4.—Farruckabad, Lucknow, Madras, and Bombay Rupees will be received where respectively current at par with the Company's Rupees, in which last-mentioned currency all Acknowledgments for the receipt of money into this Loan shall be expressed, and Calcutta Sicca Rupees, where these Rupees are current, will be received at the rate of 15 Sicca Rupees for 16 Company's Rupees. Interest when paid in these Rupees will be issued at the rates antecedently specified.

5.—The several Public Officers authorized to receive Subscriptions into this Loan will grant Acknowledgments in the following Form, for all sums received by them respectively:

ministrators, until the expiration of Three Months after such notice of payment as aforesaid, when the amount of Interest due will be payable with the Principal, and (such notice being considered as equivalent to a tender of payment at the period appointed for the discharge of the Note), all further Interest shall cease.

"Signed by the Authority of the Governor General of India in Council,

"Secy. to Government."

"Accountant General's Office, }
Registered as No. of _____"

7.—The several Officers authorized to receive Subscriptions, will, on application from the Holders of Acknowledgments, transmit them (free of every expence whatever) to the Accountant General in Bengal, to be exchanged for Promissory Notes bearing Interest from the 31st March or 30th September next ensuing after the date of Subscription. The Interest accruing on the broken period of the half year, that may intervene between the date of Subscription and the 31st March or 30th September next ensuing, as the case may be, will be paid up at the time of granting the Acknowledgment.

8. Proprietors of Notes who may require the Interest to be paid at the General Treasury of Fort St. George, shall be entitled to receive it accordingly, provided they previously notify their wish to the Accountant General at Fort William, and present the Notes to him to have an Order for the payment of Interest at the said Treasury, written on the face of them under the signature of the said Officer, or that of the Deputy Accountant General. And after such Order shall, on the application of the Proprietor, be inscribed on any Note, the Interest shall be payable only from the said Treasury, unless the Proprietor shall present the Note, with an application for the purpose of transferring the payment to Bengal, to the Accountant General at Fort St. George, who, on such application being so made, will cancel the said Order by a writing inscribed as aforesaid, under the signature of himself or his Deputy. A similar course will be followed, mutatis mutandis, in the case of Proprietors of Notes who may desire to have the Interest thereof paid at the General Treasury of Bombay.

9.—The Proprietors of Acknowledgments who may desire to have the Interest of the Promissory Notes to be issued in exchange thereof, to be made immediately payable at Madras or Bombay, must express their desire to that effect on the face of the Acknowledgments, before transmitting them to the Accountant General at Fort William, who will make the Interest payable accordingly in the manner and subject to the conditions above stated.

10. The Promissory Notes of this Loan shall not be renewed or sub-divided except by the Accountant General. But the Accountants General at Fort St. George and Bombay will, on application of the Proprietors of such Notes, and the payment of the established fees, transmit them to the Accountant General in Bengal for the purpose of being renewed or sub-divided free of all further expence. In other respects the practice and rules heretofore in use in regard to the renewal and subdivision of Promissory Notes will be adhered to.

11. The said Notes shall be advertised for payment in the inverse order in which they shall have been placed upon the General Register—that is to say, the Notes last brought on the Register shall be first liable to be discharged. But all Notes advertised at the same time for payment shall become payable on demand, without regard to prio-

ritv, at the expiration of the notice. Government shall also be at liberty to advertise other Notes for payment without waiting for the expiration of pending notices, and to discharge the Notes so subsequently advertised at the expiration of the notice relating to them, notwithstanding the Holders of Notes comprized in prior advertisements may have omitted by themselves, or their Attornies duly authorized, to apply for payment.
