I am also grateful to Mr. R. Narayanan, Lecturer, Department of American Studies, I.S.I.S., New Delhi, whose friendly disposition was a veritable source of encouragement and comfort whenever I was weary of my labour. I am thankful to Mr. S. Manoharan, Research Scholar, Department of Russian Studies, I.S.I.S., New Delhi, whose good familiarity with the growing literature on Marx, helped me. Also I would like to express my appreciation to my wife for her help during the preparation of the thesis.

I owe a good deal to the Librarians of the University of Madras, Madras, the Delhi School of Economics, New Delhi, the Indian Council of World Affairs, New Delhi and American Studies Research Centre, Hyderabad. My thanks are also due to the University of Madras for the financial support of my research.
