I N T R O D U C T I O N

I. General

1. Maharashtra is the most urbanised State in India, with a proportion of urban population as 31.2% as against the national average of 19.9% as per 1971 Census. Final results of recent 1981 population Census are yet to be come out, however provisional figures indicate that urbanisation in the State is 35.03%.

2. As per 1971 Census, there are 289 urban areas in Maharashtra.. Out of which 222 are municipal towns, 3 Corporation towns and 62 non-municipal towns. Classification of Municipal towns indicate that 20 are 'A' Class Municipal Councils, 34 are 'B' Class and 168 are 'C' Class Municipal Councils.

3. Towns in the Maharashtra are at different levels of development. They differ from one another in several respects. Their regional settings, functional characteristics, economic base, infrastructural development, per capita income and/various measures are adopted to achieve a balanced development.

II. Object and scope of the study -

1. The Registrar General of Census and various other agencies present the urban statistics in various forms. However we have compiled the information from available Census publications, Municipal Year Books published by the Directorate of Economics & Statistics, District Gazetteers and the Development Plan Reports prepared for each of the town by this Department. While compiling the information for a town, it is observed that reference period varies from one source to other. Hence such a compiled information in a precise form was brought up-to-date to a specific reference year, by contacting the concerned authorities of the town.

/expenditure, present a heterogeneous picture. Hence

2. Such townwise information for the towns in a specific District is being published by the Urban Research Cell of the Town Planning Department, M.S.Pune. Uptill now Town Directory for 13 Districts in the State have been published and circulated to various agencies.

3. Present Town Directory (Volume No.XIV) relates to Nashik District. There are 12 Municipal towns in the district viz. i) Bhagur ii) Igatpuri iii) Malegaon iv) Manmad v) Nandgaon vi) Nashik vii) Nashik Road (Deolali) viii) Satana ix) Satpur x) Sinnar xi) Trimbak and xii)Yeola. Out of these towns, Nashik and Malegaon have 'A' Class Municipal Councils, Manmad and Nashik Road (Deolali) have 'B' Class Municipal Councils whereas all other towns have 'C' Class Municipal Councils. In the following pages, information regarding each of the above Municipal town have been presented separately for the year 1980-81.

4. Similar volumes of other districts in Maharashtra will be issued in due course. However, to be really useful, Town Directory will have to be updated periodically. If the idea of compiling and presenting such a Town Directory is appreciated and found useful, the same would be updated accordingly.
