feelings constitute all that is dear to us. Ever since the direct assumption of the administration of India by Her Majesty the Queen-Empress the people have learnt to feel with the sorrow of the Royal family as though it were their own. The Queen is not only the Empress of India, but she is revered and loved as the Mother, and she herself has always looked upon her Indian subjects as her loving children. This sacred affection moves the nation, and fills the country with one universal sorrow, in that it should have pleased Providence thus to send this great trial on us all. The expressions of condolence and sympathy from all parts of the Empire will not have power to remove the heavy weight of affliction, but they will help us all to submit to it with resignation.

The Council then adjourned till Friday the 22nd, at 3-30 p.m.

By order of His Excellency the Right Honourable the Governor in Council,

C. H. A. HILL,

Secretary to the Council of the Governor of Bombay
for making Laws and Regulations only.

Bombay, 19th January 1892.
