INTRODUCTION

The entire Department of Education functions under the three-tier administrative set-up viz. Government, Directorate and the field organisation including educational institutions.

The over-all charge of the Department of Education vests with the Minister for Education who lays down the policies and controls the entire administration through the Financial Commissioner and Secretary to Government, Punjab Education Department, who is assisted by a team of Senior Officers viz. Joint Secretary and two Deputy Secretaries. The Education Secretary carries out the work of the department in collaboration with the three Directorates viz. Primary, School, College and State Council of Educational Research and Training, Punjab.
