of upholstry, motor spares, motor cars chiars, office record, steel cupboard, etc., severely damaged by fire, heat, smoke and water in a ground-floored shed with loft about 500'×200' (used as motor assembling and treaming sectiors). Portion of asbestos roof, electric installations, walls and glass panes of the structure also severely damaged by fire, heat, smoke and water.	3,15,000
10-9-1961	7-25 P.M.	Motor Omnibus on road, Sion-Trombay Road, Sion Naka.	Transport Service.	Firmen with three First-aid appliances, three Motor Pumps and one hydrant line.	Entire body, seats, Cushions, upholstry and machinery of a single decker 'Guy Motor' make motor omnibus No. BMR 6599 severely damaged by five, heat, smoke and water on road.	50,000
11-9-1961	7-57 A.M.	Compound of T. Mareklal Manufacturing Co., Kura-Andheri Road, Saki Naka.	Manufacturing of textiles, bleaching, dyeing and industrial rubber goods and flocks.	Firemen with ten Motors Pumps (11 jets).	A large quantity of sulphur, tar, non-dangerous petroleum (kerosene oil and machine oil) rosin, rags, gunny bags, carbon black packing papers records, synthetic rubber, rubber chemicals, a large quanty of flocks etc. severely and machinery, machinery spares iron pipes, stainless steel sheets, steel scrap sightly damaged by fire, heat smoke and water in a shed partly of C. I. sheet and partly of brick construction about 180'×75' (used as godown and factory). Storage shed also severely damaged.	3,80,000
15-11-1961	12-41 P.M.	Dhanraj Mills, Sun Mill Lane.	Textile Mill.	Employees with six hydrant lines and firemen with twenty Motor Pumps (14 jets).	Textile machinery such as card drawing, roving winding, etc., large quantity of cotton yarns severely damaged by fire, heat, smoke and water in a three-floored brick-walled building having wooden flooring, about 300'×110' (used as various departments of textile mills) Flooring and doors of all floors, of the structure gutted, roof off, sprinkler and electric installation completely damaged. Large quantity of pressed cotton bales, cotton in boras, loose cotton and fluff burned. Other two-floored structure of about 200'×50' containng textile machinery, manufactured cloth, looms etc. severely damaged by fire, heat, smoke and water. Three more ground-floored buildings containing large quantity of cotton yarns and bobbins, card-boares, card-board boxes, aluminium seals, etc., severely damaged by fire, heat, smoke and water.	50,02,050

APPENDIX—II

Date.	Time.	Place.	Business.	Extinguished by	Damage.	Estimated Damage
						Rs.
2-1-1962	11-10 AM.	The New Great Eastern Textile Mills. Spinning & Weaving Co. Ltd., Dr. Ambedkar Road, Chinchpokli.	Textile Mills	Employees with 30 chemical extinguishers and ten hydrant lies and firemen with 18 Motor Pumps (22 jets) 39 sprinkler heads actuated.	Large stock of loose cotton and yarn in process, bobbins, mill machinery, etc., severely on ground and loose cotton, yarn, and mill machinery slightly on upper floor, damaged by fire, heat, smoke and water in a two-floored building about 225′ × 130′ (used as card-frame; drawing-frame; slubbing and inter-frame sections of textile mill). A portion of wooden ceiling and electric installation severely damaged by fire, heat, smoke and water and doors, windows, and window panes damaged by breakage,	1,05,000
14-2-1962	2-29 P.M.	New India Oil Mills, Fosbery Rd. Sewri	Manufacturing of oils.	Empoyees with six chemical exteinguishers and buckets and firemen with fifteen Motor Pumps (12 jets).	Large quantity of oil from oil storage tanks, copra, groundnuts, seeds, oil-cakes, deoiled cakes in gunny bags and oil mill machinery such as oil expellors, oil filters, etc, severely damaged by fire, heat, smoke and water in a ground-floored brick-walled steel-framed asbestos sheet roofed, structure about 182′ × 100′ (used as oil mill and dogown). Brick walls, steel trusses A. C. sheet roofing of the structure severely damaged by fire, heat, smoke and water.	9,00,000
23-3-1962	9-07 A.M.	Kohinoor Mill Company Limited No. 1, Cotton bales and Yarn godown, Naigaum Cross Rd.	Spinning and Weaving.	Employees with four hydrant lines, and firemen with eight Mortor Pump Pumps (7 jets). Four sprinkler heads actuated.	A large number of cotton bales and cotton yarn severely damaged by fire, heat, smoke and water in a ground-floored building about 250′ × 45′ (used as godown). Window panes and C I. sheet partition damaged by breakage.	76,200

APPENDIX No.—IV

Summary of lives lost at fires during the year 1961-62 including persons who succumbed to the injuries received.

Date.	Time.	Place.	Supposed Cause.	Particulars.
3-4-1961	11-09 A.M.	Room No. 59, Building No. 50A, Prabhudas Building, Tank Bunder Road.	Sari coming in contact with naked flame from burning stove.	Bai Sindhu Sahadev Bhande, aged about 28 years, severely burned all over body. First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Detained for treatment. Expired on 8-4-1961.
4-4-1961	4-20 P.M.	Pai's Street, Off Clerk Road	Oil boiling over ...	Shri Laxman Shiva Temkar, aged about 30 years, severely burned all over body, Taken to hospital before arrival of Brigade. Detained for treatment. Died on 6-4-1961.
5-4-1961	1-32 P.M.	Haji Kassam Chawl, 108 Lady Hardinge Road.	Doubtful ...	Bai Tarabai Baijnath Tibrewala, aged about 30 years, succumbed to burns before arrival of Brigade. Body handed over to Police.
8-4-1961	10-39 A.M.	14-C, Cheul Wadi, Kolbhat Street.	Defective oil pressure stove	Bai Nirmalabai Pailraj, aged about 32 years, severely burned all over body. First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Detained for treatment. Died on 19-4-1961 at 12-30 P.M.
12-4-1961	6-35 A.M.	Kohinoor Mills Chawl No. 3, Jotiba Phule Road.	Doubtful ...	Shri Tukaram Shivram Parab, aged about 25 years, severely burned all over body, First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Detained for treatment. Died in hospital.
15-4-1961	3-20 P.M.	94-D, Mahadev Bhuvan, Delisle Road.	Doubtful ...	Bai Ratanbai Kanji, aged about 15 years, burned to death before arrival of Brigade. Body handed over to Police.
20-4-1961	10-40 A.M.	Vijay Colony, 'B' Block, Juhu Lane, Andheri.	Naked light from stove	Bai Lalitamba K. Shivdasan, aged about 25 years, severely burned all over body. First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Since dead.
21-4-1961	12-51 P.M.	235 Delisle Road ...	Doubtful ...	Bai Kanchanbai Chandulal, aged about 18 years, burned all over body. Removed to hospital in Police Wireless Van before arrival of Brigade. Detained for treatment. Died on 21-4-1961 at 7-30 P.M.
22-4-1961	2-13 P.M.	Souter Street 'E' Ward, Municipal Workshop.	Petrol vapour coming in contact with spark	Shri S. Crasto, aged about 30 years, severely burned on hands and chest. Taken to hospital before arriva of Brigade. Detained for treatment. Expired on 24-4-1962 at 2-12- P.M.
22-4-1961	6-21 P.M.	17 Dhobi Chawl, Lala Nigam Road.	Wearing apparel coming in contact with naked light (of lighted oil pressure stove).	Bai Trivenibai Ramji Gobil aged about 30 years, severely burned on hands and chest. First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Detained for treatment. Died on 26-4-1961.
25-4-1961	10-31 A.M.	34-36, 1st Pathan Street ...	Doubtful ...	Bai Kanchanbai Deoraj, aged about 20 years, burned all over body. First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Detained for treatment. Died on 25-4-1961 at 8-30 P.M.
2-5-1961	7-39 P.M.	109-D, Municipal Chawls, Dr. Annie Besant Road.	Naked light from stove.	Bai Rukminibai Krishna, aged about 23 years, severely burned all over body. Died before arival of Brigade Body handed over to Police.
10-5-1961	8-35 A.M.	Room No. 8, Marwadi Chawl No. 3, Ghorapdeo Road.	Doubtful ...	Bai Saraswatibai Maruti Mamluskar, aged about 18 years, severely burned all over body. First-aid rendered by Brigade and removed to hospital in Btigade Ambulance. Deained for treatment. Died on 10-5-1961 at about 1 -00 P.M.
11-5-1961	12-01 P.M.	14-14A Tulsirampada Estate Goodhope chambers;	Naked light of Primus stove coming in contact with Saree.	Bai Malinibai Dattatraya Salunke, aged about 17 years severely burned all over body. First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Detained for treatment. Died on 13-5-1961
14-5-1961	3-40 P.M.	29, Jambool Wadi, Dhobi Talao.	Doubtful ...	Bai Rita S. Parera, aged about 65 years, burned to death before arrival of Brigade Body handed over to Police.
28-5-1961	6-59 P.M.	Bori Chawl, Arthur Road...	Naked light from stove.	Bai saraswatibai Mahadev Kadam, aged about 35 years, severely burned all over body. First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Died on 29-5-1961.
1-6-1961	10-04 P.M.	Naigaum Road, Mithabai Chawl.	Sari coming in contact with naked light (stove).	Bai Rajarmal Baboo, aged about 25 years, severely burned all over body. First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Detained from treatment. Died on 2-6-1961.
7-6-1961	10-35 A.M.	Room No. 1367, Building No. 19, Maharashtra Housing Colony, Parel Tank Road.	Naked light coming in contact with saree.	Bai Vijubai Chandrakant, aged about 20 years, burned all over body. First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Detained for treatment. Died on 10-6-1962.

APPENDIX No.—IV (Contd.).

Date.	Time.	Place.	Supposed Cause.	Particulars.
13-6-1961	10-40 P.M.	Nani Bungalow, Chappel Lane, Santacruz (West).	Doubtful ...	Bai Umda Begum Poonawala, aged about 18 years, severely burned all over body. First-aid rendered by strangers before arrival of Brigade. Removed to hospital in Brigade Ambulance. Detained for treatment. Died on 15-7-1961.
16-6-1961	9-27 A.M.	68, Kamathipura 2nd Lane	Doubtful ...	Bai Gomati Pragji Chawda, aged about 28 years severely burned all over body. Expired before arirval of Brigade. Body handed over to Police.
17-6-1961	7-54 A.M.	885, Sewree Cross Road, Wadala Village.	Saree coming in contract with lighted stove.	Bai Kunda Kamlakar aged about 22 years, severely burned all over body. First-aid rendered by Brigade and removed to hospital in Police Wireless Van. Detained for treatment. Died on 17-6-1961.
19-6-1961	1-22 P.M.	Topiwala Building, 135, Babasaheb Ambedkar Road.	Naked light from stove coming in contact with wearing apparel	(1) Shri A. J. Waz, aged about 45 years burned on legs and hands and body and (2) Bai Jetturaj A. Waz aged about 35 years, severely burned all over body. First-aid rendered to both by Brigade and removed to hospital in Brigade Ambulance. Detained for treatment. Both died on 19-6-1961.
30-6-1961	2-36 P.M.	B.D.D. Chawl No. 60 Worli B.D.D. Chawl Road.	Doubtful ...	Bai Jaibai Ambu Mane, aged about 30 years, severely burned all over body. Burned to death. Body handed over to Police.
10-7-1961	8-53 A.M.	Compound of House of Correction, Off Shefferd Road.	Doubtful ...	Bai Lahubai L. Khade, aged about 40 years, severely burned all over body. Taken to hospital by Police before arrival of Brigade. Detained for treatment. Died on 11-7-1961.
17-7-1961	6-36 A.M.	44-B, Twin Colony, Near Vikhroli Fire Station, Bombay-Agra Road.	Doubtful ...	Bai Chandra Chandrakant Trivedi, aged about 20 years, severely burned all over body. First-aid rendered by Brigade and removed to hospital in Brigade Ambulance. Detained for treatment. Died on 19-7-1961.

APPENDIX VIII

BOMBAY FIRE BRIGADE

Types of Rescue Work	In Fires	In accidents.	Total
(*a*) Number of persons rescued alive without injuries or burns ...	34	55	89
(*b*) Number of persons rescued alive with burns and/or injuries and subsequently recovered	235	271	506
(*c*) Number of persons rescued alive with burns and/or injuries but subsequently died	94	67	161
(*d*) Number of human lives lost before arrival of Brigade ...	10	47	57
(*e*) Number of casualties amongst Fire Service Personnel ...	9	2	11
(*f*) Number of animal lives rescued	6	12	18

APPENDIX IX

BOMBAY FIRE BRIGADE

Fire Risk Covered :

(*a*) Textile, Woollen, Silk and artificial Silk (Rayon etc. Mills)	92
(*b*) Ginning Mills	100
(*c*) Cotton Presses	8
(*d*) Oil Mills	21
(*e*) Petrol and Oil Storages and refineries	55
(*f*) Match factories, fireworks and explosives manufacturers	3
(*g*) Explosives stores	8
(*h*) Processes involving dangerous petroleum products	8
(*i*) Cinematograph films, Celluloid Plastics and Bakelite Works	74
(*j*) Timber and wood working paper manufacture	112
(*k*) Chemical Works	42
(*l*) Gas and Electricity Undertaking	7
(*m*) Docks, Railways, Air-Port installations	13
(*n*) Warehouses, Goods Yards, Goods Sheds	228
(*o*) Manufacture of Rubber Goods	17
(*p*) Manufacture of other goods	167

Water Facilities :

(1) Hydrants and approximate capacity	10,430
(2) Water ponds	87
(3) Refilling Places	21
(4) Wells, Rivers and Canals	962
(5) Other facilities like static tanks, storage tanks, etc.	174 AND Sea Water around the island of Bombay.

MUNICIPAL GARDENS.

1. Shri G. S. Hegde, held the post of Superintendent of Gardens during the year 1961-62.

2. *Sites*: There are 28 gardens, 62 recreation grounds, 4 fountains, 7 traffic islands, 5 open spaces, 5 band-stands, 4 box hedges and 1 Statue in charge of this department. Development of new sites were undertaken during the year as under:—

(*a*) Zaobawadi site Girgaon, (*b*) Kamathipura 10th Street, (*c*) 2nd Fanaswadi site, (*d*) Queens Cemetery (under development), (*e*) Plot opposite Sion Hospital near Plot No. 215.

3. *Visitors*: The number of visitors to the garden is on the increase like last year.

4. *Victoria Gardens*: Students from colleges and schools were conducted around the garden and as usual botanical specimen were supplied to the educational institutions in the State. During the year the plots, around the new Reptile and Monkey houses were raised, levelled up and pathways laid out. A raised platform adjacent to the new Reptile House was built up to enable the visitors to have a better look of the reptiles. The plot along southern wall was renovated and the side of the same was built up. Half of the old palm house in the Victoria Gardens was renovated. The provision of boating facilities in the Victoria Gardens commencing from October 1961 is peculiar feature of the various amenities provided. It has attracted large number of visitors to the gardens for availing of the said amenity.

The Garden Department also took, part in the Vegetable, Fruit and Flower Show.

During the year the following Municipal Hospital Gardens were placed in charge of this department for the purpose of maintenance:—

(*a*) Kasturba Hospital Garden, (*b*) T. N. M. College, Hostel Garden, (*c*) K. E. M. Hospital Garden, (*d*) G. T. B. Hospitals Sewri Garden, (*e*) L. T. M. G. H. Sion Hospital Garden, (*f*) Dadar T. B. Clinic and Hospital Garden.

5. The Open Air Theatre in the Victoria Gardens proved to be a centre of attraction. It was reserved on 77 occasions,during the year under report for cultural programmes, dramas and social gatherings conducted mostly by lower and middle class people and the annual yield accrued by way of rent was Rs. 5,862.00.

During the year under report 29 band, 15 Indian Vocal Music, 76 Orchestra, and 233 recorded music programmes were relayed, at different Municipal gardens. In addition to this, music broadcast by A.I.R. was also relayed every day in the Victoria Gardens between 5 P.M. and 7 P.M. The elephant, camel and pony rides in the Victoria Gardens continued to be enthusiastically interesting as before.

5. Special repairs and some new works included in the budget estimates for 1961-62 were also craried out at the Victoria Gardens and other public Gardens at total cost of Rs. 1,95,980.00.

6. 1,308 trees were planted in the city on newly constructed roads and as replenishment of casualties on the roads and public gardens.

7. *Wild Life Day*: Wild Life Week was celebrated like last year from 1-10-1961 to 7-10-1961 in the Victoria Gardens under the advice of Indian Board for Wild Life. Voluntary donations were collected from the visitors to the Zoo and informative talks were held, specially in the interest of school going children.

8. The live stock in the Zoo section increased by 6.8 per cent. as shown in Appendix A.

Increase: 566 Mammals and 88 birds were born, 131 mammals, 103 birds and 12 reptiles were received as present, 9 mammals, 78 birds, and 9 reptiles were purchased, 5 birds were recevied in exchange.

Decrease: 45 Mammals, 83 birds, and 26 reptiles died, 478 mammals, 13 birds and 2 reptiles were given in exchange. 198 wild animals and birds were treated in the Zoo hospital and 167 specimens of patho-bacteriological interest were examined free of charge at Bombay Veterinary College.

9. Students from Nagpur and Bombay Veterinary Colleges were conducted around the Zoo and instructions were imparted on the subject of securing mild animals, their treatment, feeding and management.

The total expenditure and income of the Gardens Department during the year under report was Rs. 10,29,890.00 and Rs. 83,256.97 as against Rs. 9,75,648.00 and Rs. 80,812.00 respectively during the year 1960-61.

G. S. HEGDE,
Superintendent of Gardens.

Municipal Gardens Bombay.

VICTORIA AND ALBERT MUSEUM

Annual report of the year 1961-62.

1. Dr. S. C. Upadhyaya held the Office of the Curator, Victoria and Albert Museum, during the year except from 8th October 1961 to 17th November 1961 when he was on Earned Leave and when Shri V. G. Phatak, B.A., L.S.G.D., Museum Assistant (Clerk), acted in his place.

2. *Working of the Museum* :—

(*a*) The Museum remained closed on Mondays and important holidays. It was kept open on Wednesdays for ladies, children and parties of students of Primary Schools. (Appendix ' A ')

(*b*) Admission to the Museum was restricted by tickets of 0.05 nP. each for visitors above 12 years of the age on Tuesday, Friday, Saturday and Sunday. It was reserved for ladies and children on Wednesday. It was free for all on Thursday. The amounts realised from the sale of the Admission Tickets and Sale of Museum Brochures were credited to Revenue. (Appendix ' B ') (p. 7).

3. *Additions, Alterations and Renewals* :—

(*a*) *Reference Library.*—Eight Books were added to the Museum Reference Library, out of which five were purchased at the total cost of Rs. 101.30 nP. and three were presented.

(*b*) No specimens were purchased as those that were offered for sale were extremely highly priced, others being very small, were not purchased.

(*c*) *Equipment and furnishing materials.*—No new showcases were added but some stands rejected last year, were replaced by the other stands in the Museum. Glass labels for important specimens were put up. Some name boards were repainted and all the name boards were displayed from the inside of the showcases. Five musical instruments of percussion and three stringed ones were repaired by an expert technician. Sixteen clay figures were repaired and repainted. Thirteen agate specimens of an ornamental nature and forty-five other specimens of agate work were remounted and displayed in a better way. Specimens of the Agricultural implements were cleaned and varnished for preservation and then displayed. One plaster bust of the H. M. King Edward VII was repaired and that of the Rajput warrior which was badly damaged was completely repaired, repainted and reclothed. Models of country craft in the Bombay harbour were repaired, varnished and displayed. All necessary steps were taken for preservation and better display of the specimens. Important books from the Reference Library were chemically fumigated. Cleaning and dusting of the showcases and exhibits was carried out as usual.

(*d*) *Civic Gallery.*—These showcases were dusted and cleaned from time to time. This section continued to be popular with School Children.

4. *Educational Activities* :—

(*a*) Besides assitance given to the students in the form of conducted tours, reference service was rendered to about 225 students, scholars, businessmen with the help of exhibits and books in the Museum. Information regarding Indian Sculptors, in Bombay, was supplied to the Secretary, Jubulpore Corporation. Information regarding models was supplied to Smt. Pendse, Head Mistress Girls' School, Gwalior. An Officer of from Bharat Scout and Girl Guides was given information regarding models showing development of Old Bombay. The Art Director, Films Division, Department of Broadcasting and Information, Government of India, was allowed to take four photographs of old views of the Bombay. Information regarding Cedar Wood was supplied to an appraiser from the Office of the Collector of Customs, Bombay. Shri Walden, Railway Officer, was given information regarding rock crystals and coins of East India Company and Mughals. Personnel Officer, Mazgaon Dock, was given information about Old Bombay. Rev. Father Hambert of the St. Xavier's College was given information on indentificatins regarding photographs of certain sites of Old Bombay. Shri A. M. Rao, a Geological expert was given information regarding specimens of minerals exhibited here. The Home Secretary, Government of Orissa, was supplied with information on books on Indian Art. A Jaina Muni was given information regarding Jaina Manuscripts exhibited here. The Water Works Engineer, Bhopal, was given information on Old Bombay Water Works. Mrs. L. Brown of Oakland, California U.S.A., was given information about dolls and Indian constumes. Similar information was given to Secretary, Centro-internazionali, Milan. Mr. Mortimer from the British High Commissioner's Office was given information regarding minerals exhibited here. The Director of the Institute of Traditional Cultures of the South East Asia, Madras, was given information regarding the exhibits and their nature as displayed here. Shri Medora was given information regarding Old Bombay models. Dr. Fisher, the German Archaeologist, from West Berlin, was given information about Indian Minatures exhibited here.

(*b*) Three Post-graduate students of University of Bombay and one from Delhi University took advantage of the Reference Library.

(*c*) The Curator chekced all books, photographs, coins and specimens in this Museum.

(*d*) The Curator examined the coin collections of Shri Samson and Shri Walden from Poona and Bina respectively. He indetified three Bronzes belonging tho Shri Pran Lal, a well known local collector of Bronzes. Suggestions regarding Gujarati terminology in Ancient Culture, History and Archeaology were sent to the Registrar, University of Gujarat, Ahmedabad. He also examined and identified an illustrated Sanskrit manuscript of 18th Century belonging to a local businessman.

5. *Income* :—

(*a*) From Admission Fees was Rs. 18,117.30 nP.

(*b*) From Miscellaneous Receipts Rs. 96.00.

The total expenditure on the maintenance of the Museum was approximately Rs. 46,000.00

S. C. UPADHYAYA,
Curator.

MUNICIPAL LIBRARIES.

1. **Supervision.**—Shri S. W. Apte,M .A., Dip. Lib. held the Office of the Chief Librarian, Municipal Free Reading Rooms and Libraries during the year 1961-62 except from 2nd June 1961 to 17th September 1961 when he was on earned leave. During the period of his absence, Shri A. R. E. Sonde, the senior clerk from the department looked after his work.

2. **Selection and Purchase of Books.**—For the use of different Municipal Libraries books in English and other local vernaculars on such subjects as General Knowledge, Philosophy, Religion, History, Short Stories, etc., were purchased. See Statement 'A.'

3. **Classification and Cataloguing.**—All the books purchased during the year under report were classified, accessioned, catalogued in the Office of the Chief Librarian and circulated amongst the Libraries.

4. **Circulation of Books.**—Statement 'B' shows how the books purchased during the year under report were distributed to the libraries.

5. **Magazines and Newspapers.**—Popular leading Indian Dailies, Weeklies and Monthlies in English and the regional languages were subscribed to at the total cost of Rs. 5,742.

6. **Statement of Visitors.**—The number of visitors and other particulars are given in Statement 'C.'

7. **New Libraries.**—People's Free Reading Room and Library at Dadar has been taken over by the Corporation *vide* C.R. No. 611 dated the 23rd October 1961 to run under the Municipal auspices with effect from 1st November 1961, for a term of 7 years subject to the renewal for a further period of 7 years.

8. **Income and Expenditure.**—The total income derived during the year under report by way of fine, incidental charges, cost of missing books and non-returned books and sale of Newspapers etc., was Rs. 2,972.41 as against Rs. 1,987.06 during the preceding year. The expenditure in running the 15 libraries in the City came to Rs. 83,281 as against Rs. 80,709 during the preceding year.

S. W. APTE,
Chief Librarian.

CENTRAL STORES

1. During the year Shri F.D'Souza continued to be the Controller of Stores, except from 18th September 1961 to 17th October 1961 during which period he was on Earned Leave. During his absence Shri D. S. Nagarkatti, Dy. Controller of Stores (Gen.) looked after the work of C. S. in addition to his own duties.

2. *Tenders and Contract.*—Tenders were invited for the purchase of Stores during the year under report in 177 cases as against 93 cases in the preceding year. The tenders which were being invited between October to January every year have now been staggered throughout the year so that there may not be heavy rush during the period of four months from October to March as hitherto. The number of contracts for the various schedule articles entered during the year was 288 as against 272 in the preceding year. A few of the tenders and quotations were rejected due to high rates quoted by the tenderers.

3. During the year about 41,606 M. Tons of Cement worth about Rs. 59.14 Lakhs; 3,36,505 R.ft. of Galvanized Iron Pipes worth about Rs. 3.09 Lakhs; 158,006 R. ft. of cast Iron Pipes worth about Rs. 11.43 Lakhs; 2348 M. Tons of Iron Materials worth about Rs. 16.27 Lakhs and 2,01,434 Yards of cloth worth about Rs. 2.54 Lakhs were purchased. 60,050 K. G. of Grains (Grams and Bajri) for the Head Supervisor and the Superintendent of Gardens, worth about Rs. 27,600.00 were purchased. In addition, this department purchased for various Hospitals and Maternity Homes about 2483.84 Quintals of Wheat, Rice worth about Rs. 1.27 Lakhs. Although the control of G. I. Pipes and all types of cloth was lifted, the Government reimposed control on steel materials in the month of September 1955. All Government and Semi-Government bodies received their requirement of steel only on quota Certificates *i.e.*, Planning is done on producers and Registered Stockists and not on Bombay dealers, thereby obtaining the materials at cheaper rates. This department had also to go in for the purchase of about 345 M Tons of steel materials at Column II rate beyond the Quota Certificates at rate higher than the 1st Column controlled rate by about Rs. 30 per M. Ton as material against our pending indents were not immediately available with Stockist. The control on Cement still continues and it is only obtained on authorisations issued by the Government. During the whole year the supply position of Cement was very acute and only the most urgent works had to be carried out.

Plant and Machinery Section.—This section has made various purchases of Plant and Machinery, Chemicals, such as alum, aluminium sulphate, barium carbonate, engineering materials such as bitumen asphalt, sand, metal, etc., steel and wooden furniture, vehicles, pumping sets, etc., for the various departments of the Corporation. For this purpose 53 tenders plus 22 schedules by public advertisement and 61 sealed quotations were invited involving 395 items costing Rs. 60 lakhs approximately. Wooden and steel furniture required by the various Hospitals & Maternity Homes and the departments were standardized and direct debit schedules were framed for the same during the year under report as before.

Diet Section.—Since 1958-59 the work of invitation of dietary tenders is entrusted to Stores Department. Municipal Hospitals and Maternity Homes spread over whole of Greater Bombay are suitably grouped and tenders were invited groupwise and localitywise. There were about 24 tenders and the cost of contracts for the supply of dietary articles amounted to Rs. 15.86 lakhs approximately. The specifications for various dietary articles have since been finalised. This Section also looks after the Stationery tenders as well as firewood for cemeteries, etc.

4. The value of Stores and other materials purchased during the year including articles received from other departments on Return Stores Mema amounted to Rs. 129.04 lakhs as against Rs. 191.69 lakhs in the preceding year.

5. Purchase of articles by Direct Debits to departmental grants amounting to Rs. 6.41 Lakhs were effected.

6. Most of the articles purchased were of India Manufacture and the value thereof amounted to about Rs.126.10 Lakhs and the value of foreign goods purchased amounted to about Rs. 2.94Lakhs. During the year 7 Import Licences aggregately valued at about Rs. 65,813.00 were received. Due to the Government restrictions many of our applications for Import Licences for Plant and Machinery items were rejected by the Government as a result of which, this department had to procure only materials of indigenous make and even abandon the proposals for foreign materials where it was not possible to procure licences.

7. 4,730 Orders for the purchase of stores were placed with the contractors and other dealers as against 6,541 orders in the preceding year.

8. 21.990 Indents and Sales Mema were received from the departments as against 43,028 (28,807 at C.S. and 14,221 at F.R Depot) in the preceding year. With effect from October 1960 the method of indenting on C. S. was changed. The indents were spaced out and each consuming department was apprised of their day for drawing the materials from the Central Stores, with a view that each department should draw their requirements once in three months *i.e.*, only 4 times in a year. This was done with a view to reducing the influx of indents on Controller of Stores. every month. It is also insisted that each and every indent should invariably contain the budget head to which the cost is to be debited and that the indenting department should justify the need for the purchase.

9. Indented articles which were not in stock or for which no contracts had been entered into were secured from the market by invitation of quotations or tenders by public advertisements except in a few cases wherein direct purchases were made from the market as such a course was found to be more economical and expeditious. The total number of casual or market inquiries or quotations invited was 492 as against 609 in the preceding year.

10. Articles received from the contractors and others were examined and compared with the approved samples before acceptance and where the articles differed from the samples, they were rejected and got replaced. The chemical test reports were invariably carried out in case of important paints, turpentine, inseed oil, soap, disinfectants, etc., while S.W. Pipes and C.I. Pipes and casting were subjected to Hydraulic tests before acceptance. Cement supplied was invariably tested for tensile strength.

11. *Sale of unserviceable articles.*—Mixed scrap received from different departments was sold by private offers and Cast Iron Scrap was retained for issuing to Municipal Contractors for manufacturing castings as per condition of the contract. The total amount realised by the sale of unserviceable articles including mixed scrap and empties by private offers during the year amounted to Rs. 2.65 lakhs as against Rs. 1.19 lakh in the preceding year.

12. The total turn-over of this department, *viz.*, the receipts and issues of Stores during the year came to Rs. 268.62 Lakhs as against Rs. 347.21 lakhs in the preceding year.

13. The stock of stores on hand was verified departmentally and through the Municipal Stock Verifiers The departmental verification and that by Municipal Verifiers showed no appreciable differences.

The balance of stock on hand on 31st March 1962 was worth Rs. 85.85 lakhs at the Central Stores as against Rs. 96.39 lakhs (including Foras Road Depot) in the preceding year.

14. The usual practice of inviting annual tenders of various Schedules for the ensuing year during the months of October to January was changed and instead the tenders were staggered throughout the year so that the burden of labour may not be more on the restricted period of 4 months only. Hence at the rate of about 20 tenders per month, some were invited in November, December 1961, January 1962, February, March 1962 and so on and the contract periods also were kept running as from March to February, April to March, May to April, June to May and so on.

15. The quantaties of cement purchased were more than those purchased last year the purchase of cement and steel involved considerable labour and time. There were many difficulties in obtaining early permits and taking deliveries. The distribution of these items amongst various departments also involved a good deal of work. The distribution of cement and steel amongst the contractors and various consuming departments presented special difficulties in view of the fact that the supplies of both these materials were not steady and continuous. However, this department was able to meet the difficulties.

16. *Sub-Depot in the Suburbs.*—With a view to facilitating easy and speedy removal of materials required by the offices situated in the Suburbs and to save considerable amount by way of transport which is being incurred at present in transport of materials from the Central Stores to the Suburbs, it has been now finally decided to open Sub-Depot at Vikhroli on the Central Railways to serve Eastern Suburbs. The plot at Vikhroli is already in Municipal possession and detailed estimates for filling the plot and construction of compound wall has been approved by the Works Committee. The detailed estimates for provision of office Godown, building, etc., are under way.

17. Statements showing (A) the Stores transactions during the year as required by Clause XIX of the Stores Audit Manual (Appendix 'O') and (B) the details of the stock on hand at the close of the year are appended.

F. D'SOUZA.
Controller of Stores.

LICENCE DEPARTMENT.

During the year 1961-62, Shri C. K. Patel, Superintendent of Licences continued to be in charge of the department.

The Licence Department functions in three wings, namely (*i*) Licence Section, (*ii*) Encroachment Section, (*iii*) Advertisement Section and deals with Sections 394, 412-A, 390, 313, 313-A, 313-B, 314, 328 and 328-A of the Bombay Municipal Corporation Act. The department makes its own valuable contribution in making the city cleaner, safer and more beautiful to live in.

LICENCE SECTION

General.—This Section issues licences under Section 394 and 412-A and permits under Section 390 and 393 of the Bombay Municipal Corporation Act, regarding trades and industries and controlling the storages of hazardous goods.

During the year under report, 25,754 licences were issued *vide* Items Nos. 1, 2 and 3 of Appendix A.

The rates of licence fees continued to be the same as they were in the previous year. Proposals made for revising the schedule of fees were still under the consideration of the Corporation.

An amount of Rs. 11,50,631.25 was realised by way of licence fees upto 31st March 1962 (*vide* Appendix A). The amount outstanding as licence fees on 31st March 1962 was about Rs. 3,69,492 as against Rs. 1,25,781 on 31st March 1961. Out of this amount, approximtely a sum of Rs. 2,72,126.78 was held in deposit and the same is being adjusted in the account. Thus the total licence fee collected was about Rs. 14,22,757.00 as against Rs. 13,87,878 for the last year.

Prosecutions.—There were 718 cases outstanding on 1st April 1961. During the year under report 2,667 prosecutions were launched for infringement of sections 394, 412-A. Convictions were secured in 1,697 cases. 312 cases were withdrawn as the parties concerned either paid the licence fees or complied with the requirements of the department. The amount of total fines inflicted in prosecution was about Rs. 242.75 The total number of cases that remained undisposed of on 31st March 1962 was 1,435 (*vide* Appendix B).

New Renewal System and application form, deposit system and inspectin report forms. } Marginally noted administrative measures which were continued and repeated last year are continued this year also.

Proposals made for amendments to relevant sections of the Bombay Municipal Corporation Act for tightening the control over storages and trades were still under the consideration of the Corporation.

Encroachment Section.

The total number of monthly hawkers and squatter licences issued, during all the months of the year was 45,523 (*vide* Appendix C).

An amount of Rs. 6,94,475.11 was realised as licence fees. The removal charges recovered under Section 490 amount to Rs. 1,80,096.75 (*vide* Appehdix 'D'). The outstanding amount of licence fees from squatter licences as on 31st March 1962 was about Rs. 26,326.46.

During the year, the Encroachment removal Section tackled 60,836 hawkers and 1,56,585 items were seized from them. The total collection by way of redemption charges amounted to about Rs. 1,80,096.75. Details are given in Appendix D.

Auction sale of unredeemed goods.—During the year there were in all 1416 auction sales, out of which 1360 were in respect of perishable goods and 56 for non-perishable goods which were seized by the Encroachment Removal Section and which were not redeemed by the hawkers concerned. Amount of Rs. 10,189.37 was realised as auction sale proceeds as against Rs. 13,866 last year.

As per the last year, a vacancy list is published every month on the Notice-board inviting applications. Lots are drawn amongst the applicants in presence of Superintendent of Licences and in his absence in office in the presence of Assistant Superintendent of Licences and a representative of A. O. E. by a lady clerk from the Section other than Encroacment. The lucky persons are informed by post immediately and the list of lucky candidates is put up on the Notice Board after a couple of days so that poor persons may not be exploied by others.

Advertisememt Section.

This section enforces Sections 323 and 328-A of the Bombay Municipal Corporation Act and thereby regulates various types of advertisements in the city.

The total number of permits for advertisements issued during the year under report was 2,296 (*vide* Appendix E). Total amount of advertisement fees received was Rs. 6,49,891.00.

On 31st March 1961 there were 1,818 cases pending in the courts. During the year 1961 prosecutions were launched for contravening Sections 328 and 328-A and convictions wre secured in 88 cases. 271 cases were withdrawn as the parties concerned either paid the permit fees or complied with the requisitions of the department. 22 acquitals were granted during the year under report. 2,726 cases remained undisposed of on 31st March 1962.

The advertisement fees were revised under Corporation Resolution No. 2352, dated the 31st March 1960 with effect from 1st April 1960. An amount of Rs. 6,49,891 was realised as licence fees.

Litigation in Advertisement Section.—During the year, the Cine Advertising Association filed a suit against the Corporation for the increase in the licence fees for advertisements and pending final disposal, the City Civil Court issued an injunction against the Corporation and ordered that no action should be taken against the members of the Association and that the difference between the old and new rates should be credited in the joint accounts of the Advocates of the Association and the Solicitor to the Corporatin pending final decision. Two members of the Association were expelled by the Association as they failed to credit the difference as per orders of the court. As one of the members of the Association is a B. E. S. T. contractor efferts were made to persuade B. E. S. T. to recover the differences due from them but without any result Recently the said member has obtained as injunction order against the Corporation and no action is possible unless this case is also finalised. The Solicitor to Corporation has been requested to take active steps to get both the cases finalised soon and to take steps against expelled members.

Concession in General Elections.—For the General Elections that took place in the year under review the posters and banners were charged Rs. 15 for each category irrespective of numbers as a special concession *vide* Corporation Resolutoin No. 1970, dated the 19th February 1962.

The aggregate collection of the department amounted to Rs. 38,20,181.00 out of which Rs. 32,22,358.00 represent the total revenue of the department as against the aggregate amount of Rs. 28,15,112.00 in the previous year. An amount of Rs. 11,12,958.00 is lying in deposit which is being adjusted.

Stall Board Department.—The Stall Board Department which was being managed by City Engineer with the help of an Assistant Engineer in grade higher than Superintendent of Licences, 4 Sub-Engineers,s 3 Overseers, 18 Stall Board outdoor clerks and 3 indoor clerks has been transferred to Superintendent of Licences and staff consisting of one Assistant Engineer, 3 Sub-Engineers, 3 Overseers is withdrawn. Out of 18 Stall Board Clerks (outdoor) and 3 indoor clerks, 8 and 1 have been withdrawn respectivley.

Projections on stall boards and weather frames, etc., on streets.—On transfer of Stall Board Department to Superintendent of Licences a regular licensing system instead of existing practice of giving permission by simply passing payment receipts was introduced and out of 23,000 projection permit holders 20,800 licences were issued, and 2,200 did not take out their licences and action against them is being taken. This department had introduced the application forms which is sold at 0.05 nP. each. The procedure of recovering security deposit equal to 3 months fees has also been introduced. Proposal to revise the schedule of fees has already been submitted and the same is before the Standing Committee. During the year 2566 removal actions takens for unauthorised projections and there were in all 3 auction sales.

Reorganisation of the Licence Department.—*Ex*-Municipal Commissioner, Shri M. G. Pimputkar was pleased to examine the working of this department and organise it by reallocating duties. The following were the special features of the reorganisation.

1. Previously, there were separate inspectors for separate work, *viz.*, Advertisement, Licences and Hawkers' licences. In the re-allocation of duties, it was decided that there should be only one person for a particular area who should do all the work pertaining to licences, hawkers projections and advertisement. As a result of this, the City was divided into 28 beats and each beat is placed in charge of one Licence Inspector whose responsibility is to do all work pertaining to licences, advertisement projections and hawkers in his area.

2. The A,B and C,D and F and G ward offices which were situated respectively at (1) Improvement Trust Building, Fort, (2) Null Bazar, (3) Nana Chowk, (4) Sankli Street and (5) Parel are abolished and all the inspectors are shifted to Head Office.

3. The peons which were uptil now assisting the Licence Inspector are withrawn from them and they are given the work of delivery of letters to the parties in 14 zones.

4. The court work is decentralised and each inspector is appointed as a Prosecuting Officer for all court-work pertaining to him.

5. Uptil now separate licences for separate commodities as mentioned in schedule M were issued Party-wise and premises-wise consolidated licences for all commodities with the necesssy requirements are now issued.

6. The practice of issuing payment receipts was discontinued and the licencees were given necessary receipts on the licences concerned across the counters on receipt of payment.

7. The new folders of hawkers' licences are introduced with necessary modifications regarding details of payment received. Here also the system of passing receipts is discontinued and payments are acknowledged on licences.

8. Similarly in advertisement section, new licences are issued across the counters on receipt of payment without passing the payment receipt and it is made incumbent on the licencee to get the licence renewed on expiry of the validity period. The system of serving demand notice in respect of advertisement permits is also discontinued as a result of this.

9. The stall board department which was managed by City Engineer with the help of one Assistant Engineer in a grade higher than Superintendent of Licences, 4 Sub-Engineers, 3 Overseers, is transferred to the Superintendent of Licences. All these officers except one Sub-Engineer have been withdrawn. The work pertaining to stall board Section is also entrusted to the Licence Inspector in addition to the work mentioned in (1) above.

10. On transfer of the stall Board Department to the Superintendent of Licences the practice of sending stall board clerks for receiving payment on the spot is discontinued and the regular system of licensing is introduced by issuing regular licences as in other sections of the department.

11. Head Office of the Licence Department which was in Improvement Trust Building is shifted to the Municipal Annexe Building on the 2nd floor.

12. The Municipal Office procedure laid down by *Ex*-Municipal Commissioner is introduced in this department.

A review of the reorganisation of the department will be taken next year and further changes if necessary will be made and the same will be reported.

C. K. PATEL,

Superintendent of Licences.

WITHDRAWALS AND ACQUITTALS.

During the year under report, one case abated on account of death of the accused.

Details of withdrawals and acquittals are as per Appendices 'B' and 'C' below :—

APPENDIX 'B'

(Withdrawals)

No. of cases withdrawn	Reasons.	Remarks.
10	Establishments having changed hands.	
3	Death of the accused.	
4	Closure of the establishments.	
6	Accused having left Bombay for good.	
17	Accused not traceable.	
139	Shops and Establishments Act is not applicable to stalls in Municipal Reserved Area as per High Court Judgment.	
179		

APPENDIX 'C'

(Acquittals)

No. of cases acquitted.	Reasons.	Remarks.
4	Charges could not be proved.	
4	No sufficient evidence.	
2	On the grounds of fact and law.	
1	Benefit of doubt given by the Court.	
11		

Some of the courts continued to inflict fines below the minimum of Rs. 25 per count prescribed under the Act.

One case No. 721/SEM of 1959 in which the accused had filed revision application No. 1625 in 1960 in the High Court and which was not decided till the close of the year 1960-61 was decided in April 1961 in the High Court and the accused was acquitted.

Two revision applications were filed in the High Court by this department during the year under report in case Nos. 1067/SEM and 1068/SEM of 1960 against the Proprietors of Dancing Schools (Macdonald Dancing School and Rui Rose Dancing School respectively) and the same were dismissed by the High Court as the establishments of dancing schools were treated as educational institutions.

In only one case No. 442/SEM of 1961 the party (accused) has filed revision application No. 1285 of 1961 in the High Court and the same was not decided till the close of the year.

7. **Financial.**—Government sanctioned Grant-in-aid of Rs. 2,51,595 for the year 1961-62 as part of expenditure towards administration of the Bombay Shops and Establishments Act, 1948, during the year 1960-61 and Rs. 18,550.13 realised by the Municipality through registration, etc., fees during the year 1960-61. The total expenditure incurred on the administration of the Bombay Shops and Establishments Act, 1948 and the Payment of Wages Act, 1936, during the year 1960-61 was Rs. 3,68,978.13.

Income by way of Registration, etc., fees for the year 1961-62 was Rs. 22,794.95 inclusive of Miscellaneous receipts of Rs. 1,640.42 and fines inflicted amounted to Rs. 1,91,705 as against expenditure of Rs. 2,70,965.46 (exclusive of Provident Fund, leave contributions and supervision charges).

PAYMENT OF WAGES ACT, 1936.

Out of 195 complaints received in the Department during the year under report, 146 disputes between employers and employees were settled amicably, while investigations in 2 cases were not possible for want of correct addresses of the establishments. 14 cases were, on investigation found to be falling beyond the purview of the Act.

It did not become necessary for the department to file any cases before the Authority under the Payment of Wages Act during the year under report. In 4 cases from out of the complaints received, the complainants had themselves filed their cases in the court of the Authority under the Payment of Wages Act. In 7 cases the complainants have filed their claims before the Commissioner of Labour. Investigations in 22 cases revealed that the complaints were either fictitious or had no documentary or sufficient evidence to facilitate action. No complaint was pendig at the close of the year under report.

Incidentally it may be stated that with the amendment of the Bombay Shops and Establishments Act, registration certificates are now required to be renewed annually on payment of prescribed fees. The administration of the Minimum Wages Act and the Workmen's Compensation Act has also been entrusted to this department.

N. J. ALVARES
Chief Inspector,
Shops and Establishments.

MARKETS AND SLAUGHTER HOUSES

Subject: *Administration Report for the year* 1961-62.

1. Dr. V. Periyan was in charge of the Department throughout the year under report.

2. **Markets.**—In all there were 40 markets in the City. 23 Municipal and 17 Private Markets, owned by private individuals and trust. The addition is on account of construction of new composite Municipal Market at King's Circle during the year consisting 245 stalls including a cloth section and named as Mahatma Gandhi Market. All private markets continued to be licensed by the Municipal Corporation. The licence fee recovered from the owners of these private markets amounted to Rs. 1,20,041 as against Rs. 48,884 during the previous year. The increase is on account of adjustment of amount held under deposits.

3. **Outside Meat Shops.**—There were 190 meat shops in the City licensed by the Municipal Corporation, in addition to meat stalls in Municial and Private Markets, for sale of mutton, beef and pork. The licence fee realised was Rs. 19,400. The addition is on account of granting a new licence to Military authorities. One more licence is granted for one outside shop for sale of fish.

4. **Scale-shed.**—The work of collection of fees on parcels arriving at the scale-shed at Arthur Crawford Market continued to be managed departmentally. The revenue derived from this source amounted to Rs. 8,33,362 as against Rs. 8,19,331 during the previous year.

5. **Fishing season.**—During the year under report the total quantity of fish brought to the markets was about 19,802 Metric tons as against 19,294 Metric tons during the previous year. There was not much improvement during the year in the arrival of fish.

6. **Cold Storage Facilities.**—The Cold Storage plant at the Arthur Crawford Market continued to meet the requirement of preservation of fish, vegetables, fruits, meat, eggs, milk and milk products, etc. The plant consisted of 3 chambers, one for storing fish at 28°F, to 31°F, one for mutton at 30°F to 37°F and one for fruits, vegetables, etc., at 35°F to 40°F. The plant is worked by the FREON 12 system with four Wasting House condensing units and direct expansion coolers. OZONE generator for deodourising and disinfecting bacteria in chambers is also provided.

The approximate quantity of perishable goods deposited and amount realised by way of fees at the Cold Storage during the year under report were as under:—

Commodity.	Quantity deposited.		Amount realised	
	1960-61.	1961-62.	1960-61.	1961-62.
			Rs.	Rs.
Fish	23,66,508 Kgms.	24,36,840 Kgms.	57,151	58,668
Fruits and Vegetables ...	13,65,553 ,,	15,09,221 ,,		
Mutton	5,08,753 ,,	5,34,614 ,,		
Eggs ...	6,75,126 ,,	6,81,923 ,,		
Milk and Milk Products ...	4,47,366 ,,	4,43,127 ,,		

There was slight improvement in the fishing season and weather conditions.

7. **Receipts.**—The total receipts during the year amounted to Rs. 57,96,618 as against Rs. 58,91355 during the previous year.

8. **Stalls and spaces in Markets.**—In all markets in the city there were 3,452 regular stalls provided for sale of different commodities such as flowers, fruits and vegetables, fish, mutton,, etc. The stalls continued to be well occupied throughout the year. Very few stalls in Erskine Road Market and Chawpatty Market remained vacant for want of demand. Appendix B shows the number of stalls occupied and vacant and the gross receipts and expenditure in respect of various Municipal Markets in the City. Spaces provided for on daily payment basis also were continuously occupied throughout the year. There were about 800 spaces in the Municipal Markets in the City.

9. All markets including private markets were regularly supervised. Obstructions and encroachments as also nuisance caused on account of throwing refuse in the passages of the markets, and indiscriminate spitting of pan juice, etc., were dealt with. Stall-holders were convinced of the importance of sanitation and good habits.

10. **Food Inspection.**—The Veterinary Officers and qualified Public Health (Sanitary) Inspectors carried out the work of inspection of meat, fish, fruits, vegetables, etc., with a view to preventing the exposure of unwholesome food articles for sale for human consumption. During the year under report 3,52,769 kilo grams of unwholesome food in the aggregate were destroyed as against 3,62,495 kilograms in the previous year.

Special mention may also be made of the inspection carried out by the Veterinary Officers of liver and blood consignments imported by certain Pharmaceutical firms from various centres outside Bombay. The amount realised by way of import and inspection fees was Rs. 35,208 during the year.

11. **Surprise Raids.**—Surprise raids to detect the smuggling and unauthorised slaughtering of animals and also the sale of contraband meat were systematically carried out by the staff, specially appointed for this purpose. The station wagon was also continued to be provided to carry out the raids. During the year 65,410 kilograms of contraband meat were seized and destroyed as against 93,139 kilograms in the preceding year. In all 1,603 seizures were effected in different parts of the City and 1,569 prosecutions were instituted resulting in conviction of 230 persons. The fine imposed was amounted to Rs. 10,890. The amount realised by selling seized animals and skins, etc., was Rs. 3,829. Besides the amount of Rs. 1,165 was recovered by way of penalty from the different parties who were found importing animals into the city without requisite permits.

ADDITIONS AND IMPROVEMENTS.

12. **Arthur Crawford Market.**—(1) 21 Wooden stalls were converted into R.C.C. stalls in Vegetable Section, (2) Electric lights in Fruit section were improved, (3) Major repairs to W.C. block were attended, (4) Lemon shed at Scale-shed was renovated, (5) Major repairs were carried out to a Shed in front of Godown No. 21 and 23.

Masjid Bunder Market.—Electric wiring was renewed.

Bhuleshwar Market.—Repairs to the sanitary conveniences and to the flooring were carried out.

Gold Mohur Castle Market.—(1) Door frames, shutters of Bhatties and roof gutter and rain-water pipes were renewed. (2) Additional light points were provided. (3) A round rafter shed for vegetable squatters and a storage tank for improvement of water supply were provided.

Pig Slaughter House.—Electric lights were provided in place of Gas lights.

Garamkhada Market.—3 overhead storage tanks of W.Cs. were replaced.

Plantain Market.—Compound wall on north side was raised.

Dadar Market.—4 additional Gas lights were provided.

Besides a one storey building was constructed inside Arthur Crawford Market. The ground floor is being utilised for doing wholesale business of fruits and the upper floor having 16 rooms was allotted for offices.

SLAUGHTER HOUSES.

13. Two main Municipal Slaughter Houses, *viz.*, One at Bandra for slaughter of horned cattle buffaloes, sheep and goats and the other at Arthur Road for slaughter of Pigs were continued to be operated during the year. The slaughtering chamber at Delisle Road sheep market meant for sheep and goats for religious purposes was continued during the year to meet the demands from the public. The Zatka Slaughter House at Arthur Road which was owned privately and licensed by the Corporation was also in operation during the year as usual. The revenue derived from this source amounted to Rs. 21,06,728 as against Rs. 21,89,515 during the previous year.

14. The main slaughter house at Bandra is old and out-dated. The question of shifting this Slaughter House from its present site and to build up an upto date modern Slaughter House complete with cold storage installation, waste elimination plants, latest equipment and machinery for processing by-products, etc., at Deonar was under active consideration. The Corporation have approved the scheme. Efforts were made to obtain the services of F.A.O. Expert for preparing detailed plans. The scheme has been included in the Third Five Year Plan of the State and the funds to the tune of Rs. 50 lacs have been allotted by the State Government. A Working Group has been appointed by the State Government to implement the scheme under the chairmanship of the Municipal Commissioner, Superintendent of Markets and Slaughter Houses being its Secretary.

15. The number of animals brought to the fair-ground at Bandra Slaughter House and the number of animals slaughterd thereat as compared with those of the previous year were as under :—

Year.	Animals brought to the fair-ground.			Animals slaughtered.		
	Buffaloes.	Horned cattle.	Sheep & goats.	Buffaloes	Horned cattle.	Sheep & goats.
1960-61 ...	5,894	60,030	18,57,569	5,802	59,795	12,62,402
1961-62 ...	5,880	70,042	17,50,885	5,840	69,124	1,192,711

16. The number of pigs and piglings brought to Arthur Road Pig Slaughter House for the slaughter during the year under report was 15,312 and 410 respectively out of which 15,190 and 410 animals were slaughtered as against 13,508 pigs and 413 piglings slaughtered during the previous year.

17. The principal causes of ante-mortem rejection of animals were Emaciation, Exhaustion, Pregnancy, Sheep-pox, Foot-rot, Actinomycosis and Febrile conditions, Diarrhoea and other diseases or infections rendering meat unfit for human consumption. In case of buffaloes and horned cattle most of rejections were due to animals being young and fit for breeding, milch, farm and cart purposes.

18. The main causes of post-mortem condemnation were Cysticercus bovis, Liver Fluke, Abscesses, Bruises, Emaciations Sarcocystis, Hydatidosis and other Parasitic and nodular infections of liver and lungs. The causes for rejection of pigs were Tuberculosis, Pregnancy, Cysticercus cellulosae, Rash, Bruises, Hydatidosis and injuries, etc.

19. Government Veterinary Staff as usual inspected the horned cattle in the Slaughter House compound as per the provisions of cattle Preservation Act. Rigid inspection of slaughtered animals by the qualified Municipal Veterinary staff included ante and post-mortem inspection, grading and stamping of dressed carcasses and rejection and destruction of unwholesome meat.

20. The approximate weight of dressed carcass meat of buffaloes and cattle was 8,451 Metric tons, that of sheep and goats 11,988 Metric tons and that of pigs 309 Metric tons. Most of this meat produced was for meeting the requirements of the city. The quantity of meat rejected and destroyed as unfit for human consumption was 24 Metric tons, 12 Metric tons and 6 Metric tons of beef, mutton and pork, respectively which worked out to 0.18, 0.1 and 1.27 per cent. respectively of the total meat.

Details regarding the number of animals and the fees realised, etc., are shown in the Appendix 'C'.

21. **Miscellaneous.**—The Superintendent of Markets continued to serve as a member of the Bombay State Fruit and Vegetable Market Committee and also on the Advisory Committee of the Indian Hides and Skins Improvement Society, Madras. He also worked on the board of directors of the Bombai Rajya Machhi mar Sahakari Sanstha Ltd.

Co-option of Dr. V. Periyan, Superintendent of Markets as a member of the Meat and Meat Products Sectional Committee AFDC 18 of the Indian Standard Institution was continued.

Lectures and Demonstrations on Food Inspections, Meat Hygine, etc., were given to Medical and Veterinary students of various colleges as also to the students preparing for Public Health Inspectors' Examination.

The Trainees visiting from different parts of the various States were taken round the markets and the working of different Markets, Cold storage and the different merchandizing practices were explained to them.

V. PERIYAN,

Superintendent of Markets and Slaughter Houses.

APPENDIX "A".

Statement showing the receipts under different items during the year 1961-62 and of the previous year;—

Serial No.	Particulars.	1961-62	1960-61
		Rs.	Rs.
1	Stallage charges ...	15,41,538	14,19,228
2	Squatters fees ...	11,27,703	10,94,082

K. E. M. Hospital and Seth G. S. Medical College

NEW CONSTRUCTIONS EXPANSIONS AND EXTENSIONS.

Works Completed.

(1) Construction of two additional floors over the kitchen block for operation theatres and paying wards.
(2) Construction of an additional floor over the Blood Bank and inter-connecting the same to the Main-Operation Theatre.
(3) Construction of an additional floor over wards 17 and 18.
(4) Construction of an additional floor over the Seth G. S. Medical College.

Work in progress.

(1) Constr ction of an additional floor over the Clinical Pathology.
(2) Construction of two additional floors over the Convalescent Home.
(3) Construction of a Hospital for Chest and Cardiology.

K. E. M. HOSPITAL.

Accommodation of patients in the Hospital and their particulars :—

During the year 1961, the scheduled bed strength of the hospital was increased from 704 beds to 756 beds. Although the hospital has a capacity to accommodate 784 scheduled beds, all the beds could not be made use of owing to the shortage of qualified nursing staff. A separate mental ward having 20 beds was opened for the treatment of male and female cases. A special ward with 30 beds accommodation was also opened for Plastic Surgery for the benefit of male, female and children patients. Inspite of increase in the total number of scheduled beds, there was constant over-crowding in the hospital, which was particularly marked in the children wards, Orthopaedic wards and medical and surgical wards for the female. The revised distribution of the beds according to departments and sex is shown in Appendix No. 1.

The daily average number of inpatients in the hospital during the year 1961 was 941 as against 919 and 878 during the years 1960 and 1959 respectively. This clearly shows the heavy demands for the hospital accommodation. The total number of patients admitted during the year 1961 was 38,197 as against 33,859 and 31,052 in the years 1960 and 1959 respectively. Though there is sharp increase in the number of patients admitted during 1961, the average stay of an inpatient in the hospital was 8.96 days in the year 1961 as against 9.90 days in 1960 and 10.30 days in the year 1959.

Out of the total number of 39,188 inpatients including 991 patients brought over from the previous year, 13,679 were discharged as cured, 22,042 were either relieved or left the hospital against medical advice, or were otherwise discharged or absconded and 2,576 died (excluding 188 still-births) leaving 891 patients under treatment at the end of the year under report.

The highest number of inpatients admitted on a single day was 165 on 2nd August 1961.

Deaths Classified.

Out of 2,576 deaths, 564 died on the day of admission, 525 patients died after the day of admission but within three days and the rest *i.e.*, 1,487 patients died after three days of their admission. The above figures are exclusive of 188 still births.

A short summary of the indoor admissions, daily average number of inpatients etc., is given in Appendix No. 2 and the classification of inpatients according to departments, age, sex etc., is given in Appendix No. 3.

Out-patient Department.

During the year under report, a special clinic viz., Gastro-Intestinal Clinic was opened for the benefit of the public.

The total number of new cases issued was 2,66,879 as against 2,35,249 and 2,34,117 during previous two consecutive years. The total number of out-patients attendance (New cases and old cases including casualty cases) was 8,54,327 bringing the daily average attendance to 2,801.

65,741 casualty cases were registered during the year under report as against 55,284 and 60,882 during the years 1960 and 1959 respectively.

On 26th December 1961, 4,100 patients, being the highest attendance on a single day, were treated. The above figure is exclusive of casualty cases which were treated on that day. The highest number of casualty cases brought to the hospital on a single day was 277 on 31st August 1961.

A short summary of the cases treated at the out-patients department is given in Appendix No. 2. The classification of the out-patients according to departments, age, sex etc., is given in Appendix No. 4.

15,191 operations were performed on inpatients and 51,895 operations were performed on out-patients.

Medico-Social Service Department.

The Medico-Social Service Department rendered statisfactory service to the patients apart from the reserach and teaching work undertaken by them.

The medico-social workers dealt with and helped to the deserving patients in securing medical aid appliances, rehabilitation. They also helped the patients by follow-up and solved numerous and complex social problems which hindered their pogress and completion of the treatment.

A film-show and an entertainment programme were arranged for the ward children. Two cases of the Psychiatric Department were presented at the Psychiatrists' Conference and efforts were made to collect more voluntary blood donors.

The social workers also participated in the teaching programmes of the Interns and lectures were delivered to the students of Occupational Therapy and Physio-theraphy schools.

A paper on "The incidents of Burn accidents in the City of Bombay over a period of 20 years" was read at the Indian Conference of Surgeons in December 1961. A paper was also prepared on "The attitudes of people towards Diabetic check-up" and a reserach on "The incidence and clinical epidemiology of Peptic ulcer" is undertaken.

The following figures will give an account of the Medical and Social relief work done through the department during the year under report :—

		Cases.
Medical aid, appliances etc.	...	1,368

The Physiotherapy Centre and School.

The Physiotherapy Centre and School is run through the joint efforts of the Central and State Governments and the Bombay Municipal Corporation.

School.—During the year 1961, twelve students completed their course successfully. The number of admissions to the school was increased from 15 students to 20 students to meet the growing demand for Physiotherapists in the country. Thirty-four regular students were under training including the one who received stipend from Maharashtra Government. Joint seminars along with the Occupational Therapy School were organised on number of topics under the able guidance of Heads of Sections and distinguished guest speakers.

Centre.—The centre continued to meet Physiotnerapy needs of indoor and out-door patients of the K. E. M. Hospital and the indoor patients of the Convalescent Home. The following statistics represent the work done at the centre.

	1961	1960	1959
Patients referred to P. T. Deptt. ...	6,536	5,596	5096
Total number of treatments given ...	61,203	69,593	60,714

Details of work done in the Physiotherapy Centre is given in Appendix 5.

Occupational Thearpy Centre and School.

School.—18 new students were admitted to the School out of which only 15 students continued the training. The total number of students studying at present is 33, which figure is inclusive of casual students ten out of fourteen students completed their course and were awarded diplomas by Shri M. C. Chagala.

The students were sent for their clinical traning to All India Institute of Physical Medicine and rehabilitation, Chidlren's Orthopaedic Hospital, J. J. Group of Hospital and Nair Hospital. Four seminars, film shows and clinical sessions were organised for the benefit of sutdents.

Centre.—The total number of patients during the year was 4,001 and the number of treatments given was 41,056. For better variety of activities and treatments, additional equipment was purchased. 131 patients went back to their jobs without any residual difficulty.

The work done at the Occupational Therapy Centre and school is shown in Appendix No. 6.

Nursing Staff.

During the year 81 nurses were sent up for Junior Examination, 44 for Senior Examination and 40 Nurses for Midwifery Examination. Of these, 43, 38 and 39 nurses respectively, passed the respective examinations. The total number of Nursing Staff on roll was 386 inclusive of supervisory staff. From this year separate biennial conference of Students Nurses' Association of India has been started, which was held at Nagpur in October 1961 and two delegates from the K. E. M. Hospital attended the same.

The arrangement of sending three nurses to the Kasturba Hospital for training in Infectious Diseases was continued during the year.

The cost of the Nursing establishment worked out to Rs. 188.94 per nurse per mensum as against Rs. 185.07 in the previous year.

Nurses' Welfare Fund.

The fund is built out of the subscription from nurses, from donations received from grateful patients and from the net proceeds of functions organised by the Nurses themselves. It is managed by a Committee of which the Dean is an *ex officio* President. The corpus of the Fund amounting to about Rs. 26,000 is held in Government and Municipal securities which are deposited with the Central Bank of India, Ltd., for the safe custody. The interest on securities is utilised for providing amenities to the nurses, such as newspapers, magazines, annual picnics, variety entertainments, annual dance, sports and also giving loans to the nurses in their difficulties.

Prophylactic Immunization Centre.

The centre worked on all days of the year from 2-30 P.M. to 5 30 P.M. on week days and from 9.00 A.M. to 11 0 A.M. on Sundays so that antirabic treatment could be given without break.

The total number of patients treated during the year 1961 was 51,109 as against 48,701 in the previous year. 233 patients, it being highest attendance on a single day, attended on 27th January 1961.

Leprosy Clinic.

This clinic is conducted by the Greater Bombay Leprosy Control Scheme and patients suspected to be suffering from Leprosy are examited on Tuesdays and Fridays between 8 00 A.M. and 12 00 Noon. 1,525 ptients were treated during the year 1961 as against 1,373 and 1,428 during the years 1960 and 1959 respectively.

Neuro Surgical Department.

In the year under report 312 new cases and 1,277 old cases were treated in the out patient Department and 237 patients were admitted as indoor patients. The number of Neuro surgical operations performed was 765.

Neurology Department.

During the year 1961, 929 new patients and 4,161 old patients were treated and 425 cases were admitted as in patients. Certain cases examined in this department were transferred to the Neuro surgical Unit.

Electro Cardiography Department.

During the year under report 5,097 cardiograms were taken as compared to 4,632 and 3,590 during previous two years.

Electro Encephalography Department.

The department rendered assistance in diagnosing nervous and psychiatric disorders in patients. 743 electro-encephalographs were taken during the year 1961 as against 625 and 560 during the years 1960 and 1959 respectively.

Family Health Centre.

The Family Health Centre at the Hospital continued to function satisfactorily during the year. The members of the public, who attended the centre were examined, investigated and advised as to their maintenance of good health. Members of those families in whom some defects or disorders were detected, were directed to attend the respective out-patients departments of the hospital for prompt treatment. The Centre had on its establishment a Health Visitor, who went round visiting families and explaining to them the advantages of a routine check-up at the Centre. A statement of work done at the Centre, during the year is at Appendix No. 23.

Facilities for patients and their relatives.

The following were some of the facilities provided for the patients and their relatives.

Gift-shop.—This is a sort of sales depot started in the year 1950, for sale of clean bottles for medicines, injections, tablets, etc., to the patients at fair rates, without difficulty and without having to go out of the hospital premises. The shop is financed by the Poor Box Charity Fund of this hospital to which all the net proceeds are credited. Since September 1961, some additional items such as Tab. Nadisan, Inj. Insulin etc., prescribed by the Diabetic Centre are also being sold.

Recreation Room and Library.—A small library cum recreation room has been maintained for the benefit of indoor patients. The hospital subscribed to a few vernacular newspapers, magazines and periodicals. Ambulatory patients generally take advantage of this library. A radio receiving set, carrom board and draughts were also provided for the recreation of the patients. The proprietor of the "Bombay Samachar" supplied copies of their daily news-paper free of charge, for which thanks are due to them.

Convalescent Home.

Convalescent patients from (1) K. E. M. Hospital, (2) Lokmanya Tilak Municipal General Hospital and (3) Bai Y. L. Nair Charitable Hospital are transferred to the Convalescent Home, which has an accommodation for 120 patients of which 60 beds are reserved for female patients.

The number of patients admitted, discharged etc., is given below :—

Balance of patients at the close of the previous year	94
New patients admitted during the year ...	562
Patients discharged during the year ...	525
Patients expired during the year ...	3
Balance of patients at the close of the year ...	128

Ambulance Service.

The services of the ambulance are available between 8-00 A.M. and 12-00 Noon and again 2-0 P.M. to 6-0 P.M. since there is only one non-resident driver at the hospital. The rates of the ambulance have been revised since last year. However, the ambulance service is free of charge to the poor and deserving patients.

Advisory Medical Board.

During the year 1961; the Advisory Medical Board held 8 meetings of the Honorary and Professorial staff.

Staff Society Clinical Meetings.

The Staff Society of the K. E. M. Hospital and the Seth G. S. Medical College held 9 meetings during the year 1961 when 8 papers on various medical subjects were read. A quarterly journal named "Journal of Post-graduate Medicine" is run under the auspices of the Society. A grant of Rs. 1,000 was sanctioned by the Municipal Corporation for Greater Bombay for the activities of the Society.

K. E. M. Hospital and Seth G. S. Medical College Employees' Co-operative Credit Society.

The Co-operative Credit Society of the employees of the K. E. M. Hospital and the Seth G. S. Medical College worked satisfactorily during the year. The total number of members on the roll at the end of June 1961, was 843.

The share capital of the Society amounted to Rs. 2,00,385 on the 30th June 1961 as against Rs. 2,11,310 on the corresponding date of the previous year. The amount of the loan granted was Rs. 5,56,680 as against Rs. 4,37,830 in the previous years.

The Society declared a dividend of 6 per cent. for the year ending June 1961. The net profit during the year ending 30th June 1961 amounted to Rs. 28,240.78 nP. as against Rs. 26,301.77 nP., in the previous year. The accounts of the Society were audited by Government auditors upto 30th June 1961 and the Society was awarded 'A' class certificate.

Dr. N. A. Purandare Gynaecological and Obstetric Research Centre.

In the Dr. N. A. Purandare, Gynaecological and Obstetric Reserach Centre, cases of gynaecological disorders of hormonal origin are being studied from the point of view of investigation and therapy. The special investigations carried out during the year and the work done in the Obstetric Departments is given in Appendix No. 7.

Family Planning Centre.

A Family Planning Centre, with 100 per cent. grant-in-aid from the Government of India, started in January 1959, continued to work satisfactorily during the year under report.

It is found that the people specially of the lower economic group are beginning to get more conscious of the need for contraception control. Vasectomy operations were carried out by the medical Officers incharge of the Centre. Patients needing temporary contraception were advised mechanical or chemical methods with safe period, if periods were regular Contraceptives and contraceptive tablets were given free of charge. Home and clinical visits were also given. Lectures were given on the subject of Family Planning to internes and post-graduate students.

Food Handlers' Scheme.

The scheme of periodical examination of persons handling food. employed in city hotels, eating houses and restaurants continued satisfactorily during the year under report. 1,468 persons were directed for examination by the Health Department from 1-1-1961 to 31-12-1961, out of which only 914 persons attended for examination. 21 persons did not give their stools etc., for pathological examination. In all, 861 fit certificates and 32 unfit certificates were issued during the year under report.

Shantilal Mathuradas Blood Bank.

The Blood Bank worked satisfactorily during the year under report 4,611 blood samples, including those from the voluntary donors, were collected and an amount of Rs. 63,068 was paid out of the Poor Box Charity Fund. The number of blood samples supplied for transfusion, during the year was, 4591. The details of the various investigations carried out in the Blood Bank and the Central Clinical Laboratory during the year, are shown in the last para. of Appendix No. 8.

Dr. Jivraj N. Mehta, Pharmaceutical Laboratory.

Various types of injections, paranteral fluids, loose sterile solutions, stains and miscellaneous solutions were manufactured in the laboratory as shown below :—

(*i*) Transfusion bottles (eleven different types)	...	65,963	Nos.
(*ii*) Ampules (eleven different types)	...	4,285	Nos.
(*iii*) Loose sterile solution	...	990	Litres
(*iv*) Stain and miscellaneous solutions	...	67.5	Litres

The market value of the above products is estimated at Rs. 1,14,032.

In addition classes were conducted for the 2nd M.B.B.S. students in theory and practice of dispensing pharmacy. Two students from Nagpur University, appearing for B.Pharm. Examination were given training.

School Clinic Department.

Municipal School Clinic worked in five departments *viz.*, medical, ophhalmic, aural, skin and dental sections on five days in a week between 2-0 P.M. and 4-0 P.M. for 10 months during the year, there being summer vacation for two months. Dr. M. D. Motashw, M.D., was the Medical Officer Incharge of the School Clinic, during the period from 1-4-1961 to 16-7-1961 and again from 3-10-1961 to 31-3-1962. During his absence Dr. V. P. Mondkar, was the Medical Officer Incharge from 11-8-1961 to 2-10-1961.

2,350 new children and 15,339 o'd cases were treated in the School Clinic Department in addition to 1,484 referred cases as shown in Appendix No. 9.

Common complaints were Anemia, Bornchitis, Round worm infection, Tonsillitis, Carious teeth, Vitamin 'A' deficiency etc., 185 children were operated upon in the Aural Department. 22 children were admitted in the other wards for various complaints like Anaemia, Fever, X-Ray Spine, Bleeding after tonsil operation, Abscess, needling etc., X-Ray plates, electro-encephalographs, electro-cardiographs were taken whenever found necessary. Five chi dren were referred to Physiotherapy Department, and two children were referred to Occupational Therapy Department.

The total expenditure of the School Clinic at the K. E. M. Hospital during the year under report amounted to Rs. 42,520.

Donations by Philanthropic Bodies and persons.

During the year under report number of articles including sweets, to fees, fruits, toys etc., were donated by philanthropic institutions and individuals. These articles were used for the patients irrespective of race, caste, and creed. Many thanks are due to them.

Account Section.

Certificates.—Certificates of different categories as mentioned below were issued during the year 1961-62. A sum of Rs. 11,736 was realised as certificate fees.

Kind of Certificates.		No. of certificate issued.
(*i*) Under Workmen's Compensation Act	...	375
(*ii*) Medical opinion certificates	...	2,400
(*iii*) Injury certificates to Police in Medico legal cases (free)	...	986
(*iv*) Injury certificates in medico-legal cases to patients (paid)	...	160
(*v*) Municipal employees injury certificates for leave (free)	...	171
(*vi*) Insurance purpose	...	95
(*vii*) Essentiality certificates for reimbursement of medical expenses to Government servants	...	180
(*viii*) Accidental Insurance certificates	...	...
(*ix*) Ordinary certificates	...	13,500 (Approx.)

Expenditure out of Poor Box Charity Fund.—Besides the expenditure incurred from the municipal funds a sum of Rs. 1,37,.20.88 was spent out of Poor Box Charity fund in the year 1961-62 as against Rs. 1,06,157 in the previous year. This amount was mostly spent for costly drugs, injections, blood transfusions, surgical appliance , travelling expenses of patients, etc., for the poor and deserving patients of the hospital The statement of accounts are given in appendices Nos. 10 and 11. In addition to cash donations, small donations in kind were also occasionally received.

Donations to the extent of Rs. 12,683.56 were received by the Poor Box Charity Fund from the patients, philanthropic bodies and individuals. In addition a sum of Rs. 11.274.10 was collected from the boxes kept in the wards and out-patient departments. Special mention of the names of firms and persons who have donated a sum of Rs. 500 and above during the year 1961-62 is made in Appendix No. 12.

Expenditure out of the hospital budget grant.

The total expenditure incurred on the maintenance of the hospital during the year 1961-62 including liabilities at the end of the year but exclusive of the cost of extension scheme amounted to Rs. 42,14,804.00 approximately. This expenditure was inclusive of the cost of maintenance and treatment of inpatients, out-patient departments, and establishment charges of medical nursing, administrative and labour staff, as well as the cost of the staff for the maintenance and repairs of buildings.

Thanks are due to the authorities of the Nowrojee Wadia Maternity Hospital and the Bai Jerbai Wadia Hospital for Children for continuation of facilities extended to the students of the Seth G. S. Medical College for clinical insturctions in Obstetric and diseases of children respectively.

Thanks are also due to the members of the Honorary, Professorial, other teaching staff and other staff for their co-operation and willing help in medical relief, education and reserach activities at these two sister institutions.

SETH G. S. MEDICAL COLLEGE.

In the year 1961-62 the King Edward VII Memorial Hospital and the Seth G. S. Medical College have completed 36 years, the Hospital rendering medical relief to the sick and the college imparting medical education to the students.A report about the staff, departments and the work that was done during the year in these institutions is given below :—

Dean.

Dr. S. V. Joglekar, M.S., F.C.P.S., held the post of Dean throughout the year.

Assistant Dean.

Dr. R. B. Redkar, B.Sc., M.B.B.S., D.A., held the post of Assistant Dean throughout the year.

Professorial Staff.

1 Dr. K. D. Desai, M.B.B.S., M.Sc., (Medical) continued to hold the post of Professor of Anatomy during the year under report.

2. Dr. U. K. Sheth, B.Sc., M.D., F.C.P.S., continued to hold the post of Professor of Pharmacology during the year under report.

3. Dr. R. G. Chitre, M.Sc., Ph.D., F.R.I.C., retired due to superannuation on 4th April 1961.

4. Dr. A. C. Duarte Monteiro, M.B.B.S., M.Sc. (Med.),held the post of Ag. Professor of Physiology, till 4th November 1961. He retired due to superannuation on 5th November 1961.Dr. I. K. Ramchandani has been asked to look after the work of Professor of Physiology.

5. Dr. C. K. Deshpande, Asstt. Professor of Pathology and Bacteriology has been promoted to the post of Prof. of Pathology and Bacteriology at T. N. M. College on 1st December 1961.

6. Dr. (Smt.) S. G. Kinare, Asstt. Clinical Pathologist in Medicine & Surery Department has been promoted as Ag. Asstt. Professor of Pathology and Bacteriology from 21st January 1962.

7. Dr. K. H. Sahiar, M.D., F.C.P.S., Asstt. Clinical Pathologist has resigned his post from 1st June 1961. Dr. S. M. Purandare, M.D., has been appointed as Asstt. Clinical Pathologist from 21st June 1961.

Study Tour.

1. Dr. C. K. Deshpande, M.D., Asstt. Professor of Pathology & Bacteriology was awarded T. C. M. Fellowship for training in U.S.A. in the field of Pathology and Bacteriology. He proceeded abroad on 21st November 1960 and resumed his duties on 4th October 1961.

2. Dr. T. P. Kulkarni, M.S., Asstt. Prof. of Surgery, has proceeded on study leave from 1st January 1962 under Rockefeller Foundation Fellowship.

Honorary Staff -

3. Dr. I. L. N. Lopes, B.D.S., who had proceeded to Australia on 16th May 1958 under Colombo lan for specialisation in Dentistry resumed his duties on 1st October 1961.

4. Dr. V. S. Sheth, proceeded to U.S.A. from 9th September 1960 for training under Point Four Programme for specialisation in Study of recent advances and improved technique in the Surgery of the Gastro intestinal tract including Oesophagus. He resumed duties from 11th April 1961.

5. Dr. S. R. Rege, proceeded abroad from 28th March 1961 to 31st October 1961 for specialisation in Laryngology and Otology under Colombo Plan, Technical Co-operation Scheme.

Educational Programme.

87 students were admitted during the year under report. Three of the students who came from outside India were nominated by the Government of India in the three reserved seats and three were taken from schedule castes and backward class community.

Reserach Activities.

A number of reserach projects were undertaken at the Hospital and College under the auspices of the Indian Council of Medical Reserach, the Council of Scientific and Industrial Reserach, the K. E. M. Hospital and Seth G. S. Medical College staff Reserach Society and through the help of some Pharmaceutical firms like Unichem Laboratories, Dumex Private Ltd., and Leaderly Laboratories (India) Private Ltd. Reference is invited in this connecteion to Appendix No. 27 regarding the details of subjects of reserch.

Library.

During the year 264 books were added to the Library as against 402 books during the previous year. Out of these 143 were presented to this Library as stated in Appendix No. 27. Our grateful thanks are due to donors. The number of books and Periodicals issued for reading on the premises of the Library to the under-graduate and postgraduate students and teachers was 33,602, 1,374 books and 1,067 periodicals were issued on loan outside the Library to the Honorary and Professorial staff, Resident Medical Officers of the K. E. M. Hospital and Demonstrators and Lecturers of the Seth G. S. Medical College and as inter library loan to the libraries of Haffkine Institute, Tata Memorial Hospital, Indian Cancer Reserach Centre, The

College of Physicians and Surgeons of Bombay, Topiwala National Medical College and the Lokamanya Tilak Municipal General Hospial, Sion.147 Periodicals were borrowed on inter Library loan from the various medical and reserach institutions in the neighbourhood and the Bombay University Library to meet the needs of our readers.

As in the past reference material was supplied by this Library throughout the year to the Microfilm Service Unit at the Tata Memorial Hospital for providing microfilm and photostat copies required by Institution through out India.

Museum.

50 Wet and dry specimens were replaced in the Anatomy Museum during the year. The total number of wet and dry specimens in the Anatomy and comparative Anatomy Section stood at 1,727.

In the Pathology Museum a number of specimens were found to have blurred lesions and had to be discarded from the Museum. A number of foggy jars not displaying specimens properly were also removed from the Museum ; some of these specimens have been given to other newly established institutions for teaching purposes. Due to above reorganisation of the Pathology Museum the number of specimens in the Museum deflected from 2,200 to 1,850.

In the Artist Section, 2,560 graphs, photographs, photomicrographs etc., were prepared during the year.

Hostels.

The number of students residing in the Male Sudents' Hostel was 147 and that in the Lady Students' Hostel was 41. Both the hostels were fully occupied and a number of applications for rooms had to be turned down for want of vacancies. In order to meet the increasing demands of the undergraduates and also to accommodate Interns, reserach workers and postgraduates a new hostel has been acquired at Naigaum. This hostel accommodates 84 students. During the year under report, 239 students took advantage of this hostels. The need is still felt for accommodating postgraduates, interns, reserach workers and students of Physiotherapy and Occupational Therapy schools.

Gymkhana.

This year the college maintained its supremacy in the field of sports and set up new records in Cultural Activities. The inaugural address to the Students and members of the staff was delivered b Shri G. L. Mehta.

In the dramatic field the college was awarded the trophies for the Marathi drama, the Kannada drama and the much coveted Kulpati Munshi shield for the "Best Acting" was also awarded to the Kannada Dramatic Team.Besides this Miss Shailaja Shashittal was awarded individual prizes for her acting in both the Kannad and Marathi dramas. Certificates of merit were also awarded to some of the other artists.

In the Bombay State Intermedical Tournaments, the College won Championship in Cricket, Debating and Indoor Games. The College was runners up in the Hockey and Badminton Tournaments. Shri S. H. Moolgonkar was awarded the first prize in the Intermedical Debating competition. Shri R. M. Kamath won the Intermedical chess tournament.

At the Intercollegiate chess Tournament Shri R. M. Kamath was runners up and with Shri S.A. Gokhale shared the Team Championship in chess.

The Hockey Team (Both the Ladies and Gents) reached upto Quarter Finals in the Inter collegiate competition.

The R. R. & D. D. arranged successfully a Brains Trust on "Doctors and Society" and also a symposium on "Internship".

For the first time Intermedical Cricket and Tennis Tournaments for the staff were held.

The Annual Intermedical Ball which was held under the Jt. Hon. Secretaryship of Shri J. T. Vyas was a success.

The Rotary Club Prize for the best student of the year was awarded to Shri N. S. Doshi. Shri V. T. Parmar was elected Executive member of the Indian National Council of World University Service and he was also the Executive member of the University Board for students' welfare.

The College Day was held in December 1961 under the able secretaryship of Shri D. R. Mukhtyar and was a success.

The annual sports day was held in February 1962 and was well attended.Shri Eric Peet was the Chief Guest.

General.

Shri G. L. Mehta, *Ex*-Ambassador at U.S.A. delivered inaugural address to the students of these institutions on Saturday the 1st July 1961 at 11-30 A.M. in the Main Lecture Theatre.

The following eminent Medical Personnel visited these institutions during the year under report :—

(1) Professor J. Barbizet, Reserach Professor in Neutology Paris.

(2) Dr. H. Uetake Professor of Microbiology Sapporo Medical College, Japan.

(3) Dr. S. W. Bibile, Professor of Pharmacology, University of Ceylene visited with world Health Organisation Group of Professors and Teachers.

(4) Dr. Charles M. Pomerat, Ph.D., Research Director Pasadena Foundation for Medical Research Pasadena, California.

(5) Dr. E. W. Peet, F.R.C.S. (Eng.), Director Plastic Surgery at Churchill Hospital, Oxford.

(6) Dr. Kaufman, Cologne University.

(7) Dr. Benjamin Castleman, Head of the Department of Pathology & Massachusetts General Hospital Boston.

(8) Sir Miles Clifford Director, Leverhulme Trust Fund.

(9) Sir John Peel, K.C.V.O., F.

(10) Dr. Nagabuishi, Neuro-Surgeon from Tokyo University.

(11) Dr. Shouldire from Toronto Canada.

(12) Dr. Le Roy Allen of Rockefeller Foundation.

(13) Professor Fraser Brockington, University of Manchester, England.

(14) Professor P. P. Choehn, Professor of Physiological Chemistry at the University of Wisconsin.

DEPARTMENT OF SURGERY.

A report of the work carried out in the Department of Surgery is given below :—

Laboratories.

(1) Experiemental Laboratory—

310 experiments were carried out on the following reserach project :—

(1) Use of Extracorporeal Circulation and Hypothermia in Open Heart Surgery.
(2) Selective Cerebral Hypothermia.
(3) Isolated Liver perfusion studies.
(4) Use of Selective Cross Circulation with Hypothermia for Open Herat Surgery.
(5) Selective Hypothermic Cardioplegia.
(6) Study of Ischaemic Changes in the Spinal Cord due to clamping of thoracic aorta.
(7) Use of Fluothane in Prevention of Hypoxic Brain Damage.
(8) Use of Proximal Splenocaval shunt for portal Hypertension an experimental study.

(2) *Pathology Laboratory*—

5,104 routine investigations were carried out.845 histopathological sections were studied. Reserrch work on the following subject is in progress :—

(1) Stenosing aortitis affecting the middle part of aorta.
(2) Pulmonary vascular changes inmitral stenosis.
(3) Experimental atheroselerosis.
(4) Biochemical and pathological changes during extra-corporeal circulation.

(3) *Fluid Balance Laborarory*—

Blood volume studies in cardiac patients.

(4) *Biochemistry*—

Flame photometry.
pH Estimation.
Electrophoresis.

(5) *Cradiac Laboratory*—

Electrocardiography, Phonocardiography, Vectorcardigraphy, was performed on 150 cardiac patients.

(6) *Diagnostic Radiology and Cardiac Catheter Laboratory*—

Routing radiological investigations were carried out on 2,400 patients. Special investigations such as cardiac catheter, angiocardioraphy, splenography, aortography was performed on 251 patients.

Operation Theatre—

424 thoracic and cardiovascular operations were performed.

Scientific Meetings—

The following scientific weekly meetings were held in the department :—

(1) Surgicl meeting.
(2) Angiocatheter conference.
(3) Death Conference.
(4) Research conference.
(5) Autopsy specimen discussion.
(6) Journal Review Club meeting.

Postgraduate operative surgery classes for surgical residents :—

20 classes were held in the Experimental Labortory.

DEPARTMENT OF MEDICINE (Full itme)

The clinical, biochemical, pulmonary function and electroencephalographic laboratories have been working satisfactorily and has been engaged in the study of (1) some aspects of anemia and helminthiasis ; (2) the influence of age on lung volumes; (3) Byssinosis ; (4) electroencephalographic pattern in cerebro-vascular and hepatic diseases ; and (5) under a grant from the Indian Council of Medical Research, the Department has been engaged on carrying on a survey and study on epidemiological and aetiological aspects of peptic ulcer in the various occupational groups in Bombay.

Additional equipments for the departmental laboratories from the Rockefeller Foundation Gift Appropriation are expected to arrive soon.

Departmental Activities.

(1) A study of the lung volumes in normal students (Males and females) and nurses has been concluded. Influence of age on lung volumes is being studied in the normal fire-brigade workers.

(2) A study of portal-hypertension and factors in the production of ascites in cirrhosis of liver is being continued.

(3) A study of some aspects of the utility of the board spectrum antihelminthics is being conducted.

In collaboration with the authorities of the Kasturba Hospital, the sensitivity of C. diphtherae to various antibiotics including a new one G.S. 2876 is being studied. The type and virulence of C. diphtherae in the various clinical varieties and the development of carrier state among attendants (relations of patients) in the diphtheria wards in this Hospital are also being studied.

Publications.

Subjects of articles published by the members of the Honorary, Professorial and other staff during the year are shown in the Appendix No. 29.

Department of Biochemistry continued to work in close collaboration with existing departments of basic medical sciences and clinical departments in Hospitals.

During the year under report the following persons who have been appointed as Pool Officers by C. S. I. R. were working at this College :—

(1) Dr. V. S. Raut, M.Sc., Ph.D.	... Biochemistry Department.
(2) Dr. (Smt.) Sunity Ratnakar Samsi, M.D., F.R.C.S.	... Surgery Department.
(3) Dr. A. E. Mody, F.R.C.S.	... Surgery Department.
(4) Dr. R. K. Gandhi, F.R.C.S.	... Surgery Department.

S. V. JOGLEKAR,
M. S., F. C. P. S.
Dean,
K. E. M. Hospital and Seth G. S. Mecical College .

LIST OF APPENDICES.

Appendix No.	Particulars.
1	Distribution of beds according to classification of departments.
2	Statement showing the particuarls of indoor patients, outdoor patients and the number of operations done, etc.
3	Statements showing the classification of inpatients, accoding to departments, age, sex, discharges and deaths.
4	Statement showing the classification of out-patients according to departments, sex and age.
5*	Statement showing the number of patients treated (with classification of condition) in the Physio-therapy Centre and School.
6*	Statement showing the work done in Occupational Therapy Centre and School.
7*	Ststement of work done in Dr. N. A. Purandare Gynaecological and Obstetric Research Centre and Obstetric Department.
8*	Statement of the various investigations carried out in the Central Clinical Laboratory, work done in the Shantilal Mathurdas Blood Bank and also an account of autopsy work done.
9	Statement showing the children from Municipal Primary Schools treated at the School Clinic.
10	Statement of accounts of the Poor Box Charity Fund.
11	Balance-sheet of the Poor Box Charity Fund.
12	Statement showing the names of donors who have donated Rs. 400 and above to the Poor Box Charity Fund.
13	Statement showing the relative cost per inpatient and per out-patient per day during the year 1961-62 and previous two years.
14	Statement showing the details of cost per inpatient for the year 1961-62 and previous two years.
15	Statement showing the average cost of each new out-patient admission for the year 1961-62 and previous two years.
16	Senior staff of the K. E. M. Hospital and the Seth G. S. Medical College.
17*	Summary of inpatients treated with classification according to diseases and results of treatment.
18*	Statement showing the classification according to nature and results of operations performed in different departments *viz.*—

(*i*) Surgical Department.
(*ii*) Neuro-surgery Department.
(*iii*) Orthopaedic Department.
(*iv*) Gynaecology Department.
(*v*) Ear, Nose and Throat (Aural) Department.
(*vi*) Ophthalmic Department.

19*	Report of the X Ray Diagnostic Therapy work.
20*	Statement showing the diagnosis of out-patients and in-patients treated in Skin and Venereal Department.
21*	Statement showing the classification according to the nature of the diseases and sex of the patients treated and diagnostic and therapeutic measures used in the Psychiatric Department.
22*	Statement showing the Electro-cardiograms classified according to the clinical condition for which these were taken.
23*	Ststement showing the work done at the Family Health Centre.

SETH G. S. MEDICAL COLLEGE.

24	Statistical information.
25	Particulars regarding students.
26	Average cost and revenue.
27*	List of books presented to the Library.
28*	Research enquiries.
29*	List of publications by the staff.

* Printed in Departmental copies.

K. E. M. HOSPITAL, PAREL, BOMBAY 12.

APPENDIX No. 1.

Distribution of beds according to classification of Dpeartments.

Department.	Male.	Female.	Children.	Total.

APPEDNIX No. 16.

Senior staff of the K. E. M. Hospital and Seth G. S. Mecical College for 1961-62.

Dean—

Dr. S. V. Joglekar, M.S., F.C.P.S.

Professor of Anatomy—

Dr. K. D. Desai, M.B.B.S., M.Sc. (Med.).

Asstt. Professor of Anatomy—

Dr. S. M. Bhatangar, M.B.B.S., M.Sc. (Med.).
Dr. J. S. Kalgutkar, M.B.B.S., M.Sc. (Med.).

Professor of Physiology—

Dr. Durate Monteiro, M.Sc., M.B.B.S. (upto 3-11-61). Retired from 4-11-61.

Professor of Biochemistry—

Dr. R. G. Chitre, M.Sc., Ph.D., F.R.I.C. Retired from4-4-61.

Asstt. Professor of Biochemistry—

Dr. R. K. Anjaria, M.Sc., Ph.D.

Professor of Pharmacology—

Dr. U. K. Sheth, M.D., F.C.P.S.

Asstt. Professor of Pharamcology (Maleria Medica)—

Dr. R. S. Satoskar, M.B.B.S., M.Sc. (Med.), Ph.D.

Professor of Pathology and Bacteriology—

Dr. N. M. Purandare, M.D.

Asstt. Professor of Pathology and Bacteriology—

Dr. C. K. Deshpande, M.D., on study leave from 21st November 1960 to 3rd october 1961. Promoted as Ag. Prof. of Pathology and Bacteriology at T. N. M. College from 1st December 1961.

Dr. (Smt.) Suman M. Sant, M.D.
Dr. (Smt.) S. G. Kinare, M.D., Ag. from 21st January 1962.

Professor of Preventive and Social Medicine—

Asstt. Professor of Preventive and Social Medicine—

Dr. D. N. Pai, M.B.B.S., M.P.H.

Professor—Director of Medicine—

Dr. P. Raghavan, M.D.

Asstt. Professor of Medicine—

Dr. M. V. Divekar, M.D., resigned from 8th February 1962.

Asstt. Clinical Pathologist (Medicine)—

Dr. (Smt.) S. G. Kinare, M.D. upto 20th January 1962.

Tutor (in Medicine)—

Dr. M. J. Ganhdi, M.D.

Professor—Director of Surgery—

Dr. P. K. Sen, M.D., M.S., F.A. C.S., F.I.C.S.

Asstt. Professor of Surgery—

Dr. T. P. Kulkarni, M.S., On study leave from 1st January 1962.

Dr. G. B. Parulkar, M.S., Ag. from 1st January 1962.

Tutor in Surgery—
Dr. G. B. Purulkar, M.S. appointed as Ag. Assist. Professor of Surgery from 1st January 1962
Dr. R. A. Bhalerao, M.S.

Anaesthetist (Sr.) Surgery—
Dr. A. J. Dhruva, M.B.B.S., D.A.

Anaesthetist (Jr.) Surgery—
Dr. (Smt.) M. M. Bhatt, M.B.B.S., D.A.

Radiologist—
Dr. (Smt.) S. D. Engineer, M.B.B.S., D.M.R.E.

Hon. Physicians and Lecturers in Medicine—
Dr. M. J. Shah, M.B.B.S., M.R.C.P., D.T.M. & H.
Dr. J. C. Patel, M.D., M.R.C.P., Ph.D., B.SC.
Dr. E. R. DeMello, M.D. retired from 13th August 1961
Dr. J. K. Mehta, M.D., M.R.C.P., F.C.P.S.
Dr. E. P. Bharucha, M.D. (Bom.), M.D. (Lond.).
Dr. K. K. Datey, B.A., M.D., M.R.C.P. (Lond) D.T.M. & H., B.Sc., D.C.H., F.C.P.C., F.C.C.P., D.T.M.&H. F.R.C.P.E

Hon. Paediatric Physicians and Lecturers in Paediatrics—
Dr. (Smt.) P. E. Bharucha, M.D. (Lond.), D.C.H. (Lond.).
Dr. M. P. Bhagat, M.D. (Bom.), M.R.C.P. (Lond.).

Hon. Assistant Physicians and Lecturers in Medicine—
Dr. A. F. Golwalla, M.D., F.C.P.S.
Dr. J. M. Mehta, M.R.C.P.
Dr. M. D. Motashaw, M.D.
Dr. S. D. Stores, M.D., M.R.C.P.E., F.C.P.S.
Dr. S. L. Balse, M.D., M.R.C.P., P.C.H., D.T.M.H.
Dr. I. J. Pinto, M.D., M.R.C.P. (Lond.), M.R.C.P.E.
Dr. M. K. Dhirawani, M.D.

Hon. Assistant Paediatric Physicians and Lecturers in Paediatrics—
Dr. (Smt.) Seeta Sinclair, M.B.B.S., Master of Medical Science in Paediatrics (U.S.A.) Diploma of Amercian Board of Paediatrics.
Dr. R. J. Buhariwalla, M.R.C.P., D.C.H. (Lond.), D.C.H. (Bom.).

Hon. Surgeons & Lecturers in Surgery—
Dr. A. E. DeSa, F.R.C.S. (Eng.).
Dr. R. H. Karmarkar, F.R.C.S.
Dr. C. S. Worah, M.S.
Dr. G. D. Adhia, F.R.C.S., F.C.P.S.
Dr. V. S. Sheth, F.R.C.S.

Hon. Assistant Surgeons and Lecturers in Surgery—
Dr. M. L. Vaze, M.S., F.R.C.S.
Dr. D. K. Karanjawalla, M.S., F.R.C.S.
Dr. S. D. Deodhar, M.S.
Dr. C. J. T. Pinto, F.R.C.S., appointed Hon. Plastic Surgeon from 1st December 1961.

Hon. Orthopaedic Surgeons—
Dr. A. K. Talwalkar, F.R.C.S., M.Ch.L. (Liverpool).
Dr. K. T. Dholakia, M.S., F.R.C.S., M.Ch.O. (Liverpool).

Hon. Assistant Orthopaedic Surgeons—
Dr. R. M. Bhansali, M.S., F.R.C.S., M.Ch.O. (Liverpool).
Dr. (Smt.) S. D. Bharucha, F.R.C.S. (Lond.), M.Ch.O. (Liverpool), (Resigned from 1st January 1962).
Dr. M. N. Shahane, M.S. (Ag. from 1st January 1962).

Hon. Aural Surgeon and Lecturer in E. N. T.—
Dr. J. V. DeSa, M.S., D.L.O. (Lond.).
Dr. S. R. Rege, M.S., D.L.O., F.C.P.S.

Hon. Assistant Aural Suregons—
Dr. P. P. Karnik, M.S.
Dr. K. L. Shah, M.S., D.L.O.

Hon. Gynaecologists and Lecturers in Gynaecology and Obstetrics—
Dr. B. N. Purandare, F.R.C.S., F.C.P.S.
Dr. V. N. Purandare, M.D., F.R.C.S.

Hon. Assistant Gynaecologists and Obstetricians—
Dr. (Smt.) S. J. Joglekar, M.D.
Dr. (Smt.) N. D. Motashaw, M.D., F.R.C.S.
Dr. M. R. Narvekar, M.D.
Dr. (Smt.) M. A. Deshmukh, M.D.

Emeritis Professor of Ophthalmology—
Dr. C. B. Dhurandhar, M.B.B.S., D.O.

Hon. Ophthalmic Surgeons and Lecturers in Ophthalmology—

Dr. D. G. Mody, M.B.B.S., D.O., D.O.M.S.

Hon. Assistant Ophthalmic Surgeons—

Dr. B. T. Maskati, M.S., D.O.M.S.

Dr. T. N. Ursekar, M.S., D.O.M.S.

Hon. Radiologists and Lecturers in Radiology and Electrotheraphy—

Dr. L. H. Athle, M.B.B.S., D.M.R., M.A.C.R.

Dr. M. M. Mehta M.B.B.S., D.M.R.E.

Hon. Assistant Radiologists—

Dr. M. S. Warawadekar, M.B.B.S., D.M.R.E.

Dr. B. K. Bajaj, M.B.B.S., D.M.R.E.

Hon. Assistant Neurologist—

Dr. A. D. Desai, M.R.C.P.

Dr. V. P. Mondkar, M.D.

Hon. Anaesthetists and Lecturers in Anaesthesia—

Dr. B. N. Sircar, M.B.B.S., D.A., F.F.A.R.C.S.

Dr. G. S. Ambardekar, M.B.B.S., D.A., F.F.A.R.C.S.

Hon. Assistant Anaesthetists—

Dr. Y. G. Bhojraj, M.B.B.S., D.A., F.F.A.P.C.S.

Hon. Dental Surgeons and Lecturers in Dentistry—

Dr. N. H. Moghe, L.D.S.C.

Dr. I. L. N. Lopes, B.D.S.

Hon. Assistant Dental Surgeons—

Dr. G. M. Vachharajani, B.D.S.

Dr. P. D. Rege, B.D.S.

Hon. Dermatologist and Venereologist and Lecturer in Dermatology and Venereology—

Dr. S. C. Desai, M.D., D.V.D.

Hon. Assistant Dermatologist and Venereologists—

Dr. James Fernandes, M.B.B.S., D.V.D., F.C.P.S., D.T.M. & H.

Dr. M. W. Dhurandhar, M.B.B.S., D.V.D., D.T.M. & H., F.A.C.A.

Hon. Psychiatrists and Lecturers in Psychiatry—

Dr. N. S. Vahia, M.D.

Dr. V. N. Bagadia, M.D., D.P.M.

Hon. Assistant Psychiatrists and Lecturers in Psychiatry—

Dr. D. R. Doongaji, M.D., D.P.M., from 1st November 1961.

Director Occupational Therapy Centre and School—

Smt. Mira M. Shahani, B.A. (Hons.), O.T.D.

Director Physiotherapy Center and School—

Shri Manik T. Shahani, D.P.T.

Hon. Plastic Surgeon & Lecturer in Plastic Surgery—

Dr. C. J. T. Pinto, F.R.C.S., appointed from 1st December 1961.

Extension of the Hospital:

The Dr. Bhajekar Municipal Hospital at Khetwadi continued to be under the supervision of the Dean B. Y. L. Nair Charitable Hospital.

Distribution of Beds:

The total number of beds in the B. Y. L. Nair Hospital was 336 and all of them were fully occupied during the year. As usual, patients had to be accommodated on the floor for want of beds. Throughout the year on an average, 106,91 patients were admitted over the scheduled number of beds. The maximum number of in-patients on a single day was 503.

Appendix No. 1 shows the distribution of beds departmentwise

The working hours of the Registration Section of the patients and the Skin and T.B. Departments have been staggered so as to reduce congestion.

Number of Patients Treated During the year:

7. The statistical tables attached to this report record in detail the attendance of patients department wise at out-patient departments etc., as well as the number and nature of operations performed during the year.

8. The total number of patients admitted during the year was 22,506 as against 19,164 and 20,184 in 1959 and 1960 respectively. The number of out-patients treated during the year under report was 3,40,532 as against 3,42,501 and 3,37,129 in 1959 and 1960 respectively.

9. Out of a total number of 22,910 in patients (22,506 admitted during the year under report and 404 previous year's balance) 5,741 were cured, 11,733 were relieved 3,632 either left the hospital against medical advice or were otherwise discharged and 1,382 died leaving a balance of 422 patients at the end of the year.

10. Out of 1,382 deaths, 340 died within the first 24 hours of admission, 488 died after twenty-four hours but within three days of admission and the remaining 594 died after three days of admission.

11. The highest number of out-patients' attendance on any one day during the year was 1,694 as against 1,624 in the previous year. The higher number of new cases in the out-patient department on a single day was 651, the highest number in a single day of old cases treated was 1,050 and that of in-patients admitted was 94. The highest number of Casualty Medico-legal) cases treated on a single day was 134 whereas the highest number of patients admitted through the Casualty Department on a single day was 19.

12. The total expenditure incurred on the maintenance on the Hospital including liabilities at the end of the year amounted to Rs. 20,52,710 as against Rs. 15,98,844 of the last year.

This expenditure, included the cost of maintenance and treatment of in-patients, the cost of out-patients' department. The Resident Medical, Nursing and Labour staff, as well as thes taff for the administration and maintenance of the repairs to buildings etc.

13. Appendix No. 3 shows the relative cost per in-patient and out-patient per day during the year 1959-1960 and previous two years.

14. The details of the cost per in-patient for 1959-60, and the previous two years are shown in Appendix No. 4.

15. Appendix No. 5 gives the average cost of every out-patient treated in the Hospital during the year in comparison with that of the previous two years.

The annual cost incurred on patients (in-patients as well as out-patients) under drugs etc. is exclusive of the cost of expensive drugs, blood transfusions etc. met of the Nair Hospital Poor Patients' Fund, which amounted to Rs. 35,578 during the year under.

Certificates.

16. 10975 certificates were issued during the year under report as shown below.

(1) Certificates under Workmen's compensation Act.	
(2) Form 'A'	60
Form 'B'	150
(2) Medical opinion certificates	1530
(3) Certificates of Police cases (to police)	740
(4) Certificates of Police cases (to private parties)	200
(5) Medical Attendant's certificates and Certificate of Hospital treatment (Life Insurance Corporation of India)	35
(6) Ordinary certificates (Dates of treatment)	8000
(7) Certificates to Municipal Employees injured on duty	210
(8) Essentiality certificates	50

17. 213 Cases of poisoning were treated in the hospital during the year under report.

Nursing Staff :

18. The arrangement of sending two nurses to the Kasturba Hospital for training in infectious diseases was continued during the year.

19. During the year, 25 and 26 nurses passed the Junior and senior Examinations respectively held by the Maharashtra Nursing Council. 15 Nurses also passed the Midwifery examination conducted by the council.

20. The cost of the Nursing Establishment worked out to Rs. 174.17 per mensem against Rs. 173.58 per mensem during the previous year. This included no tonly the salary, uniform, Laundry Allowances, and honorarium paid to the medical staff for giving lectures in the nursing school, but also their mess charges, cost of electric energy consumed, repairs to the Nurses' Quarters, and the house-hold linen and crockery.

21. Under the auspices of the Nurses' Welfare Fund (established in 1953) Social functions, picnics etc. were arranged during the year under report, for the benefit of the members. The fund was managed by a Committee with the Dean as President. 4 meetings of Managing Committee and 1 of the General Body were held during the year. The Nurses' Welfare Fund amounted to Rs. 3,442.00 during the year.

The students of the S. N. D. T. University by continued to receive practical training in Nursing at Nair Hosptial during the year.

POOR PATIENTS' FUND.

22. Donations to the extent of Rs. 3,631.90 were received during the year, in addition to Rs. 15,323.82 collected from the boxes kept in the Wards and out-door departments of the hospital.

Names of donors who have donated Rs. 100 and above during the year are given in Appendix No. 7.

DONATION OF DIETARY ARTICLES.

23. During the year under report the hospital received non-fat milk powder, cheese, wheat and rice through World Church Council, CORAGS, CARE and NATIONAL CATHOLIC WELFARE COUNCIL

BLOOD BANK.

24. During the year under report, 2,127 blood transfusions were administered and an amount of Rs. 31,170.00 was paid to professional blood donors.

DEPARTMENT OF PREVENTIVE AND SOCIAL MEDICINE.

25. The out-patient Department of Preventive and Social Medicine worked during 4 days in the week and Assistance was rendered to the needy patients.

DEPARTMENT OF CARDIOLOGY (MEDICAL AND SURGICAL)

26. The work carried out in this Department is given Appendix II and the patients attending this department is gradually increasing regular discussions, where clinical findings are integrated with various types of modern investigations, are conducted on heart diseases.

DEPARTMENT OF PHYSICAL MEDICINE.

The department is located in 2 small rooms where it was originally started. Inspite of this handicap the department has been rendering medical assistance to a large number of patients.

REHUMATIC AND COLLAGEN DISEASES DEPARTMENT.

This department conducts out-patients on one day in a week and the number of patients is gradually increasing.

RESEARCH WORK.

Out of the donations offered by various Pharmaceutical firms, research work was undertaken and following problems were in progress at the close of the year (Appendix 14).

THE PATIENTS' WELFARE COMMITTEE.

The Patients' Welfare Committee consisting of staff and students worked actively during the year under report. Books were continued to be issued from the Patients' Library.

CLINICAL MEETINGS.

The staff society of the B. Y. L. Nair Charitable Hospital and T. N. M. College held 4 meetings during the year when papers with experimental studies were read. The Society also held 4 social functions.

AMBULANCES.

The Hospital maintains two ambulances. The service is free to poor patients 670 patients availed of the free services during the year.

THE PHARMACY DEPARTMENT.

The activities of the department were as under;—

(1) Dispensing.
(2) Central Sterile Supply.
(3) Parenteral preparations.
(4) Education.
(5) Manufacture or infectibles and other pharmaceutical preparations.
(6) Hospital sterilization, supply of distilled, water etc., are attended to by this Department.

12760 indoor patients were dispensed with special prescriptions during the year working out an average of 35 daily. 2,85,492 outdoor patients were dispensed with giving an average of 758 patients daily.

FAMILY PLANNING CLINIC.

The Family Planning Clinic attached to this Hospital for which grant-in-aid received from the Central Government carried out its usual activities during the year.

TOPIWALA NATIONAL MEDICAL COLLEGE.

Affiliation:

The College has been permanently affiliated to the University of Bombay for teaching the courses of studies leading upto M.B.B.S., and B.Sc., (Medical) Degree examinations.

Admission.

The number of under-graduate students on the college roll at the close of the year was 319 out of which 128 were lady students. The number of post-graduate students was 83 including 22 lady students.

The arrangement of sending students to the Lokmanya Tilak Municipal General Hospital for clinical training continued during the year.

Results of the Examinations:

Results of the various examinations were as under:—

Examination			Candidates passed
M.B.B.S.	(April 1961)	... ...	27
	(October 1961)	... ...	34
M.D.	(April 1961)	... ...	3
	(October 1961)	... ...	4

	(October 1961)	... ...	4
D.A.	(April 1961)	... ...	1
	(October 1961)	... ...	1
D.V.D.	(April 1961)	... ...	*Nil.*
	(October 1961)	... ...	*Nil.*
D.M.R.E.	(April 1961)	... ...	*Nil.*
	(October 1961)	... ...	2

Annual Cost and Revenue:

The total expenditure of the college amounted to Rs. 6,14,940 during the year under report as against Rs. 5,60.363 during the previous year. The net revenue of the College by way of Tuition Fees, Miscellaneous Receipts, etc., amoumted to Rs. 1,45,242 as against Rs. 1,47,091 during the preceding year.

New Hostel:

The hostel attached to the College provides accommodation for about 200 male students. The total expenditure incurred for the hostel was 25,168 while the income was 29,000

Lady Students Hostel:

Arrangements to accommodate the women students in the Grant Medical College hostel was discontinued and the 10 seats were made available in the G. S. M. College hostel during the year.

Lectures and Seminars:

During the year, a series of extension lectures, clinics Pathological conferences, Co-relation Clinics and Clinical Meetings were arranged.

Library :

The total number of books added to the library was 769 as against 899 in the preceeding year. Out of these 187 were presented to the Library.

The College subscribed for 145 periodicals during the year, the same as that of the preceding year. 49 periodicals were donated to the library.

The number of books and periodicals issued on the premises to the under-graduates and post-graduate students and the teaching staff of Hospital and College was 47,666 as against 39,326 in the previous year. 2,298 books and periodicals were issued on loan, outside the library, to the Honorary and Professional Staff and the Resident Medical Officers.

26 periodicals were borrowed on inter-library loan from the various medical and research institutions in the neighbourhood and the Bombay University Library to meet the requirements of the readers. 21 books were written off as they were decayed/lost by the staff etc.

The college library had at the end of the year 8,179 books against 7,377 in the last year and 381 bound volumes of periodicals as against 1,981 during the last year.

Museums :

803 specimens were mounted and 100 old specimens were remounted in the Pathology Department.

Photography and Art Section :

2,352 photographs and micro-photographs, 2,862 lantern slides were prepared for different departments of the College and hospital. In addition to this, labels, posters, diagrams, etc. were also prepared.

DEPARTMENT OF PREVENTIVE AND SOCIAL MEDICINE.

Field Activities :

The comprehensive medical care was continued to be rendered during the year.

No. of families on active enrolment	135
No. of individuals making the first visit	163
No. of repeat visits for treatment follow-up	9,101

Periodic Health Supervision was conducted in respect of the expectent mothers and subsequently of the infants.

Expectent mothers (receiving Ante-natal service)	49
New born (living)	37
Neo-natal death	1

Home Medical Care :

As a result of survey conducted in 1960, Home Medical Care was instituted for selected patients, residing within one mile radius of the hospital to meet their long term medical needs after discharge from the hospital The benefit derived by these patients during hospitalisation was definitely maintained be ause of the medical services continued to be rendered within the homes. Pending solution of transport which is essential to organisation of such a service, the operation of programme was suspended temporarily.

Inter Departmental Collaboration :

(*a*) *Department of Paediatrics.*—As a part of the Bombay Paediatric Project, details of a plan of health supervision of school children in the Agripada Upper Primary School has been worked out for training the interns during the paediatric and urban health terms.

(*b*) *Cardio-vascular Research Centre.*—The project of coronary heart disease and hypertension was carried forward by the Cardio-viscular Research Centre.

800 examinations of school children between the age of 9 years—16 years were conducted in the St. Ignatius High School, Jacob Circle, as a first step in the Rheumatic Heart Disease detection project to be conducted among the student population of selected schools in the City.

NAVAL MEDICAL UNIT.

The Naval Medical Unit of the National Cadet Corps continued their activities in the Hospital building of the Topiwala National Medical College.

CO-OPERATIVE SOCIETY.

The National Consumer's Co-operative Society Ltd. of the Staff and students of the College continued to show progress during the year.

GYMKHANA AND OTHER ACTIVITIES.

National Days were celebrated. The Annual College Day was celebrated on 13th January 1962, when Shri V. B. Worlikar, the Mayor of Bombay was the Chief Guest.

ASSOCIATE APPOINTMENTS.

The associate appointments continued during the year under report.

RESEARCH AND PUBLICATIONS.

The list of research works and publications during the year are shown in appendices No. 14 and 15.

LIST OF APPENDICES

Appendix No.

1 Distribution of beds according classification of departments.
2 Particulars of indoor and outdoor patients treated during the year 1960 and 1961 number of operations etc.
3 Statement showing the relative cost per in-patient and out-patient per day during the year 1961-62 and previous two years.
4 Statement showing the details of cost per in-patient for the year 1961-62 and previous two years.
5 Statement showing the average cost of every out-patient completely treated during the year in comparison with that of the previous two years.
6 Table showing the number of accident cases treated during the year under report incomparison with that of the previous years.
7 Statement showing the number of donors to the Poor Box Charity Fund of the Hospital for the year 1961-62.
8 Senior Staff of the T. N. M. College and B. Y. L. Nair Charitable Hospital for 1961-62.
9 Summary of in-patients classified according to departments and sex for the period from 1st January 1961 to 31st December 1961.
10 Summary of out-patients classified according to departments and sex for the year 1961.
11 Statement showing the number of Electro-cardiograms classified according to the clinical condition which were taken in the Nair Hospital and number of Cardiac Catheterization during the year 1961.
12 Statement showing Income and expenditure (Poor patients Fund).
13 Poor Patients' Fund Statement of Accounts (Balance Sheet).
14 Statement of Research Enquiries.
15 List of publications by the staff.
16 Statement showing particulars regarding students.
17 List of items manufactured in the Department of Pharmacy.
*18 Statement showing in-patients treated according to intermediate list of 150 causes (W. H. O.).
*19 Statement showing the patents suffering from malignant neoplasms (type of growth, age and results).
*20 Statement showing patients suffering from malignant neoplasm (site and results).
*21 Statement showing fracture cases treated at the B. Y. L. Nair Charitable Hospital.
*22 Statement showing poisoning cases.
*23 Statement showing Tuberculosis of Respiratory System as compared to previous last two years.
*24 Statement showing cases of Tuberculosis classified according to principal sites of lesion.
*25 Statement showing operations performed in the Surgical Department.
*26 Classification of operations performed in the Orthopaedic Department.
*27 Classification of Operations performed in the Department of Obstetrics and Gynaecology.
*28 Classifications of Operations performed in the Department of Oto-rhino-laryngology.
*29 Classification of operations performed in the Department of Ophthalmology.
*30 Annual Report of X-Ray and Electro-therapy Department.
*31 Annual Report of Department of Dermatology and Venereology.
*32 Statement showing laboratory investigations.
*33 Report of the Department of Gastro-enterology.
*34 Report of the Department of Occupational Therapy.
*35 Report of the Department of Physio-Therapy.

*Printed in Departmental Report.

APPENDIX No. 1.

The number of beds in the hospital was 336. They were fully occupied during the year under reports. They were distributed as under:—

Department.	Male.	Female.	Children.	Total.
Medical ..	60	24	..	84
Surgical ...	62	18	...	80
Ophthalmic ...	10	6	2	18
Gynaec ...	...	20	...	20
Skin and V. D. ...	12	2	2	16
Aural ...	9	5	2	16
Orthopaedic ...	11	7	2	20
Obstetric ...	...	40	...	40
Paediatric ...	...	...	25	25
Tuberculosis ...	7	...	..	7
Dental ...	2	2	...	4
Others ...	4	2	...	6
Total ...	177	126	33	336

APPENDIX No. 2.

Particulars of in-door and out-door patients treated during the year 1960 and 961, Number of operations, etc.

Particulars.		Figures for 1961	Figures for 1960
'A' In-patients.			
(1) Scheduled strength of beds	...	336	336
(2) Daily average number of in patients	...	442.91	422.84
(3) Total number of new in-patients treated	...	22,506	20,184
(4) Average number of days each patients was resident	...	7.18	7.64
'B' Out-patients.			
(1) Total number of new out-patients	...	1,32,204	1,24,851
(2) Daily average number of new out-patients	...	433.46	402.74
(3) Total number of out-patient attendance (excluding Casualty cases)	...	3,10,102	3,10,482
(4) Daily average number of out-patients attendance	...	1,116.50	1,087.51
(5) Total number of Casualty patients	...	30,430	26,647
'C' Operations.			
(1) Total number of Operations on in-patients	...	6,025	6 876
(2) Total number of Operations on Out-patients	...	5,597	6,388

APPENDIX No. 3.

Relative cost per In-patient and Out-patient per day during 1961-62 and Previous two years.

Particulars.		1961-62.	1960-61	1959-60.
		Rs. nP.	Rs. nP.	Rs. nP.
In-patient	...	9.84	9.51	8.67
Out-patient	...	1.47	1.04	0.95

APPENDIX No. 4.

Statement showing the details of cost per In-patient per day for 1961-62 *and previous two years.*

Year.	Diet.	Drugs Dressing, etc.	Stores and Linen.	Heating Lighting and repairs.	Establishment.	Total.
	Rs. nP.	Rs. nP.	Rs. nP.	Rs. nP.	Rs. nP.	Rs. nP.
1961-62 ...	1.27	2.33	0.42	0.19	5.63	9.84
1960-61 ...	1.24	2.13	0.32	0.18	5.54	9.51
1959-60 ...	1.21	2.20	0.43	0.22	4.61	8.67

APPENDIX No. 5.

Statement showing the Average Cost per Out-patient per day for 1961-62 and the previous two years.

Year.	Drugs Dressing, etc.	Stores and Linen.	Heating Lighting & Repairs.	Establish-ment.	Total.
	Rs.	Rs.	Rs.	Rs.	Rs.
1961-62 ...	0.55	0.08	0.06	0.78	1.47
1960-61 ...	0.49	0.05	0.06	0.44	1.04
1959-60 ...	0.43	0.05	0.05	0.47	0.955

APPENDIX No. 6.

Accident Cases.

The following table shows the number of accident cases treated during the year under report in comparison with that of the previous year.

Sex.		Treated in casualty Department.		Admitted through Casualty Department.	
		1961-62.	1960-61.	1961-62.	1960-61.
Male	...	18,526	16,803	1,239	1,143
Female	...	4,327	3,506	456	355
Children Male	...	5,278	4,403	410	312
Children Female	...	2,299	1,935	214	213
Total	...	30,430	26.647	2,319	2,023

APPENDIX No. 7.

List of persons who had given donation of Rs. 100 and over to the Nair Hospital Poor Patietns' Fund for the year 1961-62:—

Serial No.	Name of the Donors.		Amount.
			Rs.
1	Damodar Anandaji	...	1,501.00
2	Shairman, American Women's Club	...	500.00
3	The Associated Cement Co., Ltd.	...	500.00
4	Messrs. Lloyd Triestino	...	150.00
5	K. Gopal	...	125.00
6	Shri M. G. Shah	...	101.00
7	Bai Lilavati Ramdas	...	101.00
8	Parvatibai Ratansi	...	100.00

APPENDIX No. 8.

SENIOR STAFF OF THE T. N. M. COLLEGE AND B. Y. L. NAIR CHARITABLE HOSPITAL FOR 1961-62

Dean

L. Monteiro, M.D.

Assistant Dean

V. B. X. Almeida, M.B.B.S.

Assistant Medical Officer

S. G. Bhatia, M.B.B.S.

Department of Anatomy

E. J. deSouza, MS.—(*Professor*).
M. B. Kher, M.B.B.S., M.Sc., (*Medical*)—*Assistant Professor.*
N. M. Teggihalli, M.B.B.S., M.Sc., (*Medical*)—*Lecturer.*

Department of Physiology

T. H. Rindani, M.D., F.A.Sc., (*Professor*).
I. K. Ramchandani, M.D., (*Assistant Professor*).
S. N. Narayanrao, M.Sc., *Assistant Professor of Biophysisc and Biochemistry.*
J. V. Bhatt, M.D., (*Lecturer*)—*Transferred as Ag. Assistant Professor* from 17-7-61 to Seth G. S. Medical College.
K. G. Tanksale, M.Sc., (Hons.)—*Lecturer.*
V. R. Rao, M.B.B.S., (*Lecturer*)—Appointed from 1-10-1961.

Department of Pharmacology and Materia Medica

W. B. Bhave, M.B.B.S., P.H.D., (*Professor*).
M. S. Kekre, M.B.B.S., M.Sc., (*Medical*)—*Assistant (Professor*).
M. Ashwani Kumar, M.D., Ag. *Assistant Professor*, Resigned from 7-7-1961.
D. R. Kulkarni, M.B.B.S., (*Lecturer*)—Resigned from 14-11-1961.

Department of Pathology and Bacteriology

C. K. Deshpande, M.D., (*Profssor*)—Appointed from 1-12-1961.
K. Raman, M.D., (*Professor*)—Resigned from 1-12-1961.
P. M. Chaphekar, M.D., (*Assistant Professor*).
Smt. J. P. Iyengar, M.D., (*Lecturer*)—Resigned from 10-5-1961.
M. A. Nurbhai, M.D., (*Lecturer*)—Resigned from 31-7-1961.
D. U. Antani, M.B.B.S., (Ag. (*Lecturer*).
Smt. P. M. Talgeri, M.B.B.S., (*Lecturer*)—Appointed from 6-11-1961

Department of Preventive and Social Medicine

V. N. Panse, M.D., M.P.H., (*Professor*).
Smt. S. S. Jha, M.B.B.S., D.P.H., (*Assistant Professor*).
Smt. S. U. Warerkar, M.B.B.S., (*Lecturer*).

Department of Medicine

D. D. Bamji, M.D., F.C.P.S., (*Honorary Physician and Lecturer in Medicine*).
V. V. Shah, M.D., M.R.C.P., E.F.C.C.P., , (*Honorary Physician and Lecturer in Medicine*).
S. C. Sheth, M.D., Do. Do. Do. Do.
L. R. Patel, M.D., M.R.C.P., F.C.P.S., Do. Do. Do. Do.
G. J. Kothari, M.D. *Honorary Assistant Physician and assitant Lectnrer in medicine.*
N. M. Shah, M.D., M.R.C.P. Do. Do. Do. Do.
F. P. Antia, B.Sc., M.D., M.R.C.P., M.S. Do. Do. Do. Do.
M. M. Desai, M.D., F.C.P.S., F.R.F.P., D.T.M.H. Do. Do. Do. Do.
N. C. Amin, M.D., D.C.H. Do. Do. Do. Do.
R. Chhabra, M.R.C.P. (*Honorary Assistant Physician and Assistant Lecturer in Medicine*).
A. DeSouza Lawrence, M.D., M.R.C.P. Do. Do.
P. M. Dalal, M.D., Tutor (Whole time) on study leave from 8-8-1960
S. A. Kamat, M.D., Tutor (Whole time) for Cardiovascular Research (Preventive Centre).
V. S. Ajgaonkar, M.B.B.S., (*Tutor in Medicine*)—Appointed from 14-11-1961 *vice* Dr. Dalal.
A. R. Kapadia, M.B.B.S., M.D. (*Tutor*)—Appointed from 3-2-1962.

Department of Surgery.

V. K. Desai, M.B.B.S., L.R.C.P., M.R.C.S., F.R.C.S., (*Honorary Surgeon and Lecturer in Surgery*).
M. K. Vora, M.S. Do. Do.
K. N. Dastur, M.S., F.R.C.S., (*Honorary Surgeon and Lecturer in Surgery*)—Appointed as Professor of Surgery from 1-5-1961.
V. G. Daftary, M.S., (*Honorary Surgeon and Lecturer in Surgery*).
J. S. Shah, M.S., (*Honorary Assistant Surgeon and Lecturer in Surgery*).
K. A. Dalal, M.B.B.S., F.R.C.S., Do. Do.
F. P. Soonawala, M.S., F.R.C.S., Do. Do.
K. C. Mehta, M.S., Do. Do.
S. M. Mahalaxmiwala, M.S., F.R.C.S., Do. Do.
B. J. Damany, M.S., (*Honorary Assistant Surgeon and Lecturer in Surgery*) on study tour fom 10th June 1959.
R. L. Shah, M.S., F.R.C.S., (*Honorary Assistant Sureon and Lecturer in Surgery*).
K. K. S. Goleria, M.B.B.S., F.R.C.S., D.O.R.L., D.L.O., (*Honorary Assistant Surgeon and Lecturer in Surgery vice* Dr. Damany on study leave—Resigned from 2-4-1962.

Department of Padiatrics

Shantilal C. Sheth, M.D., M.R.C.P., D.C.H., F.C.P.S., F.C.C.P., (*Honorary Director of Paediatrics*).
N. S. Tibrewala, M.D., D.C.H., D.Ped. (*Honorary Assistant Pediatrician and Lecturer in Pediatrics*).
U. R. Warerkar, M.D., (*Honorary Assistant Pediatrician (O.P.D.*).

Department of Tuberculosis

R. M. Patel, M.D., T.D.D., (*Honorary Physician*)—(*Tuberculosis*) *and Lecturer in Tuberculosis.*
Smt. Sundri Mirchandani, M.B.B.S., T.D.D., *Honorary Assistant Physician* (*Tuberculosis*) *and Assistant Lecturer in Tuberculosis.*

Department of Orthopedics

M. V. Sant, M.S., *Honorary Orthopedic Surgeon and Lecturer in Orthopedic Surgery.*
R. M. Gaitonde, M.S., F.R.C.S., *Honorary Assistant Orthopedic Surgeon and Lecturer in Orthopedic Surgery.*

Department of Otorhinolaryngology:

L. H. Hiranandani, M B.B.S., D.L.O., F.R.C.S., F.C.P.S., (*Honorary Otorhinolarynogologist and Lecturer Otorhinolaryngology.*
O. Chandra, M.S.D.B.L.O. (*Honorary Assistant Otorhinoclarynogologist and Assistant Lecturer in Otorhinolaryngology*).

Department of Obstericts and Gynaecology.

S. N. Garde, M.D., M.R.C.O.G., F.R.C.O.G. (*Honorary Obstetrician and Gynaecologist and Lecturer in Obstetrics and Gynaecology*).
E. J. Sequeira, M.D., F.C.P.S., (*Honorary Obstetrician and Gynaecologist and Lecturer in Obstetrics and Gynaecology*).
S. S. Thakur, M.D., D.G.O., (*Honorary Assistant Obstetrician and Gynaecologist and Assistant Lecturer in Obstetrics and Gynaecology*).
Smt. S. K. Shah, M.D., F.C.P.S., (*Honorary Assistant Obstetricians and Gynaecologist* (appointed from 1st April 1961).
Smt. Sharad Nanavati, M.D., (*Honorary Medical Officer*) (*Ante-natal Department*).
Smt. R. N. Merchant, M.D., D.G.O., (*Honorary Assistant Medical Officer*) (*Ante-natalDepartment*).

Department of Ophthalmology:

A. M. Gokhale, M.B.B.S., D.O., D.O.M.S., (*Honorary Ophthalmic Surgeons and Lecturer in Ophthalmology.*
R. Abreu, M.B.B.S., D.O., D.O.M.S., (*Honorary Assistant Ophthalmic Surgeon and Assistant Lecturer in Ophthalmology*).
P. A. Dikshit, M.B.B.S., D.O.M.S., M.S., (*Refractionist*).

Department of Radiology.

G. H. Nerurkar, M.B.B.S., D.M.R.E., (*Honorary Radiologist and Lecturer in Radiology*).
C. T. Desai, M.B.B.S., D.T.M. D.M.R.E., (*Honorary Assistant Radiologist and Assistant Lecturer in Radiology*)
S. G. Daftary, D.M.R.D., (*Honorary Assistant Radiologist and Assistant Lecturer in Radiology*).

Department of Anaesthesiology:

J. H. Mehta, M.B.B.S., D.A., (*Honorary Anaesthesiologist and Lecturer in Anaesthesiology*).
D. H. Mulla, M.B.B.S., D.A., (*Honorary Assistant Anaesthesiologist and Assistant Lecturer in Anaesthesiology*

Department of Dermatology and Venereology:

T. K. Mehta, M.B.B..S, D.V.D., F.C.P.S., '*HonoraryDermatologist and Veneraeologist and Assistant Lecturer in. Dermatology and Veneraeology*).
V. R. Mehta, M.B.B.S., D.V.D., F.C.P.S., (*Honorary Assistant Dermatologist and Venerecologist and Lecturer in Dermatology and Venerecology*).

Department of JurisPrudance and Toxicology:

F. Noronha, M.B.B.S., D.P.H., L.R.C.P., M.R.C.P., (*Honorary Lecturer in Medical Jurisprudence*).

Department of Psychistry:

N. J. Kothari, M.D., D.P.M., (*Honorary Psychiatrist and Lecturer in Psychiatry*) Resigned from 2nd November 1961.
S. M. Lulla, M.D., D.P.M., (*Ag. Honorary Psychiatrist and Lecturer in Psychistry*).

Department of Dentistry:

M. S. N. Ginwalla, D.D.S., M.S., L.D.Sc., F..C.D., (*Honorary Dental Surgeon and Lecturer in Dentistry Designation changed asDental Surgeon and Lecturer inDentistry from* 6th July 1960).

APPENDIX No. 9.

Summary of In-patients classified according to Department and Sex for the period from 1-1-1961 to 31-12-1961.

Department.	Sex.	In the Hospital on Mid-night of 31-12-60.	Admitted during 1961.	Total.	Discharged during 1961.	Deaths.	In the Hospital on Mid-night on 31 12-61.

APPENDIX No. 14

List of Research Works

Anatomy Department

1. Histological studies on Human Bronchial sections at different sites in the Bronchial tree.
2. The use of Gomeri's Aldehyde fuchsin Elastic tissue stain in normal tissues and in elastic tissue disorders.
3. Vaginal cytology was continued with the Department of Gynaecology and Obstetrics.
4. Histochemical studies in muscle and collagen diseases in conjection with hospital departments.
5. Elastic tissue staining in the umbilical cord at different stages.

Physrology Department.

1. Chemical trials and experimental studies with Rheumayog.
2. Studies on—Inflamation—Enxyamatic Activity.
3. Studies in Para thyroids.
4. Glucose tolerance; (1) Relation to food tastes
   (2) effect of prednisolone.
5. Studies on steroid hormones enzymes relationship in heart.

Pharmacology Department

1. Effect of some ions on the secretions of parathyroid gland in dogs.
2. The work on blood levels of histamine in the normal humans and in patients of Coronary diseases.
3. Effect of Tollitamide on some secretory responses in Cats.
4. Work on the Non. hypogly caemis action of Tolbutamide.

Medical Department.

1. Clinical trial with L-methy l Dopa in Hypertension.
2. Clinicla trial with Pethidine with special reference to Coronary thormbosis.

Pediatric Department.

1. Use of Hydrocortisone in tuberculosis meningitis.
2. Biochemistry of Dehydration.
3. Chlorpromaquine in Tetanus.
4. Electrophoretic patterns in Malnutrition, cirrhosis of liver and Nephrosis, etc.

APPENDIX No. 15.

THE NAIR HOSPITAL DENTAL COLLEGE, BOMBAY-8.

Dr. H. D. Merchant, D.M.D., F.I.C.D., was the Acting Dean of this College throughout the year.

The College conducts a four years' course in Dentistry. Formerly on the passing of Final Examination, the College Dental Board used to award the Diploma of L.D.Sc. (Bombay). Since June 1954, the College is affiliated to the Bombay University for B. D. S. Degree in Dentistry and the Diploma Course has been abolished.

The admission standard for the student is Inter. Science (B-Group) Examination of the Bombay University or an examination equivalent to it. The College diploma and B. D. S. Degree are recognised by the Government of Bombay, Government of India, the Dental Colleges in U. S. A., the Royal College of Surgeons, United Kingdom and other Foreign Universities. This College is recognised as Training Centre in India to train candidates for L.D.S., R.C.S. (Eng.) Examination and Felowship in Desntistry Examination of the Royal College of Surgeons, England and Edinburgh, after putting in only 9 months practice in any recognised Dental Hospital in England. They are also eligible for permanent commission in the Indian Army, Navy and Air Force. L.D.Sc. is recognised for Post-graduate qualification of F.D.S., R.C.S. Examination, Diploma of U.K. and graduate qualification of M.S. or M.Sc., D.D.S. and Ph.D. of U. S. A.

During the year under report 51 students including 5 Ladies have passed the Final B.D.S. and M.D.S. Examinations.

All types of Dental treatment such as Silver, Gold and Cement Fillings, Artificial Sets of Teeth, Regulation of Teeth of Children, Pyorrhoea treatment, Extraction, Surgical Operation, etc., were done by charging fees as laid down by the Corporation. Recently Speech Therapy Department has been started where patients are taught to articulate correctly. Correction of all types of Speech defects is undertaken. The College has an Academic Council to look after the academic affairs of the College. There is also an Advisory Dental Board which advises the Dean and the Municipal Commissioner in the policy to be followed by the College and in matters of administration referred to them.

The College has in its new building 88 Dental Chairs, 52 Dental Units, 3 Dental X—Ray Machines and other equipments to give Dental Treatment on most modern lines.

The College Students' Annual Social Gathering was held at K.C. College Hall. It was presided over by Shri Homi J. H. Taleyarkhan, Minister of Health, Small Savings and Tourism. The annual Sports were held at Dr. N. A. Purandare Stadium and prizes were distributed to the winners by Dr. S. S. Rao, Chairman of the Medical Relief and Public Health Committee.

The College is also conducting research in various branches of Dentistry in the different departments.

During the year under report the following Foreign Experts were invited as Guest Teachers by the Dental Council of India to give Lectures in their specialities to the M. D. S. students :—

(1) Dr. A. Stahl of Heidelberg (West Germany.)
(2) Dr. J. Eschler, University of Freiberg (West Germany).
(3) Dr. J. Boyes of U. K.

The College has also organised M.D.S. (Post-graduate) Courses in Dentistry from June 1959.

(12) Dr. A. D'Costa, L.D.Sc. (Bom.), Lecturer (Part-time).

Operative Department :

(1) Dr. V. M. Kher, L.D.Sc. (Bom.), D.D.S. (Chicago), L.D.S., R.C.S. (Eng.), D.M.Sc. (Tokyo, Japan), Head of Operative Department and Professor in Operative and Preventive Principles in Dentistry and Practice Management (Part-time).
(2) Dr. F. E. Antia L.D.Sc. (Bom.), L.D.S., R.C.S. (Eng. & Edin.), Hon. Lecturer in Children's Dentistry.
(3) S. B. Sathe, L.D.Sc. (Bom.), Lecturer (Full-time).
(4) Dr. S. S. Seth, L.D.Sc. (Bom.), B.D.S. (Bom.), Lecturer in Pre-Clinical Operative (Part-time).
(5) Dr. P. J. Pathare, L.D.Sc. (Bom.), Lecturer in Dental Anatomy (Part-time).
(6) Dr. A. G. Dalvi, L.D.Sc. (Bom.), B.D.S. (Bom.), Lecturer Part-time.
(7) Dr. P. H. Battiwalla, L.D.Sc. (Bom.), Lecturer (Part-time).
(8) Dr. L. F. Cardoza, L.D.Sc. (Bom.), Lecturer (Part-time) in Public Health.
(9) Dr. E. J. D'Souza, L.D.Sc. (Bom.), B.D.S. (Bom.), Lecturer (Part-time).
(10) Dr. D. R. Shahani, B.D.S. (Bom.), Lecturer (Part-time).
(11) Dr. S. C. Dhage, B.D.S. (Bom.), Lecturer (Part-time).
(12) Dr. S. B. Rege, B.D.S. (Bom.), Lecturer (Part-time).

Orthodontia Department :

(1) Dr. H. D. Merchant, D.M.D. (Bonn.), Head of the Orthodontia Department and Professor in Orthodontia (Part-time).
(2) Dr. A. B. Modi, L.D.Sc. (Bom.), D.M.D. (Bonn.), Hon. Lecturer in Orthodontia.
(3) Dr. J. R. Kulkarni, L.D.Sc. (Bom.), D.M.D. (Bonn.), Lecturer (Part-time).
(4) Dr. Miss R. Kamath, L.D.Sc. (Bom),. Lecturer (Part-time).
(5) Dr. S. M. Munim, L.D.Sc. (Bom.), Lecturer (Full-time).
(6) Dr. Mrs. D. P. Battiwalla, L.D.Sc. (Bom.), Lecturer (Part-time).

Oral Surgery Department :

(1) Dr. M. S. N. Ginwalla, L.D.Sc. Bom. , D.D.S. (MacGill), M. Sc. (Toronto), Head and Professor in Oral and Plastic Surgery (Full-time).
(2) Dr. J. H. Mehta, M.B.B.S., Lecturer in General Anaesthesia (Part-time).
(3) Dr. P. V. Diwanji, L.D.Sc. (Bom.), Lecturer in Exodontia and Local Anaesthesia (Part-time).
(4) Dr. K. A. Kamat, L.D.Sc. (Bom.), B.D.S. (Bom.), Lecturer (Part-time).
(5) Dr. Kali H. C. Kapadia, L.D.Sc. (Bom.), B.D.S. (Bom.), Lecturer (Part-time).
(6) Dr. Miss B. E. Doctor, L.D.Sc. (Bom.), B.D.S. (Bom.), Lecturer (Part-time).
(7) Dr. P. R. Manjrekar, L.D.Sc. (Bom.), Lecturer (Part-time).

Periodontia Department :

(1) Dr. Mrs. T. M. S. Ginwalla, D.D.S., L.D.S., R.C.D.S. (Toronto, Canada), Head and Professor in Periodontia (Full-time).
(2) Dr. A. Oliver, L.D.Sc. (Bom.), Lecturer (Full-time).
(3) Dr. B. C. Gomes, L.D.Sc. (Bom.), B.D.S. (Bom.), M.D.S. (Periodontia) (Bom.), Lecturer in Periodotia (Full-time).

Dental Pathology and Oral Diagnosis Department :

(1) Dr. H. M. Dholakia, L.D.Sc. (Bom.), L.D.S., R.C.S. (Eng.), Head and Professor of Dental Pathology and Bacteriology and Oral Diagnosis (Full-time).
(2) Dr. Miss R. M. Mungre, L.D.Sc. (Bom.), B.D.S. (Bom.), Lecturer (Full-time).
(3) Dr. J. M. Fonseca, L.D.Sc. (Bom.), Lecturer (Part-time).
(4) Dr. Mrs. P. M. Mantri, L.D.Sc. (Bom.), Lecturer (Part-time).

Speech Therapy Department :

(1) Shri C. A. Coelho, M.A. (Bom.), Lecturer in Speech Therapy.

General Medicine Department :

(1) Dr. V. V. Shah, M.D., M.R.C.P., (Eng. & Edin.), Lecturer in Medcine (Part-time).
(2) Dr. A. D.'Souza Lawrenece, M.B.B.S., M.D., M.R.C.P., Honorary Assistant Physician.
(3) Dr. R. H. Chhabra, M.B.B.S., M.S., F.R.C.S., Honorary Asstt. Physician.
(4) Dr. A. S. Vengsarkar, M.D., Tutor in Medicine Full-time , Resigned from 18-10-1961.
(4) (*a*) Dr. V. S. Ajgaokar, M.B.B.S., Tutor in Medicine Full-time , Appointed from 14-11-61.

General Surgery Department :

(1) Dr. V. G. Daftary, M.S., Lecturer in General Surgery (Part-time).
(2) Dr. K. S. Goleria, M.S. (Bom.), F.R.C.S. (Edin.), D.L.O. (Lond.), D.O.R.L. (Bom.), Honorary Asstt. Surgeon.
(3) Dr. R. L. Shah, M.B.B.S., M.S., F.R.C.S., Honorary Asstt. Surgeon.
(4) Dr. N. K. Jain, M.B.B.S., Tutor in Surgery (Full-time).

Pharmacology and Materia Medica Department :

(1) Dr. W. B. Bhawe, M.B.B.S., Ph.D., Lecturer in Pharmacology and Materia Medica (Part-time).
(2) Dr. K. H. Gharat, M.B.B.S., Demonstrator in Pharmacology and Materia Medica (Part-time).
(3) Dr. M. S. Kekre, M.B.B.S., Demonstrator in Materia Medica (Part-time).
(4) Dr. S. R. Amladi, M.B.B.S. (Bom.), Demonstrator in Pharmacology (Part-time).

General Pathology and Bacteriology Department :

(1) Dr. K. Raman, M.D., Lecturer in Pathology and Bacteriology (Part-time). Resigned from 30-11-61.
(1a) Dr. C. K. Deshpande, M.D., Lecturer in Pathology and Bacteriology (Part-time , Appointed from 1-12-61.
(2) Dr. P. M. Chaphekar, M.D., Lecturer in Bacteriology (Part-time).
(2a) Dr. (Mrs. L. F. Deodhar, M.B.B.S. (Poona), Lecturer in Pathology and Bacteriology (Full-time).
(3) Dr. D. K. Daftary, B.D.S. (Bom.), Demonstrator in Pathology and Bacteriology (Part-time).
(4) Dr. S. V. Dalvi, M.D. (Bom.), Demonstrator in Pathology and Bacteriology (Part-time).

Anatomy and Histology Department :

(1) Dr. E. J. D'Souza, M.S., Lecturer in Anatomy (Part-time).
(2) Dr. M. B. Kher, M.B.B.S., M.Sc. (Anat.), Lecturer in Histology (Part-time).
(3) Dr. M. M. Tegihalli, M.B.B.S., M.Sc., Demonstrator in Anatomy and Histology (Part-time).
(4) Dr. M. L. Joshi, M.B.B.S., Demonstrator and Histology (Part-time).
(5) Dr. S. A. Mehendale, M.B.B.S., Demonstrator in Anatomy and Histology (Part-time).
(6) Dr. M. V. Deshpande, M.B.B.S., Demonstrator in Anatomy and Histology (Part-time).
(7) Dr. K. V. Vahalia, M.B.B.S., Lecturer in Anatomy and Histology (Full-time).

Radiology Department :

(1) Dr. G. H. Nerurkar, M.B.B.S., D.M.R., D.M.R.E., Lecturer in Radiology (Part-time).
(2) Dr. L. G. Shirwatkar, B.D.S. (Bom.), Lecturer in Radiology (Full-time).

Physiology and Bio-chemistry Department :

(1) Dr. T. H. Rindani, M.D., Lecturer in Physiology (Part-time).
(2) Shri S. N. Narayan Rao, M.Sc., Lecturer in Biochemistry (Part-time).
(3) Dr. V. R. Rao, M.B.B.S. (Bom. , Demonstrator in Physiology (Part-time).
(4) Dr. I. K. Ramchandani, B.Sc., M.D., Demonstrator in Bhiochemistry (Part-time).
(5) Shri K. G. Tanksale, M.Sc., Demonstrator in Biochemistry (Part-time).
(6) Shri F. R. Billimoria, M.Sc., Tutor in Biochemistry (Full-time).

Physical Training Instructor :

(1) Shri N. N. Kajrolkar.

The Lokmanya Tilak Municipal General Hospital, Bombay

The Institution has completed 14 years of its existance in the year 1961-62. A report about the staff, departments and the work that was done during the year under reference in this Institution is given below :—

1. *Administraitve Staff.*—Dr. V. S. Shevade, M.B., B.S., Asstt. Medical Officer continued to look after the work of the Superintendent till 22nd October 1961 with a Special Pay of Rs. 200 per month.

Dr. Smt. A. S. Punde, M.D. (Bom., Medical Officer I/ of Bhabha Hospital, Bandra, was appointed as Ag. Superintendent of the Hospital from 23rd October 1961 and she continued to hold the post during the remaining period of the year.

Dr. M. J. Nerurkar, M.B., B.S., Senior Casualty Officer continued to look after the part of duties of the Asstt. Medical Officer with a special pay of Rs. 100.00 per month till 22nd October 1961 and was appointed as Ag. Asstt. Medical Officer from 23rd October 1961 *vice* Dr. V. S. Shevade on leave.

The names of Medical Staff with their designation and qualifications are given in Appendix No. I.

2. *New Department.*—No new department has been opened during the year under report.

3. *Indoor Patients.*—The number of scheduled beds in the hospital is 370. The distribution of beds according to departments is shown in Appendix No. 2.

Inspite of exercising strict restrictions on admissions the total number of patients admitted for indoor treatment during the year under report was 25,566 as against 22,845, 22,926 and 21,561 during the preceding three years respectively. Out of 26,044 (25,566 new admissions and 478 remained on 1st January 1961, Indoor patients treated during the year under report, 5,772, 6,135, 931, 120, 65, 2, 3,373, 4 were for Medical Surgical, E. N. T., Ophthalmic, Skin, Dnetal, Paediatire and Psychiatric complaints respectievly and 9,164 were treated as the "Annapurnabai Deshmukh Hospital for Women" for deliveries and gynaec complaints and 509 remained on 31st December 1961. The statement giving the result of treatment is shown below :—

	Cured.	Relieved.	Otherwise.	Delieved.	Left before delivery.	Died.	Remained on 31-12-61.
L. T. M. G. Hospital, Medical, Surgical and Other departments.	5,935	5,648	3,254	...	...	1,526	412
Annapurnabai Dehmukh Hospital for Women—Gynaec and Maternity S ct on.	1,045	488	192	5,962	1,462	23	97
Total ...	6,980	6,136	3,446	5,962	1,462	1,549	509

In addition to the 1,549 deaths among adults, there were 542 deaths due to prematurity, still births and other causes among infant mortality. Out of 1,549 deaths, 726 took place within 24 hours of admission, 341 after 24 hours but within 3 days of admission and the remaining 482 died after three days of admission in the Hospital.

4. *Out-Patient.*—Total number of patients treated in O.P.D. during report was 5,56,637 as against 5,89,934 ; 5,24,782 and 5,79,543 during the preceding three years.

The highest in-patient and out-patient attendance on a single day was 571 and 2,935 respectively.

The summary of in-patients and out-patients classified according to the department and sex is given in Appendix No. 8 and 9.

The summary of in-patients according to the diseases and result of treatment is shown in Appendix No. 10

The summaries of operations performed in various departments are given in Appendix Nos. 11 to 14.

The summaries of operations performed in the "Annapurnabai Deshmukh Hospital for Women" have been shown in Appendix No. 15.

5. *Paying Patients.*—The scheme was given effect to from 1st September 1951. Rs. 12.00 and Rs. 6.00 per patient per day are being charged for Special Room and General Paying Ward respectively. The number of patients amidtted during the year under report was as under :—

		1959	1960	1961
(1) General Paying Ward and Special Room	...	1,740	1,639	1,377
(2) No. of operations performed on paying patients—				
Major Operations	...	210	237	152
Minor Operations	...	343	242	260

6. *Casualty Department.*—33,768 accident and other emergency cases were treated in the Casualty Department.

7. *Minor Surgery Department.*—8,195 minor operations were performed in the Minor Surgery Department.

8. *Pathology Department.*—1,29,479 investigations were carried out in the Department of Pathology and Bacteriology, out of which 54,963 were carried out on out-patients and 73,356 were carried out on in-patients and 1160 were carried out for K. B. Bhaha Hospital, Bandra. 394 Autopsies were performed during the year under report.

9. *Anaesthesia Department.*—The Department of Anaesthesia is working in close collaboration with the Department of Surgery, E. N. T. Midwifery and Gynaecology. During the year under report the total number of patients who receied anaesthesia were 11,078 out of which 2547 patients received regional anaesthesia and 8,531 patients received endotracheal anaesthesia, intravenous anaesthesia, the open drop technique anaesthesia and spinal anaesthesia.

The department of Anaesthesia is recognised for the post-graduate diploma in anaesthesia of the Bombay University. This year four candidates were sent for the Examination.

10. *Electric Cardiography Department.*—Electro-cardiography tracing were taken on 932 patients out of which 652 were taken on Male patients and 280 were taken on Female patients. The details have been shown in Appendix No. 17.

11. *X-ray Departmen* .—The work done in the X-ray Department has been shown in Appendix No. 18

12. *Occuational Therapy Department.*—Total number of patients treated was 1521 as shown in the Appendix No. 19.

13. *Physio-Therapy Department.*—The total number of cases treated by the department was 2507 as shown in Appendix No. 20.

14. *Dental Department.*—The work done by the Dental Department has been shown in Appendix No. 14.

15. *Medico-Social Service Department.*—The Medico-Social Worker had to deal with numerous and complex problems regarding patients. She had to pay visits to the patients' home to study economic social and vocational factors and to find out ways and means to relevy the patients anxieties. She had also to follow up cases and fix appointments with Medical officers at this Institution whenever it becomes necessary to recheck the patients conditions. During the year under report, the department had supplied injections, medicines to 610 needy patients and rendered help to 375 patients for placement rehabilitation etc.

16. *Nurses Training School.*—During the year under report, 45 students were admitted in General Nursing. 5 Nurses passed Part I Examination of the Nursing Council.

38 Student Nurses were sent for examination in Midwifery during the year of which 36 were successful. 1 Staff Nurse was sent to the College of Nursing, Delhi, for Ward Sister's Course.

17. *Library.*—The Library was improved during the year under report by additions of 32 new Books 1 Book was donated on medical subject, bringing the total number of books on medical subject to 803. 81 Journals were subscribed for during the year. 6 Journals were received as donation. 1 Non-medical Journal was subscribed for. The Medical staff of this Hospital make full use of the facility.

18. *Recognition of L. T. M. G. Hospital, Sion.*—The Hospital is affiliated to the University of Bombay for post-graduate as well as under graduate studies. The Hospital has been attached to the Topiwala National Medical College for clinical instructions to under-graduate students The Hospital is also affiliated to the College of Physicians and Surgeons of Bombay for post-graduat. studies.

19. *Poor Box Fund.*—The amount in the Poor Box Fund on 31st March 1961 stood at Rs. 70,325.69. Collections from boxes, donations, sale of drugs and injections and other miscellaneous receipts during the year under report amounted to Rs. 36,193.07 and expenditure to Rs. 38,886.02. The amount in the Poor Box Fund on 31st March 1962 stood at Rs. 67,632.74.

The list of donors who have donated Rs. 50.00 and above is given in Appendix 6.

20. *Expenditure.*—The approximate total expenditure was Rs. 22,71,820. The diagram in Appendix No. 7 shows the percentage of expenditure on every item of expenditure.

The details expenditure per patient per day compared with the year 1960 is given below :

Expenditure on per out-patient per day.

Year.	Medicines, Drugs and Equipments.	Stores and Linen.	Heating and Lighting	Miscellaneous	Establishment.	Repairs to Building.	Total.
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
1960 ...	0.25	0.04	0.03	0.06	0.64	0.01	1.03
1961 ...	0.29	0.03	0.02	0.17	0.72	0.01	1.24

Expenditure on per in-patient per day.

Year.	Diet.	Medicines Drugs and Equipment.	Stores and Linen.	Heating and Lighting.	Miscel-laneous.	Establish-ment.	Repairs to Buildings.	Total.
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
1960 ...	1.05	1.50	0.48	0.18	0.72	3.84	0.12	7.89
1961 ...	1.10	1.70	0.36	0.12	1.02	4.32	0.12	8.72

21. *Thanks.*—It will not be out of place to place on record the valuable services rendered to the Hospital by the Honorary and full-time Medical staff and all other categories of employees for their co-operation in the running of this Institution.

INDEX OF APPENDICES.

Appendix No.	Particulars.
1	Medical Staff.
2	Distribution of beds according to Departments.
3	Summary of in-patients, out-patients and operations.
4	Statement showing the account of Poor Box Fund.
5	Balance Sheet of Poor Box Fund.
6	List of Donors.
7	Chart showing the Allocation of Grants etc.
8	Summary of the patients admitted. (Classified according to Department and Sex).
9	Summary of Out-Patients. (Classified according to Departments and Sex).
10	Summary of In-patients (Classified according to diseases and result of treatment).
11	Summary of General Operations performed (Classified according to Nature and result).
12	Summary of Aural Operations. (Classified according to Nature and result).
13	Summary of Ophthalmie Operations (Classified according to Nature and result).
14	Summary of Dental Operations.
15	Summary of Operations performed in the "Annapurnabai Deshmukh Hospital for Women" (Classified according to nature and result).
16	Summary showing Pathological, Bacteriological and Biochemical investigations done on Out-patients and In-patients including autopsies and Intravenous solutions manufactured in the Pharmacy Department.
17	Statement showing the Electro-Cardiographic Tracing.
18	Statement of work done in X-Ray Department.
19	Statement showing the number of patients treated in the Occupational Thereapy Department.
20	Statement showing the number of patients treated in the Physio Therapy Department.

* Printed in department Report.

APPENDIX 1.

Medical Staff.

1	Dr. D. D. Vora, M.D., F.C.P.S., M.R.C.P. (Lond.) (upto 15-1-62)	... Chief Physician.
2	Dr. H. C. Merchant, M.D. (From 16-1-62)	... Ag. Chief Physician.
3	Dr. M. N. Gheewala, M.S.	... Ag. Chief Surgeon.
4	Dr. J. H. Fonseca, M.D. (Upto 15-1-62)	... Ag. Chief Gynaecologist.
5	Dr. Smt. S. D. Kanitkar, M.D., F.C.P.S. (From 16-1-62)	... Do. Do.
6	Dr. G. B. Hanji, M.B.B.S., D.A.	... Anaesthetist.
7	Dr. K. N. Kamdar, M.B.B.S., D.M.RD.S.M.R. (Engl.)	... Hon. Radiologist.
8	Dr. S. C. Shah, M.B.B.S., D.G.O., D.M.R.E.	... Hon. Asstt. Radiologist.
9	Dr. T. K. Mehta, M.B.B.S., F.C.P.S., D.V.D.	... Hon. Dermatologist.
10	Dr. V. R. Mehta, M.B.B.S., F.C.P.S., D.V.D.	... Hon. Asstt. De matologist.
11	Dr. M. D. Joglekar, M.B.B.S., D.O., D.S.	... Hon. Ophthalmic Surgeon.
12	Dr. S. M. Sathe, M.S., D.O.M.S.	... Hon. Asstt. Ophthalmi Surgeon.
13	Dr. S. R. Rege, M.S., F.C.P.S., D.L.O.	... Hon. Aural Surgeon.
14	Dr. K. C. Gadre, M.S., D.L.O. (London)	... Hon. Asstt. Aural Surgeon.
15	Dr. B. R. Rao, B.D.S.	... Hon. Dental Surgeon.
16	Dr. V. B. Athawale, M.D., D.C.H.	... Hon. Asstt. Paediatrician.
17	Dr. D. M. Bassa, M.B.B.S., D.P.M.	... Hon. Psychiatrist.
18	Dr. R. G. Modak, M.D.	... P. T. Pathologist.

Additional part-time Units in Medical, Surgical and Gynaec and Obstetric Departments have been started from 16th January 1962 and the following medical staff is appointed from that date :—

1	Dr. D. D. Vora, M.D., F.C.P.S., M.R.C.P. (London)	... P. T. Physician.
2	Dr. A. D. Dias, M.S.	... P. T. Surgeon.
3	Dr. M. V. Bhatt, M.S.	... P. T. Asstt. Surgeon.
4	Dr. J. H. Fonseca, M.D.	... P. T. Obstetrician and Gynaecologist.
5	Dr. D. D. Sathe, M.D.	... P. T. Asstt. Do.

Acting Appointments.

Dr. D. D. Vora, Physician, as on leave from 2-1-61 to 31-1-61 and from 18-12-61 to 15-1-62. During the above periods Dr. H. C. Merchant, M.D. was appointed as Ag. Physician.

Dr. J. H. Fonseca, M.D., Ag. Gynaecologist was on leave from 4-3-61 to 3-4-61 and from 16-4-61 to 30-5-61 but no acting arrangement was made during the leave period.

Dr. S. R. Rege, Hon. Aural Surgeon was on leave from 28-3-61 to 31-10-61. Dr. K. C. Gadre, M.S., D.L.O. (London) Hon. Asstt. Aural Surgeon at this Hospital was promoted as Ag. Hon. Aural Surgeon during the above period. Dr. K. H. Patel, M.S., was appointed as Ag. Hon. Asstt. Aural Surgeon *vice* Dr. K. C. Gadre, from 16-9-61 to 31-10-61.

APPENDIX No. 2.

Distribution of beds according to departments :—

GROUP OF TUBERCULOSIS HOSPITALS

Administration Report for the year 1961.

The Group of T. B. Hospitals has 458 beds for treatment of Pulmonary Tuberculosis. The Isolation Centre at Dadar having 88 beds is also under the administrative control of the Medical Superintendent of this institution. Further 200 beds have been reserved by the Corporation at the Sarvodaya Hospital, Ghatkopar. The total number of beds for T. B. cases at the disposal of the Corporation is thus 746. Two new buidings in the premises of these hospitals are under construction to provide accommodation for 300 additional beds.

Dr. S. A. Shah, M.B.B.S., D.M.R.E., D.P.H., T.D.D., Assistant Medical Officer looked after the duties of the Medical Superintendent, during the year. The Honorary staff of the institution is shown in Appendix No. 1.

Details of bed accommodation.

	Male.	Female.	Total.

(*a*) Medical ...	161	134	295
(*b*) Surgical ...	101	62	163
	262	196	458
2. The Isolation Centre attached to the Ramkunwar Daftary T. B. Clinic, Dadar ...	44	44	88
3. Sarodaya Hospital, Ghatkopar ...	140	60	200

The number of patients suffering from Pulmonary Tuberculosis in various stages of the disease treated during the year is as shown in Appendix No. 2 and classification of deaths by age groups in Appendix No. 3.

The four T. B. Clinics continue to serve as out-patient centres for admissions to the Group of T. B. Hospitals. The patients referred by the T. B. Clinics for hospitalization are examined at the Group of T. B. Hospitals by the Honorary Staff and those considered suitable for admission are registered on the appropriate waiting lists. The total number of patients examined and put on the waiting lists during the year is 5315.

TEACHING

Clinical teaching in Tuberculosis was given to batches of undergraduate medical students of the G. S. Medical College by the Honorary Staff of these hospitals as in previous year. 10 Lecture-*cum*-demonstrations in 'Tuberculosis Services' were given by Dr. S. A. Shah to the D. P. H. students of Bombay University this year as in the previous years. These hospitals and the Municipal O.T.B. Clinics are also recognised for post-graduate diploma in Tuberculosis of the College of Physiaicns and Surgeons, Bombay, Teaching for this course is being done by Honoraries at these hospitals."

(1) X—ray Department

Four X-ray plants in the departmental: (*i*) High power 400 M. A. machine for Radiorgraphy and Tomography, (*ii*) one 60 M.A. machine for routine screening of in-patients and out-patients, (*iii*) one portable machine and (*iv*) miniature 200 M. A. Camera Unit were in active use during the year.

The work done by the X-ray Department and the Laboratory is shown in Appendices No. 4 and 5 respectively.

(2) Operation Theatre

Details of work done in the Operation theatre are shown in Appendix No. 6.

(3) Follow-up of discharged cases.

Patients discharged after adequate treatment in the hospital are systematically subjected to medical check up at fixed intervals by the Honorary staff. Necessary treatment is prescribed in continuation and the re-admissions are given in suitable cases.

The total number of patients who attended for follow-up examination carried out during the year was 3280.

(4) A.P. and P.P. Refill Work.

Discharged patients on A. P. and P. P. refill treatment are permitted to continue subsequent refills either at one of the four Municipal T. B. Clinics or at the A. P. and P. P. Refill Centre at these hospitals according to the convenience of the patient. 9079 refills were done in the out-patients centre of these hospitals. Similarly 2255 P. P. Refills were given in the wards to the indoor patients.

The Ramkunwar Daftary Isolation Centre, Dadar.

The Isolation Centre has 88 beds and works in conjunction with these hospitals. The Ramkunwar Daftary T. B. Clinic is situated on the same site. Advanced T. B. patients are admitted to this centre primarily from the view point of segeration and symptomatic amelioration. Admissions are given primarily to those staying within a short distance of the Isolation Centre so that the relatives could arrange to provide two principal meals for their patients.

The details regarding admissions and results of treatment and admissions according to age groups and work done in X-ray Department at the above centre are shown in Appendices Nos. 7, 8 and 9 respectively.

Expenditure.

The average expenditure per patient per day was Rs. 9.57 nP. The expenditure on diet per patient per day was Rs. 2.08 nP. The total annual expenditure on the Group of T. B. Hospitals amounted to Rs. 15,21,104 against Rs. 16,10,602 during the previous year. The rate of charges for the patients hospitalized at Sarvodaya Hospital Ghatkopar, on behalf of the Bombay Municipal Corporation, was at Rs. 5 per patient per day. The expenditure incurred on the patients accommodated on the reserved beds at the said hospital was Rs. 3,64,571 *plus* Rs. 17,812 for medicine as against Rs. 3,64,526 and Rs. 13,618 for the previous year.

T. B. Clinics.

T. B. Clinics at Princess Street, Foras Road, Dadar and Khar are conducted for diagnosis of the attending cases, their treatment by specific antibiotics and A.P. and P.P. Refills, contact examination and Health Visiting of T. B. Cases in their homes. A large number of patients suitable for hospitalization were referred to the out-patient registration centre at the Group of T. B. Hospitals. Details of work carried out at the clinics are given in Appendices Nos. 10, 11, 12 and 13.

Poor Box Fund.

The following donations were received for the Poor Box Charity Fund during the year :

		Rs.
(1) Shri Jal M. Kuve	...	10
(2 Shri A. Mohidin	...	5
(3) Shri Unknown	...	1

EDUCATION.

Education Officer.

Smt. Kapila T. Khandvala, B.A., B.T. (Bom.), M.A. (U.S.A.), continued to hold the office of the Education Officer, till 21st August 1961 on which day she retired after office hours and Smt. Madhuri R. Shah, B.A. (Hons.), M.Ed., Ph.D. (Bom), Ph. D. (London), Research Officer was appointed as Education Officer, from 22nd August 1961.

II—Municipal Schools, Pupils and Teachers.

Municipal Schools and Classes.

The number of Municipal Schools and Classes in Greater Bombay at the beginning and at the end of the year was as follows :—

	As on 31st March 1961.				As on 31st March 1962.			
	City.	Subs.	Extd. Subs.	Total.	City.	Subs.	Extd. Subs.	Total.
Schools ...	378	153	41	572	391	172	61	624
Classes ...	49	47	28	124	56	40	21	117
	427	200	69	696	447	212	82	741

The folloing changes took place in the number of schools and classes during the year under report :—

	City.	Subs.	Extd. Subs.	Total.
Number of Classes opened ...	4	6	10	20
Number of Schools opened ...	14	9	5	28
Number of Classes converted into Schools ...	3	10	15	28
Number of Schools converted into Classes ...	4	...	...	4
Number of Classes amalgamated ...	...	2	1	3
Number of Classes closed ...	...	1	1	2
Number of Classes taken over ...	2	...	...	2

On the principle of providing higher standards for 35 children or more in the City and Suburban Schools and 25 children or more in the outlying far away schools in the Suburban and Extended Suburban villages or in areas with village conditions, higher standards—16 of Std. V, 14 of Std. VI and 8 of Std. VII were opened during the year, thus providing facilities for Upper Primary Education.

The total number of Upper Primary (including Vocational) and Lower Primary Schools and Classes was 352 and 389 respectively as against 324 and 372 during the preceding year. The scheme of amalgamation of school and co-education introduced during the year 1949 with a view primarily to effecting economy and fostering feeling of fraternity among the pupils, worked smoothly and efficiently and the teachers and pupils worked in harmony and co-operation.

Pupils in Municipal Schools.

The total number of pupils on Rolls at the end of the year in Municipal Schools in Greater Bombay stood at 3,49,454 (2,38,866 in the City Schools, 84,904 in the Suburban Schools and 25,684 in the Extended Suburban Schools), as against 3,33,066 (2,35,180 City, 76,508 Suburbs and 21,370 Extended Suburbs) in the previous year. Thus there was a net increase of 16,388 pupils in the Municipal Schools. The number of pupils in the Lower Primary Classes was 2,61,686 (1,74,051 in the City, 67,325 in the Suburbs and 20,310 in the Extended Suburbs) and the number of pupils in Upper Primary Classes was 87,768 (64,815 in the City, 17,579 in the Suburbs and 5,374 in the Extended Suburbs). The highest number of pupils on Rolls in Municipal Schools was, however, 3,78,450 (2,60,487 in the City Schools, 91,268 in the Suburban Schools and 26,695 in the Extended Suburban Schools) at the end of August 1961. The number fell to 3,49,454 at the end of March 1962. The average attendance of pupils throughout the year was 3,11,937 as against 2,90,929 in the preceding year. A statement showing Municipal Schools and pupils is given in Appendix No. I.

Teachers in Municipal Schools.

The total number of teachers in Municipal Schools at the end of the last year was 8,403 out of whom 306 were special teachers. The number stood at 9,127 (with 324 Speieal Teachers) during the year under report. Out of 8,803 Orinary Teachers, 8,202 (*i.e.* 93.17 per cent.) were trained, as against 7,311 out of 8,097 (*i.e.* 90.29 per cent.) in the previous year. A statement showing the details of the number of trained, untrained, permanent and non-permanent Ordinary Teachers in Municipal Schools is given in Appendix No. II.

The requirements of teachers are assessed as per Class-room Formula, as adopted by the Education Committee.

Supervision of Municipal Schools.

The supervison of Municipal Schools continued to be attend to by the Education Officer, the Superintendents and the Subordinate Supervising Officers of the Department. The Supervising Officers paid Educational and Surprise Visits to the schools, inspected the lessons given by the teachers and also the School Records etc., and made useful suggestions to improve the tone of efficiency and discipline in Municipal Schools.

The new set up of school administration started last year, with the formation of Divisions and Beats in different localities in Greater Bombay worked well during the year under report.

Pupils' Progress.

As usual, the syllabus of studies was divided month by month for the guidance of teachers and for facilitating gradual completion of studies in time as per schedule. Teaching Aids on different subjects were supplied to the schools in order to make teaching more interesting and effective. Additional teaching Aids such as Maps, Charts and Models were also prepared by the teachers themselves. Hindi was continued to be taught in the Upper Primary Classes. Teachers' Diaries and Pupils' Progress Cards and Registers continued to be maintained as usual and parents were kept informed of the progress, conduct and attendance of their wards by forwarding to them the Progress Cards every month.

Double Promotion Examinations as per the Rules were conducted in August 1961 by the Inspectors of Municipal Schools.

Written Examinations of pupils of standards I to VII were held in the months of March and April 1962 by a Central Examination Board including representatives of the Municipal Teachers' Federation and the Municipal Head Teachers' Association, specially constituted for the purpose. Sub-Committees were appointed by the Board for the purpose of setting the Question Papers on the different subjects and the Sub-Committees forwarded to the Paper Setters selected questions from those received from the schools of different Zones. The examinations were conducted in the bigger schools and the Answers books were assessed by the selected teachers at fixed Centres under the supervision of the Supervising Officers. Standardwise Results of the Annual Examinations of Municipal Schools held in March and April 1962 are given in Appendix No. III. A Supplementary Examination will be held in June 1962 for the benefit of those pupils who could not appear at the previous Annual Examination due to circumstances beyond their control.

In all, 16,687 pupils from Municipal Schools appeared for the Primary School Certificate Examination, 1962 and of them 7,583 were successful.

The following factors, *inter alia*, hampered the progress of pupils in Municipal Schools:—

(1) Largeness of certain classes;

(2) Lack of suitable school buildings;

(3) Inadequate facilities to pupils to study at home;

(4) Economic conditions of the parents resulting in irregular attendance and long and continuous absence of pupils.

With a view to avoiding over-crowding in classes it was laid down that ordinarily a Class should not have more than 50 pupils to facilitate proper attention to pupils. However, in Schools with big-class-rooms the number of pupils in class sometimes reached a figure of 55-60 rendering the Class unwieldy and unmanageable for the Class Teacher. Consequently, the necessity of doing teaching work in detail by giving individual attention could not be ful-filled in some of the schools. On the other hand in schools housed in hired residential buldings, overcrowding on account of inadequate space was an impediment in the way of efficient instruction. In all, about 605 Municipal Schools and Classes were required to be run in two Sessions and more than two sessions for want of sufficient accommodation, and 4114 class-rooms were required to be used twice. This measure, though resorted to as a matter of necessity has been hampering instruction besides causing a lot of inconvenience to the pupils, teachers and the parents. A programme of construction of new school buildings which is being implemented on a large scale, would, it is hoped, improve the situation considerably in a few years.

As per the decision of the State Government teaching of English in Upper Primary Standards was introduced in our schools, since last year. Refresher Courses for the benefit of teachers teaching English language have been started during the year under report. The response to the Classes is encouraging.

The existing curriculum for Standards I to VII revised by the Government is being followed in the Municipal Schools.

Text Books.

As required under proviso of Section 62BB of the Bombay Municipal Corporation and City of Bombay Primary Education (Amendment) Act 1950, the same Text Books which were being used during the year under report in accordance with the directions of Government. Changes in the use of Text Books, wherever effected, were done with the sanction of Government as per the proviso of the above quoted Section of the Act.

Rahimtulla Currimbhoy Urdu Training Institute for Women.

The Rahimtulla Currimbhoy Urdu Training Institute for Women continued to function well as usual. The Institute coaches pupils for Junior Primary Teachers' Certificate—a two years course after passing P. S. C. Examination. There were 2 Divisions each of First Year and Second Year with 78 and 81 students respectively at the end of the year.

The teaching staff included a Head Mistress, five ordinary instructresses and six Instructors for Special Subjects like Sewing, Drawing, Hindi, Gujarati etc. The Head Mistress of the Institute was taken up as an inspectress of Urdu Schools and one of the Instructors was appointed as a Head of the Institute during the year under report.

Community Life activities were carried on with enthusiasm. Various extra-curricular activities such as celebration of National Festivals, organising 'one-day canteen' by pupils, Community Lunch, etc., were carried out smoothly. As an out-side activity, a short camp of trainees was organised at Nasik. Excursions and Picnics were also arranged to places of historical and cultural importance.

At the Annual Examination of 1962, all 78 trainees from 1st Year Class were promoted to 2nd Year Class while out of 81 trainees of 2nd Year; 61 (*i.e.* 75.3 per cent.) were successful at the P. T. C. Examinaton, held by the Government.

Municipal Urdu Teachers' Training Class. (One year Course).

Municipal Urdu Teachers' Training Class which was started in July 1958, continued to function as usual. During the year under report there were 39 trainees in the Class

The teaching staff included one Head Master, four Ordinary teachers and two Special Craft teachers.

All 39 trainees in the Class, appeared for the P. T. C. Examination held by Government were successful. All other activities were carried on successfully.

The Gujarati Teachers' Training Class, which was started in July 1958, was discontinued from June 1961.

Loan Scholarships

An amount of Rs. 75 per month was given as Loan Scholarship to each of the Municipal teachers, who under-went training at the Municipal Training Class. Those of the Municipal teachers who joined other training colleges were also given similar loan scholarships on their requests.

Fees, Freeships and Fund Prizes.

The amount of interest accrued on various Trusts and Endowment Funds was distributed among the eligible pupils in accordance with the terms and conditions of the respective Trusts.

Equipment and Furniture.

The progress towards the replacement of old type of furniture and the adequate supply of equipment and teaching aids and materials continued as usual during the year under report. Furniture articles, etc., worth about Rs. 8,50,000 were supplied to the schools during the year under report.

School Buildings.

The number of Municipal owned school buildings at the beginning of the year was 115 out of which 42 were in the City, 46 in the Suburbs and 27 in the Extended Suburbs. 11 new school buildings were built during the year under report. Thus, the number of Municipal owned school buildings rose to 126 (46 in the City, 50 in the Suburbs and 30 in the Extended Suburbs). The construction of school buildings at the following places are under construction :

(*i*) Bhuleshwar, (*ii*) Nana Chowk, (*iii*) Tardeo, (*iv*) Parel Tank Road, (*v*) Lower Parel, (*vi*) Shinde Wadi, Naigaum, (*vii*) Junction of Moreland Road and Mohemedan Street, Byculla and (*viii*) Woollen Mill Lane, Dadar.

Extension of fourteen school buildings is in progress. Seven plots have been acquired for the purpose of construction of school buildings. 262 Schools (including Classes) were housed in the Municial owned school buildings. 464 schools (including Classes) were accommodated in rented buildings, which were originally meant for residential purpose and thus continued to be a handicap, more so, for want of proper and timely repairs which the landlords are rather reluctant to carry out. 15 schools were housed in rent free buildings. While the number of pupils in Municipal Schools has been increasing from year to year, it has become practically impossible to acquire additional accommodation except by way of constructing new school buildings or extending existing ones. Alive to this problem, the Department is making a steady and planned progress towards the construction of new school buildings, extension of the existing ones as stated aobve and the acquisition of private plots and structures wherever possible.

III.—Municipal Aided and Recognised Schools

Aided Schools and pupils in them.

On 1st April 1961, there were in all 343 Municipal Aided Schools out of which 228 were in the City, 73 in the Suburbs and 42 in the Extended Suburbs. Following changes took place in the number of schools during the period under report :—

		City.	Suburbs.	Ext. Subs.
(1) Transferred from the list of Un-aided Schools	...	3	5	2
(2) Transferred to the list of Un-aided Schools	...	1	1	...
(3) Amalgamated with another Schools	...	1	...	...
(4) Registration withdrawn	...	1	...	...
(5) Closed down	...	1	...	...

Thus on 31st March 1962, the number of aided schools was 348 (227 in City, 77 Suburbs and 44 Extended Suburbs).

The number of pupils in Aided Schools in the City, Suburbs and Extended Suburbs increased during the year under review from 1,00,402 to 1,04,595 as per details given in Appendix No. IV. The average number of pupils on Rolls in Aided Schools during the year was, 1,04,574 as against 99,625 in the the previos year, the average daily attendance being 95,319 (*i.e.* 91 per cent.) as against 90,498 (*i.e.* 91 per cent.) of the previous year.

Teachers in Aided Schools.

The total number of teachers in Aided Schools as on 31st March 1961 was as follows:—

		City.	Suburbs.	Extd. Subs.	Total.
Ordinary Teachers	...	1,866	718	381	2,965
Special Teachers	...	366	111	40	517
Total	...	2,232	829	421	3,482

Out of 2,965 Ordinary Teachers, 1,860 were trained and 1,105 were untrained as against 2,789 Ordinary Teachers in the preceding year, out of whom 1,930 were trained and 859 were untrained. The percentage of Ordinary Trained Teachers in Aided Schools to the total number of Ordinary Teachers worked out to 60-.26 per cent. which compared unfavourably with the percentage of trained teachers in Municipal teachers which is 93.17 per cent.

Inpecting Staff of the Aided Schools.

The Superintendent, Aided Schools, was assisted in his work by an Assistant Superintendent and six Inspecting Officers. Educational work of the Aided Schools was observed, checked and guided by surprise visits, inspection visits, etc., by the Inspecting Officers. Their registers and records were checked by the clerical staff of the Aided Section. Some of the Officers of the other Sections also assisted the Superintendent, Aided Schools, in his work of Annual Educacational Inspection of the Aided Schools.

Grants of Aided Schools.

The Power of administering grants to Aided Schools vests in the Corporation under Section 62. C(3) of the Bombay Municipal Corporation Act. The rate of the maximum admissible expenditure per pupil per annum in respect of the Aided Schools is Rs. 50. The total amounts of grants assessed as per rules in favour of the Aided Schools for the year under report amounted to Rs. 9,38,523 for the City Schools, Rs. 3,72,899 for Suburban Schools and Rs. 1,67,896 for Extended Suburban Schools as against the corresponding figures of Rs. 9,13,897, Rs. 3,45,921 and Rs.1,51,744 respectively of the previous year. As the provision of amount in the Budget (Rs. 6 lakhs for City Subs.and Rs. Fifty thousand for Extended Suburbs) fell short of the amounts assessed, cuts to grants assessed, in favour of certain schools were applied on the basis of their income from fees, admissible expenditure and the total expenditure, etc., of the schools concerned. Wherever the income of fees exceeded the mean of the total expenditure and the full admissible expenditure, only token grants at 10 per cent. of the assessed grants were paid to the schools. The amounts of grants to be paid to Aided School s is Rs. 5,29,846 for City and Suburbs and Rs. 74,772 for Extended Suburbs *vide* E.C. R, No. 645 of 9-3-1962 and C. R. No. 2101 of 15-3-1962, which will be paid to the schools from the Renewed Grants for 1962-63. As the grant provided for Extended Suburban Schools fell short of the amount proposed by Rs. 24,772 the defieit was proposed to be met from savings from City-Suburban Budget provision for 1961-62.

The grant was not Assessed in case of two schools mentioned below for the reasons given against those schools:—

Name of School.	Reasons.
(1) Shishu Vidyalaya, Goregaon	... Account not submitted by the School.
(2) Shishu Vikas Mandir, Borivali	... Accounts not submitted by the school.

Expenditure incurred by Aided Schools and the cost per pupil.

The total expenditure incurred by the Aided Schools and the average cost per pupil to the Corporation by way of grants for the year 1961-62 with comparative figures of the previous years are given in Appendix No. V.

General conditions of Aided Schools and Service Conditions of Teachers.

Several grievances were received from teachers against the school managements during the year under report. These were attended to by the Inspecting Officers and the Incharge Superintendent. In the absence of any definite rules governing in service conditions of teachers in the Grant-in-Aid Code, it is found difficult to prevail upon the Managements to settle disputes early. However, persuasive methods were applied and in most of the cases the school authorities settled the complaints of their teachers amicably.

A revised draft Grant-in-Aid Code, which was finalised by the Education Committee and the Corporation will be put into force after the sanction of the State Goverment, which is awaited.

Unaided and Recognised Schools.

Besides the Aided Schools, there were 122 other schools (80 in the City, 22 in the Suburbs and 20 in the Extended Suburbs) which were recognised but which did not receive Aid from the Corporation. About 942 teachers (695 in the City, 138 in the Suburbs and 109 in Ext. Suburbs) were working in these schools imparting education to about 23,908 pupils (16,920 in the City, 3,934 in the Suburbs and 3,054 in the Extended Suburbs).

IV.—Vocational Education.

Vocational Schools and their progress.

The Municipal Vocational Upper Primary Schools which prepare pupils for the Primary Schools Certificate Examination continued to function satisfactorily during the year under report. The Director of Technical Education has agreed to grant recognition to the Municipal Printing Class at Foras Road, provided arrangements are made in the Class for teaching III Year Typography Course. There were 23 Vocational Classes in 11 Vocational Schools during the year under report. Out of these, 10 taught Carpentry, 5 Tailoring, 2 Clay Modelling and 1 each Signboard Painting, Clock Repairing, Book Binding, Toy Making, Carpet Weaving and Printing.

Instruction in Weaving and Cardboard Modelling is also given in some Classes of the Lower Primary Schools in the Suburbs.

The Exhibition of Sewing Work and Handicrafts articles held in the month of April 1962 was opened at the hands of Shri V. V. Joshi, Deputy Municipal Commissioner (Labour).

V.—Physical Education.

Curriculum and Activities.

The Government Syllabus in Physical Education for Lower Primary and Upper Primary Schools in the State continued to be followed in Municipal Schools this year also with suitable modifica ions to suit local conditions which are he direct reult of shor age of open spacs and playgrounds adjoining the schools. Five periods per week for Standards I to IV and three periods per week for Standards V to VII were assigned for Physical Education. Pupils of Standards V to VII of Vocational Schools, who had to learn Crafts were exempted from Physical Education as they had to put in strenuous work during he periods of Crafts learning. Separate time-tables were continued to be maintained in schools for Physical Education and the Senior Supervisor, Physical Instruction assisted by other 8 Officers of the Department, guided the teachers in efficeintly impar ing Physical Education in schools by paying frequent visits.

Appendix No. VI gives the information regarding Physical Education in Municipal Schools.

Following were the main activities of the Physical Education Section during the year under report :—

(i) Mass Drill Displays

This year 4 Mass Drill Displays—two of the City Schools and one each of the Suburban and Extended Suburban Schools were organised during the year under report. Mass Drill Display at Borivali was held under the Presidentship of Shri G. M. Pendse, Municipal Councillor, on 9th December 1961 wherein about 800 pupils from 10 schools took part. Display at Chembur was held on 14th December 1961 under the Presidentship of Shri S. Pawri, Principal, Aminchand Multipurpose High School, wherein about 1,200 pupils from 15 schools participated. Display at Worli was held on 15th December 1961 under the Presidentship of Shri Mahadeshwar, Municipal Councillor, wherein about 1250 pupils from 6 schools took part and the Display at Gilder Tank was held on 17th January 1962 under the Presidentship of Shri Rege, Superintendent, Balmohan Vidya Mandir of Dadar, wherein about 600 pupils from 8 schools took part.

The Displays among other items, included Swagat Geet, March Past, Exercise, etc., and the distinguished guests expressed their satisfaction at the discipline displayed by the children of Municipal Schools.

(ii) Annual Sports

The Sports Competitions of the pupils of Municipal Schools of all Sides were held in common in the months of January—February 1962 at 36 Centres—23 in the City, 9 in the Suburbs and 4 in the Extnded Suburbs. Final Sports were held at St. Xavier's College Gymkhana Grounds on 26-2-1962. The Prize Distribution Ceremony of the Annual Sports was held on 26th February 1962 at St. Xavier's College Stadium under the Presidentship of Smt. Madhuri R. Shah Education Officer. The function was attended by distinguished people, Municpal Officers and Corporators. This year championship cups were won by the following schools :—

(1) Dr. Khurshedji J. J. Byramji Cup	...	Vile Parle Marathi School No. 1.
(2) Jal Engineer Cup	...	Sion Upper Primary Marathi School.
(3) Mirchandani Cup	...	West Khetwadi Upper Primary Mar. School.
(4) Smt. Malandkar Cup (for Boys)	...	R. C. Mahim Urdu School.
(5) Smt. Malandkar Cup (for Girls)	...	Dadar Parsi Colony U. P. Mar. School.

(iii) Physical Training Class :

Physical Training Class was conducted this year at the Gilder Tank to train teachers in Physical Education from November 1961 to March 1962. The whole syllabus of Physical Education was covered during the course. The trainees weere examined in theory and practicals and certificates were given to the successful trainees 81 teachers took the benefit of this training class. One day Camp of trainees was arranged at Kandivli in order to acquaint the trainees with technicrue of organising camps, picnis, etc., for school children. A demonstration of Physical activities in the class, was arranged at the time of Annual Scout—Guide Rally held on 16th March 1962.

(iv) 'Bal Din' (Children's Day) :

14th November is celebrated as 'Bal Din' all over the country. On a request being made by the State Government to give an item of Mass Demonstration on this occasion, a demonstration was organised on St. Xavier's College Gymkhana Grounds on November 14, 1961 wherein 2,000 Municipal school children took part.

VI.—Scout and Guide Movement.

Boy Scouts and Girl Guides.

The Boy Scout and Girl Guide Movements continued to flourish in Municipal schools as usual Shri M. V. Donde, B. A., M.L.C. and Smt. K. Khandvala, continued to hold the offices of the Assistant State Commissioner (Scouts) and Assistant State Commissioner (Guides) respectively, during the year. Dr. N. N. Shah, held the office of the District Commissioner (Scouts), North while Smt. Khadija Shuffi Tyabji continued to hold the office of District Commissioner (Guides) for South. The posts of District Commissioners (Scouts and Guides) South and North are lying vacant.

The number of Scout Troops and Cub-packs at the end of the year was 150 and 30 respectively and that of the Scouts and Cubs was 4,000 and 900 respectively. The number of Girl Guides Companies and Flocks at the end of the year was 79 and 134 respectively. The number of Guides and Bulbuls in them was 1,896 and 3,216 respectively.

The activities of both the movements continued to be carried on as usual.

Following are some of the important activities carried on during the year :—

(i) Scout-Guide Week :

The Seventh Scout Guide Week was celebrated from 26-11-1961 to 30-11-1961. One Cultural item of "Bharat Darshan" was presented by the Municipal Scouts and Guides, which was appreciated by all. Our Scouts and Guides particpated in "Khari Kamai" and they collected Rs. 700 in one day.

(ii) Scout-Guide Rally.

The Fifth Rally of the Maharashtra State Bharat Scouts and Guides was held from 2 to 4-11-1961 at Nagpur. 20 Scouts and Guides from Municipal Division participated in the Rally, who gave a good account of their performance.

(iii) Patrol Leaders' Training Camp for Scouts and Guides :

Patrol Leaders' Training Camps for Scouts and Guides were organised at Aarey Colony Camping Ground from 24th December 1961 to 1st January 1962. 120 Scouts and 120 Guides were selected from different troops and companies. Training upto IInd Class in Scouting and Guiding was given in the Camp.

(iv) Annual Sports :

Annual Sports of the Scouts and Guides were held at two Centres at Gilder Tank and Shivaji Park. The winners in the Sport Competitions were awarded prizes at the time of the Annual Scout Guide Rally. About 6,000 Scouts and Guides participated in the sport competitions.

The names of Schools winning Shields and Cups in the sports competitions are given in Appendix No. VII.

(v) Scout-Guide Rally :

The Annual Scout-Guide Rally was held on 16th March 1962 at Gilder Tank Playgrounds, under the Presidentship of Dr. A. U. Shaikh, the Municipal Commissioner. Nearly 5,000 to 6,000 Scouts and Guides attended the Rally. The cultural item of "Vishwa Bandhutwa" and some Scouty items were presented at the time of Rally.

VII.—Finance.

Education Fund Budget

The principal sources of income of the Primary Education Department are (1) five times the actual net realisations of the Corporation in the preceding year under the Head of General Tax (including arrears and payments in advance) divided by the rate fixed for the General Tax for the said financial year, (*ii*) Government Grants towards Primary Education (*iii*) Education Cess and (*iv*) Other Miscellaneous Receipts. The Budget Estimates of the Education Fund for 1961-62 were prepared and submitted by the Municipal Commissioner to the Education Committee in the month of November 1960 as required under Section 126C of the Bombay Municipal Corporation Act. The income for the yearr 1960-61 was estimated at Rs. 2,89,43,655 and the expenditure was placed at Rs. 2,95,61,544 showing a deficit of Rs. 5,97,889. On scrutiny of the Budget Estimates by the Education Committee and further by the Standing Committee of the Corporation, the Corporation adopted the Budget Estimates in resepct of Budget 'E' for the year 1961-62 as follows :—

Income.	Expenditure.	Estimated opening balance.	Estimated closing balance.
Rs.	Rs.	Rs.	Rs.
3,02,83,655	2,98,22,475	51,000	5,12,180

The Opening Balance as on 1-4-1961 was Rs. 26,47,539.

Income and Expenditure.

The details regarding the Municipal Grants, Government Grants and other Miscellaneous Receipts are as follows :—

	Municipal Grants.	Government Grants.	Education Cess.	Other Misc. Receipts.
	Rs.	Rs.	Rs.	Rs.
City-Suburbs ...	2,05,18,606	45,76,660	44,44,488	6,67,025
Extended Suburbs ...	7,83,924	2,50,000	2,62,525	350
Total ...	2,13,02,530	48,26,660	47,07,013	6,67,375

The total expenditure for the year including offices, amounted to Rs. 2,83,69,009. The closing Balance on 31-3-1962, after increase of Rs. 43,834, for Reneued Grants stood at Rs. 57,38,274.

Government Grant on Cost of Primary Education and average cost per pupil.

The Grant paid by Government to the Corporation towards the cost of Primary Education amounted to Rs. 48,26,660 including the amount of Rs. 2,50,000 for Extended Suburban Schools. The statement showing the average cost per pupil is given in Appendix No. VIII.

VIII.—Research Unit.

Smt. Madhuri R. Shah, B.A. (Hons.), M.Ed., Ph. D. (Bombay), Ph. D. (London) was in charge of the Research Unit upto 21st August 1961. Smt. V. M. Nadkarni, B.A., B.T., D.E. (Bombay, M.Sc., (Education) (California) was in charge of the same from 26th February 1962 upto the end of the year.

The Research Officer carried out the following studies during the year.—

(1) A longitudinal study of wastage and stagnation was continued. In this study an effort is made to determine the extend of wastage and stagnation in Primary Schools, the reasons for such wastage antd stagnation, the relation, if any, between stagnation and wastage, their relation to the age of children, the subjects in which the children commonly fail, the reasons thereof and other similar aspects of the problem which arise in the course of the investigation. The study covers the progress of about 6,000 children enrolled in Standard I in different years between 1950 to 1958. The children were to be followed up for periods varying from four to eight years, about 3,000 of whom have been traced and followed up. Seven groups were selected for the purpose.

A random stratified sample of 16 schools was selected for study. The sample includes 3,578 Marathi, 1093 Gujarati, 844 Hindi and 669 Urdu speaking children. The investigation which is going to be continued, will study details like causes of failure, ways of minimising stagnation by suggesting changes in the curriculum teaching methods, training of teachers and other allied problems.

(2) The programme of Intelligence Testing in the selection and recruitment of teachers was continued during the year under review. The test was found to be highly reliable as the correlation between the performance of teachers on the test and their teaching efficiency as judged from the ratings of the superivsory staff and officers of the Research Unit was appreciably high.

(3) The Research Advisory Committee recommended that the further study of a sample of about 1,200 children studying in short and double sessions on Marathi and Gujarati sides in Std. I should be undertaken with a view to comparing the results with the previous study. A random sampling of about 2,600 children studing in 63 divisions in 20 schools was selected for study. The study was concentrated on three areas of learning, *viz.*, (*i*) Reading and Comprehension, (*ii*) Writing, (*iii*) Arithmetic. The study has been completed and the analysis of various factors like duration of teaching time, teacher-pupil ratio, part of the day when the schools meet had led to several far reaching conclusions.

(4) The pamphlets on "Teaching Standard I" and 'The teaching of Composition' in Hindi, Urdu Marathi and Gujarati have been prepared for publication and distribution to schools.

(5) The Research Advisory Committee has approved the following projects which are under study. It is agreed that they should be continued for the year 1962-63 :—

(*i*) Longitudinal study of wastage and stagnation.
(*ii*) Experiments in teaching in selected experimental schools.
(*iii*) Progressive introduction of activity methods in Teaching Standard I and Standard II.
(*iv*) Study designed to raise the standard of acheivement at different levels. The investigation is based on the critical study of examination by re-assessment of answer papers.

Besides the above, the following new projects have also been recommended for study :—

(*a*) Study designed to minimize the extent of failures in Standards I, II and III by evolving more effective methods of teaching and by starting parallel classes for children who fail.

(*b*) An experiment to study the reading habits and reading interests of children.

(*c*) Preparation of graded assignments in Arithmetic for children in Standards II and III.

IX.—General

The School Health Service.

The School Health Service under the Executive Health Officer of the Corporation for the benefit of Municipal Primary Schools continued to operate as usual. Medical Inspection of the children in the City Schools reading in Standards I and III as well as those from Standards II and IV who had not been examined during the previous year was taken during the year, besides the medical examination of special cases presented by the par ents and teachers. Medical Examination of the pupils in Standars II and IV in the Suburbs and Extended Suburban Schools was taken up with a view to clear up arrears of 1959-60 and of 1960-61.

In all 39,221 pupils in the City, 11,229 in the Suburbs and 6,465 in the Extended Suburbs were examined during the year under report, out of whom 31,584 children in the City, 8,054 in the Suburbs and 5,364 in Extended Suburbs were found to be suffering from one defect or the other. Amonst the common defects noticed, general debility and defects of teeth, mouth, throat and enlarged lymphatic glands were predominent. The defects noticed were communicated to the guardians of pupils. With the consent of the guardians, about 14,540 pupils (City) were treated at the School clinic at K. E. M. Hospital, Nair Hospital and other Municipal Dispensaries. 1100 children were referred to the Honoraries of the Out-Patient Department of the K. E. M. Hospital for expert opinion. 183 cases of tonsilities were operated upon at School Clinic and 3 cases of dog bite were treated. 555 children with minor defects were treated in the Schools by school medical Officers. The clinical treatment to pupils in Suburbs was given at K.B. Bhabha Hospitals, Bandra and Kurla and at Lokamanya Tilak Hospital, Sion. Pupils with communicable diseases were promptly detected and prevented from attending schools during the period of infectivity, while minor ailments of Extended Suburban pupils were treated at the Municipal Dispensaries. 74,708 pupils in City, 11,266 in the Suburbs and 4,349 in Extended Suburbs were vaccinated against small pox. 16,223 children from private and Aided Schools in the City, 2,045 from Suburbs and 2,775 from Extended Suburbs also got vaccinated by the Medical Officers. Inoculations against Typhoid, Diptheria, etc., were done. 249 pupils suspected to be suffering from T. B. were got screened and given free advantage for treatment at the various Municipal T. B. Clinics, 14 of them were disallowed from attending schools.

855 Health talks to children in City Schools, 66 to children in Suburban Schools and 69 to children in Extended Suburban Schools on the subject of simple and personal hygiene were given by the School Health Officers and Nurses in order to inculcate healthy habits amongst the children. 1504 domiciliary visits and 759 re-visits to ailing children in City Schools, 946 visits and 31 re-visits and 449 visits and 10 re-visits in Suburbs and Extended Suburban schools were paid by the School Health Nurses to guide the parents as regards their care and diet.

About 210 City children with errors of refraction were supplied with speactacles free of charges. Pupils suffering from Leprosy were disallowed from attending the schools after they were medically examined. Certified undernourished children were continued to be given 6 oz. toned pasteurised milk in a sealed bottle.

Free supply of powdered milk to the pupils of Standards I and II of Colaba group of schools from Lion's Club of Bombay was continued this year also. The scheme to study the effectiveness of free supply of milk and snacks, in Municipal Schools is in progress.

Municipal Teachers' Library.

The total number of books at the end of the year was 21,091 as against 20,936 in the previous year. The total number of magazines and priodicals subscribed was 57. The total number of books issued was 9,730 showing an average of 33 books per day. List of additions of new books continued to be circulated to all Municipal Schools with a view to keeping the teaching staff informed of the latest additions to the Library .127 new members were enrolled during the year under report.

Gratis use of School premises.

The use of Municipal school premises for running Government Milk Centres and for conducting Social Education Classes, Hindi Classes, Night Schools, etc., under the auspices of Educational and Social Welfare Institutions was continued to be allowed gratis or at nominal fees outside regular school hours on prescribed conditions with the consent of the landlords of the buildings concerned.

Extra Curricular Activities.

Extra curricular activities in Municipal Schools continued to receive active attention of this Department as an essential and important aspect of Primary Education, necessary for inculcating the qualities of social service, patriotism and good citizenship amongst the pupils. The following were some of the main extra-curricular activites conducted during the the year under report in the Municipal Schools.

(A) **Educational Film Shows :** Educational Film Shows on different educational and general topic were shown to the pupils of Municipal Schools in Co-opertion with the Public Relation Officer, Bombay Municipal Corporation. Bombay State Women's Council had arranged film shows during the vacation and holidays at nominal rates and a good number of Municipal school children took advantage of the same. The United State Information Service had also arranged educational film shows at USIS auditorium for the benefit of Officers and teachers.

(B) **Sharad Utsav (Autumn Festival) :** The Sharad Utsav (Autumn Festival) which has become a regular annual feature for the Municipal Schools, was celebrated this year at 18 Centres—12 in the City, 4 in the Suburbs and 2 in the Extended Suburbs in the month of October 1961. Each function was presided over by some prominent personality in the City, Municipal Councillor or Educationist.

The Central Sharad Utsav Function in North was held at the Damodar Hall, Parel on Wednesday, the 18th October 1961 and was presided over by Shri D. S. Desai, B.A., LL.B., Minister for Education, Govmernent of Maharashtra.

The Central Sharad Utsav Function in South was held at Bharatiya Vidya Bhavan, Chowpatty on Friday the 20th October 1961 at 9 A.M. and was presided over by Shri V. B. Worlikar, Mayor of Bombay.

The Central Sharad Utsav Function at Suburbs and Extended Suburbs was held at the Sacred Heart High School, Santacruz on Friday, the 20th October 1961 at 6 P.M. under the Presidentship of Lt. Col. J. D. Kothawala, Sheriff of Bombay.

At these three fuctions best items of cultural programmes from different Centres were presented.

Silver Shields were given to the best and cleanest schools in different Wards at the time of these Central Functions.

The cultural items at various group functions included folk songs and dances, dramatic skits, action songs, simple dance ballets, etc. These programmes were highly appreciated by the audience as the children performed and acted with great enthusiasm, skill and poise. The exhibition of educational charts and aids at Sandhurst Road, Madanpura, Parel and Bandra Centres was also appreciated by all those who paid visits and took keen interest in the topics.

(C) **School Anniversaires:** School Anniversaries, Dassara Festival, Independence Day and Republic Day were celebrated in a number of Municipal Schools, when special invitations were given to parents so as to bring them in closer contact with the teachers and with a view to getting better co-operation from them. Lectures, Elocution Competitions and Variety Entertainments were arranged on these occasions.

(D) **Democracy in Schools and Model Schools.:** Class Panchayats (Prefect Courts) and School Parliaments were introduced in a number of schools with a view to inculcating a sense of discipline and self-government amongst the pupils, distribution of classes into groups and formation of houses and societies was encouraged in a number of schools. In the Societies and groups, pupils co-operatively celebrated the functions, edited manuscript magazines, recited poems, narrated tales, pursued their own hobbies and interests.

(E) **Excursions :** Excursions by pupils and teachers of Municipal School s to places of educational and historical importance continued to receive due encouragement of the Department. Pupils of Municipal Schools continued to pay visits to Bal Bhavan on fixed dates according to a planned programme during the year.

Staff Meetings.

Meetings of the Supervisory Officers of the Department continued to be held during the year under report under the Chairmanship of the Education Officer for discussing improvements in Municipal Schools and problems of day-to-day administration. Sub-Committees of Officers were formed for discussing special problems of education or administration and evolving comon rules and procedure. The Education Officer granted monthly interviews to the representatives of the Municipal Teachers' Federation with a view to equainting herself with the problems and difficulties of the employees concerned and helping in solving the same wherever possible.

MADHURI SHAH,
Education Officer.

THE RESEARCH UNIT (EDUCATION).

Smt. Madhuri R. Shah, B.A. (Hons.), M.ED., PH.D. (Bombay), PH. D. (London) was in charge of the Research Unit upto 21st August 1961. Smt. V. M. Nadkarni, B.A.,B.T., D.L. (Bombay), M.Sc. (Education) (California) was in charge of the same from 26th February 1962 upto the end of the year.

The Research Officer carried out the following studies during the year :—

(1) A longitudinal study of wastage and stagnation was continued. In this study an effort is made to determine the extent of wastage and stagnation in Primary Schools, the reasons for such wastage and stagnation, the relation, if any, between stagnation and wastage, their relation to the age of children, the subjects in which the children commonly fail, the reasons thereof and other similar aspects of the problem which arise in the course of the investigation. The study covers the progress of about 6,000 children enrolled in Standard I in different years between 1950 to 1958. The children were to be followed-up for periods varying from four to eight years. About 3,000 of whom have been traced and followed up. Seven groups were selected for the purpose.

A random stratified sample of 16 schools was selected for study. The sample includes 3,578 Marathi, 1,093 Gujarati, 844 Hindi and 669 Urdu speaking children. The investigation which is going to be continued will study details like the causes of failure, ways of minimising stagnation by suggesting changes in the curriculum, teaching methods, training of teachers and other allied problems.

(2) The programme of Intelligence Testing in the selection and recruitment of teachers was continued during the year under review. The test was found to be highly reliable as the correlation between the performance of teachers on the test and their teaching efficiency as judged from the ratings of the supervisory staff and the officers of the Research Unit was appreciably high.

(3) The Research Advisory Committee recommended that the further study of a sample of about 1,200 children studying in short and double sessions on Marathi and Gujarati sides in Standard I should be undertaken with a view to comparing the results with the previous study. A random sampling of about 2,600 children studying in 63 divisions in 20 schools was selected for study. The study was concentrated on three areas of learning, *viz.*, (*i*) Reading and Comprehension, (*ii*) Writing , (*iii*) Arithmetic. The study has been completed and the analysis of various factors like duration of teaching time, teacher-pupil ratio, part of the day when the schools meet had led to several far reaching conclusions.

(4) The pamphlets on " Teaching Standard I " and ' The teaching of Composition ' in Hindi, Urdu, Marathi and Gujarati have been prepared for publication and distribution to schools.

(5) The Research Advisory Committee has approved the following projects which are under study. It is agreed that they should be continued for the year 1962-63 ;—

(*i*) Longitudinal study of wastage and stagnation.

(*ii*) Experiments in teaching in selected experimental schools.

(*iii*) Progressive introduction of activity methods in Teaching Standard I and Standard II.

(*iv*) Study designed to raise the standard of achievement at different levels. The investigation is based on the critical study of examination by reassessment of answer papers.

Besides the above, the following new projects have also been recommended for study ;—

(*a*) Study designed to minimize the extent of failures in Standards I, II and III by evolving more effective methods of teaching and by starting parallel classes for children who fail.

(*b*) An experiment to study the reading habits and reading interests of children.

(*c*) Preparation of graded assignments in Arithmetic for children in Standards II and III.

V. M. NADKARNI,
Ag. Research Officer.

LABOUR DEPARTMENT

Subject : *Administration Report for the year 1961-62.*

Smt. F. A. Irani, B.A., (Hons.), LL.B., D.S.A.A., held the post of the Labour Officer during the year except for the period from 11-12-1961 to 31-3-1962 as she was on leave. Shri A. A. Lasani, B.A., LL.B., DIP. S.S.A. (TISS) acted during her absence.

2. **Labour Staff.**—The staff employed by the main departments of the Corporation mentioned elow was as under:—

TABLE I.

Departments.	No. of Labourers.
(1) Engineering including Conservancy ...	18,632
(2) Estate Agent and Land Manager ...	495
(3) Fire Brigade ...	443

(16)	Do.	... L.T.M.G. Hospital Staff.	Clerical ...	Allowance for maintaining Poor Box Fund.
(17)	Do.	... C.E. (Town Planning).	Do. ...	Deputation allowance.

The demands in respect of (1) Nurses, (2) Veterinary Assistants, (3) Teachers were referred to the Adjudication of Industrial Court. Failure report of the Conciliation Proceedings in respect of the Printing Press Staff was submitted by the Conciliation Officer to Government and the same was not referred by the Government to the Industrial Court.

The Municipal Mazdoor Union submitted, a charter consisting of 292 demands pertaining to various municipal departments in the month of August 1961. The demands are being negotiated with the union.

The Bombay Fire Services Union had forwarded 54 demands regarding pay-scales and working conditions and the same are being negotiated with the Union.

An Award of the Industrial Tribunal of Shri T. S. Bilgrami in the matter of dispute raised by Bombay Municipal Subordinate Staff Union was received in respect of accounts training examination and overtime payment etc., during the year under report.

No break-down in work or actual stoppage of work took place during the year under report and industrial relations were peaceful.

5. **Labour Management Co-operation.**—With a view to promote cordial relations between the staff and the administration and allow the representation of the Labour on the management the following steps were taken.

(*i*) **Joint Councils.**—The total number of Joint Councils constituted by the end of the year under report with the representations of the Labour and Administration were 20 in number. They were established for the following departments'—

(1) City Engineering Department (Excluding Conservancy Banch).
(2) Assessment and Collection Department.
(3) Licence Department.
(4) Water Works Department.
(5) Subordinate Staff.
(6) Insecticide Branch of Health Department.
(7) Fire Brigade Staff.
(8) Municipal Printing Press.
(9) Health Department (Excluding Hospials).
(10) K. E. M. Hospital.
(11) B. Y. L. Nair Hospital.
(12) Lokmanya Tilak Municipal General Hospital, Sion.
(13) Kasturba Hospital, Arthur Road.
(14) Group of T. B. Hospitals, (Sewree).
(15) Estate Agent and Land Manager's Department
(16) Shops and Establishment Department.
(17) Election and Town Duty Department.
(18) Garden Department.
(19) Nair Hospital Dental College.
(20) G. S. Medical College.

The scope of the work of these councils was wide enough to allow discussions and recommendation, on all matters pertaining to condition of service.

(*ii*) **Peshi Committees.**—There are 13 Peshi Committees with a representative of Labour as well as Administration to inquire into the misconduct committed by Municipal Employees. These Committees are in existence in Municipal Hospitals and Municipal Maternity Homes only.

(*iii*) **Grievance Procedure.**—A four stage grievance procedure has also been introduced to redress the grievances of the employees in all Municipal Departments. The grievance Committee consists of the representative of the Labour and the management, which probes into grievances of the employees.

6. **Individual Grievances.**—Complaints received by the Labour Officer from the employees and aslo from the Union, were of various nature. The following table gives the number and the type of the grievances received and dealt with by the Labour Officer.

TABLE No. III

Nature of Cases.	Total.	Grievances redressed.	Not genuine cases.	Pending case.
(1) Recruitment and Retrenchment etc. ...	395	201	177	17
(2) Promotions, transfers, confirmations, Annual increments etc.	162	112	40	10
(3) Fines, Reversions, Suspensions, dismissals, and other punishments.	62	18	40	4

(5) Delay in settlement of provident fund and Other retirement benefits.	68	52	8	8
(6) Non supply of equipment and uniforms	27	9	18	...
(7) Delay in granting leave due ...	11	8	3	...
(8) House Rent an Accommodation and transfer of quarters ...	201	80	108	13
(9) Miscellaneous ...	1,178	895	265	18
Total ...	2,361	1,550	725	86

The Labour Officer also attended the hearing of day to day offence cases of the Conservancy, Engineering and Fire Brigade Department.

7. The Scheme for granting scholarship to the Children of Municipal Employees.

During the year under report 637 applications for scholarships were received and 99 scholarships were granted to applicants for higher education and 124 for Secondary Education. The total amount given by way of scholarships to the Municipal employees was about Rs. 17,685.

8. Scheme for granting Medical Assistance to the Municipal employees.

511 employees applied for the benefit under the above scheme. Of these 494 employees were given aid amounting to Rs. 19,993. The Labour Officer also made arrangements to get the employees admitted in different municipal Hospitals for treatment.

9. **Welfare Branch.**—Welfare Activities were conducted for municipal employees and their families at 25 Welfare Centres and two sub-centres. Out of these Centres, 18 were run for the benefit of employees of the Conservancy Branch, 6 for the Hospital employees, 2 for the employees of Water Works Department and one for the employees of the Mechanical Engineer's Department.

The Welfare Activities carried out at the above centres consisted of the following:—

Recreational and Cultural Activities.—Indoor as well as out-door games were played daily at the centres. In-door games included carrom, Ludo, Snakes and Ladders, Chaupat, Draughts, Table Tennis etc. Out-door games included group games like Volley-Ball, Foot-ball Cricket, Kho-Kho, Attya-Pattya, Hu-tu-tu Langdi and other Indian games. In addition to these games physical, cultural and gymanstic activities were also conducted for wich Akhadas were provided at Chembur, Love-grove and Palton Road Welfare Centres. Parellel Bars, singal Bars, Roman Rings, Trepez Bar, Weight lifting apparatus, Malkhamb, Bhalas and Parshus were provided to these centres. With a view to create interest in cultural activities folk dances, Garbas, Folk songs, recitations both in prose and poetory were arranged. Band Practice was regularly held at eleven centres having Band equipment. Bands were also played at the functions of the organization. At the other centres where Tabalas and Harmoniums were provided, Musical classes were regularly conducted. Listners groups were organized at the centres where radios were installed.

Eucational Activities.—In order to evince interest in educational activities, Literacy classes were conducted for men and women at some of the centres. School going children were given guidance in different school subjects. The workers also evinced keen interest in elocution and debate. Subjects pertaining to every-day life were discussed.

Hygienic Activities.—The Lady Workers visited the chawls daily and advised the women how to keep their homes and surrourdings clean.

Family Planning Meetings were organized in the Centres when Dr. Vadhani, Shri Kshirasagar gave lectures on Family Planning, Birth Control and Venereal Diseases, to the male participants of the Welfar Centres.

Documentary Films of educative value were also shown to the Labourers frequently.

Social activities.—To encourage community feelings to inculcate spirit of co-operation and peaceful living and also to make them utilize their leisure time in creative, constructive and joyful activities, different social and religious functions were organised. Besides Pujas and Bhajasn, programmes were arranged to celebrate Ganpati Festival, Sharad Utsav, Makarsankranti and Buddha Jayanti at 21 Welfare Centres. During the celebrations, the residents of the Chawls attached to the centres gave variety entertainment programmes like orchestra, Ras Garbas, Folk Dances etc., were given to the children who participated in the various Items of entertainment given at the function. These functions were presided by the Municipal Councillors.

Dramatic Activities.—In some centres, participants presented dramas which were staged during functions celebrated at the Centres. These dramas were directed by the participants themselves.

Participation in local tournaments.—The artists and players of the centres also participated in the local foot-ball and volley ball tournaments and folk dances competitions organized by Indian National Theatre and other Agencies. Programmes by Municipal employees and their children were given to the following Agencies'—

(1) Bharat Scouts and Guides at Shivaji Park and at the Scout Rally.

(2) Prohibition Week Celebrations Committee.

(3) Subordinate Staff Union's Gathering at Rangbhavan.

Orchestra Performances were given by Arthur Road Welfare Centre at Civic Receptions.

Women's Activities.—Sewing classes for women and girls were conducted at all the centres. They were given instructions in Embriodery, Fancy and Handicraft. Women were encouraged to get their own and their children's clothes stiched and mended on the machines provided at the Welfare Centres. An Exhibition of facny articles prepared by the girls and women at the Welfare Centres was put up at Shivaji Park Scout Pavillion during Scout Week. The participants were also given guidance in house keeping, cooking, child welfare and other house-hold matters. Women of eight centres were taken to see films at the local theatres.

Picnics.—188 Municipal Employees of various centres went on a three days trip to Shirdi, Koyna Project and Matheran.

Attendance.—The average daily attendance of adults and children at different welfare centres during the year was 1,370 and 1,430 as against 1,350 and 1,360 during the preceding year.

Film Shows.—170 film shows were organized at different Welfare Centres. The films were loaned from 'Burmah Shell', Visual Aid Section of Government of Maharshtra, Social Education Committee, British Information Service, U.S.I.S., Film Division. The films were on different subjects such as food values, sanitation, general recreation, welfare activities, house decoration, cooking, folk songs, education etc.

Scouting.—The organization had 1,454 rovers scouts and cubs and 349 bulbuls and guides on the roll during the year under report. They performed the following outstanding work :—

(1) The rovers, scouts and guides participated and performed traffic duties and maintained law and order, at the time of the several celebrations and festivals in the City. In this connection special mention may be made of the services rendered at the Prohibition Week Celebrations, Shiv Jayanti, Gandhi Jayanti, Ganpati and Gawri Visarjan, Festival of children at Metro, Poona Flood Relief work, Republic Day Celebrations, Centenary of Vihar Water Works, Vihar Lake, Inaguration function of Bombay City Social Education Week Flag Day, Coconut Day, Major Gagarins' Visit to the City, Vegetable Fruit and Flowers' show at Rajbhavan and at the meeting of All India Harijan League. The Rovers rendered services at ' Pankampa Mela ' Junagadh Ramdevia Mela Okha, and Veraval ' Santram Mela ' at Nadiad and at the places like Baroda, Nasik and Surat during religious festivals.

The Scouts and Guides organization attended and participated in the following activities in the City and elsewhere :—

(*a*) First Class Scouts-Training Classes at K. E. M. Hospital Centre.

(*b*) Firt Class Scout Camp at Shivaji Park.

(*c*) Celebrations of Scout/Guide Week.

(*d*) Assembly of Rovers, Rangers at Shivaji Park.

(*e*) West Bombay D. A. Scout/Guide Camp Fire at Robert Money School.

(*f*) Scout/Guide Rally at Shivaji Park.

(*g*) Exhibition of Scouts and Guides at Shivaji Park.

(*h*) Cub/Bulbul, Fun and Frolic at New Era School.

(*i*) Rover Leaders Training Cours at K. E. M. Hospital Welfare Centre.

(*j*) Rover Leader's Camp at Jogeshwari.

(*k*) Inter Flock Competitions at C. H. Scouts Hut at Dhobi Talao.

(*l*) Scouts and Guides Sports at Gowalia Tank.

(*m*) Rover Leaders' Training Course.
C. M. Scout Hut organized by Bharat Scouts and Guides.

(*n*) Scout Organizer attended the Fifth Far East Training Course at Panchnan.

(*o*) Scout Organizer has been awarded the charge of A. D. C. C. in addition to Rovers.

Visits of Distinguished Scouts to Scout Dean at K. E. M. Centre :—

(*a*) Shri I. S. Pande, State Commissioner, Madhaya Pradesh and Member of All India National Executive Committee, Delhi.

(2) Late Shri . YG. Kale, D.C.C., Assistant State Organizing Commissioner, Nagpur.

(3) Scouter Shri G. R. Padolina, Executive Commissioner, Far East Region Boy Scout International Bureau.

(4) Scouter Jaimes P. Narik, Scout Organizer Far East Boy Scouts World Bureau, Manik Phillipines

(5) Scouter T. Laver, Scout Commissioner, Zanzibar East, Africa.

(6) Scouter Shri Bran Kemp and Guiders, Mrs. Pam Kemp from Austrelia.

(7) Deputy Municipal Commissioner (Labour) Shri V. V. Joshi.

At the various training Camp, 50 Scouts ewere warded badges and certificates. Guests who visited " Scout Dean " appreciated models prepared by the scouts.

The Maternity Unit.—The Maternity Unit attached to the Chembur Welfare Centre continued to do useful work. The Ante-natal and Post-natal clinics at the Maternity Unit were in charge of a qualified Lady Doctor. There were 2,251 Ante-natal cases and 304 Post-natal cases, 92 confinement cases and 2,823 cases for minor ailments were treated in the Unit during the year under report.

A. A. LASANI
Ag. Labour Officer.

PUBLIC RELATIONS DEPARTMENT.

Shri N. A. Mistri, M.A., D.J., DIP. S.W., etc., Public Relations Officer continued to be in charge of the Department during the year.

The department effected general publicity about the activities and services rendered by different municipal departments and disseminated knowledge about health, hygience and civic sense amongst the citizens through all the recognised modern media of publicity such as posters, leaflets, folders, exhibitions, display of cinema slides, film shows, cleansing campaigns, talks, etc. The Public Health Department was also assisted in its drives against communicable diseases. All new amenities offered to the public were published widely through press releases. Similarly, criticism and suggestions appearing in local newspapers were brought to the notice of higher authorities by submitting a daily summary of all such news items.

Informative publications.—The Civic Guide-*cum*-Diary 1962 comprising of a guide of civic affairs and other useful information to all classes along with a diary for 1962 was published in English and Marathi. A revised edition of the booklet containing the names, addresses and telephone numbers of municipal councillors, names of members of different Committees and names of councillors representing different wards was reprinted.

Film Production.—Prouction of a new documentary film on "Health and Hygiene" departmentally has been undertaken and shooting of items to be screened is in progress.

Information Centres.—Two information centres continued to prove as useful adjuncts in giving necessary guidance and information to the public. The Public Relations officer and his Assistants also assisted the public by supplying information and guidance about civic affairs.

Other Useful Activity.—The Public Health Museum in the compound of Lokamanya Tilak Memorial, General Hospital, Sion, Civic sense gallery at Victoria and Albert Museum and display rooms at Head Office, Venereal Diseases and family planning clinics at Bellasis Road were maintained and kept open for public. Arrangements were also made to display hoardings on Civic Sense on public conveniences.

In addition to the educative propaganda regularly carried out in respect of sanitation, cleanliness, preventive immunisation against communicable diseases, an intensive campaign was launched in different localities to advise the citizens on the causes of drain chokes and how to avoid them. Special propoganda was also arranged for educating the people about observance of the provisions of the shops and establishment Act and abstaining from fouling the open spaces, streets and bye-lanes.

Table showing normal activities.

Nature of activity.	No. of film shows and Campaigns.		Approximate number of persons benefitted.	
	City.	Suburbs & Extended Suburbs.	City.	Suburbs Extended Suburbs.
Health Education Film Shows ...	345	249	1,65,670	1,78,675
Mass Vaccination Campaigns ...	76	149	12,349	16,378

Intensive Cleansing Campaigns ...	98	65	...	...
Sectional Health Exhibition ...	7	8	...	...
Attendance at the Public Health Museum ...	...	...	22,424	...

Important Celebrations.—The department participated in celebrations such as World Health Day, National Cleanliness Day, All India Children's Day, Social Education Week, Family Planing Week, Anti-T.B. Week, Ganesh festival and Navaratra Utsava. A special float was prepared for participating in celebrations of the Republic Day.

A number of exhibition stalls in different aspects of health, hygiene and sanitation, civic sense, etc., were put up independently and in co-operation with social institutions throughout Greater Bombay.

Special visits were arranged to the Public Health Museum of distinguished guests and visitors to the City and also of groups from social and medical institutions. Notable amongst the visitors were the Mayors of Tel Aviv and Nazareth, Councillors from Nairobi, students from Imphal and students from Administrative Staff College, Hyderabad. In some cases the visitors were shown various Municipal Institutions and installations and were supplied with the necessary informations and guidance on civic affairs of this Corporation.

N. A. MISTRI,

Puublic Relations Officer.

M. G. M. O. SWIMMING POOL.

Shri K. F. Golwalla, part time Manager, continued as Manager of the Swimming Pool upto 17-12-1961 when he retired from Municipal service due to superannuation. He was on leave for 42 days from 24-7-1961 to 3-9-1961. During the above period of leave of Shri Golwalla, the Head Clerk was entrusted with the additional duties of the Manager. Shri J. V. Nadkarni was appointed full time Manager from 17-12-1961.

Special facilities provided free of charge for polio crippled children for swimming on recommendation of Medical practitioners were continued during the year under report. In all 7 polio crippled children including 3 old cases availed themselves of these facilities.

The purity of water was maintained by treatment of chlorine, copper sulphate and alum. Water was filtered in the sand-bed filter attached to the Pool.

The Pool was emptied from 30-6-1961 to 5-7-1961 for cleaning purposes and was therefore closed for swimming.

The following educational institutions were allowed reservation of the Pool on concessional charge of Rs. 100 P.M. for 2 hours a week :—

(1) Christ Church High School, Byculla.
(2) Scottish Orphanage High School, Mahim.
(3) St. Mary's High School, Mazagaon.
(4) Sarla Sarjan High School, Vile Parle.

The Marine Engineering Training Authorities reserved the Pool on usual fees for their trainees during the major portion of the year on alternate Fridays.

The Pool was reserved by private parties for 281 hours and by Film producers for 15 hours and the income therefrom was Rs. 7,365.

Sports and Functions.

Attractive swimming galas and meets provided competitions for many swimmers awaiting the opening of the swimming season. The first of these was held on 27-4-1961 being the IX Anniversary day of the M. G. M. O. Swimming Pool. The honours went to the following for winning the Trophies :—

(1) Shri Y. R. Shetty ... Won the His Excellency Raja Maharaj Singh Challenge Trophy for men.
(2) Smt. Freny S. Mistry ... Won Shri N. V. Modak Challenge Shield for women.
(3) Shri A. D. Vaidya ... Won Shri S. H. Bhagwati Diving Championship Cup for men.

The Swimming Gala provided wide publicity to the Pool and a good number of new members joined the Pool.

The other aquatic functions held at the Pool were :—

(*a*) The Central Railway Swimming Competitions on 25th and 26th May 1961.
(*b*) The Bombay University Inter Collegiate Competitions on 7th and 10th September 1961.
(*c*) The Maharashtra State Aquatic Association's Junior and Senior Championship on 1st and 4th June 1961.

The Pool was given free of charge to the Maharashtra State Aquatic Association and the University of Bombay as was done in the past.

The Water Polo league Tournament for the Trophy donated by Shri K. F. Golwalla in memory of the late Mrs. Avan K. Golwalla was played in March 1962 and the M. G. M. O. Swimming Pool Water Polo Team won the Trophy for the first time in the year 1961-62.

The Annual Long Distance Open Sea Race from Dadar Beach to Bandra point and back covering a distance of about 2½ miles was held on 4-3-1962. This race was open for the members of the Pool. The men's race was won by Shri M. S. Bhullar and Women's race was won by Smt. K. B. Bam.

Prizes were awarded to the winners by Shri V. V. Joshi, Dy. Municipal Commissioner (Labour).

8 Members of the Pool were included in the Bombay Aquatic Team for the National Championship held at New Delhi in October 1961.

Visitors.

Mr. Paul Hait, member of the 1960 U.S.A. Olympic Swimming Team for Rome and a Gold Medalist visited the Pool on 1-5-1961 and expressed satisfaction at the maintenance of the Pool.

Mr. M. Melanefy, Inspector of Physical Education in England visited the Pool in August 1961 and was especially pleased with the crystal clear quality of water of the Pool.

Accidents.

It was with great regret that we had to record the death on 23-4-1961 of Shri Omarali Batliwala aged 19 who entered the Pool in the labour class as casual swimmer. There was another case of drowning of Shri Usman aged 18 on 6-5-1961 during the private reservation of the Pool for swimming, made by Central Railway Institute, Byculla.

Revenue.

Collection of fees, etc., during the year under report was Rs. 1,41,065 as against Rs. 1,61,557 which included Rs. 34,376 by adjustment of old accounts prior to 1955.

J. V. NADKARNI,

Manager,
M. G. M. O. Swimming Pool.

ORGANIZATION AND METHODS DIVISION

Shri K. U. Mehta, B.A. (Hons.), 'Kovid' was in charge of the Division which works as a part of the Municipal Commissioner's Office.

The Division was mainly busy with the supervision of Office Procedure in which the principal objectives sought to be achieved are :

(*i*) Maintenance of complete and impartial check over—
(*a*) every communication from receipt, through all stages, to disposal, and

(*b*) every communication started by the Office itself.

(*ii*) Cutting down delays.

(*iii*) Assessment of arrears.

(*iv*) Assessment of total period required for final disposal and

(*v*) Equitable distribution of work-load.

The other major duties entrusted to the Division are :—

(*i*) Preparation of a Manual for the Primary Education Department.

(*ii*) Standardisation of Forms of all Municipal Departments.

(*iii*) Reorganization of Record Branches.

Administrative training to Municipal staff started in the previous year was postponed during the year under report.

K. U. MEHTA,

Organization & Methods Officer

Administrative Officer (Enquiries) Department.

Shri N. V. Naik, G.D.A., was in charge of the Department upto 17-9-1961. Shri G. W. Shiveshwarkar, Supdt. of Police, whose services were loaned to the Bombay Municipal Corporation by the Government of Maharashtra was appointed as Officer on Special Duty by holding in abeyance the post of Administrative Officer (Enquiries) from 18-9-1961 and he remained in charge of the Department during the remaining part of the year under report.

The Department functions in two wings *viz.* (1) Enquiries and (2) Stock Verification.

During the year under review, the Enquuiries section has done the following work.

Details of work.		No. of cases dealt with.
(1) Investigation of :		
(*a*) Cases of alleged acceptance of illegal gratification by Municipal staff	...	26
(*b*) Cases of theft or pilferage of Municipal property or materials	...	96
(*c*) Cases of irregulairties of serious nature on the part of Municipal employees such as misconduct, misbehaviour, rude behaviour and assaults, harassment to patients in the hospital, participation in political activities, taking leave on false pretext, driving or allowing to drive Municipal vehicles by unauthorised persons, etc.	...	295
(*d*) Cases of irregularities of ordinary nature on the part of Municipal employees, such as irregular attendance, subletting of rooms, harbouring outsiders in their rooms without permission, etc., and complaints against stall holders, licensees, land-lords and others re : subletting of stalls, infringement of licence conditions, breach of provisions of Shops and Estt. Act, Municipal bye-laws and regulations, etc.	...	464
Total number of cases investigated	...	881
The action taken in the above 881 cases investigated, can be summarised as under :—		
(*i*) Dismissal	...	9
(*ii*) Removal from Service	...	21
(*iii*) Termination of Services	...	1
(*iv*) Resignation accepted	...	1
(*v*) Debarring from promotions	...	1
(*vi*) Withholding of increments	...	79
(*vii*) Fines imposed	...	38
(*viii*) Warnings	...	82
(*ix*) Recoveries made for loss to Municipal property	...	13
(*x*) Sent to Departments concerned for necessary action	...	247
(*xi*) Filed as the allegations were found to be either false, malicious or too vague	...	203
(*xii*) Enquiries in progress	...	186
		881

Other work done by the Enquiries Section.

Details of work.		No. of cases.
(*i*) Surprise visits to places of Municipal Works in progress and to various offices for checking of musters, account of materials, etc.	...	126
(*ii*) Attending sale of Municipal property or sale of rights, etc.	...	76
(*iii*) Disposal of cases of Misc. nature such as cases referred to by Deptts. for advice in cases of minor misconduct, representations from employees, advice on procedural matters, re : departmental enquiries, etc.	...	3256

Stock Verification.

The Work done by the stock verification section can be summarised as under :—

(*i*) No. of offices, sub-offices, stores, chowkies, etc. visited for stock verification	...	251
(*ii*) No. of schools visited for stock verification	...	342
(*iii*) No. of furniture and equipment proposals scrutinised	...	82
(*iv*) No. of proposals for furnishing securities by Municipal employees, grant of Season Tickets, etc., scrutinised	...	27
(*v*) No. of proposals for issue of clothing and uniform, etc. to different categories of Municipal employees scrutinised	...	45
(*vi*) No. of proposals for writing off unserviceable articles lying in various offices and schools	...	364
(*vii*) Surprise visits paid to contract and Departmental Works for checking stock of cement		510
(*viii*) Sales of waste paper, etc. and sale of rights, etc., attended	...	215
(*ix*) Verification of recoveries on account of stores, etc. from P. F. Claims	...	262
(*x*) Scrutiny of audit note replies	...	185
(*xi*) Plant and Machinery statements verified	...	24
(*xii*) Telephone proposals	...	112

Besides, verification of Reserve Stores including Capital Stores at the Central Stores and Sub-Depots was carried out during the year as usual. Periodical checking of balances of petrol, diesel oil, etc. at the various pumps was also done and quarterly live stock statements of bullocks as well as increase and decrease statements of animals at Victoria Gardens were verified. A Special programme for thorough checking of the unserviceable articles needlessly occupying considerable space in Municipal schools was chalked out. 385 schools were visited and unserviceable articles lying there were removed to Central Stores for disposal. During the year under report, detailed checking of stores, sparae parts and store accounts was also carried out at Santacruz and other garages of Transport Department in Suburbs and Extended Suburbs. This Section also helped the Enquiries Section for keeping a watch, etc., at different places and times for detection of malpractices.

The other important work attended to by this Section was the distribution of Relief from Mayor's Relief Fund to the persons and families affected by fire, house collapses and other natural calamities.

THE BOMBAY CIVIC JOURNAL

During the year under report, Smt. L. Ugrankar, managed the work of the entire department.

'The Bombay Civic Journal' completed 8 years in March 1962.

Besides the Annual Number published in April 1961, special numbers such as Independence Day and Republic Day numbers were brought out in August 1961 and January 1962 respectively. In addition to this, the September and November 1961 and February and March 1962, issues were devoted to specific topics. Articles contributed by Heads of Departments were presented in the journal.

Circulars were issued to Heads of Departments requesting them to give municipal advertisements in the 'Civic Journal.' to which some departments have responded.

In order to reduce the gap between expenditure and income, the cost of production of journal as well as establishment cost of the department have been reduced to a considerable extent.

Thus, while striving to effect economy and make the Department self-supporting to the extent possible, every effort is being made to enhance the appeal and utility of the journal to the general public without departing from the chief objective of the Journal, which is the promotion of civic enlightenment.

SUMMARY OF STATISTICS

FOR THE YEAR 1961

1.	Area of Bombay City and Island	...	26.189 sq. miles (16,751 42 acres).
2.	Density of Population per acre	...	165
3.	Populatin — Census of 1961	...	27,71,933
	Populatin — Mid-year estimated	...	27,87,000
4.	Total live births registered	...	74,706
5.	Birth rate per 1,000 population — Census of 1961	...	26.9
	Birth rate per 1,000 population — Mid-year estimated	...	26.8
6.	Total deaths	...	32,506
7.	Death rate per 1,000 population — Census 1961	...	11.7
	Death rate per 1,000 population — Mid-year estimated	...	11.7
8.	Total deaths among infants (under 1 year)	...	8,452
9.	Infant deaths per 1,000 live-births	...	113.1
10.	Maternal deaths		121
11.	Maternal death rate per 1,000 births (including still births)	...	1.6
12.	Maternal death-rate per 1,000 live births	...	1.6
13.	Still-births	...	3,094
14.	Plague—deaths	...	*Nil*
15.	Cholera — Deaths	...	*Nil*
	Cholera — Death-rate	...	0.0
16.	Smallpox — Deaths	...	1,192
	Smallpox — Death-rate	...	0.4
17.	Influenza — Deaths	...	17
	Influenza — Death-rate	...	0.01
18.	Tuberculosis — Deaths	...	2,303
	Tuberculosis — Death-rate	...	0.8
19.	Acute Anterior Poliomyelitis — Deaths	...	26
	Acute Anterior Poliomyelitis — Death-rate	...	0.01
20.	Diphtheria — Deaths	...	91
	Diphtheria — Death-rate	...	0.03
21.	Typhoid — Deaths	...	107
	Typhoid — Death-rate	...	0.04

ANNUAL TOTAL DEATHS
FROM DIFFERENT CAUSES IN BOMBAY CITY
1926-1961

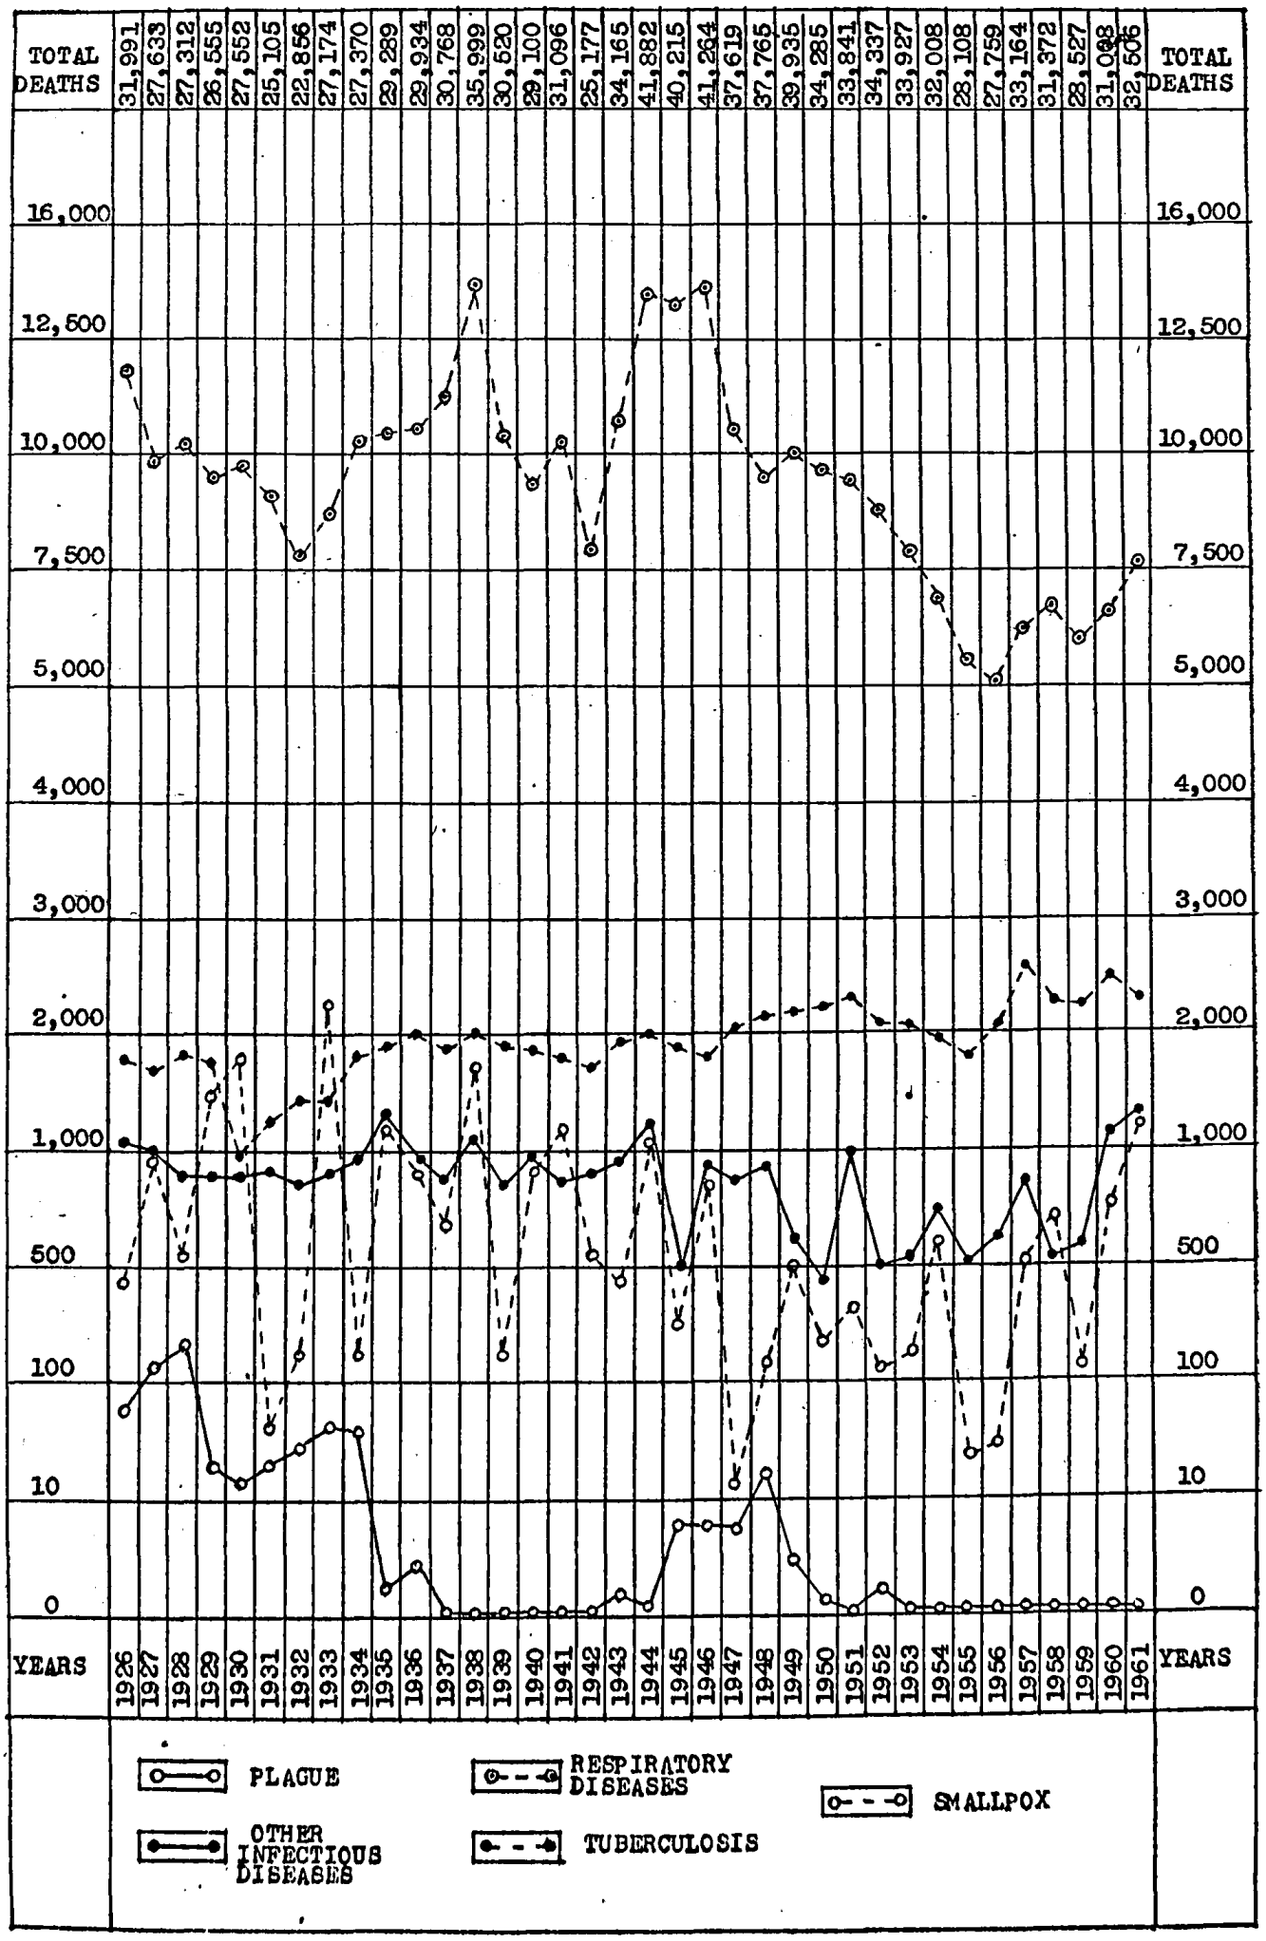

DIAGRAM A-2

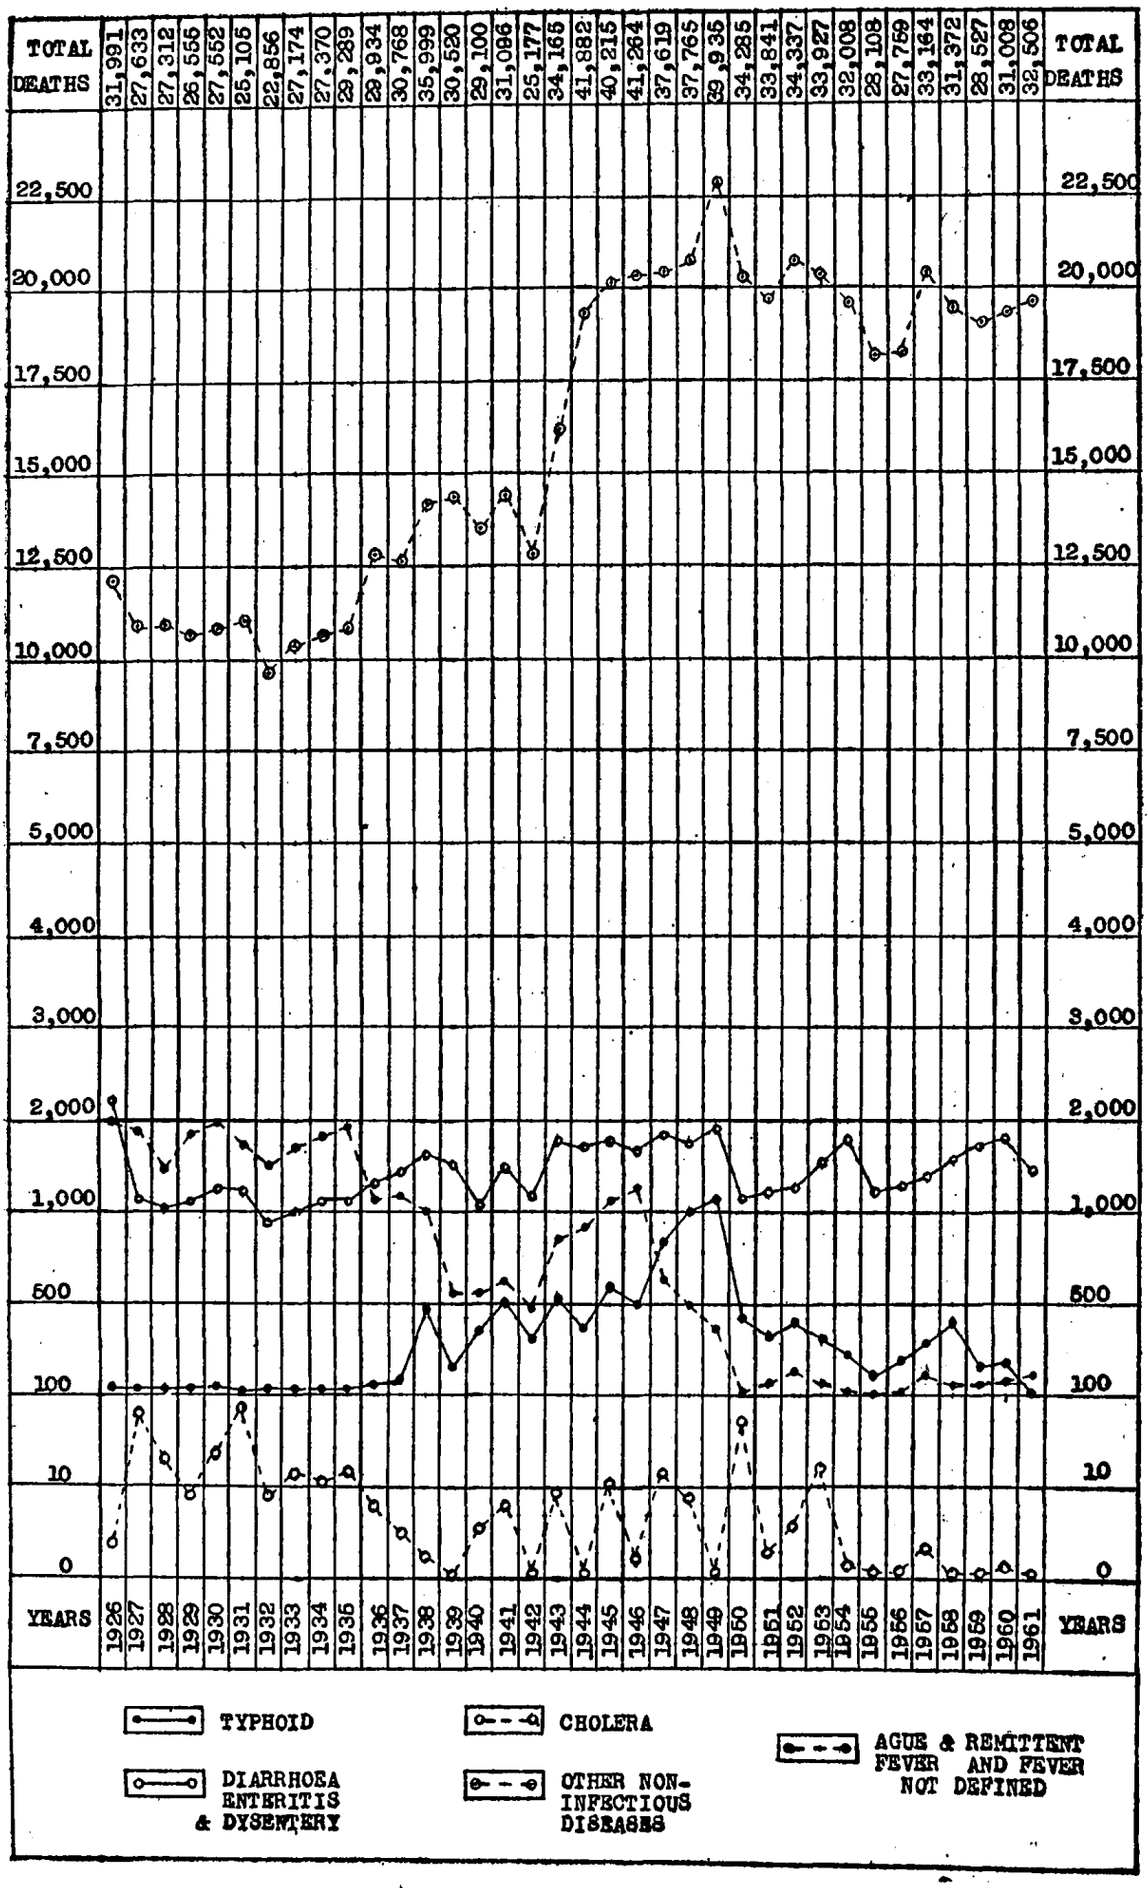
ANNUAL TOTAL DEATHS
FROM DIFFERENT CAUSES IN BOMBAY CITY
1926-1961



Annual Report of the Executive Health Officer for the year 1961.

Dr. R. B. Fondekar, M.B.,B.S., B.Hy., continued to hold the post of the Executive Health Officer throughout the year.

Population.—The decennial census enumeration of 1961 was completed and the population of the city was 27,71,933.

The population figure for the city *viz.*, 27,87,000 as per the mid-year estimated populati on of 1961 has been taken as the basis for rates for vital statistics in this respect.

The ninth quinquennial livestock census operations of Greater Bombay was entrusted to the Bombay Municipal Corporation by the State Government. The census operation was started on the 10th March 1961 and completed on 14th April 1961. The Deputy Executive Health Officer, Dr. D. V. Parulekar, M.B.,B.S., D.Ph. was appointed as charge officer for these operations.

Meteorology.—Meteorological data for the year is given in table 3.

Rainfall.—The total rainfall in millimeters recorded at the Colaba Observatory was 2206.1. It was above normal by 397.3 millimeters. It rained on 130 days as against 112 in 1960 and 116 days in 1959. The wettest month of the year was July, with a rainfall of 1109.8 mm.

PUBLIC HEALTH ADMINISTRATION

(1) **General Sanitation.**—This includes inspection and statutory actions in relation to dwellings and their environs and also the licensable trades, to remedy sanitary defects so as to obviate nuisance in whatever nature they exist.

For this purpose, the city is divided into 7 wards A to G, which are sub-divided into groups each under one of the 18 Medical Inspectors. The latter are further sub-divided into 51 sections, each in the charge of a Medical Assistant or a Sanitary Inspector. These 51 sections are grouped to form 10 registration districts, each being in the charge of a Medical Inspector for the registration of births and deaths.

(2) **Food Sanitation.**—This includes enforcement of sanitation and hygiene in food establishments and hawkers in edibles by adopting measures for destruction of unwholesome and exposed food articles.

Food Adulteration.—Since the Prevention of Food Adulteration Act, 1954, came into force in 1955 sampling of food has become more elaborate than before in the procedure prescribed for it. In addition to the usual staff of Food Inspectors, a mobile squad for surprise sampling with swiftness has been at work to control food adulteration through sampling.

(3) **Registration of vital statistics.**—The registration of births and deaths in the city has been very nearly complete as in the previous years. Live births registered during the year numbered 74,706 and deaths registered during the year numbered 32,506 giving a natural increase of 42,200 persons in the population. Morbidity registration pertained chiefly to the 17 notifiable diseases, prominent among which were Smallpox, Enteric Fever and Diphtheria. The extent of incidence and mortality of these diseases are given later in this report.

(4) **Control of communicable diseases.**—The measures adopted for the prevention of diseases such as Small-pox, etc., included isolation and treatment, contact and mass immunization and health education of the masses.

The incidence of Smallpox was high during the 1st four months of the year. The measures adopted for controlling the incidence are given in detail at " 4 (B) Vaccination " of this report.

Cases of infectious diseases (except tuberculosis, venereal diseases and leprosy) were isolated and treated at the Kasturba Hospital for Infectious Diseases at Arthur Road, which is under a Medical Superintendent. The staff was duly supplemented from time to time when the increase in the number of patients demanded it. The Honorary staff of the hospital rendered valuable service whenever needed.

Cases of *Tuberculosis* were treated at the Municipal Group of Hospitals for Tuberculosis at Sewri and at the Sarvodaya Hospital, Ghatkopar. Advanced cases of T. B. were treated at the Ramkunwar Daphtary Isolation Hospital at Dadar. Admissions to these hospitals were regulated by maintaining a waiting list at the Out-patients Department of the hospital and at the T. B. Clinics. Out-patients were also treated at the clinics at Princess Street, Foras Road, Dadar and Khar.

Venereal Diseases cases were treated at the special clinic at Bellasis Road.

The infectious cases of Leprosy detected at the Municipal Free Dispensaries were directed for thorough examination and treatment at the clinic of the Acworth Leprosy Home, Wadala. The non-infectious cases were treated at the dispensaries.

The *anti-malaria* and *insecticidal services* were carried out by the Insecticide Branch.

Primary vaccination and **re-vaccination** against small-pox were carried out under the direction of the Superintendent of Vaccination.

Immunization against Smallpox, Cholera, Enteric Fever and Plague was carried out at the Municipal Free Dispensaries. This included immunization for the purposes of International Travel as prescribed by the W. H. O. Immunization with P.T.A.P. (for Diphtheria) A.T.S. (for Tetanus) and Triple vaccine (for Diphtheria Whooping Cough and Tetanus) was carried out at certain Dispensaries. Immunization of the Municipal school children as also of the contacts and of general public was carried out in the field.

(5) HYGIENE

Maternity and Child Welfare.—Ante-natal care, care at birth, care during infant and preschool life was rendered through the 6 Municipal Maternity Homes under the charge of six Lady Medical Officers, with a staff of 38 Nurses and 26 Health Visitors. The Medical Officers conducted the main clinics at the respective Homes and 10 subsidiary clinics. The maternity unit at Dharavi was in the charge of two trained health visitors under the guidance of one of the medical officers.

Family Planning.—Instruction and advice in spacing of births were given at the 22 family planning clinics, including 2 centres at the King Edward Memorial Hospital and Bai Yamunabai L. Nair Charitable Hospital, started under the aid received from the Government of India. The Supervising Medical Officer (Maternity) supervised these activities. The operative procedures for family planning are done at the larger Municipal Hospitals on a voluntary basis only.

P. T. A. P.—Arrangements have been made to inoculate children aged 6 months to 5 years, with P. T. A. P. antigen against Diphtheria at post-natal clinics at the 6 Maternity homes.

B. C. G.—B. C. G. Vaccination was given to new-born babies with the consent of the mothers at the 6 Municipal maternity homes. It was also implemented in Municipal schools by Government B. C. G. Vaccination Team from 4th December 1961.

Triple Vaccine.—Triple vaccine is given at the 8 Municipal General Dispensaries and 6 Municipal Maternity Homes.

Well Baby Clinics.—The clinics were conducted at two Municipal Maternity Homes.

Paediatric centres were started at the 3 Municipal Maternity Homes in the city since July 1961, to impart instructions to the mothers regarding hygienic care of children and treatment of diseases, peculiar to them, where infants and toddlers upto the age of 6 years were admitted. The services such as free milk, health and nutrition talks, home visits by the public health nurses, keeping a complete record of child's month to month progress, suitable treatment for any abnormality or deformity were rendered at these clinics.

School Health Work.

(*a*) *Medical services.*—Out of about 2,47,872 pupils in the Municipal Schools, 39,221 were examined and of them 31,584 were found to have one or more physical ailments. Arrangements to treat 14,354 pupils were made in the school clinic at the King Edward Memorial Hospital.

(*b*) *Milk feed.*—52,130 certified undernourished children were given free toned milk feed of 6 ozs. each during the year under reference.

(*c*) *Free milk powder scheme.*—Powder milk donated by the Lions Club of Bombay was given to the pupils from the Colaba group of Schools who were not covered under the Milk Scheme.

(6) **Municipal Laboratory.**—The analysis of samples of food, Municipal water supply and of clinical specimens was carried out in the Municipal Laboratory in charge of the Municipal Analyst. 38,349 samples were examined during the year chemically, bacteriologically and clinically. Prosecutions were launched in 6,478 cases under the Prevention of Food Adulteration Act, 1954, in respect of the food samples found adulterated.

(7) **Medical Relief.**—Medical Relief was administered through 27 free dispensaries (two Ayurvedic) under 28 Medical Assistants and one Ayurvedic Vaidya, one Mobile Dispensary Unit, 6 Dispensaries for women and children under 3 part-time Lady Doctors, 1 Eye Hospital and an Eye Dispensary under 2 Honorary Surgeons and one Senior Nurse.

The number of new cases treated at the General Dispensaries, etc., was 6,03,278. The total attendance was 23,79 ,160. The figures at Dispensaries for Women and Children, were 4,789 and 31,787 respectively.

There were 374 indoor patients treated at the Eye Hospital while 13,874 cases were treated at the Eye Dispensary.

In 13 out of 27 dispensaries, arrangements were made for carrying our active immunization against Diphtheria with P. T. A. P., of children below 10 years of age. Anti Tetanus injections were also given at these 13 dispensaries.

(8) **Health Education.**—This was carried out by the Public Relations Officer, through all modern publicity media. The details are mentioned in that officer's report.

(1) GENERAL SANITATION

Sanitary condition of the city was, on the whole, satisfactory throughout the year. Insanitation where detected, was interalia, due to bad habits of citizens, neglect of landlords to maintain their premises in a clean and sanitary condition, high density of houses and persons per acre, insanitary dwelling such as huts and practical difficulties such as absence of proper access, transport difficulties, etc., in the way of rendering adequate conservancy services, both as regards the removal and disposal of refuse and also comparative shortage of water supply.

Grading of Eating Houses.—The scheme for grading of Eating Houses has been introduced. The scheme contemplates improvement of sanitaty etc., conditions obtaining in Eating Houses, by setting competition amongst the licensees. Grades I, II or III are determined on the basis of marks secured out of 100 allotted for the observance of the conditions of the Eating House licence and the grade allotted to an Eating House is required to be exhibited at a conspicuous place at the entrance of the Eating House, in the prescribed proforma. Eating Houses securing less than 35 marks are not allotted any grade. Such Eating Houses are not allowed to be licensed and they come under prosecution till either they improve the condition or vacate.

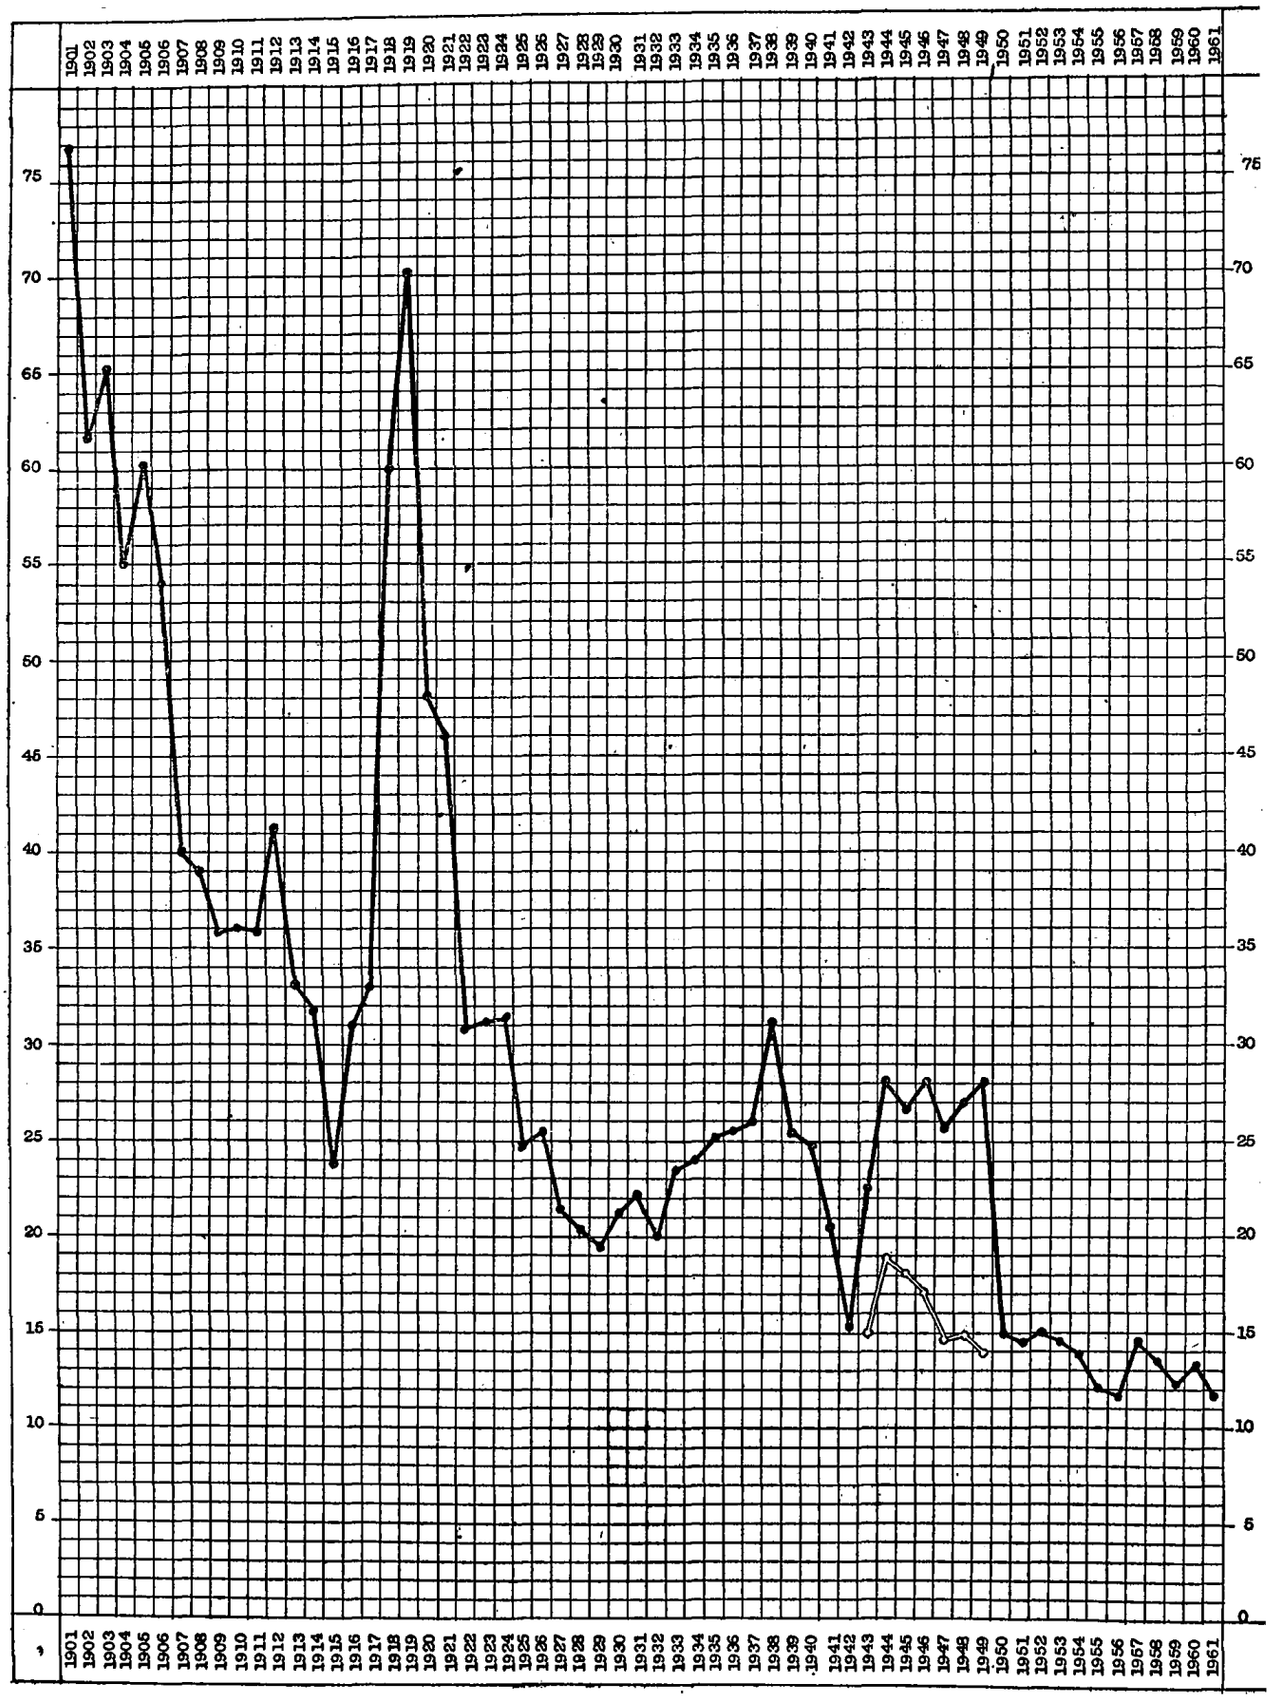
Water supply.—The City continued to receive chlorinated water supply. Apart from occasional complaints from individuals as regards unwholesome water supply at certain points of the distribution system breaches were noticed or suspected in pipe lines in certain localities which were got repaired promptly. Constant check of the quality of the water supply and dosage of chlorine was exercised through systematic sampling and analysis of water at various points in the supply and distribution system.

Drainage.—A greater part of the Mahim area in Bombay city is covered in three Town Planning Schemes. Sewers have been laid in a major portion of it.

DIAGRAM B

ANNUAL DEATH RATE IN BOMBAY CITY

(1901-1961)



CENSUS POPULATION (1961) : 27,71,730

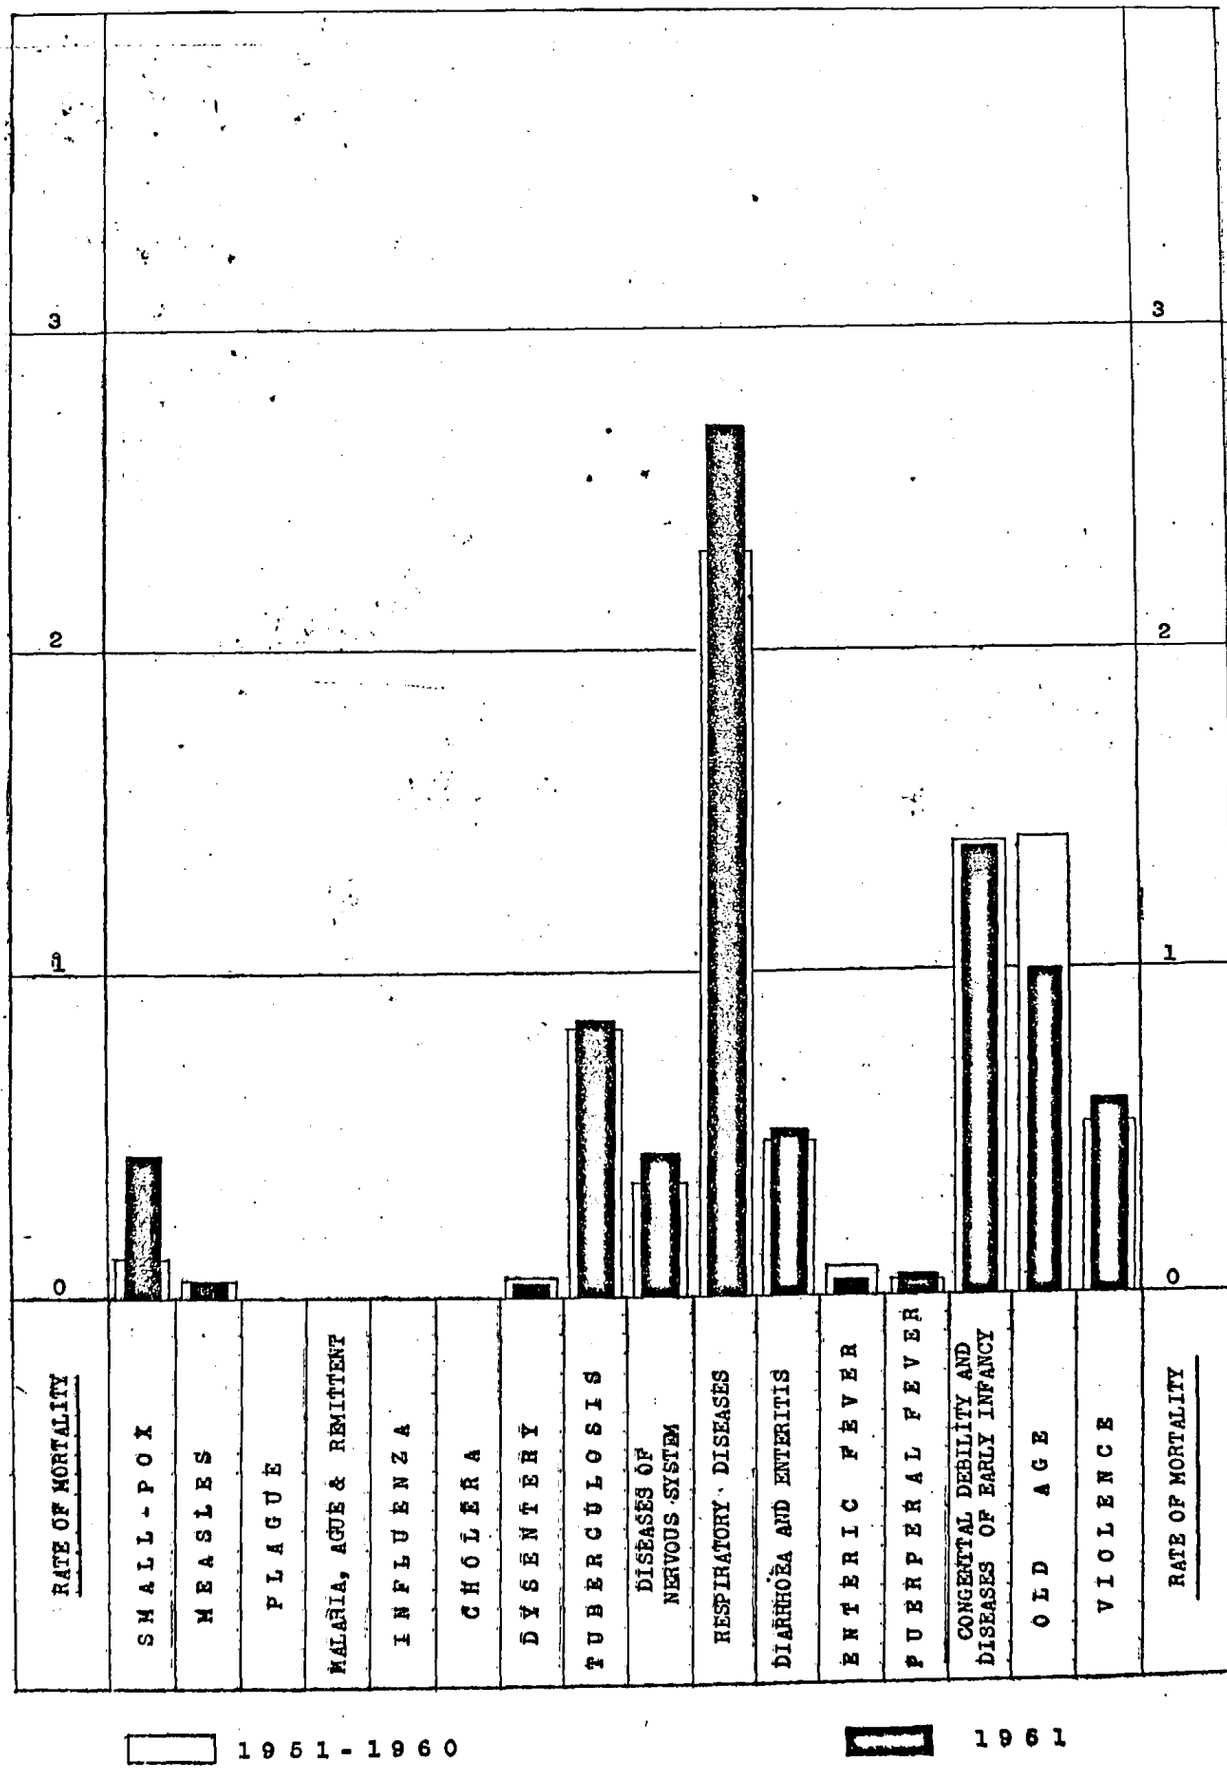
RATIONING POPULATION BEGINNING OF 1960 : 27,71,282

RATE ON CENSUS POPULATION

RATE ON RATIONING POPULATION

DIAGRAM C

DEATH RATE PER 1000 POPULATION FROM PRINCIPAL CAUSES IN BOMBAY CITY IN 1961 AND THE DECENNIAL AVERAGE 1951-1960



Sanitary control of dwellings.—The routine inspection of dwellings for detection of sanitary defects was made by the Sanitary Inspectors, Medical Assistants and Medical Inspectors under the general supervision of the Assistant Health Officers. During the year 625 insanitary huts were demolished or vacated.

Sanitary inspection.—Details are given in table 4. Slum areas continued to receive special attention so far as sanitary measures in general were concerned. However, with the passing of the amendment of the Bombay Municipal Corporation Act about the middle of 1954, regarding slum clearance, particular attention was paid by the Municipal Engineering Department to slum clearance schemes.

(2) FOOD SANITATION

(*i*) A statement regarding the work of enforcement of milk sanitation is given in table 5.

(*ii*) Particulars regarding the destruction of unwholesome food are given in table 6.

(*iii*) Statements regarding statutory notices and court cases are given in tables 7 and 8 respectively.

(3) VITAL STATISTICS

(A) **Births and Birth-rate.**—The live births registered during the year were 74,706 which were 3,662 more than in 1960 and 8,102 above the average of the decennium 1951-1960. Of the registered births, 38,198 were males and 36,508 females, giving a proportion of 104.6 males to 100 females. The birth rate was 26.8 per 1,000 of the mid year estimated population. Details are given in tables 2,9,10,11,12 and 13.

The number of still-births reported was 3,094 or 4.1 per cent. of live births.

(B) **Deaths and Death rate.**—The total number of deaths registered from all causes was 32,506 as against 31,008 in 1960, being 1,101 more than the annual average mortality of the preceding 10 years, and 2,140 more than the mean mortality of the preceding 5 years.

The death-rate per 1,000 of the mid year estimated population was 11.7. Twenty-six per cent. of the total deaths were among infants below 12 months. Out of these, 43.5 per cent. were recorded as due to congenital debility or premature births or malformation, etc.

The annual number of total deaths from different causes in the city since 1926 is plotted in graph A, facing page 1. Death-rates are shown in diagram B, facing page 2.

(C) **Mortality by sex and age.**—Of the 32,506 deaths, 18,362 were among males and 14,144 among females. The excess of deaths among males may be ascribed to the slight preponderance of males in the population, their number being nearly 61. 5 per cent. of the total population. The death rate among females was, however, actually higher than that among males. The male death-rate was 10.8 and the female 13.3 as against 11.9 and 15.8 respectively in 1960 (*vide* tables 14,15 and 16).

(D) **Principal causes of deaths.** are given in table 17.

It will be seen from the diagram C (facing page 3) that diseases of the respiratory system claimed the highest number of deaths as in the past with a death-rate of 2.7 per 1,000 of the mid-year estimated population. A large proportion of deaths from respiratory diseases occurred among infants and children under 5 years of age. The causes coming next on the list for the year were 'congenital debility' and 'diseases of early infancy' (1.4), old-age (1.0) and tuberculosis (0.8).

(E) **Ascertainment of causes** of deaths are given in table 18.

(F) **Mortality by months** is given in tables 19 and 20.

(G) **Details** of mortality by sections, etc., are given in tables 21,22 and 23.

(H) **Copies of birth and death registry Issued.**—During the year 16,559 copies of registry of births and 19,184 copies of registry of deaths were issued. The total fees received for copies of certificates, for searches of birth and death registers for various periods and for producing records in courts of law, amounted to Rs. 89,578.18 as against Rs. 66,305.04 nP. in 1960.

(I) **Infant Mortality.**—(*a*) Deaths among infants under one year of age numbered 8,452 which was 700 more than in the preceding year and 141 more than the annual average of the previous decennium. The infant mortality rate for the year was 113.1 per thousand of live births as against 109.1 in 1960.

(*b*) Of the 8,452 infant deaths, 7,767 *i.e.* 91.9 per cent were among the infants born in the city and 685 *i.e.* 8.1 per cent were among those born out side the city *vide* table 24. The births of these 685 infants were naturally not registered in the city birth registry. Excluding these 685 deaths, the infant mortality rate would be 103.9. How much of this reduction in the rate could be set off against the deaths of infants occurring outside the city, though born and registered in the city, cannot be estimated. But in the absence of any specific cause of evidence of emigration, the number must be small, and, therefore, the infant death-rate after correction for residence would not be much above 103.9 *i.e.* 9.4. less than the recorded rate of 113.1.

Diagram, D facing page 4, shows the trend of infant mortality rate in this city during the last 80 years.

(*c*) **Causes.**—It will be seen from tables 25 and 26 that 6,430 or nearly 76.0 per cent of the total infant deaths were due collectively to diseases of the respiratory system, infantile debility and premature births, as against 5,625 deaths or 72.6 per cent in 1960. Diarrhoea and Enteritis caused 793 deaths, Ague and Remittent Fever and FeverNot Defined 31 deaths and Convulsions caused 77 deaths. Deaths from Small-pox and Measles numbered 184 and 40 respectively, while Poliomyelitis caused 4 deaths.

(*d*) **Quinquenial averages.**—Compared with the annual average of the preceding five years, the total deaths among infants in 1961 were 734 more. An increase of 102, 167 and 544 was, however, recorded respectively under Smallpox, Infantile debility and malformation including Premature births, and diseases of the respiratory system, respectively, *vide* table 27.

(*e*) **Age at Death.**—The infant deaths in the first week of life were 2,437 or 28.8 per cent and in the age-period 1 to 4 weeks, 1,335 or 15.8 per cent of total. Thus, 3,772 infant deaths or 44.6 per cent, of the total number occurred in the first month of life. In the next two age-groups, *viz.* 4 weeks to 6 months and 6 to 12 months, the infant deaths numbered 2,435 and 2,245 respectively consituting 28.8 per cent and 26.6 per cent of the entire infant mortality (*vide* table 26). For neo-natal death-rate, see tables 28.

(*f*) **Infant mortality by months** : See tables 29, 30 and 31.

(*j*) **Maternal Mortality Rate:** This rate was 1.6 as against 1.5 in the previous year. Deaths in puerperal state by causes are given in table 32.

(4) CONTROL OF COMMUNICABLE DISEASES

(*a*) *Notification.*—The total number of notifications of infectious diseases received during the year was 6,935 as against 12,982 in 1960 (*vide* table 33). Of these 6,819 (98,3 per cent) were from the District Registrars and 116 (1.7 per cent.) were from the medical practitioners.

(*b*) **Plague** was absent during the year.

Anti-Plague Measures : Rat Destruction.—The total number of rats caught and destroyed in Greater Bombay during the year was 4,33,390 (including 1,19,120 Rattus Rattus and 1,78,447 Gunnomys Kok) as against 8,42,657 in 1960. No rat was found plague-infected, *vide* table 34.

Susceptibility of rats to plague.—The Haffkine Institute reported that the susceptibility of rats to plague was as below: —

R. Rattus :	... 8.3 per cent.	...	susceptible.
Gunnomys Kok :	... 73.7 per cent.	...	Do.

Other anti-plague measures *viz.* (*ii*) Flea destruction, especially through D. D. T. dusting of rat-holes and D. D. T. spraying of houses etc., and (*iii*) thorough cleansing of areas were also carried out.

(*c*) **Smallpox** breaks out in an epidemic form every 3 and 5 years in Bombay, most probably due to the influx of unprotected population into the city from the mofussil areas and also due to the fact that re-vaccination is not compulsory and the primary vaccination does not render lifelong protection. Smallpox caused 2,759 attacks (including 56 originating in other local areas of India) and 1,192 deaths (*vide* table 35.)

(*d*) **Cholera** was absent during the year. Preventive measures including food sanitation campaigns were continued. 27,216 persons were inoculated against cholera.

(*e*) **Influenza** was recorded as the cause of 17 deaths as against 24 in 1960 and the annual average 28 for the preceding decennium.

(*f*) **Enteric Fever.**—The number of notified cases *viz.*, 704 (including 34 originating in other local areas of India) was 2,615 less than that in 1960. The total number of deaths was 107 as against 219 in 1960. The case mortality rate was 6.6 *vide* tables 37 and 38. 2,89,044 persons were inoculated with T. A. B. Vaccine. House to House and room to room T. A. B. inoculations were carried out. Other preventive measures, including D. D. T. spraying as an antifly measure, surprise inspection of food establishments, etc., destruction of unwholesome foodstuffs, propaganda, etc., were carried out as usual, besides treating all cases of typhoid with chloramphenicol, etc. at the Kasturba Hospital for Infectious Diseases at Arthur Road.

(*g*) **Acute anterior poliomyelitis** caused 121 cases, (17 originating in other local areas of India and, 2 imported) and 26 deaths.

(*h*) **Diphtheria.**—1,488 cases were notified (*vide* table 36). Of these, 102 originated in other local areas of India and 91 cases proved fatal.

(*i*) **Cerebro-spinal meningitis.**—Two cases were reported, one proving fatal, as against four fatal cases during 1960.

(*j*) Tuberculosis took a toll of 2,303 lives and the death-rate of tuberculosis was 0.8 per 1,000 of mid-year estimated population, *vide* tables 39 and 40.

The sputum examination of specimens sent by the medical practitioners was done free of charge at the Municipal Laboratory.

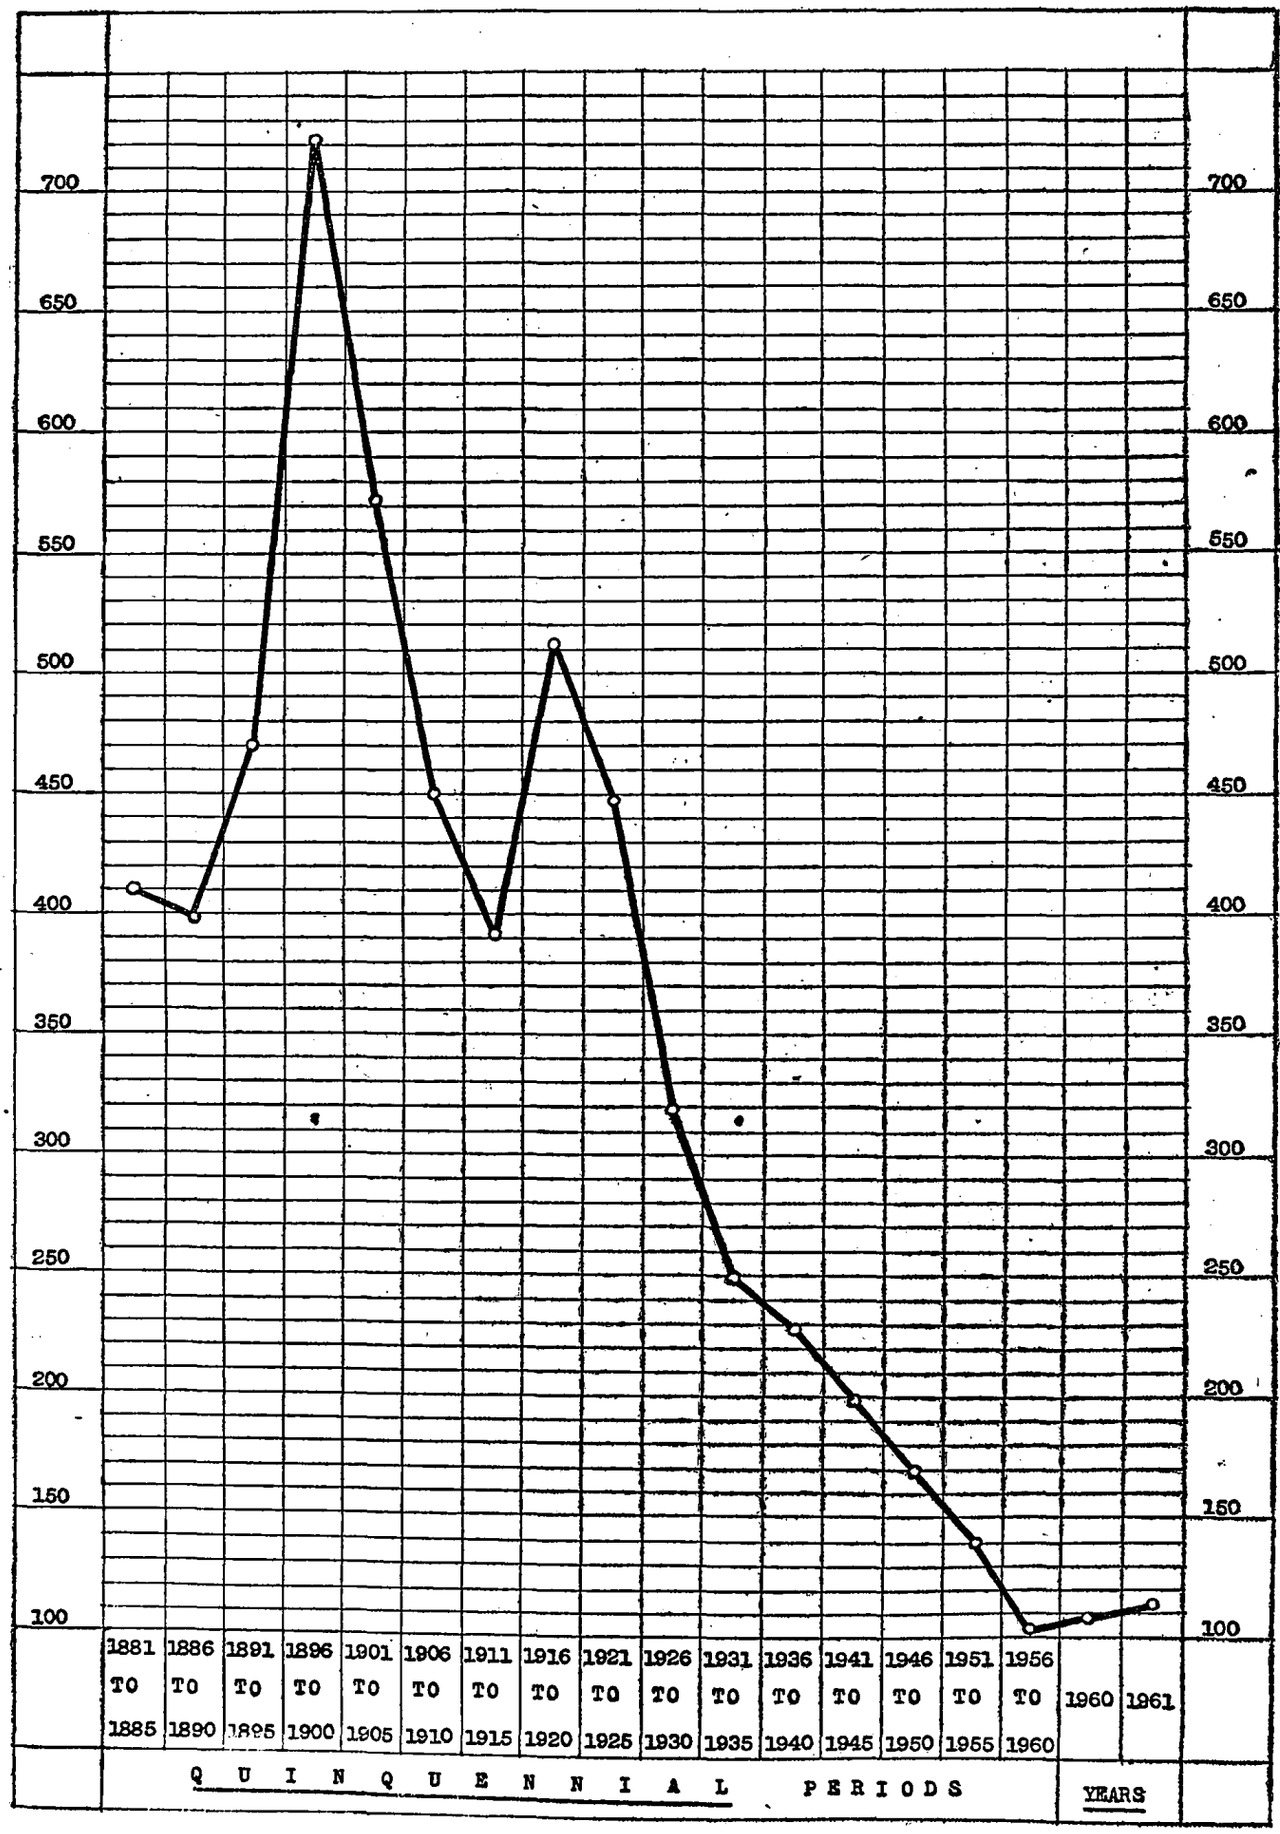
Cases of tuberculosis were admitted to the Municipal Group of Hospitals for Tuberculosis at Sewri which has an accommodation for 458 in-patients besides 200 beds are reserved by the Bombay Municipal Corporation at the Sarvodaya Hospital, Ghatkopar. The cases directed by the 3 clinics were admitted as per the waiting list maintained at the hospital outdoor after examination by the honoraries. A.P. and P.P. refills and screening were done at the hospital and at the clinics at Princess Street, Foras Road, Dadar and Khar. Advanced cases of T. B. are isolated at the 88 bedded Daftary Municipal Isolation Wards at Dadar.

(*k*) *Venereal Diseases.*—The Municipal Venereal Diseases Clinic, 254, Bellasis Road.

(l) **Prophylaxis.**—The prophylactic centre at this clinic was kept open day and night while the centre at Foras Road was kept open from 6-30 P. M. to 2-30 A. M. every day. Periodical exhibition of instructive and educative films was arranged at this clinic for the benefit of the patients. Medical Officers and the Medico-Social Workers explained to the patients the preventive aspects of the venereal diseases. The attendance at these two centres during the year was 25,129 and 3,500 respectively.

DIAGRAM D

DEATHS IN INFANTS PER 1000 BIRTHS IN BOMBAY CITY (1881-1961)



(2) **A Contact Investigation Centre.**—The two Medico-Social Workers-one for the male patients and the other for the female patients-induced the defaulting patients and married partners to take continued and complete treatment at this clinic. The response was quite encouraging *vide* Tables 44 and 45.

(3) **Diagnosis.**—The clinical diagnosis of all cases attending the clinic was confirmed by latest laboratory tests in the laboratory at this clinic. Blood samples and urethral smears of patients sent by private Medical Practitioners were tested and examined microscopically and reports were sent to them confidentially and free of charge.

Details of laboratory work done are given in table 46.

(4) **Treatment.**—Latest and modern methods of treatment were followed at this clinic. Male and female patients were examined and treated in separate wings of the clinic maintaining absolute privacy and secrecy.

Antibiotics like Penicillin " G " in oil, strepto-Penicillin, Aureomycine and Chloromycetin etc., were the drugs used in the treatment of venereal diseases.

(5) **Physiotherapy.**—Short wave, Ultra-violet and Infrared were also done in all indicated cases.

(6) **Follow up work.**—The two Medico-social workers and the Clinic Nurse paid home visits and induced suspected cases and contacts to attend the clinic and defaulters to continue treatment. The Medico Social Worker paid 166 visits while the Nurse contacted 2,160 patients.

(7) **Training in Venereal Diseases.**—Medical interns, private practitioners, health visitors and students of Ayurvedic College and Sanitary Inspectors' class, Nurses etc., were given instructions and demonstration and training in the control of venereal diseases.

(8) **Serological Screening.**—933 Samples of blood were received from Municipal Maternity Homes (607 ante-natal and 326 post-natal) for opinion. Out of these, 92 were positive for Kahn's or V. D. R. L. Test. These positive cases were treated in the respective maternity homes for the convenience of the patients.

(9) **Summary of cases.**—19,473 (17,029 Males and 2,444 females) Venereal and 1,390 (536 Males and 854 Females) Non-venereal cases were treated during the year, *vide* tables 47 to 50.

Out of 19,473 Venereal cases, 6,848 were Syphilis, 5,674 were Gonorrhoea and 6,951 were cases for Non-Syphilitic Sores *vide* table 50.

(l) **Leprosy.**—The Acworth Leprosy Home has been doing commendable work for over 61 years in this important branch of the control of communicable diseases. In addition to providing a Home for the isolation of patients either voluntarily admitted or committed by the Police, under the Bombay Leprosy Act, the Institution conducted a well-equipped out-patient clinic.

The Corporation bears the entire cost of the out-patients clinic attached to the Acworth Leprosy Home and also the additional cost on account of :—

(*i*) 48 beds for the voluntary patients.

(*ii*) 75 beds for the resident patients (domiciled in Bombay),

(*iii*) Domiciliary services.

(*iv*) Rs. 10,000 every year for rendering sulphone treatment.

(*v*) One-third of the recurring expenditure on account of the Greater Bombay Leprosy Control Scheme Activities and the entire cost of capital works such as construction, etc.

The average daily attendance of patients during 1961 was 209.7 and the total number of new cases treated at the clinic was 3,182.

The Home had an accommodation of 500 beds for the isolation and treatment of leprosy patients.

Six Health Visitors, appointed by the Municipality including 1 for the Suburbs and 1 Medical Social Worker and 3 non-Medical Assistants appointed by the Acworth Leprosy Home are doing the important work of detecting cases of the disease among the contacts of patients. The medical assistants in charge of the Municipal free dispensaries have also been specially trained for detection of early cases of leprosy.

Under the Greater Bombay Leprosy Control Scheme, eight clinics were conducted, four in the city and four in the suburbs, for the diagnosis and treatment of leprosy. A clinic at Choksey Charitable Dispensary, Malad was started from 1st October 1961. One Honorary Secretary, 3 Assistant Medical Officers, 7 Health Visitors, 5 Ward-Boys, 2 Medical Social Workers and an experienced clerk were appointed under the scheme.

The details of the field work of these seven Health visitors and other leprosy work done are given in tables 51 and 52.

(*m*) **Malaria.**—Malaria was registered as the cause of 1 death and Ague and Remittent Fever caused 1 death. The annual average of deaths due to these diseases during the last decennium was 15 and 10 respectively, *vide* tables 13 and 17. Inspections for detection of mosquito breeding places and destruction of the detected breeding were carried out. Neither the urban vector Anopheles Stephensi, nor any other known vector species of Anopheline was detected during the year. Actions were taken against the house owners to enforce anti-mosquito measures.

Tables 53 and 54 show the total number of wells, cisterns, etc., found breeding Anopheles mosquitoes.

No children were examined at their homes as Malaria has ceased to be a problem in the City.

Table 55 shows the number of pupils examined in Municipal schools and number found with enlarged spleen by the School medical staff.

One out of 79 blood smears taken from fever cases at the Municipal Dispensaries was found to be positive for Malaria parasites.

Wells.—12 retained wells and 3 H.C.C. wells were filled in and two open wells and one partially open well with trap door were rendered hermetically cement concrete covered.

The total number of wells in the City on 1st January 1961 was 2,081, of which 1,654 were hermetically cement concrete covered and 427 were open or partially open. The position as on 31st December 1961 is shown in table 56.

All the retained wells, except a few were stocked with gambusia fish replenished every six months or oftener when found necessary.

Cisterns.—The total number of cisterns in the City was 85,353.

Overhead cistern.—All the 235 overhead cisterns on Mills and similar other premises were maintained in a mosquito proof condition.

Mill Tanks.—There were 77 mill tanks in the city which were periodically inspected and necessary measures to prevent or destroy mosquito breeding in them were adopted promptly. Some of these mills were kept under insecticide treatment also.

Storm-water entrances.—Details regarding these are given in table 57.

Precautions against Yellow Fever.—Campaign against Aedes Aegypti mosquito, the vector of yellow Fever was continued throughout the year. The stegomyia index had not risen over 0.2 per cent. which was well within the margin of safety.

Monsoon action and mosquito nuisance.—Notices were issued against owners of premises, etc., to keep their compounds free from mosquito breeding.

Insecticide services.—Fly and other insect pests likely to cause nuisance were further reduced as a result of regular anti-fly and other disinfestation measures by the Insecticide Branch squads.

Filariasis.—An entomological survey to assess and delimit the tranamission of filariasis by Culex fatigans was continued during the year. The findings are shown in table 60. Radical measures to liquidate the breeding places of Culex fatigans by provision of sewers was in progress in all the urbanised areas of Suburbs.

Private treatment on payment of fees.—This work was extended and insecticide squads operated in all the wards of the City making the scheme popular. A sum of Rs. 64,000 was received as fees for rendering such services. Insecticide fogging operations were carried out throughout the City covering all the areas where insect infestation was high. *vide* table 58.

The Malaria Advisory Committee held one meeting during the year.

Disinfection and Disinfestation.—The details of the work done and the quantity and cost of disinfectants and the disinfestants used, are given in tables 59, 60 and 61.

(5) HYGIENE.

(*i*) **Maternity and Child Welfare Services.**—The maternity and child welfare services in the City were continued to be rendered through the six Municipal Maternity Homes, 17 Maternity and Child Welfare Centres (6 main, 10 subsidiary and one maternity unit at Dharavi Road). The schedule bed strength of these six maternity homes was 164. 12,184 deliveries were conducted at these Maternity Homes during the year 1961. The average stay of mothers at the Maternity Homes was 5 days.

The services rendered include :—

(*a*) Domiciliary care, and (*b*) Institutional care.

(*a*) The object of domiciliary care was to impart health education and to carry out health propaganda amongst mothers. These services were extremely useful for guiding mothers in taking care of bringing up well their babies. The services rendered at the 17 Maternity and Child Welfare Centres were not availed of by some mothers on account of social and other customs. The Medical Officer in charge of Maternity Homes also paid domiciliary visits to supervise and guide the Health Visitors in their work.

(*b*) Institutional care included (*i*) Ante-natal, (*ii*) Natal, (*iii*) Post-natal, (*iu*) Infant and pre-school age children care, (*v*) Follow up work and (*vi*) Health Education and Propaganda through posters, leaflets, group talks, demonstrations and filmshows, etc.

During the natal period each mother was explained imopratance of family planning.

Milk was also given free to the poor and needy expectant and nursing mothers, three months before and three months after delivery at the six main clinics attached to the six Maternity Homes. Poor mothers who delivered at their homes were also given help in the shape of milk.

The post mortem examination in the cases of certain deaths occurring in the Municipal Maternity Homes was done at the B. Y. L. Nair Hospital. The object of the post mortem examination was to help to arrive at an accruate diagnosis of the cause of death and to co-relate the same with the clinical signs and symptoms of patients, when alive. Post mortem examination was carried out with the consent of the relatives.

B. C. G. Vaccination of 7,359 new-born babies was carried out at the 6 Municipal Maternity Homes after obtaining consent of their parents by the Medical Officer in charge, concerned.

Well Baby Clinics were conducted at Imamwada and Cadell Road Maternity Homes while the Well Baby Clinics at Bellasis Road and Vicoria Road Maternity Homes were merged with the Pediatric Centres under the Bombay Pediatric Project from July 1961. A pediatric centre was also started at Naigaum Maternity Home in July 1961.

The Object of Pediatric Centre was (1) to provide a service to the community in which an efficient, effective and comprehensive pediatric care can be given outside the hospital by—

(*a*) Promoting good growth and development,

(*b*) Immunization facilities,

(*c*) Teaching family and community health,

(*d*) Teaching improved nutrition

(2) To reduce the load of hospital out-patients departments by referring cases for difficult medical care

(3) To provide a teaching field and educational experience in an urban centre for Doctors, Nurses and allied Workers.

Infants and children aged 6 months and over were given Triple Vaccine at the Six Maternity Homes. Particulars of the children so immunized are given in Table No. 62.

(*ii*) **Family Planning.**—Advice on spacing of births was given confidentially by the Lady Doctor to married women at the 20 F. P. Clinics. Health Visitors who were assigned this work, paid domiciliary visits for follow-up work and propaganda.

The budget provisions for the Maternity and Child Welfare Services and for Family Planning Clinics during the year 1961-62 is shown below :—

		Rs.
(*i*) Maternity and Child Welfare Services	...	1,00,060
(*ii*) Family Planning Clinic	..	40,000

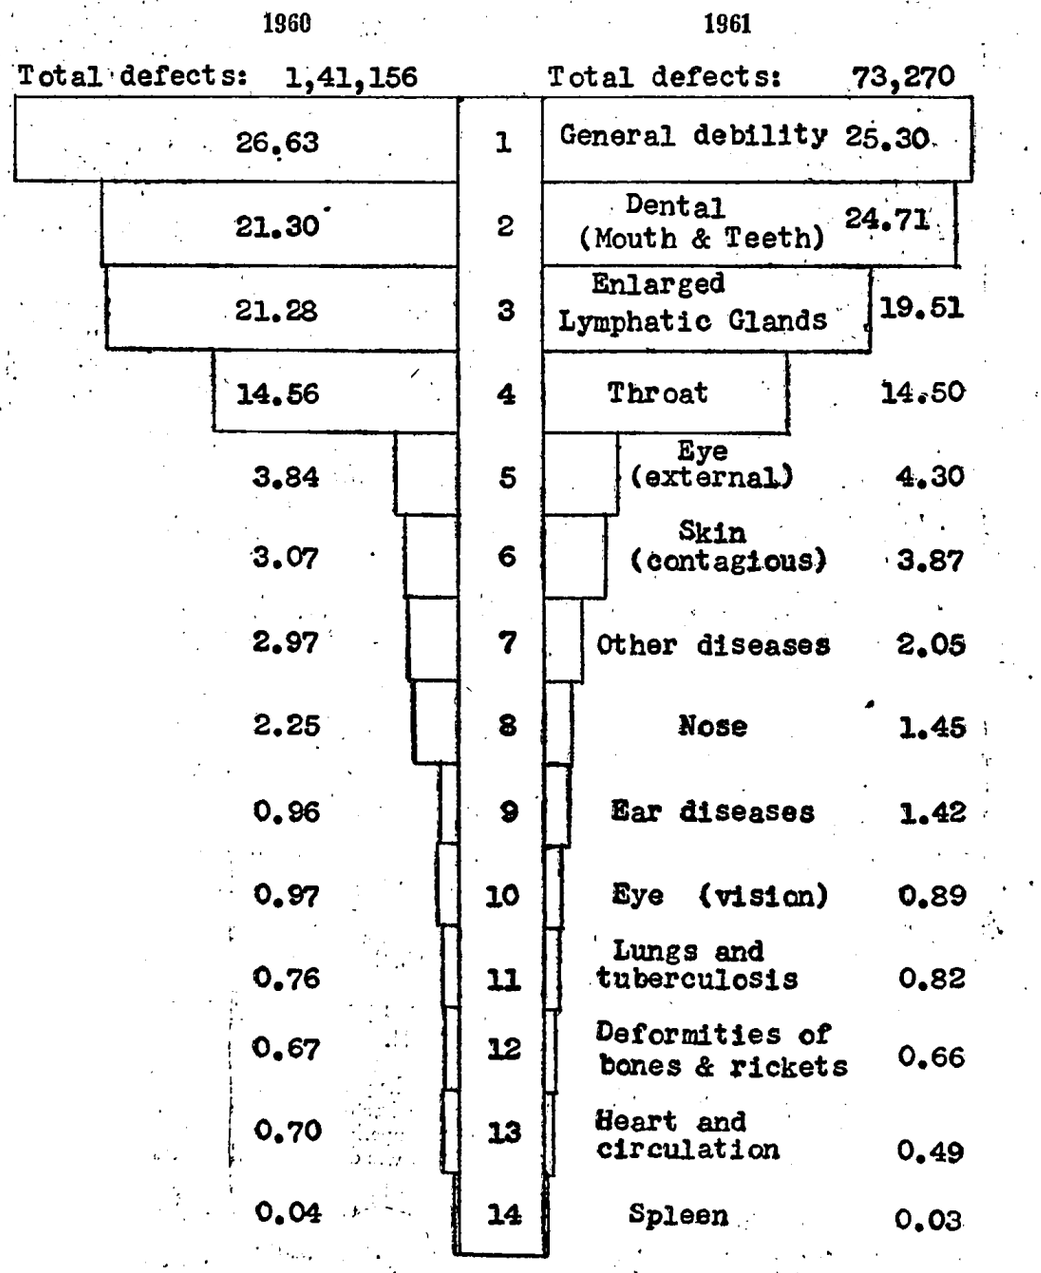
Statistics of work done are shown in table 62. The total confinements etc. in all the institutions doing maternity works are shown in table 63.

(*iii*) **School Health Work :**

(1) *Medical Inspection of school children.*—The total number of pupils in I to IV standards and V to VII standards in 387 Municipal schools and 54 classes in the city, was 1,82,739 and 65,133 respectively.

Medical inspection of 39,221 pupils (21,098 boys and 18,115 girls *plus* 8 special cases presented by parents and teachers) from 254 Municipal Schools including classes, studying in standards I and III, as well as of those from standards II to IV, who had remained unexamined during the previous year, was done during the year under review, of whom 31,584 were found defective. The defects noticed were communicated to the guardians of the pupils. The total defects noticed amongst the children examined were 73,270. The guradian of 1306 children were interviewed by the Medical Officers (Schools) and explained to them the necessity of their wards undergoing clinic and dispensary treatment.

Percentage of common defects to the total number of defects *i.e.* 73,270 is as shown below :—



(2) *Correction of defects.*—1940 new and 12,414 old cases with major ailments, were treated at the expanded School Clinic conducted at the K. E. M. Hospital and 186 cases with minor ailments were treated in the Municipal dispensaries, 1,100 children were referred to the Honoraries of the Out-patients' Department of the K. E. M. Hospital, for expert opinion. 183 cases of Tonsilitis were operated at the School Clinic and 3 cases of dog-bite were treated. 555 children suffering from scabies, ringworm and boils were treated in the schools by the Assistant Medical Officers. All the Municipal schools were supplied with emergency outfit. 259 new and 2,688 repeated cases having dental defects were treated at the Nair Hospital Dental College. 23 children suffering from Leprosy, were disallowed from attending schools and their parents were advised the absolute necessity of regular treatment. 210 children were supplied with spectacles free of charge. Screening and investigation of 249 children suspected of T. B. infection, were done through different Municipal T. B. Clinics, out of whom, 14 were disallowed from attending schools during the period of infectivity and 2 were hospitalized in T. B. Hospital, Sewri. Besides this, mass miniature radiographic examination of 1,290 children from the schools situated in Sewri area, was carried out at the Organised Home Treatment Clinic, Sewri and 1,233 children were tested with Tuberculin Test of whom 879 were found positive and 354 were negative. Of the latter, 347 children were vaccinated with B. C. G. Vaccine and 7 were absent. 7 children who were advised treatment, were treated at the clinic.

(3) *Health Education and follow up work.*—240 and 615 health talks on personal Hygiene were given to the children in the schools by the Doctors and Nurses respectively, and 1,504 domiciliary visits and 759 re-visits to ailing children to guide the parents as regards their care and diet were paid by the School Health Nurses.

(4) *Immunization with P.T.A.P. Inoculation.*—During the year 82,663 and 58,938 children below 10 years of age, were immunized with P.T.A.P. 1st and 2nd dose respectively.

T.A.B. Inoculation.—1,16,163 children from Municipal Schools, 13,184 from private and aided schools and 225 students of colleges were inoculated against Typhoid.

Vaccination against Smallpox.—74,708 children from Municipal schools and 16,223 children from private and aided schools were vaccinated. A temporary vaccination station was opened at this office from 8th February 1961 to 27th February 1961 where 2,131 re-vaccinations were done.

(5) *Milk Scheme.*—53,130 undernourished children were catered with 6 oz. of toned pasteurised milk in sealed bottles at 352 milk-distributing centres in schools on every school working day. 1,000 children selected for Special Nutrition Survey, were also supplied with milk during the period from 2nd January 1961 to 20th March 1961. Besides the above, 14,790 children from Standards I to V, whether undernourished or otherwise from the schools situated in the predominently poorer locality, were also catered with milk from 20th November 1961. The supply of milk was, however, stopped during the period from 21st March 1961 to 1st August 1961, 22nd October 1961 to 19th November 1961 and from 24th December 1961 to 31st December 1961, due to poor attendance in schools, non-availability of milk and vacation to the schools.

Free Milk Powder Scheme.—Milk powder donated by the Lions Club of Bombay, was given to the pupils from Colaba Group of Schools, who were not covered under the Milk-Scheme.

Recreation Activities.—First-aid was rendered at all the sports, mass drills and scout rallies, etc., organised by the Municipal Education Department.

(7) MEDICAL RELIEF.

Municipal Free Dispensaries.—The number of new cases treated at the 27 dispensaries and one mobile dispensary was 6,03,278, (3,02,721 males and 3,00,557 females) as against 5,86,645 in 1960. The total attendance was 23,79,160 as against 24,32,230 in 1960 including visits by the dispensary medical officers to patients at their homes (Table 64).

Clinics for women and children were conducted by three part-time Lady Doctors at 6 Municipal Dispensaries for 2 hours thrice a week. The number of new cases treated was 4,789 (3,979 women and 810 children) as against 4,718 in 1960. The total attendance was 31,787. These figures include visits by the Lady Doctors to patietns at their homes.

The eye dispensary and hospital at Kamathipura were attended by two honorary medical surugeons, by turns. The out-patients' department remained open every day from 7 A.M. to 10-30 A.M., except on Sundays and Holidays. The hospital had an accommodation of 6 beds formales and 6 for females with a modest operation theatre and a full-time resident nurse.

The total number of new cases treated at this institution was 14,248 as against 14,907 in 1960. The total attendance was 95,657 as against 1,04,363 in 1960. The number of indoor patients amongst the new cases and amongst the total attendance were 374 and 4,797 respectively (Table 65).

Poor Box Charity Collections.—Details in Table 66 show the account of the income, expenditure, etc., out of the money receievd in the boxes kept at various medical institutions.

(8) HEALTH PROPAGANDA AND EDUCATION.

The health propaganda and education was carried out through the department of the Public Relations Officer and the activities in this connection are given in detail in the report of the Public Relations Department.

4(A) KASTURBA HOSPITAL FOR INFECTIOUS DISEASES, ARTHUR ROAD, BOMBAY No. 11.

Dr. J. K. Thanawala, M.D., F.C.P.S., continued to hold the post of the Medical Superintendent till 19th August 1961. Thereafter, Dr. P. Raghavan, M.D., Medical Director and Professor of Medicine, Seth G. S. Medical College, Bombay, looked after the work of Medical Superintendent during the rest of the year. Dr. R. S. Deshpande, M.B., B.S., D.P.H., Assistant Medical Officer was delegated with powers for looking after the administrative work.

The Honorary staff attached to the Hospital was as follows :—

(1) Dr. B. R. Shah, M.D. ... Hon. Pathologist.

The Consulting Honorary staff attached to the Hospital was as follows :—

(1) Dr. L. H. Hiranandani, F.R.C.S., D.L.O., F.C.P.S.	... Hon. Aural Surgeon.
(2) Dr. J. V. DeSa, S. D.L.O.	... Hon. Aural Surgeon.
(3) Dr. S. Desai, M.B.B.S., D.O.	... Hon. Dermatologist and Venerologist.
(4) Dr. D. G. Mody, M.B.B.S., D.O., M.S.	... Hon. Opthalmic Surgeon.
(5) Dr. M. V. Sant, M.S.	... Hon. Orthopeadic Surgeon.
(6) Dr. R. G. Ginde, M.S.	... Hon. Neuro-Surgeon.
(7) Dr. R. M. Gaitonde, M.S., F.R.C.S.	... Hon. Orthopaedic Surgeon.
(8) Dr. L. H. Athle, D.M.R.S., M.A.C.S.	... Hon. Radiologist.
(9) Dr. N. S. Vahia, M.D.	... Hon. Psyhiatrist.
(10) Dr. R. B. Raut, L.D.Sc.	... Hon. Dentist.
(11) Dr. Janak, Mehta, M.B.B.S., D.A.	... Hon. Anaesthetist.
(12) Dr. S. C. Sheth, M.D., F.R.C.S., F.C.P.S., D.C.H.	... Hon. Paediatrician.
(13) Dr. V. N. Purandare, M.D., F.R.C.S.	... Hon. Obstetrician and Gynaecologist.

1. **Admissions.**—During the year, 25,073 patients suffering from various acute infectious and communicable diseases except Tuberculosis and Leprosy were admitted in the Hospital, as against 32,542 during the previous year (*vide* Tables 67, 68 and 69). Out of these 25,073 patients, 4,634 were of Small-pox, 753 were of Enteric Fever and 1,632 of Diphtheria. The daily average number of patients was 591. The case fatality rate in the total admissions was 7.8 per cent. On acounct of heavy admissions of cases suffering from major infectious diseases admissions to the cases suffering from less dangerous diseases had to be restricted.

2. **Hospital Accommodation.**—(*Vide* Table 70).

3. **Small pox.**—In a total of 4,634 cases admitted in this Hospital, 1,537 died giving a case fatality rate of 33.17 percent. Excluding 560 deaths which occured within 48 hours of admission of cases in a moribund condition, the case fatality rate was 21 per cent. only. January, February and March were the heavy months for admissions and June, July and August were the lean months. There were no admissions of cases suffering from Small-pox from September onward till the end of the year.

The clinical classification of cases of Small-pox and mortality rate in them are given in Table 71. They are also classfied age-groups and vaccinal condition in Table 72.

The Small-pox admissions from 1948 are summarised in Table 73.

4. **Diphtheria.**—The total number of cases admitted during the year 1961 was 1,632. Out of these 117 proved fatal. The case fatality rate was 7.2 per cent.. Excluding the 71 moribund cases that died within 48 hours of admission, the case fatality rate was 2.8 per cent. The operation of the Tracheotomy was required to be performed at this Hospital in 68 cases of Diphtheria with laryngeal obstruction, 17 of whom succumbed to the disease. One case was transferred to this Hospital from other Institution after Tracheotomy operation which was cured. The Diphtheria admissions from 1948 onwards are summarised in Table 74. Cases were admitted from all parts of the City, predominantly from Parel and Byculla localities (*vide*. Table 75) The incidence by age is shown in Table. 76.

Erythromycin was administered in 253 cases with severe toxaemia and Bull's Neck out of which 22 died. This antibiotic helped to reduce the fatality rate of the disease.

The highest incidence of the disease was in the age-group of 2 to 5 years. The youngest patient admitted was a female child aged 16 days and the oldest a female aged 70 years. The former was cured while the latter expired.

The Diphtheria admissions are classified in Table 77.

A centre was started at this Hospital in June 1955 for the active immunization with P.T.A.P. of the contacts of Diphtheria cases. By the end of the year, as many as 8,468 persons took the advantage of the Centre.

5. **Enteric Fever.**—The admissions during the year numbered 753 as against 3,786 during the previous year. All these cases were confirmed by Widal Test in rising titre. May, July, August and December were the peak months for admissions.

Meningeal symptoms developed in 4 cases and 12 had a relapse. Signs of intestinal perforation were not detected in any of these cases.

Further particulars about complications of the disease are given in Table 78.

Seventyseven cases proved fatal, giving a case-fatality rate of 10.2 per cent. Excluding 29 deaths which occurred among the cases admitted in a moribund condition and within 48 hours of their admission, a case fatality rate was 6.4 per cent. Considerable reduction in the mortality rate could be attributed to early and on a large scale administration of Chloramphenicol and the administration of sterioidas in toxic and serious cases.

Special treatment.—(1) High caloric diet was given to all cases (except when it was contra-indicated due to abdominal complications such as distension, diarrhoea, haemorrhage, perforation, etc.). The satisfactory response to this diet therapy was shown in all cases by way of improvement in the general condition within 24 to 48 hours, reduction in the complications and also shortening the convalescenece.

(2) Whole Blood Transfusion was given in 19 cases, who had intestinal haemorrhage, of whom 13 died.

(3) Chloramphenicol was administered to all the cases in 12 hourly/6 hourly doses according to the clinical condition of the patients. Inj. Chloramphenicol was administered to cases who were in a very toxic and delerious condition and unable to take the drugs orally. It was administered in 1 Gm. B. D. or 0.5 Gm. six hourly (to the adults) till reduction in toxaemia and improvement in general condition was achieved.

Incidence of Enteric Fever and case fatality rate from 1948 are shown in Table 79.

Incidence of age-group is shown in Table 80. The highest incidence of this disease was found in the age-group of 21-30 years. The youngest patient admitted was a male child of 8 months and the oldest a female of 60 years. Both were discharged cured.

6. **Anterior Poliomyelitis.**—77 cases of Poliomyelitis were admitted. 12 cases proved fatal. 60 cases were of Spinal variety, 15 were of Bulbar variety and 2 were of Spino-Bulbar variety.

7. **Other diseases.**—Of the 267 cases of Measles, 48 of Mumps and 1,089 of Chickenpox admitted, 23, of Measels, 2 of Mumps and 4 of Chickenpox proved fatal. Majority of the cases were from Children's Homes, Convents, etc. The deaths were genearlly due to the complications of Bronchopneumonia. Of the 29 fatal cases, 25 were admitted in a moribund condition and died within 48 hours of admission. 383 cases of Infective Hepatitis were admitted out of which 24 proved fatal. 9 of the latter cases were admitted in a moribund condition and died within 48 hours of admission. There was 1 adult-male case of C. S. Fever admitted and the same was discharged cured. No case of Plague and Cholera was admitted.

8. **Clinical Laboratory.**—The number of investigations carried out in the Laboratory during the year and the injectable solutions prepared are shown in Table 81.

9. **Visitors.**—The distinguished persons who visited the Hospital during the year included :—

(1) Dr. D. N. Sen Gupta, Assistant Professor of Microbiology, All India Institute of Hygiene and Public Health, Calcutta.

(2) Homi J. S. Taleyarkhan, Hon. Health Minister, Maharashtra State.

(3) Alvin R. Feinstein, M.D., New York University.

10. The Works Committee established as per the Adjudicator's Award could not held its meeting as there was no agenda from the Union.

11. The Peshi Committee constituted to investigate into the complaints against the menial staff and to award suitable punishments did not function during the year due to the reconciliation proceedings.

12. The Welfare Centre for the labour staff carried out its activities satisfactorily.

13. **Teaching.**—Instructions in Infectious Diseases were given to 457 M.B.B.S., D.A.S.F., and post-graduate students preparing for the examination of Diploma in Child Health or Public Health.

Student Nurses, Nurses, Halth Visitors, etc., from different institutions also received instructions in nurisng management of infectious diseases and of the Infectious Diseases Hospital.

292 Interns were given training in Infectious Diseases.

The Assistant Medical Officer of this Hospital delivered lectures in Infectious Disease and Tropical Medicine to the student-nurses of J. J. Hospital, Bombay.

14. Students and members of the staff took advantage of the medical library and the recreation activities provided at this Hospital.

15. **Blood Transfusion.**—Instead of supplying donors sealed bottles containing blood of different groups, were supplied by the Bombay City Red Cross Blood Transfusion Service, which were stored in the Laboratory at this Hospital so that blood was available for transfusion at any time.

16. **Nurses' Welfare Fund.**—Total amount received during the year was Rs. 8 as donations and Rs. 126 as subscription from the members of the Nursing staff and the balance to the credit of the Fund at the end of the year was Rs. 2,099.92.

17. **Expenditure.**—The total expenditure during the year was Rs. 20,35,585 as against Rs. 25,41,466 during the previous year.

The average weekly and daily cost per patient is given in Tables 82 and 83.

(6) MUNICIPAL LABORATORY.

During the year under report, Dr. V. Sadasivan continued to be the Municipal Analyst and Public Analyst and Sarvashri P. B. Varde and J. K. Bhide continued as Additional Public Aalysists under the Prevention of Food Adulteration Act, 1954. The Municipal Aanalyst continued to be a member of the following Committees :—

(1) Dairy Industry Sectional Committee of the Indian Standards Institution.

(2) Water Sectional Committee of the Indian Standards Institution.

The Laboratory continued to be of assistance to the several departments of the Bombay Municipal Corporation, in the examination of samples of various articles sent by them, but the important items examined in the Laboratory in large numbers were samples of foods of all kinds under the Prevention of Food Adulteration Act, 1954, and water samples collected from all over the City.

The Laboratory received 38,349 samples as against 29,640 in the preceding year. Categorywise, they arrange themselves into the following Groups :—

I.—Chemical Examination :—	
(1) Food—(*i*) P. F. A. Act	12,561
(*ii*) Other than P. F. A. Act	1,577
(2) Water Samples	1,353
(3) Licence Department	844
Chemicals :	
(4) General Stores	158
(5) W. W. Department	6
(6) Hospitals	4
(7) Miscellaneous	381
	16,884
II.—Bacteriological Examination :—	
(1) Water—(*i*) From City and Suburbs	13,399
—(*ii*) From Bombay Port Trust area	433
(2) Disinfectants	58
(3) Vaccines	92
(4) Foods	1,021
(5) Miscellaneous	4
	15,007
III.—Clinical Examination :—	
(1) Urine	412
(2) Blood	5,857
(3) Stools	127
(4) Sputa and smears	23
(5) Semen	39
	6,458

The water-sampling programmecontinued as usual and samples were collected daily (except on Sundays) from all the Wards, the sampling points in each ward being changed on successive days in a fortnight (*vide* Tables 84 and 85).

The work of examination of milk from Government Milk Distribution Centres all over Greater Bombay was continued uninterrupted. Thus, 423 milk samples of which 199 were of Toned Milk, were examined in the year.

The Municipal Analyst attended Courts in the City on several occasions to give evidence in 30 cases under the Prevention of Food Adulteration Act and Bombay Municipal Corporation Act. The Additional Public Analyst attended Courts on 23 occasions to give evidence in the cases under the Prevention of Food Adulteration Act, 1954.

I.—Chemical: (1) Samples of food-stuffs examined chemically were 14,138 (*vide* Table 86). Out of these, 12,561 were examined under the Prevention of Food Adulteration Act, 1954, (*vide* Table 87).

(2) Of the 1,353 Samples of water examined, 481 well water samples and 124 water samples collected from other sources were found to be unfit for potable purposes.

(3) One thousand three hundred ninety-three samples of different kinds such as soap paints, varnishes, articles of stationery (*i.e.*, different kinds of inks and gums), drugs, chemicals, etc., were received from different departments and from members of the Public (*vide* Table 86).

II.—Bacteriological: (1) Of the 13,832 samples of water from City and Suburbs examined, 557 well water samples and 1,975 water samples collected from other sources were found to be unfit for potable purposes.

From the Bombay Port Trust area, 433 samples were collected and none was found to be unfit for potable purposes.

(2) Fifty-eight samples of disinfectants were examined to determine the Rideal Walker Co-efficient.

(3) Out of 1,021 samples of food-stuffs examined, 163 were found to be unfit for human consumption

(4) Ninety-two samples of vaccine lymph were examined and all were found to be free from pathogenic bacteria.

(5) Four samples of miscellaneous nature were examined (*vide* table 88).

III: Clinical.—(1) Out of 412 samples of urine examined, 48 samples were received from private individuals and 364 from Municipal institutions.

(2) Five thousand eight hundred and fiftyseven samples of blood were examined which included 4,932 blood smears for the detection of Malarial Parasites, 264 being positive.

(3) Out of 23 samples of sputum examined for T. B. 8 were found to be positive.

(4) Four thousand nine hundred and thirty-three slides were examined for Malarial Parasites and 264 of these were found to be positive.

(5) Eighty-seven samples of a miscellaneous nature such as stools, semen, etc., were also examined (*vide* table 88).

The examination of samples from the water supply to the City showed that the samples were generally of satisfactory quality.

4(B) VACCINATION.

The incidence of Small-pox showed an increase from November 1960 and continued to rise till April 1961. Subsequently the degree of incidence was lessened and between September and December 1961 no case of Small-pox was reported. Attacks and deaths from Small-pox in the city during the year numbered 2,759 and 1,192, respectively. Vaccination drive was intensified. Mass Vaccination campaigns were arranged in different localities with the help of the publicity vans. Measures such as room to room combing of affected localities, detecting hidden cases and isolating and treating them at the Kasturba Hospital for Infectious Diseases, disinfection, health education, etc., were adopted.

The scheduled strength of the Vaccination staff was augmented by 5 Vaccinators, 5 Vaccination Karkoons, 5 Labourers, 1 Clerk from 13-12-1960 and as this was considered insufficient 5 more vaccinators were appointed from 22-2-1961. The services of all the available medical staff of the Public Health Department such as medical inspectors, medical assistants, assistant medical officers under Medical Officer (Schools) and sanitary inspectors were utilised. The additional staff was disbanded from 1-5-1961 as the incidence was practically nil.

13,87,317 persons were vaccinated, of whom 66,952 were primary and 13,20,365 re-vaccinations. Of the children, primarily vaccinated, 56,722 were Bombay born as against 61,405 in the preceding year. The total number of births registered from July1960 to June1961 was 72,714 of which 21.90 per cent. of the children born in the City were not vaccinated during the period while10,287 children born outside the city were vaccinated in the city proper, *vide* Table 89.

Out of 46 Public Vaccination Stations, three functioned daily and the remaining 43 stations worked 2½ hours once in a week by rotation. On an average, 9 stations worked every day.

The result of vaccinations done was verified by inspecting children brought to the stations on the eighth day after the initial vaccination, *vide* Table 90.

Certificate for postponement of vaccination was issued in case of one child on the ground of ill-health.

No case of ill effect due to vaccination was reported during the year.

During the year, 283 Medical students, 142 students from Public Health Inspectors' Class and 12 Health visotors and 277 students from Sanitary Inspectors' Class, Local Self-Government Institution, Bombay, and 23 private students were given instructions and practical training in Vaccination at the different Public Vaccination Stations.

19.119 pilgrims proceeded to the Haj during the year of whom 5,788 were vaccinated at the office of the Port Haj Committee and were issued certificates on International forms.

The income and cost per vaccination is shown in Table 91.

12. Other inspections and inquiries ...	19,666	69,480
13. Markets	129	76
Total no. of inspections ...	45,658	* 1,86,122
	* This figure includes 3,561 inspections made by the Mobile Squad.	
B—Works, etc., completed—		
1 Dwellings—		
(*a*) Limewashed ...	150	588
(*b*) Water supply provided ...	...	...
(*c*) Overcrowding abated ...	...	...
(*d*) Insanitary dwellings evacuated ...	...	178
2. Stables—		
(*a*) Paved and drained ...	...	...
(*b*) Cleaned and refuse removed ...	4	123
(*c*) Licences cancelled ...	...	5
3. Eating houses, dairies, etc.—		
(*a*) Regulations enforced ...	751	5,838
(*b*) Licences cancelled ...	2	15
4. Factories and workshops— Limewashing, etc., carried out ...	...	16
5. Drains, etc., repaired ...	375	1,682
6. Privies abolished ...	...	...
7. New w.c.s. provided ...	...	...
8. Accumulation of refuse removed ...	308	1,377
9. Other works completed ...	973	5,104
Total sanitary works completed ...	2,563	14,926

TABLE 5

WORK DONE BY THE MILK INSPECTORIAL STAFF.

No. of hawkers importing milk by trains inspected	2,947
Do. found with no licence	413
Do. detected carrying milk in open cans without covers	532
Do. found with grass rings in milk-vessels	544
Total number of persons hawking milk and prosecuted :—	
(*a*) for sale in streets	68
(*b*) for selling milk in the shops without licence	1123
(*c*) for breach of licence conditions	133

TABLE 6.

Destruction of Unwholesome Food.

Serial No.	Artices.		Quantity destroyed.
1	Fruits	...	350 Doz.
2	Do. (Fresh)	...	341 Lbs.
3	Sweets	...	2,300 „
4	Vegetables	...	161 „

		(6) Dementia	...	...	1	1	...	...	...	...	...	...	...	—	2
		(7) Other or Unspecified conditions included under (84)*d*	...	...	...	...	...	2	...	...	...	...	...	1	3
	85	Epilepsy	...	...	1	2	2	2	...	1	1	4	2	...	15
	86	Convulsions in children under 5 years of age	7	7	9	7	8	8	5	6	5	9	9	8	88
36	87	Other Diseases of the Nervous System—													
		(*a*) Chorea	...	...	...	...	...	...	...	...	...	...	...	...	...
		(*b*) Neuritis (non-Rheumatic)	...	...	...	...	...	...	...	1	...	...	...	1	2
		(*c*) Paralysis agitans	...	1	...	...	1	...	...	...	...	...	...	...	2
		(*d*) Desseminated Sclerosis	...	...	...	...	...	...	...	...	...	...	...	...	...
		(*e*) Other diseases included under 87	...	...	...	...	...	...	...	...	...	...	...	...	...
		(1) Convulsions of undetermined origin (age 5 and over)	...	1	...	...	...	...	...	...	...	...	...	...	1
	88	(2) Other diseases included under 87(*e*)	1	2	1	1	1	...	...	...	1	2	1	...	10
	89	Diseases of the organs of Vision	...	...	...	1	...	...	...	...	...	...	...	...	1
		Diseases of the Ear and of the Mastoid Antrum—													
		(*a*) Olitis and other diseases of the Ear	...	...	...	1	...	...	1	1	...	...	1	...	4
		(*b*) Diseases of the Mastoid Antrum	...	1	1	1	...	...	...	...	...	...	...	...	3
		VII.—Diseases of the Circulatory System.													
	90	Pericarditis	2	4	2	2	3	2	1	2	...	3	1	1	23
	91	Acute Endocarditis	2	1	...	1	3	1	2	...	1	...	2	1	14
	92abc	Chronic Affections of the valves and endocardium	18	19	11	12	14	19	15	22	24	14	20	18	206
	93*a*	Acute Myocarditis	2	...	...	...	...	...	...	1	...	...	...	...	3
	93b	Chronic Myocarditis specified as Rheumatic	...	1	...	...	...	...	...	...	...	...	1	...	2
	93c	(1) Cardio vascular degeneration	...	2	...	3	...	...	1	...	...	...	...	...	6
		(2) Myocardial degeneration described as Fatty	...	...	...	...	...	...	...	1	...	...	...	...	1
	93d	(3) Other Myocardial degeneration	25	27	24	16	13	19	21	19	18	18	17	23	240
19	94	Myocardtis (not distinguinshed as acute or chronic)	...	1	...	...	...	...	...	...	...	...	...	...	1
	95	Diseases of the Coronary Arteries, Angina Pectoris	118	138	109	133	112	96	113	120	112	121	104	117	1393
		Other Diseases of the Heart—	...	...	...	...	...	...	...	...	...	...	...	...	...
		(*a*) Functional heart disease (without mention of organic lesion)	...	...	...	4	2	...	1	...	3	3	2	...	15
		(*b*) Heart Disease specified as Rheumatic but otherwise ill defined	...	1	...	...	...	...	...	...	1	...	...	...	2
	96	(*c*) Other diseases included under 95	23	22	29	18	21	10	13	23	16	18	15	29	237
	97	Aneurysm (except of Heart and Aorta)	...	...	...	...	...	...	...	...	...	...	...	...	...
	98	Arterio Sclerosis (excluding Coronary or Renal Sclerosis or Cerebral Haemorrhage)	9	3	4	5	7	6	5	5	7	5	5	11	72
	99	Gangrene	2	...	1	...	1	3	2	1	1	2	...	...	13
	100	Other Diseases of the arteries	...	...	1	1	1	...	1	...	2	...	2	...	8
20		Diseases of the Veins—													
		(*a*) Varices	...	2	1	...	...	...	...	...	...	...	...	...	3
	101	(*b*) Other diseases of the Veins	1	...	...	...	...	...	...	1	1	...	1	...	4
	102	Diseases of the Lymphatic system	...	1	1	...	1	...	1	...	...	...	...	...	4
	103	High Blood Pressure (Idiopathic)	14	26	28	27	25	18	18	30	27	24	33	36	306
		Other Diseases of the Circulatory system	2	...	...	2	1	2	...	1	...	1	...	1	10
		VIII.—Diseases of the Respiratory System.													
23	104	Diseases of the Nasal Fossae and Annexa	...	...	...	...	...	...	...	...	...	...	...	...	...
	105	Diseases of the Larynx	...	...	...	...	...	2	1	...	1	1	...	...	5
21	106A	Acute Bronchitis	...	...	...	...	...	...	...	...	1	...	...	...	1
	106B	Chronic Bronchitis	20	12	12	22	11	10	18	13	16	11	21	15	181
	106	Bronchitis (not distinguished as acute or chronic)	...	...	...	...	...	...	...	...	...	...	...	...	...
	107	Broncho Pneumonia	488	695	602	288	205	191	227	211	159	150	192	208	3616
22	108	Lobar Pneumonia	19	12	10	18	17	4	8	9	5	6	9	8	125
	109	Pneumonia (Unspecified)	378	669	561	342	186	141	153	145	128	121	131	145	3100

		(a) Collisions with train ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(b) Collisions with tram ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(c) Other accidents included under 170 ...	2	11	3	1	4	1	2	1	3	2	2	...	32
	171	Other Road Transport Accidents (any cause of death except war). ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(a) Tramway accidents on roads ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(b) Other accidents included under 171 ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	172	Water Transport accidents (any cause of death except war) ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	173	Air Transport Accidents (any cause of death except war) ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	175	Agricultural and Forestry Accidents (any cause of death except war) ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(b)(2) By other animals ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	176	Accidents caused by Machinery (any cause of death). ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	177	Food Poisoning ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	178	Accidental Absorption of Poisonous gas— ...	...	...	...	...	...	...	...	...	...	...	...	...	...
35		(a) Carbon Monoxide ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(d) Accidental absorption of any other irrespirable or poisonous gas included in 178 ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	179	Other acute Accidental poisoning (not by gas) ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(a) Salvarsan and other organic preparations of arsenic. ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(b) Other acute Accidental poisoning not by gas included in 179. ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	180	Conflagration ...	3	2	2	2	3	2	2	2	2	4	...	...	24
	181	Accidental Burns (conflagation excepted) ...	34	33	40	21	18	14	11	19	23	20	32	33	298
	182	Accidental Mechanical Suffocation ...	3	...	2	4	...	1	1	...	...	...	...	...	11
	183	Accidental drowning ...	10	1	7	10	9	8	3	5	11	3	6	2	75
	184	Accidental Injury by Firearms ...	...	...	...	...	...	...	...	...	...	1	...	1	2
	185	Accidental Injury by cutting or piercing instruments ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	186	Accidental Injury by fall, crushing, land slides, etc. ...	23	37	26	35	28	30	28	26	29	25	28	25	340
	187	Cataclysm (any cause of death) ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	188	Injury by animals (Poisoning by Venomous animals excepted) ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	191	Excessive Heat ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	192	Lighting ...	...	...	...	2	1	...	...	1	3	1	3	...	11
	193	Other Accidents due to Electric Currents ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	194	Attack by Venomous Animals— ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(a) Hydrophobia ...	2	1	...	3	3	4	2	3	2	2	4	4	30
		(b) Snake Bites ...	...	...	...	...	1	...	...	...	...	...	1	...	2
		(c) Attack by Venomous animals included in 194 ...	1	...	1	...	...	...	...	...	...	1	...	...	3
	195	Other Accidents— ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(a) (1) Vaccinia ...	...	...	...	...	...	...	...	...	...	...		...	...
		(2) Other Sequelae of Vaccination against Small-pox ...	...	3	1	...	...	1	...	1	...	...	1	...	7
		(b) Other accidents due to medical or surgical intervention— ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(1) Anaesthetic accidents ...	...	5	6	2	1	1	...	1	2	...	...	1	19
		(2) Other accidents included under 195 (b) ...	...	...	1	...	...	...	...	...	...	...	...	...	1
		(c) Lack of care of the New born ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(d) Other and Unspecified accidents under 195.	48	31	35	63	38	43	32	33	31	39	44	37	474
	196	Deaths of persons in Military Service during operations of war— ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(b) From wounds ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(c) From other or unspecified causes ...	...	...	...	...	...	...	...	...	...	...	...	...	...
	198	Legal Executions ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		XVIII.—ILL-Defined causes of Deaths													
	199	Sudden Death ...	...	...	...	1	...	...	...	...	...	...	...	1	2
36	200	Causes of Death unstated or Ill-defined													
		(a) Ill-defined Causes—													
		(1) Heart failure ...	28	45	26	28	12	31	27	28	24	30	21	28	328
		(2) Other ill-defined causes ...	25	36	25	22	13	28	39	22	20	23	17	15	285
		(b) Found, dead, Cause unknown ...	...	...	...	...	...	...	...	...	...	...	...	...	...
		(c) Other deaths from Unknown or Unspecified cause ...	8	3	1	2	8	7	8	9	7	6	4	6	69
