ACKNOWLEDGEMENTS

The present study was prepared under the guidance of Dr. N. R. Inamdar, Reader, Department of Politics and Public Administration, University of Poona. Words are inadequate to express my feeling of gratitude towards him. With his scintillating guidance and abounding co-operation, he was to me, the 'Prime Mover' throughout this work.

This study equally owes to the wholehearted co-operation extended to me, by the non-officials and the officials of the Zilla Parishad and Panchayat Samitis from the Nasik district.

I am obliged to the Director, Gokhale Institute of Politics and Economics, Poona, and the Librarian, Servants of India Society, Poona, and their staff for their unreserved co-operation.

Thanks are also due to my relatives and friends for their unfailing co-operation. To me they were always a source of inspiration and enthusiasm.

Credit for elegant typing goes to my friend, Shri V. N. Inamdar.

Poona,
25th July, 1972.
