IX. This Act shall be construed and Act to be read as part of Act XIII. of 1856. read as part of Act XIII. of 1856.

STATEMENT OF OBJECTS AND REASONS.

In order to diminish the expense to the Bombay Municipality of the maintenance of the Bombay City Police Force, it has been found necessary to effect material reductions in the strength and cost of that Force. The staff of European officers employed in the Force was considered to be larger than was absolutely needed, and a diminution in their number has therefore been directed by His Excellency the Governor in Council, with the sanction of the Government of India.

Under the provisions of Act XIII. of 1856 certain of the officers to be discharged would not be entitled to any pensions or gratuities, and others would receive pensions inadequate to their services, and of a lower amount than officers of equal service and similar rank in the Calcutta City Police would be granted on discharge from that Force. The present Bill is introduced to provide for these exceptional cases, and to assimilate the Rules regarding pensions and gratuities to members of the Bombay City Police Force to those which regulate the pensions and gratuities payable to members of the Calcutta City Police Force.

Bill No. 2 of 1872.

A Bill to secure the payment to Government of certain additional sums of money by the Corporation of the Justices of the Peace for the City of Bombay.

WHEREAS the Government of India has agreed to advance the Corporation of the Justices of the Peace for the City of Bombay a sum of Fifteen Lakhs of Rupees, in addition to the sum of fifteen lakhs of Rupees whereof payment is secured by Act III. of 1870 of the Governor of Bombay in Council; and whereas it is necessary to make certain provisions for the repayment of the same, out of the Municipal Fund of the City of Bombay, in preference to, and with priority over, all incumbrances and claims upon and to such Municipal Fund other than those created under the provisions of this Act and of the said Act III. of 1870; It is enacted as follows:—

III. If the Municipal Commissioner shall neglect to make any of the payments specified in this Act

Course to be pursued in case of non-payment.

at the times mentioned, the Controller of Municipal Accounts, or officer acting in that appointment, shall within forty-eight hours report the fact to the Chief Secretary to Government, or other officer acting in that capacity, who shall have power to direct any Government Officer, not being an Officer holding a Municipal appointment under Bombay Act II. of 1865, to detain in his hands, to the extent of any payment or payments then in arrear, any moneys due to or accruing for the benefit of the Corporation of the Justices of the Peace for the City of Bombay which he may then or thereafter have in his custody or control, and such Officer shall be bound to detain the moneys as directed, and to pay the same into Her Majesty's Treasury or into any Bank as aforesaid, to the credit of the Secretary of State for India in Council, in preference to, and with priority over, all incumbrances and claims to such moneys other than those created under the provisions of this Act and of the said Act III. of 1870.

IV. The Municipal Commissioner shall, in the month of January in each year, publish in the *Bombay Government Gazette*, an account showing the Balances due by the Corporation of the Justices of the Peace for the City of Bombay on the 31st December preceding, on the several accounts in this Act and in the said Act III. of 1870 specified.

V. Nothing in this Act shall affect the rights and remedies which the Government of India have or shall have independently of this Act for the recovery of the moneys advanced or to be advanced under this Act or any part thereof.

VI. The borrowing powers conferred on the said Justices by Sections 253, 254, 255, 256, 257, and 258 of Act II. of 1865 of

Repeal.
Loan to be borrowed under Loan Act XXIV. of 1871.

the Governor of Bombay in Council, and by Sections 26 and 27 of Act IV. of 1867 of the Governor of Bombay in Council, are hereby repealed save as to any mortgages of rates and taxes already effected by the said Justices under the said bor-

rowing powers; and it is hereby enacted that any moneys which may hereafter be borrowed by the said Justices shall be borrowed under, and subject to, the provisions and conditions of "The Local Public Works Loan Act, 1871."

STATEMENT OF OBJECTS AND REASONS.

In consequence of the embarrassed condition of the Municipal finances, and to enable the Municipality to meet immediate and pressing liabilities, an application for a loan of 15 lakhs to the Municipality was made to the Government of India. That Government consented to advance the loan on the conditions that it should be paid off within 20 years with interest at the rate of 5 per cent. per annum; that the borrowing powers conferred on the Corporation of the Justices of the Peace for the City of Bombay by Bombay Acts II. of 1865 and IV. of 1867 should be cancelled by legal enactment; that any moneys hereafter to be borrowed by the Justices should be borrowed under the provisions and subject to the conditions of Act XXIV. of 1871; and that to secure the repayment of the loan an Act similar to Bombay Act III. of 1870 should be passed by the Local Legislative Council. To effect these purposes this Bill is now introduced.
