**COMMITTEE FOR REAPPRAISAL OF
SAINIK SCHOOLS' SCHEME**

New Delhi, dated 29. 10. 1975

To

Sardar Swaran Singh,
Minister of Defence,
Government of India,
NEW DELHI.

Sir,

As a people, we aspire to provide a better quality of training, for more children than ever, in our Schools, organising them into a rational system to meet the demands of a changing world. Amongst them, Sainik Schools have been assigned a singular task; they hold out the promise to provide for the many what was being given only to the few.

2. The Committee are conscious of the chronic shortage of money and the dearth of competent teachers. Whatever is practicable, in terms of available resources, have to be conserved and distributed as evenly as possible.

3. Within these limitations, our proposals for future action have been set out; they are submitted for your consideration, with the hope that you would find them acceptable.

Yours sincerely,
Sd/—(D.M. Sen)
Chairman
