

LEAGUE OF NATIONS

QUARTERLY BULLETIN
OF INFORMATION ON THE WORK OF
INTERNATIONAL ORGANISATIONS
COMPILED BY THE
SECTION OF INTERNATIONAL BUREAUX

No. 1 - Vol. II

January 1929

GENEVA MCMXXIX

NOTE BY THE SECRETARIAT OF THE LEAGUE OF NATIONS.

THE QUARTERLY BULLETIN OF INFORMATION ON THE WORK OF INTERNATIONAL ORGANISATIONS is published in pursuance of Article 24, § 2 of the Covenant of the League of Nations, which runs as follows :

“ In all matters of international interest which are regulated by general conventions but which are not placed under the control of international bureaux or commissions, the Secretariat of the League shall, subject to the consent of the Council, and if desired by the parties, collect and distribute all relevant information and shall render any other assistance which may be necessary or desirable.”

The purpose of the BULLETIN, which has been published regularly since 1921, is to facilitate closer co-ordination between the various international organisations whose importance and number is steadily on the increase and to make their work better known to each other.

All information contained in the BULLETIN is drawn from authentic reports or official publications of the organisations concerned. No record of meetings directly connected with the League of Nations and the International Labour Office is included in the BULLETIN, as these are to be found in the *Official Journal* of the League of Nations and in the *International Labour Review* published by the International Labour Office. Meetings held in order to prepare for a conference and meetings of Sub-Committees are as a rule also excluded.

The present issue contains information regarding meetings which have been held since October 1928, but it has been found necessary to include information regarding earlier meetings, owing to the reports of these meetings having been delayed in reaching us.
