Introduction

Chapter I—Pepper (*Kali mirich*)

1. GENERAL OUTLOOK	7
2. POSITION OF THE INDUSTRY IN INDIA	10
(i) Some facts regarding cultivation	10
(ii) Differences in crop estimates	16
(iii) Total production	17
(iv) Foreign imports	18
(v) Foreign exports	19
(vi) Dollar-earnings from export	22
(vii) Internal demand	23
(viii) Prices	24
✓(ix) Assembling and distribution	26
(x) Uses of pepper	28
3. RESEARCH, TECHNOLOGY AND DEVELOPMENT	28
(i) Need for scientific research	28
(ii) Improving planting material	31
(iii) Selection of 'standards'	32
(iv) Soil fertility	32
(v) Control of pests and diseases	33
✓(vi) Improving methods of storage	33
(vii) Technology	33
(viii) Maintenance of statistics	33
4. SUMMARY OF CONCLUSIONS AND RECOMMENDATIONS	34

Chapter II—Cardamom (*Elaichi*)

1. GENERAL OUTLOOK	39
2. POSITION OF THE INDUSTRY IN INDIA	40
(i) Some facts regarding cultivation	40
(ii) Crop estimates	46
(iii) Exports	50
✓(iv) Internal trade	53
(v) Prices	54
(vi) Assembling and distribution	55
3. RESEARCH, TECHNOLOGY AND DEVELOPMENT	56
(i) Opening new research stations	56
(ii) Supply of improved planting material	57
(iii) Manuring	57
✓(iv) Transport	63
(v) Technological research	60
4. SUMMARY OF CONCLUSIONS AND RECOMMENDATIONS	60

Chapter III—Ginger (*Adrak*)

Page

1. GENERAL OUTLOOK	64
2. POSITION OF THE INDUSTRY IN INDIA	67
(i) Some facts regarding cultivation	67
(ii) Preparation of dry ginger for market	68
(iii) Area and production	69
(iv) Export trade	73
(v) Qualities	74
(vi) Prices	77
(vii) Assembling and distribution	77
3. RESEARCH, TECHNOLOGY AND DEVELOPMENT	78
(i) Regional research stations	78
(ii) Supply of seed rhizome	79
(iii) Better methods of storage	79
(iv) Pests and diseases	79
(v) Technology	79
4. SUMMARY OF CONCLUSIONS AND RECOMMENDATIONS	79

Chapter IV—Turmeric (*Haldi*)

1. GENERAL OUTLOOK	83
2. POSITION OF THE INDUSTRY IN INDIA	83
(i) Some facts regarding cultivation	83
(ii) Preparation of commercial turmeric	84
(iii) Area and production	84
(iv) Export trade	89
(v) Value of exports	93
(vi) Internal trade	93
(vii) Uses	94
(viii) Prices	94
(ix) Assembling and distribution	95
3. RESEARCH, TECHNOLOGY AND DEVELOPMENT	96
(i) Opening new research stations	96
(ii) Improved type of furnace for curing	96
(iii) Regulating quality of exports	97
4. SUMMARY OF CONCLUSIONS AND RECOMMENDATIONS	97

Chapter V—Cashewnut (*Kaju*)

1. GENERAL OUTLOOK	99
2. POSITION OF THE INDUSTRY IN INDIA	100
(i) Some facts regarding cultivation	100
(ii) Total area under cultivation	101
(iii) Internal supply of cashewnuts	102
(iv) Import of raw nuts from foreign countries	103
(v) Total supply of cashewnuts and processed kernels	104
(vi) Processing	107

	Page
(vii) Number and location of processing factories	108
(viii) Average recovery of kernels and shell oil	108
(ix) Export trade in kernels	110
(x) Internal trade in kernels	115
(xi) Prices	116
(xii) Distribution of kernels	119
3. RESEARCH, TECHNOLOGY AND DEVELOPMENT	120
(i) Research	120
(ii) Technology	121
(iii) Maintenance of statistics	122
(iv) Publicity in foreign markets	122
4. SUMMARY OF CONCLUSIONS AND RECOMMENDATIONS	122

Chapter VI—Lemon-grass Oil (*Pul thylam*)

1. GENERAL OUTLOOK	127
2. POSITION OF THE INDUSTRY IN INDIA	127
(i) Some facts regarding cultivation	127
(ii) Number and location of oil-distilling plants	128
(iii) Mechanism of distillation	130
(iv) Yield of oil and economics of production	131
(v) Total supply of lemon-grass oil	132
(vi) Exports	132
(vii) Quality of oil	134
(viii) Unit of sale	137
(ix) Prices	138
(x) Assembling and distribution	139
3. RESEARCH, TECHNOLOGY AND DEVELOPMENT	139
4. SUMMARY OF CONCLUSIONS AND RECOMMENDATIONS	140

Appendices I to XXXVI

(i) India's dollar-earnings from exports of spices and other cash crops during the triennium ending 1952-53	145
(ii) Questionnaire sent by the Spices Enquiry Committee	146
(iii) World trade in pepper before and after World War II	152
(iv) Monthly and annual normals of rainfall and rainy days in the main pepper-producing tracts in India	154
(v) Total area under black pepper (<i>Piper nigrum</i>) in different States of the Indian Union	156
(vi) Chief characteristics of local varieties of pepper under cultivation in India	158
(vii) Quantity and value of pepper exported from India to different countries of the world during 1937-39 and during 1946-47 to 1952-53	162

	Page
(viii) Standard cost, freight (and insurance) contract terms of the American Spices Trade Association, New York	164
(ix) Form of contract for pepper, cost, freight and insurance (or cost and freight) issued by the General Produce Brokers Association of London, February, 1948.	167
(x) Average monthly prices of black pepper (Alleppey) at Bombay market during 1947-48 to 1952-53.	168
(xi) Average monthly prices of black pepper (Calicut) at Bombay during 1947-48 to 1952-53.	169
(xii) Average monthly prices of black pepper at Cochin market during 1947-48 to 1952-53.	170
(xiii) Statement showing the progress of the Malabar District Co-operative Produce Sale Society Ltd., Calicut (Kozhikode), South Malabar	171
(xiv) Total area under cardamom (<i>Elettaria cardamomum</i>) in different States of the Indian Union.	172
(xv) Quantity and value of cardamom exported from India to different countries of the world during 1937-39 and 1946-47 to 1952-53.	174
(xvi) Average monthly prices of cardamom at Mangalore market during 1949-50 to 1952-53.	176
(xvii) Statement showing the progress of the Cardamom Grower's Co-operative Marketing Society Ltd., Saklaspur (Mysore State)	178
(xviii) Area and production of ginger (<i>Zingiber officinale</i>) in different States of the Indian Union during 1948-49 to 1952-53	179
(xix) Quantity and value of ginger exported from India to different countries of the world during 1937-39 and 1946-47 to 1952-53.	180
(xx) Average monthly prices of ginger (bleached) at Cochin market during 1947-48 to 1952-53.	192
(xxi) Average monthly prices of ginger (bleached) at Bombay market during 1947-48 to 1952-53	183
(xxii) Average monthly prices of ginger (unbleached) at Bombay market during 1947-48 to 1952-53	184
(xxiii) Area and production of turmeric (<i>Curcuma longa</i>) in different States of the Indian Union during 1948-49 to 1952-53	185
(xxiv) Quantity and value of turmeric exported from India to different countries of the world during 1937-39 and 1946-47 to 1952-53.	186
(xxv) Average monthly prices of turmeric at Calcutta market during 1939-40 and 1946-47 to 1952-53.	188
(xxvi) Average monthly prices of turmeric at Bombay market during 1949-50 to 1952-53.	189
(xxvii) Average monthly prices of turmeric at Vizagapatam market during 1939-40 and 1946-47 to 1952-53.	190
(xxviii) Average monthly prices of turmeric at Cochin market during 1947-48 to 1952-53.	191

	Page
(xxix) Quantity and value of cashewnuts imported into India from different countries of the world during 1937—39 and 1946-47 to 1952-53. . . .	192
(xxx) Quantity and value of cashew kernels exported from India to different countries of the world during 1937—39 and 1946-47 to 1952-53 . . .	193
(xxx1) Comparative food values of cashew kernels and other dried fruits .	194
(xxxii) Average monthly prices of raw cashewnut (Indian wholes) at Mangalore market during 1949-50 to 1952-53.	195
(xxxiii) Average monthly prices of ashew kernels (wholes, American quality) at Bombay market during 1947-48 to 1952-53	196
(xxxiv) Average monthly prices of cashew kernels (Indian wholes) at Bombay market during 1947-48 to 1952-53.	197
(xxxv) Quantity and value of lemon-grass oil exported from India to different countries of the world during 1937-38 and 1946-47 to 1952-53 . . .	198
(xxxvi) Average monthly prices of lemon-grass oil at Cochin market during 1947-48 to 1951-52.	199
