

# REGIONAL PLAN FOR POONA METROPOLITAN REGION.

1970 - 1991

PART-I SURVEYS

POONA METROPOLITAN  
REGIONAL PLANNING  
BOARD.

REGIONAL PLAN FOR  
POONA METROPOLITAN REGION  
1970 - 91

PART I - SURVEYS

copy without maps.

## F O R E W O R D .

The dimensions of physical environment have been getting inflated to such a degree in the metropolitan areas - that a new urban scale has come into being. Population explosion sustained by all the metropolitan areas in the world was also registered in the Metropolitan Regions of India including Poona by the spread, sprawl and scatter of rapidly occurring - new development and growth of slums as well as by the transformation of old city. The Government of Maharashtra thought it expedient to guide such new development by establishing Metropolitan Regional Planning Boards endowed with the task of preparing Metropolitan Regional Plans.

It is our great satisfaction that we have participated in a share of planning for future of Poona Region. The Poona Metropolitan Regional Planning Board has, after gathering necessary basic data by means of planning surveys and their analysis and study through groups of experts and persons interested in allied fields, prepared a ~~Regional~~ Regional Plan for the Poona Metropolitan Region. The plan amongst others emphasises the necessity of establishing a new satellite township at Pimpri-Chinchwad industrial area to absorb the population growth consequential to the committed industrial activity in that area as also provide for the promotion of new growth in the other areas of the region. It stresses the necessity for long term plans and gives a programme for the next Five Year Plan during which period some of the very important recommendations could be carried out. Some of the recommendations would require statutory execution, while others are suggestions to various existing local bodies and departments to be considered or acted upon.

L.G. RAJWADE,  
Chairman,  
Poona Metropolitan Regional  
Planning Board, Poona.

...oOo...

- ACKNOWLEDGEMENT -

The Board acknowledges with gratitude the co-operation and help extended by all the Government/Semi-Government departments, Institutions, - Associations and Local Bodies who readily supplied - the information required in connection with the various surveys and studies included in this report. It is heartening that the Study Groups appointed by the Board took great pains and showed considerable interest in preparing their reports about the various - matters referred to them and deserve our appreciation. We also extend our thanks to the Manager, - Government Photozinc Press, Poona for making available the printed copies of the maps and charts very promptly.

POONA METROPOLITAN REGIONAL  
PLANNING BOARD.

POONA METROPOLITAN REGIONAL PLANNING BOARD.

CHAIRMAN    VICE CHAIRMAN

Shri L.G. Rajwade, I.C.S.    Shri. A. R. Bhat
