

Reports on the administration of
Local Boards in the Province of
Bombay for the year 1937-38.

GOVERNMENT OF BOMBAY.

GENERAL DEPARTMENT.

Resolution No. P. 52.

Bombay Castle, 16th May 1939.

Read reports from the Commissioners, Northern, Central and Southern Divisions, on the administration of the Local Boards in their respective charges during the year 1937-38.

RESOLUTION.—Number of Local Boards.—The number of local boards remained unchanged during the year under report.

2. *Area and Population.*—There was no change in the area and population of the local boards during the year under report.

3. *Constitution.*—There was no change in the constitution of local boards except in the case of the District Local Board, Bombay Suburban District, where the number of members was reduced from 12 to 11 owing to the transfer of the Ambernath area to the Thana District.

4. *Elections.*—No general elections were held during the year.

5. *Meetings—Northern Division.*—The total number of meetings held by the district and taluka local boards in the year under report was 56 and 216 respectively as against 51 and 208 in the previous year. The average percentage of attendance of the members at the meetings of the District and Taluka Local Boards was 79·7 and 68·51 respectively as against 83·96 and 72·21 in the preceding year. The number of meetings which proved abortive for want of quorum and which were adjourned was, in the case of district local boards, nil and 6 respectively as against nil and 10 in the previous year, while the number in the case of taluka local boards was 6 and 7 respectively as against 5 and 13 in the previous year. All the local boards held more than the minimum number of meetings prescribed by section 35 (1) of the Bombay Local Boards, 1923, except the Taluka Local Board, Dholka, in which case the number of meetings held during the year under report was 3.

Central Division.—The total number of meetings held by the District and Taluka Local Boards was 57 and 343 respectively as against 56 and 340 held during the previous year.

The average percentage of attendance of the members at the meetings of the district local boards and taluka local boards was 75·53 and 60·91 respectively as against 79 and 71·44 in the preceding year.

The number of meetings which proved abortive for want of a quorum and which were adjourned was in the case of district local boards nil and 9 respectively as against 1 and 8 in the previous year, while the number in the case of taluka local boards was 10 and 20 respectively as against 13 and 9 during the preceding year.

All the boards held the requisite number of meetings prescribed by section 35 (1) of the Act except the Shevgaon and Shirpur Taluka Local Boards in Ahmednagar and West Khandesh Districts respectively. The Taluka Local Boards of Kopergaon and Newasa in Ahmednagar District and Khanapur in Satara District committed breaches of section 35 (1) inasmuch as some of their meetings were convened after the lapse of three months.

There were no flagrant cases of adjournments of meetings as referred to in Government Resolution, General Department, No. 1689/33, dated the 7th May 1937.

Southern Division.—The total number of meetings held by the District and Taluka Local Boards was 52 and 227 as against 45 and 241 in the previous year. The average percentage of attendance of members at the meetings of District and Taluka Local Boards was 81.09 and 68.26 respectively as against 83.87 and 75.79 in the previous year. The number of meetings which proved abortive for want of a quorum and which were adjourned was, in the case of district local boards, nil and 23 respectively as against nil and 15 in the previous year, while the number in the case of taluka local boards was 6 and 8 respectively as against 3 and 12 in the preceding year. There was one instance of a meeting being postponed without transacting business in spite of the necessary quorum in the Kumta Taluka Local Board. It is reported that the members present raised an objection on a point of law and not being satisfied with the President's ruling left the meeting. The President had, therefore, to adjourn the meeting to the next day. Some of the members who did not want to transact the business in the previous day's meeting opposed the conduct of the business by the President the next day, and the President had to dissolve the meeting. The President, District Local Board, therefore, disallowed travelling allowance to the members in respect of this meeting. There was no other instance of a meeting coming under the purview of the Government orders contained in Government Resolution, General Department, No. 1689/33, dated the 7th May 1937.

The number of meetings held by all the boards was as prescribed in section 35 (1) of the Local Boards Act. Business was transacted by circulation of the agenda under section 41 (1) of the Act, six times by the District Local Board, Belgaum, twice each by the District Local Boards of Bijapur, Kolaba and Ratnagiri and once each by the Taluka Local Boards of Bijapur, Sindgi, Dapoli, Khed and Vengurla and twice by the Taluka Local Board of Sangmeshwar owing to the urgent nature of the business in each case.

6. *Income.*—The aggregate income of local boards (excluding opening balance and debt) rose from Rs. 1,63,90,966 to Rs. 1,69,76,648. The reasons for the increase or decrease in the main sources of revenue are explained below :—

(a) *Local Rates.*—The receipts decreased from Rs. 32,89,781 to Rs. 31,92,305. The decrease occurred in the Northern and Southern Divisions. In the Northern Division it was mainly due to (i) failure to collect dues before the close of the financial year owing to the lateness of the season, and (ii) the general slump in agricultural prices. In the Southern Division the decrease was mainly due to the less collection of cess in the Bijapur, Dharwar and Kanara Districts owing to scarcity conditions and other reasons.

(b) *Education.*—The receipts showed an increase from Rs. 94,78,521 to Rs. 96,74,744. The increase occurred in the Northern and Southern Divisions. In the Northern Division it was mainly due to larger Government grants received by the Thana District Local Board and the increase in its receipts from contributions from non-local authority municipalities. In the Southern Division the increase was due to the (i) adjustment of deposits between the District Local Board and District School Board in Bijapur, (ii) full realisation of contributions from local authority municipalities in Ratnagiri, (iii) receipt of increased grants from Government by Dharwar and Kolaba District Local Boards and (iv) increased grants and more income from fees in Belgaum.

(c) *Medical.*—The receipts decreased from Rs. 2,31,715 to Rs. 2,30,610. The decrease occurred in the Central Division and it calls for no remarks.

(d) *Civil Works.*—There was an increase in receipts from Rs. 20,45,367 to Rs. 23,56,517. The Northern and Central Divisions are responsible for the increase. The increase was mainly due to the liberal Government grants on account of village water supply, village approach roads and other communications.

7. *Expenditure.*—The aggregate expenditure of the local boards chargeable to current income showed an increase from Rs. 1,63,31,040 to Rs. 1,72,33,595. The increase or decrease under the main heads of expenditure is explained below :—

(a) *Administration.*—There was a decrease in expenditure from Rs. 5,98,351 to Rs. 5,79,202. The decrease occurred in the Northern and Southern Divisions. The decrease in the Northern Division is mainly due to the fact that expenditure on the office of the Chairman, District School Board, Broach, has been included in the item of "education". In the Southern Division the decrease was chiefly noticeable under travelling allowance to members, out in the pay of the establishment and less expenditure under office contingencies.

(b) *Education.*—The expenditure showed an increase from Rs. 1,07,43,174 to Rs. 1,11,60,759. The increase occurred in all Divisions. In the Northern Division the increase was mainly due to the (i) increased expenditure on primary education in the Ahmedabad and Thana District Local Boards and (ii) larger grants paid to approved schools in the Bombay Suburban District. In the Central Division the increase was mainly due to the (i) opening of new Schools and the construction of new school buildings in Ahmednagar, (ii) increase in the number of primary schools and English classes, in East Khandesh, (iii) appointment of additional teachers in West Khandesh and (iv) the payment of increased share of local fund cess for primary education in Nasik. In the Southern Division the increase was chiefly due to the (i) increased expenditure on primary education in Belgaum and Kolaba (ii) construction of a new school building and extensions carried out to two school buildings and also to the opening of ten more schools in Kanara.

(c) *Medical.*—The expenditure increased from Rs. 9,50,996 to Rs. 9,55,923. The Northern Division and the Southern Division were responsible for the increase. In the Northern Division the increase was mainly due to the (i) increased expenditure on the medical establishments and epidemics in the Ahmedabad and Thana Districts and (ii) opening of two new dispensaries and the appointment of three nurses in the Kanara District. In the Southern Division the increase was contributed by all the District Local Boards and it was chiefly due to (i) increase expenditure on the medical establishments and epidemics and (ii) payment of contributions to Village Sanitary Committees and for dispensaries started under the Rural Medical Scheme. In the Central Division the decrease was mainly due to (i) less expenditure on epidemics in the Ahmednagar and Satara Districts, (ii) the reduction in the number of Ayurvedic and Unani dispensaries in the East Khandesh District. This decrease was partly counterbalanced by heavier expenditure on epidemics and opening of Ayurvedic and Unani dispensaries in the West Khandesh and Nasik Districts.

(d) *Civil Works.*—There was an increase in expenditure from Rs. 33,00,582 to Rs. 37,65,338. The increase was contributed by all the divisions and was mainly due to the larger expenditure on the construction of communications, buildings, water supply and tools and plants as a result of the special grants paid by Government for village water supply and village approach roads.

8. *Closing balances.*—The aggregate balances of all the local boards amounted to Rs. 57,92,268 as against Rs. 58,61,693 in the preceding year. The closing balances were again in excess of the prescribed minima and this was due chiefly to the (i) the accumulation of balances of the district school boards and taluka local boards and other deposits and advances, (ii) late recovery of local fund cess and (iii) non-completion of budgetted works.

9. *Primary Education—Northern Division.*—In the Ahmedabad District the night schools decreased from 3 to 1. In the Kaira District the construction of two new school buildings, one at Navagam in the Matar Taluka and the other at Boriavi in the Anand Taluka was started. Both these schools are nearing completion. The District Local Board, Broach, constructed 4 new

buildings for schools. Further in order to afford better facilities to Harijans 3 classes and 1 school for this class were amalgamated with ordinary schools. In the Surat District Sir Purshottamdas sanctioned the construction of 16 more buildings including four extensions. The number of Sir Purshottamdas Thakordas Bal libraries increased from 250 to 350 during the year. The number of night schools also increased from 6 to 10. Two English classes were added since last year and brings the figure up to 17. In the Thana district 3 schools had to be closed for want of sufficient attendance.

Central Division.—In Ahmednagar, East Khandesh, Nasik and Sholapur Districts the number of primary schools increased by 54, 35, 24 and 4 respectively, while in Poona and Satara their number decreased by 3 and 17 respectively. The decrease in Poona and Satara is due to the fact that the special depressed class schools have been amalgamated with the common primary schools. In Ahmednagar 3 out of the 41 night schools were closed. In the Satara School Board there were certain differences on account of party politics, and as a result there was a deadlock in the working of the Board for some time.

Southern Division.—In the Belgaum District the number of primary schools rose from 725 to 736. It is reported that in the Bijapur District need for providing new school houses does not seem to have been adequately realised by the Board. The attention of the Board should, therefore, be drawn to the need of constructing school buildings at places where the schools are housed in other places such as Dharmshalas, temples, etc. In the Dharwar District, the number of schools managed by the Board increased from 691 to 700. The number of aided schools also increased by 10. Five new classes were opened during the year. In the Kanara District the number of schools rose from 358 to 368. During the year the Board added only one new school house. In the Kolaba District the number of schools and classes maintained by this Board fell from 406 and 8 to 403 and 7 respectively during the year. In the Ratnagiri District the scheme for compulsory primary education financed from the funds provided by Dr. R. P. Paranjpe in his native village of Murdi and sanctioned by Government was put into effect during the year.

10. *Medical and Public Health—Northern Division.*—There were stray cases of Cerebro Spinal Meningitis fever in the suburbs of Ahmedabad and the Medical Officer, Lord Harris travelling Dispensary, under the direction of the District Local Board, Ahmedabad, gave necessary medical help. The District Local Board, Kaira, started 2 more dispensaries one at Ode and the other at Virsad. In pursuance of the Board's policy to have full control over the dispensaries in the district Government Medical officers in charge of the Board's dispensaries were withdrawn by Government from 1st August 1937 but the Board has been allowed to retain all the dispensary instruments and Government have continued the usual grants-in-aid. In the Panch Mahals table dispensaries were opened in 24 schools and the teachers given training by the Civil Surgeon in the use of medicines. The Dohad Local Board Dispensary was closed as the Dohad Municipality opened its own Dispensary. The District Local Board, Broach, was also allowed to assume control over dispensaries on terms similar to those granted to the District Local Board, Kaira. The Board opened four more Ayurvedic Dispensaries at Vedach (taluka Ankleshwar), Dayadra (taluka Broach), Amleshwar (taluka Broach), and Sisodra (taluka Ankleshwar), but as the village people of Vedach failed to pay their contribution the Board closed that dispensary. The District Local Board, Thana, opened anti-malarial dispensaries. There was an epidemic of Cholera in the Dahanu and Palghar Talukas and Umbergaon Peta. A similar epidemic appeared in the villages of Mulund, Bhandup, Tulsi and Trombay in the Bombay Suburban District.

Central Division.—During the year epidemics of cholera broke out in all the districts. There were also cases of small-pox in West Khandesh, Nasik and Satara and of plague in Satara. Prompt and sufficient measures were taken by all the District Local Boards to combat the epidemics except in Satara where action had to be taken under section 126 of the Bombay Local Boards Act in order to provide for anti-plague measures to be undertaken by Government at the cost of the Board.

Southern Division.—In the Belgaum District 52 villages in the Chandgad Mahal and 12 in the Belgaum taluka were affected by plague for a major part of the year. Prompt steps were taken to combat the epidemic. Cholera made its appearance in a sporadic form only in 10 villages. Prompt preventive measures were taken to put a stop to its spread. The Bijapur district was generally free from epidemics during the year in spite of the scarcity conditions prevailing in a major portion of the district. It is reported that though suggested repeatedly the Board has not yet opened a dispensary at Bableshtar where the need for it is urgent owing to its being a place of pilgrimage. In Dharwar District plague was prevalent at Gajendragad for a length of time and special measures were taken by the Board to prevent its spread. Cholera broke out in 46 villages and the sanitary staff was promptly detailed to the affected parts. In the Kanara District a rural dispensary was opened at Halga under the scheme sanctioned by Government in Government Resolution, General Department, No. 1433/33 (a) of 26th October 1936. There were stray cases of cholera, small-pox and dysentery and the calls in each case were promptly attended to. In the Kolaba District there was an outbreak of cholera of a virulent type in almost all the talukas but it was brought under control with the help of the two medical officers specially appointed for the purpose by the Board. In the Ratnagiri District cholera broke out in epidemic form in several villages of Chiplun and Sangmeshwar talukas. Plague in Vengurla Mahal and small-pox in several parts of the district also made their appearance. Every possible measure was adopted to check the disease in each case.

11. *Veterinary Dispensaries—Northern Division.*—In the Surat District outbreaks of epizootic diseases among the cattle were reported. Necessary preventive measures were taken.

12. *Civil Work.*—The following table shows the Government grants to district local boards for the improvement of village water supply and the amount spent by them from these grants and their own funds :—

Division.	Amount of Government grants allotted during the year.	Amount spent from the year's Government grant and unspent Government grants of previous year.	Amount spent from local fund.
	Rs.	Rs.	Rs.
Northern Division ...	2,28,800	2,31,592	3,48,807
Central Division ...	3,65,431	4,48,715	8,16,681
Southern Division ...	2,32,380	2,17,024	2,80,604

Northern Division.—As a portion of the Godhra Taluka is cut off from the headquarters during the monsoon the Panch Mahals District Local Board has undertaken the construction of the Godhra-Rena Road. Government have also sanctioned the construction from the Petrol Fund of the Tuwa-Bordi and Godhra-Waghjipur Roads. The District Local Board, Broach, constructed 11 miles, 4 furlongs and 568 feet of fair weather roads by means of its Road Grader machine. For the last session of the All-India Congress which was held at Vithalnagar, Surat District, Government sanctioned a special grant of Rs. 10,000 for repairs to roads leading to Vithalnagar. The District Local Board, Thana, has constructed a causeway over the Ulhas River near Badlapur and a maternity ward at Shahapur.

Central Division.—It appears that whereas the Government grant shows a considerable increase the amount spent by the board from their own fund has decreased by nearly 50 per cent.

Southern Division.—The District Local Board, Belgaum, constructed new roads of the total length of 15 miles and 2 furlongs and causeway across nallas. The District Local Board, Bijapur, constructed new roads for providing labour

to relieve scarcity conditions. In addition to the scarcity works undertaken by the Board, a new road from Bijapur to Ukamnal was taken up during the year. The Board was helped liberally by Government with a free grant of Rs. 88,000 to carry out its scarcity programme.

13. *Village water supply.*—The following table shows the Government grants to district local boards for the improvement of village water supply and the amounts spent by them from these grants and their own funds:—

Division.	Amount of Government grants allotted during the year under report.	Amount spent from the year's Government grants and unspent Government grants of previous year.	Amount spent from local fund.
	Rs.	Rs.	Rs.
Northern Division	32,312	34,844	43,461
Central Division	24,494 (Includes unspent balance of the preceding year).	11,491	9,400
Southern Division	75,728 (Includes unspent balance of the preceding year).	28,399	57,257

Northern Division.—In addition to the grant referred to above a sum of Rs. 810 was placed at the disposal of the Superintending Engineer for repairs to certain bores in the Viramgam Taluka. Further a special grant of Rs. 3,50,000 for improvement of village water supply was sanctioned but very little of this liberal grant could be spent by the Local Boards as by the time the prescribed formalities were observed and the money distributed there was little time left for the district local boards within which to make effective use of the money. The Panch Mahals District Local Board was given a special grant of Rs. 34,802 for expenditure on scarcity works.

Central Division.—It is reported that the Boards spent about one-third only of the amount spent by them during the previous year from their own funds for the improvement of water supply in their respective areas.

Southern Division.—In addition to the grant referred to above, special grants were sanctioned by Government during the year under report for the construction of water works in villages. The Boards could not show any appreciable progress in spending the grants with the result that large balances had to be surrendered at the end of the year.

14. *Standing Committees and other Committees—Northern Division.*—All the District Local Boards had standing committees during the year under report. The District Local Board, Ahmedabad, had also appointed a Works Committee and a Public Health Committee and there was a Road Committee in the Kaira District Local Board. In the Broach District there were 8 committees including the Standing Committee, while the District Local Board, Broach, Thana, and Bombay Suburban District had Village Panchayat Committees. In Thana there was also a Public Works Department Committee and a Budget Committee.

Central Division.—All the District Local Boards appointed Standing Committees as required by section 36 (1) of the Bombay Local Boards Act. All the District Local Boards except West Khandesh appointed Works Committees. All the District Local Boards except Ahmednagar appointed Budget Committees.

Southern Division.—All the Boards appointed Standing Committees as required by section 36 (1) of the Bombay Local Boards Act. Certain other committees such as the Works Committee, the Public Health Committee, the Budget Committee, the Rules Committee, etc., were also formed for the purposes of deliberation on specific questions of public interest.

15. Village Panchayats and Village Sanitary Committees—Northern Division.—One more Village Bench was established at Palej in the Broach District Local Board area bringing the total number of such Benches to 4. These Village Benches in all tried 19 civil suits and 52 criminal cases. The two Village Benches established last year in the Thana District are reported to have worked well. Thirteen new Village Panchayats were established in the Northern Division during the year under report.

Central Division.—The total number of Village Panchayats increased from 318 to 350. It is reported that some of the Panchayats in Ahmednagar District are doing good work owing to the appointment of a Panchayat Officer. Though the District Local Boards are striving by inspection and advice to bring them on to some working basis, very great difficulty is met with in getting them to function properly on account of their inadequate finances and incompetent secretaries. The number of Sanitary Committees decreased by one in Satara District where the Sanitary Committee at Khanapur was converted into a Panchayat.

Southern Division.—The number of Village Panchayats in Belgaum, Bijapur, Dharwar, Kanara, Kolaba and Ratnagiri increased in the year under report. Although the number indicates a steady increase, their working is reported to be not satisfactory in the districts of Belgaum, Dharwar and Bijapur. In Belgaum as a result of the audit of the accounts of the Panchayats undertaken by the Board, prosecutions were launched against two cattle-pound keepers appointed by the Belvadi and Halsi Panchayats which ended in conviction. Two more cases are under investigation in the same district. The Village Panchayat at Revdanda in the Kolaba District was superseded during the year under report. A special feature to be noted in respect of Kanara District was the formation of 126 village improvement committees for the construction of village approach roads. It is reported that the panchayats in Kolaba have carried out important works of public utility such as street lighting, village sanitation, repairs to roads, etc.

There was no increase or decrease in the number of sanitary committees except in Bijapur and Kanara where the number fell from 21 to 20 and from 1 to nil respectively.

16. Audit of Accounts—Northern Division.—The audit notes of local boards revealed the usual discrepancies, viz., (1) negligence in recording measurements, (2) irregular payments of travelling allowance, (3) absence of and deviations from the sanctioned plans and budget provisions for works under execution, (4) slackness of supervision, (5) laxity towards contractors, (6) want of completion certificate and (7) keeping back receipts of collection of pound fees or rents. It is reported that steps are being taken under section 11 of the Local Fund Audit Act, 1930, against the ex-President of a Taluka Local Board in the Thana District in respect of the misappropriation of a certain sum by a clerk of the Board. Similarly, steps are being taken under section 11 of the Local Fund Audit Act, against the President of a Taluka Local Board in the Thana District who had made advances to a contractor without obtaining the contractor's security. It has been reported by the Examiner, Local Fund Accounts, that the President of a district local board paid a surprise visit to a work and detected in the presence of the Overseer that 68 labourers, whose presence was marked at the time of the morning roll-call, were not present at work in the afternoon and that their absence for that half of the day had not been marked. It is also reported that in a certain district certain sums of money were drawn on bills and though the duly stamped acknowledgment of the contractor had been obtained the amounts had not been paid but shown as kept on hand in the petty cash book. A matter of considerable importance was the action of a taluka local board in the Ahmedabad District in rushing through a transaction on the last day of its existence for the purchase of property. Criminal offences also appear to have been committed by certain members and a servant of the board.

Central Division.—There were no serious irregularities detected in audit requiring special mention except that the Audit on the accounts of one district local board revealed that the working of the Board's Engineering, Chief

Officer's and Accountant's departments was very unsatisfactory. Similarly the audit note of another district local board was not very encouraging. Generally in the audit notes there is a large number of irregularities pertaining to "Civil Works" which are chiefly due to lack of supervision over the executive subordinate officers of the Boards.

Southern Division.—No serious irregularities were noticed in the accounts or administration of the Boards. Inspection notes issued by the Examiner during the year reveal that the finances of many of the boards were not in a satisfactory condition.

17. *General Remarks—Northern Division.*—The Commissioner has offered no remarks under this head.

Central Division.—The administration of the boards was on the whole satisfactory and the relations between the boards and the officers of Government were cordial. It has been reported that the finances of the East Khandesh District Local Board are progressively deteriorating and that the same state of things has been found at Nasik. It has also been reported that the Poona District Local Board still declines to increase its cess beyond one anna and its activities are in consequence restricted while the Satara District Local Board is living beyond its income.

The Boards continued their endeavours to provide equal facilities to all classes without restriction in the use of school, dispensaries, dharamshalas and public water supply.

Southern Division.—The administration of local boards was on the whole satisfactory. Adequate measures were taken by the Board to combat epidemic diseases wherever necessary. Among the district local boards only the District Local Board, Bijapur, has not opened any centres under the scheme sanctioned by Government for rural medical relief, though Bijapur was one of the selected districts.

In the sphere of primary education satisfactory progress was maintained by the district local boards except Dharwar and Ratnagiri. Owing to their financial stringency, the latter two boards could not take adequate steps to encourage education among their school-going children. It is satisfactory to note that everything possible is being done by the Boards to remove social disabilities and to encourage education among the Harijan classes by the grant of scholarships, prizes and free books.

The inspection notes issued by the Examiner from time to time reveal that the financial position of most of the boards is not satisfactory. It is hoped that the boards will soon find ways and means of improving their finances.

Scarcity conditions in the Bijapur District prevailed throughout the year. The Board started new road works for providing work in the scarcity affected areas with the aid of Government grant and a loan, and also spent considerably from its own funds.

There appears an all round increase in the number of village panchayats in the districts, but the report about their working is not encouraging. There appears to be a tendency to increase the number of these institutions but sufficient attention is not being paid to strengthening those that are already established.

An Agricultural Show was held on a large scale at Belgaum in January last and was opened by His Excellency the Governor. It was attended by nearly 2 lakhs of people from the Karnatak and the neighbouring States and proved to be a great success. Most of the District Local Boards contributed towards the expenses of this Show.

18. Government have recently appointed a Committee to examine and report on matters relating to efficient administration of those bodies. The report of the Committee is awaited with keen interest.

19. Government has decided to discontinue in future the practice of reviewing by a Government Resolution the Annual Report on the administration of the Local Boards in the Province of Bombay. This is, therefore, the last review issued by Government on the administration of local boards.

20. The requisite abstract statement containing information relating to the district local boards in the form of Table No. 134 of the Statistical Abstract for British India (12th issue) is attached to this review as Appendix A.

21. Government note with satisfaction the remarks of the Commissioners and Collectors regarding the excellent work done by several Presidents, Vice-Presidents and the officers of district local boards.

22. Copies of the Resolution should be forwarded to the Commissioners, Collectors and other officers and Departments concerned.

By order of the Governor of Bombay,

H. T. SORLEY,
Secretary to Government.

G. R. No. P. 52, G. D., dated the 16th May 1939.

Note.—As the Taluka Local Boards in the West Khandesh District were abolished with effect from 1st April 1938. The closing balances amounting to Rs. 16,656 of the Taluka Local Boards have been merged in the District Local Board balance and included in Column No. 12.
 * The closing balances of Taluka Local Boards have been credited to the accounts of the District Local Board, West Khandesh, on 31st March 1938.
 † Taluka Local Boards in Sholapur District being abolished, figures for the same have been omitted.

STATEMENT No. IV—continued.

Statement showing the Income and Expenditure of the Taluka Local Boards in the Southern Division during the year ending 31st March 1938—contd.

[Sanctioned by G. B., G. D., No. 846, dated 30-1-35.]

* Came into being from 1st December 1937.

(a) Four out of 52, though established have not yet been constituted.

† Election not held.

‡ According to the Village Panchayats Act, 1933 the number of elected members has been fixed at 11.

§ Election of Sarpanch is yet to be held. ¶ The number of elected members is fixed at 11. 1 The number of elected members is fixed at 9.

|| Established newly under Commissioner's No. L. B. 2, 1388 dated 14th March 1935. ¶ The number of elected members is fixed at 5.

|| Election of Sar Panch not held during the year under report.

|| A decrease of 2,386 in the current year's figures under population is due to the fact that incorrect figures were reported last year.

|| Includes a holder of a village as an additional number.
