FORT WILLIAM.

THE 1ST MAY, 1837.

The following Extract from the Proceedings of the Right Hon'ble the Governor General of India in Council, in the Legislative Department, under date the 1st May 1837, is published for general information.

Read a second time the Resolution and Draft of a proposed Act published under date the 6th March 1837, in the *Calcutta Gazette* of the 15th following, authorizing Magistrates and Joint Magistrates to appropriate a portion of the Tax levied under Regulation XXII. 1816, for repairing and cleansing the Town in which such Tax is levied and to raise the maximum of that Tax to Two Company's rupees per Month.

Read a letter from the Officiating Secretary to the Lieutenant Governor N. W. P. in the Judicial Department, under date the 25th March last, noticing the existing anomaly which exempts European British subjects from assessment in the Chowkedaree Tax.

**Resolution.**—The Right Hon'ble the Governor General of India in Council is pleased to resolve that the said Draft be re-published for general information with the following amendment and that the amended Draft be brought up for reconsideration at the first Meeting of the Legislative Council of India which may be held after the Eighteenth day of June next.

**Resolution and Draft.**—Since the abolition of the Town Duties in April last year the Government has directed its attention to the best means of replacing the loss thereby occasioned in the fund which had, as circumstances permitted, been considered available towards the improvement of the large Towns in the interior of the Country.

From the information collected from the Magistrates of Bengal and the North Western Provinces, it appears that the object in view may be accomplished with the least annoyance to the people, and with the least disturbance of exist-

ing institutions by rendering the assessment, which is leviable under Regulation XXII. 1816 for the maintenance of Chowkedars of Police applicable like the similar assessments levied in Calcutta and the other Presidencies to the cleansing and repairing as well as to the watching of the Towns in which the Tax is levied.

There is reason to believe also, that the maximum of the Tax, viz. One Rupee, authorized to be fixed by the Panchaite of each Division of the Towns under the aforesaid Regulation, is too small to admit of an equitable adjustment of the rates. On this account a higher maximum has been fixed for individuals, but no change has been made in the maximum of aggregate amount of the assessment authorized to be levied under the Regulation. The effect of this alteration will be to relieve the poor and to make a small addition to the contribution of those who are best able to contribute.

The following Draft of a proposed Act is accordingly notified for general information.

ACT No.—OF 1837.

I. It is hereby enacted, that from the day of \_\_\_\_\_ it shall be lawful for the several Magistrates and Joint Magistrates within the Presidency of Fort William in Bengal, to appropriate a portion of the Tax levied under Regulation XXII, 1816, of the Bengal Code, to the purpose of cleansing and repairing the Towns in which that Tax is levied.

II. And it is hereby enacted, in lieu of the maximum rate prescribed by the Sunnud of appointment referred to in Section X. of the above mentioned Regulation, that after the \_\_\_\_\_ day of \_\_\_\_\_ it shall be competent to the Panchaite appointed by the said Sunnud to fix the rate of assessment to be levied from the proprietor or principal occupier of any shop or habitation at Two Company's Rupees per mensem.

III. And it is hereby enacted, that no person whatever shall either by reason of place of birth or by reason of descent be exempted from the payment of any assessment under Regulation

XXII, of 1816, of the Bengal Code, or under this Act.

THE 15TH MAY, 1837.

*Resolution.*—The Governor General of India in Council, having taken into consideration the recommendations, and Drafts of Acts, relative to the future regulation of the Post and Banghy Conveyances in India, which have been submitted to him by the Committee assembled in Calcutta for the investigation of this subject, has resolved to publish for general information the subjoined Draft of Rules as appearing to him, upon mature deliberation, to be the best suited to introduce a just principle of uniformity in this branch of the Administration in the several Presidencies, and to reconcile, generally, a due attention to the convenience of the Public, with a regard for the Financial interests of the Government,

2. The effect of the proposed enactment, in its main provisions, will be to do away with the entire division which has hitherto existed between the Post Office Rules and Establishments of the different Presidencies;—to equalize the rates of Letter Postage, by raising, in some degree, those of Bengal, and reducing those of Madras, and, in a still greater degree, those of Bombay;—to diminish to some considerable extent, the Newspaper Postage of all the Presidencies, especially for extreme distances, at which the high existing rates of Postage are found to bear with excessive, and, in many cases, prohibitory pressure upon circulation; to allow letters to be sent bearing Postage, as well as postpaid, and to revise the scale of Ship Letter Postage, which has hitherto been levied in a manner inconvenient to the public, and in an undue proportion to the service performed by the Post Office.

3. It is not necessary to recapitulate in this Resolution the detailed Rules for amending, and aiding, the practice of the Department, and for the more effectual control of its Officers. It had been the intention of the Government, that the revenue at present derived from the Post Office, but little exceeding its expenses, should not be diminished by any new arrangement of rates; but though it has been found necessary to submit to some loss of public income, more particularly in the just consideration of a proper scale of Ship Letter Postage, in all other cases it may be confidently hoped that an ample compensation will, at no distant period, be obtained, in an improved circulation of intelligence and correspondence: and, in this confidence, the Governor General in Council will only further record his wish to extend, as far as may be consistent with prudent administration, the advantages given to the community by this Department.

4. It has been deemed necessary also, with a view to secure the full advantages to the Government and the public contemplated in this Act, to declare the exclusive power of conveying letters by post for hire to be vested in Government, but it is not the intention of the Governor General in Council to act extensively on the power given him for the suppression of Private Dawks, and he will feel disposed to grant licenses generally to existing private Dawks where sufficient cause for the indulgence may be shown. The period of two months has been granted for all parties who may entertain objections to the proposed Draft to state such objections, and a further period of three months has been allowed for the Proprietors of any Private Dawks that may now exist to apply for licenses for the continuance of such Private Dawks.

The following Draft of a proposed Act is accordingly notified for general information and that the said Draft be brought up for reconsideration at the first meeting of the Legislative Council of India which may be held after the 16th day of July next.

ACT No. — of 1837.

I. It is hereby enacted, that from the day of Regulation XI. of 1830 of the Bombay Code shall be repealed.

II. And it is hereby enacted, that after the expiration of three months from the passing of this Act, the exclusive right of conveying letters by post for hire from place to place within the Territories of the East India Company, shall

be in the Governor General of India in Council.

III. Provided always, that it shall be competent to the said Governor General of India in Council, and to any authority thereunto empowered by the said Governor General in Council, to grant to any person or persons a license permitting such person or persons to convey letters by post for hire from place to place within the said Territories, and that it shall be lawful for any person or persons having such a license to convey letters in conformity with the terms of such license.

IV. And it is hereby enacted, that it shall be lawful for the said Governor General in Council, and for any authority which may have granted any such license as is described in the preceding Section, to revoke such license at pleasure.

V. And it is hereby enacted, that whoever otherwise than under the authority of the said Governor General in Council, or in conformity with the terms of such a license as is aforesaid, knowingly conveys any letter by post for hire from place to place within the said Territories, or receives any letter or packet of letters, in order to such conveyance, or delivers any letter according to its direction knowing the same to have been so conveyed, or is accessory to such conveyance, receipt or delivery, shall be punished with fine not exceeding 50 Rs. for every letter so conveyed, received or delivered.

VI. And it is hereby enacted, that inland postage duties shall be levied on the conveyance of letters and packets by the Government Post, at the rates set forth in the Schedule marked A. which is annexed to this Act, and that the full postage shall be paid either on receipt or on delivery at the option of the sender, and that, if the thing conveyed be transferred from a Post Office in one Presidency to a Post Office in another Presidency, no additional charge shall be made on account of such transfer.

VII. And it is hereby enacted, that when there is a bhanghi established on a line of road, no person shall be entitled to demand that any letter or packet exceeding 12 tolas in weight shall be conveyed by the letter post on that line of road.

VIII. And it is hereby enacted, that when there is no bhanghi established on a line of road letters and Packets exceeding 12 tolas in weight and not exceeding 40 tolas in weight, shall be conveyed on that line of road by the letter post, and every such letter or packet shall be charged with the postage of a letter or packet of the same description of twelve tolas weight sent by letter post.

IX. And it is hereby enacted, that no packet of the description mentioned in Table 2 of Schedule A, shall contain any writing whatever other than writing which is necessarily part of the documents which such packet is stated to contain, by attestation on the cover of such packet, and that whoever shall send any such packet by the Government Post, knowing that it contains any writing not necessarily part of the documents which such packet is stated to contain by attestation on the cover, shall be punished with a fine of Fifty Rupees.

X. And it is hereby enacted, that no packet of the description mentioned in Table 3 of Schedule A. shall contain any writing whatever, except the direction on the cover, and that whoever shall send any such packet by the Government post, knowing that it contains any

writing other than the direction on the cover, shall be punished with a fine of Fifty Rupees.

XI. And it is hereby enacted, that proof sheets marked as such may be sent by letter post at the rates set forth in Table 3 of Schedule A. provided they be brought to the Dispatching Office open, and be sealed in presence of the person in charge of such Office.

XII. And it is hereby enacted, that the said Governor General in Council shall frame a scale of distances as nearly as practicable according to the distance by the nearest road between Post Office Stations, and that the rates of inland postage shall be calculated according to this scale.

XIII. And it is hereby enacted, that Steam Postage, according to such rates as may from time to time be fixed by the Governor General in Council, shall be levied on all letters and packets sent or received by any Government Steamer, and that such Steam Postage shall be in excess of any inland postage to which such letters or packets may be liable.

XIV. And it is hereby enacted, that Ship Postage, according to the rates fixed in Schedule B, annexed to this Act, shall be levied on all letters or packets sent or received by Sea through any Government Post Office, and not liable to Steam Postage.

XV. And it is hereby enacted, that when any Vessel arrives by sea at any place within the said Territories, at which there is a Government Post Office, the Commander of such Vessel shall, as speedily as possible, cause every letter and packet on board of such Vessel which is directed to that place, and which was not specially entrusted for separate delivery, to be delivered either at the Post Office or to some Officer of the Post Office authorized to receive the same; and that if there be on board any letter or packet directed to any other place, and not specially entrusted for separate delivery, the said Commander shall, as speedily as possible, report the same to the Post Master General or Post Master of the place at which he has arrived, and shall act according to such directions as he may receive from such Post Master General or Post Master; and that the receipt of such Post Master General or Post Master shall discharge such Commander of all responsibility in respect of such letter or packet.

XVI. And it is hereby enacted, that every Commander of a Vessel who shall wilfully disobey any of the directions contained in the preceding Section, shall be punished with fine not exceeding 1,000 Rupees.

XVII. And it is hereby enacted, that for every letter or packet delivered by a Commander of a Ship, in conformity with the directions of Section XV. of this Act, the Officer in charge of the Post Office shall pay to the said Commander the sum of One Anna.

XVIII. And it is hereby enacted, that whenever any letter or packet is transhipped for transmission to any other place within the said Territories, the Commander of the Vessel, which originally brought such letter or packet, shall be entitled to receive One Anna for every such letter or packet, and that Commander of the Vessel into which the letter or packet is transhipped, shall be entitled to receive Half an Anna from the person in charge of the Post Office at the place of delivery, provided that the said last mentioned Commander delivers the same in conformity with the directions contained in Section XV. of this Act,

XIX. Provided always, that no payment shall be made to the Commander of any Vessel on account of the delivery of any letter or packet unless the claim of such Commander shall be preferred before the Vessel leaves the place at which the letter or packet was delivered, or before the expiration of three months from the date of the arrival of the packet at the place of ultimate delivery.

XX. And it is hereby enacted, that the Commander of every Vessel leaving any place in the said Territories by Sea, shall receive on board of such his Vessel every letter and packet which he shall be required to receive by any Officer of the Post Office and shall sign a receipt for such letters and packets; and that every Commander of a Vessel who shall wilfully disobey any direction of this Clause shall be punished with a fine not exceeding 1,000 Rupees.

XI. And it is hereby enacted, that whenever any letter or packet, the postage of which has not been paid, shall be delivered by any person employed by the Post Office, the person to whom it is delivered shall not be bound to pay the postage if he returns the letter or packet unopened, but if he opens the same, he shall be bound to pay the postage due thereon; provided always, that if the letter or packet shall appear to have been maliciously sent for the purpose of annoying the person to whom it is directed, the Post Master General or Post Master of the Office, from which the delivery took place, shall remit the said postage.

XXII. And it is hereby enacted, that every letter or packet which is rejected unopened by the person to whom it is directed, shall be returned by post to the sender, and that the said sender shall be bound to pay the return postage thereon, unless direct postage has already been paid thereon.

XXIII. And it is hereby enacted, that whenever any letter or packet, the sender of which is unknown, shall be rejected unopened by the person to whom it is directed, such letter or packet shall be opened by the Officer in charge of the Post Office from which such letter or packet was delivered to that person.

XXIV. And it is hereby enacted, that if any person shall refuse to pay any postage which he is legally bound to pay for any letter or packet, it shall be lawful for the Officer in charge of the Post Office, from which such letter or packet was delivered to withhold from the person so refusing till such postage be paid, any letter directed to that person upon which postage has not been paid by the sender.

XXV. And it is hereby enacted, that all letters and packets which have remained three months unclaimed at any Post Office shall be transmitted to the General Post Office of the Presidency.

XXVI. And it is hereby enacted, that, at intervals not exceeding three months, lists of all unclaimed letters and packets which are in the General Post Office of any Presidency, shall be published in the Official Gazette of that Presidency.

XXVII. FORT WILLIAM,

THE 15TH MAY 1837.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 15th May, 1837, is hereby promulgated for general information:

ACT NO IX OF 1837.

1. It is hereby enacted, that from the 1st day of June, 1837, all immoveable Property situate within the jurisdiction of any of the Courts established by His Majesty's Charter shall, as far as regards the transmission of such Property on the death and intestacy of any Parsee having a beneficial interest in the same, or by the last Will of any such Parsee, be taken to be and to have been of the nature of Chattels real and not of freehold.

11. Provided always, that in any Suit at Law or in Equity which shall be brought for the recovery of such immoveable Property as is aforesaid, no advantage shall be taken of any defect of title arising out of the transmission of such Property upon the death and intestacy of any Parsee having a beneficial interest in the same, or by the last Will of any such Parsee if such transmission took place before the said First day of June 1837, and if such transmission were either according to the Rules which regulate the transmission of freehold Property, or else took place with the acquiescence of all persons to whom any interest in that Property would according to the Rules which regulate the transmission of Chattels real, have accrued upon the death of such Parsee.

FORT WILLIAM

THE 1ST MAY 1837.

The following Extract from the proceedings of the Right Hon'ble the Governor General of India in Council, in the Legislative Department under date the 1st May 1837, is published for general information:

Read the following paragraph (12) of a Dispatch from the Hon'ble the Court of Directors, to the Governor General of India in Council, in the Legislative Department, No. 2 (26th October) of 1836.

12. " It does not appear from the papers forwarded by you whether there existed any objection to a provision authorizing the several Supreme Courts to permit any Convict recommended by them to His Majesty for pardon pending the reference for that purpose, to be at liberty on his own recognizance. If unobjectionable, we are of opinion that according to the suggestion of the Judges a provision to that effect should be passed by the Legislative Council. The object would have been answered by the enactment of the IV. Clause of the proposed Act, omitting only the proviso with which it concludes.

In conformity with the suggestion contained in the foregoing paragraph, the following Act was passed, and was ordered to be published for general information.

ACT NO. VII, OF 1837.

It is hereby enacted, that it shall be lawful for any of the Courts established by His Majesty's Charters, in any case in which such Court shall have recommended to His Majesty the granting

of a free pardon to any Convict, to permit such Convict to be at liberty on his own recognizance.

W. H. MACNAGHTEN,  
Secy. to the Govt. of India.
